7.6. Is completed, dated and returned to the Department with the supporting documentation for allowable expenses to initiate payment.

7.7. Is assigned an electronic signature, includes supporting documentation, and is emailed to dhhs.dbhinvoicesmhs@dhhs.nh.gov or mailed to:

Financial Manager
Department of Health and Human Services
129 Pleasant Street
Concord, NH 03301

8. The Department shall make payments to the Contractor within thirty (30) days of receipt of each invoice and supporting documentation for authorized expenses, subsequent to approval of the submitted invoice.

9. The final invoice and supporting documentation for authorized expenses shall be due to the Department no later than forty (40) days after the contract Completion Date specified in Form P-37, General Provisions Block 1.7.

10. Notwithstanding Paragraph 17 of the General Provisions Form P-37, changes limited to adjusting amounts within the price limitation and adjusting encumbrances between State Fiscal Years and budget class lines through the Budget Office may be made by written agreement of both parties, without obtaining approval of the Governor and Executive Council, if needed and justified.

11. Audits

    11.1. The Contractor must email an annual audit to dhhs.act@dhhs.nh.gov if any of the following conditions exist:

        11.1.1. Condition A - The Contractor is subject to a Single Audit pursuant to 2 CFR 200.501 Audit Requirements.

        11.1.2. Condition B - The Contractor is subject to audit pursuant to the requirements of NH RSA 7:28, III-b.

        11.1.3. Condition C - The Contractor is a public company and required by Security and Exchange Commission (SEC) regulations to submit an annual financial audit.

    11.2. If Condition A exists, the Contractor shall submit an annual Single Audit performed by an independent Certified Public Accountant (CPA) to dhhs.act@dhhs.nh.gov within 120 days after the close of the Contractor's fiscal year, conducted in accordance with the requirements of 2 CFR Part 200, Subpart F of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal awards.

        11.2.1. The Contractor shall submit a copy of any Single Audit findings and any associated corrective action plans. The Contractor shall submit quarterly progress reports on the status of implementation of the corrective action plan.

    11.3. If Condition B or Condition C exists, the Contractor shall submit an annual financial audit performed by an independent CPA within 120 days after the close of the Contractor's fiscal year.

    11.4. The Contractor, regardless of the funding source and/or whether Conditions A, B, or C exist, may be required to submit annual financial audits performed by an independent CPA upon request by the Department.

    11.5. In addition to, and not in any way in limitation of obligations of the Agreement, it is understood and agreed by the Contractor that the

Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department all payments made under the Agreement to which exception has been taken, or which have been disallowed because of such an exception, within sixty (60) days.

12. If applicable, the Contractor must request disposition instructions from the Department for any equipment, as defined in 2 CFR 200.313, purchased using funds provided under this Agreement, including information technology systems.

# INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Monadnock Family Services

## Opinion

We have audited the accompanying financial statements of Monadnock Family Services (a New Hampshire nonprofit organization), which comprise the statements of financial position as of June 30, 2024 and 2023, and the related statements of cash flows, and the notes to the financial statements for the years then ended, and the related statements of activities and functional expenses for the year ended June 30, 2024.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Monadnock Family Services as of June 30, 2024 and 2023, and its cash flows for the years then ended, and the change in its net assets for the year ended June 30, 2024 in accordance with accounting principles generally accepted in the United States of America.

## Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Monadnock Family Services and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Monadnock Family Services' ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

**Auditors' Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Monadnock Family Services' internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Monadnock Family Services' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Report on Supplementary Information**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of functional revenues on pages 21 - 23 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

**Report on Summarized Comparative Information**

We have previously audited Monadnock Family Services' June 30, 2023 financial statements, and we expressed an unmodified opinion on those audited financial statements in our report dated November 1, 2024. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2023, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Net assets without donor restrictions – Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and board of directors.

Net assets with donor restrictions – Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities.

### Accounting Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

### Cash Equivalents

The Organization considers all highly liquid financial instruments with original maturities of three months or less to be cash equivalents.

**Accounts Receivable**

Accounts receivables are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a charge to activities and a credit to a valuation allowance based on historical account write-off patterns by the payor, adjusted as necessary to reflect current conditions. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and credit to accounts receivable. The Organization has no policy for charging interest on overdue accounts nor are its accounts receivable pledged as collateral, except as disclosed in Note 6.

**Property and Depreciation**

Property and equipment are recorded at cost or, if donated, at estimated fair value at the date of donation. Material assets with a useful life in excess of one year are capitalized. Depreciation is provided for using the straight-line method in amounts designed to amortize the cost of the assets over their estimated useful lives as follows:

| | |
|---|---|
| Furniture, fixtures and equipment | 3 - 10 Years |
| Vehicles | 5 - 10 Years |
| Building and leasehold improvements | 5 - 40 Years |

Costs for repairs and maintenance are expensed when incurred and betterments are capitalized. Assets sold or otherwise disposed of are removed from the accounts, along with the related accumulated depreciation, and any gain or loss is recognized.

Depreciation expense was $91,703 and $76,878 for the years ended June 30, 2024 and 2023, respectively.

**Accrued Earned Time**

At June 30, 2024 and 2023 the Organization has accrued a liability for future compensated leave time in the amount of $345,668 and $310,540, respectively, that its employees have earned and which is vested with the employee.

**Refundable Advances**

Grants received in advance are recorded as refundable advances and recognized as revenue in the period in which the related services are provided or expenditures are incurred.

**Revenue Recognition**

In May of 2014, the FASB issued Accounting Standards Update (ASU) 2014-09, *Revenue from Contracts with Customers (Topic 606).* This ASU is a comprehensive revenue recognition model that requires an organization to recognize revenue to depict the transfer of goods or services to a customer at an amount that reflects the consideration it expects to receive in exchange for those goods or services. Contracts and transactions with customers predominantly contain a single performance obligation.

The Organization records the following exchange transaction revenue in its statements of activities for the years ended June 30, 2024 and 2023:

Mental Health Services
The Organization provides a variety of mental health services to its patients. All mental health services revenue recognized upon completion of the service provided.

Contract Balances
Contract balances as a result of contracts and transactions with customers primarily consist of receivables included in accounts receivable in the Organization's statements of financial position. The Organization's receivables from transactions with customers amounted to $345,202 and $345,166 for the years ended June 30, 2024 and 2023, respectively.

Rental Income
Revenue from rental of residential apartments is recognized over time.

Net patient revenue is reported at the estimated net realizable amounts from patients, third-party payors and others for services rendered, including estimated retroactive adjustments under reimbursement agreements with third-party payors. Retroactive adjustments are accrued on an estimated basis in the period the related services are rendered and are adjusted in future periods, as final amounts are determined.

A significant portion of patient revenue is derived from services to patients insured by third-party payors. The Organization receives reimbursement from Medicare, Medicaid and private third-party payors at defined rates for services rendered to patients covered by these programs. The difference between established billing rates and the actual rate of reimbursement is recorded as an allowance when received. A provision for estimated contractual allowances is provided on outstanding patient receivables at the statement of financial position date.

**Contributions**
All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are restricted by the donor for future periods or for specific purposes are reported as net assets with donor restrictions, depending on the nature of the restrictions. However, if a restriction is fulfilled in the same period in which the contribution is received, the Organization reports the support as net assets without donor restrictions.

**Advertising**
The Organization expenses advertising costs as incurred.

## Summarized Financial Information

The financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended June 30, 2023, from which the summarized information was derived.

## Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis. Accordingly, costs have been allocated among the program services and supporting activities benefited. Such allocations have been determined by management on an equitable basis.

The expenses that are allocated include the following:

| Expense | Method of allocation |
|---|---|
| Salaries and benefits | Time and effort |
| Occupancy | Square footage |
| Depreciation | Square footage |
| All other expenses | Direct assignment |

## Fair Value of Financial Instruments

FASB ASC Topic No. 820-10, *Financial Instruments*, provides a definition of fair value which focuses on an exit price rather than an entry price, establishes a framework in generally accepted accounting principles for measuring fair value which emphasizes that fair value is a market-based measurement, not an entity-specific measurement, and requires expanded disclosures about fair value measurements. In accordance with ASC 820-10, the Organization may use valuation techniques consistent with market, income and cost approaches to measure fair value. As a basis for considering market participant assumptions in fair value measurements, Topic 820-10 establishes a fair value hierarchy, which prioritizes the inputs used in measuring fair values. The hierarchy gives the highest priority to Level 1 measurements and the lowest priority to Level 3 measurements. The three levels of the fair value hierarchy under ASC Topic 820-10 are described as follows:

***Level 1*** – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date.

***Level 2*** - Inputs to the valuation methodology are other than quoted market prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies.

***Level 3*** - Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

The carrying amount of cash, prepaid expense, other assets and current liabilities, approximates fair value because of the short maturity of those instruments.

Management has determined the beneficial interest in net assets held by Monadnock Regional Foundation for Family Services, Inc. to be in Level 2 of the fair value hierarchy as defined above (also see Note 5).

**Income Taxes**

The Organization is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. In addition, the Organization qualifies for the charitable contribution deduction under Section 170(b)(1)(a) and has been classified as an Organization that is not a private foundation under Section 509(a)(2). Accordingly, no provision for income taxes has been recorded in the accompanying financial statements.

Management has evaluated the Organization's tax positions and concluded that the Organization has maintained its tax-exempt status and has taken no uncertain tax positions that would require adjustment to the financial statements.

**New Accounting Pronouncements**

As of July 1, 2023, the Organization adopted the provisions of the Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) 2016-03, *Financial Instruments – Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments,* as amended, which modifies the measurement of expected credit losses on certain financial instruments. The Organization adopted this new guidance utilizing the modified retrospective transition method. The adoption of this Standard did not have a material impact on the Organization's financial statements but did change how the allowance for credit losses is determined.

## 3. LIQUIDITY AND AVAILIBILITY

The following represents the Organization's financial assets as of June 30, 2024 and 2023:

## PROGRAM DEVELOPMENT

**North Carolina Youth Clozapine Clinic** — 10/2023
UNC Center for Excellence in Community Mental Health
Raleigh, NC

Conceptualized, secured funding, and operationalized a clozapine clinic for individuals residing in the Vaya Health catchment area (western and central North Carolina) who are between 14-18 years of age, on clozapine or would benefit from a clozapine trial, and not eligible for first episode psychosis services. In person and telehealth service delivery.

**UNC Encompass First Episode Psychosis Program Central Carolina Expansion** — 03/2023
UNC Center for Excellence in Community Mental Health

Raleigh, NC

Conceptualized, secured funding, and operationalized an expansion of the UNC Encompass first episode psychosis program to provide coordinated specialty care services (NAVIGATE model) to seven underserved counties in central North Carolina. In person and telehealth service delivery.

**North Carolina First Episode Psychosis Outreach and Education Program** 11/2022
North Carolina Division of Mental Health and UNC Center for Excellence in Community Mental Health
Chapel Hill and Raleigh, NC

Secured funding and operationalized a state-wide outreach, education, and marketing campaign aimed at increasing awareness of first episode psychosis and minimizing the delay in initial treatment contact. This program targets places of higher education, high schools, places of faith, police and other first responders, primary care clinics, and families/natural supports of those at risk of developing a psychotic disorder. Special emphasis placed on outreach to under-represented, marginalized, and diverse populations.

**Project ECHO Hub: UNC Center for Excellence in Community Mental Health** 10/2022
UNC Center for Excellence in Community Mental Health
Chapel Hill, NC

Created and lunched a Project ECHO Hub aimed at optimizing clinical care for those with serious mental illness. This Hub will launch three initial 12-18 week ECHO Programs focusing on clozapine use, use of long-acting antipsychotic medication, and management psychotropic-induced metabolic side effects. The targeted is international United States.

**Western Carolina Early Episode Psychosis Program (We Care2)** 7/2022
Mountain Community Health Partners, Mountain Area Health Education Clinic, and UNC Center for Excellence in Community Mental Health
Micaville, NC

Conceptualized, secured funding, and implemented a rural, integrated care model of first episode psychosis services for geographically marginalized, underserved, and under-resourced populations in Appalachia North Carolina. This program is imbedded in a Federally Qualified Health Center and is a multi-institution collaboration.

**Western North Carolina Clozapine Clinic** 7/2022
Mountain Area Health Education Clinic and University of North Carolina Center for Excellence in Community Mental Health
Asheville, NC

Conceptualized and provided technical support and clinical consultation for the development and operation of a clozapine-capable clinic in western North Carolina. Also, utilized philanthropic donation to fund 20% effort for a clozapine care manager for this clinic. This is a multi-institution collaboration.

**EXPLANATION**

This request is **Sole Source** because MOP 150 requires all amendments to agreements originally approved as sole source to be identified as sole source. The Contractors are the only authorized contractors able to provide the necessary services. The Department contracts for mental health services through these Community Mental Health Centers, which are designated by the Department to service towns and cities within specified geographic regions, as outlined in the NH Revised Statutes Annotated (RSA) 135-C, New Hampshire Mental Health Services System, and NH Administrative Rule He-M 403, Approval and Operation of Community Mental Health Programs.

The purpose of this request is to correct the payment terms for the Assertive Community Treatment and Modular Approach to Therapy for Children services to ensure the Department can reimburse the Contractors for these services. The current payment terms for these services only allow payments to be drawn down on the prior State Fiscal Year and not for the full term of the contract. The Department is requesting to revise the payment terms to remove references to prior SFYs. This will allow the Contractors to invoice for payments through the contract completion date. The funding for the Contractors' payments is already encumbered in their individual price limitations.

The Assertive Community Treatment program offers treatment, rehabilitation, and support services using a person-centered, recovery-based approach to individuals who have been diagnosed with severe and persistent mental illness. The Contractors are paid for these services based on active participation in the monthly consultation and skill training events or for completion of a fidelity measures reviewed by the Department. The Modular Approach to Therapy for Children program is an industry standard treatment that employs a cognitive-behavioral framework to address common childhood behavioral health concerns including depression, anxiety, conduct problems, and trauma for youth ages 6-12. This modularized approach allows for flexibility and encourages clinicians to tailor treatment to individual treatment needs. The Contractors are paid for these services based on a per person rate. The Assertive Community Treatment and Modular Approach to Therapy for Children program scope provisions align with Mental Health Services required by NH RSA 135-C and with State Regulations applicable to the mental health system as outlined in He-M 400, as well as in compliance with the Community Mental Health Agreement (CMHA).

Approximately 20,700 individuals are served annually by the Contractors listed above. The populations served include children with Serious Emotional Disturbances and adults with Serious Mental Illness/Serious and Persistent Mental Illness, including individuals with Mental Illness and co-occurring substance use disorders per NH Administrative Rule He-M 401 Eligibility Determination and Individuals Service Planning.

The Department will continue to monitor services by:

- Conducting performance reviews and utilization reviews as necessary and appropriate based on applicable licensing, certifications, and service provisions.
- Conducting quarterly meetings to review submitted quarterly data and reports to identify ongoing programmatic improvements.
- Reviewing monthly financial statements provided by the Contractors for ongoing evaluation of program fiscal integrity.

Should the Governor and Executive Council not authorize this request, the Department will be unable to reimburse the Contractors for Assertive Community Treatment and Modular Approach to Therapy for Children services, which aligns with the scope of services.

Respectfully submitted,

Lori A. Weaver
Commissioner

**Amendment #1**

This Amendment to the Mental Health Services contract is by and between the State of New Hampshire, Department of Health and Human Services ("State" or "Department") and Monadnock Family Services ("the Contractor").

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 14, 2023 (Item #31), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract and in consideration of certain sums specified; and

WHEREAS, pursuant to Form P-37, General Provisions, the Contract may be amended upon written agreement of the parties and approval from the Governor and Executive Council; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Modify Exhibit C, Payment Terms; Section 7.5, to read:

7.5. Assertive Community Treatment Team (ACT) Adults: The Contractor shall be paid based on an activity and general payment as outlined below. Funds support programming and staffing defined in Exhibit B, Scope of Work, Adult Assertive Community Treatment (ACT) Teams.

| ACT Costs | INVOICE TYPE | TOTAL COST |
|---|---|---|
| Invoice based payments on invoice | Programmatic costs as outlined on invoice by month | $450,000 |
| ACT Enhancements | 1. ACT Incentives of $6,250 may be drawn down in December and May for active participation in COD Consultation. Evidence of active participation by the ACT team in the monthly consultations and skills training events conducted by the COD consultant will qualify for payment.<br><br>OR<br><br>2. ACT incentives may be drawn down upon completion of the SFY Fidelity Review per SFY. A total of $6,250 may be paid for a score of 4 or 5 on the Co-occurring Disorder Treatment Groups (S8) and the Individualized Substance Abuse Treatment (S7) fidelity measures. | $25,000 |

2. Modify Exhibit C, Payment Terms, Section 7.7. to read:

7.7. MATCH: Funds to be used to support services and trainings outlined in Exhibit B, Scope of Services. The breakdown of this funding per SFY is outlined below.

| TRAC COSTS | CERTIFICATION OR RECERTIFICATION | TOTAL COST |
|---|---|---|
| $2,500 | $250/Person X 10 People = $2,500 | $5,000 |

All terms and conditions of the Contract not modified by this Amendment remain in full force and effect. This Amendment shall be effective upon Governor and Council approval.

Funds are available in the following accounts for State Fiscal Years 2023 and 2024, and are anticipated to be available in State Fiscal Year 2025, upon the availability and continued appropriation of funds in the future operating budget, with the authority to adjust budget line items within the price limitation and encumbrances between state fiscal years through the Budget Office, if needed and justified.

**See attached fiscal details.**

**EXPLANATION**

This request is **Sole Source** because the Contractors are the only authorized contractors able to provide the necessary services. The Department contracts for mental health services through these ten (10) Community Mental Health Centers, which are designated by the Department to service towns and cities within specified geographic regions, as outlined in the NH Revised Statutes Annotated (RSA) 135-C, New Hampshire Mental Health Services System, and NH Administrative Rule He-M 403, Approval and Operation of Community Mental Health Programs.

The purpose of this request is to provide community mental health services for individuals in New Hampshire. Community Mental Health Centers provide community-based mental health services to adults, children, and families to build resiliency, promote recovery, and reduce inpatient hospital utilizations, and improve community tenure. These contracts provide both Federal grant funds and General Funds that enable delivery of services not otherwise covered by Medicaid. For example, technology, training, and system upgrades, delivery of some Assertive Community Treatment services, and care coordination with other systems such as the Division of Children, Youth, and Families, Department of Education, and Division of Long Term Supports and Services. The majority of the General Funds are allocated to ensure that individuals who are uninsured have full access to NH Rapid Response crisis services.

Approximately 20,700 individuals will be served annually.

The populations served include children with Serious Emotional Disturbances and adults with Serious Mental Illness/Serious and Persistent Mental Illness, including individuals with Mental Illness and co-occurring substance use disorders per NH Administrative Rule He-M 401 Eligibility Determination and Individuals Service Planning.

The Contractors will provide crisis services, individual and group psychotherapy, targeted case management, medication services, Functional Support Services, Illness Management-and Recovery, supported employment, Assertive Community Treatment, Wraparound services for children, community residential services, and acute care services to individuals experiencing psychiatric emergencies while awaiting admission to a designated receiving facility. All contracts include provisions for Mental Health Services required by NH RSA 135-C and with State Regulations applicable to the mental health system as outlined in He-M 400, as well as in compliance with the Community Mental Health Agreement (CMHA).

The Department will monitor services by:

- Conducting performance reviews and utilization reviews as necessary and appropriate based on applicable licensing, certifications and service provisions.
- Conducting quarterly meetings to review submitted quarterly data and reports to identify ongoing programmatic improvements.
- Reviewing monthly financial statements provided by the Contractors for ongoing evaluation of program fiscal integrity.

As referenced in Exhibit A, Revisions to Standard Agreement Provisions Section 1, Revisions to Form P-37, General Provisions, Subsection 1.2 of the attached agreements, the parties have the option to extend the agreements for up to four (4) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and Governor and Council approval.

Should the Governor and Council not authorize this request, approximately 12,300 adults, and 8,400 children in the state will not have access to critical community mental health services as required by NH RSA 135-C:13. As a result, these individuals may experience an increase in symptoms causing them to seek more costly services at hospital emergency departments due to risk of harm to themselves or others and may have increased contact with law enforcement, correctional programs, or primary care physicians, none of which have the necessary services or supports available to provide necessary assistance. Lack of these services may also increase the likelihood of inpatient hospitalizations and death by suicide.

Source of Federal Funds: Assistance Listing Number #93.243, FAIN # H79SM080245; Assistance Listing Number #93.958, FAIN # B09SM087375; Assistance Listing Number #93.043, FAIN #2201NHOAPH; Assistance Listing Number #93.959, FAIN # TI085821; Assistance Listing Number #93.829, FAIN # H79SM087622.

In the event that the Federal Funds become no longer available, additional General Funds will not be requested to support this program.

Respectfully submitted,

Lori A. Weaver
Interim Commissioner

2. SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT B which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.17, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.13 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3. The Contractor agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

**8. EVENT OF DEFAULT/REMEDIES.**

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

**9. TERMINATION.**

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. In addition, at the State's discretion, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement.

**10. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.**

10.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

10.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

10.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

**11. CONTRACTOR'S RELATION TO THE STATE.** In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

**12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.**

12.1 The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice, which shall be provided to the State at least fifteen (15) days prior to the assignment, and a written consent of the State. For purposes of this paragraph, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

12.2 None of the Services shall be subcontracted by the Contractor without prior written notice and consent of the State. The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

**13. INDEMNIFICATION.** Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omissions of the

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

**14. INSURANCE.**

14.1 The Contractor shall, at its sole expense, obtain and continuously maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 commercial general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $1,000,000 per occurrence and $2,000,000 aggregate or excess; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 10.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than ten (10) days prior to the expiration date of each insurance policy. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference.

**15. WORKERS' COMPENSATION.**

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A *("Workers' Compensation")*.

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. The Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

**16. NOTICE.** Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

**17. AMENDMENT.** This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

**18. CHOICE OF LAW AND FORUM.** This Agreement shall be governed, interpreted and construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party. Any actions arising out of this Agreement shall be brought and maintained in New Hampshire Superior Court which shall have exclusive jurisdiction thereof.

**19. CONFLICTING TERMS.** In the event of a conflict between the terms of this P-37 form (as modified in EXHIBIT A) and/or attachments and amendment thereof, the terms of the P-37 (as modified in EXHIBIT A) shall control.

**20. THIRD PARTIES.** The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

**21. HEADINGS.** The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

**22. SPECIAL PROVISIONS.** Additional or modifying provisions set forth in the attached EXHIBIT A are incorporated herein by reference.

**23. SEVERABILITY.** In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

**24. ENTIRE AGREEMENT.** This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire agreement and understanding between the parties, and supersedes all prior agreements and understandings with respect to the subject matter hereof.

## Revisions to Standard Agreement Provisions

1. Revisions to Form P-37, General Provisions

1.1. Paragraph 3, Subparagraph 3.1, Effective Date/Completion of Services, is amended as follows:

3.1. Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire as indicated in block 1.17, this Agreement, and all obligations of the parties hereunder, shall become effective on June 28, 2023 ("Effective Date").

1.2. Paragraph 3, Effective Date/Completion of Services, is amended by adding subparagraph 3.3 as follows:

3.3. The parties may extend the Agreement for up to four (4) additional years from the Completion Date, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and approval of the Governor and Executive Council.

1.3. Paragraph 12, Assignment/Delegation/Subcontracts, is amended by adding subparagraph 12.3 as follows:

12.3. Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions. The Contractor shall have written agreements with all subcontractors, specifying the work to be performed, and if applicable, a Business Associate Agreement in accordance with the Health Insurance Portability and Accountability Act. Written agreements shall specify how corrective action shall be managed. The Contractor shall manage the subcontractor's performance on an ongoing basis and take corrective action as necessary. The Contractor shall annually provide the State with a list of all subcontractors provided for under this Agreement and notify the State of any inadequate subcontractor performance.

**New Hampshire Department of Health and Human Services**
**Mental Health Services**

# EXHIBIT B

**Scope of Services**

## 1. Provisions Applicable to All Services

1.1. The Contractor shall operate a Community Mental Health Center (CMHC) that provides services intended to promote recovery from mental illness for eligible residents in the State of New Hampshire (individuals) for Region 5.

1.2. The Contractor shall submit a detailed description of the language assistance services they will provide to persons with limited English proficiency to ensure meaningful access to their programs and/or services within ten (10) business days of the contract effective date.

1.3. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the Services described herein, the State Agency has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

1.4. Prior to termination of this contract the parties will agree on a plan for transition and destruction of data in accordance with Exhibit K.

1.5. The Contractor shall provide individualized, recovery based services and supports in the manner that best allows individuals to stay within their home and community, including, but not limited to providing current treatment and recovery options that are based on scientific research and evidence based practices (EBP).

1.6. The Contractor acknowledges the requirements of the Community Mental Health Agreement (CMHA) and shall demonstrate progress toward meeting the following terms in the CMHA: 1.) Assertive Community Treatment Teams; 2.) Evidence-Based Supported Employment; 3.) Transition planning for individuals at New Hampshire Hospital and Glencliff Home; and 4.) Supported Housing. Further, the Contractor shall participate in annual Quality Service Reviews (QSR) conducted under the terms of the CMHA.

1.7. The Contractor shall enter into a capitation model of contracting with all NH Medicaid Managed Care Organizations to support the delivery and coordination of behavioral health services and supports for children, youth, transition-aged youth, young adults, and adults.

1.8. The Contractor shall support the integration of physical and behavioral health as a standard of practice; implementing the Substance Abuse and Mental Health Services Administration's (SAMHSA) Six Levels of Collaboration/Integration to the maximum extent feasible.

1.9. The Contractor shall ensure that clinical standards and operating procedures are consistent with trauma-informed models of care, as defined by SAMHSA. The clinical standards and operating procedures must reflect a focus on wellness, recovery, and resiliency.

1.10. The Contractor shall engage in ongoing implementation, service improvements, and expansion efforts associated with New Hampshire's 10 Year Mental Health Plan, as contracted.

1.11. For the purposes of this agreement, all references to days shall mean calendar days unless otherwise specified.

1.12. The Contractor shall provide individuals, caregivers and youth the opportunity for feedback and leadership within the agency to help improve services in a person-centered manner when applicable and appropriate.

1.13. The Contractor shall hire and maintain staffing in accordance with New Hampshire Administrative Rule He-M 403.07, or as amended, Staff Training and Development.

**2. System of Care for Children's Mental Health**

2.1. The Contractor shall collaborate with the Department on the implementation of NH RSA 135-F, System of Care for Children's Mental Health.

2.2. The Contractor shall provide services for children, youth, and young adults with serious emotional disturbance (SED) in a manner that aligns with NH RSA 135-F. The Contractor shall ensure services are:

2.2.1. Family Driven - services and supports are provided in a manner that best meets the needs of the family and the family goals;

2.2.2. Youth Driven - services and supports are provided in a manner that best meets the needs of the child, youth or young adult and that supports his or her goals;

2.2.3. Community Based - services and supports are provided in a manner that best allow children, youth, and young adults to stay within his or her home and community;

2.2.4. Cultural and Linguistic Competent - services are provided in a manner that honors a child, youth, or young adult and their family-identified culture, beliefs, ethnicity, preferred language, gender and gender identity and sexual orientation; and

2.2.5. Trauma informed.

2.3. The Contractor shall collaborate with the Care Management Entities providing FAST Forward, Transitional Residential Enhanced Care Coordination and Early Childhood Enhance Care Coordination programing, ensuring services are available for all children and youth enrolled in the programs.

2.4. The Contractor shall make referrals to the FAST Forward program for any child, youth, or young adult that may be eligible.

**3. Modular Approach to Therapy for Children with Anxiety, Depression, Trauma, or Conduct Problems (MATCH-ADTC)**

3.1. The Contractor shall maintain appropriate levels of certification through a contract with The Baker Center for Children and Families.

3.2. The Contractor shall ensure new and incoming staff work towards meeting a goal of 70% of children and youth clients' needs with the evidence-based practice of Modular Approach to Therapy for Children with Anxiety, Depression, Trauma, or Conduct problems (MATCH-ADTC).

3.3. The Contractor shall maintain a use of the Baker Center for Children and Families CHART system to support each case with MATCH-ADTC as the identified treatment modality.

3.4. The Contractor shall invoice BCBH for:

3.4.1. The costs for both the certification of incoming therapists and the recertification of existing clinical staff, not to exceed the budgeted amount; and

3.4.2. The full cost of the annual fees paid to the Baker Center for Children and Families for the use of their CHART system to support MATCH-ADTC.

**4. Division for Children, Youth and Families (DCYF)**

4.1. The Contractor shall provide mental health consultation to staff at Division for Children, Youth and Families (DCYF) District Offices related to mental health assessments and/or ongoing treatment for children served by DCYF.

4.2. The Contractor shall provide Foster Care Mental Health Assessments for children and youth younger than eighteen (18) years of age who are entering foster care for the first time.

**5. Crisis Services**

5.1. If the Contractor has, or enters into, an agreement with a hospital to provide crisis services to individuals who are eligible, or presumed eligible in the emergency department, for Medicaid services, the Contractor may bill Medicaid according to fee schedules or MCO contracts for services rendered.

5.2. The Contractor shall document crisis services delivered in the emergency department setting as part of its required submissions to the Department's Phoenix system (described in the Data Reporting section below), in a format, and with content, completeness, and timelines specified by the Department, ensuring documented information includes screenings performed, diagnosis codes, and referrals made.

5.3. The Contractor shall provide documentation of each collaborative relationship with acute care hospitals in its region, at the request of the Department.

5.4. The Contractor shall provide emergency services as defined in NH Administrative Rule He-M 403.06 (a)(6) and NH Administrative Rule He-M 426.09.

5.5. As part of the crisis resolution, the Contractor shall screen each individual for Assertive Community Treatment (ACT). If clinically appropriate, the Contractor shall:

5.5.1. Refer the individual for an expedited ACT assessment and/or intake and treatment upon discharge; or

5.5.2. Inform the appropriate CMHC in order to expedite the ACT assessment and/or intake and treatment upon discharge from emergency department or inpatient psychiatric or medical care setting, if the individual resides in a region other than the region in which the individual is receiving crisis services.

5.6. The Contractor shall not refer an individual for hospitalization at New Hampshire Hospital (NHH) or Hampstead Hospital Residential Treatment Facility (HHRTF) unless the Contractor has determined that NHH is the least restrictive setting in which the individual's immediate psychiatric treatment needs can be met. The Contractor shall:

5.6.1. Make all reasonable efforts to ensure no other clinically appropriate bed is available at any other NH inpatient psychiatric unit, Designated Receiving Facility (DRF), Adult Psychiatric Residential Treatment Program (APRTP), Mobile Crisis apartments, or other step-up/step-down beds prior to referring an individual to NHH.

5.7. The Contractor shall provide services to individuals experiencing a psychiatric and/or substance use related crisis through a rapid response team that includes specialty trained crisis responders, which includes, but is not limited to:

5.7.1. One (1) clinician trained to provide behavioral health emergency services and crisis intervention services.

5.7.2. One (1) peer.

5.7.3. Telehealth access, and on-call psychiatry, as needed.

5.8. The Contractor shall ensure all staff have the necessary qualifications as defined under New Hampshire Administrative Rule He-M 400, Community Mental Health, Parts 403 and 426.

5.9. The Contractor shall work in tandem with the designated vendor providing services through the Rapid Response Access Point contract as approved by the Governor and Executive Council.

5.10. The Contractor shall maintain a current Memorandum of Understanding with the Rapid Response Access Point, which provides the Mobile Response

Teams information regarding the nature of the crisis, through electronic communication, that includes, but is not limited to:

5.10.1. The location of the crisis.

5.10.2. The safety plan either developed over the phone or on record from prior contact(s).

5.10.3. Any accommodations needed.

5.10.4. Treatment history of the individual, if known.

5.11. The Contractor shall promote the use of the telephone number for the Rapid Response Access Point as the primary contact for crisis services, which:

5.11.1. Utilizes specified Rapid Response technology, to identify the closest and available Mobile Response Team; and

5.11.2. Does not fulfill emergency medication refills.

5.12. The Contractor shall provide written information to current clients, which includes telephone numbers, on how to access support for medication refills on an ongoing basis.

5.13. The Contractor shall ensure all rapid response team members participate in crisis response training, as designated by the Department, which follows the concepts and topics identified in the National Guidelines for Crisis Care Best Practice Toolkit published by the Substance Abuse and Mental health Services Administration (SAMHSA).

5.14. The Contractor shall provide the physical address of the physical location to the Rapid Response Access Point where the rapid response team may provide office-based urgent assessments.

5.15. The Contractor shall ensure a rapid response team is available twenty-four (24) hours per day, seven (7) days a week for deployment as directed by the Rapid Response Access Point.

5.15.1. If the Contractor does not have a fully staffed Rapid Response team available for deployment twenty-four (24) hours per day, seven (7) days a week, the Contractor shall work with the Department to identify solutions to meet the demand for services.

5.16. The Contractor shall ensure the Rapid Response team is trained and available to provide crisis response services to avoid unnecessary hospitalization, contact with law enforcement, incarceration or institutionalization. The Contractor shall ensure services include but are not limited to:

5.16.1. Face-to-face assessments.

5.16.2. Disposition and decision making.

5.16.3. Initial care and safety planning.

5.16.4. Post crisis and stabilization services.

5.17. The Contractor may utilize presumptive eligibility when responding to individuals who are not connected to a CMHC or who may be considered low utilizers.

5.18. The Contractor shall follow all Rapid Response dispatch protocols, processes, and data collection established in partnership with the Rapid Response Access Point, as approved by the Department.

5.19. The Contractor shall ensure the Rapid Response team responds face-to-face to all dispatches in the community within one (1) hour of the request ensuring:

5.19.1. The response team includes a minimum of two (2) specialty trained behavioral health crisis responders for safety purposes, if occurring at locations based on individual and family choice that include but are not limited to:

5.19.1.1. In or at the individual's home.

5.19.1.2. Community settings.

5.19.2. The response team includes a minimum of one (1) clinician if occurring at safe, staffed sites or public service locations;

5.19.3. Telehealth dispatch is acceptable as a face-to-face response only when requested by the individual and/or deployed as a telehealth dispatch by the Rapid Response Access Point, as clinically appropriate;

5.19.4. A no-refusal policy upon triage and all requests for Rapid Response team dispatch receive a response and assessment regardless of the individual's disposition, which may include current substance use. Documented clinical rationale with administrative support when a mobile intervention is not provided;

5.19.5. Coordination with law enforcement personnel, only when clinically indicated, when responding to individuals in a mental health crisis presenting a safety concern or when active rescue is required;

5.19.6. A face-to-face lethality assessment as needed that includes, but is not limited to:

5.19.6.1. Obtaining the individual's mental health history including, but not limited to:

5.19.6.1.1. Psychiatric, including recent inpatient hospitalizations and current treatment providers.

5.19.6.1.2. Substance misuse.

5.19.6.1.3. Social, familial and legal factors;

5.19.6.2. Understanding the individual's presenting symptoms and onset of crisis;

5.19.6.3. Obtaining medication list, adherence to prescribed medications and brief medical history; and

5.19.6.4. Conducting a mental status exam.

5.19.7. Developing a mutually agreed upon individualized safety plan and care disposition and decision making, with the individual, which may include, but is not limited to:

5.19.7.1. Staying in place with:

5.19.7.1.1. Stabilization services.

5.19.7.1.2. A safety plan.

5.19.7.1.3. Outpatient providers;

5.19.7.2. Stepping up to crisis stabilization services or apartments.

5.19.7.3. Admission to peer respite or step-up/step-down program.

5.19.7.4. Admission to a crisis apartment.

5.19.7.5. Voluntary hospitalization.

5.19.7.6. Initiation of Involuntary Emergency Admission (IEA).

5.19.7.7. Medical hospitalization.

5.20. The Contractor shall involve peer and/or specialty trained crisis responders Rapid Response staff by providing follow up contact within forty-eight (48) hours post-crisis for all face-to-face interventions, which may include, but are not limited to:

5.20.1. Promoting recovery.

5.20.2. Building upon life, social and other skills.

5.20.3. Offering support.

5.20.4. Reviewing crisis and safety plans.

5.20.5. Facilitating referrals such as warm hand offs for post-crisis support services, including connecting back to existing treatment providers, including home region CMHC, and/or providing a referral for additional treatment and/or peer contacts.

5.21. The Contractor shall provide Sub-Acute Crisis Stabilization Services for up to 30 days as follow-up to the initial mobile response for the purpose of stabilization of the crisis episode prior to intake or referral to another service or agency. The Contractor shall ensure stabilization services are:

5.21.1. Provided for individuals who reside in and/or are expected to receive long-term treatment in the Contractor's region;

5.21.2. Delivered by the rapid response team for individuals who are not in active treatment prior to the crisis;

5.21.3. Provided in the individual and family home, if requested by the individual;

5.21.4. Implemented using methods that include, but are not limited to:

5.21.4.1. Involving specialty trained behavioral health peer and/or Bachelor level crisis staff to provide follow up support.

5.21.4.2. Providing crisis stabilization services with a Master's level clinician through short-term, trauma informed approaches, which may include, but are not limited to:

5.21.4.2.1. Cognitive Behavior Therapy (CBT).

5.21.4.2.2. Dialectical Behavior Therapy (DBT).

5.21.4.2.3. Solution-focused therapy.

5.21.4.2.4. Developing concrete discharge plans.

5.21.4.2.5. Providing substance use disorder assessment and counseling techniques for dually diagnosed individuals.

5.21.5. Provided by a Department certified and approved Residential Treatment Provider in a Residential Treatment facility for children and youth.

5.22. The Contractor shall work with the Rapid Response Access Point to conduct educational and outreach activities within the local community and to institutional stakeholders in order to promote appropriate referrals to and the utilization of rapid response team resources. The Contractor must:

5.22.1. Ensure outreach and educational activities may include, but are not limited to:

5.22.1.1. Promoting the Rapid Response Access Point website and phone number and links with information about Rapid Response and connectivity to the Rapid Response Access Point.

5.22.1.2. Including the Rapid Response Access point crisis telephone number as a prominent feature to call if experiencing a crisis on relevant agency materials.

5.22.1.3. Direct communications with partners that direct them to the Rapid Response Access Point for crisis services and deployment.

5.22.1.4. Promoting the Children's Behavioral Health Resource Center website.

5.22.2. Work with the Rapid Response Access Point to change utilization of hospital emergency departments (ED) for crisis response in the region and collaborate by:

5.22.2.1. Meeting regularly with local police and first responders to discuss interface, procedures, and collaborations to understand challenges and improve outcomes for individuals in the community;

5.22.2.2. Educating the individual, and their supports on all diversionary services available, by encouraging early intervention;

5.22.2.3. Maintaining and developing relationships with local hospitals and work together to promote the use of the Rapid Response Access Point number and rapid response services, in order to reduce ED use; and

5.22.2.4. Coordinating with homeless outreach services.

5.23. The Contractor shall maintain connection with the Rapid Response Access Point and the identified technology system that enables transmission of information needed to:

5.23.1. Determine availability of the Rapid Response Teams;

5.23.2. Facilitate response of dispatched teams; and

5.23.3. Resolve the immediate crisis episode.

5.24. The Contractor shall maintain connection to the designated resource tracking system.

5.25. The Contractor shall maintain a bi-directional referral system with electronic scheduling to support information sharing that facilitates closed loop referrals and transmission of clinical triage summaries, safety plans and shared care plans with community providers, once implemented.

5.26. The Contractor shall submit reports relative to the rapid response services provided in this agreement. The Contractor shall:

5.26.1. Document all contacts in the medical record for both State eligible and non-eligible individuals who receive rapid response team services;

5.26.2. Provide monthly reports by the fifteenth (15th) day of each month, on a template provided by the Department which includes, but is not limited to:

5.26.2.1. Number of unique individuals who received services.

5.26.2.2. Date and time of mobile arrival; and

5.26.3. Submit information through the Department's Phoenix System as defined in the Department's Phoenix reporting specifications unless otherwise instructed on a temporary basis by the Department to include but not be limited to:

5.26.3.1. Diversions from hospitalizations.

5.26.3.2. Diversions from Emergency Rooms.

5.26.3.3. Services provided.

5.26.3.4. Location where services were provided.

5.26.3.5. Length of time service or services provided.

5.26.3.6. Whether law enforcement was involved for safety reasons.

5.26.3.7. Whether law enforcement was involved for other reasons.

5.26.3.8. Identification of follow up with the individual by a member of the Contractor's rapid response team within 48 hours post face-to-face intervention.

5.26.3.9. Indication that referral for ongoing mental health services following the immediate crisis was provided.

5.26.3.10. Outcome of service provided, which may include but is not limited to:

5.26.3.10.1. Remained in home.

5.26.3.10.2. Hospitalization.

5.26.3.10.3. Crisis stabilization services.

5.26.3.10.4. Crisis apartment.

5.26.3.10.5. Emergency department.

5.27. The Contractor's performance will be monitored by ensuring eighty (80%) of individuals receive a post-crisis follow up from a member of the Contractor's rapid response team within forty-eight (48) hours of a face-to- face intervention, as identified through Phoenix encounter data.

**6. Adult Assertive Community Treatment (ACT) Teams**

6.1. The Contractor shall maintain Adult ACT Teams that meet the SAMHSA Model and are available twenty-four (24) hours per day, seven (7) days per week, with on-call availability from midnight to 8:00 A.M. The Contractor shall ensure:

6.1.1. Adult ACT Teams deliver comprehensive, individualized, and flexible services, supports, targeted case management, treatment, and rehabilitation in a timely manner as needed, onsite in the individuals' homes and in other natural environments and community settings, or alternatively, via telephone where appropriate to meet the needs of the individual;

6.1.2. Each Adult ACT Team is composed of seven (7) to ten (10) dedicated professionals who make-up a multi-disciplinary team including, a psychiatrist, a nurse, a Masters-level clinician, or functional equivalent therapist, functional support worker and a full time equivalent (FTE) certified peer specialist;

6.1.3. Each Adult ACT Team includes an individual trained to provide substance abuse support services including competency in providing co-occurring groups and individual sessions, and supported employment; and

6.1.4. Caseloads for Adult ACT Teams serve no more than twelve (12) individuals per Adult ACT Team member, excluding the psychiatrist who serves no more than seventy (70) people served per 0.5 FTE psychiatrist, unless otherwise approved by the Department.

6.2. The Contractor shall ensure ACT staff, with the exception of psychiatrist and nurse, receive:

6.2.1. A minimum of 15 hours in basic ACT training within one (1) year of hire date that is consistent with the ACT EBP SAMHSA toolkit approved by BMHS; and

6.2.2. A minimum of 4 hours of advanced ACT training of co-occurring disorders within fifteen (15) months of hire date that is consistent with the ACT EBP SAMSHA toolkit and Integrated Dual Disorder Model approved by BMHS.

6.3. The Contractor shall ensure Adult ACT Teams do not have waitlists for screening purposes and/or admission to the ACT Team. The Contractor shall ensure:

6.3.1. Individuals do not wait longer than 30 days for either assessment or placement;

6.3.2. Work with the Department at identifying solutions and appropriate levels of care for any individual waiting for Adult ACT Team services

for more than 30 days in order to meet the demand for services and implement the solutions within forty-five (45) days; and

6.3.3. Individuals receiving services from Adult ACT Team members, if psychiatrically hospitalized, are offered a same day or next day appointment with an Adult ACT Team member upon date of discharge.

6.4. The Contractor shall report its level of compliance with the above listed requirements on a monthly basis at the staff level in the format, and with content, completeness, and timeliness as specified by the Department as part of the Phoenix submissions, which are due no later than the 15th of the month. The Contractor shall:

6.4.1. Ensure services provided by the Adult ACT Team are identified in the Phoenix submissions as part of the ACT cost center;

6.4.2. Screen for ACT per NH Administrative Rule He-M 426.16, or as amended, Assertive Community Treatment (ACT);

6.4.3. Report all ACT screenings with the outcome of the screening to indicate whether the individual is appropriate for ACT, as part of the Phoenix submissions, or in the format, content, completeness, and timelines as specified by the Department;

6.4.4. Make a referral for an ACT assessment within (7) days of:

6.4.4.1. A screening outcome that an individual may be appropriate to receive ACT services; and

6.4.4.2. An individual being referred for an ACT assessment;

6.4.5. Report the outcome of ACT assessments to the Department as part of the Phoenix submissions, in the format, content, completeness, and timelines as specified by the Department;

6.4.6. Ensure all individuals assessed as appropriate for ACT services are admitted to the ACT team caseload and begin receiving ACT services within seven (7) days, with the exception of individuals who decline such services, or are not available to receive such services for reasons that may include, but are not limited to:

6.4.6.1. Extended hospitalization or incarceration.

6.4.6.2. Relocation of individuals out of the Contractor's designated community mental health region; and

6.4.7. Ensure, in the event that admitting the individual to the ACT Team caseload causes the ACT Team to exceed the caseload size limitations specified above, consultation with the Department to seek approval:

6.4.7.1. To exceed caseload size requirements; or

6.4.7.2. To provide alternative services to the individual until the individual can be admitted to the ACT caseload.

**7. Evidence-Based Supported Employment**

7.1. The Contractor shall gather employment status for all adults with Severe Mental Illness (SMI)/Severe Persistent Mental Illness (SPMI) at intake and at least biannually thereafter and when employment status changes.

7.2. The Contractor shall report the employment status for all adults with SMI/SPMI to the Department in the format, content, completeness, and timelines specified by the Department.

7.3. The Contractor shall provide a referral for all individuals who express an interest in receiving Individual Placement and Support Supported Employment (IPS-SE) services to the Supported Employment (SE) team within seven (7) days.

7.4. The Contractor shall deem the individual as waiting for SE services if the SE team cannot accommodate enrollment of SE services, at which time the individual will be added to the waitlist, which is reported to the Department, as specified by the Department.

7.5. The Contractor shall provide IPS-SE to eligible individuals in accordance with the SAMHSA and/or Dartmouth model.

7.6. The Contractor shall ensure IPS-SE services include, but are not limited to:

7.6.1. Job development.

7.6.2. Work incentive counseling.

7.6.3. Rapid job search.

7.6.4. Follow along supports for employed individuals.

7.6.5. Engagement with mental health treatment teams and local NH Vocational Rehabilitation services.

7.7. The Contractor shall ensure IPS-SE services do not have waitlists, ensuring individuals do not wait longer than 30 days for IPS-SE services. If waitlists are identified, Contractor shall:

7.7.1. Work with the Department to identify solutions to meet the demand for services; and

7.7.2. Implement such solutions within 45 days.

7.8. The Contractor shall maintain the penetration rate of individuals receiving supported employment at a minimum of 18.6 percent (18.6%) as per the CMHA agreement.

7.9. The Contractor shall ensure SE staff receive:

7.9.1. A minimum of 15 hours in basic training within one year of hire date as approved by the IPS Employment Center and approved by BMHS; and

7.9.2. A minimum of 7 hours of advanced SE Job Development Training within 15 months of hire as approved by the IPS-SE Employment Center and BMHS.

**8. Coordination of Care from Residential or Psychiatric Treatment Facilities**

8.1. The Contractor shall designate a member of its staff to serve as the primary liaison to New Hampshire Hospital (NHH) and/ or Hampstead Hospital Residential Treatment Facility (HHRTF) who works with the applicable NHH & HHRTF staff, payer(s), guardian(s), other community service providers, and the applicable individual, to assist with coordinating the seamless transition of care for individuals transitioning from NHH and HHRTF to community based services or transitioning to NHH from the community. The Contractor may:

8.1.1. Designate a different liaison for individuals being served through their children's services.

8.2. The Contractor shall not close the case of any individual who is admitted to NHH. Notwithstanding, the Contractor shall be deemed to be in compliance with all NH Administrative He-M 408, Clinical Records rules regarding documentation if it is noted in the record that the individual is an inpatient at NHH or another treatment facility. All documentation requirements as per He-M 408 will be required to resume upon re-engagement of services following the individual's discharge from inpatient care.

8.3. The Contractor shall participate in transitional and discharge planning within 24 hours of admission to an inpatient facility.

8.4. The Contractor shall work with the Department, payers and guardians (if applicable) to review cases of individuals that NHH, HHRTF, Transitional Housing, or alternative treatment facility or the Contractor, have indicated will have difficulty returning to the community to identify barriers to discharge, and to develop an appropriate plan to transition into the community.

8.5. The Contractor shall make a face-to-face appointment available to an individual leaving NHH, HHRTF, Transitional Housing or alternative residential setting who desires to reside in the region served by the Contractor within seven (7) calendar days of receipt of notification of the individual's discharge, or within seven (7) calendar days of the individual's discharge, whichever is later.

8.6. The Contractor shall ensure individuals who are discharged and are new to a CMHC have an intake appointment within seven (7) calendar days. If the individual declines to accept the appointment, declines services, or requests

an appointment to be scheduled beyond the seven (7) calendar days; the Contractor may accommodate the individual's request provided the accommodation is clinically appropriate, and does not violate the terms of a conditional discharge. The Contractor's Adult ACT Team must see individuals who are on the ACT caseload and transitioning from NHH into the community within 24 hours of NHH discharge.

8.7. The Contractor shall make all reasonable efforts to ensure that no appropriate bed is available at any other inpatient psychiatric unit, Designated Receiving Facility (DRF) per NH RSA 135-C and NH Administrative Rule He-M 405, Designation of Receiving Facilities, Mobile Crisis Apartment, Peer Support Recovery Center, or Adult Psychiatric Residential Treatment Program (APRTP) prior to referring an individual to NHH.

8.8. The Contractor shall collaborate with NHH to develop and execute conditional discharges from NHH in order to ensure that individuals receive treatment in the least restrictive environment.

8.9. The Contractor shall have all necessary staff members available to receive, evaluate, and treat individuals discharged from NHH and HHRTF seven (7) days per week, consistent with the provisions in NH Administrative Rule He-M 403 and NH Administrative Rule He-M 426.

8.10. For individuals at NHH who formerly resided in the Contractor's designated community mental health region prior to NHH admission, who have been identified for transition planning to the Glencliff Home, the Contractor shall, at the request of the individual or guardian, or of NHH or Glencliff Home staff, participate in transition planning to determine if the individual can be supported in the Contractor's region with community based services and supports instead of transitioning to the Glencliff Home. In the event the individual would require supports from multiple funding sources or the Department's systems of care, the Contractor shall collaborate with additional Department staff at NHH's request, to address any barriers to discharge the individual to the community.

**9. Coordinated Care and Integrated Treatment**

9.1. Primary Care

9.1.1. The Contractor shall request written consent from each individual to allow the designated primary care provider to release information for the purpose of coordinating care regarding mental health services or substance misuse services or both.

9.1.2. The Contractor shall support each individual with linking to an available primary care provider, if the individual does not have an identified primary care provider, to:

9.1.2.1. Monitor health;

9.1.2.2. Provide medical treatment as necessary; and

9.1.2.3. Engage in preventive health screenings.

9.1.3. 19.1. In the event that the State funds designated as the Price Limitation in Form P-37, General Provisions, Block 1.8. of the General Provisions are materially reduced or suspended, the Department shall provide prompt written notification to the Contractor of such material reduction or suspension.

19.2. In the event that the reduction or suspension in federal or state funding shall prevent the Contractor from providing necessary services to individuals, the Contractor shall develop a service reduction plan, detailing which necessary services will no longer be available.

19.3. Any service reduction plan is subject to approval from the Department, and shall include, at a minimum, provisions that are acceptable to the Department, with services that include, but are not limited to:

19.3.1. Evaluation of and, if eligible, an individual service plan for all new applicants for services.

19.3.2. Crisis services for all individuals.

19.3.3. Services for individuals who meet the criteria for involuntary admission to a designated receiving facility.

19.3.4. Services to individuals who are on a conditional discharge pursuant to RSA 135-C:50 and NH Administrative Rule He-M-609.

**20. Elimination of Programs and Services by Contractor**

20.1. The Contractor shall provide a minimum thirty (30) calendar day's written notice prior to any reductions in delivery of services, or notice as soon as possible if the Contactor is faced with a more sudden need to reduce delivery of services.

20.2. The Contractor shall consult and collaborate with the Department prior to elimination or reduction of services in order to reach a mutually agreeable solution as to the most effective way to provide necessary services.

20.3. The Department reserves the right to require the Contractor to participate in a mediation process with the Commissioner of the Department of Health and Human Services, and to invoke an additional thirty (30) calendar day extension in the event of a proposal to reduce or eliminate any contracted services.

20.4. If the parties are still unable to come to a mutual agreement within the thirty (30) calendar day extension, the Contractor may proceed with its proposed program change(s) so long as proper notification to eligible individuals is provided.

20.5. The Contractor shall not redirect funds allocated in the budget for the program or service that has been eliminated or substantially reduced to another program or service without the mutual agreement of both parties.

20.6. In the event that an agreement cannot be reached, the Department shall control the expenditure of the unspent funds.

**21. Data Reporting**

21.1. The Contractor shall submit any data identified by the Department to comply with federal or other reporting requirements to the Department or contractor designated by the Department.

21.2. The Contractor shall submit all required data elements to the Department's Phoenix system in compliance with current Phoenix reporting specifications and transfer protocol provided by the Department.

21.3. The Contractor shall submit individual client demographics and all encounter data, including data on both billable and non-billable individual-specific services and rendering staff providers on these encounters, to the Department's Phoenix system, or its successors, in the format, content, completeness, frequency, method and timeliness as specified by the Department. Individual data must include a Medicaid ID number for individuals who are enrolled in Medicaid.

21.4. The Contractor shall include client eligibility with all Phoenix services in alignment with current reporting specifications. For an individual's services to be considered BMHS eligible, SPMI, SMI, Low Utilizer (LU), SED, and Severe Emotional Disturbance Interagency (SEDIA) are acceptable.

21.5. The Contractor shall make any necessary system changes to comply with annual Department updates to the Phoenix reporting specification(s) within 90 days of notification of the new requirements. When a contractor is unable to comply they shall request an extension from the Department that documents the reasons for non-compliance and a work plan with tasks and timelines to ensure compliance.

21.6. The Contractor shall meet all the general requirements for the Phoenix system which include, but are not limited to:

21.6.1. Agreeing that all data collected in the Phoenix system is the property of the Department to use as it deems necessary.

21.6.2. Ensuring data files and records are consistent with reporting specification requirements.

21.6.3. Ensuring that errors in data returned to the Contractor are corrected and resubmitted to the Department within ten (10) business days.

21.6.4. Ensuring data is current and updated in the Contractor's systems as required for federal reporting and other reporting requirements and as specified by the Department.

21.6.5. Participating in Departmental efforts for system-wide data quality improvement.

21.6.6. Implementing quality assurance, system, and process review procedures to validate data submitted to the Department to confirm:

21.6.6.1. All data is formatted in accordance with the file specifications;

21.6.6.2. No records will reject due to illegal characters or invalid formatting; and

21.6.6.3. The Department's tabular summaries of data submitted by the Contractor match the data in the Contractor's system.

21.7. The Contractor shall meet the following standards:

21.7.1. Timeliness: monthly data shall be submitted no later than the fifteenth (15th) of each month for the prior month's data unless otherwise approved by the Department, and the Contractor shall review the Department's tabular summaries within five (5) business days.

21.7.2. Completeness: submitted data must represent at least ninety-eight percent (98%) of billable services provided, and ninety-eight percent (98%) of individuals served by the Contractor. For fields indicated in the reporting specifications as data elements that must be collected in contractor systems, 98% shall be submitted with valid values other than the unknown value. The Department may adjust this threshold through the waiver process described in Section 21.8.

21.7.3. Accuracy: submitted service and member data shall conform to submission requirements for at least ninety-eight percent (98%) of the records, and one-hundred percent (100%) of unique member identifiers shall be accurate and valid.

21.8. The Department may waive requirements for fields in Phoenix on a case by case basis through a written waiver communication that specifies the items being waived. In all circumstances:

21.8.1. The waiver length shall not exceed 180 days.

21.8.2. Where the Contractor fails to meet standards, the Contractor shall submit a corrective action plan within thirty (30) calendar days of being notified of an issue.

21.8.3. After approval of the corrective action plan, the Contractor shall implement the plan.

21.8.4. Failure of the Contractor to implement the plan may require:

21.8.4.1. Another plan; or

21.8.4.2. Other remedies, as specified by the Department.

**22. Privacy Impact Assessment**

22.1. Upon request, the Contractor must allow and assist the Department in conducting a Privacy Impact Assessment (PIA) of its system(s)/application(s)/web portal(s)/website(s) or Department system(s)/application(s)/web portal(s)/website(s) hosted by the Contractor, if Personally Identifiable Information (PII) is collected, used, accessed, shared, or stored. To conduct the PIA the Contractor must provide the Department access to applicable systems and documentation sufficient to allow the Department to assess, at minimum, the following:

22.1.1. How PII is gathered and stored;

22.1.2. Who will have access to PII;

22.1.3. How PII will be used in the system;

22.1.4. How individual consent will be achieved and revoked; and

22.1.5. Privacy practices.

22.2. The Department may conduct follow-up PIAs in the event there are either significant process changes or new technologies impacting the collection, processing or storage of PII.

## Payment Terms

1. This Agreement is funded by:
   1.1. 4.41% Federal funds, Block Grants for Community Mental Health Services, as awarded on 2/23/23, by the Substance Abuse and Mental Health Services Administration, Center for Mental Health Services, ALN 93.958, FAIN B09SM087375.
   1.2. 1.61% Federal funds, NH Certified Community Behavioral Health Clinic Planning, as awarded on 3/15/23, by the Substance Abuse and Mental Health Services Administration, Center for Mental Health Services, ALN 93.829, FAIN H79SM087622.
   1.3. 93.43% General funds.
   1.4. .55% Other funds (Behavioral Health Services Information System).
2. For the purposes of this Agreement the Department has identified:
   2.1. The Contractor as a Subrecipient, in accordance with 2 CFR 200.331.
   2.2. The Agreement as NON-R&D, in accordance with 2 CFR §200.332.
3. The State shall pay the Contractor an amount not to exceed the Price Limitation, specified in Form P-37, General Provisions, Block 1.8 for the services provided by the Contractor pursuant to Exhibit B, Scope of Services.
4. Notwithstanding anything to the contrary herein, the Contractor agrees that funding under this Agreement may be withheld, in whole or in part, in the event of noncompliance with any state or federal law, rule or regulation applicable to the services provided, or if the said services have not been completed in accordance with the terms and conditions of this Agreement.
5. Mental Health Services provided by the Contractor shall be paid in order as follows:
   5.1. For Medicaid enrolled individuals through the Department Medicaid Fee for Service program in accordance with the current, publicly posted Fee for Service (FFS) schedule located at NHMMIS.NH.gov.
   5.2. For Managed Care Organization enrolled individuals, the Contractor shall be reimbursed pursuant to the Contractor's agreement with the applicable Managed Care Organization for such services.
   5.3. For individuals with other health insurance or other coverage for the services they receive, the Contractor will directly bill the other insurance or payors.
   5.4. For individuals without health insurance or other coverage for the services they receive, and for operational costs contained in Exhibits C, Payment Terms, or which the Contractor cannot otherwise seek

reimbursement from an insurance or third-party payer, the Contractor will directly bill the Department to access contract funds provided through this Agreement.

6. All Medicaid/MCO invoicing shall follow billing and coding requirements outlined by the Department. For the purpose of Medicaid billing, a unit of service is described in the DHHS published CMH NH Fee Schedule, as may be periodically updated, or as specified in NH Administrative Rule He-M 400. However, for He-M 426.12 Individualized Resiliency and Recovery Oriented Services (IROS), a Unit of Service is defined as fifteen (15) minutes. The Contractor shall report and bill in whole units. The intervals of time in the table below define how many units to report or bill. All such limits may be subject to additional DHHS guidance or updates as may be necessary to remain in compliance with Medicaid standards.

| Direct Service Time Intervals | Unit Equivalent |
|---|---|
| 0-7 minutes | 0 units |
| 8-22 minutes | 1 unit |
| 23-37 minutes | 2 units |
| 38-52 minutes | 3 units |
| 53-60 minutes | 4 units |

7. Payment shall be for services provided in the fulfillment of this Agreement, as specified in Exhibit B Scope of Work, and in accordance with Table 1 below.

7.1. The table below summarizes the other contract programs and their maximum allowable amounts.

## CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

**ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS**

**US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS**
**US DEPARTMENT OF EDUCATION - CONTRACTORS**
**US DEPARTMENT OF AGRICULTURE - CONTRACTORS**

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services
129 Pleasant Street,
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
   - 1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
   - 1.2. Establishing an ongoing drug-free awareness program to inform employees about
     - 1.2.1. The dangers of drug abuse in the workplace;
     - 1.2.2. The grantee's policy of maintaining a drug-free workplace;
     - 1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
     - 1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
   - 1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
   - 1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
     - 1.4.1. Abide by the terms of the statement; and
     - 1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
   - 1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

1.6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 1.4.2, with respect to any employee who is so convicted

1.6.1. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

1.6.2. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

1.7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1.1, 1.2, 1.3, 1.4, 1.5, and 1.6.

2. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

## CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
    11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
    11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
    11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (l)(b) of this certification; and
    11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
    13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
    13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

## CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;

- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;

- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;

- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

## CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1000 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Contractor identified in Section 1.3 of the General Provisions agrees, by signature of the Contractor's representative as identified in Section 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this contract, the Contractor agrees to make reasonable efforts to comply with all applicable provisions of Public Law 103-227, Part C, known as the Pro-Children Act of 1994.

## HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT BUSINESS ASSOCIATE AGREEMENT

The Contractor identified in Section 1.3 of the General Provisions of the Agreement agrees to comply with the Health Insurance Portability and Accountability Act, Public Law 104-191 and with the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160 and 164 applicable to business associates. As defined herein, "Business Associate" shall mean the Contractor and subcontractors and agents of the Contractor that receive, use or have access to protected health information under this Agreement and "Covered Entity" shall mean the State of New Hampshire, Department of Health and Human Services.

(1) Definitions.

a. "Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

b. "Business Associate" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

c. "Covered Entity" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

d. "Designated Record Set" shall have the same meaning as the term "designated record set" in 45 CFR Section 164.501.

e. "Data Aggregation" shall have the same meaning as the term "data aggregation" in 45 CFR Section 164.501.

f. "Health Care Operations" shall have the same meaning as the term "health care operations" in 45 CFR Section 164.501.

g. "HITECH Act" means the Health Information Technology for Economic and Clinical Health Act, TitleXIII, Subtitle D, Part 1 & 2 of the American Recovery and Reinvestment Act of 2009.

h. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 and the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160, 162 and 164 and amendments thereto.

i. "Individual" shall have the same meaning as the term "individual" in 45 CFR Section 160.103 and shall include a person who qualifies as a personal representative in accordance with 45 CFR Section 164.501(g).

j. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 CFR Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

k. "Protected Health Information" shall have the same meaning as the term "protected health information" in 45 CFR Section 160.103, limited to the information created or received by Business Associate from or on behalf of Covered Entity.

Contractor Initials PW

Date 5/23/2023

l. "Required by Law" shall have the same meaning as the term "required by law" in 45 CFR Section 164.103.

m. "Secretary" shall mean the Secretary of the Department of Health and Human Services or his/her designee.

n. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 CFR Part 164, Subpart C, and amendments thereto.

o. "Unsecured Protected Health Information" means protected health information that is not secured by a technology standard that renders protected health information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

p. Other Definitions - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH Act.

(2) **Business Associate Use and Disclosure of Protected Health Information.**

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:
   I. For the proper management and administration of the Business Associate;
   II. As required by law, pursuant to the terms set forth in paragraph d. below; or
   III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) **Obligations and Activities of Business Associate.**

a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- The unauthorized person used the protected health information or to whom the disclosure was made;
- Whether the protected health information was actually acquired or viewed
- The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) **Obligations of Covered Entity**

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) **Termination for Cause**

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) **Miscellaneous**

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

## CERTIFICATION REGARDING THE FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA) COMPLIANCE

The Federal Funding Accountability and Transparency Act (FFATA) requires prime awardees of individual Federal grants equal to or greater than $25,000 and awarded on or after October 1, 2010, to report on data related to executive compensation and associated first-tier sub-grants of $25,000 or more. If the initial award is below $25,000 but subsequent grant modifications result in a total award equal to or over $25,000, the award is subject to the FFATA reporting requirements, as of the date of the award.
In accordance with 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), the Department of Health and Human Services (DHHS) must report the following information for any subaward or contract award subject to the FFATA reporting requirements:

1. Name of entity
2. Amount of award
3. Funding agency
4. NAICS code for contracts / CFDA program number for grants
5. Program source
6. Award title descriptive of the purpose of the funding action
7. Location of the entity
8. Principle place of performance
9. Unique identifier of the entity (UEI #)
10. Total compensation and names of the top five executives if:
    - 10.1. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than $25M annually and
    - 10.2. Compensation information is not already available through reporting to the SEC.

Prime grant recipients must submit FFATA required data by the end of the month, plus 30 days, in which the award or award amendment is made.
The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of The Federal Funding Accountability and Transparency Act, Public Law 109-282 and Public Law 110-252, and 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:
The below named Contractor agrees to provide needed information as outlined above to the NH Department of Health and Human Services and to comply with all applicable provisions of the Federal Financial Accountability and Transparency Act.

## DHHS Information Security Requirements

A. Definitions

The following terms may be reflected and have the described meaning in this document:

1. "Breach" means the loss of control, compromise, unauthorized disclosure, unauthorized acquisition, unauthorized access, or any similar term referring to situations where persons other than authorized users and for an other than authorized purpose have access or potential access to personally identifiable information, whether physical or electronic. With regard to Protected Health Information, "Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

2. "Computer Security Incident" shall have the same meaning "Computer Security Incident" in section two (2) of NIST Publication 800-61, Computer Security Incident Handling Guide, National Institute of Standards and Technology, U.S. Department of Commerce.

3. "Confidential Information" or "Confidential Data" means all non-public information owned, managed, created, received for or on behalf of, the Department that is protected by information security, privacy or confidentiality rules, Agreement and state and federal laws or policy. This information may include but is not limited to, derivative data, Protected Health Information (PHI), Personally Identifiable Information (PII), Substance Use Disorder Information (SUD), Federal Tax Information, Social Security Administration, and CJIS (Criminal Justice Information Services) data, including the copy of information submitted known as the Phoenix Data. Confidential Information or Confidential Data shall not include medical records produced and maintained by the contractor in the course of their practice or information owned by the patient/client. Contractor shall be solely responsible for the administration and secure maintenance of such medical and other records produced and maintained by the contractor. "End User" means any person or entity (e.g., contractor, contractor's employee, business associate, subcontractor, other downstream user, etc.) that receives Confidential Data in accordance with the terms of this Contract.

4. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder.

5. "Incident" means an act that potentially violates an explicit or implied security policy, which includes attempts (either failed or successful) to gain unauthorized access to a system or its data, unwanted disruption or denial of service, the unauthorized use of a system for the processing or storage of data; and changes to system hardware, firmware, or software characteristics without the owner's knowledge, instruction, or consent. Incidents include the loss of data through theft or device misplacement, loss or misplacement of hardcopy documents, and misrouting of physical or electronic mail, all of which may have the potential to put the data at risk of unauthorized access, use, disclosure, modification or destruction.

6. "Open Wireless Network" means any network or segment of a network that is not designated by the State of New Hampshire's Department of Information Technology or delegate as a protected network (designed, tested, and approved, by means of the State, to transmit) will be considered an open network and not adequately secure for the transmission of unencrypted PI, PFI, PHI or Confidential Data.

7. "Personal Information" (or "PI") means information which can be used to distinguish or trace an individual's identity, such as their name, social security number, personal information as defined in New Hampshire RSA 359-C:19, biometric records, etc., alone, or when combined with other personal or identifying information which is linked or linkable to a specific individual, such as date and place of birth, mother's maiden name, etc.

8. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 C.F.R. Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

9. "Protected Health Information" (or "PHI") has the same meaning as provided in the definition of "Protected Health Information" in the HIPAA Privacy Rule at 45 C.F.R. § 160.103.

10. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 C.F.R. Part 164, Subpart C, and amendments thereto.

11. "Unsecured Protected Health Information" means Protected Health Information that is not secured by a technology standard that renders Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

## I. RESPONSIBILITIES OF DHHS AND THE CONTRACTOR

A. Business Use and Disclosure of Confidential Information.

1. The Contractor must not use, disclose, maintain or transmit Confidential Information except as reasonably necessary as outlined under this Contract. Further, Contractor, including but not limited to all its directors, officers, employees and agents, must not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

2. The Contractor must not disclose any Confidential Information in response to a request for disclosure on the basis that it is required by law, in response to a subpoena, etc., without first notifying DHHS so that DHHS has an opportunity to consent or object to the disclosure.

