

THE STATE OF NEW HAMPSHIRE
DEPARTMENT OF TRANSPORTATION

21

William Cass, P.E.
Commissioner

David Rodrigue, P.E.
Assistant Commissioner

Her Excellency, Governor Kelly A. Ayotte
and the Honorable Council
State House
Concord, New Hampshire 03301

Bureau of Construction
April 17, 2025

REQUESTED ACTION

1. Authorize the Department of Transportation to enter into a contract with L & D Safety Marking Corporation (Vendor 260129) of Barre, VT, on the basis of a low bid of \$533,145.30, for construction of permanent grooved durable polyurea pavement markings on Tier 1 roadways along I-93, Northbound and Southbound, from Plymouth to Thornton, including all ramps for Exit 27 and 28, in District 3 (Project: Plymouth-Campton-Thornton #44991), from the date of Governor and Council approval through September 19, 2025, unless amended by the Department in accordance with the Standard Specifications. 100% Federal Funds.

Funds are available in the following account for Fiscal Year 2025, and are anticipated to be available in Fiscal Year 2026, upon the availability and continued appropriation of funds in the future operating budgets, with the authority to adjust encumbrances between fiscal years within the price limitation through the Budget Office, if needed and justified:

Funding is available as follows:	<u>FY 2025</u>	<u>FY 2026</u>
04-96-96-963515-3054		
Consolidated Federal Aid		
400-500870 Highway Contract Payments	\$293,229.93	\$239,915.37

2. Further authorize that a contingency in the amount of \$26,657.27 be approved for payment of latent conditions, which may appear during the construction of the project. The contingency requested is 5% of the contract amount.

Funding is available as follows:	<u>FY 2026</u>
04-96-96-963515-3054	
Consolidated Federal Aid	
400-500870 Highway Contract Payments	\$26,657.27

EXPLANATION

This project was initiated through the Highway Safety Improvement Program (HSIP). This project constructs permanent grooved pavement markings (durable polyurea) on Tier 1 roadways along I-93, Northbound and Southbound, from Plymouth to Thornton. All ramps for Exit 27 and 28 are included. The project has a total length of 16.3 miles located within District 3.

This project will install polyurea pavement makings along 16.3 miles of Tier 1 roadways, providing improved visibility under nighttime and wet conditions. These markings will also reduce the number of annual pavement striping efforts that are typically necessary by the NHDOT Bureau of Traffic to maintain the markings on these facilities, thereby reducing the temporary impact to traffic and improving public safety.

The proposed contingency amount is 5% of the contract amount. This is to account for quantity calculations that are based on aerial and street view photography as well as risk associated with the unknown extent of unanticipated traffic control needs.

The Contractor has been prequalified by this Department. The Contract has been approved by the Attorney General as to form and execution, and the Department has certified that the necessary funds are available and the bid reasonably conforms to the engineer's estimate in accordance with State procedure. Copies of the fully executed contract are on file at the Secretary of State's Office and the Department of Administrative Service's Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

This project funding is: 100% Federal funds (HSIP).

A copy of the Tabulation of Bids received for this project is attached along with the Contract Supplemental Sheet and a map indicating the location of the project.

Your approval of this resolution is respectfully requested.

Sincerely,

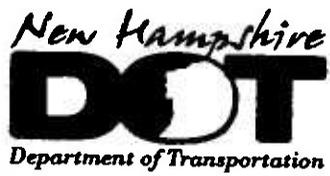

William J. Cass, P.E.
Commissioner

WJC/pcj

Department Estimate:	\$608,347.60
Contract Amount:	<u>\$533,145.30</u>

SUPPLEMENTAL PROJECT INFORMATION SHEET

DESCRIPTION: This project constructs permanent grooved pavement markings (durable polyurea) on Tier 1 roadways along I-93, Northbound and Southbound, from Plymouth to Thornton. All ramps for Exit 27 and 28 are included. The project has a total length of 16.3 miles located within District 3.

FEDERAL FUNDING: 100% Highway Safety Improvement Program (HSIP).

CONTINGENCY: The proposed contingency amount is 5% of the contract amount. This is to account for quantity calculations that are based on aerial and street view photography as well as risk associated with the unknown extent of unanticipated traffic control needs.

