

MAC

THE STATE OF NEW HAMPSHIRE DEPARTMENT OF TRANSPORTATION

23

William Cass, P.E. Commissioner

David Rodrigue, P.E. Assistant Commissioner

Her Excellency, Governor Kelly A. Ayotte and the Honorable Council State House Concord, New Hampshire 03301

Bureau of Construction April 30, 2025

REQUESTED ACTION

1. Authorize the Department of Transportation to enter into a contract with All States Construction, Inc. (Vendor 161291) of Sunderland, MA, on the basis of a low bid of \$7,259,337.51 for pavement resurfacing of five (5) sections of various Tier 2, 3 and 4 roadways throughout ten (10) towns (Gilsum, Marlow, Lebanon, Hanover, Alstead, Langdon, Charlestown, Keene, Marlborough and Dublin) in Districts 2 and 4 (Project: District 2/District 4 (F) #44979N), from the date of Governor and Council approval through June 26, 2026, unless amended by the Department in accordance with the Standard Specifications. 100% Federal Funds.

Funds are available in the following account for Fiscal Year 2025, and are anticipated to be available in Fiscal Year 2026, upon the availability and continued appropriation of funds in the future operating budgets, with the authority to adjust encumbrances between fiscal years within the price limitation through the Budget Office, if needed and justified:

Table with 3 columns: Funding is available as follows, FY 2025, FY 2026. Rows include 04-96-96-963515-3054 Consolidated Federal Aid and 400-500870 Highway Contract Payments.

2. Further authorize that a contingency in the amount of \$362,966.88 be approved for payment of latent conditions, which may appear during the construction of the project. The contingency requested is 5% of the contract amount.

Table with 2 columns: Funding is available as follows, FY 2026. Rows include 04-96-96-963515-3054 Consolidated Federal Aid and 400-500870 Highway Contract Payments.

EXPLANATION

This project is part of the CY 2025 District Resurfacing Tier 2, 3, and 4 Program (Federally funded with Pave-T2-Resurf and Pave-T3/4-Resurf). This project resurfaces five (5) sections of various Tier 2, 3 and 4 roadways throughout ten (10) towns in Maintenance Districts 2 and 4. These sections total approximately 30.0 miles in length. Miscellaneous work includes curb ramp reconstruction, pavement striping, and drainage structure adjustments.

- 22403 – Gilsum-Marlow, NH 10, 3/4" Full Width Paver Shim Overlay, 8.0 Miles
• 25203 – Lebanon-Hanover, NH 120, Bonded Wearing Course, 2.6 Miles
• 26406 – Alstead, NH 12A, 2" Wearing Course Inlay and 3/4" Full Width Paver Shim Overlay, 5.8 Miles
• 26408 – Alstead-Langdon-Charlestown, NH 12A, 3/4" Full Width Paver Shim Overlay, 5.7 Miles
• 27401 – Keene-Marlborough-Dublin, NH 101, 2" Wearing Course Inlay, Leveling and 1 1/2" Wearing Course Overlay and 3/4" Full Width Paver Shim Overlay, 7.9 Miles

This will extend the life of the existing pavement and delay costlier improvements. The sections will be resurfaced via paver shim, leveling course and high strength overlay, high strength inlay, and Bonded Wearing Course. One (1) existing sidewalk curb ramp in one (1) section will be improved to comply with ADA regulations. All impacted towns and utilities will be notified of the work.

The proposed contingency amount is 5% of the contract amount. This is to account for variances in quantity calculations that are based on aerial and street view photography and field conditions and that the sections will need to endure one additional winter season before the proposed work takes place.

Although the bid costs exceeded the Department's estimate by 5.24% the low bid of three bids received is felt to be reasonable for the work involved. The items that contributed to the higher than anticipated bid included: Item 417.21 Micro-Milling Bit. Surfaces \$82,199, Item 417 Cold Planing Bit. Surfaces \$75,421, Item 619.1 Maintenance of Traffic \$75,000 and Item 692 Mobilization. Re-advertising this project would result, in our opinion, in higher prices and prevent the completion of the work in a timely manner. The Department considers it to be in the best interest of the State to accept this bid to accomplish these needed repairs.

The Contractor has been prequalified by this Department. The Contract has been approved by the Attorney General as to form and execution, and the Department has certified that the necessary funds are available and the bid reasonably conforms to the engineer's estimate in accordance with State procedure. Copies of the fully executed contract are on file at the Secretary of State's Office and the Department of Administrative Service's Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

This project funding is: 80% Federal funds (Pave-T2-Resurf & Pave-T3/4-Resurf), with anticipated utilization of Turnpike Toll Credits for the State's 20% match, effectively using 100% Federal Funds.

A copy of the Tabulation of Bids received for this project is attached along with the Contract Supplemental Sheet and a map indicating the location of the project.