3. Omitted.
4. The Contractor agrees that Confidential Data or derivative there from disclosed to an End User must only be used pursuant to the terms of this Contract.
5. The Contractor agrees Confidential Data obtained under this Contract may not be used for any other purposes that are not indicated in this Contract.
6. The Contractor agrees to grant access to the Confidential Data to the authorized representatives of DHHS for the purpose of inspecting to confirm compliance with the terms of this Contract.

## II. METHODS OF SECURE TRANSMISSION OF DATA

1. Application Encryption. If End User is transmitting Confidential Data between applications, the Contractor attests the applications have been evaluated by an expert knowledgeable in cyber security and that said application's encryption capabilities ensure, secure transmission via the internet.
2. Computer Disks and Portable Storage Devices. End User may not use computer disks or portable storage devices, such as a thumb drive, as a method of transmitting Confidential Data.
3. Encrypted Email. End User may only employ email to transmit Confidential Data if email is encrypted and being sent to and being received by email addresses of persons authorized to receive such information.
4. Encrypted Web Site. If End User is employing the Web to transmit Confidential Data, the secure socket layers (SSL) must be used and the web site must be secure. SSL encrypts data transmitted via a Web site.
5. File Hosting Services, also known as File Sharing Sites. End User may not use file hosting services, such as Dropbox or Google Cloud Storage, to transmit Confidential Data.
6. Ground Mail Service. End User may only transmit Confidential Data via *certified* ground mail within the continental U.S. and when sent to a named individual.
7. Laptops and PDA. If End User is employing portable devices to transmit Confidential Data said devices must be encrypted and password-protected.
8. Open Wireless Networks. End User may not transmit Confidential Data via an open wireless network. End User must employ a virtual private network (VPN) when remotely transmitting via an open wireless network.
9. Remote User Communication. If End User is employing remote communication to access or transmit Confidential Data, a virtual private network (VPN) must be installed on the End User's mobile device(s) or laptop from which information will be transmitted or accessed.
10. SSH File Transfer Protocol (SFTP), also known as Secure File Transfer Protocol. If

End User is employing an SFTP to transmit Confidential Data, End User will structure the Folder and access privileges to prevent inappropriate disclosure of information. SFTP folders and sub-folders used for transmitting Confidential Data will be coded for 24-hour auto-deletion cycle (i.e. Confidential Data will be deleted every 24 hours).

11. Wireless Devices. If End User is transmitting Confidential Data via wireless devices, all data must be encrypted to prevent inappropriate disclosure of information.

## III. RETENTION AND DISPOSITION OF IDENTIFIABLE RECORDS

The Contractor will only retain the Confidential Data for the duration of this Contract. After such time, the Contractor will have 30 days to destroy the Confidential Data, unless, otherwise required by law or permitted under this Contract. If it is infeasible to return or destroy the Confidential Data, protections pursuant to this Information Security Requirements Exhibit survive this contract. To this end, the parties must:

A. Retention

1. The Contractor agrees it will not store, transfer or process Confidential Data collected in connection with the services rendered under this Contract outside of the United States. This physical location requirement shall also apply in the implementation of cloud computing, cloud service or cloud storage capabilities, and includes backup data and Disaster Recovery locations.
2. The Contractor agrees to ensure proper security monitoring capabilities are in place to detect potential security events that can impact Confidential Data State of NH systems and/or Department confidential information for contractor provided systems.
3. The Contractor agrees to provide security awareness and education for its End Users in support of protecting Confidential Data
4. The Contractor agrees to retain all electronic and hard copies of Confidential Data in a secure location.
5. The Contractor agrees Confidential Data stored in a Cloud must be in a FedRAMP/HITECH compliant solution and comply with all applicable statutes and regulations regarding the privacy and security. All servers and devices must have currently-supported and hardened operating systems, the latest anti-viral, anti-hacker, anti-spam, anti-spyware, and anti-malware utilities. The environment, as a whole, must have aggressive intrusion-detection and firewall protection.
6. The Contractor agrees to and ensures its complete cooperation with the State's Chief Information Officer in the detection of any security vulnerability of the hosting infrastructure.

B. Disposition

1. If the Contractor will maintain any Confidential Information on its systems (or its sub-contractor systems), the Contractor will maintain a documented process for securely disposing of such Confidential Data upon request or contract termination; and will obtain written certification for any Confidential Data destroyed by the Contractor or any subcontractors as a part of ongoing, emergency, and or disaster recovery operations. When no longer in use, electronic media containing Confidential Data shall be rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure deletion and media sanitization, or otherwise physically destroying the media (for example, degaussing) as described in NIST Special Publication 800-88, Rev 1, Guidelines for Media Sanitization, National Institute of Standards and Technology, U. S. Department of Commerce. The Contractor will document and certify in writing at time of the Confidential Data destruction, and will provide written certification to DHHS upon request. The written certification will include all details necessary to demonstrate Confidential Data has been properly destroyed and validated. Where applicable, regulatory and professional standards for retention requirements will be jointly evaluated by the State and Contractor prior to destruction.
2. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to destroy all hard copies of Confidential Data using a secure method such as shredding.
3. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to completely destroy all electronic Confidential Data by means of data erasure, also known as secure data wiping.

## IV. PROCEDURES FOR SECURITY

A. Contractor agrees to safeguard the Confidential Data received under this Contract, as follows:

1. The Contractor will maintain proper security controls to protect Confidential Data collected, processed, managed, and/or stored in the delivery of contracted services.
2. The Contractor will maintain policies and procedures to protect Confidential Data throughout the information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the Confidential Data (i.e., tape, disk, paper, etc.).
3. The Contractor will maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Confidential Data where applicable.
4. The Contractor will ensure proper security monitoring capabilities are in place to detect potential security events that can impact Confidential Data, State of NH systems and/or Department confidential information for contractor provided systems.

5. The Contractor will provide regular security awareness and education for its End Users in support of protecting Confidential Data.

6. If the Contractor will be sub-contracting any core functions of the engagement supporting the services for State of New Hampshire, the Contractor will maintain a program of an internal process or processes that defines specific security expectations, and monitoring compliance to security requirements that at a minimum match those for the Contractor, including breach notification requirements.

7. The Contractor will work with DHHS to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any DHHS system(s). Agreements will be completed and signed by the Contractor and any applicable sub-contractors prior to system access being authorized.

8. If DHHS determines the Contractor is a Business Associate pursuant to 45 CFR 160.103, the Contractor will execute a HIPAA Business Associate Agreement (BAA) with DHHS and is responsible for maintaining compliance with the agreement.

9. Omitted.

10. The Contractor will not store, knowingly or unknowingly, any Confidential Data or State of New Hampshire data offshore or outside the boundaries of the United States unless prior express written consent is obtained from the Information Security Office leadership member within DHHS.

11. Data Security Breach Liability. In the event of any security breach Contractor shall make efforts to investigate the causes of the breach, promptly take measures to prevent future breach and minimize any damage or loss resulting from the breach. The State shall recover from the Contractor all costs of response and recovery from the breach, including but not limited to: credit monitoring services, mailing costs and costs associated with website and telephone call center services necessary due to the breach.

12. Contractor must, comply with all applicable statutes and regulations regarding the privacy and security of Confidential Information, and must in all other respects maintain the privacy and security of PI and PHI at a level and scope that is not less than the level and scope of requirements applicable to federal agencies, including, but not limited to, provisions of the Privacy Act of 1974 (5 U.S.C. § 552a), DHHS Privacy Act Regulations (45 C.F.R. §5b), HIPAA Privacy and Security Rules (45 C.F.R. Parts 160 and 164) that govern protections for individually identifiable health information and as applicable under State law.

13. Contractor agrees to establish and maintain appropriate administrative, technical, and physical safeguards to protect the confidentiality of the Confidential Data and to prevent

unauthorized use or access to it. The safeguards must provide a level and scope of security that is not less than the level and scope of security requirements established by the State of New Hampshire, Department of Information Technology. Refer to Vendor Resources/Procurement at https://www.nh.gov/doit/vendor/index.htm for the Department of Information Technology policies, guidelines, standards, and procurement information relating to vendors.

14. Contractor agrees to maintain a documented breach notification and incident response process. The Contractor will notify the State's Privacy Officer and the State's Security Officer of any security breach immediately, at the email addresses provided in Section VI. This includes a confidential information breach, computer security incident, or suspected breach which affects or includes any Confidential Data or State of New Hampshire systems that connect to the State of New Hampshire network.

15. Contractor must restrict access to the Confidential Data obtained under this Contract to only those authorized End Users who need such Confidential Data to perform their official duties in connection with purposes identified in this Contract.

16. The Contractor must ensure that all End Users:

    a. comply with such safeguards as referenced in Section IV A. above, implemented to protect Confidential Information that is furnished by DHHS under this Contract from loss, theft or inadvertent disclosure.

    b. safeguard this information at all times.

    c. ensure that laptops and other electronic devices/media containing PHI, PI, or PFI are encrypted and password-protected.

    d. send emails containing Confidential Information only if encrypted and being sent to and being received by email addresses of persons authorized to receive such information.

    e. limit disclosure of the Confidential Information to the extent permitted by law.

    f. Confidential Information received under this Contract and individually identifiable Confidential Data, must be stored in an area that is physically and technologically secure from access by unauthorized persons during duty hours as well as non-duty hours (e.g., door locks, card keys, biometric identifiers, etc.).

    g. only authorized End Users may transmit the Confidential Data, and in all cases, such Confidential Data must be encrypted at all times when in transit, at rest, or when stored on portable media as required in section IV above.

    h. in all other instances Confidential Data must be maintained, used and disclosed using appropriate safeguards, as determined by a risk-based assessment of the circumstances involved.

    i. understand that their user credentials (user name and password) must not be shared with anyone. End Users will keep their credential information secure.

This applies to credentials used to access the site directly or indirectly through a third party application.

Contractor is responsible for oversight and compliance of their End Users. DHHS reserves the right to conduct onsite inspections to monitor compliance with this Contract, including the privacy and security requirements provided in herein, HIPAA, and other applicable laws and Federal regulations until such time the Confidential Data is disposed of in accordance with this Contract.

## V. LOSS REPORTING

A. The Contractor must notify NH DHHS Information Security via the email address provided in this Exhibit, of any known or suspected Incidents or Breaches immediately after the Contractor has determined that the aforementioned has occurred and that Confidential Data may have been exposed or compromised.

1. Parties acknowledge and agree that unless notice to the contrary is provided by DHHS in its sole discretion to Contractor, this Section V.A.1 constitutes notice by Contractor to DHHS of the ongoing existence and occurrence or attempts of Unsuccessful Security Incidents for which no additional notice to DHHS shall be required. "Unsuccessful Security Incidents" means, without limitation, pings and other broadcast attacks on Contractor's firewalls, port scans, unsuccessful log-on attempts, denial of service attacks, and any combination of the above, so long as no such incident results in unauthorized access, use or disclosure of Confidential Data.

B. Per the terms of this Exhibit the Contractor's and End User's security incident and breach response procedures must address how the Contractor will:

1. Identify incidents;

2. Determine if Confidential Data is involved in incidents;

3. Report suspected or confirmed incidents to DHHS as required in this Exhibit. DHHS will provide the Contractor with a NH DHHS Business Associate Incident Risk Assessment Report for completion.

4. Within 24 hours of initial notification to DHHS, email a completed NH DHHS Business Associate Incident Risk Assessment Preliminary Report to the DHHS' Information Security Office at the email address provided herein;

5. Identify and convene a core response group to determine the risk level of incidents and determine risk-based responses to incidents and mitigation measures, prepare to include DHHS in the incident response calls throughout the incident response investigation;

6. Identify incident/breach notification method and timing;

7. Within one business week of the conclusion of the Incident/Breach response investigation a final written Incident Response Report and Mitigation Plan is submitted to DHHS Information Security Office at the email address provided herein;

8. Address and report incidents and/or Breaches that implicate personal information (PI) to DHHS in accordance with NH RSA 359-C:20 and this Agreement;

9. Address and report incidents and/or Breaches per the HIPAA Breach Notification Rule, and the Federal Trade Commission's Health Breach Notification Rule 16 CFR Part 318 and this Agreement.

10. Comply with all applicable state and federal suspected or known Confidential Data loss obligations and procedures.

C. All legal notifications required as a result of a breach of Confidential Data, or potential breach, collected pursuant to this Contract shall be coordinated with the State if caused by the Contractor. The Contractor shall ensure that any subcontractors used by the Contractor shall similarly notify the State of a Breach, or potential Breach immediately upon discovery, shall make a full disclosure, including providing the State with all available information, and shall cooperate fully with the State, as defined above.

# EXHIBIT B – Amendment #2

## Scope of Services

### 1. Provisions Applicable to All Services

1.1. The Contractor must operate a Community Mental Health Center (CMHC) that provides services intended to promote recovery from mental illness for eligible individuals in the State of New Hampshire for Region 6.

1.2. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the Services described herein, the Department has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

1.3. Prior to termination of this contract the parties will agree on a plan for transition and destruction of data in accordance with Exhibit K.

1.4. The Contractor must provide individualized, recovery-based services and supports in the manner that best allows individuals to stay within their home and community, including, but not limited to providing current treatment and recovery options that are based on scientific research and evidence-based practices (EBPs).

1.5. The Contractor acknowledges the requirements of the Community Mental Health Agreement (CMHA) and Must demonstrate progress toward meeting the following terms in the CMHA: 1.) Assertive Community Treatment Teams; 2.) Evidence-Based Supported Employment; 3.) Transition planning for individuals at New Hampshire Hospital and Glencliff Home; and 4.) Supported Housing. Further, the Contractor must participate in annual Quality Service Reviews (QSR) conducted under the terms of the CMHA.

1.6. The Contractor must enter into a capitation model for CMHC services or a PMPM or PPS model if certified as a CCBHC by contracting with all NH Medicaid Managed Care Organizations to support the delivery and coordination of behavioral health services and supports for children, youth, transition-aged youth, young adults, and adults.

1.7. The Contractor must support the integration of physical and behavioral health as a standard of practice, implementing the Substance Abuse and Mental Health Services Administration's (SAMHSA) Six Levels of Collaboration/Integration to the maximum extent feasible.

1.8. The Contractor must ensure that clinical standards and operating procedures are consistent with trauma-informed models of care, as defined by SAMHSA. The clinical standards and operating procedures must reflect a focus on wellness, recovery, and resiliency.

1.9. The Contractor must engage in ongoing implementation, service improvements, and expansion efforts associated with New Hampshire's 10 Year Mental Health Plan, as contracted.

1.10. For the purposes of this agreement, all references to days shall mean business days unless otherwise specified.

1.11. The Contractor must provide individuals and caregivers the opportunity for feedback and leadership within the agency to help improve services in a person-centered manner when applicable and appropriate.

1.12. The Contractor must hire and maintain staffing in accordance with New Hampshire Administrative Rule He-M 403 or as amended.

**2. System of Care for Children's Mental Health**

2.1. The Contractor must collaborate with the Department on the implementation of NH RSA 135-F, System of Care for Children's Mental Health.

2.2. The Contractor must provide services for children, youth, and young adults with serious emotional disturbance (SED) in a manner that aligns with NH RSA 135-F. The Contractor must ensure services are:

2.2.1. Family Driven – services and supports provided in a manner that best meets the needs of the family and the family goals;

2.2.2. Youth Driven – services and supports provided in a manner that best meets the needs of the child, youth, or young adult; and supports their goals;

2.2.3. Community Based – services and supports provided in a manner that best allow children, youth, and young adults to stay within their home and community;

4.3.5. Supported education.

4.4. The Contractor must provide a minimum of six (6) up to a maximum of ten (10) hours of children's intensive community-based services per week for each eligible individual, as defined in New Hampshire Administrative Rule He-M 426, ensuring more intensive services are provided during the first twelve (12) weeks of enrollment.

4.5. The Contractor must screen adolescents receiving services for substance use utilizing one or more tools as appropriate that include, but are not limited to:

4.5.1. The Car, Relax, Alone, Family, Friends, Trouble (CRAFFT) screening tool for individuals twelve (12) years of age and older, which consists of six (6) screening questions as established by the Center for Adolescent Substance Abuse Research (CeASAR) at Children's Hospital Boston.

4.5.2. The Global Appraisal of Individual Needs – Short Screener (GAIN-SS), which is used by school-based clinicians for individuals referred for substance use.

4.6. The Contractor must provide children's intensive community-based services to individuals and their families to ensure access to an array of community mental health services that include community and natural supports, which effectively support the individuals and their families in the community, in a culturally competent manner.

4.7. The Contractor must conduct and facilitate weekly children's intensive community-based team meetings in order to communicate needs and discuss progress.

**5. Rehabilitation for Empowerment, Education, and Work ("RENEW") Sustainability**

5.1. The Contractor must provide the RENEW intervention with fidelity to transition-aged youth who qualify for state-supported community mental health services in accordance with the University of New Hampshire (UNH) - Institute on Disability (IOD) model.

5.2. The Contractor must ensure RENEW coordinators demonstrate their alignment to and competency in the RENEW model by reaching a score of 80% or higher

in domains 1-3 on the RENEW Integrity Tool (RIT) and utilize tools as trained for the practice with the individuals.

5.3. The Contractor must obtain support and coaching as needed from the IOD at UNH to improve the competencies of implementation team members and agency coaches.

**6. Division for Children, Youth and Families (DCYF)**

6.1. The Contractor must provide mental health consultation to staff at the DCYF District Offices related to mental health assessments and/or ongoing treatment for children served by DCYF.

6.2. The Contractor must provide Foster Care Mental Health Assessments for children and youth younger than eighteen (18) years of age who are entering foster care.

**7. Crisis Services**

7.1. If the Contractor has, or enters into, an agreement with a hospital to provide crisis services to eligible individuals, or presumed eligible in the ED, for Medicaid services, the Contractor may bill Medicaid according to fee schedules or Managed Care Organizations (MCO) contracts for services rendered.

7.2. The Contactor must ensure Crisis services provided to eligible or presumed eligible individuals in EDs as part of a contract, other agreement, or other collaborative relationship must not be:

7.2.1. Provided by a CMHC employee whose salary and wages are funded under the contract for Rapid Response.

7.2.2. Included in Rapid Response reporting or data related to Rapid Response.

7.2.3. Routed or otherwise directed through the New Hampshire Rapid Response Access Point (NHRRAP or "Access Point") for dispatch or deployment.

7.3. The Contractor must document crisis services delivered in the ED setting as part of its required submissions to the Department's Phoenix system as described in Section 24, Data Reporting, in a format, and with content, completeness, and timelines specified by the Department, ensuring documented information includes screenings performed, diagnosis codes, and referrals made.

7.4. The Contractor must provide documentation of each collaborative relationship with acute care hospitals in its region, at the request of the Department.

7.5. The Contractor must provide emergency services as defined in NH Administrative Rule He-M 403 and NH Administrative Rule He-M 426.

7.6. As part of the crisis resolution, the Contractor must screen each individual 18 years or older for Assertive Community Treatment (ACT). If clinically appropriate, the Contractor must:

7.6.1. Refer the individual for an expedited ACT assessment and/or intake and treatment upon discharge; or

7.6.2. Inform the appropriate CMHC in order to expedite the ACT assessment and/or intake and treatment upon discharge from ED or inpatient psychiatric or medical care setting, if the individual resides in a region other than the region in which the individual is receiving crisis services.

7.7. The Contractor must not refer an individual for hospitalization at New Hampshire Hospital (NHH) or Hampstead Hospital Residential Treatment Facility (HHRTF) unless the Contractor has determined that NHH or HHRTF is the least restrictive setting in which the individual's immediate psychiatric treatment needs can be met. The Contractor must:

7.7.1. Make all reasonable efforts to ensure no other clinically appropriate bed is available at any other NH inpatient psychiatric unit, Designated Receiving Facility (DRF), Adult Psychiatric Residential Treatment Program (APRTP), Youth Psychiatric Residential Treatment Facility, or other step-up/step-down beds prior to referring an individual to NHH

7.8. The Contractor must provide services to individuals experiencing a psychiatric and/or substance use related crisis through a Rapid Response Team of consisting of two (2) specialty-trained crisis responders dispatched by the Access Point, unless responding to sites in accordance with Section 7.28.2.

7.9. The Contractor must ensure Rapid Response Teams meet the two (2) team member minimum, which may include any of the following:

7.9.1. Peer support specialists.

7.9.2. Bachelor's level provider.

7.9.3. Other Rapid Response crisis trained provider.

7.9.4. Master's level provider.

7.10. The Contractor must ensure the availability of a master's level provider, if not a part of the deployed Rapid Response Team, either virtually via videoconferencing or in person to conduct face-to-face assessments.

7.11. The Contractor must ensure Rapid Response Teams have access to on-call psychiatry as needed or clinically appropriate for:

7.11.1. Case consultation;

7.11.2. Emergency medication management, as determined by the prescriber;

7.11.3. Telehealth or video evaluation; and

7.11.4. Conditional Discharge Revocation Process.

7.12. The Contractor must ensure all staff have the necessary qualifications as defined under New Hampshire Administrative Rule He-M Chapter 400, Community Mental Health, Parts 403 and 426.

7.13. The Contractor must work in tandem with the designated vendor providing services through the Access Point contract as approved by the Governor and Executive Council.

7.14. The Contractor must maintain a current Memorandum of Understanding with the Access Point, which provides the Rapid Response Teams information regarding the nature of the crisis, through electronic communication, that includes, but is not limited to:

7.14.1. The location of the crisis.

7.14.2. The safety plan either developed over the phone or on record from prior contact(s).

7.14.3. Any accommodations needed.

7.14.4. Treatment history of the individual, if known.

7.14.5. Does not fulfill emergency medication refills.

7.15. The Contractor must promote the use of the telephone number for the Access Point as the primary contact for crisis services, which utilizes the Department's identified dispatching software to identify the closest available Rapid Response Team

10.5.6. The Contractor must enter a final/graduation or closing due to declining services note in the EHR, consistent with the Closing Note template fields within the CTI Manual, which includes:

10.5.6.1. The steps the individual made that indicate their ability to manage their support network independently;

10.5.6.2. The individual's recovery and transition goals;

10.5.6.3. The individual's experience in CTI;

10.5.6.4. Initial Risk Assessment;

10.5.6.5. Barriers to the Intervention; and

10.5.6.6. A summary of the CTI Intervention.

10.6. CTI Program Inactive, Reactivated, and Closed Statuses

10.6.1. The Contractor must maintain the following criteria and procedures related to an individual's inactive, reactivated and closed statuses:

10.6.1.1. <u>Inactive Status</u>

10.6.1.1.1. If the CTI Coach makes contact with the individual at least once post discharge, but no engagement, defined as at least two (2) attempts by phone or in-person per week, for three (3) weeks occurs, the individual must be considered inactive.

10.6.1.1.2. The CTI Coach must notify the CTI Supervisor, and update the EHR to indicate the inactive status, based on the Contractor's documentation requirements and/or procedures.

10.6.1.1.3. The CTI Supervisor must:

10.6.1.1.3.1. Move the individual to an inactive roster maintained in a location determined by the Contractor;

10.6.1.1.3.2. Conduct outreach to the individual at least once per month for nine (9) months, and close the case at the completion of nine (9) months, defined as from the day of initial discharge; and

10.6.1.1.3.3. Note the individual did not complete the program in the EHR.

10.6.1.2. Reactivated Status

10.6.1.2.1. An individual must be considered reactivated after attending one (1) re-engagement meeting in which the Phase Plan is confirmed to be appropriate and/or updated.

10.6.1.2.2. Once the individual is reactivated, the CTI Supervisor must reassign the individual to the original CTI Coach, if available, or a new CTI Coach, as requested by the individual.

10.6.1.2.3. The reactivated individual must continue the CTI program according to the initial nine (9) month timeline based on their date of discharge.

10.6.1.2.4. The CTI Coach must update the status in the EHR based on the Contractor's documentation requirements and/or procedures.

10.6.1.2.5. The individual must be closed at the completion of nine (9) months and shall be considered having completed and graduated from the program if they receive:

10.6.1.2.5.1. A minimum of two (2) visits by their CTI Coach, including confirmation that the Phase Plan is appropriate and/ or updated; and

10.6.1.2.5.2. A closing meeting in accordance with the CACTI fidelity self-assessment.

10.6.1.3. Closed Status

10.6.1.3.1. An individual must be considered closed if the individual:

10.6.1.3.1.1. Moved out of state, or the catchment area;

10.6.1.3.1.2. Passed away;

10.6.1.3.1.3. Is hospitalized for an extended period of time as determined by the Contractor;

10.6.1.3.1.4. Transferred to Assertive Community Treatment (ACT) services,

10.6.1.3.1.5. Is incarcerated; or

10.6.1.3.1.6. Has not had contact after discharge for three (3) weeks, including a minimum of two (2) outreaches per week, and receives a notification letter or is otherwise notified according to the Contractor's closing policy.

10.6.1.3.2. The CTI Coach must update the EHR to indicate the closed status.

10.6.1.3.3. The CTI Supervisor must remove the individual from the CTI Coach's caseload.

10.6.1.3.4. If the individual becomes eligible for CTI again, the Contractor must ensure they are allowed to receive the service.

10.7. CTI Supervisory Scope of Work

10.7.1. The Contractor must ensure the CTI Supervisor conducts weekly team meetings with CTI workers.

10.7.2. The CTI Supervisor conducts a monthly caseload review with CTI team either during the team supervisor meetings or in a separate meeting.

10.7.3. The Contractor must ensure the CTI Supervisor conducts bi-weekly one-on-one supervision with CTI workers. The Contractor must ensure one-on-one supervision outcomes are documented on the CTI Team Supervision form contained within the CTI Manual provided to the Contractor by the Department, and includes:

10.7.3.1. Bi-weekly documentation on required forms that include the:

10.7.3.1.1. Weighted caseload tracker;

10.7.3.1.2. Phase date form; and

10.7.3.1.3. CTI Team Supervision form; and

10.7.3.2. CTI worker's fidelity efforts; and

10.7.3.3. CTI worker's barriers to securing community services and supports for CTI participants.

10.7.4. The Contractor must ensure the CTI Supervisor or another CTI staff acting as the covering CTI Supervisor participates in duties within the scope of CTI that align with the goals of Department. These other duties may include, but are not limited to:

10.7.4.1. New Hampshire Hospital (NHH) Liaison

10.7.4.2. Designated Receiving Facility (DRF)

10.7.4.3. Crisis-related meeting representation and support.

10.7.5. The Contractor must ensure all CTI workers take the CTI Implementation Fidelity Self-Assessment on a quarterly basis as requested by the Department.

10.8. CTI Flexible Needs

10.8.1. When no other payer is available, the Contractor must offer short-term financial relief related to barriers to services on behalf of individuals they serve, which may include but are not limited to:

10.8.1.1. Groceries.

10.8.1.2. Transportation.

10.8.1.3. Childcare.

10.8.1.4. Short-term housing costs, including, but not limited to, security deposits or utility bills.

10.8.1.5. Clothing appropriate for cold weather, job interviews, or work.

10.8.1.6. Other uses pre-approved in writing by the Department.

10.9. CTI Staffing

10.9.1. The Contractor must ensure staffing requirements for staff include at minimum, but are not limited to:

10.9.1.1. CTI Workers hold a bachelor's degree or associate degree with two (2) years of relevant work experience to include but not limited to CMHC experience, work in mental health, peer support, and/or substance-related fields; or as otherwise approved by the Bureau of Mental Health Services.

10.9.1.2. CTI Supervisors hold a master's degree or bachelor's Degree with at least six (6) months of CTI experience, one (1) year of CMHC experience, work in mental health, peer support, and/or substance-related fields, and working under the clinical supervision of a Master's level clinician; or as otherwise approved by the Bureau of Mental Health Services.

10.9.1.3. Four (4) Full Time Equivalent (FTE) level CTI Workers, each of whom maintain and manage no more than 20 individuals concurrently, unless otherwise approved by the Department.

10.9.1.4. One (1) 0.5 FTE CTI Supervisor.

10.9.2. The Contractor must ensure all CTI staff:

10.9.2.1. Complete the CTI model training;

10.9.2.2. Attend CTI Team meeting; and

10.9.2.3. Attend Community of Practice (CoP) meetings.

10.9.3. The Contractor must participate in training and skill deployment, as requested by the Department, which includes:

10.9.3.1. A one (1) day CTI worker training;

10.9.3.2. A one (1) day CTI supervisor training;

10.9.3.3. Assist in co-facilitating CTI staff training;

10.9.3.4. CTI Team Lead & Supervisor Cohort Meeting; and

10.9.3.5. Complementary trainings to CTI staff.

**11. Coordination of Care from Residential or Psychiatric Treatment Facilities**

11.1. The Contractor must designate a member of its staff to serve as the primary liaison to New Hampshire Hospital (NHH) and/ or Hampstead Hospital Residential Treatment Facility (HHRTF) who works with the applicable NHH & HHRTF staff, payer(s), guardian(s), other community service providers, and the applicable individual, to assist with coordinating the seamless transition of care for individuals transitioning from NHH and HHRTF to community based services or transitioning to NHH from the community.

11.2. The Contractor may designate a different liaison for individuals being served through their children's services.

11.3. The Contractor must not close the case of any individual who is admitted to NHH. Notwithstanding, the Contractor must be deemed to be in compliance with all NH Administrative He-M Chapter 400 rules regarding, Clinical Records rules regarding documentation if it is noted in the record that the individual is an inpatient at NHH or another treatment facility. All documentation requirements as per He-M Chapter 400 will be required to resume upon re-engagement of services following the individual's discharge from inpatient care.

11.4. The Contractor must participate in transitional and discharge planning within 24 hours of notification of admission to an inpatient facility.

11.5. The Contractor must work with the Department, payers and guardians (if applicable) to review cases of individuals that NHH, HHRTF, Transitional Housing, or alternative treatment facility or the Contractor, have indicated will have difficulty returning to the community to identify barriers to discharge, and to develop an appropriate plan to transition into the community.

11.6. The Contractor must make a face-to-face appointment available to an individual leaving NHH, HHRTF, Transitional Housing or alternative residential setting who desires to reside in the region served by the Contractor within seven (7) calendar days of receipt of notification of the individual's discharge, or within seven (7) calendar days of the individual's discharge, whichever is later.

11.7. The Contractor must ensure individuals who are discharged and are new to a CMHC have an offer of intake appointment within seven (7) calendar days. If the individual declines to accept the appointment, declines services, or requests an appointment to be scheduled beyond the seven (7) calendar

days, the Contractor may accommodate the individual's request provided the accommodation is clinically appropriate, and does not violate the terms of a conditional discharge. The Contractor's Adult ACT Team must see individuals who are on the ACT caseload and transitioning from NHH into the community within 24 hours of NHH discharge.

11.8. The Contractor must make all reasonable efforts to ensure that no appropriate bed is available at any other inpatient psychiatric unit; Designated Receiving Facility (DRF) per NH RSA 135-C and NH Administrative Rule He-M 405, Designation of Receiving Facilities; Peer Support Recovery Center; or Adult Psychiatric Residential Treatment Program (APRTP) prior to referring an individual to NHH.

11.9. The Contractor must collaborate with NHH to develop and execute appropriate conditional discharges from NHH in order to ensure that individuals receive treatment in the least restrictive environment.

11.10. The Contractor must have staff members available to receive, evaluate, and treat individuals discharged from NHH and HHRTF seven (7) calendar days per week, consistent with the provisions in NH Administrative Rule He-M 403 and NH Administrative Rule He-M 426.

11.11. For individuals at NHH who formerly resided in the Contractor's designated community mental health region prior to NHH admission, who have been identified for transition planning to the Glencliff Home, the Contractor must, at the request of the individual or guardian, or of NHH or Glencliff Home staff, participate in transition planning to determine if the individual can be supported in the Contractor's region with community based services and supports instead of transitioning to the Glencliff Home. In the event the individual would require supports from multiple funding sources or the Department's systems of care, the Contractor must collaborate with additional Department staff at NHH's request, to address any barriers to discharge the individual to the community.

**12. Coordinated Care and Integrated Treatment**

12.1. Primary Care

12.1.1. The Contractor must request written consent from each individual to allow the designated primary care provider to release information for the purpose of coordinating care regarding mental health services or substance misuse services or both.

12.1.2. The Contractor must support each individual with linking to an available primary care provider, if the individual does not have an identified primary care provider, to:

12.1.2.1. Monitor health;

12.1.2.2. Provide medical treatment as necessary; and

12.1.2.3. Engage in preventive health screenings.

12.1.3. The Contractor must consult with each primary care provider at least annually, or as necessary, to integrate care between mental and physical health for each individual, which may include the exchange of pertinent information including, but not limited to medication changes or changes in the individual's medical condition.

12.1.4. The Contractor must document on the release of information form the reason(s) written consent to release information was refused in the event an individual refuses to provide consent to release information.

12.2. Substance Misuse Treatment, Care and/or Referral

12.2.1. The Contractor must provide services and meet requirements to address substance misuse and to support recovery intervention implementation, which include, but are not limited to:

12.2.1.1. Screening no less than 95% of eligible individuals for substance misuse at the time of intake, and annually thereafter.

12.2.1.2. Conducting a full assessment for substance misuse disorder and associated impairments for each individual that screens positive for substance use.

12.2.1.3. Developing an individualized service plan for each eligible individual based on information from substance misuse screening

12.2.2. The Contractor must utilize the SAMSHA evidence-based models for Co-Occurring Disorders Treatment to develop treatment plans with individuals and to provide an array of evidence-based interventions that enhance recovery for individuals and follow the fidelity standards to such a model.

12.2.3. The Contractor must make all appropriate referrals if the individual requires additional substance use disorder care utilizing the current New Hampshire system of care, and ensuring linkage to and coordination with resources.

12.3. Area Agencies

12.3.1. The Contractor must collaborate with the Area Agency that serves the region to address processes that include:

12.3.1.1. Enrolling individuals for services who are dually eligible for both organizations;

12.3.1.2. Ensuring transition-aged individuals are screened for the presence of mental health and developmental supports and refer, link and support transition plans for youth leaving children's services into adult services identified during screening;

12.3.1.3. Following the "Protocol for Extended Department Stays for Individuals served by Area Agency" issued December 1, 2017 by the State of New Hampshire Department of Health and Humans Services, as implemented by the regional Area Agency;

12.3.1.4. Facilitating collaborative discharge planning meetings to assess individuals who are leaving NHH to re-engage them with both the CMHC and Area Agency representatives;

12.3.1.5. Ensuring annual training is designed and completed for intake, eligibility, and case management for dually diagnosed individuals and that attendee's include intake clinicians, case-managers, service coordinators and other frontline staff identified by both CMHC's and Area Agencies. The Contractor must ensure the training utilizes the Diagnostic Manual for Intellectual Disability 2 that is specific to intellectual disabilities, in conjunction with the DSM V-TR;

12.3.1.6. Planning for each person who receives dual case management by outlining the responsibilities of each organization and expectations for collaboration between the organizations; and

12.3.1.7. Participating in shared service annual treatment meetings to assess quality and progress towards treatment goals as well as monitoring continued need for dual services when waivers are required for services between agencies.

12.4. Peer Supports

12.4.1. The Contractor must actively promote recovery principles and integrate peers throughout the agency, which includes, but is not limited to:

12.4.1.1. Employing individuals with mental health lived experience as integrated members of the CMHC treatment team(s) in the role of certified peer support specialist with the ability to deliver one-on-one face-to-face interventions that facilitate the development and

use of recovery-based goals and care plans and explore treatment engagement and connections with natural supports.

12.4.1.2. Establishing referral and resource relationships with the local Peer Support Agencies, including any Peer Respite, Recovery Oriented Step-up/Step-down programs, and Clubhouse Centers and promote the availability of these services.

12.4.2. The Contractor must submit a peer support staff tracking document, as supplied by or otherwise approved by the Department as requested.

12.5. Transition of Care with MCO's

12.5.1. The Contractor must ensure ongoing coordination occurs with the MCO Care Managers to support care coordination among and between services providers.

**13. Deaf Services**

13.1. The Contractor must maintain a Deaf Services Team to provide culturally and linguistically appropriate services to individuals who are deaf or hard of hearing.

13.2. The Contractor must ensure the Deaf Services Team provides services to individuals who would benefit from receiving treatment in American Sign Language (ASL) or with staff who are specially trained to work with the deaf and/or hard of hearing population.

13.3. The Contractor must ensure the Deaf Services Team includes, but is not limited to:

13.3.1. One (1) full time coordinator.

13.3.2. One (1) full time therapist.

13.3.3. One (1) full time community-based staff member who meets the requirements to provide Case Management, Functional Support Services, or a combination of both.

13.3.4. One (1) sign language interpreter to provide and coordinate interpreting services to ensure language accessibility for staff and individuals for all program services and activities in the CMHCs.

13.3.5. Other staff, as needed, to provide essential services to individuals.

13.4. The Contractor must ensure all staff of the Deaf Services Team demonstrate understanding of deaf and/or hard of hearing culture and/or fluency in American Sign Language (ASL) as evidenced by training, education ~~or lived~~ experience and at a level sufficient to perform the duties of their position.

13.5. The Contractor must ensure the coordinator of the Deaf Services Team oversees care coordination for any individuals who are deaf or hard-of-hearing who are receiving care through both the Contractor and another CMHC, New Hampshire Hospital (NHH), or the Secure Psychiatric Unit (SPU) or being referred to care with the Contractor by one of these entities.

13.6. The Contractor must ensure the Deaf Services Team provides education and consultation on culturally and linguistically appropriate behavioral health treatment of individuals who are deaf or hard-of-hearing, as requested by the Department, any CMHCs, NHH or SPU.

13.7. The Contractor must ensure the Deaf Services Team accepts referrals from Department-supported screening and/or referral entities, including Doorways and the Rapid Response Access Point.

13.8. The Contractor must ensure the Deaf Services Team provides services to individuals who are deaf or hard of hearing across all regions of the state.

13.9. The Contractor must ensure the Deaf Services Team provides consultation to the other nine (9) CMHCs for disposition and treatment planning.

13.10. The Contractor must ensure treatment plans take into consideration the importance of access to culturally and linguistically appropriate services on treatment outcomes and services are person-directed, which may result in:

13.10.1. Individuals being seen only by the Deaf Services Team through Region 6, while care is shared across the regions; or individuals receiving care through the local CMHC after consultation with the Deaf Services Team.

**14. Helping Overcome Psychosis Early (HOPE) Program Service - Early Serious Mental Illness/First Episode Psychosis – Coordinated Specialty Care (ESMI/FEP – CSC) Services**

14.1. The Contractor must provide services using a Department-approved Coordinated Specialty Care (CSC) model and implement the model of treatment for individuals with Early Serious Mental Illness (ESMI) and First Episode Psychosis (FEP) (EMSI/FEP – CSC) under the name HOPE Program.

14.2. The Contractor must identify staff to deliver HOPE services and to participate in intensive evidence-based ESMI/FEP - CSC training and consultation, as designated by the Department.

14.3. The Contractor must participate in meetings, no less than on a quarterly basis, with the Department to ensure program implementation, enrollment, and updates relative to ongoing activities.

14.4. The Contractor must ensure the HOPE team includes roles in accordance with the CSC model including, but not limited to:

14.4.1. CSC team leader.

14.9.3.2.7. Dyslipidemia.

14.9.3.2.8. Prediabetes.

14.9.3.3. Ensuring prescribers maintain close contact with primary care providers to ensure optimal medical treatment for risk factors related to cardiovascular disease and diabetes.

14.9.3.4. Ensuring referrals to specialized psychiatric services to an agency prepared to provide telehealth psychiatric services, through a subcontract payment modality, in instances where an individual needs external psychiatric consultation and services.

14.9.3.5. Providing medication management services that include, but are not limited to:

14.9.3.5.1. Thirty (30) minutes per month or more, as clinically indicated, during the first six (6) months of enrollment.

14.9.3.5.2. Thirty (30) minutes every three (3) months or more, as clinically indicated, during the last 18 months of enrollment.

14.9.3.6. Specialized youth and young adult peer supports and services.

14.9.3.7. Facilitating individual and family psychotherapy that is informative and provides skills to families to support the individual's treatment and recovery.

14.9.3.8. Family psychoeducation.

14.9.3.9. Access to telemedicine options for services that cannot be provided by the Contractor but are available through a regional CMHC that is able to provide services through a telemedicine model.

14.10. The Contractor must participate in quarterly meetings with the Department to report on program implementation, enrollment, and updates and ensure ongoing the EMSI/FEP-CSC model is reflected in treatment.

14.11. The Contractor must provide community outreach to ensure knowledge of ESMI/FEP and the CSC program is widespread and available to those in need. The Contractor must ensure:

14.11.1. The CSC team includes an identified individual, who may be an Outreach Specialist or may be the Team Leader, who has the dedicated time and skills to:

14.11.1.1. Develop referral pathways to the CSC program; and

Initial

14.11.1.2. Educate community partners about the program.

14.11.2. Outreach efforts must include:

14.11.2.1. Cultivating external relationships with admission and discharge personnel at local community hospitals, housing programs, criminal justice system, and schools through frequent visits, phone calls, email communication, and timely evaluation of potential FEP cases; and

14.11.2.2. Cultivating internal CMHC relationships and activities including, but not limited to, monitoring referrals and intakes to the CMHC and facilitating connection with likely internal candidates for the CSC program.

14.12. The Contractor must ensure outreach contacts and efforts are reported on a quarterly basis.

14.13. The Contractor must utilize the CANS/ANSA, or other Department-approved evidenced based tool, to measure strengths and needs of the individual at program entry and to track the recovery process post-entry.

14.14. The Contractor must ensure the HOPE program provides time-limited services, as determined in partnership with the Department. The Contractor must ensure transitions from HOPE include, but are not limited to:

14.14.1. A collaborative process that involves the individual, their relatives and important others, and members of the CSC team to determine readiness for a less intensive level of care.

14.14.2. An assessment of the Individual's progress toward achieving treatment goals, and identification of areas that require additional work, in key domains that include:

14.14.2.1. School and work functioning;

14.14.2.2. Quality of peer and family relationships;

14.14.2.3. Relief from symptoms;

14.14.2.4. Abstinence from substances; and

14.14.2.5. Effective management of health issues.

14.14.3. Consideration of the individual's personal vision of stability, success in community functioning, and personal autonomy.

14.14.4. Utilizing formal transition planning guides and worksheets.

14.15. The Contractor must submit reports to the Department in a Department-approved format and frequency, which include but are not limited to:

14.15.1. Quarterly Team Leader Reports submitted no later than the 15th of the month following the close of each quarter, which must include, but is not limited to:

14.15.1.1. Monthly enrollment, service utilization, and outcomes reports.

14.15.1.2. Quarterly staffing summary.

14.15.1.4. Referral and enrollment efforts.

14.15.1.5. Community outreach efforts inclusive of outreach descriptions, occurrences, and agencies contacted.

14.15.1.6. HOPE/FEP programs' report of all SAMSHA required data including, but not limited to:

14.15.1.6.1. The number of admissions into CSC services by age.

14.15.1.6.2. The number of individuals with FEP successfully discharged by CSC by age.

14.15.1.6.3. The Current number of individuals with FEP receiving CSC services by age.

14.15.1.6.4. The percentage of individuals with FEP who experienced no hospitalizations by age.

14.15.1.6.5. The percentage of FEP individuals who experienced no arrest by age.

14.15.2. The Contractor must utilize the reporting template to collect and report this data.

**15. CANS/ANSA or Other Approved Assessment**

15.1. The Contractor must ensure all clinicians, with the exception of Rapid Response staff, providing community mental health services to individuals eligible for services in accordance with NH Administrative Rule He-M 426, Community Mental Health Services, are certified in the use of:

15.1.1. The New Hampshire version of the Child and Adolescent Needs and Strengths Assessment (CANS) if serving the child and youth population; and

15.1.2. The New Hampshire version of the Adult Needs and Strengths Assessment (ANSA), or other approved evidence- based tool, if serving the adult population.

15.2. The Contractor must ensure clinicians maintain certification through successful completion of a certification process provided by the Praed Foundation, annually.

15.3. The Contractor must ensure ratings generated by the New Hampshire version of the CANS or ANSA assessment are:

15.3.1. Utilized to develop an individualized, person-centered treatment plan;

15.3.2. Utilized to document and review progress toward goals and objectives and to assess continued need for community mental health services;

15.3.3. Submitted to the database managed for the Department that allows client-level, regional, and statewide outcome reporting by the 15th of every month, in CANS/ANSA format; and

15.3.4. Employed to assist in determining eligibility for State Psychiatric Rehabilitation services.

15.4. The Contractor must complete documentation of re-assessments using the New Hampshire version of the CANS or ANSA 2.0 in accordance with NH Administrative Rule He-M 401 for eligibility determination and in accordance with NH Administrative Rule He-M 401 for periodic Individual Service Plan (ISP) reviews.

15.5. The Contractor may use an alternate evidenced based, assessment tool that meets all ANSA 2.0 domains, subject to written Department approval. There is no alternate assessment tool allowed for the use of CANS. If an alternative tool is approved, monthly reporting of data generated by the Contractor must be in ANSA 2.0 format, to enable client-level, regional and statewide reporting.

15.6. The Contractor must consult with the Medicaid Managed Care Organizations (MCO) to develop and implement a process that meets the MCOs' need to measure program effectiveness.

15.7. The Contractor must correct all errors or complete all system corrections to ensure data is submitted in its entirety and completeness no later than six (6) months from contract effective date. Failure to complete all correction may result in withholding of funds until all corrections are completed.

**16. Pre-Admission Screening and Resident Review**

16.1. The Contractor must assist the Department with Pre-Admission Screening and Resident Review (PASRR) to meet the requirements of the PASRR provisions of the Omnibus Budget Reconciliation Act of 1987.

16.2. Upon request by the Department, the Contractor must:

16.2.1. Provide the information necessary to determine the existence of mental illness in a nursing facility applicant or resident; and

16.2.2. Conduct evaluations and examinations needed to provide the data to determine if an individual being screened or reviewed:

16.2.2.1. Requires nursing facility care; and

16.2.2.2. Has active treatment needs.

**17. Application for Other Services**

17.1. The Contractor must assist eligible individuals in accordance with NH Administrative Rule He-M 401, with completing applications for all sources of financial, medical, and housing assistance, according to their respective rules, requirements and filing deadlines. The Contractor must assist with applications that may include, but are not limited to:

17.1.1. Medicaid.

17.1.2. Medicare.

17.1.3. Social Security Disability Income.

17.1.4. Veterans Benefits.

17.1.5. Public Housing.

17.1.6. Section 8 Subsidies.

17.1.7. Child Care Scholarship.

**18. Community Mental Health Program (CMHP) Status**

18.1. The Contractor must meet the approval requirements of NH Administrative Rule He-M 403 as a governmental or non-governmental non-profit agency, or the contract requirement of NH RSA 135-C:3 as an individual, partnership, association, public or private, for profit or nonprofit, agency or corporation to provide services in the state mental health services system.

18.2. The Contractor must provide all applicable documentation, policies and procedures, and must participate in an onsite compliance review, as requested by the Department, to determine compliance with NH Administrative Rule He-M 403 and NH RSA 135-C:3. Compliance reviews will be at times to be determined by the Department, and will occur no less than once every five (5) years.

**19. Quality Improvement**

19.1. The Contractor must perform, or cooperate with the coordination, organization, and all activities to support the performance of quality improvement and/or utilization review activities, determined to be necessary and appropriate by the Department within timeframes reasonably specified by the Department.

19.2. The Contractor must develop a comprehensive plan for quality improvement detailing areas of focus for systematic improvements based on data,

performance, or other identified measures where standards are below the expected value. The Contractor must ensure:

19.2.1. The plan is based on models available by the American Society for Quality, Agency for Healthcare Research and Quality, Institute for Healthcare Improvement, or others.

19.3. The Contractor must comply with the Department-conducted NH Community Mental Health Center Client Satisfaction Survey. The Contractor must:

19.3.1. Submit all required information in a format provided by the Department or contracted vendor.

19.3.2. Provide complete client data as requested with current client contact information to the Department so that individuals may be contacted to participate in the survey. and

19.3.3. Support all efforts of the Department to conduct the survey including having two staff members attending the bimonthly CMHC Survey Workgroup (one from adult programming and one from children's programming, this staff person can be direct care staff or QA/QI staff).

19.4. The Contractor must promote survey participation for individuals who are sampled to participate; and

19.5. The Contractor must display informational posters and share any other materials provided by the Department to explain the survey and support efforts by the Department to increase participation in the survey.

19.6. The Contractor must review the data and findings from the NH Community Mental Health Center Client Satisfaction Survey Report. Report findings, or recommendations made by the CMHC Survey Workgroup must be incorporated into the Quality Improvement Plan goals.

19.7. The Contractor must engage and comply with all aspects of Fidelity Reviews and Assessments based on a model approved by the Department and on a schedule approved by the Department.

**20. Maintenance of Fiscal Integrity**

20.1. The Contractor must submit the following financial statements to the Department on a monthly basis, no later than thirty (30) calendar days after the end of each month:

20.1.1. Balance Sheet for the Contractor's entire organization including all related parties.

20.1.2. Year-to-date Profit and Loss Statement for the Contractor's entire organization that includes, for all related parties:

20.1.2.1. All revenue sources and expenditures; and

20.1.2.2. A budget column allowing for budget to actual analysis.

20.1.3. Year-to-date Profit and Loss Statement for the Program funded under this Agreement that includes:

20.1.3.1. All revenue sources and all related expenditures for the Program; and

20.1.3.2. A budget column allowing for budget to actual analysis.

20.1.4. Year-to-date Cash Flow Statement for the Contractor's entire organization including all related parties.

20.2. The Contractor must ensure all financial statements are prepared based on the accrual method of accounting and include all the Contractor's total revenues and expenditures, whether or not generated by or resulting from funds provided pursuant to this Agreement.

20.3. The Contractor's fiscal integrity will be evaluated by the Department using the following Formulas and Performance Standards:

20.3.1. Days of Cash on Hand:

20.3.1.1. Definition: The days of operating expenses that can be covered by the unrestricted cash on hand.

20.3.1.2. Formula: Cash, cash equivalents and short-term investments divided by total operating expenditures, less depreciation/amortization and in-kind plus principal payments on debt divided by days in the reporting period. The short-term investments as used above must mature within three (3) months and should not include common stock.

20.3.1.3. Performance Standard: The Contractor must have enough cash and cash equivalents to cover expenditures for a minimum of thirty (30) calendar days with no variance allowed.

20.3.2. Current Ratio:

20.3.2.1. Definition: A measure of the Contractor's total current assets available to cover the cost of current liabilities.

20.3.2.2. Formula: Total current assets divided by total current liabilities.

20.3.2.3. Performance Standard: The Contractor must maintain a minimum current ratio of 1.5:1 with 10% variance allowed.

20.3.3. Debt Service Coverage Ratio:

20.3.3.1. Rationale: This ratio illustrates the Contractor's ability to cover the cost of its current portion of its long-term debt.

20.3.3.2. Definition: The ratio of net income to the year to date debt service.

20.3.3.3. Formula: Net Income plus depreciation/amortization expense plus interest expense divided by year to date debt service (principal and interest) over the next twelve (12) months.

20.3.3.4. Source of Data: The Contractor's monthly financial statements identifying current portion of long-term debt payments (principal and interest).

20.3.3.5. Performance Standard: The Contractor must maintain a minimum standard of 1.2:1 with no variance allowed.

20.3.4. Net Assets to Total Assets:

20.3.4.1. Rationale: This ratio is an indication of the Contractor's ability to cover its liabilities.

20.3.4.2. Definition: The ratio of the Contractor's net assets to total assets.

20.3.4.3. Formula: Net assets (total assets less total liabilities) divided by total assets.

20.3.4.4. Source of Data: The Contractor's monthly financial statements.

20.3.4.5. Performance Standard: The Contractor must maintain a minimum ratio of .30:1, with a 20% variance allowed.

20.4. In the event that the Contractor does not meet either:

20.4.1. The Days of Cash on Hand Performance Standard and the Current Ratio Performance Standard for two (2) consecutive months; or

20.4.2. Three (3) or more of any of the Performance Standards for one (1) month, or any one (1) Performance Standard for three (3) consecutive months, then the Contractor must:

20.4.2.1. Meet with Department staff to explain the reasons that the Contractor has not met the standards; and/or

20.4.2.2. Submit a comprehensive corrective action plan within 30 calendar days of receipt of notice from the Department.

20.5. The Contractor must update and submit the corrective action plan to the Department, at least every 30 calendar days, until compliance is achieved. The Contractor must:

20.5.1. Provide additional information to ensure continued access to services as requested by the Department and ensure requested information is submitted to the Department in a timeframe agreed upon by both parties.

20.6. The Contractor must inform the Department by phone and by email within five (5) days of when any key Contractor staff learn of any actual or likely litigation, investigation, complaint, claim, or transaction that may reasonably be considered to have a material financial impact on and/or materially impact or impair the ability of the Contractor to perform under this Agreement with the Department.

20.7. The Contractor must provide its Revenue and Expense Budget within twenty (20) calendar days of the contract effective date.

20.8. The Contractor must complete the Fiscal Year Revenue and Expense Budget on a form supplied by the Department, which must include but not be limited to, all the Contractor's cost centers. If the Contractor's cost centers are a combination of several local cost centers, the Contractor must display them separately as long as the cost center code is unchanged.

20.9. The Contractor must provide quarterly Revenue and Expense Reports (Budget Form A), within thirty (30) calendar days after the end of each fiscal quarter, defined as July 1 to September 30, October 1 to December 31, January 1 to March 31, and April 1 to June 30.

**21. Reduction or Suspension of Funding**

21.1. In the event that the State funds designated as the Price Limitation in Form P-37, General Provisions, Block 1.8. of the General Provisions are reduced, suspended, or reallocated, the Department shall provide immediate written notification to the Contractor of such reduction, suspension, or reallocation.

21.1.1. In the event that the reduction or suspension, or reallocation of federal or state funding prevents the Contractor from providing necessary services to individuals, the Department shall initiate the process to amend the agreement, pursuant to Paragraph 18 of the Form P-37, to modify the service requirements contained herein in collaboration with the Contractor.

21.1.2. Any reductions to services taken by the Contractor and the Department shall prioritize the most critical services, including, but not limited to:

21.1.2.1. Evaluation of and, if eligible, an individual service plan for all new applicants for services.

21.1.2.2. Crisis services for all individuals.

21.1.2.3. Services for individuals who meet the criteria for involuntary admission to a designated receiving facility.

21.1.2.4. Services to individuals who are on a conditional discharge pursuant to RSA 135-C:50 and NH Administrative Rule He-M 609.

**22. Elimination of Programs and Services by Contractor**

22.1. Not including service reductions collaboratively addressed in Section 21. Reduction or Suspension of Funding, the Contractor must provide a minimum of thirty (30) calendar day's written notice prior to any reductions in delivery of services, or notice as soon as known if the Contactor is faced with an urgent need to reduce delivery of services.

22.2. The Contractor and the Department shall collaborate prior to the elimination or reduction of services to address the immediate situation in order to prioritize which services survive the reduction. Should the Contractor and the Department require assistance in their collaborative efforts, the Department may require the Contractor to engage in a non-binding mediation within thirty (30) calendar days by the Commissioner of the Department of Health and Human Services at no cost to the Contractor, to include funding capacity and supplemental resources.

22.3. The Contractor must not redirect funds allocated in the Contractor's budget for the program or service that has been eliminated or substantially reduced to another program or service without the mutual agreement of both parties.

**23. Closed Loop Referral System**

23.1. The Contractor must utilize the Department's closed loop referral system whenever applicable to the services they provide for referrals between health and/or human service providers within New Hampshire for referral management and client care coordination. Utilization includes inputting information and data as necessary into the Department's referral solution as part of the NH Care Connections Network to facilitate referrals to participating providers, signing required Network Participation Agreement(s), and obtaining a participant specific consent for services.

23.2. The Contractor must utilize the Department's admission, discharge, transfer, and shared care insights solution whenever applicable to the services they provide for client care coordination and management between health providers within New Hampshire. Utilization includes inputting information and data as necessary into the Department's admission, discharge, transfer, and shared care insights platform as part of the NH Care Connections Network to facilitate referrals to participating providers and signing required Participation Agreement(s) for the admission, discharge, transfer, and shared care insights solution.

Initial

23.2.1. The Department's contracts with the closed loop referral and admission, discharge, and transfer vendors incorporate the costs of developing and maintaining the standards-based interface from which the Contractor may choose to configure their systems to communicate securely with the Department's NH Care Connections Network solutions. The Contractor may choose to interface with the Department's closed loop referral and/or the admission discharge transfer solution utilizing a Smart on FHIR or HL-7 standard interface process to connect individuals to health and social service providers. The costs for the Contractor system or team to develop or utilize the standard Smart on FHIR or HL-7 based interface are the sole responsibility of the Contractor.

**24. Data Reporting**

24.1. The Contractor must submit any data identified by the Department to comply with federal and/or other reporting requirements and must work with the Department on any additional mutual agreed upon requests.

24.2. The Contractor must submit all required data elements to the Department's Phoenix system in compliance with current Phoenix reporting specifications and transfer protocol provided by the Department.

24.3. The Contractor must submit individual client intake, demographics, payor, diagnostic, referral, location, and other information specified by the Department, and all service encounter and outcome data, including data on both billable and non-billable individual-specific services and rendering staff providers on these encounters, to the Department's Phoenix system, or its successors, in the format, content, completeness, frequency, method and timeliness as specified by the Department. Individual data must include a Medicaid ID number for individuals who are enrolled in Medicaid.

24.4. The Contractor must include client community mental health program eligibility including, but not limited to, SMI as applicable with all Phoenix services in alignment with current reporting specifications.

24.5. The Contractor must initiate any necessary system changes within thirty (30) calendar days to comply with annual Department updates to the Phoenix reporting specification(s). The Department expects updates to be completed within 90 days of notification of the new requirements. If a Contractor is unable to comply, the Contractor must submit a request to the Department for an extension that documents the reasons for non-compliance, and includes a work plan outlining tasks and timelines to ensure compliance.

24.6. The Contractor must meet all the general requirements for the Phoenix system which include, but are not limited to:

24.6.1. Agreeing that all data collected in the Phoenix system is the property of the Department to use as it deems necessary.

24.6.2. Ensuring data files and records are consistent with reporting specification requirements.

24.6.3. Ensuring that errors in data returned to the Contractor are corrected and resubmitted to the Department within ten (10) business days.

24.6.4. Ensuring data is current and updated in the Contractor's systems as required for federal reporting and other reporting requirements and as specified by the Department.

24.6.5. Participating in Departmental efforts for system-wide data quality improvement.

24.6.6. Implementing quality assurance, system, and process review procedures to validate data submitted to the Department to confirm:

24.6.6.1. All data is formatted in accordance with the file specifications;

24.6.6.2. No records will be rejected due to invalid characters or invalid formatting; and

24.6.6.3. The Department's tabular summaries of data submitted by the Contractor match the data in the Contractor's system.

24.7. The Contractor must meet the following standards:

24.7.1. Timeliness: monthly data must be submitted no later than the fifteenth (15th) of each month for the prior month's data unless otherwise approved by the Department, and the Contractor must review the Department's tabular summaries within five (5) business days.

24.7.2. Completeness: submitted data must represent at least ninety-eight percent (98%) of billable services provided, and ninety-eight percent (98%) of individuals served by the Contractor. For fields indicated in the reporting specifications as data elements that must be collected in contractor systems, 98% must be submitted with valid values other than the unknown value. The Department may adjust this threshold through the exemption process described in Section 28.9.

24.7.3. Accuracy: submitted service and member data must conform to submission requirements for at least ninety-eight percent (98%) of the records, and one hundred percent (100%) of unique member identifiers must be accurate and valid.

24.8. The Contractor must document all interactions with the individual and any community support provider in their EHR.

24.9. The Department may, at its discretion, exempt requirements for timeliness, completeness, and accuracy in Phoenix on a case-by-case basis through a

written communication that specifies the items being exempted. In all circumstances:

24.9.1. The exemption length shall not exceed 180 days.

24.9.2. If the Contractor fails to meet exemption standards, the Contractor must submit a corrective action plan to the Department for approval within thirty (30) calendar days of being notified of an issue.

24.9.3. The Contractor must implement the Department-approved corrective action plan.

24.9.4. Failure by the Contractor to implement the correction action plan may require:

24.9.4.1. An additional corrective action plan; or

24.9.4.2. Other remedies as specified by the Department.

**25. Background Checks**

25.1. Prior to permitting any individual to provide services under this Agreement, the Contractor must ensure that said individual has undergone:

25.1.1. A criminal background check, at the Contractor's expense, and has no convictions for crimes that represent evidence of behavior that could endanger individuals served under this Agreement;

25.1.2. A name search of the Department's Bureau of Adult and Aging Services (BAAS) State Registry, pursuant to RSA 161-F:49, with results indicating no evidence of behavior that could endanger individuals served under this Agreement; and

25.1.3. A name search of the Department's Division for Children, Youth and Families (DCYF) Central Registry pursuant to RSA 169-C:35, with results indicating no evidence of behavior that could endanger individuals served under this Agreement.

**26. Confidential Data**

26.1. The Contractor must meet all information security and privacy requirements as set by the Department and in accordance with the Department's Information Security Requirements Exhibit as referenced below.

26.2. The Contractor must ensure any individuals involved in delivering services through this Agreement contract sign an attestation agreeing to access, view, store, and discuss Confidential Data in accordance with federal and state laws and regulations and the Department's Information Security Requirements Exhibit. The Contractor must ensure said individuals have a justifiable business need to access confidential data. The Contractor must provide attestations upon Department request.

**27. Privacy Impact Assessment**

27.1. Upon request, the Contractor must allow and assist the Department in conducting a Privacy Impact Assessment (PIA) of its system(s)/application(s)/web portal(s)/website(s) or Department system(s)/application(s)/web portal(s)/website(s) hosted by the Contractor, if Personally Identifiable Information (PII) is collected, used, accessed, shared, or stored. To conduct the PIA the Contractor must provide the Department access to applicable systems and documentation sufficient to allow the Department to assess, at minimum, the following:

27.1.1. How PII is gathered and stored;

27.1.2. Who will have access to PII;

27.1.3. How PII will be used in the system;

27.1.4. How individual consent will be achieved and revoked; and

27.1.5. Privacy practices.

27.2. The Department may conduct follow-up PIAs in the event there are either significant process changes or new technologies impacting the collection, processing or storage of PII.

**28. Department Owned Devices, Systems and Network Usage**

28.1. If Contractor End Users, defined in the Department's Information Security Requirements Exhibit that is incorporated into this Agreement, are authorized by the Department's Information Security Office to use a Department issued device (including, but not limited to, computer, tablet, mobile telephone) or access the Department network in the fulfilment of this Agreement, each End User must:

28.1.1. Sign and abide by applicable Department and New Hampshire Department of Information Technology (NH DoIT) use agreements, policies, standards, procedures and guidelines, and complete applicable trainings as required;

28.1.2. Use the information that they have permission to access solely for conducting official Department business and agree that all other use or access is strictly forbidden including, but not limited, to personal or other private and non-Department use, and that at no time shall they access or attempt to access information without having the express authority of the Department to do so;

28.1.3. Not access or attempt to access information in a manner inconsistent with the approved policies, procedures, and/or agreement relating to system entry/access;

28.1.4. Not copy, share, distribute, sub-license, modify, reverse engineer,

rent, or sell software licensed, developed, or being evaluated by the Department, and at all times must use utmost care to protect and keep such software strictly confidential in accordance with the license or any other agreement executed by the Department;

28.1.5. Only use equipment, software, or subscription(s) authorized by the Department's Information Security Office or designee;

28.1.6. Not install non-standard software on any Department equipment unless authorized by the Department's Information Security Office or designee;

28.1.7. Agree that email and other electronic communication messages created, sent, and received on a Department-issued email system are the property of the Department of New Hampshire and to be used for business purposes only. Email is defined as "internal email systems" or "Department-funded email systems."

28.1.8. Agree that use of email must follow Department and NH DoIT policies, standards, and/or guidelines; and

28.1.9. Agree when utilizing the Department's email system:

28.1.9.1. To only use a Department email address assigned to them with a "@ affiliate.DHHS.NH.Gov".

28.1.9.2. Include in the signature lines information identifying the End User as a non-Department workforce member; and

28.1.9.3. Ensure the following confidentiality notice is embedded underneath the signature line:

> CONFIDENTIALITY NOTICE: "This message may contain information that is privileged and confidential and is intended only for the use of the individual(s) to whom it is addressed. If you receive this message in error, please notify the sender immediately and delete this electronic message and any attachments from your system. Thank you for your cooperation."

28.1.10. Contractor End Users with a Department issued email, access or potential access to Confidential Data, and/or a workspace in a Department building/facility, must:

28.1.10.1. Complete the Department's Annual Information Security & Compliance Awareness Training prior to accessing, viewing, handling, hearing, or transmitting Department Data or Confidential Data.

28.1.10.2. Sign the Department's Business Use and Confidentiality Agreement and Asset Use Agreement, and the NH DoIT

Department wide Computer Use Agreement upon execution of the Agreement and annually thereafter.

28.1.10.3. Only access the Department's intranet to view the Department's Policies and Procedures and Information Security webpages.

28.1.11. Contractor agrees, if any End User is found to be in violation of any of the above terms and conditions, said End User may face removal from the Agreement, and/or criminal and/or civil prosecution, if the act constitutes a violation of law.

28.1.12. Contractor agrees to notify the Department a minimum of three business days prior to any upcoming transfers or terminations of End Users who possess Department credentials and/or badges or who have system privileges. If End Users who possess Department credentials and/or badges or who have system privileges resign or are dismissed without advance notice, the Contractor agrees to notify the Department's Information Security Office or designee immediately.

28.1.13. Workspace Requirement

28.1.14. If applicable, the Department will work with Contractor to determine requirements for providing necessary workspace and State equipment for its End Users.

**29. Contract End-of-Life Transition Services**

29.1. General Requirements

29.1.1. If applicable, upon early termination or expiration of the Agreement the parties agree to cooperate in good faith to effectuate a secure transition of the services ("Transition Services") from the Contractor to the Department and, if applicable, the new Contractor ("Recipient") engaged by the Department to assume the services. Ninety (90) days prior to the end-of the contract or unless otherwise specified by the Department, the Contractor must begin working with the Department and if applicable, the Recipient to develop a Data Transition Plan (DTP). The Department shall provide the DTP template to the Contractor.

29.1.2. The Contractor must assist the Recipient, in connection with the transition from the performance of Services by the Contractor and its End Users to the performance of such Services. This may include assistance with the secure transfer of records (electronic and hard copy), transition of historical data (electronic and hard copy), the transition of any such Service from the hardware, software, network and telecommunications equipment and internet-related information

technology infrastructure ("Internal IT Systems") of Contractor to the Internal IT Systems of the Recipient and cooperation with and assistance to any third-party consultants engaged by Recipient in connection with the Transition Services.

29.1.3. If a system, database, hardware, software, and/or software licenses (Tools) was purchased or created to manage, track, and/or store Department Data in relationship to this contract said Tools will be inventoried and returned to the Department, along with the inventory document, once transition of Department data is complete.

29.1.4. The internal planning of the Transition Services by the Contractor and its End Users shall be provided to the Department and if applicable the Recipient in a timely manner. Any such Transition Services shall be deemed to be Services for purposes of this Agreement.

29.1.5. In the event the data Transition extend beyond the end of the Agreement, the Contractor agrees that the Information Security Requirements, and if applicable, the Department's Business Associate Agreement terms and conditions remain in effect until the Data Transition is accepted as complete by the Department.

29.1.6. In the event the Contractor has comingled Department Data and the destruction or Transition of said data is not feasible, the Department and Contractor will jointly evaluate regulatory and professional standards for retention requirements prior to destruction, refer to the terms and conditions of the Department's DHHS Information Security Requirements Exhibit.

29.2. Completion of Transition Services

29.2.1. Each service or transition phase shall be deemed completed (and the transition process finalized) at the end of 15 business days after the product, resulting from the Service, is delivered to the Department and/or the Recipient in accordance with the mutually agreed upon Transition plan, unless within said 15 business day term the Contractor notifies the Department of an issue requiring additional time to complete said product.

29.2.2. Once all parties agree the data has been migrated the Contractor will have 30 days to destroy the data per the terms and conditions of the Department's Information Security Requirements Exhibit.

29.3. Disagreement over Transition Services Results

29.3.1. In the event the Department is not satisfied with the results of the Transition Service, the Department shall notify the Contractor in writing, stating the reason for the lack of satisfaction within 15

all reports and records maintained pursuant to the Agreement for purposes of audit, examination, excerpts and transcripts.