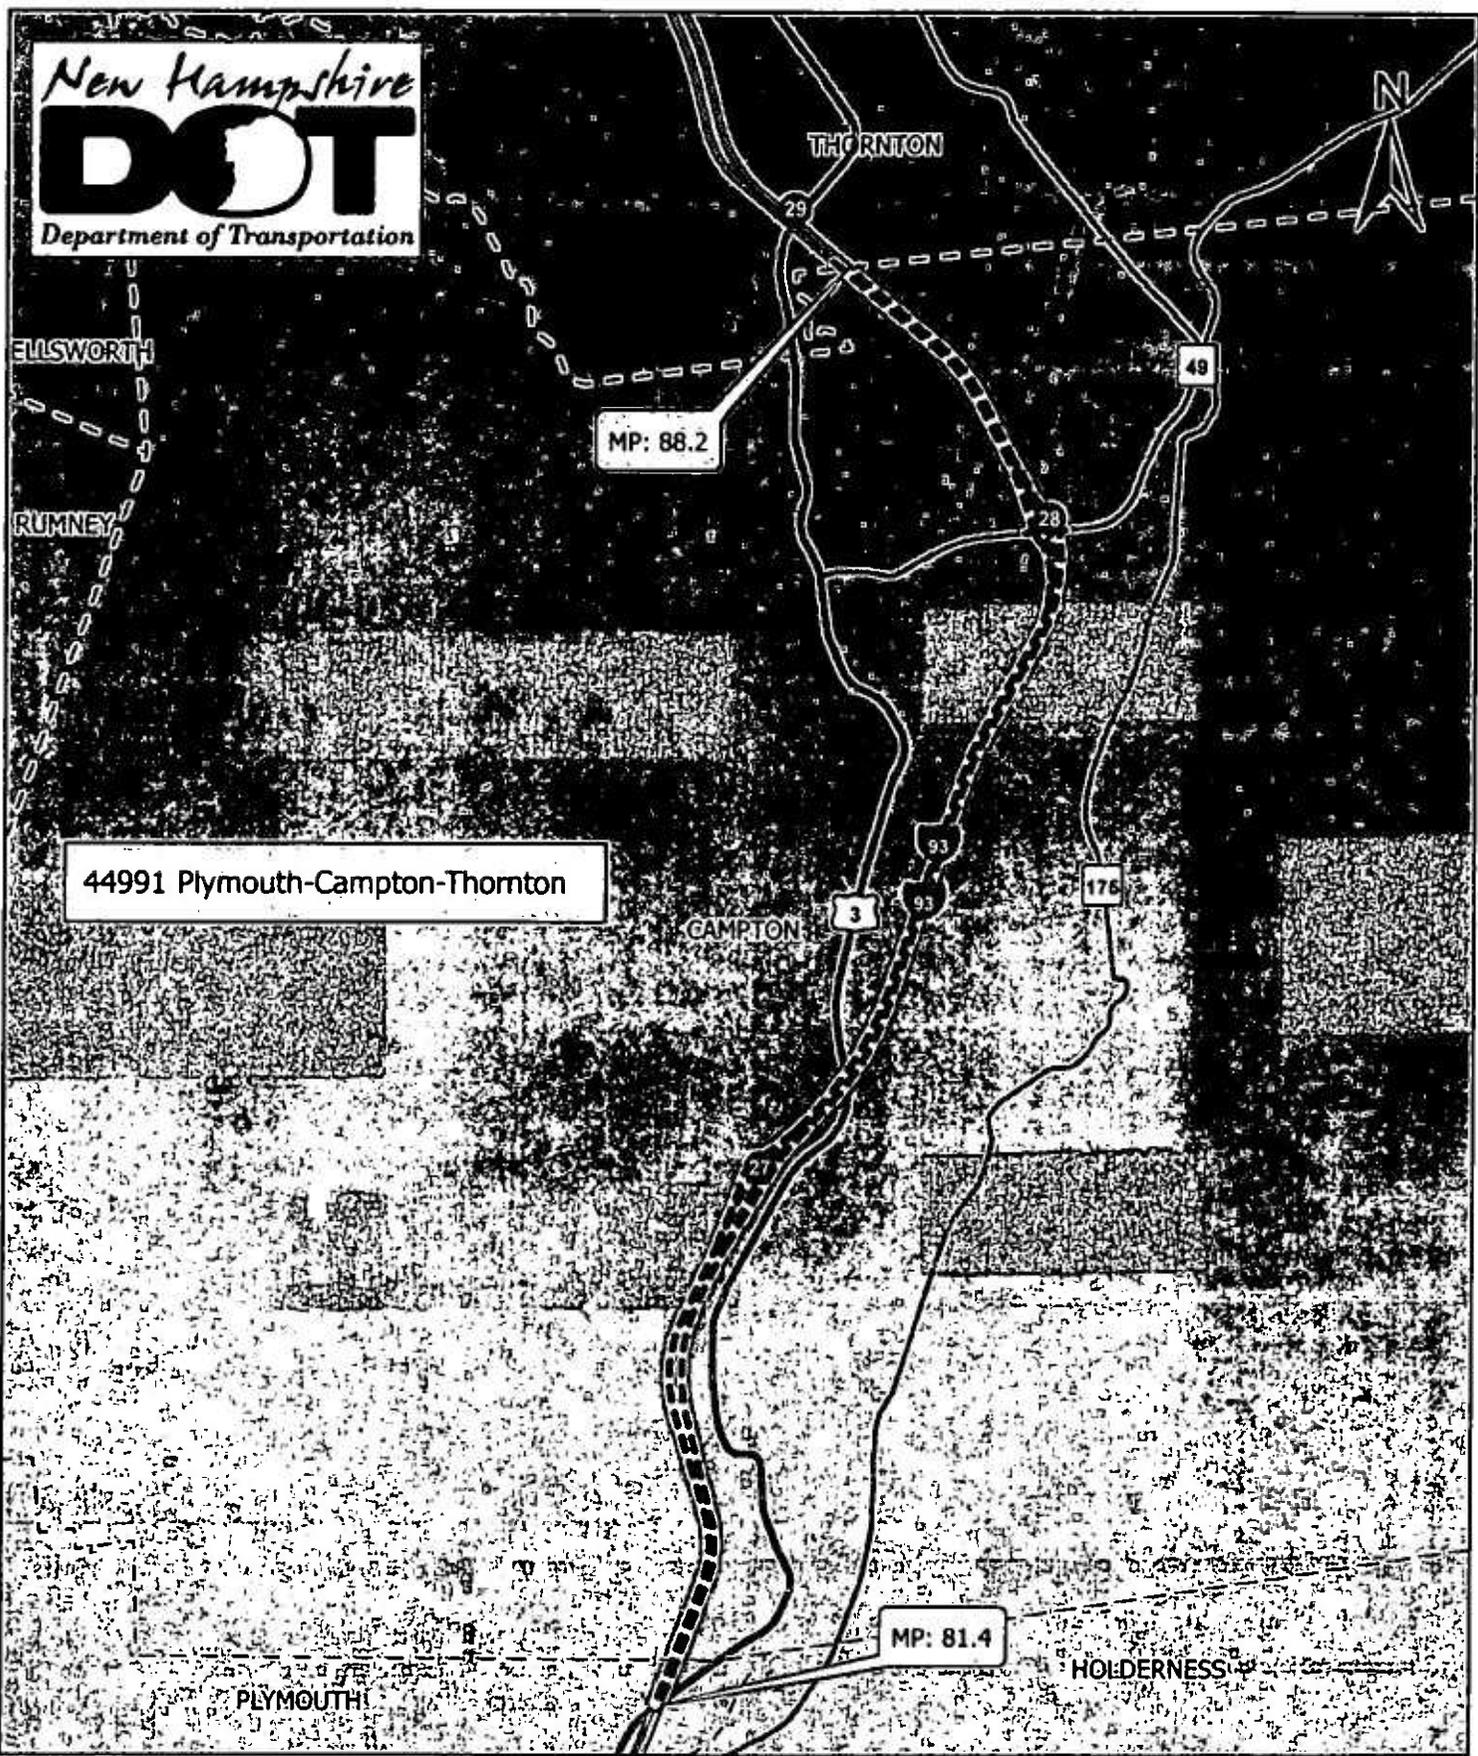

PROJECT INITIATED: This project was initiated through HSIP.

PROJECT EXPLANATION: This project will install polyurea pavement makings along 16.3 miles of Tier 1 roadways, providing improved visibility under nighttime and wet conditions. These markings will also reduce the number of annual pavement striping efforts that are typically necessary by the NHDOT Bureau of Traffic to maintain the markings on these facilities, thereby reducing the temporary impact to traffic and improving public safety.

TRAFFIC IMPLICATION: Lane closures and shoulder closures are anticipated on this contract. One lane of traffic shall be maintained on I-93 at all times during operations. Ramps will be closed, and traffic will be detoured to the next exit.

ADVERTISING DATE: March 3, 2025

FINAL COMPLETION DATE: September 26, 2025.