Your approval of this resolution is respectfully requested.

Sincerely,

William J. Cass, P.E.
Commissioner

WJC/pcj

Department Estimate:	\$6,898,147.69
Contract Amount:	<u>\$7,259,337.51</u>

SUPPLEMENTAL PROJECT INFORMATION SHEET

DESCRIPTION: This project resurfaces five (5) sections of various Tier 2, 3 and 4 roadways throughout ten (10) towns in Maintenance Districts 2 and 4. These sections total approximately 30.0 miles in length. Miscellaneous work includes curb ramp reconstruction, pavement striping, and drainage structure adjustments.

- 22403 Gilsum-Marlow, NH 10, ¾" Full Width Paver Shim Overlay, 8.0 Miles
- 25203 Lebanon-Hanover, NH 120, Bonded Wearing Course, 2.6 Miles
- 26406 Alstead, NH 12A, 2" Wearing Course Inlay and ¾" Full Width Paver Shim Overlay, 5.8 Miles
- 26408 Alstead-Langdon-Charlestown, NH 12A, ¾" Full Width Paver Shim Overlay, 5.7 Miles
- 27401 Keene-Marlborough-Dublin, NH 101, 2" Wearing Course Inlay, Leveling and 1½" Wearing Course Overlay and ¾" Full Width Paver Shim Overlay, 7.9 Miles

FEDERAL FUNDING: 80 % (Pave-T2-Resurf & Pave-T3/4-Resurf); 20% Turnpike Toll Credit

CONTINGENCY: The proposed contingency amount is 5% of the contract amount. This is to account for quantity calculations that are based on aerial and street view photography and field conditions will vary, that the sections will need to endure one additional winter season before the proposed work takes place.