32.3. If, upon further review, the Department must disallow any expenses claimed by the Contractor as costs hereunder, the Department retains the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

**New Hampshire Department of Health and Human Services**
**Mental Health Services**

# EXHIBIT C – Amendment #2

## Payment Terms

1. This Agreement is funded by:
   1.1. 2.27% Federal funds, Block Grants for Community Mental Health Services, as awarded on 2/23/23, 5/16/24 and 12/6/24, by the Substance Abuse and Mental Health Services Administration, Center for Mental Health Services, ALN 93.958, FAIN B09SM087375, FAIN B09SM089640, FAIN B09SM090358.
   1.2. 1.38% Federal funds, PROHEALTH NH, as awarded on 8/25/22, by the Substance Abuse and Mental Health Services Administration, Center for Mental Health Services, ALN 93.243, FAIN H79SM080245.
   1.3. 96.16% General funds.
   1.4. 0.19% Other funds (Behavioral Health Services Information System).
2. For the purposes of this Agreement the Department has identified:
   2.1. The Contractor as a Subrecipient, in accordance with 2 CFR 200.331.
   2.2. The Agreement as NON-R&D, in accordance with 2 CFR §200.332.
   2.3. The Indirect Cost Rate for this Agreement in the attached Budget Sheet(s).
3. Notwithstanding anything to the contrary herein, the Contractor agrees that funding under this Agreement may be withheld, in whole or in part, in the event of noncompliance with any state or federal law, rule or regulation applicable to the services provided, or if the said services have not been completed in accordance with the terms and conditions of this Agreement.
4. Mental Health Services provided by the Contractor shall be paid in order as follows:
   4.1. For Medicaid enrolled individuals through the Department Medicaid Fee for Service program in accordance with the current, publicly posted Fee for Service (FFS) schedule located at NHMMIS.NH.gov.
   4.2. For Managed Care Organization enrolled individuals, the Contractor shall be reimbursed pursuant to the Contractor's agreement with the applicable Managed Care Organization for such services.
   4.3. For individuals with other health insurance or other coverage for the services they receive, the Contractor will directly bill the other insurance or payors.
   4.4. For individuals without health insurance or other coverage for the services they receive, and for operational costs contained in Exhibit C – Amendment #2, Payment Terms, or which the Contractor cannot otherwise seek reimbursement from an insurance or third-party payer,

the Contractor will directly bill the Department to access contract funds provided through this Agreement.

5. All Medicaid/MCO invoicing shall follow billing and coding requirements outlined by the Department. For the purpose of Medicaid billing, a unit of service is described in the DHHS published CMH NH Fee Schedule, as may be periodically updated, or as specified in NH Administrative Rule He-M 400. However, for He-M 426.12 Individualized Resiliency and Recovery Oriented Services (IROS), a Unit of Service is defined as fifteen (15) minutes. The Contractor shall report and bill in whole units. The intervals of time in the table below define how many units to report or bill. All such limits may be subject to additional DHHS guidance or updates as may be necessary to remain in compliance with Medicaid standards.

| Direct Service Time Intervals | Unit Equivalent |
|---|---|
| 0-7 minutes | 0 units |
| 8-22 minutes | 1 unit |
| 23-37 minutes | 2 units |
| 38-52 minutes | 3 units |

6.13. Deaf Services Funding: The Contractor shall be paid on a cost reimbursement basis as specified in Exhibit C-6, Budget – Amendment #2.

6.14. Critical Time Intervention: the Contractor shall bill and seek reimbursement for services provided to individuals pursuant to this Agreement as follows:

6.14.1. A set rate shall be awarded per client served by the Contractor, indicated in the table listed in Section 6.14.1.1, Rate Table, which are rates set for the term of the contract.

**6.14.1.1. Rate Table**

| Rate | Amount | Eligibility | Payment Frequency |
|---|---|---|---|
| Pre-CTI | $128.79 | Minimum of one (1) encounter with the individual, in-person or virtual, to be eligible for this rate. All such encounters must occur prior to the individual's discharge from an inpatient setting. | Paid once per individual. |
| CTI (Phases 1-3) | $370.91 | Minimum of two (2) encounters during Phases 1 and 2, and a minimum of one (1) encounter during Phase 3 with the individual, in-person or virtual, to be eligible for this rate. Encounters must occur within the same calendar month to count towards the minimum. Pre-CTI encounters do not count towards this minimum. | Paid once per individual, per month, not to exceed nine (9) consecutive months. |

6.14.2. At the end of each quarter, the Department shall conduct a review of the Contractor's actual expenses relative to the rates paid in accordance with the Rate Table in Section 6.14.1.1. The Contractor shall provide supporting documentation of actual expenses incured in fulfillment of Exhibit B – Amendment #2, Scope of Services, which include:

6.14.2.1. CTI worker salaries and benefits;

6.14.2.2. CTI supervisor salaries and benefits; and

6.14.2.3. Department-approved administrative costs, not to exceed an indirect cost rate of 18.5%.

6.14.3. If the actual costs incurred for providing services in Exhibit B – Amendment #2, Scope of Services, exceed the rates paid in accordance with amounts specified in the Rate Table in Section 6.14.1.1., then:

6.14.3.1. The Department may reimburse the Contractor in an amount equal to the actual expenses incurred, minus the rate paid for the services; and

6.14.3.2. The amount reimbursed to the Contractor shall not exceed the per diem expense line in Exhibit C-7,

Budget – Amendment #2, over the term of the Agreement.

6.14.4. If the actual costs incurred for providing services in Exhibit B – Amendment #2, Scope of Services are less than the rates paid in accordance with amounts specified in the Rate Table in Section 6.14.1.1., then:

6.14.4.1. The Department may collect from the Contractor the amount of the difference between the rates paid in accordance with the Rate Table in Section 6.14.1.1., and the actual amounts of expenses incurrred.

6.14.4.2. Amounts of overpayments for the quarter as identifed by the calculation in Section 6.14.4.1. may be collected by written notice to the Contractor stating payment shall be made to the Department within 30 days of notification of overpayment.

6.14.5. The Contractor shall submit a monthly invoice in a form satisfactory to the Department with supporting documentation by the 15th day of the following month. Supporting documentation must demonstrate that the eligiblity requirements described above in the Rate Table in Section 6.15.1.1 have been met for each individual identified on the invoice.

6.14.6. The Contractor shall submit a monthly summary of all eligible program-related expenses, as identified in Section 6.14.2., in a form satisfactory to the Department with supporting documentation of expenses incurred by the 15th day of the month following the month in which services were provided.

6.14.7. The Contractor shall provide documentation for flexible funding in order to receive payments for flexible funding expenditures on a cost reimbursement basis, not to exceed the flexible funding line item defined in Exhibit C-7, Budget – Amendment #2. The Contractor shall ensure flexible funding expenditures incurred are:

6.14.7.1. Used to directly support the needs of the client when no other funds are available;

6.14.7.2. Used for one-time expenses tangible in nature;

6.14.7.3. Not disbursed as gift cards or gift certificates;

6.14.7.4. Directly allocable to the work performed under this Agreement;

6.14.7.5. Appropriate in amount and nature, as determined by the Department; and

6.14.7.6. Verified by supporting documentation, including, but not limited to, receipts of payment.

6.14.8. The Contractor may be eligible to receive payments to address extraordinary costs incurred in the fulfillment of this Agreement (herein contingency payments), as approved by the Department. This Agreement is one (1) of ten (10) Agreements with Vendors that will provide CTI services. The statewide total shared price limitation among all ten (10) Agreements is $25,000 for SFY 2026 and $25,000 for SFY 2027. No maximum or minimum funding amount per Contractor is guaranteed, and funding will be disbursed on a first come/first served basis. The Contractor may:

6.14.8.1. Apply for reimbursement of the expenses from the Department via a form satisfactory to the Department with applicable justifications; and

6.14.8.2. Be eligible for contingency payments, which support program related costs that exceed per diem and flex funding line items defined in Exhibit C-7, Budget – Amendment #2, and meet criteria as outlined by the Department at the time of application.

6.14.9. The Contractor may be eligible to receive incentive payments in the fulfillment of program goals as described in Table 2 below (herein incentive payments), as approved by the Department. This Agreement is one (1) of ten (10) Agreements with Vendors that will provide CTI services. The statewide total shared price limitation among all ten (10) Agreements is $221,103 for SFY 2026 and $221,103 for SFY 2027. No maximum or minimum funding amount per Contractor is guaranteed, and funding will be disbursed on a first come/first served basis. The Contractor may:

6.14.9.1. Apply for reimbursement of the expenses from the Department via a form satisfactory to the Department with applicable justifications; and

6.14.9.2. Be eligible to receive incentive payments upon achieving the Incentive Payment Goals as described below in Table 2 through June 30, 2027. The Contractor shall provide supporting documentation to demonstrate achievement of the Incentive Payment Goals, as requested by the Department.

**6.14.9.2.1. Table 2**

| # | Incentive Payment Goal | Total Incentive Payments |
|---|---|---|
| 1 | For each individual referred and having a Pre-CTI visit, and one (1) qualifying encounter during Phase 1 with a CTI Coach, CMHCs may be qualified for incentive payments. | $350 per individual |
| 2 | For each individual qualified CTI-program graduate, CMHCs may be qualified for incentive payments. | $500 per individual |

6.14.9.2.2. "Qualifying Encounter" for this incentive payment shall mean an interaction with an enrolled CTI client in which progress was discussed or made towards the Phase Plan during Phase 1.

6.14.9.2.3. "Graduate" for this incentive payment shall mean a CTI client who enrolled in CTI and successfully completed 9 consecutive months of the program during State Fiscal Years 2026 through 2027; and/or seven (7) months of active participation and two (2) months of inactive participation, and have a closeout/final meeting within 14 days per or post the 9 month date.

6.14.9.3. The incentive target shall be available on a quarterly basis per SFY 2026 and SFY 2027, until the statewide total price limitation is reached each SFY, and based on data submitted by the Contractor via the Phoenix reporting system.

6.14.9.4. The Department will communicate eligibility for incentive payment achievement and reimbursement to the Contractor's CTI Supervisor and finance representative on a quarterly basis.

7. The Contractor shall submit an invoice with supporting documentation to the Department no later than the fifteenth (15th) working day of the month following the month in which the services were provided. The Contractor shall ensure each invoice:

7.1. Includes the Contractor's Vendor Number issued upon registering with New Hampshire Department of Administrative Services.

7.2. Is submitted in a form that is provided by or otherwise acceptable to the Department.

7.3. Identifies and requests payment for allowable costs incurred in the previous month.

7.4. Includes supporting documentation of allowable costs with each invoice that may include, but are not limited to, time sheets, payroll records, receipts for purchases, and proof of expenditures, as applicable.

7.5. Supporting documentation shall be labeled by line item.

7.6. Is completed, dated and returned to the Department with the supporting documentation for allowable expenses to initiate payment.

7.7. Is assigned an electronic signature, includes supporting documentation, and is emailed to dhhs.dbhinvoicesmhs@dhhs.nh.gov or mailed to:

Financial Manager
Department of Health and Human Services
129 Pleasant Street
Concord, NH 03301

8. The Department shall make payments to the Contractor within thirty (30) days of receipt of each invoice and supporting documentation for authorized expenses, subsequent to approval of the submitted invoice.

9. The final invoice and supporting documentation for authorized expenses shall be due to the Department no later than forty (40) days after the contract Completion Date specified in Form P-37, General Provisions Block 1.7.

10. Notwithstanding Paragraph 17 of the General Provisions Form P-37, changes limited to adjusting amounts within the price limitation and adjusting encumbrances between State Fiscal Years and budget class lines through the Budget Office may be made by written agreement of both parties, without obtaining approval of the Governor and Executive Council, if needed and justified.

11. Audits

11.1. The Contractor must email an annual audit to dhhs.act@dhhs.nh.gov if any of the following conditions exist:

11.1.1. Condition A - The Contractor is subject to a Single Audit pursuant to 2 CFR 200.501 Audit Requirements.

11.1.2. Condition B - The Contractor is subject to audit pursuant to the requirements of NH RSA 7:28, III-b.

11.1.3. Condition C - The Contractor is a public company and required by Security and Exchange Commission (SEC) regulations to submit an annual financial audit.

11.2. If Condition A exists, the Contractor shall submit an annual Single Audit performed by an independent Certified Public Accountant (CPA) to dhhs.act@dhhs.nh.gov within 120 days after the close of the Contractor's fiscal year, conducted in accordance with the requirements of 2 CFR Part 200, Subpart F of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal awards.

11.2.1. The Contractor shall submit a copy of any Single Audit findings and any associated corrective action plans. The Contractor shall submit quarterly progress reports on the status of implementation of the corrective action plan.

11.3. If Condition B or Condition C exists, the Contractor shall submit an annual financial audit performed by an independent CPA within 120 days after the close of the Contractor's fiscal year.

11.4. The Contractor, regardless of the funding source and/or whether Conditions A, B, or C exist, may be required to submit annual financial audits performed by an independent CPA upon request by the Department.

11.5. In addition to, and not in any way in limitation of obligations of the Agreement, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department all payments made under the Agreement to which exception has been taken, or which have been disallowed because of such an exception, within sixty (60) days.

12. If applicable, the Contractor must request disposition instructions from the Department for any equipment, as defined in 2 CFR 200.313, purchased using funds provided under this Agreement, including information technology systems.

(With Comparative Totals for June 30, 2023)

With Independent Auditor's Report

BerryDunn

# INDEPENDENT AUDITOR'S REPORT

Board of Directors
The Community Council of Nashua, NH, Inc.
d/b/a Greater Nashua Mental Health

## Opinion

We have audited the accompanying financial statements of The Community Council of Nashua, NH, Inc. d/b/a Greater Nashua Mental Health (the Organization), which comprise the statement of financial position as of June 30, 2024, and the related statements of activities and changes in net assets, functional revenues and expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of June 30, 2024, and the changes in its net assets and its cash flows for the year then ended in accordance with U.S. generally accepted accounting principles (U.S. GAAP).

## Basis for Opinion

We conducted our audit in accordance with U.S. generally accepted auditing standards (U.S. GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Change in Accounting Principle

As discussed in Note 1 to the financial statements, the Organization adopted Financial Accounting Standards Board Accounting Standards Update No. 2016-13, *Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*, and related guidance as amended, during the year ended June 30, 2024. Our opinion is not modified with respect to that matter.

## Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Board of Directors
The Community Council of Nashua, NH, Inc.
d/b/a Greater Nashua Mental Health

**Report on Summarized Comparative Information**

We have previously audited the Organization's 2023 financial statements and we expressed an unmodified audit opinion on those audited financial statements in our report dated November 6, 2023. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2023 is consistent, in all material respects, with the audited financial statements from which it has been derived.

## Organization

The Community Council of Nashua, NH, Inc. d/b/a Greater Nashua Mental Health (the Organization) is a comprehensive community health center located in Nashua, New Hampshire. The Organization's mission is to work with the community to meet the mental health needs of its residents by offering evaluation, treatment, resource development, education and research. The Organization is dedicated to clinical excellence and advocacy with its Child and Adolescent, Adult Outpatient Services, Older Adult Services, Deaf Services, Substance Abuse, Medical Services, and other programs.

## 1. Summary of Significant Accounting Policies

### Newly Adopted Accounting Principle

Financial Accounting Standards Board (FASB) issued Accounting Standards Update No. 2016-13, *Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*, and related guidance as amended, which replaces the incurred loss methodology with an expected loss methodology that is referred to as the current expected credit loss (CECL) methodology. The measurement of expected credit losses under the CECL methodology is applicable to financial assets measured at amortized cost, which includes accounts receivable. The adoption of Topic 326 during the year ended June 30, 2024 did not have a material impact on the financial statements of the Organization as a significant portion of the payors to the Organization either have the full faith and backing of the U.S. government or are credit worthy with limited to no credit risk associated with them. Other than accounts receivable, there are no other financial assets that are measured at amortized cost.

### Basis of Presentation

The financial statements of the Organization have been prepared in accordance with U.S. generally accepted accounting principles (U.S. GAAP), which require the Organization to report information regarding its financial position and activities according to the following net asset classifications:

**Net assets without donor restrictions:** Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and the Board of Directors.

**Net assets with donor restrictions:** Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

All contributions are considered to be available for operational use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as donor restricted support that increases that net asset class. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, donor restricted net assets are reclassified to net assets without donor restrictions and reported in the statement of activities and changes in net assets as net assets released from restrictions. The Organization records donor restricted contributions whose restrictions are met in the same reporting period as support without donor restrictions in the year of the gift.

The Organization reports contributions of land, buildings or equipment as support without donor restrictions, unless a donor places explicit restriction on their use. Contributions of cash or other assets that must be used to acquire long-lived assets are reported as donor restricted support and reclassified to net assets without donor restrictions when the assets are acquired and placed in service.

The financial statements include certain prior year summarized comparative information in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with U.S. GAAP. Accordingly, such information should be read in conjunction with the Organization's June 30, 2023 financial statements, from which the summarized information was derived.

**Use of Estimates**

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Cash and Cash Equivalents**

Cash and cash equivalents include highly liquid investments with an original maturity of three months or less, excluding investments.

The Organization has cash deposits in major financial institutions which may exceed federal depository insurance limits. The Organization has not experienced any losses in such accounts. Management believes it is not exposed to any significant risk with respect to these accounts.

## Accounts and Grants Receivable

Accounts receivable are stated at the amount management expects to collect from outstanding balances reduced by an allowance for uncollectible accounts. In evaluating the collectability of accounts receivable, the Organization monitors the amount of actual cash collected during each month against the Organization's outstanding accounts receivable balances, as well as the aging of balances. The Organization analyzes its past history and identifies supportable future trends for each of its major payer sources of revenue to estimate the appropriate allowance for credit losses and provision for bad debts. Management, as well as the Finance Committee of the Organization, regularly reviews the aging and collection rate of major payer sources. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to the trade accounts receivable. Accounts receivable, net amounted to $1,356,320 as of July 1, 2022.

## Leases

At the inception of an arrangement, the Organization determines if an arrangement is, or contains, a lease based on the unique facts and circumstances present in that arrangement. Lease classification, recognition and measurement are then determined as of the lease commencement date. For arrangements that contain a lease, the Organization (i) identifies lease and non-lease components, (ii) determines the consideration in the contract, (iii) determines whether the lease is an operating or finance lease, and (iv) recognizes the lease ROU asset and liability. Lease obligations and their corresponding ROU assets are recorded based on the present value of lease payments over the expected lease term. The interest rate implicit in lease contracts is typically not readily determinable, and as such, the Organization used the risk free rate based on the information available at the lease commencement date, a rate which represents one that would be incurred to borrow, on a collateralized basis, over a similar term, an amount equal to the lease payments in a similar economic environment.

Some leases include options to renew and/or terminate the lease, which can impact the lease term. The exercise of these options is at the Organization's discretion and the Organization does not include any of these options within the expected lease term where it is not reasonably certain that these options will be exercised.

Fixed, or in-substance fixed, lease payments on operating leases are recognized over the expected term of the lease on a straight-line basis. Variable lease expenses that are not considered fixed, or in-substance fixed, are recognized as incurred. Fixed and variable lease expense on operating leases is recognized within other operating expenditures in the statement of functional revenues and expenses. The Organization has elected the short-term lease exemption and, therefore, does not recognize a ROU asset or corresponding lease liability for lease arrangements with an original term of 12 months or less.

## Investments

Investments in marketable securities and debt instruments with readily determined market values are carried at fair value. Fair values are based on quoted market prices, if available, or estimated using quoted market prices for similar securities.

Dividends, interest, and net realized and unrealized gains (losses) arising from investments are reported as follows:

- Increases (decreases) in net assets with donor restrictions if the terms of the gift require that they be maintained with the corpus of a donor restricted endowment fund;
- Increases (decreases) in net assets with donor restrictions if the terms of the gift or state law imposes restrictions on the use of the allocated investment income (loss); and
- Increases (decreases) in net assets without donor restrictions in all other cases.

During 2023, the Organization initiated a short-term investment strategy by transferring balances from cash and cash equivalents to a short-term investment portfolio in response to an improving rate environment and the opportunity to earn additional interest on excess cash.

Short-term investments are reported at fair value using quoted prices (unadjusted) for identical assets in active markets that the Organization has the ability to access as of year-end. The investments consist primarily of U.S. Treasury bills with maturities of greater than 90 days and less than 12 months from the date of purchase.

## Property and Equipment

Property and equipment are carried at cost, if purchased, or at estimated fair value at date of donation in the case of gifts, less accumulated depreciation. The Organization's policy is to capitalize assets greater than $5,000, while minor maintenance and repairs are charged to expense as incurred. Depreciation is recorded using the straight-line method over the following estimated lives as follows:

| | |
|---|---|
| Furniture and equipment | 3-10 years |
| Buildings and improvements | 15-50 years |
| Computer equipment and software | 3-10 years |
| Vehicles | 5 years |

## Estimated Third-Party Liability

The Organization's estimated third-party liability consists of estimated amounts due to Medicaid under capitation contract agreements. During 2023, the Managed Care Organizations (MCO's) authorized the Organization to use 50% of any unmet minimum threshold levels for the period from July 1, 2022 to December 31, 2022 and 30% of any unmet minimum thresholds for the period from January 1, 2023 to June 30, 2023 to be used to invest for workforce improvements. During 2024, the MCO's authorized the Organization to use 50% of any unmet minimum threshold levels to be used to invest for workforce improvements.

## Revenue Recognition

Program service fees, net revenue is reported at the estimated net realizable amount that reflects the consideration to which the Organization expects to be entitled in exchange for providing client services. These amounts are due from third-party payors (including health insurers and government programs), and others, and include variable consideration for retroactive revenue adjustments due to settlement of audits, reviews, and investigations. Generally, the Organization bills third-party payors several days after services are provided. Revenue is recognized as performance obligations are satisfied. It is the Organization's expectation that the period between the time the service is provided to a client and the time a third-party payor pays for that service will be one year or less.

Under the Organization's contractual arrangements, the Organization provides services to clients for an agreed-upon fee. The Organization recognizes revenue for client services in accordance with the provisions of FASB Accounting Standards Codification (ASC) Topic 606, *Revenue from Contracts with Customers.*

Performance obligations are determined based on the nature of the services provided by the Organization. Revenue for performance obligations satisfied over time is recognized based on actual services rendered. Generally, performance obligations are satisfied over time when services are provided. The Organization measures the performance obligation from when the Organization begins to provide services to a client to the point when it is no longer required to provide services to that client, which is generally at the time of notification to the Organization.

Each performance obligation is separately identifiable from other promises in the contract with the client. As the performance obligations are met, revenue is recognized based upon allocated transaction price. The transaction price is allocated to separate performance obligations based upon the relative stand-alone selling price.

Because all of its performance obligations relate to short-term contracts, the Organization has elected to apply the optional exemption provided in FASB ASC Subtopic 606-10-50-14(a), and therefore, is not required to disclose the aggregate amount of the transaction price allocated to performance obligations that are unsatisfied or partially unsatisfied at the end of the reporting period.

**Functional Allocation of Expenses**

The costs of providing various programs and other activities have been summarized on a functional basis in the statements of functional revenues and expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. General and administrative costs were allocated based on a percentage of relative revenue by program. Program expenses are allocated based on client count.

**Income Taxes**

The Organization is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. There was no unrelated business income tax incurred by the Organization for the years ended June 30, 2024 and 2023. Management has evaluated the Organization's tax positions and concluded the Organization has maintained its tax-exempt status, does not have any significant unrelated business income and has taken no uncertain tax positions that require adjustment to, or disclosure within, the accompanying financial statements.

**Subsequent Events**

For purposes of the preparation of these financial statements in conformity with U.S. GAAP, management has considered transactions or events occurring through December 2, 2024, which is the date that the financial statements were available to be issued.

## 2. Availability and Liquidity of Financial Assets

The Organization regularly monitors liquidity required to meet its operating needs and other contractual commitments, while also striving to optimize its available funds. The Organization has various sources of liquidity at its disposal, including cash and cash equivalents, investments and a line of credit.

For purposes of analyzing resources available to meet general expenditures over a 12-month period, the Organization considers all expenditures related to its ongoing operating activities as well as the conduct of services undertaken to support those operating activities.

In addition to financial assets available to meet general expenditures over the next 12 months, the Organization operates with a board approved budget and anticipates collecting sufficient revenue to cover expenditures not covered by donor-restricted resources or, where appropriate, borrowings. Refer to the statement of cash flows, which identifies the sources and uses of the Organization's cash and cash equivalents.

The following financial assets are expected to be available within one year of the statement of financial position date to meet general expenditures as of June 30:

| | 2024 | 2023 |
|---|---|---|
| Cash and cash equivalents available for operations | $ 573,883 | $ 5,438,388 |
| Accounts receivable, net | 547,537 | 406,996 |
| Grants receivable, net | 2,980,485 | 970,436 |
| Short-term investments | 3,232,039 | 9,084,186 |
| Financial assets available to meet general expenditures within one year | $ 7,333,944 | $ 15,900,006 |

Cash and cash equivalents in the statement of financial position includes amounts that are part of the endowment and Board-designated funds reserved for future capital expenditures, and thus are excluded from the above table.

The Organization's Board of Directors has designated a portion of its resources without donor restrictions to act as endowment funds. These funds are invested for long-term appreciation and current income but remain available and may be spent at the discretion of the Board of Directors.

The Organization has an available line of credit of $1,000,000 which had $750,000 drawn on it at June 30, 2024. See Note 7.

## 3. Program Service Fees and Concentrations of Credit Risk

For the years ended June 30, 2024 and 2023, approximately 79% and 77%, respectively, of the revenues and support of the Organization was derived from MCO contracts. As of June 30, 2024 and 2023, gross accounts receivable due from government grants was approximately 74% and 61%, respectively.

## 4. Fair Value of Financial Instruments

FASB ASC Topic 820, *Fair Value Measurement*, defines fair value as the exchange price that would be received to sell an asset or paid to transfer a liability (an exit price) in an orderly transaction between market participants and also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

The fair value hierarchy within FASB ASC Topic 820 distinguishes three levels of inputs that may be utilized when measuring fair value:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, and other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect an entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability. The Organization did not have any Level 3 assets as of June 30, 2024 and 2023, respectively.

The following table sets forth by level, within the fair value hierarchy, the Organization's assets measured at fair value on a recurring basis as of June 30:

| 2024 | Level 1 | Level 2 | Total |
|---|---|---|---|
| Common stock | $ 924,080 | $ - | $ 924,080 |
| Equity mutual funds | 285,240 | - | 285,240 |
| U.S. Treasury bonds | 4,131,372 | - | 4,131,372 |
| Corporate bonds | - | 253,897 | 253,897 |
| | $ 5,340,692 | $ 253,897 | $ 5,594,589 |

| 2023 | Level 1 | Level 2 | Total |
|---|---|---|---|
| Common stock | $ 810,093 | $ - | $ 810,093 |
| Equity mutual funds | 244,966 | - | 244,966 |
| U.S. Treasury bonds | 9,837,632 | - | 9,837,632 |
| Corporate bonds | - | 234,516 | 234,516 |
| | $10,892,691 | $ 234,516 | $11,127,207 |

The fair value for Level 2 assets is primarily based on market prices of comparable or underlying securities, interest rates, and credit risk, using the market approach for the Organization's investments.

| Less accumulated depreciation | (5,027,505) | (4,665,246) |
| Property and equipment, net | $ 8,544,148 | $ 3,171,952 |

## 6. Endowment

The Organization's endowment primarily consists of funds established for certain programs provided by the Organization. Its endowment includes both donor-restricted endowment funds and funds designated by the Board of Directors to function as endowments. As required by U.S. GAAP, net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

## Interpretation of Relevant Law

The Organization has interpreted the State of New Hampshire Uniform Prudent Management of Institutional Funds Act (the Act) as allowing the Organization to spend or accumulate the amount of an endowment fund that the Organization determines is prudent for the uses, benefits, purposes and duration for which the endowment fund is established, subject to the intent of the donor as expressed in the gift agreement. As a result of this interpretation, the Organization has included in net assets with perpetual donor restrictions (1) the original value of gifts donated to be maintained in perpetuity, (2) the original value of subsequent gifts to be maintained in perpetuity, and (3) the accumulation to the gifts to be maintained in perpetuity made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. If the donor-restricted endowment assets earn investment returns beyond the amount necessary to maintain the endowment assets' contributed value, that excess is included in net assets with donor restrictions until appropriated by the Board of Directors and, if applicable, expended in accordance with the donors' restrictions. The Organization has interpreted the Act to permit spending from funds with deficiencies in accordance with the prudent measures required under the Act. Funds designated by the Board of Directors to function as endowments are classified as net assets without donor restrictions.

In accordance with the Act, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

(1) The duration and preservation of the fund;
(2) The purposes of the Organization and the donor-restricted endowment fund;
(3) General economic conditions;
(4) The possible effect of inflation and deflation;
(5) The expected total return from income and the appreciation of investments;
(6) Other resources of the Organization; and
(7) The investment policies of the Organization.

## Spending Policy

The Organization has a total return spending rate policy which limits the amount of investment income used to support current operations. The long-term target is to limit the use of the endowment to 4% of the moving average of the market value of the investments over the previous 12 quarters ending June 30 of the prior fiscal year. There were no appropriations during 2024 or 2023.

## Return Objectives and Risk Parameters

The Organization has adopted investment policies, approved by the Board of Directors, for endowment assets that attempt to maintain the purchasing power of those endowment assets over the long term. Accordingly, the investment process seeks to achieve an after-cost total real rate of return, including investment income as well as capital appreciation, which exceeds the annual distribution with acceptable levels of risk. Endowment assets are invested in a well-diversified asset mix, which includes equity and debt securities, that is intended to result in a consistent inflation-protected rate of return that has sufficient liquidity to make an annual distribution of accumulated interest and dividend income to be reinvested or used as needed, while growing the funds if possible. Actual returns in any given year may vary from this amount. Investment risk is measured in terms of the total endowment fund; investment assets and allocation between asset classes and strategies are managed to reduce the exposure of the fund to unacceptable levels of risk.

## Funds with Deficiencies

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or the Act requires the Organization to retain as a fund of perpetual duration. Deficiencies result from unfavorable market fluctuations that occurred shortly after the investment of new contributions with donor-imposed restrictions to be maintained in perpetuity and continued appropriation for certain programs that was deemed prudent by the Board of Directors. The Organization has a policy that permits spending from underwater endowment funds, unless specifically prohibited by the donor or relevant laws and regulations. Any deficiencies are reported in net assets with donor-imposed restrictions. There were no deficiencies of this nature as of June 30, 2024 and 2023.

## Endowment Composition and Changes in Endowment

The endowment net asset composition by type of fund as of June 30, 2024 was as follows:

| | Without Donor Restrictions | With Donor Restrictions | Total |
|---|---|---|---|
| Donor-restricted endowment funds | $ - | $ 351,747 | $ 351,747 |

| Endowment net assets, June 30, 2023 | $ 2,402,168 | $ 326,494 | $ 2,728,662 |

## 7. Line of Credit

The Organization maintains a $1,000,000 revolving line of credit with TD Bank, collateralized by a mortgage on real property and substantially all business assets, carrying a variable interest rate of TD base rate (8.50% at June 30, 2024). Interest is payable monthly. The line of credit had a $750,000 outstanding balance at June 30, 2024 and no outstanding balance at June 30, 2023. The line of credit was renewed in April 2023 with a maturity date of March 31, 2025.

## 8. ROU Assets and Lease Obligations

The Organization leases space in Nashua, New Hampshire under the terms of two operating lease agreements. One lease is set to expire December 31, 2024 and calls for monthly payments of $7,013. The other lease is set to expire on May 15, 2026; however, management believes it is reasonably certain to exercise the renewal option which extends the lease to May 15, 2028. This lease calls for monthly payments ranging from $10,950 to $11,845 through the end of the lease term. The Organization is responsible for Common Area Maintenance (CAM) charges for both leases which are excluded from the monthly payments above. For the years ended June 30, 2024 and 2023, the weighted average remaining lease term is 3.62 years and 4.62 years, respectively. For the years ended June 30, 2024 and 2023, the weighted average discount rate is 3.83% and 3.85%, respectively. Total operating lease costs for the years ended June 30 2024 and 2023 was $223,419 and $86,608, respectively. Cash paid for operating leases was $213,645 and $91,290 for the years ended June 30, 2024 and 2023, respectively.

The future maturities of the lease obligations - operating is as follows:

| | |
|---|---|
| 2025 | $ 178,731 |
| 2026 | 142,139 |
| 2027 | 142,139 |
| 2028 | 130,295 |
| | 593,304 |
| Less imputed interest | (39,776) |
| Lease obligations - operating | $ 553,528 |

## 9. Tax Deferred Annuity Plan

The Organization maintains a 403(b) employer-sponsored retirement plan. Employees are eligible to participate as of the date of hire. The Organization has a matching contribution to 100% of employee deferrals up to 5% of eligible compensation. In order to be eligible for the match, an employee must work or earn a year of service, which is defined as at least 1,000 hours during the 12-month period immediately following date of hire. In addition, the Organization may elect to provide a discretionary contribution. There was no discretionary contribution made for the years ended June 30, 2024 and 2023. Expenses associated with this plan were $423,985 and $262,074 for the years ended June 30, 2024 and 2023, respectively.

The Contractors are the only authorized contractors able to provide the necessary services. The Department contracts for mental health services through these Community Mental Health Centers, which are designated by the Department to service towns and cities within specified geographic regions, as outlined in the NH Revised Statutes Annotated (RSA) 135-C, New Hampshire Mental Health Services System, and NH Administrative Rule He-M 403, Approval and Operation of Community Mental Health Programs.

The purpose of this request is to correct the payment terms for the Assertive Community Treatment and Modular Approach to Therapy for Children services to ensure the Department can reimburse the Contractors for these services. The current payment terms for these services only allow payments to be drawn down on the prior State Fiscal Year and not for the full term of the contract. The Department is requesting to revise the payment terms to remove references to prior SFYs. This will allow the Contractors to invoice for payments through the contract completion date. The funding for the Contractors' payments is already encumbered in their individual price limitations.

The Assertive Community Treatment program offers treatment, rehabilitation, and support services using a person-centered, recovery-based approach to individuals who have been diagnosed with severe and persistent mental illness. The Contractors are paid for these services based on active participation in the monthly consultation and skill training events or for completion of a fidelity measures reviewed by the Department. The Modular Approach to Therapy for Children program is an industry standard treatment that employs a cognitive-behavioral framework to address common childhood behavioral health concerns including depression, anxiety, conduct problems, and trauma for youth ages 6-12. This modularized approach allows for flexibility and encourages clinicians to tailor treatment to individual treatment needs. The Contractors are paid for these services based on a per person rate. The Assertive Community Treatment and Modular Approach to Therapy for Children program scope provisions align with Mental Health Services required by NH RSA 135-C and with State Regulations applicable to the mental health system as outlined in He-M 400, as well as in compliance with the Community Mental Health Agreement (CMHA).

Approximately 20,700 individuals are served annually by the Contractors listed above. The populations served include children with Serious Emotional Disturbances and adults with Serious Mental Illness/Serious and Persistent Mental Illness, including individuals with Mental Illness and co-occurring substance use disorders per NH Administrative Rule He-M 401 Eligibility Determination and Individuals Service Planning.

The Department will continue to monitor services by:

- Conducting performance reviews and utilization reviews as necessary and appropriate based on applicable licensing, certifications, and service provisions.
- Conducting quarterly meetings to review submitted quarterly data and reports to identify ongoing programmatic improvements.
- Reviewing monthly financial statements provided by the Contractors for ongoing evaluation of program fiscal integrity.

Should the Governor and Executive Council not authorize this request, the Department will be unable to reimburse the Contractors for Assertive Community Treatment and Modular Approach to Therapy for Children services, which aligns with the scope of services.

Respectfully submitted,

Funds are available in the following accounts for State Fiscal Years 2023 and 2024, and are anticipated to be available in State Fiscal Year 2025, upon the availability and continued appropriation of funds in the future operating budget, with the authority to adjust budget line items within the price limitation and encumbrances between state fiscal years through the Budget Office, if needed and justified.

**See attached fiscal details.**

**EXPLANATION**

This request is **Sole Source** because the Contractors are the only authorized contractors able to provide the necessary services. The Department contracts for mental health services through these ten (10) Community Mental Health Centers, which are designated by the Department to service towns and cities within specified geographic regions, as outlined in the NH Revised Statutes Annotated (RSA) 135-C, New Hampshire Mental Health Services System; and NH Administrative Rule He-M 403, Approval and Operation of Community Mental Health Programs.

The purpose of this request is to provide community mental health services for individuals in New Hampshire. Community Mental Health Centers provide community-based mental health services to adults, children, and families to build resiliency, promote recovery, and reduce inpatient hospital utilizations, and improve community tenure. These contracts provide both Federal grant funds and General Funds that enable delivery of services not otherwise covered by Medicaid. For example, technology, training, and system upgrades, delivery of some Assertive Community Treatment services, and care coordination with other systems such as the Division of Children, Youth, and Families, Department of Education, and Division of Long Term Supports and Services. The majority of the General Funds are allocated to ensure that individuals who are uninsured have full access to NH Rapid Response crisis services.

Approximately 20,700 individuals will be served annually.

The populations served include children with Serious Emotional Disturbances and adults with Serious Mental Illness/Serious and Persistent Mental Illness, including individuals with Mental Illness and co-occurring substance use disorders per NH Administrative Rule He-M 401 Eligibility Determination and Individuals Service Planning.

The Contractors will provide crisis services, individual and group psychotherapy, targeted case management, medication services, Functional Support Services, Illness Management and Recovery, supported employment, Assertive Community Treatment, Wraparound services for children, community residential services, and acute care services to individuals experiencing psychiatric emergencies while awaiting admission to a designated receiving facility. All contracts include provisions for Mental Health Services required by NH RSA 135-C and with State Regulations applicable to the mental health system as outlined in He-M 400, as well as in compliance with the Community Mental Health Agreement (CMHA).

The Department will monitor services by:

- Conducting performance reviews and utilization reviews as necessary and appropriate based on applicable licensing, certifications and service provisions.
- Conducting quarterly meetings to review submitted quarterly data and reports to identify ongoing programmatic improvements.
- Reviewing monthly financial statements provided by the Contractors for ongoing evaluation of program fiscal integrity.

As referenced in Exhibit A, Revisions to Standard Agreement Provisions Section 1, Revisions to Form P-37, General Provisions, Subsection 1.2 of the attached agreements, the parties have the option to extend the agreements for up to four (4) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and Governor and Council approval.

Should the Governor and Council not authorize this request, approximately 12,300 adults, and 8,400 children in the state will not have access to critical community mental health services as required by NH RSA 135-C:13. As a result, these individuals may experience an increase in symptoms causing them to seek more costly services at hospital emergency departments due to risk of harm to themselves or others and may have increased contact with law enforcement, correctional programs, or primary care physicians, none of which have the necessary services or supports available to provide necessary assistance. Lack of these services may also increase the likelihood of inpatient hospitalizations and death by suicide.

Source of Federal Funds: Assistance Listing Number #93.243, FAIN # H79SM080245; Assistance Listing Number #93.958, FAIN # B09SM087375; Assistance Listing Number #93.043, FAIN #2201NHOAPH; Assistance Listing Number #93.959, FAIN # TI085821; Assistance Listing Number #93.829, FAIN # H79SM087622.

In the event that the Federal Funds become no longer available, additional General Funds will not be requested to support this program.

Respectfully submitted,

Lori A. Weaver
Interim Commissioner

**2. SERVICES TO BE PERFORMED.** The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT B which is incorporated herein by reference ("Services").

**3. EFFECTIVE DATE/COMPLETION OF SERVICES.**

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.17, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.13 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

**4. CONDITIONAL NATURE OF AGREEMENT.**

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

**5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.**

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

**6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.**

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3. The Contractor agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

**7. PERSONNEL.**

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

**8. EVENT OF DEFAULT/REMEDIES.**

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

**9. TERMINATION.**

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. In addition, at the State's discretion, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement.

**10. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.**

10.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

10.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

10.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

**11. CONTRACTOR'S RELATION TO THE STATE.** In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

**12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.**

12.1 The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice, which shall be provided to the State at least fifteen (15) days prior to the assignment, and a written consent of the State. For purposes of this paragraph, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

12.2 None of the Services shall be subcontracted by the Contractor without prior written notice and consent of the State. The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

**13. INDEMNIFICATION.** Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omissions of the

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

**14. INSURANCE.**

14.1 The Contractor shall, at its sole expense, obtain and continuously maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 commercial general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $1,000,000 per occurrence and $2,000,000 aggregate or excess; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 10.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than ten (10) days prior to the expiration date of each insurance policy. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference.

**15. WORKERS' COMPENSATION.**

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A *("Workers' Compensation")*.

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. The Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

**16. NOTICE.** Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

**17. AMENDMENT.** This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

**18. CHOICE OF LAW AND FORUM.** This Agreement shall be governed, interpreted and construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party. Any actions arising out of this Agreement shall be brought and maintained in New Hampshire Superior Court which shall have exclusive jurisdiction thereof.

**19. CONFLICTING TERMS.** In the event of a conflict between the terms of this P-37 form (as modified in EXHIBIT A) and/or attachments and amendment thereof, the terms of the P-37 (as modified in EXHIBIT A) shall control.

**20. THIRD PARTIES.** The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

**21. HEADINGS.** The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

**22. SPECIAL PROVISIONS.** Additional or modifying provisions set forth in the attached EXHIBIT A are incorporated herein by reference.

**23. SEVERABILITY.** In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

**24. ENTIRE AGREEMENT.** This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire agreement and understanding between the parties, and supersedes all prior agreements and understandings with respect to the subject matter hereof.

## Revisions to Standard Agreement Provisions

1. Revisions to Form P-37, General Provisions

1.1. Paragraph 3, Subparagraph 3.1, Effective Date/Completion of Services, is amended as follows:

3.1. Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire as indicated in block 1.17, this Agreement, and all obligations of the parties hereunder, shall become effective on June 28, 2023 ("Effective Date").

1.2. Paragraph 3, Effective Date/Completion of Services, is amended by adding subparagraph 3.3 as follows:

3.3. The parties may extend the Agreement for up to four (4) additional years from the Completion Date, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and approval of the Governor and Executive Council.

1.3. Paragraph 12, Assignment/Delegation/Subcontracts, is amended by adding subparagraph 12.3 as follows:

12.3. Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions. The Contractor shall have written agreements with all subcontractors, specifying the work to be performed, and if applicable, a Business Associate Agreement in accordance with the Health Insurance Portability and Accountability Act. Written agreements shall specify how corrective action shall be managed. The Contractor shall manage the subcontractor's performance on an ongoing basis and take corrective action as necessary. The Contractor shall annually provide the State with a list of all subcontractors provided for under this Agreement and notify the State of any inadequate subcontractor performance.

5.1.7. Strategic communications plan.

5.1.8. SoC grant project work plan.

5.2. The Contractor shall participate in ongoing development of a Multi-Tiered System of Support for Behavioral Health and Wellness (MTS-B) within participating school districts.

5.3. The Contractor shall utilize evidence based practices (EBPs) that respond to identified needs within the community including, but not limited to:

5.3.1. MATCH-ADTC.

5.3.2. All EBPs chosen for grant project work that support participating school districts' MTS-B.

5.4. The Contractor shall maintain and strengthen collaborative, working relationships with participating school districts within the region which includes, but is not limited to:

5.4.1. Developing and utilizing a facilitated referral process.

5.4.2. Co-hosting joint professional development opportunities.

5.4.3. Identifying and responding to barriers to access for local families and youth.

5.5. The Contractor shall maintain an appropriate full time equivalent (FTE) staff who is a full-time, year-round School and Community Liaison. The Contractor shall:

5.5.1. Ensure the FTE staff is engaging on a consistent basis with each of the participating schools in the region in person or by remote access to support program implementation;

5.5.2. Hire additional staff positions to support effective implementation of a System of Care.

5.6. The Contractor shall provide appropriate supervisory, administrative and fiscal support to all project staff dedicated to SoC Grant Activities.

5.7. The Contractor shall designate staff to participate in locally convened District Community Leadership Team (DCLT) and all SoC Grant Activities-focused meetings, as deemed necessary by either NH DOE or the Department.

5.8. The Contractor shall actively participate in the SoC Grant Activities evaluation processes with the NH DOE, including collecting and disseminating qualitative and quantitative data, as requested by the Department.

5.9. The Contractor shall conduct National Outcomes Measures (NOMs) surveys on all applicable tier 3 supports and services to students and their families at the SoC grant project intervals, including baseline, 6 months and upon discharge.

5.10. The Contractor shall abide by all federal and state compliance measures and ensure SoC grant funds are expended on allowable activities and expenses, including, but not limited to a Marijuana (MJ) Attestation letter.

5.11. The Contractor shall maintain accurate records of all in-kind services from non-federal funds provided in support of SoC Grant Activities, in accordance with NH DOE guidance.

**6. Renew Sustainability (Rehabilitation for Empowerment, Education, and Work)**

6.1. The Contractor shall provide the Rehabilitation for Empowerment, Education and Work (RENEW) intervention with fidelity to transition-aged youth who qualify for state-supported community mental health services, in accordance with the University of New Hampshire (UNH) -Institute On Disability (IOD) model.

6.1.1. The standard is that RENEW coordinators demonstrate their alignment to and competency in the RENEW model by reaching a score of 80% or higher in domains 1–3 on the RENEW Integrity Tool (RIT) and utilize tools as trained for the practice with the clients.

6.2. The Contractor shall obtain support and coaching, as needed, from the IOD at UNH to improve the competencies of implementation team members and agency coaches.

**7. Division for Children, Youth and Families (DCYF)**

7.1. The Contractor shall provide mental health consultation to staff at Division for Children, Youth and Families (DCYF) District Offices related to mental health assessments and/or ongoing treatment for children served by DCYF.

7.2. The Contractor shall provide Foster Care Mental Health Assessments for children and youth younger than eighteen (18) years of age who are entering foster care for the first time.

**8. Crisis Services**

8.1. If the Contractor has, or enters into, an agreement with a hospital to provide crisis services to individuals who are eligible, or presumed eligible in the emergency department, for Medicaid services, the Contractor may bill Medicaid according to fee schedules or MCO contracts for services rendered.

8.2. The Contractor shall document crisis services delivered in the emergency department setting as part of its required submissions to the Department's Phoenix system (described in the Data Reporting section below), in a format, and with content, completeness, and timelines specified by the Department, ensuring documented information includes screenings performed, diagnosis codes, and referrals made.

8.3. The Contractor shall provide documentation of each collaborative relationship with acute care hospitals in its region, at the request of the Department.

8.4. The Contractor shall provide emergency services as defined in NH Administrative Rule He-M 403.06 (a)(6) and NH Administrative Rule He-M 426.09.

8.5. As part of the crisis resolution, the Contractor shall screen each individual for Assertive Community Treatment (ACT). If clinically appropriate, the Contractor shall:

8.5.1. Refer the individual for an expedited ACT assessment and/or intake and treatment upon discharge; or

8.5.2. Inform the appropriate CMHC in order to expedite the ACT assessment and/or intake and treatment upon discharge from emergency department or inpatient psychiatric or medical care setting, if the individual resides in a region other than the region in which the individual is receiving crisis services.

8.6. The Contractor shall not refer an individual for hospitalization at New Hampshire Hospital (NHH) or Hampstead Hospital Residential Treatment Facility (HHRTF) unless the Contractor has determined that NHH is the least restrictive setting in which the individual's immediate psychiatric treatment needs can be met. The Contractor shall:

8.6.1. Make all reasonable efforts to ensure no other clinically appropriate bed is available at any other NH inpatient psychiatric unit, Designated Receiving Facility (DRF), Adult Psychiatric Residential Treatment Program (APRTP), Mobile Crisis apartments, or other step-up/step-down beds prior to referring an individual to NHH.

8.7. The Contractor shall provide services to individuals experiencing a psychiatric and/or substance use related crisis through a rapid response team that includes specialty trained crisis responders, which includes, but is not limited to:

8.7.1. One (1) clinician trained to provide behavioral health emergency services and crisis intervention services.

8.7.2. One (1) peer.

8.7.3. Telehealth access, and on-call psychiatry, as needed.

8.8. The Contractor shall ensure all staff have the necessary qualifications as defined under New Hampshire Administrative Rule He-M 400, Community Mental Health, Parts 403 and 426.

8.9. The Contractor shall work in tandem with the designated vendor providing services through the Rapid Response Access Point contract as approved by the Governor and Executive Council.

8.10. The Contractor shall maintain a current Memorandum of Understanding with the Rapid Response Access Point, which provides the Mobile Response Teams information regarding the nature of the crisis, through electronic communication, that includes, but is not limited to:

8.10.1. The location of the crisis.

8.10.2. The safety plan either developed over the phone or on record from prior contact(s).

8.10.3. Any accommodations needed.

8.10.4. Treatment history of the individual, if known.

8.11. The Contractor shall promote the use of the telephone number for the Rapid Response Access Point as the primary contact for crisis services, which:

8.11.1. Utilizes specified Rapid Response technology, to identify the closest and available Mobile Response Team; and

8.11.2. Does not fulfill emergency medication refills.

8.12. The Contractor shall provide written information to current clients, which includes telephone numbers, on how to access support for medication refills on an ongoing basis.

8.13. The Contractor shall ensure all rapid response team members participate in crisis response training, as designated by the Department, which follows the concepts and topics identified in the National Guidelines for Crisis Care Best Practice Toolkit published by the Substance Abuse and Mental health Services Administration (SAMHSA).

8.14. The Contractor shall provide the physical address of the physical location to the Rapid Response Access Point where the rapid response team may provide office-based urgent assessments.

8.15. The Contractor shall ensure a rapid response team is available twenty-four (24) hours per day, seven (7) days a week for deployment as directed by the Rapid Response Access Point.

8.15.1. If the Contractor does not have a fully staffed Rapid Response team available for deployment twenty-four (24) hours per day, seven (7)

days a week, the Contractor shall work with the Department to identify solutions to meet the demand for services.

8.16. The Contractor shall ensure the Rapid Response team is trained and available to provide crisis response services to avoid unnecessary hospitalization, contact with law enforcement, incarceration or institutionalization. The Contractor shall ensure services include but are not limited to:

8.16.1. Face-to-face assessments.

8.16.2. Disposition and decision making.

8.16.3. Initial care and safety planning.

8.16.4. Post crisis and stabilization services.

8.17. The Contractor may utilize presumptive eligibility when responding to individuals who are not connected to a CMHC or who may be considered low utilizers.

8.18. The Contractor shall follow all Rapid Response dispatch protocols, processes, and data collection established in partnership with the Rapid Response Access Point, as approved by the Department.

8.19. The Contractor shall ensure the Rapid Response team responds face-to-face to all dispatches in the community within one (1) hour of the request ensuring:

8.19.1. The response team includes a minimum of two (2) specialty trained behavioral health crisis responders for safety purposes, if occurring at locations based on individual and family choice that include but are not limited to:

8.19.1.1. In or at the individual's home.

8.19.1.2. Community settings.

8.19.2. The response team includes a minimum of one (1) clinician if occurring at safe, staffed sites or public service locations;

8.19.3. Telehealth dispatch is acceptable as a face-to-face response only when requested by the individual and/or deployed as a telehealth dispatch by the Rapid Response Access Point, as clinically appropriate;

8.19.4. A no-refusal policy upon triage and all requests for Rapid Response team dispatch receive a response and assessment regardless of the individual's disposition, which may include current substance use. Documented clinical rationale with administrative support when a mobile intervention is not provided;

8.19.5. Coordination with law enforcement personnel, only when clinically indicated, when responding to individuals in a mental health crisis presenting a safety concern or when active rescue is required;

8.19.6. A face-to-face lethality assessment as needed that includes, but is not limited to:

8.19.6.1. Obtaining the individual's mental health history including, but not limited to:

8.19.6.1.1. Psychiatric, including recent inpatient hospitalizations and current treatment providers.

8.19.6.1.2. Substance misuse.

8.19.6.1.3. Social, familial and legal factors;

8.19.6.2. Understanding the individual's presenting symptoms and onset of crisis;

8.19.6.3. Obtaining medication list, adherence to prescribed medications and brief medical history; and

8.19.6.4. Conducting a mental status exam.

8.19.7. Developing a mutually agreed upon individualized safety plan and care disposition and decision making, with the individual, which may include, but is not limited to:

8.19.7.1. Staying in place with:

8.19.7.1.1. Stabilization services.

8.19.7.1.2. A safety plan.

8.19.7.1.3. Outpatient providers;

8.19.7.2. Stepping up to crisis stabilization services or apartments.

8.19.7.3. Admission to peer respite or step-up/step-down program.

8.19.7.4. Admission to a crisis apartment.

8.19.7.5. Voluntary hospitalization.

8.19.7.6. Initiation of Involuntary Emergency Admission (IEA).

8.19.7.7. Medical hospitalization.

8.20. The Contractor shall involve peer and/or specialty trained crisis responders Rapid Response staff by providing follow up contact within forty-eight (48) hours post-crisis for all face-to-face interventions, which may include, but are not limited to:

8.20.1. Promoting recovery.

8.20.2. Building upon life, social and other skills.

8.20.3. Offering support.

8.20.4. Reviewing crisis and safety plans.

8.20.5. Facilitating referrals such as warm hand offs for post-crisis support services, including connecting back to existing treatment providers, including home region CMHC, and/or providing a referral for additional treatment and/or peer contacts.

8.21. The Contractor shall provide Sub-Acute Crisis Stabilization Services for up to 30 days as follow-up to the initial mobile response for the purpose of stabilization of the crisis episode prior to intake or referral to another service or agency. The Contractor shall ensure stabilization services are:

8.21.1. Provided for individuals who reside in and/or are expected to receive long-term treatment in the Contractor's region;

8.21.2. Delivered by the rapid response team for individuals who are not in active treatment prior to the crisis;

8.21.3. Provided in the individual and family home, if requested by the individual;

8.21.4. Implemented using methods that include, but are not limited to:

8.21.4.1. Involving specialty trained behavioral health peer and/or Bachelor level crisis staff to provide follow up support.

8.21.4.2. Providing crisis stabilization services with a Master's level clinician through short-term, trauma informed approaches, which may include, but are not limited to:

8.21.4.2.1. Cognitive Behavior Therapy (CBT).

8.21.4.2.2. Dialectical Behavior Therapy (DBT).

8.21.4.2.3. Solution-focused therapy.

8.21.4.2.4. Developing concrete discharge plans.

8.21.4.2.5. Providing substance use disorder assessment and counseling techniques for dually diagnosed individuals.

8.21.5. Provided by a Department certified and approved Residential Treatment Provider in a Residential Treatment facility for children and youth.

8.22. The Contractor shall work with the Rapid Response Access Point to conduct educational and outreach activities within the local community to

institutional stakeholders in order to promote appropriate referrals to and the utilization of rapid response team resources. The Contractor must:

8.22.1. Ensure outreach and educational activities may include, but are not limited to:

8.22.1.1. Promoting the Rapid Response Access Point website and phone number and links with information about Rapid Response and connectivity to the Rapid Response Access Point.

8.22.1.2. Including the Rapid Response Access point crisis telephone number as a prominent feature to call if experiencing a crisis on relevant agency materials.

8.22.1.3. Direct communications with partners that direct them to the Rapid Response Access Point for crisis services and deployment.

8.22.1.4. Promoting the Children's Behavioral Health Resource Center website.

8.22.2. Work with the Rapid Response Access Point to change utilization of hospital emergency departments (ED) for crisis response in the region and collaborate by:

8.22.2.1. Meeting regularly with local police and first responders to discuss interface, procedures, and collaborations to understand challenges and improve outcomes for individuals in the community;

8.22.2.2. Educating the individual, and their supports on all diversionary services available, by encouraging early intervention;

8.22.2.3. Maintaining and developing relationships with local hospitals and work together to promote the use of the Rapid Response Access Point number and rapid response services, in order to reduce ED use; and

8.22.2.4. Coordinating with homeless outreach services.

8.23. The Contractor shall maintain connection with the Rapid Response Access Point and the identified technology system that enables transmission of information needed to:

8.23.1. Determine availability of the Rapid Response Teams;

8.23.2. Facilitate response of dispatched teams; and

8.23.3. Resolve the immediate crisis episode.

8.24. The Contractor shall maintain connection to the designated resource tracking system.

8.25. The Contractor shall maintain a bi-directional referral system with electronic scheduling to support information sharing that facilitates closed loop referrals and transmission of clinical triage summaries, safety plans and shared care plans with community providers, once implemented.

8.26. The Contractor shall submit reports relative to the rapid response services provided in this agreement. The Contractor shall:

8.26.1. Document all contacts in the medical record for both State eligible and non-eligible individuals who receive rapid response team services;

8.26.2. Provide monthly reports by the fifteenth (15th) day of each month, on a template provided by the Department which includes, but is not limited to:

8.26.2.1. Number of unique individuals who received services.

8.26.2.2. Date and time of mobile arrival; and

8.26.3. Submit information through the Department's Phoenix System as defined in the Department's Phoenix reporting specifications unless otherwise instructed on a temporary basis by the Department to include but not be limited to:

8.26.3.1. Diversions from hospitalizations.

8.26.3.2. Diversions from Emergency Rooms.

8.26.3.3. Services provided.

8.26.3.4. Location where services were provided.

8.26.3.5. Length of time service or services provided.

8.26.3.6. Whether law enforcement was involved for safety reasons.

8.26.3.7. Whether law enforcement was involved for other reasons.

8.26.3.8. Identification of follow up with the individual by a member of the Contractor's rapid response team within 48 hours post face-to-face intervention.

8.26.3.9. Indication that referral for ongoing mental health services following the immediate crisis was provided.

8.26.3.10. Outcome of service provided, which may include but is not limited to:

8.26.3.10.1. Remained in home.

8.26.3.10.2. Hospitalization.

8.26.3.10.3. Crisis stabilization services.

8.26.3.10.4. Crisis apartment.

8.26.3.10.5. Emergency department.

8.27. The Contractor's performance will be monitored by ensuring eighty (80%) of individuals receive a post-crisis follow up from a member of the Contractor's rapid response team within forty-eight (48) hours of a face-to- face intervention; as identified through Phoenix encounter data.

8.28. The Contractor shall provide four (4) Community Crisis Beds in an apartment setting, which serve as an alternative to hospitalization and/or institutionalization. The Contractor shall ensure:

8.28.1. Admissions to an apartment for Community Crises Beds are for providing brief psychiatric intervention in a community based environment structured to maximize stabilization and crisis reduction while minimizing the need for inpatient hospitalization;

8.28.2. Community Crisis Beds in an apartment:

8.28.2.1. Include no more than two (2) bedrooms per crisis apartment;

8.28.2.2. Are operated with sufficient clinical support and oversight, and peer staffing, as is reasonably necessary to prevent unnecessary institutionalization;

8.28.2.3. Have peer staff and clinical staff available to be onsite, 24 hours per day, seven days per week, whenever necessary, to meet individualized needs;

8.28.2.4. Are available to individuals 18 years and older on a voluntary basis and allow individuals to come and go from the apartment as needed to maintain involvement in and connection to school, work, and other recovery-oriented commitments and/or activities as appropriate to the individual's crisis treatment plan;

8.28.2.5. Are certified under New Hampshire Administrative Rule He-M 1000, Housing, Part 1002, Certification Standards for Behavioral Health Community Residences, and include:

8.28.2.5.1. At least one (1) bathroom with a sink, toilet, and a bathtub or shower;

8.28.2.5.2. Specific sleeping area designated for each individual;

8.28.2.5.3. Common areas shall not be used as bedrooms;

8.28.2.5.4. Storage space for each individual's clothing and personal possessions;

8.28.2.5.5. Accommodations for the nutritional needs of the individual; and

8.28.2.5.6. At least one (1) telephone for incoming and outgoing calls.

8.28.3. Crisis intervention, stabilization services, and discharge planning services are provided by the members of the rapid response team as clinically appropriate;

8.28.4. Ongoing safety assessments are conducted no less than daily;

8.28.5. Assistance with determining individual coping strengths in order to develop a crisis treatment recovery plan for the duration of the stay and a post-stabilization plan;

8.28.6. Coordination and provision of referrals for necessary psychiatric services, social services, substance use services and medical aftercare services;

8.28.7. An individual's stay at a crisis apartment is for no more than seven consecutive (7) days, unless otherwise approved in writing by the Department;

8.28.8. Transportation for individuals is provided from the site of the crisis to the apartment and to their home or other residential setting after stabilization has occurred;

8.28.9. Any staff member providing transportation has:

8.28.9.1. A valid driver's license;

8.28.9.2. A State inspected vehicle; and

8.28.9.3. Proof of vehicle insurance;

8.28.10. Provision of a list of discharge criteria from the crisis apartments and related policies and procedures regarding the apartment beds to the Department within thirty (30) days of the contract effective date for Department approval;

8.28.11. Peer Support Specialists engage individuals through methods including, but not limited to Intentional Peer Support (IPS); and

8.28.12. Reports are submitted to the Department for Crisis Apartments through the Phoenix reporting system that includes, but is not limited to:

8.28.12.1. Admission and Discharge Dates.

8.28.12.2. Discharge disposition (community or higher level of care).

8.28.12.3. Number of referrals refused for admission.

**9. Adult Assertive Community Treatment (ACT) Teams**

9.1. The Contractor shall maintain two (2) Adult ACT Teams both of which meet the SAMHSA Model and are available twenty-four (24) hours per day, seven (7) days per week, with on-call availability from midnight to 8:00am. The Contractor shall ensure:

9.1.1. Each Adult ACT Team delivers comprehensive, individualized, and flexible services, supports, targeted case management, treatment, and rehabilitation in a timely manner as needed, onsite in the individuals' homes and in other natural environments and community settings, or alternatively, via telephone where appropriate to meet the needs of the individual;

9.1.2. Each Adult ACT Team is composed of at least ten (10) dedicated professionals who make-up a multi-disciplinary team including, a psychiatrist, a nurse, a Masters-level clinician, or functional equivalent therapist, functional support worker and a full time equivalent certified peer specialist;

9.1.3. Each Adult ACT Team includes an individual trained to provide substance misuse support services including competency in providing co-occurring groups and individual sessions, and supported employment; and

9.1.4. Caseloads for Adult ACT Teams serve no more than twelve (12) individuals per Adult ACT Team member, excluding the psychiatrist who has no more than seventy (70) people served per 0.5 FTE psychiatrist, unless otherwise approved by the Department.

9.2. The Contractor shall ensure ACT staff, with the exception of psychiatrist and nurse, receive:

9.2.1. A minimum of 15 hours in basic ACT training within one (1) year of hire date that is consistent with the ACT EBP SAMHSA toolkit approved by BMHS; and

9.2.2. A minimum of 4 hours of advanced ACT training of co-occurring disorders within fifteen (15) months of hire date that is consistent with

the ACT EBP SAMSHA toolkit and Integrated Dual Disorder Model approved by BMHS.

9.3. The Contractor shall ensure Adult ACT Teams do not have waitlists for screening purposes and/or admission to the ACT Team. The Contractor shall ensure:

9.3.1. Individuals do not wait longer than 30 days for either assessment or placement;

9.3.2. Work with the Department at identifying solutions and appropriate levels of care for any individual waiting for Adult ACT Team services for more than 30 days in order to meet the demand for services and implement the solutions within forty-five (45) days; and

9.3.3. Individuals receiving services from Adult ACT Team members, if psychiatrically hospitalized; are offered a same day or next day appointment with an Adult ACT Team member upon date of discharge.

9.4. The Contractor shall report its level of compliance with the above listed requirements on a monthly basis at the staff level in the format, and with content, completeness, and timeliness as specified by the Department as part of the Phoenix submissions, which are due no later than the 15th of the month. The Contractor shall:

9.4.1. Ensure services provided by the Adult ACT Team are identified in the Phoenix submissions as part of the ACT cost center;

9.4.2. Screen for ACT per NH Administrative Rule He-M 426.16, or as amended, Assertive Community Treatment (ACT);

9.4.3. Report all ACT screenings with the outcome of the screening to indicate whether the individual is appropriate for ACT, as part of the Phoenix submissions, or in the format, content, completeness, and timelines as specified by the Department;

9.4.4. Make a referral for an ACT assessment within (7) days of:

9.4.4.1. A screening outcome that an individual may be appropriate to receive ACT services; and

9.4.4.2. An individual being referred for an ACT assessment;

9.4.5. Report the outcome of ACT assessments to the Department as part of the Phoenix submissions, in the format, content, completeness, and timelines as specified by the Department;

9.4.6. Ensure all individuals assessed as appropriate for ACT services are admitted to the ACT team caseload and begin receiving ACT services within seven (7) days, with the exception of individuals who decline

such services, or are not available to receive such services for reasons that may include, but are not limited to:

9.4.6.1. Extended hospitalization or incarceration.

9.4.6.2. Relocation of individuals out of the Contractor's designated community mental health region; and

9.4.7. Ensure, in the event that admitting the individual to the ACT Team caseload causes the ACT Team to exceed the caseload size limitations specified above, consultation with the Department to seek approval:

9.4.7.1. To exceed caseload size requirements; or

9.4.7.2. To provide alternative services to the individual until the individual can be admitted to the ACT caseload.

**10. Evidence-Based Supported Employment**

10.1. The Contractor shall gather employment status for all adults with Severe Mental Illness (SMI)/Severe Persistent Mental Illness (SPMI) at intake and at least biannually thereafter and when employment status changes.

10.2. The Contractor shall report the employment status for all adults with SMI/SPMI to the Department in the format, content, completeness, and timelines specified by the Department.

10.3. The Contractor shall provide a referral for all individuals who express an interest in receiving Individual Placement and Support Supported Employment (IPS-SE) services to the Supported Employment (SE) team within seven (7) days.

10.4. The Contractor shall deem the individual as waiting for SE services if the SE team cannot accommodate enrollment of SE services, at which time the individual will be added to the waitlist, which is reported to the Department, as specified by the Department.

10.5. The Contractor shall provide IPS-SE to eligible individuals in accordance with the SAMHSA and/or Dartmouth model.

10.6. The Contractor shall ensure IPS-SE services include, but are not limited to:

10.6.1. Job development.

10.6.2. Work incentive counseling.

10.6.3. Rapid job search.

10.6.4. Follow along supports for employed individuals.

10.6.5. Engagement with mental health treatment teams and locals NH Vocational Rehabilitation services.

10.7. The Contractor shall ensure IPS-SE services do not have waitlists, ensuring individuals do not wait longer than 30 days for IPS-SE services. If waitlists are identified, Contractor shall:

10.7.1. Work with the Department to identify solutions to meet the demand for services; and

10.7.2. Implement such solutions within 45 days.

10.8. The Contractor shall maintain the penetration rate of individuals receiving supported employment at a minimum of 18.6 percent (18.6%) as per the CMHA agreement.

10.9. The Contractor shall ensure SE staff receive:

10.9.1. A minimum of 15 hours in basic training within one year of hire date as approved by the IPS Employment Center and approved by BMHS; and

10.9.2. A minimum of 7 hours of advanced SE Job Development Training within 15 months of hire as approved by the IPS-SE Employment Center and BMHS.

**11. Coordination of Care from Residential or Psychiatric Treatment Facilities**

11.1. The Contractor shall designate a member of its staff to serve as the primary liaison to New Hampshire Hospital (NHH) and/ or Hampstead Hospital Residential Treatment Facility (HHRTF) who works with the applicable NHH & HHRTF staff, payer(s), guardian(s), other community service providers, and the applicable individual, to assist with coordinating the seamless transition of care for individuals transitioning from NHH and HHRTF to community based services or transitioning to NHH from the community. The Contractor may:

11.1.1. Designate a different liaison for individuals being served through their children's services.

11.2. The Contractor shall not close the case of any individual who is admitted to NHH. Notwithstanding, the Contractor shall be deemed to be in compliance with all NH Administrative He-M 408, Clinical Records rules regarding documentation if it is noted in the record that the individual is an inpatient at NHH or another treatment facility. All documentation requirements as per He-M 408 will be required to resume upon re-engagement of services following the individual's discharge from inpatient care.

11.3. The Contractor shall participate in transitional and discharge planning within 24 hours of admission to an inpatient facility.

11.4. The Contractor shall work with the Department, payers and guardians (if applicable) to review cases of individuals that NHH, HHRTF, Transitional Housing, or alternative treatment facility or the Contractor, have indicated will

have difficulty returning to the community to identify barriers to discharge, and to develop an appropriate plan to transition into the community.

11.5. The Contractor shall make a face-to-face appointment available to an individual leaving NHH, HHRTF, Transitional Housing or alternative residential setting who desires to reside in the region served by the Contractor within seven (7) calendar days of receipt of notification of the individual's discharge, or within seven (7) calendar days of the individual's discharge, whichever is later.

11.6. The Contractor shall ensure individuals who are discharged and are new to a CMHC have an intake appointment within seven (7) calendar days. If the individual declines to accept the appointment, declines services, or requests an appointment to be scheduled beyond the seven (7) calendar days, the Contractor may accommodate the individual's request provided the accommodation is clinically appropriate, and does not violate the terms of a conditional discharge. The Contractor's Adult ACT Team must see individuals who are on the ACT caseload and transitioning from NHH into the community within 24 hours of NHH discharge.

11.7. The Contractor shall make all reasonable efforts to ensure that no appropriate bed is available at any other inpatient psychiatric unit, Designated Receiving Facility (DRF) per NH RSA 135-C and NH Administrative Rule He-M 405, Designation of Receiving Facilities, Mobile Crisis Apartment, Peer Support Recovery Center, or Adult Psychiatric Residential Treatment Program (APRTP) prior to referring an individual to NHH.

11.8. The Contractor shall collaborate with NHH to develop and execute conditional discharges from NHH in order to ensure that individuals receive treatment in the least restrictive environment.

11.9. The Contractor shall have all necessary staff members available to receive, evaluate, and treat individuals discharged from NHH and HHRTF seven (7) days per week, consistent with the provisions in NH Administrative Rule He-M 403 and NH Administrative Rule He-M 426.

11.10. For individuals at NHH who formerly resided in the Contractor's designated community mental health region prior to NHH admission, who have been identified for transition planning to the Glencliff Home, the Contractor shall, at the request of the individual or guardian, or of NHH or Glencliff Home staff, participate in transition planning to determine if the individual can be supported in the Contractor's region with community based services and supports instead of transitioning to the Glencliff Home. In the event the individual would require supports from multiple funding sources or the Department's systems of care, the Contractor shall collaborate with additional Department staff at NHH's request, to address any barriers to discharge the individual to the community.

**12. Coordinated Care and Integrated Treatment**

12.1. Primary Care

12.1.1. The Contractor shall request written consent from each individual to allow the designated primary care provider to release information for the purpose of coordinating care regarding mental health services or substance misuse services or both.

12.1.2. The Contractor shall support each individual with linking to an available primary care provider, if the individual does not have an identified primary care provider, to:

12.1.2.1. Monitor health;

12.1.2.2. Provide medical treatment as necessary; and

12.1.2.3. Engage in preventive health screenings.

12.1.3. The Contractor shall consult with each primary care provider at least annually, or as necessary, to integrate care between mental and physical health for each individual, which may include the exchange of pertinent information including, but not limited to medication changes or changes in the individual's medical condition.

12.1.4. The Contractor shall document on the release of information form the reason(s) written consent to release information was refused in the event an individual refuses to provide consent to release information.

12.2. Substance Misuse Treatment, Care and/or Referral:

12.2.1. The Contractor shall provide services and meet requirements to address substance misuse and to support recovery intervention implementation, which include, but are not limited to:

12.2.1.1. Screening no less than 95% of eligible individuals for substance misuse at the time of intake, and annually thereafter.

12.2.1.2. Conducting a full assessment for substance misuse disorder and associated impairments for each individual that screens positive for substance use.

12.2.1.3. Developing an individualized service plan for each eligible individual based on information from substance misuse screening.

12.2.2. The Contractor shall utilize the SAMSHA evidence-based models for Co-Occurring Disorders Treatment to develop treatment plans with individuals and to provide an array of evidence-based interventions

that enhance recovery for individuals and follow the fidelity standards to such a model.

12.2.3. The Contractor shall make all appropriate referrals if the individual requires additional substance use disorder care utilizing the current New Hampshire system of care, and ensuring linkage to and coordination with resources.

12.3. Area Agencies

12.3.1. The Contractor shall collaborate with the Area Agency that serves the region to address processes that include:

12.3.1.1. Enrolling individuals for services who are dually eligible for both organizations;

12.3.1.2. Ensuring transition-aged individuals are screened for the presence of mental health and developmental supports and refer, link and support transition plans for youth leaving children's services into adult services identified during screening;

12.3.1.3. Following the "Protocol for Extended Department Stays for Individuals served by Area Agency" issued December 1, 2017 by the State of New Hampshire Department of Health and Humans Services, as implemented by the regional Area Agency;

12.3.1.4. Facilitating collaborative discharge planning meetings to assess individuals who are leaving NHH to re-engage them with both the CMHC and Area Agency representatives;

12.3.1.5. Ensuring annual training is designed and completed for intake, eligibility, and case management for dually diagnosed individuals and that attendees include intake clinicians, case-managers, service coordinators and other frontline staff identified by both CMHC's and Area Agencies. The Contractor shall ensure the training utilizes the Diagnostic Manual for Intellectual Disability 2 that is specific to intellectual disabilities, in conjunction with the DSM.V;

12.3.1.6. Planning for each person who receives dual case management by outlining the responsibilities of each organization and expectations for collaboration between the organizations; and

12.3.1.7. Participating in shared service annual treatment meetings to assess quality and progress towards treatment goals as well as monitoring continued need for dual services when waivers are required for services between agencies.

12.4. Peer Supports

12.4.1. The Contractor shall actively promote recovery principles and integrate peers throughout the agency, which includes, but is not limited to:

12.4.1.1. Employing peers as integrated members of the CMHC treatment team(s) in the role of peer support specialist with the ability to deliver one-on-one face-to-face interventions that facilitate the development and use of recovery-based goals and care plans, and explore treatment engagement and connections with natural supports.

12.4.1.2. Establishing referral and resource relationships with the local Peer Support Agencies, including any Peer Respite, Recovery Oriented Step-up/Step-down programs, and Clubhouse Centers and promote the availability of these services.

12.4.2. The Contractor shall submit a quarterly peer support staff tracking document, as supplied by or otherwise approved by the Department.

12.5. Transition of Care with MCO's

25.3.4.1. Rationale: This ratio is an indication of the Contractor's ability to cover its liabilities.

25.3.4.2. Definition: The ratio of the Contractor's net assets to total assets.

25.3.4.3. Formula: Net assets (total assets less total liabilities) divided by total assets.

25.3.4.4. Source of Data: The Contractor's monthly financial statements.

25.3.4.5. Performance Standard: The Contractor shall maintain a minimum ratio of .30:1, with a 20% variance allowed.

25.4. In the event that the Contractor does not meet either:

25.4.1. The Days of Cash on Hand Performance Standard and the Current Ratio Performance Standard for two consecutive months; or

25.4.2. Three or more of any of the Performance Standards for one month, or any one Performance Standard for three consecutive months, then the Contractor must:

25.4.2.1. Meet with Department staff to explain the reasons that the Contractor has not met the standards; and/or

25.4.2.2. Submit a comprehensive corrective action plan within thirty (30) calendar days of receipt of notice from the Department.

25.5. The Contractor must update and submit the corrective action plan to the Department, at least every thirty (30) calendar days, until compliance is achieved. The Contractor must:

25.5.1. Provide additional information to ensure continued access to services as requested by the Department and ensure requested information is submitted to the Department in a timeframe agreed upon by both parties.

25.6. The Contractor must inform the Department by phone and by email within twenty-four (24) hours of when any key Contractor staff learn of any actual or likely litigation, investigation, complaint, claim, or transaction that may reasonably be considered to have a material financial impact on and/or materially impact or impair the ability of the Contractor to perform under this Agreement with the Department.

25.7. The Contractor shall provide its Revenue and Expense Budget within twenty (20) calendar days of the contract effective date.

25.8. The Contractor shall complete the Fiscal Year Revenue and Expense Budget on a form supplied by the Department, which shall include but not be limited to, all the Contractor's cost centers. If the Contractor's cost centers are a combination of several local cost centers, the Contractor shall display them separately as long as the cost center code is unchanged.

25.9. The Contractor shall provide quarterly Revenue and Expense Reports (Budget Form A), within thirty (30) calendar days after the end of each fiscal quarter, defined as July 1 to September 30, October 1 to December 31, January 1 to March 31, and April 1 to June 30.

**26. Reduction or Suspension of Funding**

26.1. In the event that the State funds designated as the Price Limitation in Form P-37, General Provisions, Block 1.8. of the General Provisions are materially reduced or suspended, the Department shall provide prompt written notification to the Contractor of such material reduction or suspension.

26.2. In the event that the reduction or suspension in federal or state funding shall prevent the Contractor from providing necessary services to individuals, the Contractor shall develop a service reduction plan, detailing which necessary services will no longer be available.

26.3. Any service reduction plan is subject to approval from the Department, and shall include, at a minimum, provisions that are acceptable to the Department, with services that include, but are not limited to:

26.3.1. Evaluation of and, if eligible, an individual service plan for all new applicants for services.

26.3.2. Crisis services for all individuals.

26.3.3. Services for individuals who meet the criteria for involuntary admission to a designated receiving facility.

26.3.4. Services to individuals who are on a conditional discharge pursuant to RSA 135-C:50 and NH Administrative Rule He-M 609.

**27. Elimination of Programs and Services by Contractor**

27.1. The Contractor shall provide a minimum thirty (30) calendar day's written notice prior to any reductions in delivery of services, or notice as soon as possible if the Contactor is faced with a more sudden need to reduce delivery of services.

27.2. The Contractor shall consult and collaborate with the Department prior to elimination or reduction of services in order to reach a mutually agreeable solution as to the most effective way to provide necessary services.

27.3. The Department reserves the right to require the Contractor to participate in a mediation process with the Commissioner of the Department of Health and Human Services, and to invoke an additional thirty (30) calendar day extension in the event of a proposal to reduce or eliminate any contracted services.

27.4. If the parties are still unable to come to a mutual agreement within the thirty (30) calendar day extension, the Contractor may proceed with its proposed program change(s) so long as proper notification to eligible individuals is provided.

27.5. The Contractor shall not redirect funds allocated in the budget for the program or service that has been eliminated or substantially reduced to another program or service without the mutual agreement of both parties.

27.6. In the event that an agreement cannot be reached, the Department shall control the expenditure of the unspent funds.

**28. Data Reporting**

28.1. The Contractor shall submit any data identified by the Department to comply with federal or other reporting requirements to the Department or contractor designated by the Department.

28.2. The Contractor shall submit all required data elements to the Department's Phoenix system in compliance with current Phoenix reporting specifications and transfer protocol provided by the Department.

28.3. The Contractor shall submit individual client demographics and all encounter data, including data on both billable and non-billable individual-specific services and rendering staff providers on these encounters, to the Department's Phoenix system, or its successors, in the format, content, completeness, frequency, method and timeliness as specified by the

Department. Individual data must include a Medicaid ID number for individuals who are enrolled in Medicaid.

28.4. The Contractor shall include client eligibility with all Phoenix services in alignment with current reporting specifications. For an individual's services to be considered BMHS eligible, SPMI, SMI, Low Utilizer (LU), SED, and Severe Emotional Disturbance Interagency (SEDIA) are acceptable.

28.5. The Contractor shall make any necessary system changes to comply with annual Department updates to the Phoenix reporting specification(s) within 90 days of notification of the new requirements. When a contractor is unable to comply they shall request an extension from the Department that documents the reasons for non-compliance and a work plan with tasks and timelines to ensure compliance.

28.6. The Contractor shall meet all the general requirements for the Phoenix system which include, but are not limited to:

28.6.1. Agreeing that all data collected in the Phoenix system is the property of the Department to use as it deems necessary.

28.6.2. Ensuring data files and records are consistent with reporting specification requirements.

28.6.3. Ensuring that errors in data returned to the Contractor are corrected and resubmitted to the Department within ten (10) business days.

28.6.4. Ensuring data is current and updated in the Contractor's systems as required for federal reporting and other reporting requirements and as specified by the Department.

28.6.5. Participating in Departmental efforts for system-wide data quality improvement.

28.6.6. Implementing quality assurance, system, and process review procedures to validate data submitted to the Department to confirm:

28.6.6.1. All data is formatted in accordance with the file specifications;

28.6.6.2. No records will reject due to illegal characters or invalid formatting; and

28.6.6.3. The Department's tabular summaries of data submitted by the Contractor match the data in the Contractor's system.

28.7. The Contractor shall meet the following standards:

28.7.1. Timeliness: monthly data shall be submitted no later than the fifteenth (15th) of each month for the prior month's data unless otherwise

approved by the Department, and the Contractor shall review the Department's tabular summaries within five (5) business days.

28.7.2. Completeness: submitted data must represent at least ninety-eight percent (98%) of billable services provided, and ninety-eight percent (98%) of individuals served by the Contractor. For fields indicated in the reporting specifications as data elements that must be collected in contractor systems, 98% shall be submitted with valid values other than the unknown value. The Department may adjust this threshold through the waiver process described in Section 28.8.

28.7.3. Accuracy: submitted service and member data shall conform to submission requirements for at least ninety-eight percent (98%) of the records, and one-hundred percent (100%) of unique member identifiers shall be accurate and valid.

28.8. The Department may waive requirements for fields in Phoenix on a case by case basis through a written waiver communication that specifies the items being waived. In all circumstances:

28.8.1. The waiver length shall not exceed 180 days.

28.8.2. Where the Contractor fails to meet standards, the Contractor shall submit a corrective action plan within thirty (30) calendar days of being notified of an issue.

28.8.3. After approval of the corrective action plan, the Contractor shall implement the plan.

28.8.4. Failure of the Contractor to implement the plan may require:

28.8.4.1. Another plan; or

28.8.4.2. Other remedies, as specified by the Department.

**29. Privacy Impact Assessment**

29.1. Upon request, the Contractor must allow and assist the Department in conducting a Privacy Impact Assessment (PIA) of its system(s)/application(s)/web portal(s)/website(s) or Department system(s)/application(s)/web portal(s)/website(s) hosted by the Contractor, if Personally Identifiable Information (PII) is collected, used, accessed, shared, or stored. To conduct the PIA the Contractor must provide the Department access to applicable systems and documentation sufficient to allow the Department to assess, at minimum, the following:

29.1.1. How PII is gathered and stored;

29.1.2. Who will have access to PII;

29.1.3. How PII will be used in the system;

29.1.4. How individual consent will be achieved and revoked; and

29.1.5. Privacy practices.

29.2. The Department may conduct follow-up PIAs in the event there are either significant process changes or new technologies impacting the collection, processing or storage of PII.

## Payment Terms

1. This Agreement is funded by:
   1.1. 2.12% Federal funds, Block Grants for Community Mental Health Services, as awarded on 2/23/23, by the Substance Abuse and Mental Health Services Administration, Center for Mental Health Services, ALN 93.958, FAIN B09SM087375.
   1.2. 2.87% Federal funds, PROHEALTH NH, as awarded on 8/25/22, by the Substance Abuse and Mental Health Services Administration, Center for Mental Health Services, ALN 93.243, FAIN H79SM080245.
   1.3. 94.77% General funds.
   1.4. .24% Other funds (Behavioral Health Services Information System).
2. For the purposes of this Agreement the Department has identified:
   2.1. The Contractor as a Subrecipient, in accordance with 2 CFR 200.331.
   2.2. The Agreement as NON-R&D, in accordance with 2 CFR §200.332.
3. The State shall pay the Contractor an amount not to exceed the Price Limitation, specified in Form P-37, General Provisions, Block 1.8 for the services provided by the Contractor pursuant to Exhibit B, Scope of Services.
4. Notwithstanding anything to the contrary herein, the Contractor agrees that funding under this Agreement may be withheld, in whole or in part, in the event of noncompliance with any state or federal law, rule or regulation applicable to the services provided, or if the said services have not been completed in accordance with the terms and conditions of this Agreement.
5. Mental Health Services provided by the Contractor shall be paid in order as follows:
   5.1. For Medicaid enrolled individuals through the Department Medicaid Fee for Service program in accordance with the current, publicly posted Fee for Service (FFS) schedule located at NHMMIS.NH.gov.
   5.2. For Managed Care Organization enrolled individuals, the Contractor shall be reimbursed pursuant to the Contractor's agreement with the applicable Managed Care Organization for such services.
   5.3. For individuals with other health insurance or other coverage for the services they receive, the Contractor will directly bill the other insurance or payors.
   5.4. For individuals without health insurance or other coverage for the services they receive, and for operational costs contained in Exhibits C, Payment Terms, or which the Contractor cannot otherwise seek reimbursement from an insurance or third-party payer, the Contractor

will directly bill the Department to access contract funds provided through this Agreement.

6. All Medicaid/MCO invoicing shall follow billing and coding requirements outlined by the Department. For the purpose of Medicaid billing, a unit of service is described in the DHHS published CMH NH Fee Schedule, as may be periodically updated, or as specified in NH Administrative Rule He-M 400. However, for He-M 426.12 Individualized Resiliency and Recovery Oriented Services (IROS), a Unit of Service is defined as fifteen (15) minutes. The Contractor shall report and bill in whole units. The intervals of time in the table below define how many units to report or bill. All such limits may be subject to additional DHHS guidance or updates as may be necessary to remain in compliance with Medicaid standards.

| Direct Service Time Intervals | Unit Equivalent |
|---|---|
| 0-7 minutes | 0 units |
| 8-22 minutes | 1 unit |
| 23-37 minutes | 2 units |
| 38-52 minutes | 3 units |
| 53-60 minutes | 4 units |

7. Payment shall be for services provided in the fulfillment of this Agreement, as specified in Exhibit B Scope of Work, and in accordance with Table 1 below.

7.1. The table below summarizes the other contract programs and their maximum allowable amounts.

7.2. **Table 1**

## CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

**ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS**

**US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS**
**US DEPARTMENT OF EDUCATION - CONTRACTORS**
**US DEPARTMENT OF AGRICULTURE - CONTRACTORS**

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services
129 Pleasant Street,
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
   - 1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
   - 1.2. Establishing an ongoing drug-free awareness program to inform employees about
     - 1.2.1. The dangers of drug abuse in the workplace;
     - 1.2.2. The grantee's policy of maintaining a drug-free workplace;
     - 1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
     - 1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
   - 1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
   - 1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
     - 1.4.1. Abide by the terms of the statement; and
     - 1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
   - 1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

1.6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 1.4.2, with respect to any employee who is so convicted

1.6.1. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

1.6.2. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

1.7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1.1, 1.2, 1.3, 1.4, 1.5, and 1.6.

2. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Section 319 of Public Law 101-121, Government wide Guidance for New Restrictions on Lobbying, and 31 U.S.C. 1352, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

Programs (indicate applicable program covered):
*Temporary Assistance to Needy Families under Title IV-A
*Child Support Enforcement Program under Title IV-D
*Social Services Block Grant Program under Title XX
*Medicaid Program under Title XIX
*Community Services Block Grant under Title VI
*Child Care Development Block Grant under Title IV

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor).

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor), the undersigned shall complete and submit Standard Form LLL, (Disclosure Form to Report Lobbying, in accordance with its instructions, attached and identified as Standard Exhibit E-I.)

3. The undersigned shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

## CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.
6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.
7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

Contractor Initials DS
Date 5/26/2023

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
    11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
    11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
    11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (l)(b) of this certification; and
    11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
    13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
    13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

## CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1000 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Contractor identified in Section 1.3 of the General Provisions agrees, by signature of the Contractor's representative as identified in Section 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this contract, the Contractor agrees to make reasonable efforts to comply with all applicable provisions of Public Law 103-227, Part C, known as the Pro-Children Act of 1994.

## HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT BUSINESS ASSOCIATE AGREEMENT

The Contractor identified in Section 1.3 of the General Provisions of the Agreement agrees to comply with the Health Insurance Portability and Accountability Act, Public Law 104-191 and with the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160 and 164 applicable to business associates. As defined herein, "Business Associate" shall mean the Contractor and subcontractors and agents of the Contractor that receive, use or have access to protected health information under this Agreement and "Covered Entity" shall mean the State of New Hampshire, Department of Health and Human Services.

(1) **Definitions.**

a. "Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

b. "Business Associate" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

c. "Covered Entity" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

d. "Designated Record Set" shall have the same meaning as the term "designated record set" in 45 CFR Section 164.501.

e. "Data Aggregation" shall have the same meaning as the term "data aggregation" in 45 CFR Section 164.501.

f. "Health Care Operations" shall have the same meaning as the term "health care operations" in 45 CFR Section 164.501.

g. "HITECH Act" means the Health Information Technology for Economic and Clinical Health Act, TitleXIII, Subtitle D, Part 1 & 2 of the American Recovery and Reinvestment Act of 2009.

h. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 and the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160, 162 and 164 and amendments thereto.

i. "Individual" shall have the same meaning as the term "individual" in 45 CFR Section 160.103 and shall include a person who qualifies as a personal representative in accordance with 45 CFR Section 164.501(g).

j. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 CFR Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

k. "Protected Health Information" shall have the same meaning as the term "protected health information" in 45 CFR Section 160.103, limited to the information created or received by Business Associate from or on behalf of Covered Entity.

l. "Required by Law" shall have the same meaning as the term "required by law" in 45 CFR Section 164.103.

m. "Secretary" shall mean the Secretary of the Department of Health and Human Services or his/her designee.

n. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 CFR Part 164, Subpart C, and amendments thereto.

o. "Unsecured Protected Health Information" means protected health information that is not secured by a technology standard that renders protected health information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

p. Other Definitions - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH Act.

(2) **Business Associate Use and Disclosure of Protected Health Information.**

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:
   I. For the proper management and administration of the Business Associate;
   II. As required by law, pursuant to the terms set forth in paragraph d. below; or
   III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) **Obligations and Activities of Business Associate.**

a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- The unauthorized person used the protected health information or to whom the disclosure was made;
- Whether the protected health information was actually acquired or viewed
- The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) **Obligations of Covered Entity**

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) **Termination for Cause**

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) **Miscellaneous**

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Exhibit I.

## CERTIFICATION REGARDING THE FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA) COMPLIANCE

The Federal Funding Accountability and Transparency Act (FFATA) requires prime awardees of individual Federal grants equal to or greater than $25,000 and awarded on or after October 1, 2010, to report on data related to executive compensation and associated first-tier sub-grants of $25,000 or more. If the initial award is below $25,000 but subsequent grant modifications result in a total award equal to or over $25,000, the award is subject to the FFATA reporting requirements, as of the date of the award.
In accordance with 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), the Department of Health and Human Services (DHHS) must report the following information for any subaward or contract award subject to the FFATA reporting requirements:

1. Name of entity
2. Amount of award
3. Funding agency
4. NAICS code for contracts / CFDA program number for grants
5. Program source
6. Award title descriptive of the purpose of the funding action
7. Location of the entity
8. Principle place of performance
9. Unique identifier of the entity (UEI #)
10. Total compensation and names of the top five executives if:
    - 10.1. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than $25M annually and
    - 10.2. Compensation information is not already available through reporting to the SEC.

Prime grant recipients must submit FFATA required data by the end of the month, plus 30 days, in which the award or award amendment is made.
The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of The Federal Funding Accountability and Transparency Act, Public Law 109-282 and Public Law 110-252, and 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:
The below named Contractor agrees to provide needed information as outlined above to the NH Department of Health and Human Services and to comply with all applicable provisions of the Federal Financial Accountability and Transparency Act.

## DHHS Information Security Requirements

A. Definitions

The following terms may be reflected and have the described meaning in this document:

1. "Breach" means the loss of control, compromise, unauthorized disclosure, unauthorized acquisition, unauthorized access, or any similar term referring to situations where persons other than authorized users and for an other than authorized purpose have access or potential access to personally identifiable information, whether physical or electronic. With regard to Protected Health Information, "Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

2. "Computer Security Incident" shall have the same meaning "Computer Security Incident" in section two (2) of NIST Publication 800-61, Computer Security Incident Handling Guide, National Institute of Standards and Technology, U.S. Department of Commerce.

3. "Confidential Information" or "Confidential Data" means all non-public information owned, managed, created, received for or on behalf of, the Department that is protected by information security, privacy or confidentiality rules, Agreement and state and federal laws or policy. This information may include but is not limited to, derivative data, Protected Health Information (PHI), Personally Identifiable Information (PII), Substance Use Disorder Information (SUD), Federal Tax Information, Social Security Administration, and CJIS (Criminal Justice Information Services) data, including the copy of information submitted known as the Phoenix Data. Confidential Information or Confidential Data shall not include medical records produced and maintained by the contractor in the course of their practice or information owned by the patient/client. Contractor shall be solely responsible for the administration and secure maintenance of such medical and other records produced and maintained by the contractor. "End User" means any person or entity (e.g., contractor, contractor's employee, business associate, subcontractor, other downstream user, etc.) that receives Confidential Data in accordance with the terms of this Contract.

4. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder.

5. "Incident" means an act that potentially violates an explicit or implied security policy, which includes attempts (either failed or successful) to gain unauthorized access to a system or its data, unwanted disruption or denial of service, the unauthorized use of a system for the processing or storage of data; and changes to system hardware, firmware, or software characteristics without the owner's knowledge, instruction, or consent. Incidents include the loss of data through theft or device misplacement, loss or misplacement of hardcopy documents, and misrouting of physical or electronic mail, all of which may have the potential to put the data at risk of unauthorized access, use, disclosure, modification or destruction.

6. "Open Wireless Network" means any network or segment of a network that is not designated by the State of New Hampshire's Department of Information Technology or delegate as a protected network (designed, tested, and approved, by means of the State, to transmit) will be considered an open network and not adequately secure for the transmission of unencrypted PI, PFI, PHI or Confidential Data.

7. "Personal Information" (or "PI") means information which can be used to distinguish or trace an individual's identity, such as their name, social security number, personal information as defined in New Hampshire RSA 359-C:19, biometric records, etc., alone, or when combined with other personal or identifying information which is linked or linkable to a specific individual, such as date and place of birth, mother's maiden name, etc.

8. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 C.F.R. Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

9. "Protected Health Information" (or "PHI") has the same meaning as provided in the definition of "Protected Health Information" in the HIPAA Privacy Rule at 45 C.F.R. § 160.103.

10. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 C.F.R. Part 164, Subpart C, and amendments thereto.

11. "Unsecured Protected Health Information" means Protected Health Information that is not secured by a technology standard that renders Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

## I. RESPONSIBILITIES OF DHHS AND THE CONTRACTOR

A. Business Use and Disclosure of Confidential Information.

1. The Contractor must not use, disclose, maintain or transmit Confidential Information except as reasonably necessary as outlined under this Contract. Further, Contractor, including but not limited to all its directors, officers, employees and agents, must not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

2. The Contractor must not disclose any Confidential Information in response to a request for disclosure on the basis that it is required by law, in response to a subpoena, etc., without first notifying DHHS so that DHHS has an opportunity to consent or object to the disclosure.

3. Omitted.
4. The Contractor agrees that Confidential Data or derivative there from disclosed to an End User must only be used pursuant to the terms of this Contract.
5. The Contractor agrees Confidential Data obtained under this Contract may not be used for any other purposes that are not indicated in this Contract.
6. The Contractor agrees to grant access to the Confidential Data to the authorized representatives of DHHS for the purpose of inspecting to confirm compliance with the terms of this Contract.

## II. METHODS OF SECURE TRANSMISSION OF DATA

1. Application Encryption. If End User is transmitting Confidential Data between applications, the Contractor attests the applications have been evaluated by an expert knowledgeable in cyber security and that said application's encryption capabilities ensure, secure transmission via the internet.
2. Computer Disks and Portable Storage Devices. End User may not use computer disks or portable storage devices, such as a thumb drive, as a method of transmitting Confidential Data.
3. Encrypted Email. End User may only employ email to transmit Confidential Data if email is encrypted and being sent to and being received by email addresses of persons authorized to receive such information.
4. Encrypted Web Site. If End User is employing the Web to transmit Confidential Data, the secure socket layers (SSL) must be used and the web site must be secure. SSL encrypts data transmitted via a Web site.
5. File Hosting Services, also known as File Sharing Sites. End User may not use file hosting services, such as Dropbox or Google Cloud Storage, to transmit Confidential Data.
6. Ground Mail Service. End User may only transmit Confidential Data via *certified* ground mail within the continental U.S. and when sent to a named individual.
7. Laptops and PDA. If End User is employing portable devices to transmit Confidential Data said devices must be encrypted and password-protected.
8. Open Wireless Networks. End User may not transmit Confidential Data via an open wireless network. End User must employ a virtual private network (VPN) when remotely transmitting via an open wireless network.
9. Remote User Communication. If End User is employing remote communication to access or transmit Confidential Data, a virtual private network (VPN) must be installed on the End User's mobile device(s) or laptop from which information will be transmitted or accessed.
10. SSH File Transfer Protocol (SFTP), also known as Secure File Transfer Protocol. If

End User is employing an SFTP to transmit Confidential Data, End User will structure the Folder and access privileges to prevent inappropriate disclosure of information. SFTP folders and sub-folders used for transmitting Confidential Data will be coded for 24-hour auto-deletion cycle (i.e. Confidential Data will be deleted every 24 hours).

11. Wireless Devices. If End User is transmitting Confidential Data via wireless devices, all data must be encrypted to prevent inappropriate disclosure of information.

## III. RETENTION AND DISPOSITION OF IDENTIFIABLE RECORDS

The Contractor will only retain the Confidential Data for the duration of this Contract. After such time, the Contractor will have 30 days to destroy the Confidential Data, unless, otherwise required by law or permitted under this Contract. If it is infeasible to return or destroy the Confidential Data, protections pursuant to this Information Security Requirements Exhibit survive this contract. To this end, the parties must:

A. Retention

1. The Contractor agrees it will not store, transfer or process Confidential Data collected in connection with the services rendered under this Contract outside of the United States. This physical location requirement shall also apply in the implementation of cloud computing, cloud service or cloud storage capabilities, and includes backup data and Disaster Recovery locations.
2. The Contractor agrees to ensure proper security monitoring capabilities are in place to detect potential security events that can impact Confidential Data State of NH systems and/or Department confidential information for contractor provided systems.
3. The Contractor agrees to provide security awareness and education for its End Users in support of protecting Confidential Data
4. The Contractor agrees to retain all electronic and hard copies of Confidential Data in a secure location.
5. The Contractor agrees Confidential Data stored in a Cloud must be in a FedRAMP/HITECH compliant solution and comply with all applicable statutes and regulations regarding the privacy and security. All servers and devices must have currently-supported and hardened operating systems, the latest anti-viral, anti-hacker, anti-spam, anti-spyware, and anti-malware utilities. The environment, as a whole, must have aggressive intrusion-detection and firewall protection.
6. The Contractor agrees to and ensures its complete cooperation with the State's Chief Information Officer in the detection of any security vulnerability of the hosting infrastructure.

B. Disposition

1. If the Contractor will maintain any Confidential Information on its systems (or its sub-contractor systems), the Contractor will maintain a documented process for securely disposing of such Confidential Data upon request or contract termination; and will obtain written certification for any Confidential Data destroyed by the Contractor or any subcontractors as a part of ongoing, emergency, and or disaster recovery operations. When no longer in use, electronic media containing Confidential Data shall be rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure deletion and media sanitization, or otherwise physically destroying the media (for example, degaussing) as described in NIST Special Publication 800-88, Rev 1, Guidelines for Media Sanitization, National Institute of Standards and Technology, U. S. Department of Commerce. The Contractor will document and certify in writing at time of the Confidential Data destruction, and will provide written certification to DHHS upon request. The written certification will include all details necessary to demonstrate Confidential Data has been properly destroyed and validated. Where applicable, regulatory and professional standards for retention requirements will be jointly evaluated by the State and Contractor prior to destruction.
2. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to destroy all hard copies of Confidential Data using a secure method such as shredding.
3. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to completely destroy all electronic Confidential Data by means of data erasure, also known as secure data wiping.

## IV. PROCEDURES FOR SECURITY

A. Contractor agrees to safeguard the Confidential Data received under this Contract, as follows:

1. The Contractor will maintain proper security controls to protect Confidential Data collected, processed, managed, and/or stored in the delivery of contracted services.
2. The Contractor will maintain policies and procedures to protect Confidential Data throughout the information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the Confidential Data (i.e., tape, disk, paper, etc.).
3. The Contractor will maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Confidential Data where applicable.
4. The Contractor will ensure proper security monitoring capabilities are in place to detect potential security events that can impact Confidential Data, State of NH systems and/or Department confidential information for contractor provided systems.

5. The Contractor will provide regular security awareness and education for its End Users in support of protecting Confidential Data.

6. If the Contractor will be sub-contracting any core functions of the engagement supporting the services for State of New Hampshire, the Contractor will maintain a program of an internal process or processes that defines specific security expectations, and monitoring compliance to security requirements that at a minimum match those for the Contractor, including breach notification requirements.

7. The Contractor will work with DHHS to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any DHHS system(s). Agreements will be completed and signed by the Contractor and any applicable sub-contractors prior to system access being authorized.

8. If DHHS determines the Contractor is a Business Associate pursuant to 45 CFR 160.103, the Contractor will execute a HIPAA Business Associate Agreement (BAA) with DHHS and is responsible for maintaining compliance with the agreement.

9. Omitted.

10. The Contractor will not store, knowingly or unknowingly, any Confidential Data or State of New Hampshire data offshore or outside the boundaries of the United States unless prior express written consent is obtained from the Information Security Office leadership member within DHHS.

11. Data Security Breach Liability. In the event of any security breach Contractor shall make efforts to investigate the causes of the breach, promptly take measures to prevent future breach and minimize any damage or loss resulting from the breach. The State shall recover from the Contractor all costs of response and recovery from the breach, including but not limited to: credit monitoring services, mailing costs and costs associated with website and telephone call center services necessary due to the breach.

12. Contractor must, comply with all applicable statutes and regulations regarding the privacy and security of Confidential Information, and must in all other respects maintain the privacy and security of PI and PHI at a level and scope that is not less than the level and scope of requirements applicable to federal agencies, including, but not limited to, provisions of the Privacy Act of 1974 (5 U.S.C. § 552a), DHHS Privacy Act Regulations (45 C.F.R. §5b), HIPAA Privacy and Security Rules (45 C.F.R. Parts 160 and 164) that govern protections for individually identifiable health information and as applicable under State law.

13. Contractor agrees to establish and maintain appropriate administrative, technical, and physical safeguards to protect the confidentiality of the Confidential Data and to prevent

unauthorized use or access to it. The safeguards must provide a level and scope of security that is not less than the level and scope of security requirements established by the State of New Hampshire, Department of Information Technology. Refer to Vendor Resources/Procurement at https://www.nh.gov/doit/vendor/index.htm for the Department of Information Technology policies, guidelines, standards, and procurement information relating to vendors.

14. Contractor agrees to maintain a documented breach notification and incident response process. The Contractor will notify the State's Privacy Officer and the State's Security Officer of any security breach immediately, at the email addresses provided in Section VI. This includes a confidential information breach, computer security incident, or suspected breach which affects or includes any Confidential Data or State of New Hampshire systems that connect to the State of New Hampshire network.

15. Contractor must restrict access to the Confidential Data obtained under this Contract to only those authorized End Users who need such Confidential Data to perform their official duties in connection with purposes identified in this Contract.

16. The Contractor must ensure that all End Users:

    a. comply with such safeguards as referenced in Section IV A. above, implemented to protect Confidential Information that is furnished by DHHS under this Contract from loss, theft or inadvertent disclosure.

    b. safeguard this information at all times.

    c. ensure that laptops and other electronic devices/media containing PHI, PI, or PFI are encrypted and password-protected.

    d. send emails containing Confidential Information only if encrypted and being sent to and being received by email addresses of persons authorized to receive such information.

    e. limit disclosure of the Confidential Information to the extent permitted by law.

    f. Confidential Information received under this Contract and individually identifiable Confidential Data, must be stored in an area that is physically and technologically secure from access by unauthorized persons during duty hours as well as non-duty hours (e.g., door locks, card keys, biometric identifiers, etc.).

    g. only authorized End Users may transmit the Confidential Data, and in all cases, such Confidential Data must be encrypted at all times when in transit, at rest, or when stored on portable media as required in section IV above.

    h. in all other instances Confidential Data must be maintained, used and disclosed using appropriate safeguards, as determined by a risk-based assessment of the circumstances involved.

    i. understand that their user credentials (user name and password) must not be shared with anyone. End Users will keep their credential information secure.

This applies to credentials used to access the site directly or indirectly through a third party application.

Contractor is responsible for oversight and compliance of their End Users. DHHS reserves the right to conduct onsite inspections to monitor compliance with this Contract, including the privacy and security requirements provided in herein, HIPAA, and other applicable laws and Federal regulations until such time the Confidential Data is disposed of in accordance with this Contract.

## V. LOSS REPORTING

A. The Contractor must notify NH DHHS Information Security via the email address provided in this Exhibit, of any known or suspected Incidents or Breaches immediately after the Contractor has determined that the aforementioned has occurred and that Confidential Data may have been exposed or compromised.

1. Parties acknowledge and agree that unless notice to the contrary is provided by DHHS in its sole discretion to Contractor, this Section V.A.1 constitutes notice by Contractor to DHHS of the ongoing existence and occurrence or attempts of Unsuccessful Security Incidents for which no additional notice to DHHS shall be required. "Unsuccessful Security Incidents" means, without limitation, pings and other broadcast attacks on Contractor's firewalls, port scans, unsuccessful log-on attempts, denial of service attacks, and any combination of the above, so long as no such incident results in unauthorized access, use or disclosure of Confidential Data.

B. Per the terms of this Exhibit the Contractor's and End User's security incident and breach response procedures must address how the Contractor will:

1. Identify incidents;

2. Determine if Confidential Data is involved in incidents;

3. Report suspected or confirmed incidents to DHHS as required in this Exhibit. DHHS will provide the Contractor with a NH DHHS Business Associate Incident Risk Assessment Report for completion.

4. Within 24 hours of initial notification to DHHS, email a completed NH DHHS Business Associate Incident Risk Assessment Preliminary Report to the DHHS' Information Security Office at the email address provided herein;

5. Identify and convene a core response group to determine the risk level of incidents and determine risk-based responses to incidents and mitigation measures, prepare to include DHHS in the incident response calls throughout the incident response investigation;

6. Identify incident/breach notification method and timing;

7. Within one business week of the conclusion of the Incident/Breach response investigation a final written Incident Response Report and Mitigation Plan is submitted to DHHS Information Security Office at the email address provided herein;

8. Address and report incidents and/or Breaches that implicate personal information (PI) to DHHS in accordance with NH RSA 359-C:20 and this Agreement;

9. Address and report incidents and/or Breaches per the HIPAA Breach Notification Rule, and the Federal Trade Commission's Health Breach Notification Rule 16 CFR Part 318 and this Agreement.

10. Comply with all applicable state and federal suspected or known Confidential Data loss obligations and procedures.

C. All legal notifications required as a result of a breach of Confidential Data, or potential breach, collected pursuant to this Contract shall be coordinated with the State if caused by the Contractor. The Contractor shall ensure that any subcontractors used by the Contractor shall similarly notify the State of a Breach, or potential Breach immediately upon discovery, shall make a full disclosure, including providing the State with all available information, and shall cooperate fully with the State, as defined above.

# EXHIBIT B – Amendment #2

## Scope of Services

### 1. Provisions Applicable to All Services

1.1. The Contractor must operate a Community Mental Health Center (CMHC) that provides services intended to promote recovery from mental illness for eligible individuals in the State of New Hampshire for Region 7.

1.2. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the Services described herein, the Department has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

1.3. Prior to termination of this contract the parties will agree on a plan for transition and destruction of data in accordance with Exhibit K.

1.4. The Contractor must provide individualized, recovery-based services and supports in the manner that best allows individuals to stay within their home and community, including, but not limited to providing current treatment and recovery options that are based on scientific research and evidence-based practices (EBPs).

1.5. The Contractor acknowledges the requirements of the Community Mental Health Agreement (CMHA) and must demonstrate progress toward meeting the following terms in the CMHA: 1.) Assertive Community Treatment Teams; 2.) Evidence-Based Supported Employment; 3.) Transition planning for individuals at New Hampshire Hospital and Glencliff Home; and 4.) Supported Housing. Further, the Contractor must participate in annual Quality Service Reviews (QSR) conducted under the terms of the CMHA.

1.6. The Contractor must enter into a capitation model for CMHC services or a PMPM or PPS model if certified as a CCBHC by contracting with all NH Medicaid Managed Care Organizations to support the delivery and coordination of behavioral health services and supports for children, youth, transition-aged youth, young adults, and adults.

1.7. The Contractor must support the integration of physical and behavioral health as a standard of practice, implementing the Substance Abuse and Mental Health Services Administration's (SAMHSA) Six Levels of Collaboration/Integration to the maximum extent feasible.

1.8. The Contractor must ensure that clinical standards and operating procedures are consistent with trauma-informed models of care, as defined by SAMHSA. The clinical standards and operating procedures must reflect a focus on wellness, recovery, and resiliency.

1.9. The Contractor must engage in ongoing implementation, service improvements, and expansion efforts associated with New Hampshire's 10 Year Mental Health Plan, as contracted.

1.10. For the purposes of this agreement, all references to days shall mean business days unless otherwise specified.

1.11. The Contractor must provide individuals and caregivers the opportunity for feedback and leadership within the agency to help improve services in a person-centered manner when applicable and appropriate.

1.12. The Contractor must hire and maintain staffing in accordance with New Hampshire Administrative Rule He-M 403 or as amended.

**2. System of Care for Children's Mental Health**

2.1. The Contractor must collaborate with the Department on the implementation of NH RSA 135-F, System of Care for Children's Mental Health.

2.2. The Contractor must provide services for children, youth, and young adults with serious emotional disturbance (SED) in a manner that aligns with NH RSA 135-F. The Contractor must ensure services are:

2.2.1. Family Driven – services and supports provided in a manner that best meets the needs of the family and the family goals;

2.2.2. Youth Driven – services and supports provided in a manner that best meets the needs of the child, youth, or young adult; and supports their goals;

2.2.3. Community Based – services and supports provided in a manner that best allow children, youth, and young adults to stay within their home and community;

2.2.4. Cultural and Linguistic Competent – services provided in a manner that honors a child, youth, or young adult and their family-identified culture, beliefs, ethnicity, preferred language, gender identity, gender expression, and sexual orientation; and

2.2.5. Trauma-informed.

2.3. The Contractor must collaborate with the Care Management entities providing FAST Forward, Transitional Enhanced Care Coordination (TrECC), and Early Childhood Wraparound (ECW) programing, ensuring services are available for all children and youth enrolled in the programs.

2.4. The Contractor must make referrals to the FAST Forward or ECW programs for any child, youth, or young adult that may be eligible including, but not limited to, children, youth, or young adults who:

2.4.1. Have multisystem involvement;

2.4.2. Are at risk for out-of-home treatment;

9.5. Phase Three (3) CTI Services

9.5.1. The Contractor must provide Phase 3 services and supports from month seven (7) through month nine (9) of the CTI program.

9.5.2. The Contractor must complete a closing note at the close of the individual's case consistent with the Closing Note template fields within the CTI Manual.

9.5.3. The Contractor must continue engaging the individual to ensure they are able to continue living autonomously in their community by developing a long-term plan to:

9.5.3.1. Manage their support network independently: and

9.5.3.2. Achieve recovery goals that remain outstanding.

9.5.4. The Contractor must decrease the frequency and duration of meetings in correlation with an increase in the individual's sustainable supports.

9.5.5. The Contractor must facilitate a final meeting/graduation with the individual within 14 days before or after the 9-month program completion date, to:

9.5.5.1. Acknowledge achievements over the past 9 months; and

9.5.5.2. Ensure the individual can function independently with their support network.

9.5.6. The Contractor must enter a final/graduation or closing due to

declining services note in the EHR, consistent with the Closing Note template fields within the CTI Manual, which includes:

9.5.6.1. The steps the individual made that indicate their ability to manage their support network independently;

9.5.6.2. The individual's recovery and transition goals;

9.5.6.3. The individual's experience in CTI;

9.5.6.4. Initial Risk Assessment;

9.5.6.5. Barriers to the Intervention; and

9.5.6.6. A summary of the CTI Intervention.

9.6. CTI Program Inactive, Reactivated, and Closed Statuses

9.6.1. The Contractor must maintain the following criteria and procedures related to an individual's inactive, reactivated and closed statuses:

9.6.1.1. Inactive Status

9.6.1.1.1. If the CTI Coach makes contact with the individual at least once post discharge, but no engagement, defined as at least two (2) attempts by phone or in-person per week, for three (3) weeks occurs, the individual must be considered inactive.

9.6.1.1.2. The CTI Coach must notify the CTI Supervisor, and update the EHR to indicate the inactive status, based on the Contractor's documentation requirements and/or procedures.

9.6.1.1.3. The CTI Supervisor must:

9.6.1.1.3.1. Move the individual to an inactive roster maintained in a location determined by the Contractor;

9.6.1.1.3.2. Conduct outreach to the individual at least once per month for nine (9) months, and close the case at the completion of nine (9) months, defined as from the day of initial discharge; and

9.6.1.1.3.3. Note the individual did not complete the program in the EHR.

9.6.1.2. Reactivated Status

9.6.1.2.1. An individual must be considered reactivated after attending one (1) re-engagement meeting in which the Phase Plan is confirmed to be appropriate and/or updated.

9.6.1.2.2. Once the individual is reactivated, the CTI Supervisor must reassign the individual to the original CTI Coach, if available, or a new CTI Coach, as requested by the individual.

9.6.1.2.3. The reactivated individual must continue the CTI program according to the initial nine (9) month timeline based on their date of discharge.

9.6.1.2.4. The CTI Coach must update the status in the EHR based on the Contractor's documentation requirements and/or procedures.

9.6.1.2.5. The individual must be closed at the completion of nine (9) months and shall be considered having completed and graduated from the program if they receive:

9.6.1.2.5.1. A minimum of two (2) visits by their CTI Coach, including confirmation that the Phase Plan is appropriate and/ or updated; and

9.6.1.2.5.2. A closing meeting in accordance with the CACTI fidelity self-assessment.

9.6.1.3. Closed Status

9.6.1.3.1. An individual must be considered closed if the individual:

9.6.1.3.1.1. Moved out of state, or the catchment area;

9.6.1.3.1.2. Passed away;

9.6.1.3.1.3. Is hospitalized for an extended period of time as determined by the Contractor;

9.6.1.3.1.4. Transferred to Assertive Community Treatment (ACT) services,

9.6.1.3.1.5. Is incarcerated; or

9.6.1.3.1.6. Has not had contact after discharge for three (3) weeks, including a minimum of two (2) outreaches per week, and receives a notification letter or is otherwise notified according to the Contractor's closing policy.

9.6.1.3.2. The CTI Coach must update the EHR to indicate the closed status.

9.6.1.3.3. The CTI Supervisor must remove the individual from the CTI Coach's caseload.

9.6.1.3.4. If the individual becomes eligible for CTI again, the Contractor must ensure they are allowed to receive the service.

9.7. CTI Supervisory Scope of Work

9.7.1. The Contractor must ensure the CTI Supervisor conducts weekly team meetings with CTI workers.

9.7.2. The CTI Supervisor conducts a monthly caseload review with CTI team either during the team supervisor meetings or in a separate meeting.

9.7.3. The Contractor must ensure the CTI Supervisor conducts bi-weekly one-on-one supervision with CTI workers. The Contractor must ensure one-on-one supervision outcomes are documented on the CTI Team Supervision form contained within the CTI Manual provided to the Contractor by the Department, and

includes:

9.7.3.1. Bi-weekly documentation on required forms that include the:

9.7.3.1.1. Weighted caseload tracker;

9.7.3.1.2. Phase date form; and

9.7.3.1.3. CTI Team Supervision form; and

9.7.3.2. CTI worker's fidelity efforts; and

9.7.3.3. CTI worker's barriers to securing community services and supports for CTI participants.

9.7.4. The Contractor must ensure the CTI Supervisor or another CTI staff acting as the covering CTI Supervisor participates in duties within the scope of CTI that align with the goals of Department. These other duties may include, but are not limited to:

9.7.4.1. New Hampshire Hospital (NHH) Liaison

9.7.4.2. Designated Receiving Facility (DRF)

9.7.4.3. Crisis-related meeting representation and support.

9.7.5. The Contractor must ensure all CTI workers take the CTI Implementation Fidelity Self-Assessment on a quarterly basis as requested by the Department.

9.8. CTI Flexible Needs

9.8.1. When no other payer is available, the Contractor must offer short-term financial relief related to barriers to services on behalf of individuals they serve, which may include but are not limited to:

9.8.1.1. Groceries.

9.8.1.2. Transportation.

9.8.1.3. Childcare.

9.8.1.4. Short-term housing costs, including, but not limited to, security deposits or utility bills.

9.8.1.5. Clothing appropriate for cold weather, job interviews, or work.

9.8.1.6. Other uses pre-approved in writing by the Department.

9.9. CTI Staffing

9.9.1. The Contractor must ensure staffing requirements for staff include at minimum, but are not limited to:

9.9.1.1. CTI Workers hold a bachelor's degree or associate

degree with two (2) years of relevant work experience to include but not limited to CMHC experience, work in mental health, peer support, and/or substance-related fields; or as otherwise approved by the Bureau of Mental Health Services.

9.9.1.2. CTI Supervisors hold a master's degree or bachelor's Degree with at least six (6) months of CTI experience, one (1) year of CMHC experience, work in mental health, peer support, and/or substance-related fields, and working under the clinical supervision of a Master's level clinician; or as otherwise approved by the Bureau of Mental Health Services.

9.9.1.3. Four (4) Full Time Equivalent (FTE) level CTI Workers, each of whom maintain and manage no more than 20 individuals concurrently, unless otherwise approved by the Department.

9.9.1.4. One (1) 0.5 FTE CTI Supervisor.

9.9.2. The Contractor must ensure all CTI staff:

9.9.2.1. Complete the CTI model training;

9.9.2.2. Attend CTI Team meeting; and

9.9.2.3. Attend Community of Practice (CoP) meetings.

9.9.3. The Contractor must participate in training and skill deployment, as requested by the Department, which includes:

9.9.3.1. A one (1) day CTI worker training;

9.9.3.2. A one (1) day CTI supervisor training;

9.9.3.3. Assist in co-facilitating CTI staff training;

9.9.3.4. CTI Team Lead & Supervisor Cohort Meeting; and

9.9.3.5. Complementary trainings to CTI staff.

**10. Coordination of Care from Residential or Psychiatric Treatment Facilities**

10.1. The Contractor must designate a member of its staff to serve as the primary liaison to New Hampshire Hospital (NHH) and/ or Hampstead Hospital Residential Treatment Facility (HHRTF) who works with the applicable NHH & HHRTF staff, payer(s), guardian(s), other community service providers, and the applicable individual, to assist with coordinating the seamless transition of care for individuals transitioning from NHH and HHRTF to community based services or transitioning to NHH from the community.

10.2. The Contractor may designate a different liaison for individuals being served through their children's services.

10.3. The Contractor must not close the case of any individual who is admitted to NHH. Notwithstanding, the Contractor must be deemed to be in compliance with all NH Administrative He-M Chapter 400 rules regarding, Clinical Records rules regarding documentation if it is noted in the record that the individual is an inpatient at NHH or another treatment facility. All documentation requirements as per He-M Chapter 400 will be required to resume upon re-engagement of services following the individual's discharge from inpatient care.

10.4. The Contractor must participate in transitional and discharge planning within 24 hours of notification of admission to an inpatient facility.

10.5. The Contractor must work with the Department, payers and guardians (if applicable) to review cases of individuals that NHH, HHRTF, Transitional Housing, or alternative treatment facility or the Contractor, have indicated will have difficulty returning to the community to identify barriers to discharge, and to develop an appropriate plan to transition into the community.

10.6. The Contractor must make a face-to-face appointment available to an individual leaving NHH, HHRTF, Transitional Housing or alternative residential setting who desires to reside in the region served by the Contractor within seven (7) calendar days of receipt of notification of the individual's discharge, or within seven (7) calendar days of the individual's discharge, whichever is later.

10.7. The Contractor must ensure individuals who are discharged and are new to a CMHC have an offer of intake appointment within seven (7) calendar days. If the individual declines to accept the appointment, declines services, or requests an appointment to be scheduled beyond the seven (7) calendar days, the Contractor may accommodate the individual's request provided the accommodation is clinically appropriate, and does not violate the terms of a conditional discharge. The Contractor's Adult ACT Team must see individuals who are on the ACT caseload and transitioning from NHH into the community within 24 hours of NHH discharge.

10.8. The Contractor must make all reasonable efforts to ensure that no appropriate bed is available at any other inpatient psychiatric unit; Designated Receiving Facility (DRF) per NH RSA 135-C and NH Administrative Rule He-M 405, Designation of Receiving Facilities; Peer Support Recovery Center; or Adult Psychiatric Residential Treatment Program (APRTP) prior to referring an individual to NHH.

10.9. The Contractor must collaborate with NHH to develop and execute appropriate conditional discharges from NHH in order to ensure that individuals receive treatment in the least restrictive environment.

10.10. The Contractor must have staff members available to receive, evaluate, and treat individuals discharged from NHH and HHRTF seven (7) calendar days per week, consistent with the provisions in NH Administrative Rule He-M 403 and NH Administrative Rule He-M 426.

10.11. For individuals at NHH who formerly resided in the Contractor's designated community mental health region prior to NHH admission, who have been identified for transition planning to the Glencliff Home, the Contractor must, at the request of the individual or guardian, or of NHH or Glencliff Home staff, participate in transition planning to determine if the individual can be supported in the Contractor's region with community based services and supports instead of transitioning to the Glencliff Home. In the event the individual would require supports from multiple funding sources or the Department's systems of care, the Contractor must collaborate with additional Department staff at NHH's request, to address any barriers to discharge the individual to the community.

**11. Coordinated Care and Integrated Treatment**

11.1. Primary Care

12.1.1. The Contractor must request written consent from each individual to allow the designated primary care provider to release information for the purpose of coordinating care regarding mental health services or substance misuse services or both.

12.1.2. The Contractor must support each individual with linking to an available primary care provider, if the individual does not have an identified primary care provider, to:

12.1.2.1. Monitor health;

12.1.2.2. Provide medical treatment as necessary; and

12.1.2.3. Engage in preventive health screenings.

12.1.3. The Contractor must consult with each primary care provider at least annually, or as necessary, to integrate care between mental and physical health for each individual, which may include the exchange of pertinent information including, but not limited to medication changes or changes in the individual's medical condition.

12.1.4. The Contractor must document on the release of information form the reason(s) written consent to release information was refused in the event an individual refuses to provide consent to release information.

11.2. Substance Misuse Treatment, Care and/or Referral

11.2.1. The Contractor must provide services and meet requirements to address substance misuse and to support recovery intervention implementation, which include, but are not limited to:

11.2.1.1. Screening no less than 95% of eligible individuals for substance misuse at the time of intake, and annually thereafter.

11.2.1.2. Conducting a full assessment for substance misuse disorder and associated impairments for each individual that screens positive for substance use.

11.2.1.3. Developing an individualized service plan for each eligible individual based on information from substance misuse screening

11.2.2. The Contractor must utilize the SAMSHA evidence-based models for Co-Occurring Disorders Treatment to develop treatment plans with individuals and to provide an array of evidence-based interventions that enhance recovery for individuals and follow the fidelity standards to such a model.

11.2.3. The Contractor must make all appropriate referrals if the individual requires additional substance use disorder care utilizing the current New Hampshire system of care, and ensuring linkage to and coordination with resources.

11.3. Area Agencies

11.3.1. The Contractor must collaborate with the Area Agency that serves the region to address processes that include:

11.3.1.1. Enrolling individuals for services who are dually eligible for both organizations;

11.3.1.2. Ensuring transition-aged individuals are screened for the presence of mental health and developmental supports and refer, link and support transition plans for youth leaving children's services into adult services identified during screening;

11.3.1.3. Following the "Protocol for Extended Department Stays for Individuals served by Area Agency" issued December 1, 2017 by the State of New Hampshire Department of Health and Humans Services, as implemented by the regional Area Agency;

11.3.1.4. Facilitating collaborative discharge planning meetings to assess individuals who are leaving NHH to re-engage

them with both the CMHC and Area Agency representatives;

11.3.1.5. Ensuring annual training is designed and completed for intake, eligibility, and case management for dually diagnosed individuals and that attendee's include intake clinicians, case-managers, service coordinators and other frontline staff identified by both CMHC's and Area Agencies. The Contractor must ensure the training utilizes the Diagnostic Manual for Intellectual Disability 2 that is specific to intellectual disabilities, in conjunction with the DSM V-TR;

11.3.1.6. Planning for each person who receives dual case management by outlining the responsibilities of each organization and expectations for collaboration between the organizations; and

11.3.1.7. Participating in shared service annual treatment meetings to assess quality and progress towards treatment goals as well as monitoring continued need for dual services when waivers are required for services between agencies.

11.4. Peer Supports

11.4.1. The Contractor must actively promote recovery principles and integrate peers throughout the agency, which includes, but is not limited to:

11.4.1.1. Employing individuals with mental health lived experience as integrated members of the CMHC treatment team(s) in the role of certified peer support specialist with the ability to deliver one-on-one face-to-face interventions that facilitate the development and use of recovery-based goals and care plans and explore treatment engagement and connections with natural supports.

11.4.1.2. Establishing referral and resource relationships with the local Peer Support Agencies, including any Peer Respite, Recovery Oriented Step-up/Step-down programs, and Clubhouse Centers and promote the availability of these services.

11.4.2. The Contractor must submit a peer support staff tracking document, as supplied by or otherwise approved by the Department as requested.

11.5. Transition of Care with MCO's

11.5.1. The Contractor must ensure ongoing coordination occurs with the MCO Care Managers to support care coordination among and between services providers.

**12. Deaf Services**

12.1. The Contractor must work with the Deaf Services Team, employed by Region 6, for all individuals seeking services who would benefit from receiving treatment in American Sign Language (ASL) or from staff who are specially trained to work with the deaf and hard of hearing population.

12.2. The Contractor must work with the Deaf Services Team in Region 6 for disposition and treatment planning, as appropriate.

12.3. The Contractor must ensure treatment plans take the importance of access to culturally and linguistically appropriate services on treatment outcomes into consideration.

12.4. The Contractor must ensure services are person-directed, which may result in:

12.4.1. Individuals being seen only by the Deaf Services Team through CMHC Region 6;

12.4.2. Care being shared across the regions; or

12.4.3. The individual's local CMHC providing care after consultation with the Deaf Services Team.

**13. Cypress Center**

13.1. The Contractor must operate a Designated Receiving Facility (DRF) as outlined in New Hampshire Administrative Rule He-M 405, Designation of Receiving Facilities, on Cypress Street in Manchester, NH.

13.2. The Contractor must ensure the DRF works in conjunction with regional Community Mental Health programs and providers to ensure crisis unit beds for individuals who are in need of involuntary admission for any of the following purposes:

13.2.1. Involuntary emergency admission (IEA) pursuant to NH RSA 135-C: 27-33 beginning with initial custody and continuing through the day following the probable cause hearing;

13.2.2. IEA for the period of such admission following the probable cause hearing; or

13.2.3. Non-emergency involuntary admission (IA) pursuant to NH RSA 135-C 34-54.

13.3. The Contractor must work collaboratively with Community Mental Health programs and providers to provide case coordination, including:

13.3.1. Coordination of patient evaluation;

13.3.2. Treatment planning;

13.3.3. Discharge plans that include ongoing services and supports; and

13.3.4. Following all discharge criteria as outlined in NH Administrative Rule He-M 405.

13.4. The Contractor must not refuse admission of a person sent to the DRF facility pursuant to NH RSA 135-C 28 or 36-45, unless clinically contraindicated or there are no beds available at the time of admission.

13.5. The Contractor must maintain staffing as outlined in NH Administrative Rule He-M 405.11, or, if at any time staffing is not maintained, send immediate notification to the Department to jointly develop a staffing plan.

13.6. At the Department's discretion, the Contractor must participate in quality assurance reviews that may be conducted for determination of the compliance or non-compliance of the DRF with NH Administrative Rule He-M 405 and all other applicable Department rules. The Contractor must:

13.6.1. Participate and maintain a quality improvement plan based on any findings from the review;

13.6.2. Ensure Department access to the quality improvement plan, which will be overseen by the Department;

13.6.3. Develop new, or revise current, quality improvement plans with the Department; and

13.6.4. Provide quarterly updates to any findings by the Department.

13.7. The Contractor must participate in quarterly DRF meetings to collaborate with the Department and other DRFs within the State of NH to ensure:

13.7.1. Ongoing service needs are met; and

13.7.2. Improvement in services and statewide collaboration focus on reducing psychiatric admission waitlists.

**14. The Institutional Review Board (IRB)**

14.1. The Contractor must manage the Institutional Review Board (IRB) to facilitate IRB review of all research applications in accordance with FDA regulations to make determinations to approve; require modifications in, to secure approval; or disapprove proposals that involve research on individuals with mental illness behavioral health conditions on behalf of the Department.

14.2. The Contractor must ensure the personnel provided to manage the IRB include:

14.2.1. One (1) part-time administrator; and

14.2.2. One (1) part-time secretary.

**15. CANS/ANSA or Other Approved Assessment**

16.2.2.1. Requires nursing facility care; and

16.2.2.2. Has active treatment needs.

**17. Application for Other Services**

17.1. The Contractor must assist eligible individuals in accordance with NH Administrative Rule He-M 401, with completing applications for all sources of financial, medical, and housing assistance, according to their respective rules, requirements and filing deadlines. The Contractor must assist with applications that may include, but are not limited to:

17.1.1. Medicaid.

17.1.2. Medicare.

17.1.3. Social Security Disability Income.

17.1.4. Veterans Benefits.

17.1.5. Public Housing.

17.1.6. Section 8 Subsidies.

17.1.7. Child Care Scholarship.

**18. Community Mental Health Program (CMHP) Status**

18.1. The Contractor must meet the approval requirements of NH Administrative Rule He-M 403 as a governmental or non-governmental non-profit agency, or the contract requirement of NH RSA 135-C:3 as an individual, partnership,

association, public or private, for profit or nonprofit, agency or corporation to provide services in the state mental health services system.

18.2. The Contractor must provide all applicable documentation, policies and procedures, and must participate in an onsite compliance review, as requested by the Department, to determine compliance with NH Administrative Rule He-M 403 and NH RSA 135-C:3. Compliance reviews will be at times to be determined by the Department, and will occur no less than once every five (5) years.

**19. Quality Improvement**

19.1. The Contractor must perform, or cooperate with the coordination, organization, and all activities to support the performance of quality improvement and/or utilization review activities, determined to be necessary and appropriate by the Department within timeframes reasonably specified by the Department.

19.2. The Contractor must develop a comprehensive plan for quality improvement detailing areas of focus for systematic improvements based on data, performance, or other identified measures where standards are below the expected value. The Contractor must ensure:

19.2.1. The plan is based on models available by the American Society for Quality, Agency for Healthcare Research and Quality, Institute for Healthcare Improvement, or others.

19.3. The Contractor must comply with the Department-conducted NH Community Mental Health Center Client Satisfaction Survey. The Contractor must:

19.3.1. Submit all required information in a format provided by the Department or contracted vendor.

19.3.2. Provide complete client data as requested with current client contact information to the Department so that individuals may be contacted to participate in the survey. and

19.3.3. Support all efforts of the Department to conduct the survey including having two staff members attending the bimonthly CMHC Survey Workgroup (one from adult programming and one from children's programming, this staff person can be direct care staff or QA/QI staff).

19.4. The Contractor must promote survey participation for individuals who are sampled to participate; and

19.5. The Contractor must display informational posters and share any other materials provided by the Department to explain the survey and support efforts by the Department to increase participation in the survey.

19.6. The Contractor must review the data and findings from the NH Community Mental Health Center Client Satisfaction Survey Report. Report findings, or

recommendations made by the CMHC Survey Workgroup must be incorporated into the Quality Improvement Plan goals.

19.7. The Contractor must engage and comply with all aspects of Fidelity Reviews and Assessments based on a model approved by the Department and on a schedule approved by the Department.

**20. Maintenance of Fiscal Integrity**

20.1. The Contractor must submit the following financial statements to the Department on a monthly basis, no later than thirty (30) calendar days after the end of each month:

20.1.1. Balance Sheet for the Contractor's entire organization including all related parties.

20.1.2. Year-to-date Profit and Loss Statement for the Contractor's entire organization that includes, for all related parties:

20.1.2.1. All revenue sources and expenditures; and

20.1.2.2. A budget column allowing for budget to actual analysis.

20.1.3. Year-to-date Profit and Loss Statement for the Program funded under this Agreement that includes:

20.1.3.1. All revenue sources and all related expenditures for the Program; and

20.1.3.2. A budget column allowing for budget to actual analysis.

20.1.4. Year-to-date Cash Flow Statement for the Contractor's entire organization including all related parties.

20.2. The Contractor must ensure all financial statements are prepared based on the accrual method of accounting and include all the Contractor's total revenues and expenditures, whether or not generated by or resulting from funds provided pursuant to this Agreement.

20.3. The Contractor's fiscal integrity will be evaluated by the Department using the following Formulas and Performance Standards:

20.3.1. Days of Cash on Hand:

20.3.1.1. Definition: The days of operating expenses that can be covered by the unrestricted cash on hand.

20.3.1.2. Formula: Cash, cash equivalents and short-term investments divided by total operating expenditures, less depreciation/amortization and in-kind plus principal payments on debt divided by days in the reporting period. The short-term investments as used above must mature

within three (3) months and should not include common stock.

20.3.1.3. Performance Standard: The Contractor must have enough cash and cash equivalents to cover expenditures for a minimum of thirty (30) calendar days with no variance allowed.

20.3.2. Current Ratio:

20.3.2.1. Definition: A measure of the Contractor's total current assets available to cover the cost of current liabilities.

20.3.2.2. Formula: Total current assets divided by total current liabilities.

20.3.2.3. Performance Standard: The Contractor must maintain a minimum current ratio of 1.5:1 with 10% variance allowed.

20.3.3. Debt Service Coverage Ratio:

20.3.3.1. Rationale: This ratio illustrates the Contractor's ability to cover the cost of its current portion of its long-term debt.

20.3.3.2. Definition: The ratio of net income to the year to date debt service.

20.3.3.3. Formula: Net Income plus depreciation/amortization expense plus interest expense divided by year to date debt service (principal and interest) over the next twelve (12) months.

20.3.3.4. Source of Data: The Contractor's monthly financial statements identifying current portion of long-term debt payments (principal and interest).

20.3.3.5. Performance Standard: The Contractor must maintain a minimum standard of 1.2:1 with no variance allowed.

20.3.4. Net Assets to Total Assets:

20.3.4.1. Rationale: This ratio is an indication of the Contractor's ability to cover its liabilities.

20.3.4.2. Definition: The ratio of the Contractor's net assets to total assets.

20.3.4.3. Formula: Net assets (total assets less total liabilities) divided by total assets.

20.3.4.4. Source of Data: The Contractor's monthly financial statements.

20.3.4.5. Performance Standard: The Contractor must maintain a minimum ratio of .30:1, with a 20% variance allowed.

20.4. In the event that the Contractor does not meet either:

20.4.1. The Days of Cash on Hand Performance Standard and the Current Ratio Performance Standard for two (2) consecutive months; or

20.4.2. Three (3) or more of any of the Performance Standards for one (1) month, or any one (1) Performance Standard for three (3) consecutive months, then the Contractor must:

20.4.2.1. Meet with Department staff to explain the reasons that the Contractor has not met the standards; and/or

20.4.2.2. Submit a comprehensive corrective action plan within 30 calendar days of receipt of notice from the Department.

20.5. The Contractor must update and submit the corrective action plan to the Department, at least every 30 calendar days, until compliance is achieved. The Contractor must:

20.5.1. Provide additional information to ensure continued access to services as requested by the Department and ensure requested information is submitted to the Department in a timeframe agreed upon by both parties.

20.6. The Contractor must inform the Department by phone and by email within five (5) days of when any key Contractor staff learn of any actual or likely litigation, investigation, complaint, claim, or transaction that may reasonably be considered to have a material financial impact on and/or materially impact or impair the ability of the Contractor to perform under this Agreement with the Department.

20.7. The Contractor must provide its Revenue and Expense Budget within twenty (20) calendar days of the contract effective date.

20.8. The Contractor must complete the Fiscal Year Revenue and Expense Budget on a form supplied by the Department, which must include but not be limited to, all the Contractor's cost centers. If the Contractor's cost centers are a combination of several local cost centers, the Contractor must display them separately as long as the cost center code is unchanged.

20.9. The Contractor must provide quarterly Revenue and Expense Reports (Budget Form A), within thirty (30) calendar days after the end of each fiscal quarter, defined as July 1 to September 30, October 1 to December 31, January 1 to March 31, and April 1 to June 30.

**21. Reduction or Suspension of Funding**

21.1. In the event that the State funds designated as the Price Limitation in Form P-37, General Provisions, Block 1.8. of the General Provisions are reduced, suspended, or reallocated, the Department shall provide immediate written notification to the Contractor of such reduction, suspension, or reallocation.