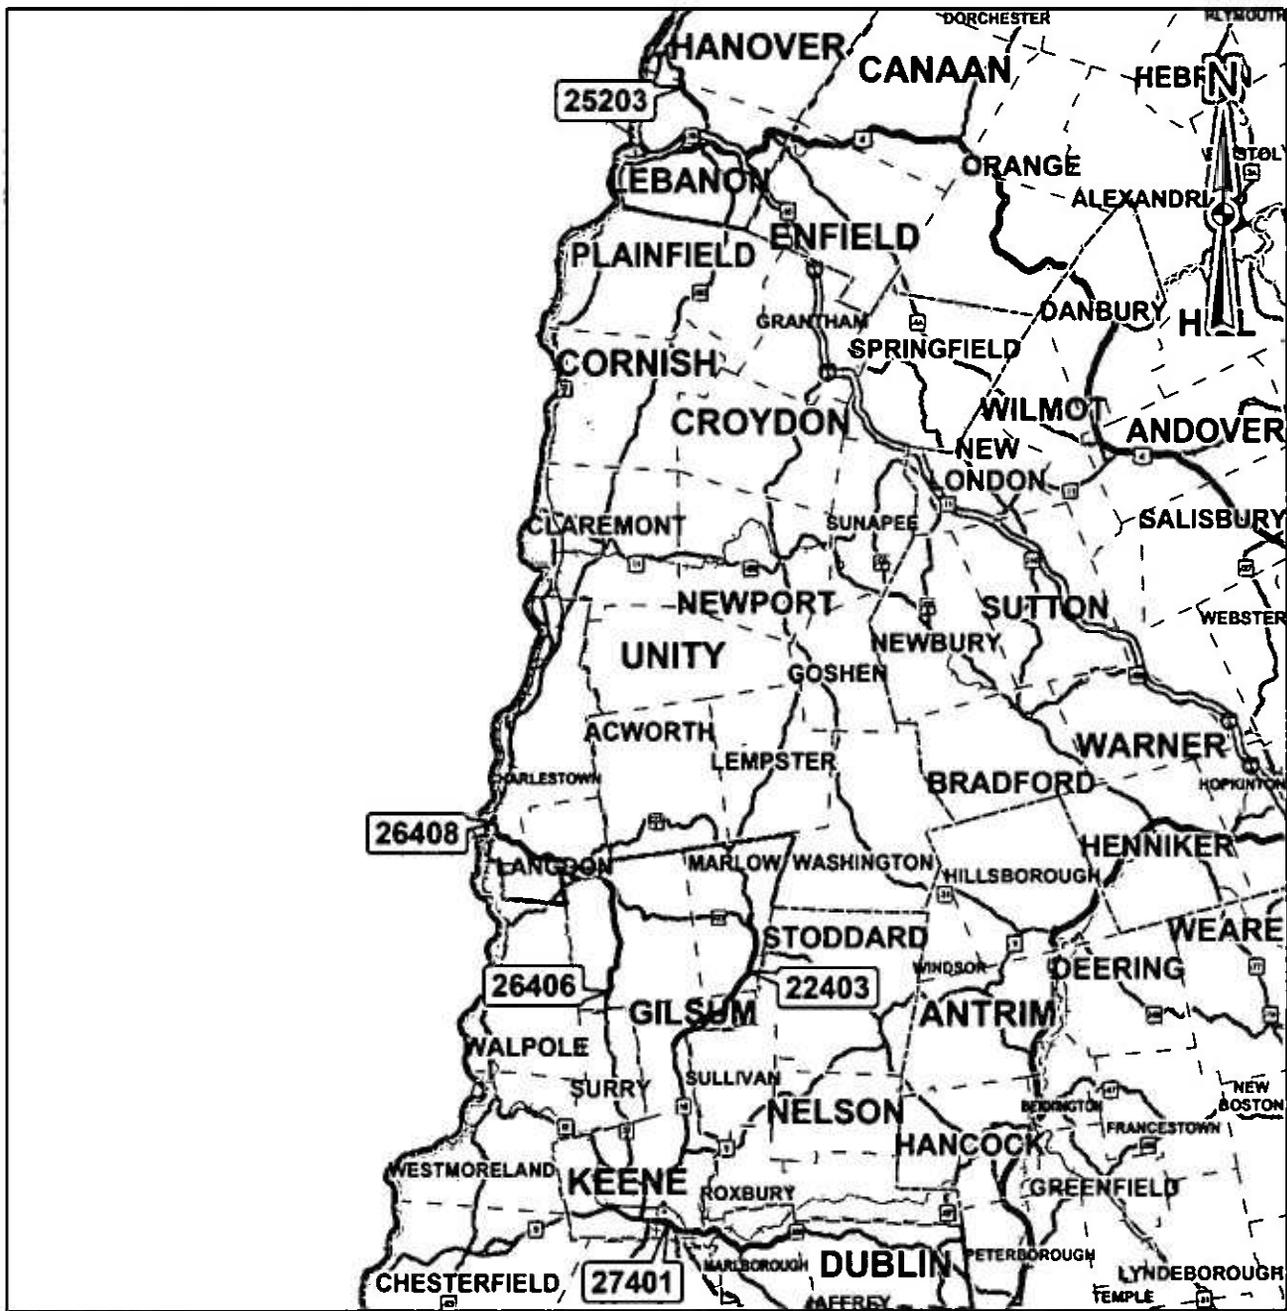

PROJECT INITIATED: This project is part of the CY 2025 District Resurfacing Tier 2, 3, and 4 Program (Federally funded with Pave-T2-Resurf and Pave-T3/4-Resurf). The Pavement Management Section has reviewed the road segments included in this project and identified three (3) sections for Light Capital Paving (totaling 19.5 miles), one (1) section for Preservation (totaling 2.6 miles), and one (1) section for Minor Rehab (totaling 7.9 miles).

PROJECT EXPLANATION: This will extend the life of the existing pavement and delay costlier improvements. The sections will be resurfaced via paver shim, leveling course and high strength overlay, high strength inlay, and Bonded Wearing Course. One (1) existing sidewalk curb ramp in one (1) section will be improved to comply with ADA regulations. All impacted towns and utilities will be notified of the work.

TRAFFIC IMPLICATION: One lane, alternating two-way traffic will be required. Lane closure lengths will be limited to one mile, and traffic will be restored to normal conditions at the end of each workday. Night work will be required on Sections 25203 (Lebanon-Hanover, NH 120) and 27401 (Keene-Marlborough-Dublin, NH 101). Work zone significance was determined to be non-significant at the December 19, 2024 TCC Meeting.

FINAL COMPLETION DATE: June 26, 2026.

CORPORATION CERTIFICATE TO ACTION

I, **Heather Whittier**, do hereby certify:

THAT I am the Assistant Secretary of All States Construction, Inc., a Massachusetts Corporation, having its usual place of business in Sunderland, Massachusetts (the "Corporation").

THAT, the Directors of All States Construction, Inc. have adopted the following continuing and durable power of attorney resolution pursuant to Massachusetts General Laws Chapter 156B, Section 59:

VOTED: That **Craig S. Reed, Alan L. Chicoine, or Gregory R. MacKenzie**, or any of them, is authorized and empowered to alone, make, enter into, sign, seal, and deliver on its behalf, all bids, offers, and resulting contracts and agreements on behalf of the Corporation and lawfully obligate it in connection therewith.

I hereby certify that the above is a true and correct copy of the record; that said authority has not been amended or repealed and is in full force and effect as of this date; and that the said **Craig S. Reed, Alan L. Chicoine and Gregory R. MacKenzie** remain as authorized agents of the Corporation for all such purposes, without exception.

Seal