21.1.1. In the event that the reduction or suspension, or reallocation of federal or state funding prevents the Contractor from providing necessary services to individuals, the Department shall initiate the process to amend the agreement, pursuant to Paragraph 18 of the Form P-37, to modify the service requirements contained herein in collaboration with the Contractor.

21.1.2. Any reductions to services taken by the Contractor and the Department shall prioritize the most critical services, including, but not limited to:

21.1.2.1. Evaluation of and, if eligible, an individual service plan for all new applicants for services.

21.1.2.2. Crisis services for all individuals.

21.1.2.3. Services for individuals who meet the criteria for involuntary admission to a designated receiving facility.

21.1.2.4. Services to individuals who are on a conditional discharge pursuant to RSA 135-C:50 and NH Administrative Rule He-M 609.

**22. Elimination of Programs and Services by Contractor**

22.1. Not including service reductions collaboratively addressed in Section 21. Reduction or Suspension of Funding, the Contractor must provide a minimum of thirty (30) calendar day's written notice prior to any reductions in delivery of services, or notice as soon as known if the Contactor is faced with an urgent need to reduce delivery of services.

22.2. The Contractor and the Department shall collaborate prior to the elimination or reduction of services to address the immediate situation in order to prioritize which services survive the reduction. Should the Contractor and the Department require assistance in their collaborative efforts, the Department may require the Contractor to engage in a non-binding mediation within thirty (30) calendar days by the Commissioner of the Department of Health and Human Services at no cost to the Contractor, to include funding capacity and supplemental resources.

22.3. The Contractor must not redirect funds allocated in the Contractor's budget for the program or service that has been eliminated or substantially reduced to another program or service without the mutual agreement of both parties.

**23. Closed Loop Referral System**

23.1. The Contractor must utilize the Department's closed loop referral system whenever applicable to the services they provide for referrals between health and/or human service providers within New Hampshire for referral management and client care coordination. Utilization includes inputting information and data as necessary into the Department's referral solution as part of the NH Care Connections Network to facilitate referrals to participating providers, signing required Network Participation Agreement(s), and obtaining a participant specific consent for services.

23.2. The Contractor must utilize the Department's admission, discharge, transfer, and shared care insights solution whenever applicable to the services they provide for client care coordination and management between health providers within New Hampshire. Utilization includes inputting information and data as necessary into the Department's admission, discharge, transfer, and shared care insights platform as part of the NH Care Connections Network to facilitate referrals to participating providers and signing required Participation Agreement(s) for the admission, discharge, transfer, and shared care insights solution.

23.2.1. The Department's contracts with the closed loop referral and admission, discharge, and transfer vendors incorporate the costs of developing and maintaining the standards-based interface from which the Contractor may choose to configure their systems to communicate securely with the Department's NH Care Connections Network solutions. The Contractor may choose to interface with the Department's closed loop referral and/or the admission discharge transfer solution utilizing a Smart on FHIR or HL-7 standard interface process to connect individuals to health and social service providers. The costs for the Contractor system or team to develop or utilize the standard Smart on FHIR or HL-7 based interface are the sole responsibility of the Contractor.

**24. Data Reporting**

24.1. The Contractor must submit any data identified by the Department to comply with federal and/or other reporting requirements and must work with the Department on any additional mutual agreed upon requests.

24.2. The Contractor must submit all required data elements to the Department's Phoenix system in compliance with current Phoenix reporting specifications and transfer protocol provided by the Department.

24.3. The Contractor must submit individual client intake, demographics, payor, diagnostic, referral, location, and other information specified by the Department, and all service encounter and outcome data, including data on both billable and non-billable individual-specific services and rendering staff providers on these encounters, to the Department's Phoenix system, or its

successors, in the format, content, completeness, frequency, method and timeliness as specified by the Department. Individual data must include a Medicaid ID number for individuals who are enrolled in Medicaid.

24.4. The Contractor must include client community mental health program eligibility including, but not limited to, SMI as applicable with all Phoenix services in alignment with current reporting specifications.

24.5. The Contractor must initiate any necessary system changes within thirty (30) calendar days to comply with annual Department updates to the Phoenix reporting specification(s). The Department expects updates to be completed within 90 days of notification of the new requirements. If a Contractor is unable to comply, the Contractor must submit a request to the Department for an extension that documents the reasons for non-compliance, and includes a work plan outlining tasks and timelines to ensure compliance.

24.6. The Contractor must meet all the general requirements for the Phoenix system which include, but are not limited to:

24.6.1. Agreeing that all data collected in the Phoenix system is the property of the Department to use as it deems necessary.

24.6.2. Ensuring data files and records are consistent with reporting specification requirements.

24.6.3. Ensuring that errors in data returned to the Contractor are corrected and resubmitted to the Department within ten (10) business days.

24.6.4. Ensuring data is current and updated in the Contractor's systems as required for federal reporting and other reporting requirements and as specified by the Department.

24.6.5. Participating in Departmental efforts for system-wide data quality improvement.

24.6.6. Implementing quality assurance, system, and process review procedures to validate data submitted to the Department to confirm:

24.6.6.1. All data is formatted in accordance with the file specifications;

24.6.6.2. No records will be rejected due to invalid characters or invalid formatting; and

24.6.6.3. The Department's tabular summaries of data submitted by the Contractor match the data in the Contractor's system.

24.7. The Contractor must meet the following standards:

24.7.1. Timeliness: monthly data must be submitted no later than the fifteenth (15th) of each month for the prior month's data unless otherwise

approved by the Department, and the Contractor must review the Department's tabular summaries within five (5) business days.

24.7.2. Completeness: submitted data must represent at least ninety-eight percent (98%) of billable services provided, and ninety-eight percent (98%) of individuals served by the Contractor. For fields indicated in the reporting specifications as data elements that must be collected in Contractor systems, 98% must be submitted with valid values other than the unknown value. The Department may adjust this threshold through the exemption process described in Section 28.9.

24.7.3. Accuracy: submitted service and member data must conform to submission requirements for at least ninety-eight percent (98%) of the records, and one hundred percent (100%) of unique member identifiers must be accurate and valid.

24.8. The Contractor must document all interactions with the individual and any community support provider in their EHR.

24.9. The Department may, at its discretion, exempt requirements for timeliness, completeness, and accuracy in Phoenix on a case-by-case basis through a written communication that specifies the items being exempted. In all circumstances:

24.9.1. The exemption length shall not exceed 180 days.

24.9.2. If the Contractor fails to meet exemption standards, the Contractor must submit a corrective action plan to the Department for approval within thirty (30) calendar days of being notified of an issue.

24.9.3. The Contractor must implement the Department-approved corrective action plan.

24.9.4. Failure by the Contractor to implement the correction action plan may require:

24.9.4.1. An additional corrective action plan; or

24.9.4.2. Other remedies as specified by the Department.

**25. Background Checks**

25.1. Prior to permitting any individual to provide services under this Agreement, the Contractor must ensure that said individual has undergone:

25.1.1. A criminal background check, at the Contractor's expense, and has no convictions for crimes that represent evidence of behavior that could endanger individuals served under this Agreement;

25.1.2. A name search of the Department's Bureau of Adult and Aging Services (BAAS) State Registry, pursuant to RSA 161-F:49, with

results indicating no evidence of behavior that could endanger individuals served under this Agreement; and

25.1.3. A name search of the Department's Division for Children, Youth and Families (DCYF) Central Registry pursuant to RSA 169-C:35, with results indicating no evidence of behavior that could endanger individuals served under this Agreement.

**26. Confidential Data**

26.1. The Contractor must meet all information security and privacy requirements as set by the Department and in accordance with the Department's Information Security Requirements Exhibit as referenced below.

26.2. The Contractor must ensure any individuals involved in delivering services through this Agreement contract sign an attestation agreeing to access, view, store, and discuss Confidential Data in accordance with federal and state laws and regulations and the Department's Information Security Requirements Exhibit. The Contractor must ensure said individuals have a justifiable business need to access confidential data. The Contractor must provide attestations upon Department request.

**27. Privacy Impact Assessment**

27.1. Upon request, the Contractor must allow and assist the Department in conducting a Privacy Impact Assessment (PIA) of its system(s)/application(s)/web portal(s)/website(s) or Department system(s)/application(s)/web portal(s)/website(s) hosted by the Contractor, if Personally Identifiable Information (PII) is collected, used, accessed, shared, or stored. To conduct the PIA the Contractor must provide the Department access to applicable systems and documentation sufficient to allow the Department to assess, at minimum, the following:

27.1.1. How PII is gathered and stored;

27.1.2. Who will have access to PII;

27.1.3. How PII will be used in the system;

27.1.4. How individual consent will be achieved and revoked; and

27.1.5. Privacy practices.

27.2. The Department may conduct follow-up PIAs in the event there are either significant process changes or new technologies impacting the collection, processing or storage of PII.

**28. Department Owned Devices, Systems and Network Usage**

28.1. If Contractor End Users, defined in the Department's Information Security Requirements Exhibit that is incorporated into this Agreement, are authorized by the Department's Information Security Office to use a Department issued

device (including, but not limited to, computer, tablet, mobile telephone) or access the Department network in the fulfilment of this Agreement, each End User must:

28.1.1. Sign and abide by applicable Department and New Hampshire Department of Information Technology (NH DoIT) use agreements, policies, standards, procedures and guidelines, and complete applicable trainings as required;

28.1.2. Use the information that they have permission to access solely for conducting official Department business and agree that all other use or access is strictly forbidden including, but not limited, to personal or other private and non-Department use, and that at no time shall they access or attempt to access information without having the express authority of the Department to do so;

28.1.3. Not access or attempt to access information in a manner inconsistent with the approved policies, procedures, and/or agreement relating to system entry/access;

28.1.4. Not copy, share, distribute, sub-license, modify, reverse engineer, rent, or sell software licensed, developed, or being evaluated by the Department, and at all times must use utmost care to protect and keep such software strictly confidential in accordance with the license or any other agreement executed by the Department;

28.1.5. Only use equipment, software, or subscription(s) authorized by the Department's Information Security Office or designee;

28.1.6. Not install non-standard software on any Department equipment unless authorized by the Department's Information Security Office or designee;

28.1.7. Agree that email and other electronic communication messages created, sent, and received on a Department-issued email system are the property of the Department of New Hampshire and to be used for business purposes only. Email is defined as "internal email systems" or "Department-funded email systems."

28.1.8. Agree that use of email must follow Department and NH DoIT policies, standards, and/or guidelines; and

28.1.9. Agree when utilizing the Department's email system:

28.1.9.1. To only use a Department email address assigned to them with a "@ affiliate.DHHS.NH.Gov".

28.1.9.2. Include in the signature lines information identifying the End User as a non-Department workforce member; and

28.1.9.3. Ensure the following confidentiality notice is embedded

underneath the signature line:

> CONFIDENTIALITY NOTICE: "This message may contain information that is privileged and confidential and is intended only for the use of the individual(s) to whom it is addressed. If you receive this message in error, please notify the sender immediately and delete this electronic message and any attachments from your system. Thank you for your cooperation."

28.1.10. Contractor End Users with a Department issued email, access or potential access to Confidential Data, and/or a workspace in a Department building/facility, must:

28.1.10.1. Complete the Department's Annual Information Security & Compliance Awareness Training prior to accessing, viewing, handling, hearing, or transmitting Department Data or Confidential Data.

28.1.10.2. Sign the Department's Business Use and Confidentiality Agreement and Asset Use Agreement, and the NH DoIT Department wide Computer Use Agreement upon execution of the Agreement and annually thereafter.

28.1.10.3. Only access the Department's intranet to view the Department's Policies and Procedures and Information Security webpages.

28.1.11. Contractor agrees, if any End User is found to be in violation of any of the above terms and conditions, said End User may face removal from the Agreement, and/or criminal and/or civil prosecution, if the act constitutes a violation of law.

28.1.12. Contractor agrees to notify the Department a minimum of three business days prior to any upcoming transfers or terminations of End Users who possess Department credentials and/or badges or who have system privileges. If End Users who possess Department credentials and/or badges or who have system privileges resign or are dismissed without advance notice, the Contractor agrees to notify the Department's Information Security Office or designee immediately.

28.1.13. Workspace Requirement

28.1.14. If applicable, the Department will work with Contractor to determine requirements for providing necessary workspace and State equipment for its End Users.

**29. Contract End-of-Life Transition Services**

29.1. General Requirements

29.1.1. If applicable, upon early termination or expiration of the Agreement the parties agree to cooperate in good faith to effectuate a secure transition of the services ("Transition Services") from the Contractor to the Department and, if applicable, the new Contractor ("Recipient") engaged by the Department to assume the services. Ninety (90) days prior to the end-of the contract or unless otherwise specified by the Department, the Contractor must begin working with the Department and if applicable, the Recipient to develop a Data Transition Plan (DTP). The Department shall provide the DTP template to the Contractor.

29.1.2. The Contractor must assist the Recipient, in connection with the transition from the performance of Services by the Contractor and its End Users to the performance of such Services. This may include assistance with the secure transfer of records (electronic and hard copy), transition of historical data (electronic and hard copy), the transition of any such Service from the hardware, software, network and telecommunications equipment and internet-related information technology infrastructure ("Internal IT Systems") of Contractor to the Internal IT Systems of the Recipient and cooperation with and assistance to any third-party consultants engaged by Recipient in connection with the Transition Services.

29.1.3. If a system, database, hardware, software, and/or software licenses (Tools) was purchased or created to manage, track, and/or store Department Data in relationship to this contract said Tools will be inventoried and returned to the Department, along with the inventory document, once transition of Department data is complete.

29.1.4. The internal planning of the Transition Services by the Contractor and its End Users shall be provided to the Department and if applicable the Recipient in a timely manner. Any such Transition Services shall be deemed to be Services for purposes of this Agreement.

29.1.5. In the event the data Transition extend beyond the end of the Agreement, the Contractor agrees that the Information Security Requirements, and if applicable, the Department's Business Associate Agreement terms and conditions remain in effect until the Data Transition is accepted as complete by the Department.

29.1.6. In the event the Contractor has comingled Department Data and the destruction or Transition of said data is not feasible, the Department and Contractor will jointly evaluate regulatory and professional standards for retention requirements prior to destruction, refer to the

terms and conditions of the Department's DHHS Information Security Requirements Exhibit.

29.2. Completion of Transition Services

29.2.1. Each service or transition phase shall be deemed completed (and the transition process finalized) at the end of 15 business days after the product, resulting from the Service, is delivered to the Department and/or the Recipient in accordance with the mutually agreed upon Transition plan, unless within said 15 business day term the Contractor notifies the Department of an issue requiring additional time to complete said product.

29.2.2. Once all parties agree the data has been migrated the Contractor will have 30 days to destroy the data per the terms and conditions of the Department's Information Security Requirements Exhibit.

29.3. Disagreement over Transition Services Results

29.3.1. In the event the Department is not satisfied with the results of the Transition Service, the Department shall notify the Contractor, in writing, stating the reason for the lack of satisfaction within 15 business days of the final product or at any time during the data Transition process. The Parties shall discuss the actions to be taken to resolve the disagreement or issue. If an agreement is not reached, at any time the Department shall be entitled to initiate actions in accordance with the Agreement.

**30. Exhibits Incorporated**

30.1. The Contractor must comply with the Federal Requirements in Exhibits D-H, and J which are attached hereto and incorporated by reference herein.

30.2. The Contractor must manage all confidential data related to this Agreement in accordance with the terms of Exhibit K, DHHS Information Security Requirements.

30.3. The Contractor must use and disclose Protected Health Information in compliance with the Standards for Privacy of Individually Identifiable Health Information (Privacy Rule) (45 CFR Parts 160 and 164) under the Health Insurance Portability and Accountability Act (HIPAA) of 1996, and in accordance with the attached Exhibit I, Business Associate Agreement, which has been executed by the parties.

**31. Additional Terms**

31.1. **Impacts Resulting from Court Orders or Legislative Changes**

31.1.1. The Contractor agrees that, to the extent future state or federal legislation or court orders may have an impact on the Services described herein, the State has the right to modify Service priorities

and expenditure requirements under this Agreement so as to achieve compliance therewith.

31.2. **Federal Civil Rights Laws Compliance: Culturally and Linguistically Appropriate Programs and Services**

31.2.1. The Contractor must submit:

31.2.1.1. 31.2.1.2. A written attestation, within 45 days of the Effective Date of the Agreement and annually thereafter, that all personnel involved the provision of services to individuals under this Agreement have completed, within the last 12 months, the Contractor Required Training Video on Civil Rights-related Provisions in DHHS Procurement Processes, which is accessible on the Department's website (https://www.dhhs.nh.gov/doing-business-dhhs/civil-right-compliance-dhhs-vendors); and

31.2.1.3. The Department's Federal Civil Rights Compliance Checklist within ten (10) days of the Effective Date of the Agreement. The Federal Civil Rights Compliance Checklist must have been completed within the last 12 months and is accessible on the Department's website (https://www.dhhs.nh.gov/doing-business-dhhs/civil-right-compliance-dhhs-vendors).

31.3. **Credits and Copyright Ownership**

31.3.1. All documents, notices, press releases, research reports and other materials prepared during or resulting from the performance of the services of the Agreement must include the following statement, "The preparation of this (report, document etc.) was financed under a Contract with the State of New Hampshire, Department of Health and Human Services, with funds provided in part by the State of New Hampshire and/or such other funding sources as were available or required, including, but not limited to, the United States Department of Health and Human Services."

31.3.2. All materials produced or purchased under the Agreement must have prior approval from the Department before printing,

production, distribution or use.

31.3.3. The Department must retain copyright ownership for any and all original materials produced, including, but not limited to reports, protocols, guidelines, brochures, posters, and resource directories.

31.3.4. The Contractor must not reproduce any materials produced under the Agreement without prior written approval from the Department.

31.4. **Operation of Facilities: Compliance with Laws and Regulations**

31.4.1. In the operation of any facilities for providing services, the Contractor must comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which must impose an order or duty upon the contractor with respect to the operation of the facility or the provision of the services at such facility. If any governmental license or permit must be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Agreement the facilities must comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and must be in conformance with local building and zoning codes, by-laws and regulations.

31.5. **Eligibility Determinations**

31.5.1. The Contractor must make eligibility determinations in accordance with applicable federal and state laws, regulations, orders, guidelines, policies and procedures.

31.5.2. The Contractor must ensure all applicants are permitted to fill out an application form and must notify each applicant of their right to request a fair hearing in accordance with New Hampshire RSA 126-A:5 and Department regulations.

**32. Records**

32.1. The Contractor must keep records that include, but are not limited to:

32.1.1. Books, records, documents and other electronic or physical data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor.

32.1.2. All records must be maintained in accordance with accounting

procedures and practices, which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs including, but not limited to, purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.

32.1.3. Statistical, enrollment, attendance or visit records for each recipient of services, which records must include all records of application and eligibility (including all forms required to determine eligibility for each such recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.

32.1.4. Medical records on each patient/recipient of services.

32.2. During the term of this Agreement and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives must have access to all reports and records maintained pursuant to the Agreement for purposes of audit, examination, excerpts and transcripts.

32.3. If, upon further review, the Department must disallow any expenses claimed by the Contractor as costs hereunder, the Department retains the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

# EXHIBIT C – Amendment #2

## Payment Terms

1. This Agreement is funded by:
   1.1. 0.18% Federal funds, Block Grants for Community Mental Health Services, as awarded on 12/6/24, by the Substance Abuse and Mental Health Services Administration, Center for Mental Health Services, ALN 93.958, FAIN B09SM090358.
   1.2. 1.31% Federal funds, PROHEALTH NH, as awarded on 8/25/22, by the Substance Abuse and Mental Health Services Administration, Center for Mental Health Services, ALN 93.243, FAIN H79SM080245.
   1.3. 0.99% Federal funds, NH Certified Community Behavioral Health Clinic Planning, as awarded on 3/15/23, by the Substance Abuse and Mental Health Services Administration, Center for Mental Health Services, ALN 93.829, FAIN H79SM087622
   1.4. 97.34% General funds.
   1.5. 0.18% Other funds (Behavioral Health Services Information System).
2. For the purposes of this Agreement the Department has identified:
   2.1. The Contractor as a Subrecipient, in accordance with 2 CFR 200.331.
   2.2. The Agreement as NON-R&D, in accordance with 2 CFR §200.332.
   2.3. The Indirect Cost Rate for this Agreement in the attached Budget Sheet(s).
3. Notwithstanding anything to the contrary herein, the Contractor agrees that funding under this Agreement may be withheld, in whole or in part, in the event of noncompliance with any state or federal law, rule or regulation applicable to the services provided, or if the said services have not been completed in accordance with the terms and conditions of this Agreement.
4. Mental Health Services provided by the Contractor shall be paid in order as follows:
   4.1. For Medicaid enrolled individuals through the Department Medicaid Fee for Service program in accordance with the current, publicly posted Fee for Service (FFS) schedule located at NHMMIS.NH.gov.
   4.2. For Managed Care Organization enrolled individuals, the Contractor shall be reimbursed pursuant to the Contractor's agreement with the applicable Managed Care Organization for such services.
   4.3. For individuals with other health insurance or other coverage for the services they receive, the Contractor will directly bill the other insurance or payors.

4.4. For individuals without health insurance or other coverage for the services they receive, and for operational costs contained in Exhibit C – Amendment #2, Payment Terms, or which the Contractor cannot otherwise seek reimbursement from an insurance or third-party payer, the Contractor will directly bill the Department to access contract funds provided through this Agreement.

5. All Medicaid/MCO invoicing shall follow billing and coding requirements outlined by the Department. For the purpose of Medicaid billing, a unit of service is described in the DHHS published CMH NH Fee Schedule, as may be periodically updated, or as specified in NH Administrative Rule He-M 400. However, for He-M 426.12 Individualized Resiliency and Recovery Oriented Services (IROS), a Unit of Service is defined as fifteen (15) minutes. The Contractor shall report and bill in whole units. The intervals of time in the table below define how many units to report or bill. All such limits may be subject to additional DHHS guidance or updates as may be necessary to remain in compliance with Medicaid standards.

| Direct Service Time | Unit Equivalent |
|---|---|
| 0-7 minutes | 0 units |
| 8-22 minutes | 1 unit |
| 23-37 minutes | 2 units |
| 38-52 minutes | 3 units |
| 53-60 minutes | 4 units |

6. The State shall pay the Contractor an amount not to exceed the Price Limitation, specified in Form P-37, General Provisions, Block 1.8. Payment shall be made on a cost reimbursement basis for allowable expenses for services provided in the fulfillment of this Agreement, as specified in Exhibit B – Amendment #2, Scope of Services, and in accordance with the Department approved individual program budgets and as specified in Table 1 below, which summarizes the other contract programs and their maximum allowable amounts.

6.13.1. A set rate shall be awarded per client served by the Contractor, indicated in the table listed in Section 6.13.1.1, Rate Table, which are rates set for the term of the contract.

**6.13.1.1. Rate Table**

| Rate | Amount | Eligibility | Payment Frequency |
|---|---|---|---|
| Pre-CTI | $128.79 | Minimum of one (1) encounter with the individual, in-person or virtual, to be eligible for this rate. All such encounters must occur prior to the individual's discharge from an inpatient setting. | Paid once per individual. |
| CTI (Phases 1-3) | $370.91 | Minimum of two (2) encounters during Phases 1 and 2, and a minimum of one (1) encounter during Phase 3 with the individual, in-person or virtual, to be eligible for this rate. Encounters must occur within the same calendar month to count towards the minimum. Pre-CTI encounters do not count towards this minimum. | Paid once per individual, per month, not to exceed nine (9) consecutive months. |

6.13.2. At the end of each quarter, the Department shall conduct a review of the Contractor's actual expenses relative to the rates

paid in accordance with the Rate Table in Section 6.13.1.1. The Contractor shall provide supporting documentation of actual expenses incured in fulfillment of Exhibit B – Amendment #2, Scope of Services, which include:

6.13.2.1. CTI worker salaries and benefits;

6.13.2.2. CTI supervisor salaries and benefits; and

6.13.2.3. Department-approved administrative costs, not to exceed an indirect cost rate of 18.5%.

6.13.3. If the actual costs incurred for providing services in Exhibit B – Amendment #2, Scope of Services, exceed the rates paid in accordance with amounts specified in the Rate Table in Section 6.13.1.1., then:

6.13.3.1. The Department may reimburse the Contractor in an amount equal to the actual expenses incurred, minus the rate paid for the services; and

6.13.3.2. The amount reimbursed to the Contractor shall not exceed the per diem expense line in Exhibit C-7, Budget – Amendment #2, over the term of the Agreement.

6.13.4. If the actual costs incurred for providing services in Exhibit B – Amendment #2, Scope of Services are less than the rates paid in accordance with amounts specified in the Rate Table in Section 6.13.1.1., then:

6.13.4.1. The Department may collect from the Contractor the amount of the difference between the rates paid in accordance with the Rate Table in Section 6.13.1.1., and the actual amounts of expenses incurrred.

6.13.4.2. Amounts of overpayments for the quarter as identifed by the calculation in Section 6.13.4.1. may be collected by written notice to the Contractor stating payment shall be made to the Department within 30 days of notification of overpayment.

6.13.5. The Contractor shall submit a monthly invoice in a form satisfactory to the Department with supporting documentation by the 15th day of the following month. Supporting documentation must demonstrate that the eligiblity requirements described above in the Rate Table in Section 6.13.1.1 have been met for each individual identified on the invoice.

6.13.6. The Contractor shall submit a monthly summary of all eligible program-related expenses, as identified in Section 6.13.2., in a form satisfactory to the Department with supporting documentation of expenses incurred by the 15th day of the month following the month in which services were provided.

6.13.7. The Contractor shall provide documentation for flexible funding in order to receive payments for flexible funding expenditures on a cost reimbursement basis, not to exceed the flexible funding line item defined in Exhibit C-7, Budget – Amendment #2. The Contractor shall ensure flexible funding expenditures incurred are:

6.13.7.1. Used to directly support the needs of the client when no other funds are available;

6.13.7.2. Used for one-time expenses tangible in nature;

6.13.7.3. Not disbursed as gift cards or gift certificates;

6.13.7.4. Directly allocable to the work performed under this Agreement;

6.13.7.5. Appropriate in amount and nature, as determined by the Department; and

6.13.7.6. Verified by supporting documentation, including, but not limited to, receipts of payment.

6.13.8. The Contractor may be eligible to receive payments to address extraordinary costs incurred in the fulfillment of this Agreement (herein contingency payments), as approved by the Department. This Agreement is one (1) of ten (10) Agreements with Vendors that will provide CTI services. The statewide total shared price limitation among all ten (10) Agreements is $25,000 for SFY 2026 and $25,000 for SFY 2027. No maximum or minimum funding amount per Contractor is guaranteed, and funding will be disbursed on a first come/first served basis. The Contractor may:

6.13.8.1. Apply for reimbursement of the expenses from the Department via a form satisfactory to the Department with applicable justifications; and

6.13.8.2. Be eligible for contingency payments, which support program related costs that exceed per diem and flex funding line items defined in Exhibit C-7, Budget – Amendment #2, and meet criteria as outlined by the Department at the time of application.

months of inactive participation, and have a closeout/final meeting within 14 days per or post the 9 month date.

6.13.9.3. The incentive target shall be available on a quarterly basis per SFY 2026 and SFY 2027, until the statewide total price limitation is reached each SFY, and based on data submitted by the Contractor via the Phoenix reporting system.

6.13.9.4. The Department will communicate eligibility for incentive payment achievement and reimbursement to the Contractor's CTI Supervisor and finance representative on a quarterly basis.

7. The Contractor shall submit an invoice with supporting documentation to the Department no later than the fifteenth (15th) working day of the month following the month in which the services were provided. The Contractor shall ensure each invoice:

7.1. Includes the Contractor's Vendor Number issued upon registering with New Hampshire Department of Administrative Services.

7.2. Is submitted in a form that is provided by or otherwise acceptable to the Department.

7.3. Identifies and requests payment for allowable costs incurred in the previous month.

7.4. Includes supporting documentation of allowable costs with each invoice that may include, but are not limited to, time sheets, payroll records, receipts for purchases, and proof of expenditures, as applicable.

7.5. Supporting documentation shall be labeled by line item.

7.6. Is completed, dated and returned to the Department with the supporting documentation for allowable expenses to initiate payment.

7.7. Is assigned an electronic signature, includes supporting documentation, and is emailed to dhhs.dbhinvoicesmhs@dhhs.nh.gov or mailed to:

Financial Manager
Department of Health and Human Services
129 Pleasant Street
Concord, NH 03301

8. The Department shall make payments to the Contractor within thirty (30) days of receipt of each invoice and supporting documentation for authorized expenses, subsequent to approval of the submitted invoice.

9. The final invoice and supporting documentation for authorized expenses shall be due to the Department no later than forty (40) days after the contract Completion Date specified in Form P-37, General Provisions Block 1.7.

10. Notwithstanding Paragraph 17 of the General Provisions Form P-37, changes limited to adjusting amounts within the price limitation and adjusting encumbrances between State Fiscal Years and budget class lines through the Budget Office may be made by written agreement of both parties, without obtaining approval of the Governor and Executive Council, if needed and justified.

11. Audits

    11.1. The Contractor must email an annual audit to dhhs.act@dhhs.nh.gov if any of the following conditions exist:

        11.1.1. Condition A - The Contractor is subject to a Single Audit pursuant to 2 CFR 200.501 Audit Requirements.

        11.1.2. Condition B - The Contractor is subject to audit pursuant to the requirements of NH RSA 7:28, III-b.

        11.1.3. Condition C - The Contractor is a public company and required by Security and Exchange Commission (SEC) regulations to submit an annual financial audit.

    11.2. If Condition A exists, the Contractor shall submit an annual Single Audit performed by an independent Certified Public Accountant (CPA) to dhhs.act@dhhs.nh.gov within 120 days after the close of the Contractor's fiscal year, conducted in accordance with the requirements of 2 CFR Part 200, Subpart F of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal awards.

        11.2.1. The Contractor shall submit a copy of any Single Audit findings and any associated corrective action plans. The Contractor shall submit quarterly progress reports on the status of implementation of the corrective action plan.

    11.3. If Condition B or Condition C exists, the Contractor shall submit an annual financial audit performed by an independent CPA within 120 days after the close of the Contractor's fiscal year.

    11.4. The Contractor, regardless of the funding source and/or whether Conditions A, B, or C exist, may be required to submit annual financial audits performed by an independent CPA upon request by the Department.

    11.5. In addition to, and not in any way in limitation of obligations of the Agreement, it is understood and agreed by the Contractor that the

Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department all payments made under the Agreement to which exception has been taken, or which have been disallowed because of such an exception, within sixty (60) days.

12. If applicable, the Contractor must request disposition instructions from the Department for any equipment, as defined in 2 CFR 200.313, purchased using funds provided under this Agreement, including information technology systems.

# INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Manchester Mental Health
Foundation, Inc. and Affiliates

## Opinion

We have audited the consolidated financial statements of Manchester Mental Health Foundation, Inc. and Affiliates (the Organization), which comprise the consolidated statements of financial position as of June 30, 2023 and 2022, the related consolidated statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements (collectively, the financial statements).

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as of June 30, 2023 and 2022, and the results of their operations, changes in net assets and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

## Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a period of one year after the date that the financial statements are issued or available to be issued.

To the Board of Directors
Manchester Mental Health
Foundation, Inc. and Affiliates

**Auditors' Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

## 1. Summary of Significant Accounting Policies

*Nature of Operations*

The Mental Health Center of Greater Manchester, Inc. (the Center) is a not-for-profit corporation organized under New Hampshire law to provide services in the areas of mental health, and related nonmental health programs. The Center is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. Amoskeag Residences, Inc. (Amoskeag), a not-for-profit corporation formed through the Center, was organized to acquire real property in Manchester, New Hampshire and to operate thereon a project group home under a Section 202 direct loan of the National Housing Act. The project is regulated by the United States Department of Housing and Urban Development (HUD), and serves on average 12 chronically mentally ill individuals in New Hampshire. Amoskeag received funding under Section 8 of the National Housing Act and is subject to a housing assistance payments agreement.

In July 1990, the Center was reorganized and Manchester Mental Health Foundation, Inc. (the Foundation) became the sole corporate member of the Center. The Foundation is also a 501(c)(3). The Foundation's purpose is to raise and invest funds for the benefit of the Center.

In July 2017, the Center acquired commercial real estate in Manchester, New Hampshire that it previously leased a portion of. As of June 30, 2023, the Center occupies approximately 40,000 square feet of the approximately 65,000 square feet in the building (the Center occupied 44,000 square feet as of June 30, 2022). The remaining square footage is leased to unrelated third parties.

*Basis of Presentation and Principles of Consolidation*

The consolidated financial statements include the accounts of the Foundation, the Center and Amoskeag, collectively referred to as the Organization. All inter-company transactions and accounts have been eliminated in consolidation.

*Use of Estimates*

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

1. **Summary of Significant Accounting Policies (Continued)**

*Income Taxes*

The Organization consists of not-for-profit entities as described in Section 501(c)(3) of the Internal Revenue Code, and is exempt from federal income taxes on related income pursuant to Section 501(a) of the Code. The Organization believes that it has appropriate support for the income tax positions taken and to be taken, and that its accruals for tax liabilities are adequate for all open tax years based on an assessment of many factors including experience and interpretations of tax laws applied to the facts of each matter. Management evaluated the Organization's tax positions and concluded the Organization has maintained its tax-exempt status, does not have any significant unrelated business income, has taken no significant uncertain tax positions that require disclosure in the accompanying consolidated financial statements and has no material liability for unrecognized tax benefits.

*Cash, Cash Equivalents, Restricted Cash and Certificates of Deposit*

The Organization considers cash in bank and all other highly liquid investments with an original maturity of three months or less to be cash and cash equivalents. The Organization maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits. The Organization has not experienced any losses in such accounts and believes it is not exposed to any significant risk on these accounts.

Restricted cash consists of cash received by the Organization for resident deposits and replacement reserves as required by HUD. The cash received is recorded as restricted cash and a corresponding payable or deposit liability is recorded in the accompanying consolidated statements of financial position. The Organization maintains its restricted cash in bank deposit accounts which, at times, may exceed federally insured limits. The Organization has not experienced losses in such accounts and believes it is not exposed to any significant risks on these accounts.

Certificates of deposit that are reported as current have a maturity of twelve months or less, while those reported as long-term have a maturity of over twelve months.

In accordance with Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) No. 2016-18, *Statement of Cash Flows (Topic 230): Restricted Cash (a consensus of the FASB Emerging Issues Task Force)*, cash and restricted cash are presented together in the consolidated statement of cash flows.

The following table provides a reconciliation of cash and cash equivalents and restricted cash reported within the consolidated statements of financial position at that sum to the total of the same such amounts shown in the consolidated statements of cash flows:

| | 2023 | 2022 |
|---|---|---|
| Cash and cash equivalents | $ 3,632,213 | $10,840,998 |
| Restricted cash | 132,313 | 137,480 |
| Total cash, cash equivalents and restricted cash | $ 3,764,526 | $10,978,478 |

*Patient Accounts Receivable*

Patient accounts receivable for which the unconditional right to payment exists are receivables if the right to consideration is unconditional and only the passage of time is required before payment of that consideration is due. The estimated uncollectible amounts are generally considered implicit price concessions that are a direct reduction to accounts receivable rather than an allowance for doubtful accounts. Implicit price concessions relate primarily to amounts due directly from patients. Estimated implicit price concessions are recorded for all uninsured accounts, regardless of the aging of those accounts. Accounts are written off when all reasonable internal and external collection efforts have been performed. The estimates for implicit price concessions are based upon management's assessment of historical writeoffs and expected net collections, business and economic conditions, and other collection indicators. Management relies on the results of detailed reviews of historical write-offs and collections as a primary source of information in estimating the collectability of its accounts receivable. Management believes its regular updates to the implicit price concession amounts provide reasonable estimates of revenues and valuations of accounts receivable. These routine, regular changes in estimates have not resulted in material adjustments to the valuations of accounts receivable or period-to-period comparisons of operations.

*Other Accounts Receivable*

Other accounts receivable consists of amounts due from various grants and contracts entered into with the State of New Hampshire and federal government related to providing mental health services, amounts due from third-party managed care organizations and amounts due for services provided to other not-for-profit organizations. The amounts due from not-for-profit organizations and state and federal grants billed to the respective agencies are expected to be fully collectible. Accordingly, no allowance for doubtful amounts has been established. Amounts due from third-party managed care organizations represent management's best estimate of variable consideration expected to be received, and has been constrained to ensure a significant reversal of revenue will not occur.

*Property and Equipment and Construction Commitments*

Property and equipment are carried at cost if purchased or at estimated fair value at date of donation in the case of gifts, less accumulated depreciation. The cost of property, equipment and improvements is depreciated over the estimated useful life of the assets using the straight line method. Assets deemed to have a useful life greater than three years are deemed capital in nature. Estimated useful lives range from 3 to 40 years. Maintenance and repairs are charged to expense as incurred. At June 30, 2023 and 2022, the Organization has outstanding construction commitments totaling approximately $825,473 and $3,226,495, respectively, to expand an existing facility. Construction of this facility commenced in June 2022 and was completed in August 2023. A construction loan has been entered into to finance this project. See note 9.

*Debt Issuance Costs*

Costs associated with the issuance of long-term debt are initially capitalized and amortized to interest expense over the respective life of the related obligation. The unamortized portion of debt issuance costs is presented as a component of long-term debt.

*Vacation Pay and Fringe Benefits*

Vacation pay is accrued and charged to the programs when earned by the employee. Fringe benefits are allocated to the appropriate program expense based on the percentage of actual time spent on the programs.

*Program Service Fees*

Program service fee revenue is reported at the amount that reflects the consideration to which the Organization expects to be entitled in exchange for providing patient care. These revenues generally relate to contracts with patients in which the Organization's performance obligations are to provide health care services to patients. Revenues are recorded during the period obligations to provide health care services are satisfied. Performance obligations for services are generally satisfied over a period of less than one day.

The contractual relationships with patients, in most cases, also involve a third-party payor (Medicaid, Medicare, managed care organizations and commercial insurance companies) and the transaction prices for the services provided are dependent upon the terms provided by Medicaid, Medicare, managed care organizations and commercial insurance companies, the third-party payors. The payment arrangements with third-party payors for the services provided to related patients typically specify payments at amounts less than standard charges. The Organization receives reimbursement from Medicare, Medicaid and insurance companies at defined rates for services to clients covered by such third-party payor programs. Management continually reviews the revenue recognition process to consider and incorporate updates to laws and regulations and the frequent changes in managed care contractual terms resulting from contract renegotiations and renewals.

Settlements with third-party payors are considered variable consideration and are included in the determination of the estimated transaction price for providing patient care. These settlements are estimated based on the terms of the payment agreement with the payor, correspondence from the payor and the Organization's historical settlement activity, including an assessment to ensure that it is probable that a significant reversal in the amount of cumulative revenue recognized will not occur when the uncertainty associated the adjustment is subsequently resolved. Estimated settlements are adjusted in future periods as adjustments become known.

*Rental Income*

Rental income from operating leases leased by third parties is recognized over time on a straight-line basis in nonoperating revenue (expenses) over the noncancelable term of the related leases. Recognition of rental income commences when the tenant takes control of the space. Judgment is required to determine when a tenant takes control of the space, and accordingly, when to commence the recognition of rent. The Organization's leases generally provide for minimum rent and contain renewal options.

*State and Federal Grant Revenue and Expenditures*

The Center receives a number of grants from, and has entered into various contracts with, the State of New Hampshire and Federal government related to providing mental health services. Revenues and expenses under state and federal grant programs are recognized over time as the related expenditure is incurred. Grant monies that are advanced to the Organization prior to fiscal year end are recorded as deferred revenue until such time funds are expended.

*Other Income*

Other income predominately pertains to the portion of Medicaid capitated payments that exceed the standard fee for service reimbursement (based on a Department of Health and Human Services rate schedule) that the Center receives. Capitation is a payment methodology under which a provider receives a fixed amount per person to provide health care services to a specified population of patients during a specified time period. The Center is paid the fixed amount per person regardless of whether that person receives services or not. Other components of other income include meaningful use revenues, Medicaid directed payments, and other miscellaneous sources of income that are recognized when earned or upon receipt if the ultimate payment to be received is not estimable.

*Performance Indicator*

Excess of revenues over expenses is comprised of operating revenues and expenses and nonoperating revenues and expenses. For purposes of display, transactions deemed by management to be ongoing, major or central to the provision of health care services are reported as operating revenue and expenses. Peripheral or incidental transactions are reported as nonoperating revenues or expenses, which include contributions, rental activities, net investment return, other nonoperating expenses, and contributions to charitable organizations.

*Net Assets With Donor Restrictions*

Gifts are reported as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires (when a stipulated time restriction ends or purpose restriction is accomplished), restricted net assets are reclassified as net assets without donor restrictions and reported in the consolidated statement of operations as either net assets released from restrictions for operations (for noncapital-related items) or net assets released from restrictions for property, plant and equipment (for capital-related items). Some restricted net assets have been restricted by donors to be maintained by the Organization in perpetuity.

1. **Summary of Significant Accounting Policies (Continued)**

Except for contributions related to capital purchases, donor-restricted contributions whose restrictions are met within the same year as received are reported as contributions without donor restrictions in the accompanying consolidated financial statements.

*Assets Whose Use is Limited or Restricted*

Assets whose use is limited or restricted consist of donor-restricted funds.

*Investments and Investment Income*

Investments, including assets whose use is limited or restricted, are measured at fair value in the consolidated statements of financial position. Interest income on operating cash is reported within operating revenues. Net investment return on investments and assets whose use is limited or restricted (including realized and unrealized gains and losses on investments, investment fees and interest and dividends) is reported as nonoperating revenues and expenses. The Organization has elected to reflect changes in the fair value of investments and assets whose use is limited or restricted, including both increases and decreases in value whether realized or unrealized in nonoperating revenues or expenses.

*Investment Return Objectives, Risk Parameters and Strategies*

The Foundation has board designated and endowment assets. The Foundation has adopted investment policies, approved by the Board of Directors, for endowment assets that attempt to maintain the purchasing power of those endowment assets over the long term. Accordingly, the investment process seeks to achieve an after-cost total real rate of return, including investment income as well as capital appreciation, which exceeds the annual distribution with acceptable levels of risk. Endowment assets are invested in a well-diversified asset mix, which includes equity and debt securities, that is intended to result in a consistent inflation-protected rate of return that has sufficient liquidity to make an annual distribution of accumulated interest and dividend income to be reinvested or used as needed, while growing the funds if possible. Actual returns in any given year may vary from this amount. Investment risk is measured in terms of the total endowment fund; investment assets and allocation between asset classes and strategies are managed to reduce the exposure of the fund to unacceptable levels of risk.

*Spending Policy for Appropriation of Assets for Expenditure*

The Board of Directors of the Foundation determines the method to be used to appropriate endowment funds for expenditure. As a guideline, approximately 5% of the total value of the three year quarterly average of available funds is intended to be distributed annually. The corresponding calculated spending allocations are distributed in an annual installment from the current net total or accumulated net total investment returns for individual endowment funds. In establishing this policy, the Board of Directors considered the expected long-term rate of return on its endowment.

*Retirement Benefits*

The Center maintains a tax-sheltered annuity benefit program, which covers substantially all employees. Eligible employees may contribute up to maximum limitations (set annually by the IRS) of their annual salary. After one year's employment, the employee's contributions are matched by the Center up to 5% of their annual salary. The combined amount of employee and employer contributions is subject by law to yearly maximum amounts. The employer match was $748,014 and $754,330 for the years ended June 30, 2023 and 2022, respectively.

*Extended Illness Leave Plan*

The Center sponsors an unfunded extended illness leave plan for employees. Employees with at least 10 years of service are eligible to receive a lump sum payout of up to 100% of any accrued unused extended illness leave, based upon years of service at retirement. The Center incurred extended illness leave expenses totaling $53,370 and $64,478 during the years ended June 30, 2023 and 2022, respectively. The Center expects to make employer contributions totaling $34,500 for the fiscal year ending June 30, 2024. Liabilities recognized are based on a third party actuarial analysis.

The following table sets forth the change in the Center's extended illness leave plan liability during the years ended June 30:

| | 2023 | 2022 |
|---|---|---|
| Statement of financial position liability at beginning of year | $(446,234) | $(489,022) |
| Net actuarial gain arising during the year | 17,521 | 17,759 |
| Increase from current year service and interest cost | (60,559) | (64,478) |
| Contribution made during the year | 9,466 | 89,507 |
| Statement of financial position liability at end of year | $(479,806) | $(446,234) |

*Postretirement Health Benefit Plan*

The Center sponsors an unfunded defined benefit postretirement plan covering certain of its employees (employed prior to January 1, 1997). In 2007, all eligible active employees were offered and accepted a buyout of the program leaving the plan to provide medical benefits to eligible retired employees. As a result, no additional employees will be enrolled in the plan. Only current retirees participate in the plan.

During 1997, the Center amended the plan to freeze monthly premiums at their December 31, 1996 level and to no longer provide the postretirement benefit to employees hired after December 31, 1996. The Center recognized a net postretirement health benefit totaling $633 and $833 during the years ended June 30, 2023 and 2022, respectively. The Center expects to make employer contributions totaling $10,400 for the fiscal year ending June 30, 2024.

1. **Summary of Significant Accounting Policies (Continued)**

The following table sets forth the change in the Center's postretirement health benefit plan liability, as calculated by a third party actuary during the years ended June 30:

| | 2023 | 2022 |
|---|---|---|
| Statement of financial position liability at beginning of year | $ (63,525) | $ (58,514) |
| Net actuarial gain (loss) arising during the year | 740 | (17,706) |
| Increase from current year service and interest cost | (2,584) | (1,531) |
| Contributions made during the year | 14,226 | 14,226 |
| Statement of financial position liability at end of year | $ (51,143) | $ (63,525) |

*Malpractice Loss Contingencies*

The Center has an occurrence basis policy for its malpractice insurance coverage. An occurrence basis policy provides specific coverage for claims resulting from incidents that occur during the policy term, regardless of when the claims are reported to the insurance carrier. The possibility exists, as a normal risk of doing business, that malpractice claims in excess of insurance coverage may be asserted against the Center. In the event a loss contingency should occur, the Center would give it appropriate recognition in its consolidated financial statements.

*Functional Expense Allocation*

The costs of providing program services and other activities have been summarized on a functional basis in the consolidating statement of functional expenses. Accordingly, costs have been allocated among program services and supporting services benefitted.

*Leases*

In February 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2016-02, *Leases (Topic 842)*. Under ASU 2016-02, at the commencement of a long-term lease, lessees are required to recognize a liability equivalent to the discounted payments due under the lease agreement, as well as an offsetting right-of-use asset. The guidance is effective for the Organization on July 1, 2022. Subsequently, the FASB issued ASU 2018-11, *Leases (Topic 842): Targeted Improvements*, which is intended to reduce costs and ease implementation of the leases standard for financial statement preparers. Under these standards, lessees (for capital and operating leases) may initially apply the new leases standard at the adoption date and recognize a cumulative-effect adjustment at the opening balance of shareholders' equity while continuing to present comparative periods in accordance with current U.S. GAAP in Topic 841, *Leases*. The Organization adopted these standards on July 1, 2022. See note 10 for a discussion of the Organization's adoption of these standards and its impact on the financial statements and related disclosures.

## 1. Summary of Significant Accounting Policies (Continued)

At inception of a contract, the Organization determines if a contract meets the definition of a lease. A lease is a contract, or part of a contract, that conveys the right to control the use of identified property, plant, or equipment (an identified asset) for a period of time in exchange for consideration. The Organization determines if the contract conveys the right to control the use of an identified asset for a period of time. The Organization assesses throughout the period of use whether the Organization has both of the following: (1) the right to obtain substantially all of the economic benefits from use of the identified asset, and (2) the right to direct the use of the identified asset. This determination is reassessed if the terms of the contract are changed. Leases are classified as operating or finance leases based on the terms of the lease agreement and certain characteristics of the identified asset. Right-of-use assets and lease liabilities are recognized at lease commencement date based on the present value of the minimum future lease payments.

The Organization applies ASC 842, *Leases*, to account for its operating leases. Operating lease liabilities are recognized at the lease commencement date based on the present value of lease payments over the lease term. The Organization uses the risk-free rate based on the information available at the lease commencement date determining the present value of future payments because the implicit rate of the lease is generally not known. The expected lease term for leases commencing after the adoption of ASC 842 includes noncancelable lease periods and, when applicable, periods covered by an option to extend the lease if the Organization is reasonably certain to exercise that option, as well as periods covered by an option to terminate the lease if the Organization is reasonably certain not to exercise that option. Operating lease right-of-use (ROU) assets related to the operating lease liabilities are measured at lease inception based on the initial measurement of lease liability, plus any prepaid lease payments and less any lease incentives. The ROU assets are amortized as operating lease expense generally on a straight-line basis over the lease term, and both the lease amortization and imputed interest are classified as operating expenses.

*Subsequent Events*

Events occurring after the consolidated statement of financial position date are evaluated by management to determine whether such events should be recognized or disclosed in the consolidated financial statements. Management has evaluated subsequent events through January 26, 2024 which is the date the consolidated financial statements were available to be issued.

## 2. Program Service Fees From Third-Party Payors

The Center has agreements with third-party payors that provide payments to the Center at established rates. These payments include:

*New Hampshire and Managed Medicaid* - The Center is reimbursed for services from the State of New Hampshire and Managed Care Organizations for services rendered to Medicaid clients on the basis of fixed fee for service and case rates.

## 2. Program Service Fees From Third-Party Payors (Continued)

Approximately 79% and 78% of program service fee revenue is from participation in the state and managed care organization sponsored Medicaid programs for the years ended June 30, 2023 and 2022, respectively. Laws and regulations governing the Medicaid programs are complex and subject to interpretation and change. As a result, it is reasonably possible that recorded estimates could change materially in the near term.

## 3. Patient Accounts and Other Receivables

Patient accounts receivable consists of the following at June 30:

| | 2023 | 2022 | 2021 |
|---|---|---|---|
| Due from clients | $ 273,957 | $ 117,302 | $191,284 |
| Managed Medicaid | 80,163 | 172,440 | 226,030 |
| Medicaid receivable | 284,203 | 276,112 | 269,081 |
| Medicare receivable | 56,033 | 76,042 | 71,902 |
| Other insurance | 648,482 | 546,026 | 90,716 |
| | $1,342,838 | $1,187,922 | $849,013 |

Other accounts receivable consists of the following at June 30:

| | 2023 | 2022 | 2021 |
|---|---|---|---|
| State and federal grants receivable | $ 486,342 | $1,044,868 | $ 903,799 |
| Amounts due (to) from third-party payors | (647,818) | 264,062 | 393,170 |
| Amounts due from other not-for-profit organizations | 635,060 | 298,454 | 327,825 |
| | $ 473,584 | $1,607,384 | $1,624,794 |

## 4. Investments and Assets Whose Use is Limited or Restricted

*Investments and Certificates of Deposit*

Investments, stated at fair value, are comprised of the following at June 30:

| | 2023 | 2022 |
|---|---|---|
| Cash and cash equivalents | $ 39,188 | $1,736,037 |
| Certificate of deposit – APA reserve | 258,761 | 258,632 |
| Certificates of deposit - other | 4,069,245 | – |
| Fixed income securities | 735,118 | 764,002 |
| Mutual funds | 6,216,204 | 4,424,204 |
| Marketable alternative investments measured at net asset values | 344,518 | 351,623 |
| Money market funds | 1,253,277 | – |
| | $12,916,311 | $7,534,498 |

*Assets Whose Use is Limited or Restricted*

The composition of assets whose use is limited or restricted, stated at fair value, is as follows at June 30:

| | 2023 | 2022 |
|---|---|---|
| Donor restricted: | | |
| Cash and cash equivalents | $ 2,134 | $115,565 |
| Fixed income securities | 40,021 | 50,858 |
| Common stock and mutual funds | 406,654 | 301,042 |
| | $448,809 | $467,465 |

Interest and dividend income, investment fees and net realized and unrealized gains and losses from assets whose use is limited and investments included in nonoperating revenues and expenses are comprised of the following at June 30:

| | 2023 | 2022 |
|---|---|---|
| Interest and dividend income: | | |
| Without donor restrictions | $ 253,275 | $ 230,343 |
| With donor restrictions | (8,402) | 9,479 |
| Investment fees: | | |
| Without donor restrictions | (36,682) | (32,216) |
| With donor restrictions | 1,217 | (1,326) |
| Net realized (losses) gains: | | |
| Without donor restrictions | (131,799) | 62,118 |
| With donor restrictions | 4,372 | 2,556 |
| Net unrealized gains (losses): | | |
| Without donor restrictions | 477,603 | (1,043,700) |
| With donor restrictions | (15,843) | (42,949) |
| | $ 543,741 | $ (815,695) |

## 5. Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. In determining fair value, the use of various valuation approaches, including market, income and cost approaches, is permitted.

A fair value hierarchy has been established based on whether the inputs to valuation techniques are observable or unobservable. Observable inputs reflect market data obtained from sources independent of the reporting entity and unobservable inputs reflect the entity's own assumptions about how market participants would value an asset or liability based on the best information available. Valuation techniques used to measure fair value must maximize the use of observable inputs and minimize the use of unobservable inputs. The standard describes a fair value hierarchy based on three levels of inputs, of which the first two are considered observable and the last unobservable, that may be used to measure fair value.

The following describes the hierarchy of inputs used to measure fair value and the primary valuation methodologies used by the Organization for financial instruments measured at fair value on a recurring basis. The three levels of inputs are as follows:

Level 1 - Observable inputs such as quoted prices in active markets;

Level 2 - Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and

Level 3 - Unobservable inputs in which there is little or no market data.

Assets and liabilities measured at fair value are based on one or more of three valuation techniques. The three valuation techniques are as follows:

- *Market approach* – Prices and other relevant information generated by market transactions involving identical or comparable assets or liabilities;
- *Cost approach* – Amount that would be required to replace the service capacity of an asset (i.e., replacement cost); and
- *Income approach* – Techniques to convert future amounts to a single present amount based on market expectations (including present value techniques).

In determining the appropriate levels, the Organization performs a detailed analysis of the assets and liabilities. There have been no changes in the methodologies used at June 30, 2023 or 2022.

The following is a description of the valuation methodologies used:

## 5. Fair Value Measurements (Continued)

*Certificates of Deposit and Fixed Income Securities*

The fair value is determined by using broker or dealer quotations, external pricing providers, or alternative pricing sources with reasonable levels of price transparency, which are primarily classified as Level 1 within the fair value hierarchy.

*Mutual Funds*

Mutual funds are valued based on the closing net asset value (NAV) of the fund as reported in the active market in which the security is traded, which generally results in classification as Level 1 within the fair value hierarchy.

*Alternative Investments Measured at NAV*

The Organization invests in certain alternative investments that may include limited partnership interests in investment funds, which, in turn, invest in diversified portfolios predominantly comprised of equity and fixed income securities, as well as options, futures contracts, and some other less liquid investments. Management has approved procedures pursuant to the methods in which the Organization values these investments at fair value, which ordinarily will be the amount equal to the pro-rata interest in the net assets of the limited partnership, as such value is supplied by, or on behalf of, each investment from time to time, usually monthly and/or quarterly by the investment manager. These investments are classified at net asset value.

Organization management is responsible for the fair value measurements of alternative investments reported in the consolidated financial statements. Such amounts are generally determined using audited financial statements of the funds and/or recently settled transactions. Because of inherent uncertainty of valuation of certain alternative investments, the estimate of the fund manager or general partner may differ from actual values, and differences could be significant. Management believes that reported fair values of its alternative investments at the consolidated statement of financial position dates are reasonable.

## 5. Fair Value Measurements (Continued)

The following table presents by level, within the fair value hierarchy, the Foundation investments and assets limited as to use, as of June 30, 2023 and 2022. As required by professional accounting standards, investment assets are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement.

Depreciation expense for the year ended June 30, 2023 was $1,016,683 of which $965,903 is reflected in operations and $50,780 is reflected in nonoperating activity related to rental properties. Depreciation expense for the year ended June 30, 2022 was $841,603 of which $756,920 is reflected in operations and $84,683 is reflected in nonoperating activity related to rental properties.

## 7. Deferred Revenue

Deferred revenue consisted of the following at June 30:

| | 2023 | 2022 |
|---|---|---|
| TUFTS Senior Grant | $13,425 | $55,304 |
| Miscellaneous deferred revenue | 6,064 | 604 |
| YEP grant funds | 15,440 | 26,165 |
| | $34,929 | $82,073 |

## 8. Line of Credit

As of June 30, 2023 and 2022, the Center had available a line of credit with a bank providing for maximum borrowings of $2,500,000. There were no borrowings outstanding at June 30, 2023 and 2022. The line is secured by all business assets of the Center and was not utilized as of June 30, 2023. These funds are available with interest charged at TD Bank, N.A. base rate (3.25% as of June 30, 2023). The line of credit is due on demand and is set to expire on April 30, 2024.

## 9. Long-Term Debt

On April 20, 2020, the Organization entered into a promissory note for an unsecured loan in the amount of $4,390,000 through the Paycheck Protection Program (PPP) established by the CARES Act and administered by the U.S. Small Business Administration (SBA). The PPP provides loans to qualifying organizations for amounts up to 2.5 times the average monthly payroll expenses of the qualifying organization. The loan and accrued interest had original terms that were forgivable as long as the borrower used the loan proceeds for eligible purposes, including payroll, benefits, rent and utilities, and maintains its payroll levels for an eight-week period or a 24-week covered period, as defined. The amount of loan forgiveness would be reduced if the borrower terminated employees or reduced salaries during the covered period. Certain modifications to PPP loan terms were signed into law in June 2020 and October 2020 that changed the forgiveness, covered period, deferral period and forgiveness periods. The PPP loan was made for the purpose of securing funding for salaries and wages of employees that may have otherwise been displaced by the outbreak of COVID-19 and the resulting detrimental impact on the Organization's operations. The loan bore interest at 1.0%, with principal and interest payments deferred until the date the SBA remits forgiveness to the lender or ten months following the end of the covered period. After that, the loan and interest would be paid back over a period of two years, if the loan is not forgiven under the terms of the PPP.

On August 2, 2021, the Organization received approval for full forgiveness from the SBA. Upon receiving full forgiveness during the year ended June 30, 2022, the Organization recorded a gain on extinguishment of long-term debt for the full $4,390,000 and forgiven accrued interest of $52,424 for a total amount recognized of $4,442,424.

On May 25, 2022, the Organization entered into a promissory note with the New Hampshire Housing Finance Authority (NHHFA). NHHFA provides for construction advances and will provide up to $1,500,000 interest free for the use of construction and renovations of 323 Manchester Street in the City of Manchester, New Hampshire. If the Organization remains compliant with the note's requirements, the note will be extinguished in full after a term of thirty years. As of June 30, 2023, the full $1,500,000 of the loan has been drawn against incurred construction costs to date.

## 9. Long-Term Debt (Continued)

Long-term debt consisted of the following at June 30:

| | 2023 | 2022 |
|---|---|---|
| Bond payable to a bank, due July 2027, with interest only payments at 3.06% through February 2026. Fixed principal payments commence March 2026. Secured by specific real estate | $5,760,000 | $5,760,000 |
| Note payable to a bank, due March 2026, monthly principal payments of $23,433, plus interest at a 4.4% interest rate per annum. Secured by specific real estate | 704,285 | 937,289 |
| Note payable to a bank, due July 2025, monthly principal and interest payments of $1,221 at a 3.27% interest rate. Secured by specific real estate | 29,524 | 42,959 |
| Promissory note payable to NHHFA for construction and renovations, no monthly principal or interest payments | 1,500,000 | 17,253 |
| | 7,993,809 | 6,757,501 |
| Less current portion | (248,019) | (246,442) |
| Less unamortized debt issuance costs | (53,176) | (53,176) |
| | $7,692,614 | $6,457,883 |

In connection with the line of credit, note payable and bond payable agreements, the Center is required to comply with certain restrictive financial covenants including, but not limited to, debt service coverage and days cash on hand ratios. At June 30, 2023, the Organization was in compliance with these restrictive covenants.

Aggregate principal payments on long-term debt due within the next five years and thereafter are as follows:

| Year ending June 30: | |
|---|---|
| 2024 | $ 248,019 |
| 2025 | 247,362 |
| 2026 | 314,486 |
| 2027 | 292,857 |
| 2028 | 277,957 |
| Thereafter | 6,613,128 |
| | $7,993,809 |

Interest expense for the years ending June 30, 2023 and 2022 was $227,163 and $253,531, respectively. In accordance with ASU 2015-03, the amortization of debt issuance costs of $10,461 is reflected in interest expense at June 30, 2022. The remaining balance of $227,163 and $243,070, respectively, is interest related to the above debt for the years ended June 30, 2023 and 2022, respectively.

## 10. Leases

*Adoption of ASC Topic 842, Leases (ASC 842)*

ASC 842 became effective for the Organization on July 1, 2022 and was adopted using the modified retrospective method for all leases that had commenced as of the effective date, along with certain available practical expedients. The Organization elected to recognize any effects of applying the new standards as a cumulative-effect adjustment to the opening balance of retained earnings in the period of adoption, which there were none. In addition, the Organization elected to adopt the package of practical expedients permitted under the transition guidance within the new standard. The practical expedient package applied to leases that commenced prior to the effective date of the new standard and permits a reporting entity not to: 1) reassess whether any expired or existing contracts are or contain leases, ii) reassess the historical lease classification for any expired or existing leases, and iii) reassess initial direct costs for any existing leases. The reporting results for 2023 reflect the application of ASC 842 guidance while the historical results for 2022 were prepared under the guidance of ASC 842. The adoption of the new standard did not have a significant impact upon the Organization's statements of operations and cash flows. The adoption of the new standard resulted in the following impact to the statements of financial position: the recording of right-of-use assets and corresponding lease liabilities pertaining to the Organization's operating leases on the statements of financial position.

*Operating Leases*

On July 1, 2022, the Organization recorded new operating lease right-of-use assets and operating lease liabilities of $51,126 for its leases. The operating leases are included in the operating lease right-of-use assets, current portion of operating lease liabilities, and operating lease liabilities on the accompanying statements of financial position as of June 30, 2023. These assets and liabilities were recognized on July 1, 2022 based on the present value of remaining lease payments over the lease term using the risk-free rate as of July 1, 2022.

During the year ended June 30, 2023, the total lease cost associated with the Organization's operating leases was $40,186.

Lease cash flow and supplemental noncash information for the year ended June 30, 2023 are as follows:

| | |
|---|---|
| Operating leases – operating cash flows (fixed payments) | $40,186 |
| Operating leases – new right-of-use assets and operating lease liabilities recorded under adoption of ASC 842 | – |

*Lease Term and Discount Rate*

Lease term and discount rate are as follows for the fiscal year ended June 30, 2023:

| | |
|---|---|
| Weighted-average remaining lease term (in years) | 0.75 |
| Weighted-average discount rate | 2.83% |

## 10. Leases (Continued)

As of June 30, 2023, maturities of operating lease liabilities for the following years were as follows:

| | |
|---|---|
| 2024 | $10,508 |
| 2025 | 1,255 |
| Total undiscounted operating lease payments | 11,763 |
| Less imputed interest | (109) |
| | $11,654 |

Rent expense for the year ended June 30, 2022 was $93,751.

## 11. Leases in Financial Statements of Lessors

In July 2017, the Center acquired an office building it previously partially leased located at 2 Wall Street in Manchester, New Hampshire. The Center leases the real estate it does not occupy to nonrelated third parties. Aggregate future minimum lease payments to be received from tenants under noncancelable operating leases with terms of one year or more as of June 30, 2023 are as follows:

| | |
|---|---|
| 2024 | $313,872 |
| 2025 | 194,205 |
| 2026 | 141,626 |
| 2027 | 41,010 |
| | $690,713 |

Rental revenue related to these noncancelable operating leases was $410,186 and $397,385 for the years ended June 30, 2023 and 2022, respectively.

## 12. Concentrations of Credit Risk

The Center grants credit without collateral to its clients, most who are area residents and are insured under third-party payor agreements. The mix of receivables due from clients and third-party payors is as follows at June 30:

| | 2023 | 2022 |
|---|---|---|
| Due from clients | 41% | 38% |
| Managed Medicaid | 9 | 11 |
| Medicaid receivable | 11 | 12 |
| Medicare receivable | 3 | 4 |
| Other insurance | 36 | 35 |
| | 100% | 100% |

## 13. Net Assets With Donor Restrictions

Net assets with donor restrictions are available for the following purposes at June 30:

| | 2023 | 2022 |
|---|---|---|
| Purpose restriction: | | |
| Educational scholarships and program related activities | $216,512 | $235,168 |
| Perpetual in nature: | | |
| Investments to be held in perpetuity, the income from which is restricted to support educational scholarships and program related activities | 232,297 | 232,297 |
| | $448,809 | $467,465 |

## 14. Liquidity and Availability

Financial assets available for general expenditure within one year of the statement of financial position date, consist of the following at June 30, 2023:

| | |
|---|---|
| Financial assets at year end: | |
| Cash and cash equivalents | $ 3,632,213 |
| Patient accounts receivable | 1,342,838 |
| Other accounts receivable | 473,584 |
| Certificates of deposit | 4,069,245 |
| Investments | 8,847,066 |
| Financial assets available to meet general expenditures within one year | $18,364,946 |

The Foundation receives contributions restricted by donors, and considers contributions restricted for programs which are ongoing, major and central to its annual operations to be available to meet cash needs for general expenditures.

**EXPLANATION**

This request is **Sole Source** because MOP 150 requires all amendments to agreements originally approved as sole source to be identified as sole source. The Contractors are the only authorized contractors able to provide the necessary services. The Department contracts for mental health services through these Community Mental Health Centers, which are designated by the Department to service towns and cities within specified geographic regions, as outlined in the NH Revised Statutes Annotated (RSA) 135-C, New Hampshire Mental Health Services System, and NH Administrative Rule He-M 403, Approval and Operation of Community Mental Health Programs.

The purpose of this request is to correct the payment terms for the Assertive Community Treatment and Modular Approach to Therapy for Children services to ensure the Department can reimburse the Contractors for these services. The current payment terms for these services only allow payments to be drawn down on the prior State Fiscal Year and not for the full term of the contract. The Department is requesting to revise the payment terms to remove references to prior SFYs. This will allow the Contractors to invoice for payments through the contract completion date. The funding for the Contractors' payments is already encumbered in their individual price limitations.

The Assertive Community Treatment program offers treatment, rehabilitation, and support services using a person-centered, recovery-based approach to individuals who have been diagnosed with severe and persistent mental illness. The Contractors are paid for these services based on active participation in the monthly consultation and skill training events or for completion of a fidelity measures reviewed by the Department. The Modular Approach to Therapy for Children program is an industry standard treatment that employs a cognitive-behavioral framework to address common childhood behavioral health concerns including depression, anxiety, conduct problems, and trauma for youth ages 6-12. This modularized approach allows for flexibility and encourages clinicians to tailor treatment to individual treatment needs. The Contractors are paid for these services based on a per person rate. The Assertive Community Treatment and Modular Approach to Therapy for Children program scope provisions align with Mental Health Services required by NH RSA 135-C and with State Regulations applicable to the mental health system as outlined in He-M 400, as well as in compliance with the Community Mental Health Agreement (CMHA).

Approximately 20,700 individuals are served annually by the Contractors listed above. The populations served include children with Serious Emotional Disturbances and adults with Serious Mental Illness/Serious and Persistent Mental Illness, including individuals with Mental Illness and co-occurring substance use disorders per NH Administrative Rule He-M 401 Eligibility Determination and Individuals Service Planning.

The Department will continue to monitor services by:

- Conducting performance reviews and utilization reviews as necessary and appropriate based on applicable licensing, certifications, and service provisions.
- Conducting quarterly meetings to review submitted quarterly data and reports to identify ongoing programmatic improvements.
- Reviewing monthly financial statements provided by the Contractors for ongoing evaluation of program fiscal integrity.

Should the Governor and Executive Council not authorize this request, the Department will be unable to reimburse the Contractors for Assertive Community Treatment and Modular Approach to Therapy for Children services, which aligns with the scope of services.

Respectfully submitted,

Lori A. Weaver
Commissioner

**Amendment #1**

This Amendment to the Mental Health Services contract is by and between the State of New Hampshire, Department of Health and Human Services ("State" or "Department") and The Mental Health Center of Greater Manchester, Inc. ("the Contractor").

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 14, 2023 (Item #31), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract and in consideration of certain sums specified; and

WHEREAS, pursuant to Form P-37, General Provisions, the Contract may be amended upon written agreement of the parties and approval from the Governor and Executive Council; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Modify Exhibit C, Payment Terms; Section 7.6, to read:

   7.6. Assertive Community Treatment Team (ACT) Adults: The Contractor shall be paid based on an activity and general payment as outlined below. Funds support programming and staffing defined in Exhibit B, Scope of Work, Adult Assertive Community Treatment (ACT) Teams.

| ACT Costs | INVOICE TYPE | TOTAL COST |
|---|---|---|
| Invoice based payments on invoice | Programmatic costs as outlined on invoice by month | $900,000 |
| ACT Enhancements | 1. ACT Incentives of $6,250 may be drawn down in December and May for active participation in COD Consultation. Evidence of active participation by the ACT team in the monthly consultations and skills training events conducted by the COD consultant will qualify for payment.<br><br>OR<br><br>2. ACT incentives may be drawn down upon completion of the SFY Fidelity Review per SFY. A total of $6,250 may be paid for a score of 4 or 5 on the Co-occurring Disorder Treatment Groups (S8) and the Individualized Substance Abuse Treatment (S7) fidelity measures. | $25,000 |

2. Modify Exhibit C, Payment Terms, Section 7.8. to read:

   7.8. MATCH: Funds to be used to support services and trainings outlined in Exhibit B, Scope of Services. The breakdown of this funding per SFY is outlined below.

| TRAC COSTS | CERTIFICATION OR RECERTIFICATION | TOTAL COST |
|---|---|---|
| $2,500 | $250/Person X 10 People = $2,500 | $5,000 |

All terms and conditions of the Contract not modified by this Amendment remain in full force and effect. This Amendment shall be effective upon Governor and Council approval.

Funds are available in the following accounts for State Fiscal Years 2023 and 2024, and are anticipated to be available in State Fiscal Year 2025, upon the availability and continued appropriation of funds in the future operating budget, with the authority to adjust budget line items within the price limitation and encumbrances between state fiscal years through the Budget Office, if needed and justified.

**See attached fiscal details.**

**EXPLANATION**

This request is **Sole Source** because the Contractors are the only authorized contractors able to provide the necessary services. The Department contracts for mental health services through these ten (10) Community Mental Health Centers, which are designated by the Department to service towns and cities within specified geographic regions, as outlined in the NH Revised Statutes Annotated (RSA) 135-C, New Hampshire Mental Health Services System, and NH Administrative Rule He-M 403, Approval and Operation of Community Mental Health Programs.

The purpose of this request is to provide community mental health services for individuals in New Hampshire. Community Mental Health Centers provide community-based mental health services to adults, children, and families to build resiliency, promote recovery, and reduce inpatient hospital utilizations, and improve community tenure. These contracts provide both Federal grant funds and General Funds that enable delivery of services not otherwise covered by Medicaid. For example, technology, training, and system upgrades, delivery of some Assertive Community Treatment services, and care coordination with other systems such as the Division of Children, Youth, and Families, Department of Education, and Division of Long Term Supports and Services. The majority of the General Funds are allocated to ensure that individuals who are uninsured have full access to NH Rapid Response crisis services.

Approximately 20,700 individuals will be served annually.

The populations served include children with Serious Emotional Disturbances and adults with Serious Mental Illness/Serious and Persistent Mental Illness, including individuals with Mental Illness and co-occurring substance use disorders per NH Administrative Rule He-M 401 Eligibility Determination and Individuals Service Planning.

The Contractors will provide crisis services, individual and group psychotherapy, targeted case management, medication services, Functional Support Services, Illness Management and Recovery, supported employment, Assertive Community Treatment, Wraparound services for children, community residential services, and acute care services to individuals experiencing psychiatric emergencies while awaiting admission to a designated receiving facility. All contracts include provisions for Mental Health Services required by NH RSA 135-C and with State Regulations applicable to the mental health system as outlined in He-M 400, as well as in compliance with the Community Mental Health Agreement (CMHA).

The Department will monitor services by:

- Conducting performance reviews and utilization reviews as necessary and appropriate based on applicable licensing, certifications and service provisions.
- Conducting quarterly meetings to review submitted quarterly data and reports to identify ongoing programmatic improvements.
- Reviewing monthly financial statements provided by the Contractors for ongoing evaluation of program fiscal integrity.

As referenced in Exhibit A, Revisions to Standard Agreement Provisions Section 1, Revisions to Form P-37, General Provisions, Subsection 1.2 of the attached agreements, the parties have the option to extend the agreements for up to four (4) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and Governor and Council approval.

Should the Governor and Council not authorize this request, approximately 12,300 adults, and 8,400 children in the state will not have access to critical community mental health services as required by NH RSA 135-C:13. As a result, these individuals may experience an increase in symptoms causing them to seek more costly services at hospital emergency departments due to risk of harm to themselves or others and may have increased contact with law enforcement, correctional programs, or primary care physicians, none of which have the necessary services or supports available to provide necessary assistance. Lack of these services may also increase the likelihood of inpatient hospitalizations and death by suicide.

Source of Federal Funds: Assistance Listing Number #93.243, FAIN # H79SM080245; Assistance Listing Number #93.958, FAIN # B09SM087375; Assistance Listing Number #93.043, FAIN #2201NHOAPH; Assistance Listing Number #93.959, FAIN # TI085821; Assistance Listing Number #93.829, FAIN # H79SM087622.

In the event that the Federal Funds become no longer available, additional General Funds will not be requested to support this program.

Respectfully submitted,

Lori A. Weaver
Interim Commissioner

**2. SERVICES TO BE PERFORMED.** The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT B which is incorporated herein by reference ("Services").

**3. EFFECTIVE DATE/COMPLETION OF SERVICES.**

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.17, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.13 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

**4. CONDITIONAL NATURE OF AGREEMENT.**

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

**5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.**

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

**6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.**

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3. The Contractor agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

**7. PERSONNEL.**

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

**8. EVENT OF DEFAULT/REMEDIES.**

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

**9. TERMINATION.**

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. In addition, at the State's discretion, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement.

**10. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.**

10.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

10.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

10.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

**11. CONTRACTOR'S RELATION TO THE STATE.** In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

**12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.**

12.1 The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice, which shall be provided to the State at least fifteen (15) days prior to the assignment, and a written consent of the State. For purposes of this paragraph, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

12.2 None of the Services shall be subcontracted by the Contractor without prior written notice and consent of the State. The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

**13. INDEMNIFICATION.** Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omissions of the

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

**14. INSURANCE.**

14.1 The Contractor shall, at its sole expense, obtain and continuously maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 commercial general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $1,000,000 per occurrence and $2,000,000 aggregate or excess; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 10.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than ten (10) days prior to the expiration date of each insurance policy. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference.

**15. WORKERS' COMPENSATION.**

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A *("Workers' Compensation")*.

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. The Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

**16. NOTICE.** Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

**17. AMENDMENT.** This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

**18. CHOICE OF LAW AND FORUM.** This Agreement shall be governed, interpreted and construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party. Any actions arising out of this Agreement shall be brought and maintained in New Hampshire Superior Court which shall have exclusive jurisdiction thereof.

**19. CONFLICTING TERMS.** In the event of a conflict between the terms of this P-37 form (as modified in EXHIBIT A) and/or attachments and amendment thereof, the terms of the P-37 (as modified in EXHIBIT A) shall control.

**20. THIRD PARTIES.** The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

**21. HEADINGS.** The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

**22. SPECIAL PROVISIONS.** Additional or modifying provisions set forth in the attached EXHIBIT A are incorporated herein by reference.

**23. SEVERABILITY.** In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

**24. ENTIRE AGREEMENT.** This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire agreement and understanding between the parties, and supersedes all prior agreements and understandings with respect to the subject matter hereof.

## Revisions to Standard Agreement Provisions

1. Revisions to Form P-37, General Provisions

1.1. Paragraph 3, Subparagraph 3.1, Effective Date/Completion of Services, is amended as follows:

3.1. Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire as indicated in block 1.17, this Agreement, and all obligations of the parties hereunder, shall become effective on June 28, 2023 ("Effective Date").

1.2. Paragraph 3, Effective Date/Completion of Services, is amended by adding subparagraph 3.3 as follows:

3.3. The parties may extend the Agreement for up to four (4) additional years from the Completion Date, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and approval of the Governor and Executive Council.

1.3. Paragraph 12, Assignment/Delegation/Subcontracts, is amended by adding subparagraph 12.3 as follows:

12.3. Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions. The Contractor shall have written agreements with all subcontractors, specifying the work to be performed, and if applicable, a Business Associate Agreement in accordance with the Health Insurance Portability and Accountability Act. Written agreements shall specify how corrective action shall be managed. The Contractor shall manage the subcontractor's performance on an ongoing basis and take corrective action as necessary. The Contractor shall annually provide the State with a list of all subcontractors provided for under this Agreement and notify the State of any inadequate subcontractor performance.

## Scope of Services

### 1. Provisions Applicable to All Services

1.1. The Contractor shall operate a Community Mental Health Center (CMHC) that provides services intended to promote recovery from mental illness for eligible residents in the State of New Hampshire (individuals) for Region 7.

1.2. The Contractor shall submit a detailed description of the language assistance services they will provide to persons with limited English proficiency to ensure meaningful access to their programs and/or services within ten (10) business days of the contract effective date.

1.3. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the Services described herein, the State Agency has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

1.4. Prior to termination of this contract the parties will agree on a plan for transition and destruction of data in accordance with Exhibit K.

1.5. The Contractor shall provide individualized, recovery based services and supports in the manner that best allows individuals to stay within their home and community, including, but not limited to providing current treatment and recovery options that are based on scientific research and evidence based practices (EBP).

1.6. The Contractor acknowledges the requirements of the Community Mental Health Agreement (CMHA) and shall demonstrate progress toward meeting the following terms in the CMHA: 1.) Assertive Community Treatment Teams; 2.) Evidence-Based Supported Employment; 3.) Transition planning for individuals at New Hampshire Hospital and Glencliff Home; and 4.) Supported Housing. Further, the Contractor shall participate in annual Quality Service Reviews (QSR) conducted under the terms of the CMHA.

1.7. The Contractor shall enter into a capitation model of contracting with all NH Medicaid Managed Care Organizations to support the delivery and coordination of behavioral health services and supports for children, youth, transition-aged youth, young adults, and adults.

1.8. The Contractor shall support the integration of physical and behavioral health as a standard of practice; implementing the Substance Abuse and Mental Health Services Administration's (SAMHSA) Six Levels of Collaboration/Integration to the maximum extent feasible.

1.9. The Contractor shall ensure that clinical standards and operating procedures are consistent with trauma-informed models of care, as defined by SAMHSA. The clinical standards and operating procedures must reflect a focus on wellness, recovery, and resiliency.

1.10. The Contractor shall engage in ongoing implementation, service improvements, and expansion efforts associated with New Hampshire's 10 Year Mental Health Plan, as contracted.

1.11. For the purposes of this agreement, all references to days shall mean calendar days unless otherwise specified.

1.12. The Contractor shall provide individuals, caregivers and youth the opportunity for feedback and leadership within the agency to help improve services in a person-centered manner when applicable and appropriate.

1.13. The Contractor shall hire and maintain staffing in accordance with New Hampshire Administrative Rule He-M 403.07, or as amended, Staff Training and Development.

**2. System of Care for Children's Mental Health**

2.1. The Contractor shall collaborate with the Department on the implementation of NH RSA 135-F, System of Care for Children's Mental Health.

2.2. The Contractor shall provide services for children, youth, and young adults with serious emotional disturbance (SED) in a manner that aligns with NH RSA 135-F. The Contractor shall ensure services are:

2.2.1. Family Driven - services and supports are provided in a manner that best meets the needs of the family and the family goals;

2.2.2. Youth Driven - services and supports are provided in a manner that best meets the needs of the child, youth or young adult and that supports his or her goals;

2.2.3. Community Based - services and supports are provided in a manner that best allow children, youth, and young adults to stay within his or her home and community;

2.2.4. Cultural and Linguistic Competent - services are provided in a manner that honors a child, youth, or young adult and their family-identified culture, beliefs, ethnicity, preferred language, gender and gender identity and sexual orientation; and

2.2.5. Trauma informed.

2.3. The Contractor shall collaborate with the Care Management Entities providing FAST Forward, Transitional Residential Enhanced Care Coordination and Early Childhood Enhance Care Coordination programing, ensuring services are available for all children and youth enrolled in the programs.

2.4. The Contractor shall make referrals to the FAST Forward program for any child, youth, or young adult that may be eligible.

**3. Modular Approach to Therapy for Children with Anxiety, Depression, Trauma, or Conduct Problems (MATCH-ADTC)**

3.1. The Contractor shall maintain appropriate levels of certification through a contract with The Baker Center for Children and Families.

3.2. The Contractor shall ensure new and incoming staff work towards meeting a goal of 70% of children and youth clients' needs with the evidence-based practice of Modular Approach to Therapy for Children with Anxiety, Depression, Trauma, or Conduct problems (MATCH-ADTC).

3.3. The Contractor shall maintain a use of the Baker Center for Children and Families CHART system to support each case with MATCH-ADTC as the identified treatment modality.

3.4. The Contractor shall invoice BCBH for:

3.4.1. The costs for both the certification of incoming therapists and the recertification of existing clinical staff, not to exceed the budgeted amount; and

3.4.2. The full cost of the annual fees paid to the Baker Center for Children and Families for the use of their CHART system to support MATCH-ADTC.

**4. Renew Sustainability (Rehabilitation for Empowerment, Education, and Work)**

4.1. The Contractor shall provide the Rehabilitation for Empowerment, Education and Work (RENEW) intervention with fidelity to transition-aged youth who qualify for state-supported community mental health services, in accordance with the University of New Hampshire (UNH) -Institute On Disability (IOD) model.

4.1.1. The standard is that RENEW coordinators demonstrate their alignment to and competency in the RENEW model by reaching a score of 80% or higher in domains 1–3 on the RENEW Integrity Tool (RIT) and utilize tools as trained for the practice with the clients.

4.2. The Contractor shall obtain support and coaching, as needed, from the IOD at UNH to improve the competencies of implementation team members and agency coaches.

**5. Division for Children, Youth and Families (DCYF)**

5.1. The Contractor shall provide mental health consultation to staff at Division for Children, Youth and Families (DCYF) District Offices related to mental health assessments and/or ongoing treatment for children served by DCYF.

5.2. The Contractor shall provide Foster Care Mental Health Assessments for children and youth younger than eighteen (18) years of age who are entering foster care for the first time.

**6. Crisis Services**

6.1. If the Contractor has, or enters into, an agreement with a hospital to provide crisis services to individuals who are eligible, or presumed eligible in the emergency department, for Medicaid services, the Contractor may bill Medicaid according to fee schedules or MCO contracts for services rendered.

6.2. The Contractor shall document crisis services delivered in the emergency department setting as part of its required submissions to the Department's Phoenix system (described in the Data Reporting section below), in a format, and with content, completeness, and timelines specified by the Department, ensuring documented information includes screenings performed, diagnosis codes, and referrals made.

6.3. The Contractor shall provide documentation of each collaborative relationship with acute care hospitals in its region, at the request of the Department.

6.4. The Contractor shall provide emergency services as defined in NH Administrative Rule He-M 403.06 (a)(6) and NH Administrative Rule He-M 426.09.

6.5. As part of the crisis resolution, the Contractor shall screen each individual for Assertive Community Treatment (ACT). If clinically appropriate, the Contractor shall:

6.5.1. Refer the individual for an expedited ACT assessment and/or intake and treatment upon discharge; or

6.5.2. Inform the appropriate CMHC in order to expedite the ACT assessment and/or intake and treatment upon discharge from emergency department or inpatient psychiatric or medical care setting, if the individual resides in a region other than the region in which the individual is receiving crisis services.

6.6. The Contractor shall not refer an individual for hospitalization at New Hampshire Hospital (NHH) or Hampstead Hospital Residential Treatment Facility (HHRTF) unless the Contractor has determined that NHH is the least restrictive setting in which the individual's immediate psychiatric treatment needs can be met. The Contractor shall:

6.6.1. Make all reasonable efforts to ensure no other clinically appropriate bed is available at any other NH inpatient psychiatric unit, Designated Receiving Facility (DRF), Adult Psychiatric Residential Treatment Program (APRTP), Mobile Crisis apartments, or other step-up/step-down beds prior to referring an individual to NHH.

6.7. The Contractor shall provide services to individuals experiencing a psychiatric and/or substance use related crisis through a rapid response team that includes specialty trained crisis responders, which includes, but is not limited to:

6.7.1. One (1) clinician trained to provide behavioral health emergency services and crisis intervention services.

6.7.2. One (1) peer.

6.7.3. Telehealth access, and on-call psychiatry, as needed.

6.8. The Contractor shall ensure all staff have the necessary qualifications as defined under New Hampshire Administrative Rule He-M 400, Community Mental Health, Parts 403 and 426.

6.9. The Contractor shall work in tandem with the designated vendor providing services through the Rapid Response Access Point contract as approved by the Governor and Executive Council.

6.10. The Contractor shall maintain a current Memorandum of Understanding with the Rapid Response Access Point, which provides the Mobile Response Teams information regarding the nature of the crisis, through electronic communication, that includes, but is not limited to:

6.10.1. The location of the crisis.

6.10.2. The safety plan either developed over the phone or on record from prior contact(s).

6.10.3. Any accommodations needed.

6.10.4. Treatment history of the individual, if known.

6.11. The Contractor shall promote the use of the telephone number for the Rapid Response Access Point as the primary contact for crisis services, which:

6.11.1. Utilizes specified Rapid Response technology, to identify the closest and available Mobile Response Team; and

6.11.2. Does not fulfill emergency medication refills.

6.12. The Contractor shall provide written information to current clients, which includes telephone numbers, on how to access support for medication refills on an ongoing basis.

6.13. The Contractor shall ensure all rapid response team members participate in crisis response training, as designated by the Department, which follows the concepts and topics identified in the National Guidelines for Crisis Care Best Practice Toolkit published by the Substance Abuse and Mental health Services Administration (SAMHSA).

6.14. The Contractor shall provide the physical address of the physical location to the Rapid Response Access Point where the rapid response team may provide office-based urgent assessments.

6.15. The Contractor shall ensure a rapid response team is available twenty-four (24) hours per day, seven (7) days a week for deployment as directed by the Rapid Response Access Point.

6.15.1. If the Contractor does not have a fully staffed Rapid Response team available for deployment twenty-four (24) hours per day, seven (7) days a week, the Contractor shall work with the Department to identify solutions to meet the demand for services.

6.16. The Contractor shall ensure the Rapid Response team is trained and available to provide crisis response services to avoid unnecessary hospitalization, contact with law enforcement, incarceration or institutionalization. The Contractor shall ensure services include but are not limited to:

6.16.1. Face-to-face assessments.

6.16.2. Disposition and decision making.

6.16.3. Initial care and safety planning.

6.16.4. Post crisis and stabilization services.

6.17. The Contractor may utilize presumptive eligibility when responding to individuals who are not connected to a CMHC or who may be considered low utilizers.

6.18. The Contractor shall follow all Rapid Response dispatch protocols, processes, and data collection established in partnership with the Rapid Response Access Point, as approved by the Department.

6.19. The Contractor shall ensure the Rapid Response team responds face-to-face to all dispatches in the community within one (1) hour of the request ensuring:

6.19.1. The response team includes a minimum of two (2) specialty trained behavioral health crisis responders for safety purposes, if occurring at locations based on individual and family choice that include but are not limited to:

6.19.1.1. In or at the individual's home.

6.19.1.2. Community settings.

6.19.2. The response team includes a minimum of one (1) clinician if occurring at safe, staffed sites or public service locations;

6.19.3. Telehealth dispatch is acceptable as a face-to-face response only when requested by the individual and/or deployed as a telehealth dispatch by the Rapid Response Access Point, as clinically appropriate;

6.19.4. A no-refusal policy upon triage and all requests for Rapid Response team dispatch receive a response and assessment regardless of the individual's disposition, which may include current substance use.

Documented clinical rationale with administrative support when a mobile intervention is not provided;

6.19.5. Coordination with law enforcement personnel, only when clinically indicated, when responding to individuals in a mental health crisis presenting a safety concern or when active rescue is required;

6.19.6. A face-to-face lethality assessment as needed that includes, but is not limited to:

6.19.6.1. Obtaining the individual's mental health history including, but not limited to:

6.19.6.1.1. Psychiatric, including recent inpatient hospitalizations and current treatment providers.

6.19.6.1.2. Substance misuse.

6.19.6.1.3. Social, familial and legal factors;

6.19.6.2. Understanding the individual's presenting symptoms and onset of crisis;

6.19.6.3. Obtaining medication list, adherence to prescribed medications and brief medical history; and

6.19.6.4. Conducting a mental status exam.

6.19.7. Developing a mutually agreed upon individualized safety plan and care disposition and decision making, with the individual, which may include, but is not limited to:

6.19.7.1. Staying in place with:

6.19.7.1.1. Stabilization services.

6.19.7.1.2. A safety plan.

6.19.7.1.3. Outpatient providers;

6.19.7.2. Stepping up to crisis stabilization services or apartments.

6.19.7.3. Admission to peer respite or step-up/step-down program.

6.19.7.4. Admission to a crisis apartment.

6.19.7.5. Voluntary hospitalization.

6.19.7.6. Initiation of Involuntary Emergency Admission (IEA).

6.19.7.7. Medical hospitalization.

6.20. The Contractor shall involve peer and/or specialty trained crisis responders Rapid Response staff by providing follow up contact within forty-eight (48)

hours post-crisis for all face-to-face interventions, which may include, but are not limited to:

6.20.1. Promoting recovery.

6.20.2. Building upon life, social and other skills.

6.20.3. Offering support.

6.20.4. Reviewing crisis and safety plans.

6.20.5. Facilitating referrals such as warm hand offs for post-crisis support services, including connecting back to existing treatment providers, including home region CMHC, and/or providing a referral for additional treatment and/or peer contacts.

6.21. The Contractor shall provide Sub-Acute Crisis Stabilization Services for up to 30 days as follow-up to the initial mobile response for the purpose of stabilization of the crisis episode prior to intake or referral to another service or agency. The Contractor shall ensure stabilization services are:

6.21.1. Provided for individuals who reside in and/or are expected to receive long-term treatment in the Contractor's region;

6.21.2. Delivered by the rapid response team for individuals who are not in active treatment prior to the crisis;

6.21.3. Provided in the individual and family home, if requested by the individual;

6.21.5. Provided by a Department certified and approved Residential Treatment Provider in a Residential Treatment facility for children and youth.

6.22. The Contractor shall work with the Rapid Response Access Point to conduct educational and outreach activities within the local community and to institutional stakeholders in order to promote appropriate referrals to and the utilization of rapid response team resources. The Contractor must:

6.22.1. Ensure outreach and educational activities may include, but are not limited to:

6.22.1.1. Promoting the Rapid Response Access Point website and phone number and links with information about Rapid Response and connectivity to the Rapid Response Access Point.

6.22.1.2. Including the Rapid Response Access point crisis telephone number as a prominent feature to call if experiencing a crisis on relevant agency materials.

6.22.1.3. Direct communications with partners that direct them to the Rapid Response Access Point for crisis services and deployment.

6.22.1.4. Promoting the Children's Behavioral Health Resource Center website.

6.22.2. Work with the Rapid Response Access Point to change utilization of hospital emergency departments (ED) for crisis response in the region and collaborate by:

6.22.2.1. Meeting regularly with local police and first responders to discuss interface, procedures, and collaborations to understand challenges and improve outcomes for individuals in the community;

6.22.2.2. Educating the individual, and their supports on all diversionary services available, by encouraging early intervention;

6.22.2.3. Maintaining and developing relationships with local hospitals and work together to promote the use of the Rapid Response Access Point number and rapid response services, in order to reduce ED use; and

6.22.2.4. Coordinating with homeless outreach services.

6.23. The Contractor shall maintain connection with the Rapid Response Access Point and the identified technology system that enables transmission of information needed to:

6.23.1. Determine availability of the Rapid Response Teams;

6.23.2. Facilitate response of dispatched teams; and

6.23.3. Resolve the immediate crisis episode.

6.24. The Contractor shall maintain connection to the designated resource tracking system.

6.25. The Contractor shall maintain a bi-directional referral system with electronic scheduling to support information sharing that facilitates closed loop referrals and transmission of clinical triage summaries, safety plans and shared care plans with community providers, once implemented.

6.26. The Contractor shall submit reports relative to the rapid response services provided in this agreement. The Contractor shall:

6.26.1. Document all contacts in the medical record for both State eligible and non-eligible individuals who receive rapid response team services;

6.26.2. Provide monthly reports by the fifteenth (15th) day of each month, on a template provided by the Department which includes, but is not limited to:

6.26.2.1. Number of unique individuals who received services.

6.26.2.2. Date and time of mobile arrival; and.

6.26.3. Submit information through the Department's Phoenix System as defined in the Department's Phoenix reporting specifications unless otherwise instructed on a temporary basis by the Department to include but not be limited to:

6.26.3.1. Diversions from hospitalizations.

6.26.3.2. Diversions from Emergency Rooms.

6.26.3.3. Services provided.

6.26.3.4. Location where services were provided.

6.26.3.5. Length of time service or services provided.

6.26.3.6. Whether law enforcement was involved for safety reasons.

6.26.3.7. Whether law enforcement was involved for other reasons.

6.26.3.8. Identification of follow up with the individual by a member of the Contractor's rapid response team within 48 hours post face-to-face intervention.

6.26.3.9. Indication that referral for ongoing mental health services following the immediate crisis was provided.

6.26.3.10. Outcome of service provided, which may include but is not limited to:

6.26.3.10.1. Remained in home.

6.26.3.10.2. Hospitalization.

6.26.3.10.3. Crisis stabilization services.

6.26.3.10.4. Crisis apartment.

6.26.3.10.5. Emergency department.

6.27. The Contractor's performance will be monitored by ensuring eighty (80%) of individuals receive a post-crisis follow up from a member of the Contractor's rapid response team within forty-eight (48) hours of a face-to- face intervention, as identified through Phoenix encounter data.

6.28. The Contractor shall provide four (4) Community Crisis Beds in an apartment setting, which serve as an alternative to hospitalization and/or institutionalization. The Contractor shall ensure:

6.28.1. Admissions to an apartment for Community Crises Beds are for providing brief psychiatric intervention in a community based environment structured to maximize stabilization and crisis reduction while minimizing the need for inpatient hospitalization;

6.28.2. Community Crisis Beds in an apartment:

6.28.2.1. Include no more than two (2) bedrooms per crisis apartment;

6.28.2.2. Are operated with sufficient clinical support and oversight, and peer staffing, as is reasonably necessary to prevent unnecessary institutionalization;

6.28.2.3. Have peer staff and clinical staff available to be onsite, 24 hours per day, seven days per week, whenever necessary, to meet individualized needs;

6.28.2.4. Are available to individuals 18 years and older on a voluntary basis and allow individuals to come and go from the apartment as needed to maintain involvement in and connection to school, work, and other recovery-oriented commitments and/or activities as appropriate to the individual's crisis treatment plan;

6.28.2.5. Are certified under New Hampshire Administrative Rule He-M 1000, Housing, Part 1002, Certification Standards for Behavioral Health Community Residences, and include:

6.28.2.5.1. At least one (1) bathroom with a sink, toilet, and a bathtub or shower;

6.28.2.5.2. Specific sleeping area designated for each individual;

6.28.2.5.3. Common areas shall not be used as bedrooms;

6.28.2.5.4. Storage space for each individual's clothing and personal possessions;

6.28.2.5.5. Accommodations for the nutritional needs of the individual; and

6.28.2.5.6. At least one (1) telephone for incoming and outgoing calls.

6.28.3. Crisis intervention, stabilization services, and discharge planning services are provided by the members of the rapid response team as clinically appropriate;

6.28.4. Ongoing safety assessments are conducted no less than daily;

6.28.5. Assistance with determining individual coping strengths in order to develop a crisis treatment recovery plan for the duration of the stay and a post-stabilization plan;

6.28.6. Coordination and provision of referrals for necessary psychiatric services, social services, substance use services and medical aftercare services;

6.28.7. An individual's stay at a crisis apartment is for no more than seven consecutive (7) days, unless otherwise approved in writing by the Department;

6.28.8. Transportation for individuals is provided from the site of the crisis to the apartment and to their home or other residential setting after stabilization has occurred;

6.28.9. Any staff member providing transportation has:

6.28.9.1. A valid driver's license;

6.28.9.2. A State inspected vehicle; and

6.28.9.3. Proof of vehicle insurance;

6.28.10. Provision of a list of discharge criteria from the crisis apartments and related policies and procedures regarding the apartment beds to the Department within thirty (30) days of the contract effective date for Department approval;

6.28.11. Peer Support Specialists engage individuals through methods including, but not limited to Intentional Peer Support (IPS); and

6.28.12. Reports are submitted to the Department for Crisis Apartments through the Phoenix reporting system that includes, but is not limited to:

6.28.12.1. Admission and Discharge Dates.

6.28.12.2. Discharge disposition (community or higher level of care).

6.28.12.3. Number of referrals refused for admission.

**7. Adult Assertive Community Treatment (ACT) Teams**

7.1. The Contractor shall maintain two (2) Adult ACT Teams both of which meet the SAMHSA Model and are available twenty-four (24) hours per day, seven (7) days per week, with on-call availability from midnight to 8:00am. The Contractor shall ensure:

7.1.1. Each Adult ACT Team delivers comprehensive, individualized, and flexible services, supports, targeted case management, treatment, and rehabilitation in a timely manner as needed, onsite in the individuals' homes and in other natural environments and community settings, or alternatively, via telephone where appropriate to meet the needs of the individual;

7.1.2. Each Adult ACT Team is composed of at least ten (10) dedicated professionals who make-up a multi-disciplinary team including, a psychiatrist, a nurse, a Masters-level clinician, or functional equivalent therapist, functional support worker and a full time equivalent certified peer specialist;

7.1.3. Each Adult ACT Team includes an individual trained to provide substance misuse support services including competency in providing co-occurring groups, and individual sessions, and supported employment; and

7.1.4. Caseloads for Adult ACT Teams serve no more than twelve (12) individuals per Adult ACT Team member, excluding the psychiatrist who has no more than seventy (70) people served per 0.5 FTE psychiatrist, unless otherwise approved by the Department.

7.2. The Contractor shall ensure ACT staff, with the exception of psychiatrist and nurse, receive:

7.2.1. A minimum of 15 hours in basic ACT training within one (1) year of hire date that is consistent with the ACT EBP SAMHSA toolkit approved by BMHS; and

7.2.2. A minimum of 4 hours of advanced ACT training of co-occurring disorders within fifteen (15) months of hire date that is consistent with the ACT EBP SAMSHA toolkit and Integrated Dual Disorder Model approved by BMHS.

7.3. The Contractor shall ensure Adult ACT Teams do not have waitlists for screening purposes and/or admission to the ACT Team. The Contractor shall ensure:

7.3.1. Individuals do not wait longer than 30 days for either assessment or placement;

7.3.2. Work with the Department at identifying solutions and appropriate levels of care for any individual waiting for Adult ACT Team services for more than 30 days in order to meet the demand for services and implement the solutions within forty-five (45) days; and

7.3.3. Individuals receiving services from Adult ACT Team members, if psychiatrically hospitalized, are offered a same day or next day appointment with an Adult ACT Team member upon date of discharge.

7.4. The Contractor shall report its level of compliance with the above listed requirements on a monthly basis at the staff level in the format, and with content, completeness, and timeliness as specified by the Department as part of the Phoenix submissions, which are due no later than the 15th of the month. The Contractor shall:

7.4.1. Ensure services provided by the Adult ACT Team are identified in the Phoenix submissions as part of the ACT cost center;

7.4.2. Screen for ACT per NH Administrative Rule He-M 426.16, or as amended, Assertive Community Treatment (ACT);

7.4.3. Report all ACT screenings with the outcome of the screening to indicate whether the individual is appropriate for ACT, as part of the Phoenix submissions, or in the format, content, completeness, and timelines as specified by the Department;

7.4.4. Make a referral for an ACT assessment within (7) days of:

7.4.4.1. A screening outcome that an individual may be appropriate to receive ACT services; and

7.4.4.2. An individual being referred for an ACT assessment;

7.4.5. Report the outcome of ACT assessments to the Department as part of the Phoenix submissions, in the format, content, completeness, and timelines as specified by the Department;

7.4.6. Ensure all individuals assessed as appropriate for ACT services are admitted to the ACT team caseload and begin receiving ACT services within seven (7) days, with the exception of individuals who decline such services, or are not available to receive such services for reasons that may include, but are not limited to:

7.4.6.1. Extended hospitalization or incarceration.

7.4.6.2. Relocation of individuals out of the Contractor's designated community mental health region; and

7.4.7. Ensure, in the event that admitting the individual to the ACT Team caseload causes the ACT Team to exceed the caseload size limitations specified above, consultation with the Department to seek approval:

7.4.7.1. To exceed caseload size requirements; or

7.4.7.2. To provide alternative services to the individual until the individual can be admitted to the ACT caseload.

**8. Evidence-Based Supported Employment**

8.1. The Contractor shall gather employment status for all adults with Severe Mental Illness (SMI)/Severe Persistent Mental Illness (SPMI) at intake and at least biannually thereafter and when employment status changes.

8.2. The Contractor shall report the employment status for all adults with SMI/SPMI to the Department in the format, content, completeness, and timelines specified by the Department.

8.3. The Contractor shall provide a referral for all individuals who express an interest in receiving Individual Placement and Support Supported Employment (IPS-SE) services to the Supported Employment (SE) team within seven (7) days.

8.4. The Contractor shall deem the individual as waiting for SE services if the SE team cannot accommodate enrollment of SE services, at which time the individual will be added to the waitlist, which is reported to the Department, as specified by the Department.

8.5. The Contractor shall provide IPS-SE to eligible individuals in accordance with the SAMHSA and/or Dartmouth model.

8.6. The Contractor shall ensure IPS-SE services include, but are not limited to:

8.6.1. Job development.

8.6.2. Work incentive counseling.

8.6.3. Rapid job search.

8.6.4. Follow along supports for employed individuals.

8.6.5. Engagement with mental health treatment teams and local NH Vocational Rehabilitation services.

8.7. The Contractor shall ensure IPS-SE services do not have waitlists, ensuring individuals do not wait longer than 30 days for IPS-SE services. If waitlists are identified, Contractor shall:

8.7.1. Work with the Department to identify solutions to meet the demand for services; and

8.7.2. Implement such solutions within 45 days.

8.8. The Contractor shall maintain the penetration rate of individuals receiving supported employment at a minimum of 18.6 percent (18.6%) as per the CMHA agreement.

8.9. The Contractor shall ensure SE staff receive:

8.9.1. A minimum of 15 hours in basic training within one year of hire date as approved by the IPS Employment Center and approved by BMHS; and

8.9.2. A minimum of 7 hours of advanced SE Job Development Training within 15 months of hire as approved by the IPS-SE Employment Center and BMHS.

**9. Coordination of Care from Residential or Psychiatric Treatment Facilities**

9.1. The Contractor shall designate a member of its staff to serve as the primary liaison to New Hampshire Hospital (NHH) and/ or Hampstead Hospital Residential Treatment Facility (HHRTF) who works with the applicable NHH & HHRTF staff, payer(s), guardian(s), other community service providers, and the applicable individual, to assist with coordinating the seamless transition of care for individuals transitioning from NHH and HHRTF to community based services or transitioning to NHH from the community. The Contractor may:

9.1.1. Designate a different liaison for individuals being served through their children's services.

9.2. The Contractor shall not close the case of any individual who is admitted to NHH. Notwithstanding, the Contractor shall be deemed to be in compliance with all NH Administrative He-M 408, Clinical Records rules regarding documentation if it is noted in the record that the individual is an inpatient at NHH or another treatment facility. All documentation requirements as per He-M 408 will be required to resume upon re-engagement of services following the individual's discharge from inpatient care.

9.3. The Contractor shall participate in transitional and discharge planning within 24 hours of admission to an inpatient facility.

9.4. The Contractor shall work with the Department, payers and guardians (if applicable) to review cases of individuals that NHH, HHRTF, Transitional Housing, or alternative treatment facility or the Contractor, have indicated will have difficulty returning to the community to identify barriers to discharge, and to develop an appropriate plan to transition into the community.

9.5. The Contractor shall make a face-to-face appointment available to an individual leaving NHH, HHRTF, Transitional Housing or alternative residential setting who desires to reside in the region served by the Contractor within seven (7) calendar days of receipt of notification of the individual's discharge, or within seven (7) calendar days of the individual's discharge, whichever is later.

9.6. The Contractor shall ensure individuals who are discharged and are new to a CMHC have an intake appointment within seven (7) calendar days. If the individual declines to accept the appointment, declines services, or requests an appointment to be scheduled beyond the seven (7) calendar days, the Contractor may accommodate the individual's request provided the accommodation is clinically appropriate, and does not violate the terms of a conditional discharge. The Contractor's Adult ACT Team must see individuals who are on the ACT caseload and transitioning from NHH into the community within 24 hours of NHH discharge.

9.7. The Contractor shall make all reasonable efforts to ensure that no appropriate bed is available at any other inpatient psychiatric unit; Designated Receiving Facility (DRF) per NH RSA 135-C and NH Administrative Rule He-M 405, Designation of Receiving Facilities, Mobile Crisis Apartment, Peer Support Recovery Center, or Adult Psychiatric Residential Treatment Program (APRTP) prior to referring an individual to NHH.

9.8. The Contractor shall collaborate with NHH to develop and execute conditional discharges from NHH in order to ensure that individuals receive treatment in the least restrictive environment.

9.9. The Contractor shall have all necessary staff members available to receive, evaluate, and treat individuals discharged from NHH and HHRTF seven (7) days per week, consistent with the provisions in NH Administrative Rule He-M 403 and NH Administrative Rule He-M 426.

9.10. For individuals at NHH who formerly resided in the Contractor's designated community mental health region prior to NHH admission, who have been identified for transition planning to the Glencliff Home, the Contractor shall, at the request of the individual or guardian, or of NHH or Glencliff Home staff, participate in transition planning to determine if the individual can be supported in the Contractor's region with community based services and supports instead of transitioning to the Glencliff Home. In the event the individual would require supports from multiple funding sources or the Department's systems of care, the Contractor shall collaborate with additional Department staff at NHH's request, to address any barriers to discharge the individual to the community.

**10. Coordinated Care and Integrated Treatment**

10.1. Primary Care

10.1.1. The Contractor shall request written consent from each individual to allow the designated primary care provider to release information for the purpose of coordinating care regarding mental health services or substance misuse services or both.

10.1.2. The Contractor shall support each individual with linking to an available primary care provider, if the individual does not have an identified primary care provider, to:

10.1.2.1. Monitor health;

10.1.2.2. Provide medical treatment as necessary; and

10.1.2.3. Engage in preventive health screenings.

10.1.3. The Contractor shall consult with each primary care provider at least annually, or as necessary, to integrate care between mental and physical health for each individual, which may include the exchange of pertinent information including, but not limited to medication changes or changes in the individual's medical condition.

10.1.4. The Contractor shall document on the release of information form the reason(s) written consent to release information was refused in the event an individual refuses to provide consent to release information.

10.2. Substance Misuse Treatment, Care and/or Referral

10.2.1. The Contractor shall provide services and meet requirements to address substance misuse and to support recovery intervention implementation, which include, but are not limited to:

10.2.1.1. Screening no less than 95% of eligible individuals for substance misuse at the time of intake, and annually thereafter.

10.2.1.2. Conducting a full assessment for substance misuse disorder and associated impairments for each individual that screens positive for substance use.

10.2.1.3. Developing an individualized service plan for each eligible individual based on information from substance misuse screening.

10.2.2. The Contractor shall utilize the SAMSHA evidence-based models for Co-Occurring Disorders Treatment to develop treatment plans with individuals and to provide an array of evidence-based interventions that enhance recovery for individuals and follow the fidelity standards to such a model.

10.2.3. The Contractor shall make all appropriate referrals if the individual requires additional substance use disorder care utilizing the current New Hampshire system of care, and ensuring linkage to and coordination with resources.

10.3. Area Agencies

10.3.1. The Contractor shall collaborate with the Area Agency that serves the region to address processes that include:

10.3.1.1. Enrolling individuals for services who are dually eligible for both organizations;

10.3.1.2. Ensuring transition-aged individuals are screened for the presence of mental health and developmental supports and refer, link and support transition plans for youth leaving children's services into adult services identified during screening;

10.3.1.3. Following the "Protocol for Extended Department Stays for Individuals served by Area Agency" issued December 1, 2017 by the State of New Hampshire Department of Health and Humans Services, as implemented by the regional Area Agency;

10.3.1.4. Facilitating collaborative discharge planning meetings to assess individuals who are leaving NHH to re-engage them with both the CMHC and Area Agency representatives;

10.3.1.5. Ensuring annual training is designed and completed for intake, eligibility, and case management for dually diagnosed individuals and that attendees include intake clinicians, case-managers, service coordinators and other frontline staff identified by both CMHC's and Area Agencies. The Contractor shall ensure the training utilizes the Diagnostic Manual for Intellectual Disability 2 that is specific to intellectual disabilities, in conjunction with the DSM V;

10.3.1.6. Planning for each person who receives dual case management by outlining the responsibilities of each organization and expectations for collaboration between the organizations; and

10.3.1.7. Participating in shared service annual treatment meetings to assess quality and progress towards treatment goals as well as monitoring continued need for dual services when waivers are required for services between agencies..

10.4. Peer Supports

10.4.1. The Contractor shall actively promote recovery principles and integrate peers throughout the agency, which includes, but is not limited to:

10.4.1.1. Employing peers as integrated members of the CMHC treatment team(s) in the role of peer support specialist with the ability to deliver one-on-one face-to-face interventions that facilitate the development and use of recovery-based goals and care plans, and explore treatment engagement and connections with natural supports.

10.4.1.2. Establishing referral and resource relationships with the local Peer Support Agencies, including any Peer Respite, Recovery Oriented Step-up/Step-down programs, and Clubhouse Centers and promote the availability of these services.

10.4.2. The Contractor shall submit a quarterly peer support staff tracking document, as supplied by or otherwise approved by the Department.

10.5. Transition of Care with MCO's

10.5.1. The Contractor shall ensure ongoing coordination occurs with the MCO Care Managers to support care coordination among and between services providers.

**11. Certified Community Behavioral Health Clinic (CCBHC) Planning (Through March 30, 2024).**

11.1. The Contractor shall participate in CCBHC planning activities that include:

11.1.1. Co-learning and consultation with the state identified Consultation and Technical Assistance Planning Consultant;

11.1.2. Attending two (2) learning communities on a monthly basis;

11.1.3. Completing the CCBHC self-assessment tool as defined by the department; and

23.3.4. Services to individuals who are on a conditional discharge pursuant to RSA 135-C:50 and NH Administrative Rule He-M 609.

**24. Elimination of Programs and Services by Contractor**

24.1. The Contractor shall provide a minimum thirty (30) calendar day's written notice prior to any reductions in delivery of services, or notice as soon as possible if the Contactor is faced with a more sudden need to reduce delivery of services.

24.2. The Contractor shall consult and collaborate with the Department prior to elimination or reduction of services in order to reach a mutually agreeable solution as to the most effective way to provide necessary services.

24.3. The Department reserves the right to require the Contractor to participate in a mediation process with the Commissioner of the Department of Health and Human Services, and to invoke an additional thirty (30) calendar day extension in the event of a proposal to reduce or eliminate any contracted services.

24.4. If the parties are still unable to come to a mutual agreement within the thirty (30) calendar day extension, the Contractor may proceed with its proposed

program change(s) so long as proper notification to eligible individuals is provided.

24.5. The Contractor shall not redirect funds allocated in the budget for the program or service that has been eliminated or substantially reduced to another program or service without the mutual agreement of both parties.

24.6. In the event that an agreement cannot be reached, the Department shall control the expenditure of the unspent funds.

**25. Data Reporting**

25.1. The Contractor shall submit any data identified by the Department to comply with federal or other reporting requirements to the Department or contractor designated by the Department.

25.2. The Contractor shall submit all required data elements to the Department's Phoenix system in compliance with current Phoenix reporting specifications and transfer protocol provided by the Department.

25.3. The Contractor shall submit individual client demographics and all encounter data, including data on both billable and non-billable individual-specific services and rendering staff providers on these encounters, to the Department's Phoenix system, or its successors, in the format, content, completeness, frequency, method and timeliness as specified by the Department. Individual data must include a Medicaid ID number for individuals who are enrolled in Medicaid.

25.4. The Contractor shall include client eligibility with all Phoenix services in alignment with current reporting specifications. For an individual's services to be considered BMHS eligible, SPMI, SMI, Low Utilizer (LU), SED, and Severe Emotional Disturbance Interagency (SEDIA) are acceptable.

25.5. The Contractor shall make any necessary system changes to comply with annual Department updates to the Phoenix reporting specification(s) within 90 days of notification of the new requirements. When a contractor is unable to comply they shall request an extension from the Department that documents the reasons for non-compliance and a work plan with tasks and timelines to ensure compliance.

25.6. The Contractor shall meet all the general requirements for the Phoenix system which include, but are not limited to:

25.6.1. Agreeing that all data collected in the Phoenix system is the property of the Department to use as it deems necessary.

25.6.2. Ensuring data files and records are consistent with reporting specification requirements.

25.6.3. Ensuring that errors in data returned to the Contractor are corrected and resubmitted to the Department within ten (10) business days.

25.6.4. Ensuring data is current and updated in the Contractor's systems as required for federal reporting and other reporting requirements and as specified by the Department.

25.6.5. Participating in Departmental efforts for system-wide data quality improvement.

25.6.6. Implementing quality assurance, system, and process review procedures to validate data submitted to the Department to confirm:

25.6.6.1. All data is formatted in accordance with the file specifications;

25.6.6.2. No records will reject due to illegal characters or invalid formatting; and

25.6.6.3. The Department's tabular summaries of data submitted by the Contractor match the data in the Contractor's system.

25.7. The Contractor shall meet the following standards:

25.7.1. Timeliness: monthly data shall be submitted no later than the fifteenth (15th) of each month for the prior month's data unless otherwise approved by the Department, and the Contractor shall review the Department's tabular summaries within five (5) business days.

25.7.2. Completeness: submitted data must represent at least ninety-eight percent (98%) of billable services provided, and ninety-eight percent (98%) of individuals served by the Contractor. For fields indicated in the reporting specifications as data elements that must be collected in contractor systems, 98% shall be submitted with valid values other than the unknown value. The Department may adjust this threshold through the waiver process described in Section 25.8.

25.7.3. Accuracy: submitted service and member data shall conform to submission requirements for at least ninety-eight percent (98%) of the records, and one-hundred percent (100%) of unique member identifiers shall be accurate and valid.

25.8. The Department may waive requirements for fields in Phoenix on a case by case basis through a written waiver communication that specifies the items being waived. In all circumstances:

25.8.1. The waiver length shall not exceed 180 days.

25.8.2. Where the Contractor fails to meet standards, the Contractor shall submit a corrective action plan within thirty (30) calendar days of being notified of an issue.

25.8.3. After approval of the corrective action plan, the Contractor shall implement the plan.

25.8.4. Failure of the Contractor to implement the plan may require:

25.8.4.1. Another plan; or

25.8.4.2. Other remedies, as specified by the Department.

**26. Privacy Impact Assessment**

26.1. Upon request, the Contractor must allow and assist the Department in conducting a Privacy Impact Assessment (PIA) of its system(s)/application(s)/web portal(s)/website(s) or Department system(s)/application(s)/web portal(s)/website(s) hosted by the Contractor, if Personally Identifiable Information (PII) is collected, used, accessed, shared, or stored. To conduct the PIA the Contractor must provide the Department access to applicable systems and documentation sufficient to allow the Department to assess, at minimum, the following:

26.1.1. How PII is gathered and stored;

26.1.2. Who will have access to PII;

26.1.3. How PII will be used in the system;

26.1.4. How individual consent will be achieved and revoked; and

26.1.5. Privacy practices.

26.2. The Department may conduct follow-up PIAs in the event there are either significant process changes or new technologies impacting the collection, processing or storage of PII.

**27. The Institutional Review Board (IRB)**

27.1. The Contractor shall manage the IRB to facilitate IRB review of all research applications in accordance with FDA regulations to make determinations to approve, require modifications in (to secure approval), or disapprove proposals that involve research on individuals with mental illness on behalf of the Department. The Contractor shall ensure the personnel provided include:

27.1.1. One (1) part-time administrator; and

27.1.2. One (1) part-time secretary.

## Payment Terms

1. This Agreement is funded by:
   1.1. 2.75% Federal funds, PROHEALTH NH, as awarded on 8/25/22, by the Substance Abuse and Mental Health Services Administration, Center for Mental Health Services, ALN 93.243, FAIN H79SM080245.
   1.2. 2.08% Federal funds, NH Certified Community Behavioral Health Clinic Planning, as awarded on 3/15/23, by the Substance Abuse and Mental Health Services Administration, Center for Mental Health Services, ALN 93.829, FAIN H79SM087622.
   1.3. 94.94% General funds.
   1.4. .23% Other funds (Behavioral Health Services Information System).
2. For the purposes of this Agreement the Department has identified:
   2.1. The Contractor as a Subrecipient, in accordance with 2 CFR 200.331.
   2.2. The Agreement as NON-R&D, in accordance with 2 CFR §200.332.
3. The State shall pay the Contractor an amount not to exceed the Price Limitation, specified in Form P-37, General Provisions, Block 1.8 for the services provided by the Contractor pursuant to Exhibit B, Scope of Services.
4. Notwithstanding anything to the contrary herein, the Contractor agrees that funding under this Agreement may be withheld, in whole or in part, in the event of noncompliance with any state or federal law, rule or regulation applicable to the services provided, or if the said services have not been completed in accordance with the terms and conditions of this Agreement.
5. Mental Health Services provided by the Contractor shall be paid in order as follows:
   5.1. For Medicaid enrolled individuals through the Department Medicaid Fee for Service program in accordance with the current, publicly posted Fee for Service (FFS) schedule located at NHMMIS.NH.gov.
   5.2. For Managed Care Organization enrolled individuals, the Contractor shall be reimbursed pursuant to the Contractor's agreement with the applicable Managed Care Organization for such services.
   5.3. For individuals with other health insurance or other coverage for the services they receive, the Contractor will directly bill the other insurance or payors.
   5.4. For individuals without health insurance or other coverage for the services they receive, and for operational costs contained in Exhibits C, Payment Terms, or which the Contractor cannot otherwise seek reimbursement from an insurance or third-party payer, the Contractor

will directly bill the Department to access contract funds provided through this Agreement.

6. All Medicaid/MCO invoicing shall follow billing and coding requirements outlined by the Department. For the purpose of Medicaid billing, a unit of service is described in the DHHS published CMH NH Fee Schedule, as may be periodically updated, or as specified in NH Administrative Rule He-M 400. However, for He-M 426.12 Individualized Resiliency and Recovery Oriented Services (IROS), a Unit of Service is defined as fifteen (15) minutes. The Contractor shall report and bill in whole units. The intervals of time in the table below define how many units to report or bill. All such limits may be subject to additional DHHS guidance or updates as may be necessary to remain in compliance with Medicaid standards.

| Direct Service Time Intervals | Unit Equivalent |
|---|---|
| 0-7 minutes | 0 units |
| 8-22 minutes | 1 unit |
| 23-37 minutes | 2 units |
| 38-52 minutes | 3 units |
| 53-60 minutes | 4 units |

7. Payment shall be for services provided in the fulfillment of this Agreement, as specified in Exhibit B Scope of Work, and in accordance with Table 1 below.

7.1. The table below summarizes the other contract programs and their maximum allowable amounts.

7.3. Division for Children, Youth, and Families (DCYF) Consultation: The Contractor shall be reimbursed at a rate of ***$73.75*** per hour for a maximum of two (2) hours per month for each of the twelve (12) months in the fiscal year for services outlined in Exhibit B, Scope of Services, Division for Children, Youth, and Families (DCYF).

7.4. Rapid Response Crisis Services: The Department shall reimburse the Contractor only for those Crisis Services provided through designated Rapid Response teams to clients defined in Exhibit B, Scope of Services, Provision of Crisis Services. The Contractor shall bill and seek reimbursement for Rapid Response provided to individuals pursuant to this Agreement as follows:

7.4.1. Payment shall be on a cost reimbursement basis for actual expenditures incurred in the fulfillment of this Agreement, and shall be in accordance with the approved line item, as specified in Exhibit C-2, Budget through Exhibit C-3 Budget.

7.4.2. Law enforcement is not an authorized expense.

7.5. Crisis Apartments Occupancy: The Contractor shall invoice the Department for the prior month based on the number of beds, the number of days in that month and the daily rate of ***$97.94.*** At the end of each quarter the Department will conduct a review of occupancy rates of crisis apartments. The Department may recoup funding to the actual average occupancy rate for the quarter, in whole or in part, if the occupancy rate, on average, is less than 80%.

7.6. Assertive Community Treatment Team (ACT) Adults: The Contractor shall be paid based on an activity and general payment as outlined below. Funds support programming and staffing defined in Exhibit B, Scope of Work, Adult Assertive Community Treatment (ACT) Teams.

| ACT Costs | INVOICE TYPE | TOTAL REIMBURSEMENT |
|---|---|---|
| Invoice based payments on invoice | Programmatic costs as outlined on invoice by month | $450,000 |
| ACT Enhancements | 1. ACT Incentives of $6,250 may be drawn down in December 2023 and May 2024 for active participation in COD Consultation. Evidence of active participation by the ACT team in the monthly consultations and skills training events conducted by the COD consultant will qualify for payment.<br><br>OR<br><br>2. ACT incentives may be drawn down upon completion of the SFY24 Fidelity Review. A total of $6, 250 may be paid for a score of 4 or 5 on the Co-occurring Disorder Treatment Groups (S8) and the Individualized Substance Abuse Treatment (S7) fidelity measures. | $12,500 |

7.7. Behavioral Health Services Information System (BHSIS): BHSIS funds are available for data infrastructure projects or activities, depending upon the receipt of other funds and the criteria for use of those funds, as specified by the Department. Activities may include: costs associated with Phoenix and CANS/ANSA databases such as IT staff time for re-writing, testing, or validating data; software/training purchased to improve data collection; staff training for collecting new data elements.

7.8. MATCH: Funds to be used to support services and trainings outlined in Exhibit B, Scope of Services. The breakdown of this funding for SFY 2024 is outlined below.

| TRAC COSTS | CERTIFICATION OR RECERTIFICATION | TOTAL REIMBURSEMENT |
|---|---|---|

| | | |
|---|---|---|
| $2,500 | $250/Person X 10 People = $2,500 | $5,000 |

7.9. RENEW Sustainability Continuation: The Department shall reimburse the Contractor for RENEW Activities Outlined in Exhibit B. Renew costs will be billed in association with each of the following items, not to exceed $6,000 annually. Funding can be used for staff training; training of new Facilitators; training for an Internal Coach; coaching IOD for Facilitators, Coach, and Implementation Teams; and travel costs.

7.10. General Training Funding: Funds are available to support any general training needs for staff. Focus should be on trainings needed to retain and expand expertise of current staff or trainings needed to obtain staff for vacant positions.

7.11. System Upgrade Funding: Funds are available to support software, hardware, and data upgrades to support items outlined in Exhibit B, Scope of Services, Data Reporting. Funds may also be used to support system upgrades to ensure accurate insurance billing occurs. Funds will be paid at a flat monthly rate of $1,250 upon successful submission and validation of monthly Phoenix reports with the Department.

7.12. The Institutional Review Board (IRB): The contractor shall utilize funds to pay for one (1) part-time administrator and one (1) part-time secretary to administer the IRB.

7.13. Cypress Center: Funding to support programming as outlined in Exhibit B, Scope of Services.

7.14. System of Care 2.0: Funds are available in SFY 2024 to support a School Liaison position and associated program expenses as outlined in the below budget table.

| | |
|---|---|
| Clinical training for expansion of MATCH-ADTC (Modular Approach to Therapy for Children with Anxiety, Depression, Trauma, or Conduct Problems) program | $5,000.00 |
| Indirect Costs (not to exceed 6%) | $300.00 |
| **Total** | **$5,300.00** |

7.15. ProHealth NH: Payment for ProHealth services shall be made monthly throughout the duration of the grant period, which ends September 29, 2023 as follows:

7.15.1. Payment shall be on a cost reimbursement basis for actual expenditures incurred in the fulfillment of programming as outlined in Exhibit B, Scope of Services, and shall be in accordance with Exhibit C-1, Budget.

7.15.2. The Contractor agrees to keep records of their activities related to Department programs and services.

7.16. Certified Community Behavioral Health Clinic (CCBHC) Planning: Funding to support CCBHC planning efforts and specific staff provisions available as specified in Exhibit B, Scope of Services. Funds are available through March 30, 2024.

7.17. Payment for each contracted service in the above table shall be made on a cost reimbursement basis only, for allowable expenses and in accordance with the Department approved individual program budgets.

8. The Contractor shall provide its Revenue and Expense Budget within twenty (20) calendar days of the contract effective date.

8.1. The Contractor shall complete the Fiscal Year Revenue and Expense Budget on a form supplied by the Department, which shall include but not be limited to, all the Contractor's cost centers. If the Contractor's cost centers are a combination of several local cost centers, the Contractor shall display them separately as long as the cost center code is unchanged.

8.2. The Contractor shall provide quarterly Revenue and Expense Reports (Budget Form A), within thirty (30) calendar days after the end of each fiscal quarter, defined as July 1 to September 30, October 1 to December 31, January 1 to March 31, and April 1 to June 30.

9. The Contractor shall submit an invoice with supporting documentation to the Department no later than the fifteenth (15th) working day of the month following the month in which the services were provided. The Contractor shall ensure each invoice:

9.1. Includes the Contractor's Vendor Number issued upon registering with New Hampshire Department of Administrative Services.

9.2. Is submitted in a form that is provided by or otherwise acceptable to the Department.

9.3. Identifies and requests payment for allowable costs incurred in the previous month.

9.4. Includes supporting documentation of allowable costs with each invoice that may include, but are not limited to, time sheets, payroll records, receipts for purchases, and proof of expenditures, as applicable.

9.5. Is completed, dated and returned to the Department with the supporting documentation for allowable expenses to initiate payment.

9.6. Is assigned an electronic signature, includes supporting documentation, and is emailed to dhhs.dbhinvoicesmhs@dhhs.nh.gov or mailed to:

Financial Manager
Department of Health and Human Services
129 Pleasant Street

Concord, NH 03301

10. The Department shall make payments to the Contractor within thirty (30) days of receipt of each invoice and supporting documentation for authorized expenses, subsequent to approval of the submitted invoice.

11. The final invoice and supporting documentation for authorized expenses shall be due to the Department no later than forty (40) days after the contract Completion Date specified in Form P-37, General Provisions Block 1.7.

12. Notwithstanding Paragraph 17 of the General Provisions Form P-37, changes limited to adjusting amounts within the price limitation and adjusting encumbrances between State Fiscal Years and budget class lines through the Budget Office may be made by written agreement of both parties, without obtaining approval of the Governor and Executive Council, if needed and justified.

13. Audits

    13.1. The Contractor must email an annual audit to dhhs.act@dhhs.nh.gov if any of the following conditions exist:

        13.1.1. Condition A - The Contractor expended $750,000 or more in federal funds received as a subrecipient pursuant to 2 CFR Part 200, during the most recently completed fiscal year.

        13.1.2. Condition B - The Contractor is subject to audit pursuant to the requirements of NH RSA 7:28, III-b, pertaining to charitable organizations receiving support of $1,000,000 or more.

        13.1.3. Condition C - The Contractor is a public company and required by Security and Exchange Commission (SEC) regulations to submit an annual financial audit.

    13.2. If Condition A exists, the Contractor shall submit an annual Single Audit performed by an independent Certified Public Accountant (CPA) to dhhs.act@dhhs.nh.gov within 120 days after the close of the Contractor's fiscal year, conducted in accordance with the requirements of 2 CFR Part 200, Subpart F of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal awards.

        13.2.1. The Contractor shall submit a copy of any Single Audit findings and any associated corrective action plans. The Contractor shall submit quarterly progress reports on the status of implementation of the corrective action plan.

    13.3. If Condition B or Condition C exists, the Contractor shall submit an annual financial audit performed by an independent CPA within 120 days after the close of the Contractor's fiscal year.

13.4. In addition to, and not in any way in limitation of obligations of the Agreement, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department all payments made under the Agreement to which exception has been taken, or which have been disallowed because of such an exception.

## CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

**ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS**

**US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS**
**US DEPARTMENT OF EDUCATION - CONTRACTORS**
**US DEPARTMENT OF AGRICULTURE - CONTRACTORS**

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services
129 Pleasant Street,
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
   - 1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
   - 1.2. Establishing an ongoing drug-free awareness program to inform employees about
     - 1.2.1. The dangers of drug abuse in the workplace;
     - 1.2.2. The grantee's policy of maintaining a drug-free workplace;
     - 1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
     - 1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
   - 1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
   - 1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
     - 1.4.1. Abide by the terms of the statement; and
     - 1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
   - 1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

Vendor Initials PC

Date 5/23/2023

has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

1.6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 1.4.2, with respect to any employee who is so convicted

## CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

Contractor Initials PC

Date 5/23/2023

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
    - 11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
    - 11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
    - 11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (I)(b) of this certification; and
    - 11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
    - 13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
    - 13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

## CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1000 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Contractor identified in Section 1.3 of the General Provisions agrees, by signature of the Contractor's representative as identified in Section 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this contract, the Contractor agrees to make reasonable efforts to comply with all applicable provisions of Public Law 103-227, Part C, known as the Pro-Children Act of 1994.

## HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT BUSINESS ASSOCIATE AGREEMENT

The Contractor identified in Section 1.3 of the General Provisions of the Agreement agrees to comply with the Health Insurance Portability and Accountability Act, Public Law 104-191 and with the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160 and 164 applicable to business associates. As defined herein, "Business Associate" shall mean the Contractor and subcontractors and agents of the Contractor that receive, use or have access to protected health information under this Agreement and "Covered Entity" shall mean the State of New Hampshire, Department of Health and Human Services.

**(1) Definitions.**

a. "Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

b. "Business Associate" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

c. "Covered Entity" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

d. "Designated Record Set" shall have the same meaning as the term "designated record set" in 45 CFR Section 164.501.

e. "Data Aggregation" shall have the same meaning as the term "data aggregation" in 45 CFR Section 164.501.

f. "Health Care Operations" shall have the same meaning as the term "health care operations" in 45 CFR Section 164.501.

g. "HITECH Act" means the Health Information Technology for Economic and Clinical Health Act, TitleXIII, Subtitle D, Part 1 & 2 of the American Recovery and Reinvestment Act of 2009.

h. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 and the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160, 162 and 164 and amendments thereto.

i. "Individual" shall have the same meaning as the term "individual" in 45 CFR Section 160.103 and shall include a person who qualifies as a personal representative in accordance with 45 CFR Section 164.501(g).

j. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 CFR Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

k. "Protected Health Information" shall have the same meaning as the term "protected health information" in 45 CFR Section 160.103, limited to the information created or received by Business Associate from or on behalf of Covered Entity.

l. "Required by Law" shall have the same meaning as the term "required by law" in 45 CFR Section 164.103.

m. "Secretary" shall mean the Secretary of the Department of Health and Human Services or his/her designee.

n. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 CFR Part 164, Subpart C, and amendments thereto.

o. "Unsecured Protected Health Information" means protected health information that is not secured by a technology standard that renders protected health information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

p. Other Definitions - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH Act.

(2) **Business Associate Use and Disclosure of Protected Health Information.**

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:
   I. For the proper management and administration of the Business Associate;
   II. As required by law, pursuant to the terms set forth in paragraph d. below; or
   III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) Obligations and Activities of Business Associate.

a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- The unauthorized person used the protected health information or to whom the disclosure was made;
- Whether the protected health information was actually acquired or viewed
- The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Contractor Initials PC

Date 5/23/2023

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

**(4) Obligations of Covered Entity**

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

**(5) Termination for Cause**

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

**(6) Miscellaneous**

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

Contractor Initials PC

Date 5/23/2023

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

## CERTIFICATION REGARDING THE FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA) COMPLIANCE

The Federal Funding Accountability and Transparency Act (FFATA) requires prime awardees of individual Federal grants equal to or greater than $25,000 and awarded on or after October 1, 2010, to report on data related to executive compensation and associated first-tier sub-grants of $25,000 or more. If the initial award is below $25,000 but subsequent grant modifications result in a total award equal to or over $25,000, the award is subject to the FFATA reporting requirements, as of the date of the award.
In accordance with 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), the Department of Health and Human Services (DHHS) must report the following information for any subaward or contract award subject to the FFATA reporting requirements:

1. Name of entity
2. Amount of award
3. Funding agency
4. NAICS code for contracts / CFDA program number for grants
5. Program source
6. Award title descriptive of the purpose of the funding action
7. Location of the entity
8. Principle place of performance
9. Unique identifier of the entity (UEI #)
10. Total compensation and names of the top five executives if:
    - 10.1. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than $25M annually and
    - 10.2. Compensation information is not already available through reporting to the SEC.

Prime grant recipients must submit FFATA required data by the end of the month, plus 30 days, in which the award or award amendment is made.
The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of The Federal Funding Accountability and Transparency Act, Public Law 109-282 and Public Law 110-252, and 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:.
The below named Contractor agrees to provide needed information as outlined above to the NH Department of Health and Human Services and to comply with all applicable provisions of the Federal Financial Accountability and Transparency Act.

## Exhibit K

## DHHS Information Security Requirements

A. Definitions

The following terms may be reflected and have the described meaning in this document:

1. "Breach" means the loss of control, compromise, unauthorized disclosure, unauthorized acquisition, unauthorized access, or any similar term referring to situations where persons other than authorized users and for an other than authorized purpose have access or potential access to personally identifiable information, whether physical or electronic. With regard to Protected Health Information, "Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

2. "Computer Security Incident" shall have the same meaning "Computer Security Incident" in section two (2) of NIST Publication 800-61, Computer Security Incident Handling Guide, National Institute of Standards and Technology, U.S. Department of Commerce.

3. "Confidential Information" or "Confidential Data" means all non-public information owned, managed, created, received for or on behalf of, the Department that is protected by information security, privacy or confidentiality rules, Agreement and state and federal laws or policy. This information may include but is not limited to, derivative data, Protected Health Information (PHI), Personally Identifiable Information (PII), Substance Use Disorder Information (SUD), Federal Tax Information, Social Security Administration, and CJIS (Criminal Justice Information Services) data, including the copy of information submitted known as the Phoenix Data. Confidential Information or Confidential Data shall not include medical records produced and maintained by the contractor in the course of their practice or information owned by the patient/client. Contractor shall be solely responsible for the administration and secure maintenance of such medical and other records produced and maintained by the contractor."End User" means any person or entity (e.g., contractor, contractor's employee, business associate, subcontractor, other downstream user, etc.) that receives Confidential Data in accordance with the terms of this Contract.

4. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder.

5. "Incident" means an act that potentially violates an explicit or implied security policy, which includes attempts (either failed or successful) to gain unauthorized access to a system or its data, unwanted disruption or denial of service, the unauthorized use of a system for the processing or storage of data; and changes to system hardware, firmware, or software characteristics without the owner's knowledge, instruction, or consent. Incidents include the loss of data through theft or device misplacement, loss or misplacement of hardcopy documents, and misrouting of physical or electronic mail, all of which may have the potential to put the data at risk of unauthorized access, use, disclosure, modification or destruction.

6. "Open Wireless Network" means any network or segment of a network that is not designated by the State of New Hampshire's Department of Information Technology or delegate as a protected network (designed, tested, and approved, by means of the State, to transmit) will be considered an open network and not adequately secure for the transmission of unencrypted PI, PFI, PHI or Confidential Data.

7. "Personal Information" (or "PI") means information which can be used to distinguish or trace an individual's identity, such as their name, social security number, personal information as defined in New Hampshire RSA 359-C:19, biometric records, etc., alone, or when combined with other personal or identifying information which is linked or linkable to a specific individual, such as date and place of birth, mother's maiden name, etc.

8. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 C.F.R. Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

9. "Protected Health Information" (or "PHI") has the same meaning as provided in the definition of "Protected Health Information" in the HIPAA Privacy Rule at 45 C.F.R. § 160.103.

10. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 C.F.R. Part 164, Subpart C, and amendments thereto.

11. "Unsecured Protected Health Information" means Protected Health Information that is not secured by a technology standard that renders Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

## I. RESPONSIBILITIES OF DHHS AND THE CONTRACTOR

A. Business Use and Disclosure of Confidential Information.

1. The Contractor must not use, disclose, maintain or transmit Confidential Information except as reasonably necessary as outlined under this Contract. Further, Contractor, including but not limited to all its directors, officers, employees and agents, must not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

2. The Contractor must not disclose any Confidential Information in response to a request for disclosure on the basis that it is required by law, in response to a subpoena, etc., without first notifying DHHS so that DHHS has an opportunity to consent or object to the disclosure.

3. Omitted.
4. The Contractor agrees that Confidential Data or derivative there from disclosed to an End User must only be used pursuant to the terms of this Contract.
5. The Contractor agrees Confidential Data obtained under this Contract may not be used for any other purposes that are not indicated in this Contract.
6. The Contractor agrees to grant access to the Confidential Data to the authorized representatives of DHHS for the purpose of inspecting to confirm compliance with the terms of this Contract.

## II. METHODS OF SECURE TRANSMISSION OF DATA

1. Application Encryption. If End User is transmitting Confidential Data between applications, the Contractor attests the applications have been evaluated by an expert knowledgeable in cyber security and that said application's encryption capabilities ensure, secure transmission via the internet.
2. Computer Disks and Portable Storage Devices. End User may not use computer disks or portable storage devices, such as a thumb drive, as a method of transmitting Confidential Data.
3. Encrypted Email. End User may only employ email to transmit Confidential Data if email is encrypted and being sent to and being received by email addresses of persons authorized to receive such information.
4. Encrypted Web Site. If End User is employing the Web to transmit Confidential Data, the secure socket layers (SSL) must be used and the web site must be secure. SSL encrypts data transmitted via a Web site.
5. File Hosting Services, also known as File Sharing Sites. End User may not use file hosting services, such as Dropbox or Google Cloud Storage, to transmit Confidential Data.
6. Ground Mail Service. End User may only transmit Confidential Data via *certified* ground mail within the continental U.S. and when sent to a named individual.
7. Laptops and PDA. If End User is employing portable devices to transmit Confidential Data said devices must be encrypted and password-protected.
8. Open Wireless Networks. End User may not transmit Confidential Data via an open wireless network. End User must employ a virtual private network (VPN) when remotely transmitting via an open wireless network.
9. Remote User Communication. If End User is employing remote communication to access or transmit Confidential Data, a virtual private network (VPN) must be installed on the End User's mobile device(s) or laptop from which information will be transmitted or accessed.
10. SSH File Transfer Protocol (SFTP), also known as Secure File Transfer Protocol. If

End User is employing an SFTP to transmit Confidential Data, End User will structure the Folder and access privileges to prevent inappropriate disclosure of information. SFTP folders and sub-folders used for transmitting Confidential Data will be coded for 24-hour auto-deletion cycle (i.e. Confidential Data will be deleted every 24 hours).

11. Wireless Devices. If End User is transmitting Confidential Data via wireless devices, all data must be encrypted to prevent inappropriate disclosure of information.

## III. RETENTION AND DISPOSITION OF IDENTIFIABLE RECORDS

The Contractor will only retain the Confidential Data for the duration of this Contract. After such time, the Contractor will have 30 days to destroy the Confidential Data, unless, otherwise required by law or permitted under this Contract. If it is infeasible to return or destroy the Confidential Data, protections pursuant to this Information Security Requirements Exhibit survive this contract. To this end, the parties must:

A. Retention

1. The Contractor agrees it will not store, transfer or process Confidential Data collected in connection with the services rendered under this Contract outside of the United States. This physical location requirement shall also apply in the implementation of cloud computing, cloud service or cloud storage capabilities, and includes backup data and Disaster Recovery locations.
2. The Contractor agrees to ensure proper security monitoring capabilities are in place to detect potential security events that can impact Confidential Data State of NH systems and/or Department confidential information for contractor provided systems.
3. The Contractor agrees to provide security awareness and education for its End Users in support of protecting Confidential Data
4. The Contractor agrees to retain all electronic and hard copies of Confidential Data in a secure location.
5. The Contractor agrees Confidential Data stored in a Cloud must be in a FedRAMP/HITECH compliant solution and comply with all applicable statutes and regulations regarding the privacy and security. All servers and devices must have currently-supported and hardened operating systems, the latest anti-viral, anti-hacker, anti-spam, anti-spyware, and anti-malware utilities. The environment, as a whole, must have aggressive intrusion-detection and firewall protection.
6. The Contractor agrees to and ensures its complete cooperation with the State's Chief Information Officer in the detection of any security vulnerability of the hosting infrastructure.

B. Disposition

1. If the Contractor will maintain any Confidential Information on its systems (or its sub-contractor systems), the Contractor will maintain a documented process for securely disposing of such Confidential Data upon request or contract termination; and will obtain written certification for any Confidential Data destroyed by the Contractor or any subcontractors as a part of ongoing, emergency, and or disaster recovery operations. When no longer in use, electronic media containing Confidential Data shall be rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure deletion and media sanitization, or otherwise physically destroying the media (for example, degaussing) as described in NIST Special Publication 800-88, Rev 1, Guidelines for Media Sanitization, National Institute of Standards and Technology, U. S. Department of Commerce. The Contractor will document and certify in writing at time of the Confidential Data destruction, and will provide written certification to DHHS upon request. The written certification will include all details necessary to demonstrate Confidential Data has been properly destroyed and validated. Where applicable, regulatory and professional standards for retention requirements will be jointly evaluated by the State and Contractor prior to destruction.
2. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to destroy all hard copies of Confidential Data using a secure method such as shredding.
3. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to completely destroy all electronic Confidential Data by means of data erasure, also known as secure data wiping.

## IV. PROCEDURES FOR SECURITY

A. Contractor agrees to safeguard the Confidential Data received under this Contract, as follows:

1. The Contractor will maintain proper security controls to protect Confidential Data collected, processed, managed, and/or stored in the delivery of contracted services.
2. The Contractor will maintain policies and procedures to protect Confidential Data throughout the information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the Confidential Data (i.e., tape, disk, paper, etc.).
3. The Contractor will maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Confidential Data where applicable.
4. The Contractor will ensure proper security monitoring capabilities are in place to detect potential security events that can impact Confidential Data, State of NH systems and/or Department confidential information for contractor provided systems.

5. The Contractor will provide regular security awareness and education for its End Users in support of protecting Confidential Data.

6. If the Contractor will be sub-contracting any core functions of the engagement supporting the services for State of New Hampshire, the Contractor will maintain a program of an internal process or processes that defines specific security expectations, and monitoring compliance to security requirements that at a minimum match those for the Contractor, including breach notification requirements.

7. The Contractor will work with DHHS to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any DHHS system(s). Agreements will be completed and signed by the Contractor and any applicable sub-contractors prior to system access being authorized.

8. If DHHS determines the Contractor is a Business Associate pursuant to 45 CFR 160.103, the Contractor will execute a HIPAA Business Associate Agreement (BAA) with DHHS and is responsible for maintaining compliance with the agreement.

9. Omitted.

10. The Contractor will not store, knowingly or unknowingly, any Confidential Data or State of New Hampshire data offshore or outside the boundaries of the United States unless prior express written consent is obtained from the Information Security Office leadership member within DHHS.

11. Data Security Breach Liability. In the event of any security breach Contractor shall make efforts to investigate the causes of the breach, promptly take measures to prevent future breach and minimize any damage or loss resulting from the breach. The State shall recover from the Contractor all costs of response and recovery from the breach, including but not limited to: credit monitoring services, mailing costs and costs associated with website and telephone call center services necessary due to the breach.

12. Contractor must, comply with all applicable statutes and regulations regarding the privacy and security of Confidential Information, and must in all other respects maintain the privacy and security of PI and PHI at a level and scope that is not less than the level and scope of requirements applicable to federal agencies, including, but not limited to, provisions of the Privacy Act of 1974 (5 U.S.C. § 552a), DHHS Privacy Act Regulations (45 C.F.R. §5b), HIPAA Privacy and Security Rules (45 C.F.R. Parts 160 and 164) that govern protections for individually identifiable health information and as applicable under State law.

13. Contractor agrees to establish and maintain appropriate administrative, technical, and physical safeguards to protect the confidentiality of the Confidential Data and to prevent

unauthorized use or access to it. The safeguards must provide a level and scope of security that is not less than the level and scope of security requirements established by the State of New Hampshire, Department of Information Technology. Refer to Vendor Resources/Procurement at https://www.nh.gov/doit/vendor/index.htm for the Department of Information Technology policies, guidelines, standards, and procurement information relating to vendors.

14. Contractor agrees to maintain a documented breach notification and incident response process. The Contractor will notify the State's Privacy Officer and the State's Security Officer of any security breach immediately, at the email addresses provided in Section VI. This includes a confidential information breach, computer security incident, or suspected breach which affects or includes any Confidential Data or State of New Hampshire systems that connect to the State of New Hampshire network.

15. Contractor must restrict access to the Confidential Data obtained under this Contract to only those authorized End Users who need such Confidential Data to perform their official duties in connection with purposes identified in this Contract.

16. The Contractor must ensure that all End Users:

    a. comply with such safeguards as referenced in Section IV A. above, implemented to protect Confidential Information that is furnished by DHHS under this Contract from loss, theft or inadvertent disclosure.

    b. safeguard this information at all times.

    c. ensure that laptops and other electronic devices/media containing PHI, PI, or PFI are encrypted and password-protected.

    d. send emails containing Confidential Information only if encrypted and being sent to and being received by email addresses of persons authorized to receive such information.

    e. limit disclosure of the Confidential Information to the extent permitted by law.

    f. Confidential Information received under this Contract and individually identifiable Confidential Data, must be stored in an area that is physically and technologically secure from access by unauthorized persons during duty hours as well as non-duty hours (e.g., door locks, card keys, biometric identifiers, etc.).

    g. only authorized End Users may transmit the Confidential Data, and in all cases, such Confidential Data must be encrypted at all times when in transit, at rest, or when stored on portable media as required in section IV above.

    h. in all other instances Confidential Data must be maintained, used and disclosed using appropriate safeguards, as determined by a risk-based assessment of the circumstances involved.

    i. understand that their user credentials (user name and password) must not be shared with anyone. End Users will keep their credential information secure.

This applies to credentials used to access the site directly or indirectly through a third party application.

Contractor is responsible for oversight and compliance of their End Users. DHHS reserves the right to conduct onsite inspections to monitor compliance with this Contract, including the privacy and security requirements provided in herein, HIPAA, and other applicable laws and Federal regulations until such time the Confidential Data is disposed of in accordance with this Contract.

## V. LOSS REPORTING

A. The Contractor must notify NH DHHS Information Security via the email address provided in this Exhibit, of any known or suspected Incidents or Breaches immediately after the Contractor has determined that the aforementioned has occurred and that Confidential Data may have been exposed or compromised.

1. Parties acknowledge and agree that unless notice to the contrary is provided by DHHS in its sole discretion to Contractor, this Section V.A.1 constitutes notice by Contractor to DHHS of the ongoing existence and occurrence or attempts of Unsuccessful Security Incidents for which no additional notice to DHHS shall be required. "Unsuccessful Security Incidents" means, without limitation, pings and other broadcast attacks on Contractor's firewalls, port scans, unsuccessful log-on attempts, denial of service attacks, and any combination of the above, so long as no such incident results in unauthorized access, use or disclosure of Confidential Data.

B. Per the terms of this Exhibit the Contractor's and End User's security incident and breach response procedures must address how the Contractor will:

1. Identify incidents;

2. Determine if Confidential Data is involved in incidents;

3. Report suspected or confirmed incidents to DHHS as required in this Exhibit. DHHS will provide the Contractor with a NH DHHS Business Associate Incident Risk Assessment Report for completion.

4. Within 24 hours of initial notification to DHHS, email a completed NH DHHS Business Associate Incident Risk Assessment Preliminary Report to the DHHS' Information Security Office at the email address provided herein;

5. Identify and convene a core response group to determine the risk level of incidents and determine risk-based responses to incidents and mitigation measures, prepare to include DHHS in the incident response calls throughout the incident response investigation;

6. Identify incident/breach notification method and timing;

7. Within one business week of the conclusion of the Incident/Breach response investigation a final written Incident Response Report and Mitigation Plan is submitted to DHHS Information Security Office at the email address provided herein;

8. Address and report incidents and/or Breaches that implicate personal information (PI) to DHHS in accordance with NH RSA 359-C:20 and this Agreement;

9. Address and report incidents and/or Breaches per the HIPAA Breach Notification Rule, and the Federal Trade Commission's Health Breach Notification Rule 16 CFR Part 318 and this Agreement.

10. Comply with all applicable state and federal suspected or known Confidential Data loss obligations and procedures.

C. All legal notifications required as a result of a breach of Confidential Data, or potential breach, collected pursuant to this Contract shall be coordinated with the State if caused by the Contractor. The Contractor shall ensure that any subcontractors used by the Contractor shall similarly notify the State of a Breach, or potential Breach immediately upon discovery, shall make a full disclosure, including providing the State with all available information, and shall cooperate fully with the State, as defined above.

# EXHIBIT B – Amendment #2

## Scope of Services

### 1. Provisions Applicable to All Services

1.1. The Contractor must operate a Community Mental Health Center (CMHC) that provides services intended to promote recovery from mental illness for eligible individuals in the State of New Hampshire for Region 8.

1.2. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the Services described herein, the Department has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

1.3. Prior to termination of this contract the parties will agree on a plan for transition and destruction of data in accordance with Exhibit K.

1.4. The Contractor must provide individualized, recovery-based services and supports in the manner that best allows individuals to stay within their home and community, including, but not limited to providing current treatment and recovery options that are based on scientific research and evidence-based practices (EBPs).

1.5. The Contractor acknowledges the requirements of the Community Mental Health Agreement (CMHA) and must demonstrate progress toward meeting the following terms in the CMHA: 1.) Assertive Community Treatment Teams; 2.) Evidence-Based Supported Employment; 3.) Transition planning for individuals at New Hampshire Hospital and Glencliff Home; and 4.) Supported Housing. Further, the Contractor must participate in annual Quality Service Reviews (QSR) conducted under the terms of the CMHA.

1.6. The Contractor must enter into a capitation model for CMHC services or a PMPM or PPS model if certified as a CCBHC by contracting with all NH Medicaid Managed Care Organizations to support the delivery and coordination of behavioral health services and supports for children, youth, transition-aged youth, young adults, and adults.

1.7. The Contractor must support the integration of physical and behavioral health as a standard of practice, implementing the Substance Abuse and Mental Health Services Administration's (SAMHSA) Six Levels of Collaboration/Integration to the maximum extent feasible.

1.8. The Contractor must ensure that clinical standards and operating procedures are consistent with trauma-informed models of care, as defined by SAMHSA. The clinical standards and operating procedures must reflect a focus on wellness, recovery, and resiliency.

1.9. The Contractor must engage in ongoing implementation, service improvements, and expansion efforts associated with New Hampshire's 10 Year Mental Health Plan, as contracted.

1.10. For the purposes of this agreement, all references to days shall mean business days unless otherwise specified.

1.11. The Contractor must provide individuals and caregivers the opportunity for feedback and leadership within the agency to help improve services in a person-centered manner when applicable and appropriate.

1.12. The Contractor must hire and maintain staffing in accordance with New Hampshire Administrative Rule He-M 403 or as amended.

**2. System of Care for Children's Mental Health**

2.1. The Contractor must collaborate with the Department on the implementation of NH RSA 135-F, System of Care for Children's Mental Health.

2.2. The Contractor must provide services for children, youth, and young adults with serious emotional disturbance (SED) in a manner that aligns with NH RSA 135-F. The Contractor must ensure services are:

2.2.1. Family Driven – services and supports provided in a manner that best meets the needs of the family and the family goals;

2.2.2. Youth Driven – services and supports provided in a manner that best meets the needs of the child, youth, or young adult; and supports their goals;

2.2.3. Community Based – services and supports provided in a manner that best allow children, youth, and young adults to stay within their home and community;

2.2.4. Cultural and Linguistic Competent – services provided in a manner that honors a child, youth, or young adult and their family-identified culture, beliefs, ethnicity, preferred language, gender identity, gender expression, and sexual orientation; and

2.2.5. Trauma-informed.

2.3. The Contractor must collaborate with the Care Management entities providing FAST Forward, Transitional Enhanced Care Coordination (TrECC), and Early Childhood Wraparound (ECW) programing, ensuring services are available for all children and youth enrolled in the programs.

2.4. The Contractor must make referrals to the FAST Forward or ECW programs for any child, youth, or young adult that may be eligible including, but not limited to, children, youth, or young adults who:

2.4.1. Have multisystem involvement;

2.4.2. Are at risk for out-of-home treatment;

2.4.3. Have exhausted community-based services, and/or

2.4.4. Have been psychiatrically hospitalized.

3. **Modular Approach to Therapy for Children with Anxiety, Depression, Trauma, or Conduct Problems (MATCH-ADTC)**

3.1. The Contractor must maintain appropriate levels of certification through an agreement with The Baker Center for Children and Families, through a contract with the Children's Behavioral Health Resource Center.

3.2. The Contractor must maintain use of the Baker Center for Children and Families CHART system, maintained through a contract with the Children's Behavioral Health Resource Center, to support each case with MATCH-ADTC as the identified treatment modality.

3.3. The Contractor must ensure new, current, and incoming staff are utilizing the evidence-based practice of MATCH-ADTC with 30%-60% of individuals whose needs are clinically appropriate for evidence-based practice.

3.4. The Contractor must invoice Bureau for Children's Behavioral Health (BCBH) through invoicing process outlined for:

3.4.1. The costs for both the certification of incoming therapists and the recertification of existing clinical staff (up to 10 staff) must not exceed the budgeted amount; and

3.4.2. The full cost of the annual fees paid to the Baker Center for Children and Families for the use of their CHART system to support MATCH-ADTC.

4. **Rehabilitation for Empowerment, Education, and Work ("RENEW") Sustainability**

4.1. The Contractor must provide the RENEW intervention with fidelity to transition-aged youth who qualify for state-supported community mental health services in accordance with the University of New Hampshire (UNH) - Institute on Disability (IOD) model.

4.2. The Contractor must ensure RENEW coordinators demonstrate their alignment to and competency in the RENEW model by reaching a score of 80% or higher in domains 1-3 on the RENEW Integrity Tool (RIT) and utilize tools as trained for the practice with the individuals.

4.3. The Contractor must obtain support and coaching as needed from the IOD at UNH to improve the competencies of implementation team members and agency coaches.

5. **Division for Children, Youth and Families (DCYF)**

5.1. The Contractor must provide mental health consultation to staff at the DCYF District Offices related to mental health assessments and/or ongoing treatment for children served by DCYF.

5.2. The Contractor must provide Foster Care Mental Health Assessments for children and youth younger than eighteen (18) years of age who are entering foster care.

**6. Crisis Services**

6.1. If the Contractor has, or enters into, an agreement with a hospital to provide crisis services to eligible individuals, or presumed eligible in the ED, for Medicaid services, the Contractor may bill Medicaid according to fee schedules or Managed Care Organizations (MCO) contracts for services rendered.

6.2. The Contactor must ensure Crisis services provided to eligible or presumed eligible individuals in EDs as part of a contract, other agreement, or other collaborative relationship must not be:

6.2.1. Provided by a CMHC employee whose salary and wages are funded under the contract for Rapid Response.

6.2.2. Included in Rapid Response reporting or data related to Rapid Response.

6.2.3. Routed or otherwise directed through the New Hampshire Rapid Response Access Point (NHRRAP or "Access Point") for dispatch or deployment.

6.3. The Contractor must document crisis services delivered in the ED setting as part of its required submissions to the Department's Phoenix system as described in Section 24, Data Reporting, in a format, and with content, completeness, and timelines specified by the Department, ensuring documented information includes screenings performed, diagnosis codes, and referrals made.

6.4. The Contractor must provide documentation of each collaborative relationship with acute care hospitals in its region, at the request of the Department.

6.5. The Contractor must provide emergency services as defined in NH Administrative Rule He-M 403 and NH Administrative Rule He-M 426.

6.6. As part of the crisis resolution, the Contractor must screen each individual 18 years or older for Assertive Community Treatment (ACT). If clinically appropriate, the Contractor must:

6.6.1. Refer the individual for an expedited ACT assessment and/or intake and treatment upon discharge; or

6.6.2. Inform the appropriate CMHC in order to expedite the ACT assessment and/or intake and treatment upon discharge from ED or inpatient psychiatric or medical care setting, if the individual resides in a region other than the region in which the individual is receiving crisis services.

6.7. The Contractor must not refer an individual for hospitalization at New Hampshire Hospital (NHH) or Hampstead Hospital Residential Treatment Facility (HHRTF)

unless the Contractor has determined that NHH or HHRTF is the least restrictive setting in which the individual's immediate psychiatric treatment needs can be met. The Contractor must:

6.7.1. Make all reasonable efforts to ensure no other clinically appropriate bed is available at any other NH inpatient psychiatric unit, Designated Receiving Facility (DRF), Adult Psychiatric Residential Treatment Program (APRTP), Youth Psychiatric Residential Treatment Facility, or other step-up/step-down beds prior to referring an individual to NHH.

9.6.1. The Contractor must maintain the following criteria and procedures related to an individual's inactive, reactivated and closed statuses:

9.6.1.1. Inactive Status

9.6.1.1.1. If the CTI Coach makes contact with the individual at least once post discharge, but no engagement, defined as at least two (2) attempts by phone or in-person per week, for three (3) weeks occurs, the individual must be considered inactive.

9.6.1.1.2. The CTI Coach must notify the CTI Supervisor, and update the EHR to indicate the inactive status,

based on the Contractor's documentation requirements and/or procedures.

9.6.1.1.3. The CTI Supervisor must:

9.6.1.1.3.1. Move the individual to an inactive roster maintained in a location determined by the Contractor;

9.6.1.1.3.2. Conduct outreach to the individual at least once per month for nine (9) months, and close the case at the completion of nine (9) months, defined as from the day of initial discharge; and

9.6.1.1.3.3. Note the individual did not complete the program in the EHR.

9.6.1.2. Reactivated Status

9.6.1.2.1. An individual must be considered reactivated after attending one (1) re-engagement meeting in which the Phase Plan is confirmed to be appropriate and/or updated.

9.6.1.2.2. Once the individual is reactivated, the CTI Supervisor must reassign the individual to the original CTI Coach, if available, or a new CTI Coach, as requested by the individual.

9.6.1.2.3. The reactivated individual must continue the CTI program according to the initial nine (9) month timeline based on their date of discharge.

9.6.1.2.4. The CTI Coach must update the status in the EHR based on the Contractor's documentation requirements and/or procedures.

9.6.1.2.5. The individual must be closed at the completion of nine (9) months and shall be considered having completed and graduated from the program if they receive:

9.6.1.2.5.1. A minimum of two (2) visits by their CTI Coach, including confirmation that the Phase Plan is appropriate and/ or updated; and

9.6.1.2.5.2. A closing meeting in accordance with the CACTI fidelity self-assessment.

9.6.1.3. Closed Status

9.6.1.3.1. An individual must be considered closed if the individual:

9.6.1.3.1.1. Moved out of state, or the catchment area;

9.6.1.3.1.2. Passed away;

9.6.1.3.1.3. Is hospitalized for an extended period of time as determined by the Contractor;

9.6.1.3.1.4. Transferred to Assertive Community Treatment (ACT) services,

9.6.1.3.1.5. Is incarcerated; or

9.6.1.3.1.6. Has not had contact after discharge for three (3) weeks, including a minimum of two (2) outreaches per week, and receives a notification letter or is otherwise notified according to the Contractor's closing policy.

9.6.1.3.2. The CTI Coach must update the EHR to indicate the closed status.

9.6.1.3.3. The CTI Supervisor must remove the individual from the CTI Coach's caseload.

9.6.1.3.4. If the individual becomes eligible for CTI again, the Contractor must ensure they are allowed to receive the service.

9.7. CTI Supervisory Scope of Work

9.7.1. The Contractor must ensure the CTI Supervisor conducts weekly team meetings with CTI workers.

9.7.2. The CTI Supervisor conducts a monthly caseload review with CTI team either during the team supervisor meetings or in a separate meeting.

9.7.3. The Contractor must ensure the CTI Supervisor conducts bi-weekly one-on-one supervision with CTI workers. The Contractor must ensure one-on-one supervision outcomes are documented on the CTI Team

Supervision form contained within the CTI Manual provided to the Contractor by the Department, and includes:

9.7.3.1. Bi-weekly documentation on required forms that include the:

9.7.3.1.1. Weighted caseload tracker;

9.7.3.1.2. Phase date form; and

9.7.3.1.3. CTI Team Supervision form; and

9.7.3.2. CTI worker's fidelity efforts; and

9.7.3.3. CTI worker's barriers to securing community services and supports for CTI participants.

9.7.4. The Contractor must ensure the CTI Supervisor or another CTI staff acting as the covering CTI Supervisor participates in duties within the scope of CTI that align with the goals of Department. These other duties may include, but are not limited to:

9.9.2.1. Complete the CTI model training;

9.9.2.2. Attend CTI Team meeting; and

9.9.2.3. Attend Community of Practice (CoP) meetings.

9.9.3. The Contractor must participate in training and skill deployment, as requested by the Department, which includes:

9.9.3.1. A one (1) day CTI worker training;

9.9.3.2. A one (1) day CTI supervisor training;

9.9.3.3. Assist in co-facilitating CTI staff training;

9.9.3.4. CTI Team Lead & Supervisor Cohort Meeting; and

9.9.3.5. Complementary trainings to CTI staff.

**10. Coordination of Care from Residential or Psychiatric Treatment Facilities**

10.1. The Contractor must designate a member of its staff to serve as the primary liaison to New Hampshire Hospital (NHH) and/ or Hampstead Hospital Residential Treatment Facility (HHRTF) who works with the applicable NHH & HHRTF staff, payer(s), guardian(s), other community service providers, and the applicable individual, to assist with coordinating the seamless transition of care for individuals transitioning from NHH and HHRTF to community based services or transitioning to NHH from the community.

10.2. The Contractor may designate a different liaison for individuals being served through their children's services.

10.3. The Contractor must not close the case of any individual who is admitted to NHH. Notwithstanding, the Contractor must be deemed to be in compliance with all NH Administrative He-M Chapter 400 rules regarding, Clinical Records rules regarding documentation if it is noted in the record that the individual is an inpatient at NHH or another treatment facility. All documentation requirements as per He-M Chapter 400 will be required to resume upon re-engagement of services following the individual's discharge from inpatient care.

10.4. The Contractor must participate in transitional and discharge planning within 24 hours of notification of admission to an inpatient facility.

10.5. The Contractor must work with the Department, payers and guardians (if applicable) to review cases of individuals that NHH, HHRTF, Transitional Housing, or alternative treatment facility or the Contractor, have indicated will have difficulty returning to the community to identify barriers to discharge, and to develop an appropriate plan to transition into the community.

10.6. The Contractor must make a face-to-face appointment available to an individual leaving NHH, HHRTF, Transitional Housing or alternative residential setting who desires to reside in the region served by the Contractor within seven (7) calendar days of receipt of notification of the individual's discharge, or within seven (7) calendar days of the individual's discharge, whichever is later.

10.7. The Contractor must ensure individuals who are discharged and are new to a CMHC have an offer of intake appointment within seven (7) calendar days. If the individual declines to accept the appointment, declines services, or requests an appointment to be scheduled beyond the seven (7) calendar days, the Contractor may accommodate the individual's request provided the accommodation is clinically appropriate, and does not violate the terms of a conditional discharge. The Contractor's Adult ACT Team must see individuals who are on the ACT caseload and transitioning from NHH into the community within 24 hours of NHH discharge.

10.8. The Contractor must make all reasonable efforts to ensure that no appropriate bed is available at any other inpatient psychiatric unit; Designated Receiving Facility (DRF) per NH RSA 135-C and NH Administrative Rule He-M 405, Designation of Receiving Facilities; Peer Support Recovery Center; or Adult Psychiatric Residential Treatment Program (APRTP) prior to referring an individual to NHH.

10.9. The Contractor must collaborate with NHH to develop and execute appropriate conditional discharges from NHH in order to ensure that individuals receive treatment in the least restrictive environment.

10.10. The Contractor must have staff members available to receive, evaluate, and treat individuals discharged from NHH and HHRTF seven (7) calendar days

per week, consistent with the provisions in NH Administrative Rule He-M 403 and NH Administrative Rule He-M 426.

10.11. For individuals at NHH who formerly resided in the Contractor's designated community mental health region prior to NHH admission, who have been identified for transition planning to the Glencliff Home, the Contractor must, at the request of the individual or guardian, or of NHH or Glencliff Home staff, participate in transition planning to determine if the individual can be supported in the Contractor's region with community based services and supports instead of transitioning to the Glencliff Home. In the event the individual would require supports from multiple funding sources or the Department's systems of care, the Contractor must collaborate with additional Department staff at NHH's request, to address any barriers to discharge the individual to the community.

**12. Coordinated Care and Integrated Treatment**

12.1. Primary Care

12.1.1. The Contractor must request written consent from each individual to allow the designated primary care provider to release information for the purpose of coordinating care regarding mental health services or substance misuse services or both.

12.1.2. The Contractor must support each individual with linking to an available primary care provider, if the individual does not have an identified primary care provider, to:

12.1.2.1. Monitor health;

12.1.2.2. Provide medical treatment as necessary; and

12.1.2.3. Engage in preventive health screenings.

12.1.3. The Contractor must consult with each primary care provider at least annually, or as necessary, to integrate care between mental and physical health for each individual, which may include the exchange of pertinent information including, but not limited to medication changes or changes in the individual's medical condition.

12.1.4. The Contractor must document on the release of information form the reason(s) written consent to release information was refused in the event an individual refuses to provide consent to release information.

12.2. Substance Misuse Treatment, Care and/or Referral

12.2.1. The Contractor must provide services and meet requirements to address substance misuse and to support recovery intervention implementation, which include, but are not limited to:

12.2.1.1. Screening no less than 95% of eligible individuals for substance misuse at the time of intake, and annually thereafter.

12.2.1.2. Conducting a full assessment for substance misuse disorder and associated impairments for each individual that screens positive for substance use.

12.2.1.3. Developing an individualized service plan for each eligible individual based on information from substance misuse screening

12.2.2. The Contractor must utilize the SAMSHA evidence-based models for Co-Occurring Disorders Treatment to develop treatment plans with individuals and to provide an array of evidence-based interventions that enhance recovery for individuals and follow the fidelity standards to such a model.

12.2.3. The Contractor must make all appropriate referrals if the individual requires additional substance use disorder care utilizing the current New Hampshire system of care, and ensuring linkage to and coordination with resources.

12.3. Area Agencies

12.3.1. The Contractor must collaborate with the Area Agency that serves the region to address processes that include:

12.3.1.1. Enrolling individuals for services who are dually eligible for both organizations;

12.3.1.4. Facilitating collaborative discharge planning meetings to assess individuals who are leaving NHH to re-engage them with both the CMHC and Area Agency representatives;

12.3.1.5. Ensuring annual training is designed and completed for intake, eligibility, and case management for dually

diagnosed individuals and that attendee's include intake clinicians, case-managers, service coordinators and other frontline staff identified by both CMHC's and Area Agencies. The Contractor must ensure the training utilizes the Diagnostic Manual for Intellectual Disability 2 that is specific to intellectual disabilities, in conjunction with the DSM V-TR;

12.3.1.6. Planning for each person who receives dual case management by outlining the responsibilities of each organization and expectations for collaboration between the organizations; and

12.3.1.7. Participating in shared service annual treatment meetings to assess quality and progress towards treatment goals as well as monitoring continued need for dual services when waivers are required for services between agencies.

12.4. Peer Supports

12.4.1. The Contractor must actively promote recovery principles and integrate peers throughout the agency, which includes, but is not limited to:

12.4.1.1. Employing individuals with mental health lived experience as integrated members of the CMHC treatment team(s) in the role of certified peer support specialist with the ability to deliver one-on-one face-to-face interventions that facilitate the development and use of recovery-based goals and care plans and explore treatment engagement and connections with natural supports.

12.4.1.2. Establishing referral and resource relationships with the local Peer Support Agencies, including any Peer Respite, Recovery Oriented Step-up/Step-down programs, and Clubhouse Centers and promote the availability of these services.

12.4.2. The Contractor must submit a peer support staff tracking document, as supplied by or otherwise approved by the Department as requested.

12.5. Transition of Care with MCO's

12.5.1. The Contractor must ensure ongoing coordination occurs with the MCO Care Managers to support care coordination among and between services providers.

**13. Deaf Services**

13.1. The Contractor must work with the Deaf Services Team, employed by Region 6, for all individuals seeking services who would benefit from receiving treatment in American Sign Language (ASL) or from staff who are specially trained to work with the deaf and hard of hearing population.

13.2. The Contractor must work with the Deaf Services Team in Region 6 for disposition and treatment planning, as appropriate.

13.3. The Contractor must ensure treatment plans take the importance of access to culturally and linguistically appropriate services on treatment outcomes into consideration.

13.4. The Contractor must ensure services are person-directed, which may result in:

13.4.1. Individuals being seen only by the Deaf Services Team through CMHC Region 6;

13.4.2. Care being shared across the regions; or

13.4.3. The individual's local CMHC providing care after consultation with the Deaf Services Team.

**14. Referral, Educations, Assessment, Prevention (REAP) and Enhanced REAP**

14.1. The Contractor must provide a statewide community-based education and brief intervention-counseling program in accordance with protocols and policies approved by the Department that are specifically designed for:

14.1.1. Individuals who are sixty (60) years of age and older;

14.1.2. Families of individuals who are sixty (60) years of age and older; and

14.1.3. Other informal caregivers of individuals who are sixty (60) years of age and older.

14.2. The Contractor must ensure priority of the program is the prevention or alleviation of substance misuse, including but not limited to:

14.2.1. Alcohol.

20.1.2.2. A budget column allowing for budget to actual analysis.

20.1.3. Year-to-date Profit and Loss Statement for the Program funded under this Agreement that includes:

20.1.3.1. All revenue sources and all related expenditures for the Program; and

20.1.3.2. A budget column allowing for budget to actual analysis.

20.1.4. Year-to-date Cash Flow Statement for the Contractor's entire organization including all related parties.

20.2. The Contractor must ensure all financial statements are prepared based on the accrual method of accounting and include all the Contractor's total revenues and expenditures, whether or not generated by or resulting from funds provided pursuant to this Agreement.

20.3. The Contractor's fiscal integrity will be evaluated by the Department using the following Formulas and Performance Standards:

20.3.1. Days of Cash on Hand:

20.3.1.1. Definition: The days of operating expenses that can be covered by the unrestricted cash on hand.

20.3.1.2. Formula: Cash, cash equivalents and short-term investments divided by total operating expenditures, less depreciation/amortization and in-kind plus principal payments on debt divided by days in the reporting period. The short-term investments as used above must mature

within three (3) months and should not include common stock.

20.3.1.3. Performance Standard: The Contractor must have enough cash and cash equivalents to cover expenditures for a minimum of thirty (30) calendar days with no variance allowed.

20.3.2. Current Ratio:

20.3.2.1. Definition: A measure of the Contractor's total current assets available to cover the cost of current liabilities.

20.3.2.2. Formula: Total current assets divided by total current liabilities.

20.3.2.3. Performance Standard: The Contractor must maintain a minimum current ratio of 1.5:1 with 10% variance allowed.

20.3.3. Debt Service Coverage Ratio:

20.3.3.1. Rationale: This ratio illustrates the Contractor's ability to cover the cost of its current portion of its long-term debt.

20.3.3.2. Definition: The ratio of net income to the year to date debt service.

20.3.3.3. Formula: Net Income plus depreciation/amortization expense plus interest expense divided by year to date debt service (principal and interest) over the next twelve (12) months.

20.3.3.4. Source of Data: The Contractor's monthly financial statements identifying current portion of long-term debt payments (principal and interest).

20.3.3.5. Performance Standard: The Contractor must maintain a minimum standard of 1.2:1 with no variance allowed.

20.3.4. Net Assets to Total Assets:

20.3.4.1. Rationale: This ratio is an indication of the Contractor's ability to cover its liabilities.

20.3.4.2. Definition: The ratio of the Contractor's net assets to total assets.

20.3.4.3. Formula: Net assets (total assets less total liabilities) divided by total assets.

20.3.4.4. Source of Data: The Contractor's monthly financial statements.

20.3.4.5. Performance Standard: The Contractor must maintain a minimum ratio of .30:1, with a 20% variance allowed.

20.4. In the event that the Contractor does not meet either:

20.4.1. The Days of Cash on Hand Performance Standard and the Current Ratio Performance Standard for two (2) consecutive months; or

20.4.2. Three (3) or more of any of the Performance Standards for one (1) month, or any one (1) Performance Standard for three (3) consecutive months, then the Contractor must:

20.4.2.1. Meet with Department staff to explain the reasons that the Contractor has not met the standards; and/or

20.4.2.2. Submit a comprehensive corrective action plan within 30 calendar days of receipt of notice from the Department.

20.5. The Contractor must update and submit the corrective action plan to the Department, at least every 30 calendar days, until compliance is achieved. The Contractor must:

20.5.1. Provide additional information to ensure continued access to services as requested by the Department and ensure requested information is submitted to the Department in a timeframe agreed upon by both parties.

20.6. The Contractor must inform the Department by phone and by email within five (5) days of when any key Contractor staff learn of any actual or likely litigation, investigation, complaint, claim, or transaction that may reasonably be considered to have a material financial impact on and/or materially impact or impair the ability of the Contractor to perform under this Agreement with the Department.

20.7. The Contractor must provide its Revenue and Expense Budget within twenty (20) calendar days of the contract effective date.

20.8. The Contractor must complete the Fiscal Year Revenue and Expense Budget on a form supplied by the Department, which must include but not be limited to, all the Contractor's cost centers. If the Contractor's cost centers are a combination of several local cost centers, the Contractor must display them separately as long as the cost center code is unchanged.

20.9. The Contractor must provide quarterly Revenue and Expense Reports (Budget Form A), within thirty (30) calendar days after the end of each fiscal quarter, defined as July 1 to September 30, October 1 to December 31, January 1 to March 31, and April 1 to June 30.

**21. Reduction or Suspension of Funding**

21.1. In the event that the State funds designated as the Price Limitation in Form P-37, General Provisions, Block 1.8. of the General Provisions are reduced, suspended, or reallocated, the Department shall provide immediate written notification to the Contractor of such reduction, suspension, or reallocation.

21.1.1. In the event that the reduction or suspension, or reallocation of federal or state funding prevents the Contractor from providing necessary services to individuals, the Department shall initiate the process to amend the agreement, pursuant to Paragraph 18 of the Form P-37, to modify the service requirements contained herein in collaboration with the Contractor.

21.1.2. Any reductions to services taken by the Contractor and the Department shall prioritize the most critical services, including, but not limited to:

21.1.2.1. Evaluation of and, if eligible, an individual service plan for all new applicants for services.

21.1.2.2. Crisis services for all individuals.

21.1.2.3. Services for individuals who meet the criteria for involuntary admission to a designated receiving facility.

21.1.2.4. Services to individuals who are on a conditional discharge pursuant to RSA 135-C:50 and NH Administrative Rule He-M 609.

**22. Elimination of Programs and Services by Contractor**

22.1. Not including service reductions collaboratively addressed in Section 21. Reduction or Suspension of Funding, the Contractor must provide a minimum of thirty (30) calendar day's written notice prior to any reductions in delivery of services, or notice as soon as known if the Contactor is faced with an urgent need to reduce delivery of services.

22.2. The Contractor and the Department shall collaborate prior to the elimination or reduction of services to address the immediate situation in order to prioritize which services survive the reduction. Should the Contractor and the Department require assistance in their collaborative efforts, the Department may require the Contractor to engage in a non-binding mediation within thirty (30) calendar days by the Commissioner of the Department of Health and Human Services at no cost to the Contractor, to include funding capacity and supplemental resources.

22.3. The Contractor must not redirect funds allocated in the Contractor's budget for the program or service that has been eliminated or substantially reduced to another program or service without the mutual agreement of both parties.

**23. Closed Loop Referral System**

23.1. The Contractor must utilize the Department's closed loop referral system whenever applicable to the services they provide for referrals between health and/or human service providers within New Hampshire for referral management and client care coordination. Utilization includes inputting information and data as necessary into the Department's referral solution as part of the NH Care Connections Network to facilitate referrals to participating providers, signing required Network Participation Agreement(s), and obtaining a participant specific consent for services.

23.2. The Contractor must utilize the Department's admission, discharge, transfer, and shared care insights solution whenever applicable to the services they provide for client care coordination and management between health providers within New Hampshire. Utilization includes inputting information and data as necessary into the Department's admission, discharge, transfer, and shared care insights platform as part of the NH Care Connections Network to facilitate referrals to participating providers and signing required Participation Agreement(s) for the admission, discharge, transfer, and shared care insights solution.

23.2.1. The Department's contracts with the closed loop referral and admission, discharge, and transfer vendors incorporate the costs of developing and maintaining the standards-based interface from which the Contractor may choose to configure their systems to communicate securely with the Department's NH Care Connections Network solutions. The Contractor may choose to interface with the Department's closed loop referral and/or the admission discharge transfer solution utilizing a Smart on FHIR or HL-7 standard interface process to connect individuals to health and social service providers. The costs for the Contractor system or team to develop or utilize the standard Smart on FHIR or HL-7 based interface are the sole responsibility of the Contractor.

**24. Data Reporting**

24.1. The Contractor must submit any data identified by the Department to comply with federal and/or other reporting requirements and must work with the Department on any additional mutual agreed upon requests.

24.2. The Contractor must submit all required data elements to the Department's Phoenix system in compliance with current Phoenix reporting specifications and transfer protocol provided by the Department.

24.3. The Contractor must submit individual client intake, demographics, payor, diagnostic, referral, location, and other information specified by the Department, and all service encounter and outcome data, including data on both billable and non-billable individual-specific services and rendering staff providers on these encounters, to the Department's Phoenix system, or its

successors, in the format, content, completeness, frequency, method and timeliness as specified by the Department. Individual data must include a Medicaid ID number for individuals who are enrolled in Medicaid.

24.4. The Contractor must include client community mental health program eligibility including, but not limited to, SMI as applicable with all Phoenix services in alignment with current reporting specifications.

24.5. The Contractor must initiate any necessary system changes within thirty (30) calendar days to comply with annual Department updates to the Phoenix reporting specification(s). The Department expects updates to be completed within 90 days of notification of the new requirements. If a Contractor is unable to comply, the Contractor must submit a request to the Department for an extension that documents the reasons for non-compliance, and includes a work plan outlining tasks and timelines to ensure compliance.

24.6. The Contractor must meet all the general requirements for the Phoenix system which include, but are not limited to:

24.6.1. Agreeing that all data collected in the Phoenix system is the property of the Department to use as it deems necessary.

24.6.2. Ensuring data files and records are consistent with reporting specification requirements.

24.6.3. Ensuring that errors in data returned to the Contractor are corrected and resubmitted to the Department within ten (10) business days.

24.6.4. Ensuring data is current and updated in the Contractor's systems as required for federal reporting and other reporting requirements and as specified by the Department.

24.6.5. Participating in Departmental efforts for system-wide data quality improvement.

24.6.6. Implementing quality assurance, system, and process review procedures to validate data submitted to the Department to confirm:

24.6.6.1. All data is formatted in accordance with the file specifications;

24.6.6.2. No records will be rejected due to invalid characters or invalid formatting; and

24.6.6.3. The Department's tabular summaries of data submitted by the Contractor match the data in the Contractor's system.

24.7. The Contractor must meet the following standards:

24.7.1. Timeliness: monthly data must be submitted no later than the fifteenth (15th) of each month for the prior month's data unless otherwise

approved by the Department, and the Contractor must review the Department's tabular summaries within five (5) business days.

24.7.2. Completeness: submitted data must represent at least ninety-eight percent (98%) of billable services provided, and ninety-eight percent (98%) of individuals served by the Contractor. For fields indicated in the reporting specifications as data elements that must be collected in Contractor systems, 98% must be submitted with valid values other than the unknown value. The Department may adjust this threshold through the exemption process described in Section 28.9.

24.7.3. Accuracy: submitted service and member data must conform to submission requirements for at least ninety-eight percent (98%) of the records, and one hundred percent (100%) of unique member identifiers must be accurate and valid.

24.8. The Contractor must document all interactions with the individual and any community support provider in their EHR.

24.9. The Department may, at its discretion, exempt requirements for timeliness, completeness, and accuracy in Phoenix on a case-by-case basis through a written communication that specifies the items being exempted. In all circumstances:

24.9.1. The exemption length shall not exceed 180 days.

24.9.2. If the Contractor fails to meet exemption standards, the Contractor must submit a corrective action plan to the Department for approval within thirty (30) calendar days of being notified of an issue.

24.9.3. The Contractor must implement the Department-approved corrective action plan.

24.9.4. Failure by the Contractor to implement the correction action plan may require:

24.9.4.1. An additional corrective action plan; or

24.9.4.2. Other remedies as specified by the Department.

**25. Background Checks**

25.1. Prior to permitting any individual to provide services under this Agreement, the Contractor must ensure that said individual has undergone:

25.1.1. A criminal background check, at the Contractor's expense, and has no convictions for crimes that represent evidence of behavior that could endanger individuals served under this Agreement;

25.1.2. A name search of the Department's Bureau of Adult and Aging Services (BAAS) State Registry, pursuant to RSA 161-F:49, with results indicating no evidence of behavior that could endanger

individuals served under this Agreement; and

25.1.3. A name search of the Department's Division for Children, Youth and Families (DCYF) Central Registry pursuant to RSA 169-C:35, with results indicating no evidence of behavior that could endanger individuals served under this Agreement.

**26. Confidential Data**

26.1. The Contractor must meet all information security and privacy requirements as set by the Department and in accordance with the Department's Information Security Requirements Exhibit as referenced below.

26.2. The Contractor must ensure any individuals involved in delivering services through this Agreement contract sign an attestation agreeing to access, view, store, and discuss Confidential Data in accordance with federal and state laws and regulations and the Department's Information Security Requirements Exhibit. The Contractor must ensure said individuals have a justifiable business need to access confidential data. The Contractor must provide attestations upon Department request.

**27. Privacy Impact Assessment**

27.1. Upon request, the Contractor must allow and assist the Department in conducting a Privacy Impact Assessment (PIA) of its system(s)/application(s)/web portal(s)/website(s) or Department system(s)/application(s)/web portal(s)/website(s) hosted by the Contractor, if Personally Identifiable Information (PII) is collected, used, accessed, shared, or stored. To conduct the PIA the Contractor must provide the Department access to applicable systems and documentation sufficient to allow the Department to assess, at minimum, the following:

27.1.1. How PII is gathered and stored;

27.1.2. Who will have access to PII;

27.1.3. How PII will be used in the system;

27.1.4. How individual consent will be achieved and revoked; and

27.1.5. Privacy practices.

27.2. The Department may conduct follow-up PIAs in the event there are either significant process changes or new technologies impacting the collection, processing or storage of PII.

**28. Department Owned Devices, Systems and Network Usage**

28.1. If Contractor End Users, defined in the Department's Information Security Requirements Exhibit that is incorporated into this Agreement, are authorized by the Department's Information Security Office to use a Department issued device (including, but not limited to, computer, tablet, mobile telephone) or DS

access the Department network in the fulfilment of this Agreement, each End User must:

28.1.1. Sign and abide by applicable Department and New Hampshire Department of Information Technology (NH DoIT) use agreements, policies, standards, procedures and guidelines, and complete applicable trainings as required;

28.1.2. Use the information that they have permission to access solely for conducting official Department business and agree that all other use or access is strictly forbidden including, but not limited, to personal or other private and non-Department use, and that at no time shall they access or attempt to access information without having the express authority of the Department to do so;

28.1.3. Not access or attempt to access information in a manner inconsistent with the approved policies, procedures, and/or agreement relating to system entry/access;

28.1.4. Not copy, share, distribute, sub-license, modify, reverse engineer, rent, or sell software licensed, developed, or being evaluated by the Department, and at all times must use utmost care to protect and keep such software strictly confidential in accordance with the license or any other agreement executed by the Department;

28.1.5. Only use equipment, software, or subscription(s) authorized by the Department's Information Security Office or designee;

28.1.6. Not install non-standard software on any Department equipment unless authorized by the Department's Information Security Office or designee;

28.1.7. Agree that email and other electronic communication messages created, sent, and received on a Department-issued email system are the property of the Department of New Hampshire and to be used for business purposes only. Email is defined as "internal email systems" or "Department-funded email systems."

28.1.8. Agree that use of email must follow Department and NH DoIT policies, standards, and/or guidelines; and

28.1.9. Agree when utilizing the Department's email system:

28.1.9.1. To only use a Department email address assigned to them with a "@ affiliate.DHHS.NH.Gov".

28.1.9.2. Include in the signature lines information identifying the End User as a non-Department workforce member; and

28.1.9.3. Ensure the following confidentiality notice is embedded underneath the signature line:

CONFIDENTIALITY NOTICE: "This message may contain information that is privileged and confidential and is intended only for the use of the individual(s) to whom it is addressed. If you receive this message in error, please notify the sender immediately and delete this electronic message and any attachments from your system. Thank you for your cooperation."

28.1.10. Contractor End Users with a Department issued email, access or potential access to Confidential Data, and/or a workspace in a Department building/facility, must:

28.1.10.1. Complete the Department's Annual Information Security & Compliance Awareness Training prior to accessing, viewing, handling, hearing, or transmitting Department Data or Confidential Data.

28.1.10.2. Sign the Department's Business Use and Confidentiality Agreement and Asset Use Agreement, and the NH DoIT Department wide Computer Use Agreement upon execution of the Agreement and annually thereafter.

28.1.10.3. Only access the Department's intranet to view the Department's Policies and Procedures and Information Security webpages.

28.1.11. Contractor agrees, if any End User is found to be in violation of any of the above terms and conditions, said End User may face removal from the Agreement, and/or criminal and/or civil prosecution, if the act constitutes a violation of law.

28.1.12. Contractor agrees to notify the Department a minimum of three business days prior to any upcoming transfers or terminations of End Users who possess Department credentials and/or badges or who have system privileges. If End Users who possess Department credentials and/or badges or who have system privileges resign or are dismissed without advance notice, the Contractor agrees to notify the Department's Information Security Office or designee immediately.

28.1.13. Workspace Requirement

28.1.14. If applicable, the Department will work with Contractor to determine requirements for providing necessary workspace and State equipment for its End Users.

**29. Contract End-of-Life Transition Services**

29.1. General Requirements

29.1.1. If applicable, upon early termination or expiration of the Agreement the parties agree to cooperate in good faith to effectuate a secure transition of the services ("Transition Services") from the Contractor to the Department and, if applicable, the new Contractor ("Recipient") engaged by the Department to assume the services. Ninety (90) days prior to the end-of the contract or unless otherwise specified by the Department, the Contractor must begin working with the Department and if applicable, the Recipient to develop a Data Transition Plan (DTP). The Department shall provide the DTP template to the Contractor.

29.1.2. The Contractor must assist the Recipient, in connection with the transition from the performance of Services by the Contractor and its End Users to the performance of such Services. This may include assistance with the secure transfer of records (electronic and hard copy), transition of historical data (electronic and hard copy), the transition of any such Service from the hardware, software, network and telecommunications equipment and internet-related information technology infrastructure ("Internal IT Systems") of Contractor to the Internal IT Systems of the Recipient and cooperation with and assistance to any third-party consultants engaged by Recipient in connection with the Transition Services.

29.1.3. If a system, database, hardware, software, and/or software licenses (Tools) was purchased or created to manage, track, and/or store Department Data in relationship to this contract said Tools will be inventoried and returned to the Department, along with the inventory document, once transition of Department data is complete.

29.1.4. The internal planning of the Transition Services by the Contractor and its End Users shall be provided to the Department and if applicable the Recipient in a timely manner. Any such Transition Services shall be deemed to be Services for purposes of this Agreement.

29.1.5. In the event the data Transition extend beyond the end of the Agreement, the Contractor agrees that the Information Security Requirements, and if applicable, the Department's Business Associate Agreement terms and conditions remain in effect until the Data Transition is accepted as complete by the Department.

29.1.6. In the event the Contractor has comingled Department Data and the destruction or Transition of said data is not feasible, the Department and Contractor will jointly evaluate regulatory and professional standards for retention requirements prior to destruction, refer to the terms and conditions of the Department's DHHS Information Security Requirements Exhibit.

29.2. Completion of Transition Services

29.2.1. Each service or transition phase shall be deemed completed (and the transition process finalized) at the end of 15 business days after the product, resulting from the Service, is delivered to the Department and/or the Recipient in accordance with the mutually agreed upon Transition plan, unless within said 15 business day term the Contractor notifies the Department of an issue requiring additional time to complete said product.

29.2.2. Once all parties agree the data has been migrated the Contractor will have 30 days to destroy the data per the terms and conditions of the Department's Information Security Requirements Exhibit.

29.3. Disagreement over Transition Services Results

29.3.1. In the event the Department is not satisfied with the results of the Transition Service, the Department shall notify the Contractor, in writing, stating the reason for the lack of satisfaction within 15 business days of the final product or at any time during the data Transition process. The Parties shall discuss the actions to be taken to resolve the disagreement or issue. If an agreement is not reached, at any time the Department shall be entitled to initiate actions in accordance with the Agreement.

**30. Exhibits Incorporated**

30.1. The Contractor must comply with the Federal Requirements in Exhibits D-H, and J which are attached hereto and incorporated by reference herein.

30.2. The Contractor must manage all confidential data related to this Agreement in accordance with the terms of Exhibit K, DHHS Information Security Requirements.

30.3. The Contractor must use and disclose Protected Health Information in compliance with the Standards for Privacy of Individually Identifiable Health Information (Privacy Rule) (45 CFR Parts 160 and 164) under the Health Insurance Portability and Accountability Act (HIPAA) of 1996, and in accordance with the attached Exhibit I, Business Associate Agreement, which has been executed by the parties.

**31. Additional Terms**

31.1. **Impacts Resulting from Court Orders or Legislative Changes**

31.1.1. The Contractor agrees that, to the extent future state or federal legislation or court orders may have an impact on the Services described herein, the State has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

31.2. **Federal Civil Rights Laws Compliance: Culturally and Linguistically Appropriate Programs and Services**

31.2.1. The Contractor must submit:

31.2.1.1. A detailed description of the language assistance services, within ten (10) days of the Effective Date of the Agreement, to be provided to ensure meaningful access to programs and/or services to individuals with limited English proficiency; individuals who are deaf or have hearing loss; individuals who are blind or have low vision; and individuals who have speech challenges.

31.2.1.2. A written attestation, within 45 days of the Effective Date of the Agreement and annually thereafter, that all personnel involved the provision of services to individuals under this Agreement have completed, within the last 12 months, the Contractor Required Training Video on Civil Rights-related Provisions in DHHS Procurement Processes, which is accessible on the Department's website (https://www.dhhs.nh.gov/doing-business-dhhs/civil-right-compliance-dhhs-vendors); and

31.2.1.3. The Department's Federal Civil Rights Compliance Checklist within ten (10) days of the Effective Date of the Agreement. The Federal Civil Rights Compliance Checklist must have been completed within the last 12 months and is accessible on the Department's website (https://www.dhhs.nh.gov/doing-business-dhhs/civil-right-compliance-dhhs-vendors).

31.3. **Credits and Copyright Ownership**

31.3.1. All documents, notices, press releases, research reports and other materials prepared during or resulting from the performance of the services of the Agreement must include the following statement, "The preparation of this (report, document etc.) was financed under a Contract with the State of New Hampshire, Department of Health and Human Services, with funds provided in part by the State of New Hampshire and/or such other funding sources as were available or required, including, but not limited to, the United States Department of Health and Human Services."

31.3.2. All materials produced or purchased under the Agreement must have prior approval from the Department before printing, production, distribution or use.

31.3.3. The Department must retain copyright ownership for any and all

original materials produced, including, but not limited to reports, protocols, guidelines, brochures, posters, and resource directories.

31.3.4. The Contractor must not reproduce any materials produced under the Agreement without prior written approval from the Department.

31.4. **Operation of Facilities: Compliance with Laws and Regulations**

31.4.1. In the operation of any facilities for providing services, the Contractor must comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which must impose an order or duty upon the contractor with respect to the operation of the facility or the provision of the services at such facility. If any governmental license or permit must be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Agreement the facilities must comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and must be in conformance with local building and zoning codes, by-laws and regulations.

31.5. **Eligibility Determinations**

31.5.1. The Contractor must make eligibility determinations in accordance with applicable federal and state laws, regulations, orders, guidelines, policies and procedures.

31.5.2. The Contractor must ensure all applicants are permitted to fill out an application form and must notify each applicant of their right to request a fair hearing in accordance with New Hampshire RSA 126-A:5 and Department regulations.

**32. Records**

32.1. The Contractor must keep records that include, but are not limited to:

32.1.1. Books, records, documents and other electronic or physical data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor.

32.1.2. All records must be maintained in accordance with accounting procedures and practices, which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books,

records, and original evidence of costs including, but not limited to, purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.

32.1.3. Statistical, enrollment, attendance or visit records for each recipient of services, which records must include all records of application and eligibility (including all forms required to determine eligibility for each such recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.

32.1.4. Medical records on each patient/recipient of services.

32.2. During the term of this Agreement and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives must have access to all reports and records maintained pursuant to the Agreement for purposes of audit, examination, excerpts and transcripts.

32.3. If, upon further review, the Department must disallow any expenses claimed by the Contractor as costs hereunder, the Department retains the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

4. Mental Health Services provided by the Contractor shall be paid in order as follows:
   4.1. For Medicaid enrolled individuals through the Department Medicaid Fee for Service program in accordance with the current, publicly posted Fee for Service (FFS) schedule located at NHMMIS.NH.gov.

4.2. For Managed Care Organization enrolled individuals, the Contractor shall be reimbursed pursuant to the Contractor's agreement with the applicable Managed Care Organization for such services.

4.3. For individuals with other health insurance or other coverage for the services they receive, the Contractor will directly bill the other insurance or payors.

4.4. For individuals without health insurance or other coverage for the services they receive, and for operational costs contained in Exhibit C – Amendment #2, Payment Terms, or which the Contractor cannot otherwise seek reimbursement from an insurance or third-party payer, the Contractor will directly bill the Department to access contract funds provided through this Agreement.

5. All Medicaid/MCO invoicing shall follow billing and coding requirements outlined by the Department. For the purpose of Medicaid billing, a unit of service is described in the DHHS published CMH NH Fee Schedule, as may be periodically updated, or as specified in NH Administrative Rule He-M 400. However, for He-M 426.12 Individualized Resiliency and Recovery Oriented Services (IROS), a Unit of Service is defined as fifteen (15) minutes. The Contractor shall report and bill in whole units. The intervals of time in the table below define how many units to report or bill. All such limits may be subject to additional DHHS guidance or updates as may be necessary to remain in compliance with Medicaid standards.

| Direct Service Time Intervals | Unit Equivalent |
|---|---|
| 0-7 minutes | 0 units |
| 8-22 minutes | 1 unit |
| 23-37 minutes | 2 units |
| 38-52 minutes | 3 units |
| 53-60 minutes | 4 units |

6. The State shall pay the Contractor an amount not to exceed the Price Limitation, specified in Form P-37, General Provisions, Block 1.8. Payment shall be made on a cost reimbursement basis for allowable expenses for services provided in the fulfillment of this Agreement, as specified in Exhibit B – Amendment #2, Scope of Services, and in accordance with the Department approved individual program budgets and as specified in Table 1 below, which summarizes the other contract programs and their maximum allowable amounts.

6.6. Behavioral Health Services Information System (BHSIS):

6.6.1. BHSIS funds are available for data infrastructure projects or activities, contingent upon the receipt of other funds and the criteria for their use, as specified by the Department. Eligible activities may include:

6.6.1.1. Costs associated with the Phoenix and CANS/ANSA databases, such as IT staff time for re-writing, testing, or validating data;

6.6.1.2. Software or training purchases aimed at improving data collection; and

6.6.1.3. Staff training for collecting new data elements, including time spent completing annual CANS/ANSA Certification.

6.6.2. Supporting Documentation Requirements:

6.6.2.1. **For staff time:** Payroll records verifying pay rates, along with a spreadsheet detailing hours worked and the specific BHSIS-related tasks completed, including staff training time.

6.6.2.2. **For non-staff-related expenses:** Invoices for software purchases or related software costs.

6.6.2.3. Any additional funding requests for specific purposes must receive prior approval from BMHS staff.

6.6.2.4. The Contractor shall use the invoicing and supported documentation template provided by the Department or an alternative template created by the CMHC, subject to prior approval by the Department. Supporting documentation must be submitted by the 15th of the following month.

6.7. MATCH: Funds to be used to support services and trainings outlined in Exhibit B – Amendment #2, Scope of Services. The breakdown of this funding is outlined below.

| CHART AND OTHER TRAINING COSTS | CERTIFICATION OR RECERTIFICATION | TOTAL COST |
|---|---|---|
| $2,500 | $250/Person X 10 People = $2,500 | $5,000 |

6.8. RENEW Sustainability Continuation: The Department shall reimburse the Contractor for RENEW Activities Outlines in Exhibit B – Amendment #2, Scope of Services. Renew costs will be billed in association with each of the following items, not to exceed $6,000 annually. Funding can be used for staff training; training of new Facilitators; training for an Internal Coach; coaching IOD for Facilitators, Coach, and Implementation Teams; and travel costs.

6.9. General Training Funding: Funds are available to support any general training needs for staff. Focus should be on trainings needed to retain and expand expertise of current staff or trainings needed to obtain staff for vacant positions.

6.10. System Upgrade Funding: Funds are available to support software, hardware, and data upgrades to support items outlined in Exhibit B – Amendment #2, Scope of Services, Data Reporting. Funds may also be used to support system upgrades to ensure accurate insurance billing occurs.

6.11. REAP Funding: The Contractor shall be paid on a cost reimbursement basis as specified in Exhibit C-5, Budget – Amendment #2.

6.12. Critical Time Intervention: the Contractor shall bill and seek reimbursement for services provided to individuals pursuant to this Agreement as follows:

6.12.1. A set rate shall be awarded per client served by the Contractor, indicated in the table listed in Section 6.12.1.1, Rate Table, which are rates set for the term of the contract.

**6.12.1.1. Rate Table**

| Rate | Amount | Eligibility | Payment Frequency |
|---|---|---|---|
| Pre-CTI | $128.79 | Minimum of one (1) encounter with the individual, in-person or virtual, to be eligible for this rate. All such encounters must occur prior to the individual's discharge from an inpatient setting. | Paid once per individual. |
| CTI (Phases 1-3) | $370.91 | Minimum of two (2) encounters during Phases 1 and 2, and a minimum of one (1) encounter during Phase 3 with the individual, in-person or virtual, to be eligible for this rate. |---|---|---|---|
| | | minimum. Pre-CTI encounters do not count towards this minimum. | consecutive months. |

6.12.2. At the end of each quarter, the Department shall conduct a review of the Contractor's actual expenses relative to the rates paid in accordance with the Rate Table in Subparagraph 6.12.1.1. The Contractor shall provide supporting documentation of actual expenses incured in fulfillment of Exhibit B – Amendment #2, Scope of Services, which include:

6.12.2.1. CTI worker salaries and benefits;

6.12.2.2. CTI supervisor salaries and benefits; and

6.12.2.3. Department-approved administrative costs, not to exceed an indirect cost rate of 18.5%.

6.12.3. If the actual costs incurred for providing services in Exhibit B – Amendment #2, Scope of Services, exceed the rates paid in accordance with amounts specified in the Rate Table in Section 6.12.1.1., then:

6.12.3.1. The Department may reimburse the Contractor in an amount equal to the actual expenses incurred, minus the rate paid for the services; and

6.12.3.2. The amount reimbursed to the Contractor shall not exceed the per diem expense line in Exhibit C-6, Budget – Amendment #2, over the term of the Agreement.

6.12.4. If the actual costs incurred for providing services in Exhibit B – Amendment #2, Scope of Services are less than the rates paid in accordance with amounts specified in the Rate Table in Section 6.12.1.1., then:

6.12.4.1. The Department may collect from the Contractor the amount of the difference between the rates paid in accordance with the Rate Table in Section 6.12.1.1., and the actual amounts of expenses incurrred.

6.12.4.2. Amounts of overpayments for the quarter as identifed by the calculation in Section 6.12.4.1. may be collected by written notice to the Contractor stating payment shall be made to the Department within 30 days of notification of overpayment.

6.12.5. The Contractor shall submit a monthly invoice in a form satisfactory to the Department with supporting documentation by the 15th day of the following month. Supporting

documentation must demonstrate that the eligiblity requirements described above in the Rate Table in Section 6.12.1.1 have been met for each individual identified on the invoice.

6.12.6. The Contractor shall submit a monthly summary of all eligible program-related expenses, as identified in Section 6.12.2., in a form satisfactory to the Department with supporting documentation of expenses incurred by the 15th day of the month following the month in which services were provided.

6.12.7. The Contractor shall provide documentation for flexible funding in order to receive payments for flexible funding expenditures on a cost reimbursement basis, not to exceed the flexible funding line item defined in Exhibit C-6, Budget – Amendment #2. The Contractor shall ensure flexible funding expenditures incurred are:

6.12.7.1. Used to directly support the needs of the client when no other funds are available;

6.12.7.2. Used for one-time expenses tangible in nature;

6.12.7.3. Not disbursed as gift cards or gift certificates;

6.12.7.4. Directly allocable to the work performed under this Agreement;

6.12.7.5. Appropriate in amount and nature, as determined by the Department; and

6.12.7.6. Verified by supporting documentation, including, but not limited to, receipts of payment.

6.12.8. The Contractor may be eligible to receive payments to address extraordinary costs incurred in the fulfillment of this Agreement (herein contingency payments), as approved by the Department. This Agreement is one (1) of ten (10) Agreements with Vendors that will provide CTI services. The statewide total shared price limitation among all ten (10) Agreements is $25,000 for SFY 2026 and $25,000 for SFY 2027. No maximum or minimum funding amount per Contractor is guaranteed, and funding will be disbursed on a first come/first served basis. The Contractor may:

6.12.8.1. Apply for reimbursement of the expenses from the Department via a form satisfactory to the Department with applicable justifications; and

6.12.8.2. Be eligible for contingency payments, which support program related costs that exceed per diem and flex funding line items defined in Exhibit C-6, Budget – Amendment #2, and meet criteria as outlined by the Department at the time of application.

6.12.9. The Contractor may be eligible to receive incentive payments in the fulfillment of program goals as described in Table 2 below (herein incentive payments), as approved by the Department. This Agreement is one (1) of ten (10) Agreements with Vendors that will provide CTI services. The statewide total shared price limitation among all ten (10) Agreements is $221,103 for SFY 2026 and $221,103 for SFY 2027. No maximum or minimum funding amount per Contractor is guaranteed, and funding will be disbursed on a first come/first served basis. The Contractor may:

6.12.9.1. Apply for reimbursement of the expenses from the Department via a form satisfactory to the Department with applicable justifications; and

6.12.9.2. Be eligible to receive incentive payments upon achieving the Incentive Payment Goals as described below in Table 2 through June 30, 2027. The Contractor shall provide supporting documentation to demonstrate achievement of the Incentive Payment Goals, as requested by the Department.

**6.12.9.2.1. Table 2**

| # | Incentive Payment Goal | Total Incentive Payments |
|---|---|---|
| 1 | For each individual referred and having a Pre-CTI visit, and one (1) qualifying encounter during Phase 1 with a CTI Coach, CMHCs may be qualified for incentive payments. | $350 per individual |
| 2 | For each individual qualified CTI-program graduate, CMHCs may be qualified for incentive payments. | $500 per individual |

6.12.9.2.2. "Qualifying Encounter" for this incentive payment shall mean an interaction with an enrolled CTI client in which progress was discussed or made towards the Phase Plan during Phase 1.

6.12.9.2.3. "Graduate" for this incentive payment shall mean a CTI client who enrolled in CTI and successfully completed 9 consecutive months of the program during State Fiscal Years 2026 through 2027; and/or seven (7) months of active participation and two (2) months of inactive participation, and have a closeout/final meeting within 14 days per or post the 9 month date.

6.12.9.3. The incentive target shall be available on a quarterly basis per SFY 2026 and SFY 2027, until the statewide total price limitation is reached each SFY, and based on data submitted by the Contractor via the Phoenix reporting system.

6.12.9.4. The Department will communicate eligibility for incentive payment achievement and reimbursement to the Contractor's CTI Supervisor and finance representative on a quarterly basis.

7. The Contractor shall submit an invoice with supporting documentation to the Department no later than the fifteenth (15th) working day of the month following the month in which the services were provided. The Contractor shall ensure each invoice:

7.1. Includes the Contractor's Vendor Number issued upon registering with New Hampshire Department of Administrative Services.

7.2. Is submitted in a form that is provided by or otherwise acceptable to the Department.

7.3. Identifies and requests payment for allowable costs incurred in the previous month.

7.4. Includes supporting documentation of allowable costs with each invoice that may include, but are not limited to, time sheets, payroll records, receipts for purchases, and proof of expenditures, as applicable.

7.5. Supporting documentation shall be labeled by line item.

7.6. Is completed, dated and returned to the Department with the supporting documentation for allowable expenses to initiate payment.

7.7. Is assigned an electronic signature, includes supporting documentation, and is emailed to dhhs.dbhinvoicesmhs@dhhs.nh.gov or mailed to:

Financial Manager
Department of Health and Human Services
129 Pleasant Street

Concord, NH 03301

8. The Department shall make payments to the Contractor within thirty (30) days of receipt of each invoice and supporting documentation for authorized expenses, subsequent to approval of the submitted invoice.

9. The final invoice and supporting documentation for authorized expenses shall be due to the Department no later than forty (40) days after the contract Completion Date specified in Form P-37, General Provisions Block 1.7.

10. Notwithstanding Paragraph 17 of the General Provisions Form P-37, changes limited to adjusting amounts within the price limitation and adjusting encumbrances between State Fiscal Years and budget class lines through the Budget Office may be made by written agreement of both parties, without obtaining approval of the Governor and Executive Council, if needed and justified.

11. Audits

    11.1. The Contractor must email an annual audit to dhhs.act@dhhs.nh.gov if any of the following conditions exist:

        11.1.1. Condition A - The Contractor is subject to a Single Audit pursuant to 2 CFR 200.501 Audit Requirements.

        11.1.2. Condition B - The Contractor is subject to audit pursuant to the requirements of NH RSA 7:28, III-b.

        11.1.3. Condition C - The Contractor is a public company and required by Security and Exchange Commission (SEC) regulations to submit an annual financial audit.

    11.2. If Condition A exists, the Contractor shall submit an annual Single Audit performed by an independent Certified Public Accountant (CPA) to dhhs.act@dhhs.nh.gov within 120 days after the close of the Contractor's fiscal year, conducted in accordance with the requirements of 2 CFR Part 200, Subpart F of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal awards.

        11.2.1. The Contractor shall submit a copy of any Single Audit findings and any associated corrective action plans. The Contractor shall submit quarterly progress reports on the status of implementation of the corrective action plan.

    11.3. If Condition B or Condition C exists, the Contractor shall submit an annual financial audit performed by an independent CPA within 120 days after the close of the Contractor's fiscal year.

    11.4. The Contractor, regardless of the funding source and/or whether Conditions A, B, or C exist, may be required to submit annual financial

audits performed by an independent CPA upon request by the Department.

11.5. In addition to, and not in any way in limitation of obligations of the Agreement, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department all payments made under the Agreement to which exception has been taken, or which have been disallowed because of such an exception, within sixty (60) days.

12. If applicable, the Contractor must request disposition instructions from the Department for any equipment, as defined in 2 CFR 200.313, purchased using funds provided under this Agreement, including information technology systems.

# INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Seacoast Mental Health Center, Inc.
Portsmouth, New Hampshire

## Opinion

We have audited the accompanying financial statements of Seacoast Mental Health Center, Inc. (a nonprofit organization) which comprise the statement of financial position as of June 30, 2024, and the related statements of activities and changes in net assets and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Seacoast Mental Health Center, Inc. as of June 30, 2024, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Seacoast Mental Health Center, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Seacoast Mental Health Center, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Seacoast Mental Health Center, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

**Report on Supplementary Information**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information on Pages 13 through 16 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

## NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### Organization

Seacoast Mental Health Center, Inc. (the Center) is a not-for-profit corporation, organized under New Hampshire law to provide services in the areas of mental health, and related non-mental health programs; it is exempt from income taxes under Section 501 (c)(3) of the Internal Revenue Code. In addition, the organization qualifies for the charitable contribution deduction under Section 170 (b)(1)(a) and has been classified as an organization that is not a private foundation under Section 509(a)(2).

### Basis of Presentation

The financial statements of the Center have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America. The financial statements are presented in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958 dated August 2016, and the provisions of the American Institute of Certified Public Accountants (AICPA) "Audit and Accounting Guide for Not-for-Profit Organizations" (the "Guide"). (ASC) 958-205 was effective July 1, 2018.

Under the provisions of the Guide, net assets and revenues and gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Center and changes therein are classified as follows:

Net assets without donor restrictions: Net assets that are not subject to donor- imposed restrictions and may be expended for any purpose in performing the primary objectives of the Center. The Center's board may designate assets without restrictions for specific operational purposes from time to time.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Non-Profit Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

### Basis of Accounting

Income and expenses are reported on the accrual basis, which means that income is recognized as it is earned, and expenses are recognized as they are incurred whether or not cash is received or paid out at that time.

### Income Taxes

Consideration has been given to uncertain tax positions. The federal income tax returns for the years ended after June 30, 2021, remain open for potential examination by major tax jurisdictions, generally for three years after they were filed.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Estimates
The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Related Organizations
The Center leases property and equipment from Seacoast Mental Health Center Resource Group, Inc. - a related non-profit corporation formed in 1985 for the benefit of Seacoast Mental Health Center, Inc. Seacoast Mental Health Center Resource Group was formed to support the operations of Seacoast Mental Health Center, Inc. by managing and renting property and raising other funds on its behalf.

Depreciation
The cost of property, equipment and leasehold improvements is depreciated over the estimated useful life of the assets using the straight line method. Assets deemed to have a useful life greater than three years are deemed capital in nature. Estimated useful lives range from 3 to 30 years.

State Grants
The Center receives a number of grants from and has entered into various contracts with the State of New Hampshire related to the delivery of mental health services.

Vacation Pay and Fringe Benefits
Vacation pay is accrued and charged to the programs when earned by the employee. Fringe benefits are allocated to the appropriate program expense based on the percentage of actual time spent on the programs.

Cash and Cash Equivalents
For purposes of the statement of cash flows, the Center considers all short-term debt securities purchased with a maturity of three months or less to be cash equivalents.

Accounts Receivable
Accounts receivable are recorded based on the amount billed for services provided, net of respective allowances.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Client Service Revenue

The Center recognizes client service revenue in accordance with ASC Topic 606. Client Service Revenue is reported at the amount that reflects the consideration the corporation expects to receive in exchange for the services provided. These amounts are due from patients or third-party payers and include variable consideration for retroactive adjustments, if any, under reimbursement programs. Performance obligations are determined based on the nature of the services provided. Client service revenue is recognized as performance obligations are satisfied. The Center recognized revenue for mental health services in accordance with ASC 606, Revenue for contracts with Customers. The Center has determined that these services included under the daily or monthly fee have the same timing and pattern of transfer and are a series of distinct services that are considered one performance obligation which is satisfied over time. The Center receives revenues for services under various third-party payer programs which include Medicaid and other third-party payers. The transaction price is based on standard charges for services provided to residents, reduced by applicable contractual adjustments, discounts, and implicit pricing concessions. The estimates of contractual adjustments and discounts are based on contractual agreements, discount policy, and historical collection experience. The corporation estimates the transaction price based on the terms of the contract with the payer, correspondence with the payer and historical trends.

Client service revenue (net of contractual allowances and discounts but before taking account of the provision for bad debts) recognized during the year ended June 30, 2024 totaled $18,326,732 of which $17,730,226 was revenue from third-party payors and $596,506 was revenue from self-pay clients.

Third Party Contractual Arrangements

A significant portion of patient revenue is derived from services to patients insured by third-party payors. The center receives reimbursement from Medicare, Medicaid, Blue Cross, and other third-party insurers at defined rates for services rendered to patients covered by these programs.

The difference between the established billing rates and the actual rate of reimbursement is recorded as allowances when recorded. A provision for estimated contractual allowances is provided on outstanding patient receivables at the balance sheet date.

New Accounting Standards - Adoption of FASB ASU 2016-13 and Related Standards

On July 1, 2023, the Center adopted FASB ASU 2016-03, Financial Instruments – Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments, as amended, which modifies the measurement of expected credit losses on certain financial instruments. The Center adopted this new guidance utilizing the modified retrospective transition method. The adoption of this Standard did not have a material impact on the center's financial statements but did change how the allowance for doubtful accounts and credit losses is determined.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Accounts Receivable and Allowance for Credit Losses

In evaluating the collectability of accounts receivable, the Center uses relevant available information, from internal and external sources, relating to past events, current conditions, reasonable and supportable forecasts, and analyzes trends for each major payer source of revenue for the purpose of estimating the appropriate amounts of the allowance for doubtful accounts. Data in each major payer source is regularly reviewed to evaluate the adequacy of the allowance for doubtful accounts. Specifically, for receivables relating to services provided to clients having third-party coverage, an allowance for doubtful accounts and a corresponding provision for bad debts are established for amounts outstanding for an extended period of time and for third-party payers experiencing financial difficulties; for receivables relating to self-pay clients, a provision for bad debts is made in the period services are rendered based on experience indicating the inability or unwillingness of clients to pay amounts for which they are financially responsible.

The Center has tracked historical loss information for its accounts receivable and compiled historical credit loss percentages for different aging categories (current, 1-30 days past due, 31-60 days past due, 61-90 days past due, and more than 90 days past due). The center believes the historical loss information it has compiled is a reasonable base on which to determine expected credit losses for accounts receivable held at June 30, 2024 because the compositions of the accounts receivable at those dates are consistent with that used in developing the historical credit-loss percentages (i.e., the similar risk characteristics of its services provided to clients have not changed significantly over time). Additionally, the center has determined that the current and reasonable and supportable forecasted economic conditions are consistent with the economic conditions included in the historical information. As a result, the historical loss rates have not been adjusted for differences in current conditions or forecasted changes. Accordingly, the allowance for doubtful accounts was $448,963 for the year ended June 30, 2024.

NOTE 2 CLIENT SERVICE REVENUES FROM THIRD PARTY PAYORS

The Center has agreements with third-party payors that provide payments to the Center at established rates. These payments include:

New Hampshire and Managed Medicaid

The Center is reimbursed for services from the State of New Hampshire and Managed Care Organizations (MCOs) for services rendered to Medicaid clients. Payments for these services are received in the form of monthly capitation amounts that are predetermined in a contractual agreement with the MCOs.

Approximately 81% of net client service revenue is from participation in the state and managed care organization sponsored Medicaid programs for the year ended June 30, 2024. Laws and regulations governing the programs are complex and subject to interpretation and change. As a result, it is reasonably possible that recorded estimates could change materially in the near term.

NOTE 2 CLIENT SERVICE REVENUES FROM THIRD PARTY PAYORS (continued)

As part of the contractual arrangement with the MCOs, the Center is required to provide a specific amount of services under an arrangement referred to as a Maintenance of Effort (MOE). Under the MOE, if levels of service are not met the Center may be subject to repayment of a portion of the revenue received. The MOE calculation is subject to interpretation and a source of continued debate and negotiations with MCOs. This MOE calculation may result in a liability that would require a payback to the MCOs. Due to workforce challenges and a significant retroactive rate adjustments throughout the year, the Center was unable to meet the MOE requirements for all three MCO's. The Center's estimated total payback of $601,529 is recorded as an accrued expense.

## NOTE 5 FAIR VALUE MEASUREMENTS

Professional accounting standards established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy are described below:

Basis of Fair Value Measurement

- Level 1- Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;
- Level 2- Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly.
- Level 3- Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

NOTE 5 FAIR VALUE MEASUREMENTS (continued)

All investments are categorized as Level 1 and recorded at fair value, as of June 30, 2024. As required by professional accounting standards, investment assets are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement.

NOTE 6 PROPERTY AND EQUIPMENT

Property and equipment, at cost, consists of the following:

| | |
|---|---|
| Furniture, fixtures and computer equipment | $ 1,565,665 |
| Accumulated depreciation | (687,371) |
| Net Book Value | $ 878,294 |

NOTE 7 LINE OF CREDIT

As of June 30, 2024, the Center had available a line of credit from a bank with an upper limit of $500,000. At that date, $-0- had been borrowed against the line of credit. These funds are available with an interest rate of The Wall Street Journal Prime Rate, floating with a floor rate of 4.25%. The line of credit is due on demand.

NOTE 8 DEFERRED INCOME

| | |
|---|---|
| Alliance for Greater Good | $ 11,000 |

| TOTAL | $ 66,848 |

NOTE 9 RELATED PARTY TRANSACTIONS

During the year ended June 30, 2024, the Center collected $84,000 from Seacoast Mental Health Center Resource Group, Inc. (Resource Group) in management fees for administrative services.

A line of credit is available to the Center from Resource Group with a limit of $500,000. Interest is charged at prime plus 1%. As of June 30, 2024, $-0- had been borrowed against the line of credit and the interest rate was The Wall Street Journal Prime Rate, plus one (9.50% at June 30, 2024). During the year ended June 30, 2024, $-0- was paid to the Resource Group in interest related to this line of credit.

NOTE 9 RELATED PARTY TRANSACTIONS (continued)

Operating Leases

During the year ended June 30, 2024, the Center rented properties and equipment from the Resource Group on a month to month basis. Total rent paid for the year was $834,262 and $101,412 for property and equipment, respectively. The Center is obligated to the Resource Group under cancelable leases to continue to rent these facilities and equipment at an annual rate of approximately $935,674. The annual rates of rents are revisited on an annual basis.

NOTE 10 EMPLOYEE BENEFIT PLAN

The Center has the option to make contributions to a tax-sheltered annuity on behalf of its employees. This program covers substantially all full-time employees. During the year ended June 30, 2024, contributions of $609,983 were made by the Center to the plan.

NOTE 11 CONCENTRATIONS OF CREDIT RISK

Cash deposits in the Center's accounts at June 30, 2024 consist of the following:

| | Book Balance | Bank Balance |
|---|---|---|
| Insured by FDIC* | $ 1,969,039 | $ 2,013,442 |

The differences between book and bank balances are reconciling items such as deposits in transit and outstanding checks.

* The Center has entered into an Insurance Cash Sweep Deposit Placement Agreement which places funds into deposit accounts at receiving depository institutions from the Center's transaction account with Destination Institutions. Each Destination Institution is insured by the Federal Deposit Insurance Corporation (FDIC) up to the current maximum deposit insurance amount of $250,000. Included in cash insured by FDIC as of June 30, 2024, is $1,763,442 deposited at Destination Institutions through the Insured Cash Sweep service.

The Center grants credit without collateral to its clients, most of who are area residents and are insured under third-party payor agreements. The mix of receivables due from clients and third-party payors at June 30, 2024 is as follows:

| | |
|---|---|
| Due from clients | 15 % |
| Insurance companies | 46 |
| Medicaid | 23 |
| Medicare | 16 |
| | 100 % |

## NOTE 12 LIQUIDITY

The following reflects the Center's financial assets available within one year for general expenditures as of June 30, 2024:

| | |
|---|---|
| Cash and Cash Equivalents | $ 1,680,848 |
| Accounts Receivable | 1,553,339 |
| Investments | 12,763,362 |
| Financial assets available within one year for general expenditures | $ 15,997,549 |

As part of the Center's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

## NOTE 13 SUBSEQUENT EVENTS

In accordance with professional accounting standards, the Center has evaluated subsequent events through October 22, 2024, which is the date these financial statements were available to be issued. All subsequent events requiring recognition as of June 30, 2024, have been incorporated into the basic financial statements herein.

**EXPLANATION**

This request is **Sole Source** because MOP 150 requires all amendments to agreements originally approved as sole source to be identified as sole source. The Contractors are the only authorized contractors able to provide the necessary services. The Department contracts for mental health services through these Community Mental Health Centers, which are designated by the Department to service towns and cities within specified geographic regions, as outlined in the NH Revised Statutes Annotated (RSA) 135-C, New Hampshire Mental Health Services System, and NH Administrative Rule He-M 403, Approval and Operation of Community Mental Health Programs.

The purpose of this request is to correct the payment terms for the Assertive Community Treatment and Modular Approach to Therapy for Children services to ensure the Department can reimburse the Contractors for these services. The current payment terms for these services only allow payments to be drawn down on the prior State Fiscal Year and not for the full term of the contract. The Department is requesting to revise the payment terms to remove references to prior SFYs. This will allow the Contractors to invoice for payments through the contract completion date. The funding for the Contractors' payments is already encumbered in their individual price limitations.

The Assertive Community Treatment program offers treatment, rehabilitation, and support services using a person-centered, recovery-based approach to individuals who have been diagnosed with severe and persistent mental illness. The Contractors are paid for these services based on active participation in the monthly consultation and skill training events or for completion of a fidelity measures reviewed by the Department. The Modular Approach to Therapy for Children program is an industry standard treatment that employs a cognitive-behavioral framework to address common childhood behavioral health concerns including depression, anxiety, conduct problems, and trauma for youth ages 6-12. This modularized approach allows for flexibility and encourages clinicians to tailor treatment to individual treatment needs. The Contractors are paid for these services based on a per person rate. The Assertive Community Treatment and Modular Approach to Therapy for Children program scope provisions align with Mental Health Services required by NH RSA 135-C and with State Regulations applicable to the mental health system as outlined in He-M 400, as well as in compliance with the Community Mental Health Agreement (CMHA).

Approximately 20,700 individuals are served annually by the Contractors listed above. The populations served include children with Serious Emotional Disturbances and adults with Serious Mental Illness/Serious and Persistent Mental Illness, including individuals with Mental Illness and co-occurring substance use disorders per NH Administrative Rule He-M 401 Eligibility Determination and Individuals Service Planning.

The Department will continue to monitor services by:

- Conducting performance reviews and utilization reviews as necessary and appropriate based on applicable licensing, certifications, and service provisions.
- Conducting quarterly meetings to review submitted quarterly data and reports to identify ongoing programmatic improvements.
- Reviewing monthly financial statements provided by the Contractors for ongoing evaluation of program fiscal integrity.

Should the Governor and Executive Council not authorize this request, the Department will be unable to reimburse the Contractors for Assertive Community Treatment and Modular Approach to Therapy for Children services, which aligns with the scope of services.

Respectfully submitted,

Lori A. Weaver
Commissioner

**Amendment #1**

This Amendment to the Mental Health Services contract is by and between the State of New Hampshire, Department of Health and Human Services ("State" or "Department") and Seacoast Mental Health Center, Inc. ("the Contractor").

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 14, 2023 (Item #31), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract and in consideration of certain sums specified; and

WHEREAS, pursuant to Form P-37, General Provisions, the Contract may be amended upon written agreement of the parties and approval from the Governor and Executive Council; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Modify Exhibit C, Payment Terms; Section 7.5, to read:

7.5. Assertive Community Treatment Team (ACT) Adults: The Contractor shall be paid based on an activity and general payment as outlined below. Funds support programming and staffing defined in Exhibit B, Scope of Work, Adult Assertive Community Treatment (ACT) Teams.

| ACT Costs | INVOICE TYPE | TOTAL COST |
|---|---|---|
| Invoice based payments on invoice | Programmatic costs as outlined on invoice by month | $450,000 |
| ACT Enhancements | 1. ACT Incentives of $6,250 may be drawn down in December and May for active participation in COD Consultation. Evidence of active participation by the ACT team in the monthly consultations and skills training events conducted by the COD consultant will qualify for payment.<br><br>OR<br><br>2. ACT incentives may be drawn down upon completion of the SFY Fidelity Review per SFY. A total of $6,250 may be paid for a score of 4 or 5 on the Co-occurring Disorder Treatment Groups (S8) and the Individualized Substance Abuse Treatment (S7) fidelity measures. | $25,000 |

2. Modify Exhibit C, Payment Terms, Section 7.7. to read:

7.7. MATCH: Funds to be used to support services and trainings outlined in Exhibit B, Scope of Services. The breakdown of this funding per SFY is outlined below.

| TRAC COSTS | CERTIFICATION OR RECERTIFICATION | TOTAL COST |
|---|---|---|
| $2,500 | $250/Person X 10 People = $2,500 | $5,000 |

All terms and conditions of the Contract not modified by this Amendment remain in full force and effect. This Amendment shall be effective upon Governor and Council approval.

Funds are available in the following accounts for State Fiscal Years 2023 and 2024, and are anticipated to be available in State Fiscal Year 2025, upon the availability and continued appropriation of funds in the future operating budget, with the authority to adjust budget line items within the price limitation and encumbrances between state fiscal years through the Budget Office, if needed and justified.

**See attached fiscal details.**

**EXPLANATION**

This request is **Sole Source** because the Contractors are the only authorized contractors able to provide the necessary services. The Department contracts for mental health services through these ten (10) Community Mental Health Centers, which are designated by the Department to service towns and cities within specified geographic regions, as outlined in the NH Revised Statutes Annotated (RSA) 135-C, New Hampshire Mental Health Services System, and NH Administrative Rule He-M 403, Approval and Operation of Community Mental Health Programs.

The purpose of this request is to provide community mental health services for individuals in New Hampshire. Community Mental Health Centers provide community-based mental health services to adults, children, and families to build resiliency, promote recovery, and reduce inpatient hospital utilizations, and improve community tenure. These contracts provide both Federal grant funds and General Funds that enable delivery of services not otherwise covered by Medicaid. For example, technology, training, and system upgrades, delivery of some Assertive Community Treatment services, and care coordination with other systems such as the Division of Children, Youth, and Families, Department of Education, and Division of Long Term Supports and Services. The majority of the General Funds are allocated to ensure that individuals who are uninsured have full access to NH Rapid Response crisis services.

Approximately 20,700 individuals will be served annually.

The populations served include children with Serious Emotional Disturbances and adults with Serious Mental Illness/Serious and Persistent Mental Illness, including individuals with Mental Illness and co-occurring substance use disorders per NH Administrative Rule He-M 401 Eligibility Determination and Individuals Service Planning.

The Contractors will provide crisis services, individual and group psychotherapy, targeted case management, medication services, Functional Support Services, Illness Management and Recovery, supported employment, Assertive Community Treatment, Wraparound services for children, community residential services, and acute care services to individuals experiencing psychiatric emergencies while awaiting admission to a designated receiving facility. All contracts include provisions for Mental Health Services required by NH RSA 135-C and with State Regulations applicable to the mental health system as outlined in He-M 400, as well as in compliance with the Community Mental Health Agreement (CMHA).

The Department will monitor services by:

- Conducting performance reviews and utilization reviews as necessary and appropriate based on applicable licensing, certifications and service provisions.
- Conducting quarterly meetings to review submitted quarterly data and reports to identify ongoing programmatic improvements.
- Reviewing monthly financial statements provided by the Contractors for ongoing evaluation of program fiscal integrity.

As referenced in Exhibit A, Revisions to Standard Agreement Provisions Section 1, Revisions to Form P-37, General Provisions, Subsection 1.2 of the attached agreements, the parties have the option to extend the agreements for up to four (4) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and Governor and Council approval.

Should the Governor and Council not authorize this request, approximately 12,300 adults, and 8,400 children in the state will not have access to critical community mental health services as required by NH RSA 135-C:13. As a result, these individuals may experience an increase in symptoms causing them to seek more costly services at hospital emergency departments due to risk of harm to themselves or others and may have increased contact with law enforcement, correctional programs, or primary care physicians, none of which have the necessary services or supports available to provide necessary assistance. Lack of these services may also increase the likelihood of inpatient hospitalizations and death by suicide.

Source of Federal Funds: Assistance Listing Number #93.243, FAIN # H79SM080245; Assistance Listing Number #93.958, FAIN # B09SM087375; Assistance Listing Number #93.043, FAIN #2201NHOAPH; Assistance Listing Number #93.959, FAIN # TI085821; Assistance Listing Number #93.829, FAIN # H79SM087622.

In the event that the Federal Funds become no longer available, additional General Funds will not be requested to support this program.

Respectfully submitted,

Lori A. Weaver
Interim Commissioner

2. **SERVICES TO BE PERFORMED.** The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT B which is incorporated herein by reference ("Services").

**3. EFFECTIVE DATE/COMPLETION OF SERVICES.**

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.17, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.13 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

**4. CONDITIONAL NATURE OF AGREEMENT.**

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

**5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.**

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

**6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.**

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3. The Contractor agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

**7. PERSONNEL.**

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

**8. EVENT OF DEFAULT/REMEDIES.**

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

**9. TERMINATION.**

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. In addition, at the State's discretion, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement.

**10. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.**

10.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

10.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

10.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

**11. CONTRACTOR'S RELATION TO THE STATE.** In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

**12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.**

12.1 The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice, which shall be provided to the State at least fifteen (15) days prior to the assignment, and a written consent of the State. For purposes of this paragraph, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

12.2 None of the Services shall be subcontracted by the Contractor without prior written notice and consent of the State. The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

**13. INDEMNIFICATION.** Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omissions of the

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

**14. INSURANCE.**

14.1 The Contractor shall, at its sole expense, obtain and continuously maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 commercial general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $1,000,000 per occurrence and $2,000,000 aggregate or excess; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 10.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than ten (10) days prior to the expiration date of each insurance policy. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference.

**15. WORKERS' COMPENSATION.**

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A *("Workers' Compensation")*.

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. The Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

**16. NOTICE.** Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

**17. AMENDMENT.** This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

**18. CHOICE OF LAW AND FORUM.** This Agreement shall be governed, interpreted and construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party. Any actions arising out of this Agreement shall be brought and maintained in New Hampshire Superior Court which shall have exclusive jurisdiction thereof.

**19. CONFLICTING TERMS.** In the event of a conflict between the terms of this P-37 form (as modified in EXHIBIT A) and/or attachments and amendment thereof, the terms of the P-37 (as modified in EXHIBIT A) shall control.

**20. THIRD PARTIES.** The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

**21. HEADINGS.** The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

**22. SPECIAL PROVISIONS.** Additional or modifying provisions set forth in the attached EXHIBIT A are incorporated herein by reference.

**23. SEVERABILITY.** In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

**24. ENTIRE AGREEMENT.** This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire agreement and understanding between the parties, and supersedes all prior agreements and understandings with respect to the subject matter hereof.

## Revisions to Standard Agreement Provisions

1. Revisions to Form P-37, General Provisions

1.1. Paragraph 3, Subparagraph 3.1, Effective Date/Completion of Services, is amended as follows:

3.1. Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire as indicated in block 1.17, this Agreement, and all obligations of the parties hereunder, shall become effective on June 28, 2023 ("Effective Date").

1.2. Paragraph 3, Effective Date/Completion of Services, is amended by adding subparagraph 3.3 as follows:

3.3. The parties may extend the Agreement for up to four (4) additional years from the Completion Date, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and approval of the Governor and Executive Council.

1.3. Paragraph 12, Assignment/Delegation/Subcontracts, is amended by adding subparagraph 12.3 as follows:

12.3. Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions. The Contractor shall have written agreements with all subcontractors, specifying the work to be performed, and if applicable, a Business Associate Agreement in accordance with the Health Insurance Portability and Accountability Act. Written agreements shall specify how corrective action shall be managed. The Contractor shall manage the subcontractor's performance on an ongoing basis and take corrective action as necessary. The Contractor shall annually provide the State with a list of all subcontractors provided for under this Agreement and notify the State of any inadequate subcontractor performance.

## Scope of Services

### 1. Provisions Applicable to All Services

1.1. The Contractor shall operate a Community Mental Health Center (CMHC) that provides services intended to promote recovery from mental illness for eligible residents in the State of New Hampshire (individuals) for Region 8.

1.2. The Contractor shall submit a detailed description of the language assistance services they will provide to persons with limited English proficiency to ensure meaningful access to their programs and/or services within ten (10) business days of the contract effective date.

1.3. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the Services described herein, the State Agency has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

1.4. Prior to termination of this contract the parties will agree on a plan for transition and destruction of data in accordance with Exhibit K.

1.5. The Contractor shall provide individualized, recovery based services and supports in the manner that best allows individuals to stay within their home and community, including, but not limited to providing current treatment and recovery options that are based on scientific research and evidence based practices (EBP).

1.6. The Contractor acknowledges the requirements of the Community Mental Health Agreement (CMHA) and shall demonstrate progress toward meeting the following terms in the CMHA: 1.) Assertive Community Treatment Teams; 2.) Evidence-Based Supported Employment; 3.) Transition planning for individuals at New Hampshire Hospital and Glencliff Home; and 4.) Supported Housing. Further, the Contractor shall participate in annual Quality Service Reviews (QSR) conducted under the terms of the CMHA.

1.7. The Contractor shall enter into a capitation model of contracting with all NH Medicaid Managed Care Organizations to support the delivery and coordination of behavioral health services and supports for children, youth, transition-aged youth, young adults, and adults.

1.8. The Contractor shall support the integration of physical and behavioral health as a standard of practice; implementing the Substance Abuse and Mental Health Services Administration's (SAMHSA) Six Levels of Collaboration/Integration to the maximum extent feasible.

1.9. The Contractor shall ensure that clinical standards and operating procedures are consistent with trauma-informed models of care, as defined by SAMHSA. The clinical standards and operating procedures must reflect a focus on wellness, recovery, and resiliency.

1.10. The Contractor shall engage in ongoing implementation, service improvements, and expansion efforts associated with New Hampshire's 10 Year Mental Health Plan, as contracted.

1.11. For the purposes of this agreement, all references to days shall mean calendar days unless otherwise specified.

1.12. The Contractor shall provide individuals, caregivers and youth the opportunity for feedback and leadership within the agency to help improve services in a person-centered manner when applicable and appropriate.

1.13. The Contractor shall hire and maintain staffing in accordance with New Hampshire Administrative Rule He-M 403.07, or as amended, Staff Training and Development.

**2. System of Care for Children's Mental Health**

2.1. The Contractor shall collaborate with the Department on the implementation of NH RSA 135-F, System of Care for Children's Mental Health.

2.2. The Contractor shall provide services for children, youth, and young adults with serious emotional disturbance (SED) in a manner that aligns with NH RSA 135-F. The Contractor shall ensure services are:

2.2.1. Family Driven - services and supports are provided in a manner that best meets the needs of the family and the family goals;

2.2.2. Youth Driven - services and supports are provided in a manner that best meets the needs of the child, youth or young adult and that supports his or her goals;

2.2.3. Community Based - services and supports are provided in a manner that best allow children, youth, and young adults to stay within his or her home and community;

2.2.4. Cultural and Linguistic Competent - services are provided in a manner that honors a child, youth, or young adult and their family-identified culture, beliefs, ethnicity, preferred language, gender and gender identity and sexual orientation; and

2.2.5. Trauma informed.

2.3. The Contractor shall collaborate with the Care Management Entities providing FAST Forward, Transitional Residential Enhanced Care Coordination and Early Childhood Enhance Care Coordination programing, ensuring services are available for all children and youth enrolled in the programs.

2.4. The Contractor shall make referrals to the FAST Forward program for any child, youth, or young adult that may be eligible.

**3. Modular Approach to Therapy for Children with Anxiety, Depression, Trauma, or Conduct Problems (MATCH-ADTC)**

3.1. The Contractor shall maintain appropriate levels of certification through a contract with The Baker Center for Children and Families.

3.2. The Contractor shall ensure new and incoming staff work towards meeting a goal of 70% of children and youth clients' needs with the evidence-based practice of Modular Approach to Therapy for Children with Anxiety, Depression, Trauma, or Conduct problems (MATCH-ADTC).

3.3. The Contractor shall maintain a use of the Baker Center for Children and Families CHART system to support each case with MATCH-ADTC as the identified treatment modality.

3.4. The Contractor shall invoice BCBH for:

3.4.1. The costs for both the certification of incoming therapists and the recertification of existing clinical staff, not to exceed the budgeted amount; and

3.4.2. The full cost of the annual fees paid to the Baker Center for Children and Families for the use of their CHART system to support MATCH-ADTC.

**4. System of Care Grant (SoC) Activities with the New Hampshire Department of Education (NH DOE)**

4.1. The Contractor shall participate in local comprehensive planning processes with the NH DOE, on topics and tools that include, but are not limited to:

4.1.1. Needs assessment.

4.1.2. Environmental scan.

4.1.3. Gaps analysis.

4.1.4. Financial mapping.

4.1.5. Sustainability planning.

4.1.6. Cultural linguistic competence plan.

4.1.7. Strategic communications plan.

4.1.8. SoC grant project work plan.

4.2. The Contractor shall participate in ongoing development of a Multi-Tiered System of Support for Behavioral Health and Wellness (MTS-B) within participating school districts.

4.3. The Contractor shall utilize evidence based practices (EBPs) that respond to identified needs within the community including, but not limited to:

4.3.1. MATCH-ADTC.

4.3.2. All EBPs chosen for grant project work that support participating school districts' MTS-B.

4.4. The Contractor shall maintain and strengthen collaborative, working relationships with participating school districts within the region which includes, but is not limited to:

4.4.1. Developing and utilizing a facilitated referral process.

4.4.2. Co-hosting joint professional development opportunities.

4.4.3. Identifying and responding to barriers to access for local families and youth.

4.5. The Contractor shall maintain an appropriate full time equivalent (FTE) staff who is a full-time, year-round School and Community Liaison. The Contractor shall:

4.5.1. Ensure the FTE staff is engaging on a consistent basis with each of the participating schools in the region in person or by remote access to support program implementation;

4.5.2. Hire additional staff positions to support effective implementation of a System of Care.

4.6. The Contractor shall provide appropriate supervisory, administrative and fiscal support to all project staff dedicated to SoC Grant Activities.

4.7. The Contractor shall designate staff to participate in locally convened District Community Leadership Team (DCLT) and all SoC Grant Activities-focused meetings, as deemed necessary by either NH DOE or the Department.

4.8. The Contractor shall actively participate in the SoC Grant Activities evaluation processes with the NH DOE, including collecting and disseminating qualitative and quantitative data, as requested by the Department.

4.9. The Contractor shall conduct National Outcomes Measures (NOMs) surveys on all applicable tier 3 supports and services to students and their families at the SoC grant project intervals, including baseline, 6 months and upon discharge.

4.10. The Contractor shall abide by all federal and state compliance measures and ensure SoC grant funds are expended on allowable activities and expenses, including, but not limited to a Marijuana (MJ) Attestation letter.

4.11. The Contractor shall maintain accurate records of all in-kind services from non-federal funds provided in support of SoC Grant Activities, in accordance with NH DOE guidance.

**5. Renew Sustainability (Rehabilitation for Empowerment, Education, and Work)**

5.1. The Contractor shall provide the Rehabilitation for Empowerment, Education and Work (RENEW) intervention with fidelity to transition-aged youth who qualify for state-supported community mental health services, in accordance

with the University of New Hampshire (UNH) -Institute On Disability (IOD) model.

5.1.1. The standard is that RENEW coordinators demonstrate their alignment to and competency in the RENEW model by reaching a score of 80% or higher in domains 1–3 on the RENEW Integrity Tool (RIT) and utilize tools as trained for the practice with the clients.

5.2. The Contractor shall obtain support and coaching, as needed, from the IOD at UNH to improve the competencies of implementation team members and agency coaches.

**6. Division for Children, Youth and Families (DCYF)**

6.1. The Contractor shall provide mental health consultation to staff at Division for Children, Youth and Families (DCYF) District Offices related to mental health assessments and/or ongoing treatment for children served by DCYF.

6.2. The Contractor shall provide Foster Care Mental Health Assessments for children and youth younger than eighteen (18) years of age who are entering foster care for the first time.

**7. Crisis Services**

7.1. If the Contractor has, or enters into, an agreement with a hospital to provide crisis services to individuals who are eligible, or presumed eligible in the emergency department, for Medicaid services, the Contractor may bill Medicaid according to fee schedules or MCO contracts for services rendered.

7.2. The Contractor shall document crisis services delivered in the emergency department setting as part of its required submissions to the Department's Phoenix system (described in the Data Reporting section below), in a format, and with content, completeness, and timelines specified by the Department, ensuring documented information includes screenings performed, diagnosis codes, and referrals made.

7.3. The Contractor shall provide documentation of each collaborative relationship with acute care hospitals in its region, at the request of the Department.

7.4. The Contractor shall provide emergency services as defined in NH Administrative Rule He-M 403.06 (a)(6) and NH Administrative Rule He-M 426.09.

7.5. As part of the crisis resolution, the Contractor shall screen each individual for Assertive Community Treatment (ACT). If clinically appropriate, the Contractor shall:

7.5.1. Refer the individual for an expedited ACT assessment and/or intake and treatment upon discharge; or

7.5.2. Inform the appropriate CMHC in order to expedite the ACT assessment and/or intake and treatment upon discharge from emergency department or inpatient psychiatric or medical care setting, if the individual resides in a region other than the region in which the individual is receiving crisis services.

7.6. The Contractor shall not refer an individual for hospitalization at New Hampshire Hospital (NHH) or Hampstead Hospital Residential Treatment Facility (HHRTF) unless the Contractor has determined that NHH is the least restrictive setting in which the individual's immediate psychiatric treatment needs can be met. The Contractor shall:

7.6.1. Make all reasonable efforts to ensure no other clinically appropriate bed is available at any other NH inpatient psychiatric unit, Designated Receiving Facility (DRF), Adult Psychiatric Residential Treatment Program (APRTP), Mobile Crisis apartments, or other step-up/step-down beds prior to referring an individual to NHH.

7.7. The Contractor shall provide services to individuals experiencing a psychiatric and/or substance use related crisis through a rapid response team that includes specialty trained crisis responders, which includes, but is not limited to:

7.7.1. One (1) clinician trained to provide behavioral health emergency services and crisis intervention services.

7.7.2. One (1) peer.

7.7.3. Telehealth access, and on-call psychiatry, as needed.

7.8. The Contractor shall ensure all staff have the necessary qualifications as defined under New Hampshire Administrative Rule He-M 400, Community Mental Health, Parts 403 and 426.

7.9. The Contractor shall work in tandem with the designated vendor providing services through the Rapid Response Access Point contract as approved by the Governor and Executive Council.

7.10. The Contractor shall maintain a current Memorandum of Understanding with the Rapid Response Access Point, which provides the Mobile Response Teams information regarding the nature of the crisis, through electronic communication, that includes, but is not limited to:

7.10.1. The location of the crisis.

7.10.2. The safety plan either developed over the phone or on record from prior contact(s).

7.10.3. Any accommodations needed.

7.10.4. Treatment history of the individual, if known.

7.11. The Contractor shall promote the use of the telephone number for the Rapid Response Access Point as the primary contact for crisis services, which:

7.11.1. Utilizes specified Rapid Response technology, to identify the closest and available Mobile Response Team; and

7.11.2. Does not fulfill emergency medication refills.

7.12. The Contractor shall provide written information to current clients, which includes telephone numbers, on how to access support for medication refills on an ongoing basis.

7.13. The Contractor shall ensure all rapid response team members participate in crisis response training, as designated by the Department, which follows the concepts and topics identified in the National Guidelines for Crisis Care Best Practice Toolkit published by the Substance Abuse and Mental health Services Administration (SAMHSA).

7.14. The Contractor shall provide the physical address of the physical location to the Rapid Response Access Point where the rapid response team may provide office-based urgent assessments.

7.15. The Contractor shall ensure a rapid response team is available twenty-four (24) hours per day, seven (7) days a week for deployment as directed by the Rapid Response Access Point.

7.15.1. If the Contractor does not have a fully staffed Rapid Response team available for deployment twenty-four (24) hours per day, seven (7) days a week, the Contractor shall work with the Department to identify solutions to meet the demand for services.

7.16. The Contractor shall ensure the Rapid Response team is trained and available to provide crisis response services to avoid unnecessary hospitalization, contact with law enforcement, incarceration or institutionalization. The Contractor shall ensure services include but are not limited to:

7.16.1. Face-to-face assessments.

7.16.2. Disposition and decision making.

7.16.3. Initial care and safety planning.

7.16.4. Post crisis and stabilization services.

7.17. The Contractor may utilize presumptive eligibility when responding to individuals who are not connected to a CMHC or who may be considered low utilizers.

7.18. The Contractor shall follow all Rapid Response dispatch protocols, processes, and data collection established in partnership with the Rapid Response Access Point, as approved by the Department.

7.19. The Contractor shall ensure the Rapid Response team responds face-to-face to all dispatches in the community within one (1) hour of the request ensuring:

7.19.1. The response team includes a minimum of two (2) specialty trained behavioral health crisis responders for safety purposes, if occurring at locations based on individual and family choice that include but are not limited to:

7.19.1.1. In or at the individual's home.

7.19.1.2. Community settings.

7.19.2. The response team includes a minimum of one (1) clinician if occurring at safe, staffed sites or public service locations;

7.19.3. Telehealth dispatch is acceptable as a face-to-face response only when requested by the individual and/or deployed as a telehealth dispatch by the Rapid Response Access Point, as clinically appropriate;

7.19.4. A no-refusal policy upon triage and all requests for Rapid Response team dispatch receive a response and assessment regardless of the individual's disposition, which may include current substance use. Documented clinical rationale with administrative support when a mobile intervention is not provided;

7.19.5. Coordination with law enforcement personnel, only when clinically indicated, when responding to individuals in a mental health crisis presenting a safety concern or when active rescue is required;

7.19.6. A face-to-face lethality assessment as needed that includes, but is not limited to:

7.19.6.1. Obtaining the individual's mental health history including, but not limited to:

7.19.6.1.1. Psychiatric, including recent inpatient hospitalizations and current treatment providers.

7.19.6.1.2. Substance misuse.

7.19.6.1.3. Social, familial and legal factors;

7.19.6.2. Understanding the individual's presenting symptoms and onset of crisis;

7.19.6.3. Obtaining medication list, adherence to prescribed medications and brief medical history; and

7.19.6.4. Conducting a mental status exam.

7.19.7. Developing a mutually agreed upon individualized safety plan and care disposition and decision making, with the individual, which may include, but is not limited to:

7.19.7.1. Staying in place with:

7.19.7.1.1. Stabilization services.

7.19.7.1.2. A safety plan.

7.19.7.1.3. Outpatient providers;

7.19.7.2. Stepping up to crisis stabilization services or apartments.

7.19.7.3. Admission to peer respite or step-up/step-down program.

7.19.7.4. Admission to a crisis apartment.

7.19.7.5. Voluntary hospitalization.

7.19.7.6. Initiation of Involuntary Emergency Admission (IEA).

7.19.7.7. Medical hospitalization.

7.20. The Contractor shall involve peer and/or specialty trained crisis responders Rapid Response staff by providing follow up contact within forty-eight (48) hours post-crisis for all face-to-face interventions, which may include, but are not limited to:

7.20.1. Promoting recovery.

7.20.2. Building upon life, social and other skills.

7.20.3. Offering support.

7.20.4. Reviewing crisis and safety plans.

7.20.5. Facilitating referrals such as warm hand offs for post-crisis support services, including connecting back to existing treatment providers, including home region CMHC, and/or providing a referral for additional treatment and/or peer contacts.

7.21. The Contractor shall provide Sub-Acute Crisis Stabilization Services for up to 30 days as follow-up to the initial mobile response for the purpose of stabilization of the crisis episode prior to intake or referral to another service or agency. The Contractor shall ensure stabilization services are:

7.21.1. Provided for individuals who reside in and/or are expected to receive long-term treatment in the Contractor's region;

7.21.2. Delivered by the rapid response team for individuals who are not in active treatment prior to the crisis;

7.21.3. Provided in the individual and family home, if requested by the individual;

7.21.4. Implemented using methods that include, but are not limited to:

7.21.4.1. Involving specialty trained behavioral health peer and/or Bachelor level crisis staff to provide follow up support.

7.21.4.2. Providing crisis stabilization services with a Master's level clinician through short-term, trauma informed approaches, which may include, but are not limited to:

7.21.4.2.1. Cognitive Behavior Therapy (CBT).

7.21.4.2.2. Dialectical Behavior Therapy (DBT).

7.21.4.2.3. Solution-focused therapy.

7.21.4.2.4. Developing concrete discharge plans.

7.21.4.2.5. Providing substance use disorder assessment and counseling techniques for dually diagnosed individuals.

7.21.5. Provided by a Department certified and approved Residential Treatment Provider in a Residential Treatment facility for children and youth.

7.22. The Contractor shall work with the Rapid Response Access Point to conduct educational and outreach activities within the local community and to institutional stakeholders in order to promote appropriate referrals to and the utilization of rapid response team resources. The Contractor must:

7.22.1. Ensure outreach and educational activities may include, but are not limited to:

7.22.1.1. Promoting the Rapid Response Access Point website and phone number and links with information about Rapid Response and connectivity to the Rapid Response Access Point.

7.22.1.2. Including the Rapid Response Access point crisis telephone number as a prominent feature to call if experiencing a crisis on relevant agency materials.

7.22.1.3. Direct communications with partners that direct them to the Rapid Response Access Point for crisis services and deployment.

7.22.1.4. Promoting the Children's Behavioral Health Resource Center website.

7.22.2. Work with the Rapid Response Access Point to change utilization of hospital emergency departments (ED) for crisis response in the region and collaborate by:

7.22.2.1. Meeting regularly with local police and first responders to discuss interface, procedures, and collaborations to understand challenges and improve outcomes for individuals in the community;

7.22.2.2. Educating the individual, and their supports on all diversionary services available, by encouraging early intervention;

7.22.2.3. Maintaining and developing relationships with local hospitals and work together to promote the use of the Rapid Response Access Point number and rapid response services, in order to reduce ED use; and

7.22.2.4. Coordinating with homeless outreach services.

7.23. The Contractor shall maintain connection with the Rapid Response Access Point and the identified technology system that enables transmission of information needed to:

7.23.1. Determine availability of the Rapid Response Teams;

7.23.2. Facilitate response of dispatched teams; and

7.23.3. Resolve the immediate crisis episode.

7.24. The Contractor shall maintain connection to the designated resource tracking system.

7.25. The Contractor shall maintain a bi-directional referral system with electronic scheduling to support information sharing that facilitates closed loop referrals and transmission of clinical triage summaries, safety plans and shared care plans with community providers, once implemented.

7.26. The Contractor shall submit reports relative to the rapid response services provided in this agreement. The Contractor shall:

7.26.1. Document all contacts in the medical record for both State eligible and non-eligible individuals who receive rapid response team services;

7.26.2. Provide monthly reports by the fifteenth (15th) day of each month, on a template provided by the Department which includes, but is not limited to:

7.26.2.1. Number of unique individuals who received services.

7.26.2.2. Date and time of mobile arrival; and

7.26.3. Submit information through the Department's Phoenix System as defined in the Department's Phoenix reporting specifications unless otherwise instructed on a temporary basis by the Department to include but not be limited to:

7.26.3.1. Diversions from hospitalizations.

7.26.3.2. Diversions from Emergency Rooms.

7.26.3.3. Services provided.

7.26.3.4. Location where services were provided.

7.26.3.5. Length of time service or services provided.

7.26.3.6. Whether law enforcement was involved for safety reasons.

7.26.3.7. Whether law enforcement was involved for other reasons.

7.26.3.8. Identification of follow up with the individual by a member of the Contractor's rapid response team within 48 hours post face-to-face intervention.

7.26.3.9. Indication that referral for ongoing mental health services following the immediate crisis was provided.

7.26.3.10. Outcome of service provided, which may include but is not limited to:

7.26.3.10.1. Remained in home.

7.26.3.10.2. Hospitalization.

7.26.3.10.3. Crisis stabilization services.

7.26.3.10.4. Crisis apartment.

7.26.3.10.5. Emergency department.

7.27. The Contractor's performance will be monitored by ensuring eighty (80%) of individuals receive a post-crisis follow up from a member of the Contractor's rapid response team within forty-eight (48) hours of a face-to- face intervention, as identified through Phoenix encounter data.

**8. Adult Assertive Community Treatment (ACT) Teams**

8.1. The Contractor shall maintain Adult ACT Teams that meet the SAMHSA Model and are available twenty-four (24) hours per day, seven (7) days per week, with on-call availability from midnight to 8:00 A.M. The Contractor shall ensure:

8.1.1. Adult ACT Teams deliver comprehensive, individualized, and flexible services, supports, targeted case management, treatment, and rehabilitation in a timely manner as needed, onsite in the individuals' homes and in other natural environments and community settings, or alternatively, via telephone where appropriate to meet the needs of the individual;

8.1.2. Each Adult ACT Team is composed of seven (7) to ten (10) dedicated professionals who make-up a multi-disciplinary team including, a psychiatrist, a nurse, a Masters-level clinician, or functional equivalent therapist, functional support worker and a full time equivalent (FTE) certified peer specialist;

8.1.3. Each Adult ACT Team includes an individual trained to provide substance abuse support services including competency in providing co-occurring groups and individual sessions, and supported employment; and

8.1.4. Caseloads for Adult ACT Teams serve no more than twelve (12) individuals per Adult ACT Team member, excluding the psychiatrist who serves no more than seventy (70) people served per 0.5 FTE psychiatrist, unless otherwise approved by the Department.

8.2. The Contractor shall ensure ACT staff, with the exception of psychiatrist and nurse, receive:

8.2.1. A minimum of 15 hours in basic ACT training within one (1) year of hire date that is consistent with the ACT EBP SAMHSA toolkit approved by BMHS; and

8.2.2. A minimum of 4 hours of advanced ACT training of co-occurring disorders within fifteen (15) months of hire date that is consistent with the ACT EBP SAMSHA toolkit and Integrated Dual Disorder Model approved by BMHS.

8.3. The Contractor shall ensure Adult ACT Teams do not have waitlists for screening purposes and/or admission to the ACT Team. The Contractor shall ensure:

8.3.1. Individuals do not wait longer than 30 days for either assessment or placement;

8.3.2. Work with the Department at identifying solutions and appropriate levels of care for any individual waiting for Adult ACT Team services for more than 30 days in order to meet the demand for services and implement the solutions within forty-five (45) days; and.

8.3.3. Individuals receiving services from Adult ACT Team members, if psychiatrically hospitalized, are offered a same day or next day appointment with an Adult ACT Team member upon date of discharge.

8.4. The Contractor shall report its level of compliance with the above listed requirements on a monthly basis at the staff level in the format, and with content, completeness, and timeliness as specified by the Department as part of the Phoenix submissions, which are due no later than the 15th of the month. The Contractor shall:

8.4.1. Ensure services provided by the Adult ACT Team are identified in the Phoenix submissions as part of the ACT cost center;

8.4.2. Screen for ACT per NH Administrative Rule He-M 426.16, or as amended, Assertive Community Treatment (ACT);

8.4.3. Report all ACT screenings with the outcome of the screening to indicate whether the individual is appropriate for ACT, as part of the Phoenix submissions, or in the format, content, completeness, and timelines as specified by the Department;

8.4.4. Make a referral for an ACT assessment within (7) days of:

8.4.4.1. A screening outcome that an individual may be appropriate to receive ACT services; and

8.4.4.2. An individual being referred for an ACT assessment;

8.4.5. Report the outcome of ACT assessments to the Department as part of the Phoenix submissions, in the format, content, completeness, and timelines as specified by the Department;

8.4.6. Ensure all individuals assessed as appropriate for ACT services are admitted to the ACT team caseload and begin receiving ACT services within seven (7) days, with the exception of individuals who decline such services, or are not available to receive such services for reasons that may include, but are not limited to:

8.4.6.1. Extended hospitalization or incarceration.

8.4.6.2. Relocation of individuals out of the Contractor's designated community mental health region; and

8.4.7. Ensure, in the event that admitting the individual to the ACT Team caseload causes the ACT Team to exceed the caseload size limitations specified above, consultation with the Department to seek approval:

8.4.7.1. To exceed caseload size requirements; or

8.4.7.2. To provide alternative services to the individual until the individual can be admitted to the ACT caseload.

**9. Evidence-Based Supported Employment**

9.1. The Contractor shall gather employment status for all adults with Severe Mental Illness (SMI)/Severe Persistent Mental Illness (SPMI) at intake and at least biannually thereafter and when employment status changes.

9.2. The Contractor shall report the employment status for all adults with SMI/SPMI to the Department in the format, content, completeness, and timelines specified by the Department.

9.3. The Contractor shall provide a referral for all individuals who express an interest in receiving Individual Placement and Support Supported Employment (IPS-SE) services to the Supported Employment (SE) team within seven (7) days.

9.4. The Contractor shall deem the individual as waiting for SE services if the SE team cannot accommodate enrollment of SE services, at which time the individual will be added to the waitlist, which is reported to the Department, as specified by the Department.

9.5. The Contractor shall provide IPS-SE to eligible individuals in accordance with the SAMHSA and/or Dartmouth model.

9.6. The Contractor shall ensure IPS-SE services include, but are not limited to:

9.6.1. Job development.

9.6.2. Work incentive counseling.

9.6.3. Rapid job search.

9.6.4. Follow along supports for employed individuals.

9.6.5. Engagement with mental health treatment teams and local NH Vocational Rehabilitation services.

9.7. The Contractor shall ensure IPS-SE services do not have waitlists, ensuring individuals do not wait longer than 30 days for IPS-SE services. If waitlists are identified, Contractor shall:

9.7.1. Work with the Department to identify solutions to meet the demand for services; and

9.7.2. Implement such solutions within 45 days.

9.8. The Contractor shall maintain the penetration rate of individuals receiving supported employment at a minimum of 18.6 percent (18.6%) as per the CMHA agreement.

9.9. The Contractor shall ensure SE staff receive:

9.9.1. A minimum of 15 hours in basic training within one year of hire date as approved by the IPS Employment Center and approved by BMHS; and

9.9.2. A minimum of 7 hours of advanced SE Job Development Training within 15 months of hire as approved by the IPS-SE Employment Center and BMHS.

**10. Coordination of Care from Residential or Psychiatric Treatment Facilities**

10.1. The Contractor shall designate a member of its staff to serve as the primary liaison to New Hampshire Hospital (NHH) and/ or Hampstead Hospital Residential Treatment Facility (HHRTF) who works with the applicable NHH &

HHRTF staff, payer(s), guardian(s), other community service providers, and the applicable individual, to assist with coordinating the seamless transition of care for individuals transitioning from NHH and HHRTF to community based services or transitioning to NHH from the community. The Contractor may:

10.1.1. Designate a different liaison for individuals being served through their children's services.

10.2. The Contractor shall not close the case of any individual who is admitted to NHH. Notwithstanding, the Contractor shall be deemed to be in compliance with all NH Administrative He-M 408, Clinical Records rules regarding documentation if it is noted in the record that the individual is an inpatient at NHH or another treatment facility. All documentation requirements as per He-M 408 will be required to resume upon re-engagement of services following the individual's discharge from inpatient care.

10.3. The Contractor shall participate in transitional and discharge planning within 24 hours of admission to an inpatient facility.

10.4. The Contractor shall work with the Department, payers and guardians (if applicable) to review cases of individuals that NHH, HHRTF, Transitional Housing, or alternative treatment facility or the Contractor, have indicated will have difficulty returning to the community to identify barriers to discharge, and to develop an appropriate plan to transition into the community.

10.5. The Contractor shall make a face-to-face appointment available to an individual leaving NHH, HHRTF, Transitional Housing or alternative residential setting who desires to reside in the region served by the Contractor within seven (7) calendar days of receipt of notification of the individual's discharge, or within seven (7) calendar days of the individual's discharge, whichever is later.

10.6. The Contractor shall ensure individuals who are discharged and are new to a CMHC have an intake appointment within seven (7) calendar days. If the individual declines to accept the appointment, declines services, or requests an appointment to be scheduled beyond the seven (7) calendar days, the Contractor may accommodate the individual's request provided the accommodation is clinically appropriate, and does not violate the terms of a conditional discharge. The Contractor's Adult ACT Team must see individuals who are on the ACT caseload and transitioning from NHH into the community within 24 hours of NHH discharge.

10.7. The Contractor shall make all reasonable efforts to ensure that no appropriate bed is available at any other inpatient psychiatric unit, Designated Receiving Facility (DRF) per NH RSA 135-C and NH Administrative Rule He-M 405, Designation of Receiving Facilities, Mobile Crisis Apartment, Peer Support Recovery Center, or Adult Psychiatric Residential Treatment Program (APRTP) prior to referring an individual to NHH.

10.8. The Contractor shall collaborate with NHH to develop and execute conditional discharges from NHH in order to ensure that individuals receive treatment in the least restrictive environment.

10.9. The Contractor shall have all necessary staff members available to receive, evaluate, and treat individuals discharged from NHH and HHRTF seven (7) days per week, consistent with the provisions in NH Administrative Rule He-M 403 and NH Administrative Rule He-M 426.

10.10. For individuals at NHH who formerly resided in the Contractor's designated community mental health region prior to NHH admission, who have been identified for transition planning to the Glencliff Home, the Contractor shall, at the request of the individual or guardian, or of NHH or Glencliff Home staff, participate in transition planning to determine if the individual can be supported in the Contractor's region with community based services and supports instead of transitioning to the Glencliff Home. In the event the individual would require supports from multiple funding sources or the Department's systems of care, the Contractor shall collaborate with additional Department staff at NHH's request, to address any barriers to discharge the individual to the community.

**11. Coordinated Care and Integrated Treatment**

11.1. Primary Care

11.1.1. The Contractor shall request written consent from each individual to allow the designated primary care provider to release information for the purpose of coordinating care regarding mental health services or substance misuse services or both.

11.1.2. The Contractor shall support each individual with linking to an available primary care provider, if the individual does not have an identified primary care provider, to:

11.1.2.1. Monitor health;

11.1.2.2. Provide medical treatment as necessary; and

11.1.2.3. Engage in preventive health screenings.

11.1.3. The Contractor shall consult with each primary care provider at least annually, or as necessary, to integrate care between mental and physical health for each individual, which may include the exchange of pertinent information including, but not limited to medication changes or changes in the individual's medical condition.

11.1.4. The Contractor shall document on the release of information form the reason(s) written consent to release information was refused in the event an individual refuses to provide consent to release information.

11.2. Substance Misuse Treatment, Care and/or Referral

11.2.1. The Contractor shall provide services and meet requirements to address substance misuse and to support recovery intervention implementation, which include, but are not limited to:

11.2.1.1. Screening no less than 95% of eligible individuals for substance misuse at the time of intake, and annually thereafter.

11.2.1.2. Conducting a full assessment for substance misuse disorder and associated impairments for each individual that screens positive for substance use.

11.2.1.3. Developing an individualized service plan for each eligible individual based on information from substance misuse screening.

11.2.2. The Contractor shall utilize the SAMSHA evidence-based models for Co-Occurring Disorders Treatment to develop treatment plans with individuals and to provide an array of evidence-based interventions that enhance recovery for individuals and follow the fidelity standards to such a model.

11.2.3. The Contractor shall make all appropriate referrals if the individual requires additional substance use disorder care utilizing the current New Hampshire system of care, and ensuring linkage to and coordination with resources.

11.3. Area Agencies

11.3.1. The Contractor shall collaborate with the Area Agency that serves the region to address processes that include:

11.3.1.1. Enrolling individuals for services who are dually eligible for both organizations;

11.3.1.2. Ensuring transition-aged individuals are screened for the presence of mental health and developmental supports and refer, link and support transition plans for youth leaving children's services into adult services identified during screening;

11.3.1.3. Following the "Protocol for Extended Department Stays for Individuals served by Area Agency" issued December 1, 2017 by the State of New Hampshire Department of Health and Humans Services, as implemented by the regional Area Agency;

11.3.1.4. Facilitating collaborative discharge planning meetings to assess individuals who are leaving NHH to re-engage

them with both the CMHC and Area Agency representatives;

11.3.1.5. Ensuring annual training is designed and completed for intake, eligibility, and case management for dually diagnosed individuals and that attendees include intake clinicians, case-managers, service coordinators and other frontline staff identified by both CMHC's and Area Agencies. The Contractor shall ensure the training utilizes the Diagnostic Manual for Intellectual Disability 2 that is specific to intellectual disabilities, in conjunction with the DSM V;

11.3.1.6. Planning for each person who receives dual case management by outlining the responsibilities of each organization and expectations for collaboration between the organizations; and

11.3.1.7. Participating in shared service annual treatment meetings to assess quality and progress towards treatment goals as well as monitoring continued need for dual services when waivers are required for services between agencies.

11.4. Peer Supports

11.4.1. The Contractor shall actively promote recovery principles and integrate peers throughout the agency, which includes, but is not limited to:

11.4.1.1. Employing peers as integrated members of the CMHC treatment team(s) in the role of peer support specialist with the ability to deliver one-on-one face-to-face interventions that facilitate the development and use of recovery-based goals and care plans, and explore treatment engagement and connections with natural supports.

11.4.1.2. Establishing referral and resource relationships with the local Peer Support Agencies, including any Peer Respite, Recovery Oriented Step-up/Step-down programs, and Clubhouse Centers and promote the availability of these services.

11.4.2. The Contractor shall submit a quarterly peer support staff tracking document, as supplied by or otherwise approved by the Department.

11.5. Transition of Care with MCO's

11.5.1. The Contractor shall ensure ongoing coordination occurs with the MCO Care Managers to support care coordination among and between services providers.

**12. Certified Community Behavioral Health Clinic (CCBHC) Planning (Through March 30, 2024)**

12.1. The Contractor shall participate in CCBHC planning activities that include:

12.1.1. Co-learning and consultation with the state identified Consultation and Technical Assistance Planning Consultant;

12.1.2. Attending two (2) learning communities on a monthly basis;

12.1.3. Completing the CCBHC self-assessment tool as defined by the department; and

Individual data must include a Medicaid ID number for individuals who are enrolled in Medicaid.

24.4. The Contractor shall include client eligibility with all Phoenix services in alignment with current reporting specifications. For an individual's services to be considered BMHS eligible, SPMI, SMI, Low Utilizer (LU), SED, and Severe Emotional Disturbance Interagency (SEDIA) are acceptable.

24.5. The Contractor shall make any necessary system changes to comply with annual Department updates to the Phoenix reporting specification(s) within 90 days of notification of the new requirements. When a contractor is unable to comply they shall request an extension from the Department that documents the reasons for non-compliance and a work plan with tasks and timelines to ensure compliance.

24.6. The Contractor shall meet all the general requirements for the Phoenix system which include, but are not limited to:

24.6.1. Agreeing that all data collected in the Phoenix system is the property of the Department to use as it deems necessary.

24.6.2. Ensuring data files and records are consistent with reporting specification requirements.

24.6.3. Ensuring that errors in data returned to the Contractor are corrected and resubmitted to the Department within ten (10) business days.

24.6.4. Ensuring data is current and updated in the Contractor's systems as required for federal reporting and other reporting requirements and as specified by the Department.

24.6.5. Participating in Departmental efforts for system-wide data quality improvement.

24.6.6. Implementing quality assurance, system, and process review procedures to validate data submitted to the Department to confirm:

24.6.6.1. All data is formatted in accordance with the file specifications;

24.6.6.2. No records will reject due to illegal characters or invalid formatting; and

24.6.6.3. The Department's tabular summaries of data submitted by the Contractor match the data in the Contractor's system.

24.7. The Contractor shall meet the following standards:

24.7.1. Timeliness: monthly data shall be submitted no later than the fifteenth (15th) of each month for the prior month's data unless otherwise approved by the Department, and the Contractor shall review the Department's tabular summaries within five (5) business days.

24.7.2. Completeness: submitted data must represent at least ninety-eight percent (98%) of billable services provided, and ninety-eight percent (98%) of individuals served by the Contractor. For fields indicated in the reporting specifications as data elements that must be collected in contractor systems, 98% shall be submitted with valid values other than the unknown value. The Department may adjust this threshold through the waiver process described in Section 24.8.

24.7.3. Accuracy: submitted service and member data shall conform to submission requirements for at least ninety-eight percent (98%) of the records, and one-hundred percent (100%) of unique member identifiers shall be accurate and valid.

24.8. The Department may waive requirements for fields in Phoenix on a case by case basis through a written waiver communication that specifies the items being waived. In all circumstances:

24.8.1. The waiver length shall not exceed 180 days.

24.8.2. Where the Contractor fails to meet standards, the Contractor shall submit a corrective action plan within thirty (30) calendar days of being notified of an issue.

24.8.3. After approval of the corrective action plan, the Contractor shall implement the plan.

24.8.4. Failure of the Contractor to implement the plan may require:

24.8.4.1. Another plan; or

24.8.4.2. Other remedies, as specified by the Department.

**25. Privacy Impact Assessment**

25.1. Upon request, the Contractor must allow and assist the Department in conducting a Privacy Impact Assessment (PIA) of its

system(s)/application(s)/web portal(s)/website(s) or Department system(s)/application(s)/web portal(s)/website(s) hosted by the Contractor, if Personally Identifiable Information (PII) is collected, used, accessed, shared, or stored. To conduct the PIA the Contractor must provide the Department access to applicable systems and documentation sufficient to allow the Department to assess, at minimum, the following:

25.1.1. How PII is gathered and stored;

25.1.2. Who will have access to PII;

25.1.3. How PII will be used in the system;

25.1.4. How individual consent will be achieved and revoked; and

25.1.5. Privacy practices.

25.2. The Department may conduct follow-up PIAs in the event there are either significant process changes or new technologies impacting the collection, processing or storage of PII.

## Payment Terms

1. This Agreement is funded by:
   1.1. 3.41% Federal funds, Block Grants for Community Mental Health Services, as awarded on 2/23/23, by the Substance Abuse and Mental Health Services Administration, Center for Mental Health Services, ALN 93.958, FAIN B09SM08737.
   1.2. 1.25% Federal funds, NH Certified Community Behavioral Health Clinic Planning, as awarded on 3/15/23, by the Substance Abuse and Mental Health Services Administration, Center for Mental Health Services, ALN 93.829, FAIN H79SM087622.
   1.3. 5.68% Federal funds, Substance Abuse Prevention and Treatment (SAPT) Block Grant, as awarded on 2/15/23, by the DHHS Substance Abuse & Mental Health Services Admin, ALN 93.959, FAIN TI085821.
   1.4. 1.99% Federal funds, Title IIID: Preventative Health Money from the Administration for Community Living, as awarded on 9/8/22, by the DHHS Administration for Community Living, ALN 93.043, FAIN 2201NHOAPH.
   1.5. 87.24% General funds.
   1.6. .43% Other funds (Behavioral Health Services Information System).
2. For the purposes of this Agreement the Department has identified:
   2.1. The Contractor as a Subrecipient, in accordance with 2 CFR 200.331.
   2.2. The Agreement as NON-R&D, in accordance with 2 CFR §200.332.
3. The State shall pay the Contractor an amount not to exceed the Price Limitation, specified in Form P-37, General Provisions, Block 1.8 for the services provided by the Contractor pursuant to Exhibit B, Scope of Services.
4. Notwithstanding anything to the contrary herein, the Contractor agrees that funding under this Agreement may be withheld, in whole or in part, in the event of noncompliance with any state or federal law, rule or regulation applicable to the services provided, or if the said services have not been completed in accordance with the terms and conditions of this Agreement.
5. Mental Health Services provided by the Contractor shall be paid in order as follows:
   5.1. For Medicaid enrolled individuals through the Department Medicaid Fee for Service program in accordance with the current, publicly posted Fee for Service (FFS) schedule located at NHMMIS.NH.gov.

5.2. For Managed Care Organization enrolled individuals, the Contractor shall be reimbursed pursuant to the Contractor's agreement with the applicable Managed Care Organization for such services.

5.3. For individuals with other health insurance or other coverage for the services they receive, the Contractor will directly bill the other insurance or payors.

5.4. For individuals without health insurance or other coverage for the services they receive, and for operational costs contained in Exhibits C, Payment Terms, or which the Contractor cannot otherwise seek reimbursement from an insurance or third-party payer, the Contractor will directly bill the Department to access contract funds provided through this Agreement.

6. All Medicaid/MCO invoicing shall follow billing and coding requirements outlined by the Department. For the purpose of Medicaid billing, a unit of service is described in the DHHS published CMH NH Fee Schedule, as may be periodically updated, or as specified in NH Administrative Rule He-M 400. However, for He-M 426.12 Individualized Resiliency and Recovery Oriented Services (IROS), a Unit of Service is defined as fifteen (15) minutes. The Contractor shall report and bill in whole units. The intervals of time in the table below define how many units to report or bill. All such limits may be subject to additional DHHS guidance or updates as may be necessary to remain in compliance with Medicaid standards.

| Direct Service Time Intervals | Unit Equivalent |
|---|---|
| 0-7 minutes | 0 units |
| 8-22 minutes | 1 unit |
| 23-37 minutes | 2 units |
| 38-52 minutes | 3 units |
| 53-60 minutes | 4 units |

7. Payment shall be for services provided in the fulfillment of this Agreement, as specified in Exhibit B Scope of Work, and in accordance with Table 1 below.

7.1. The table below summarizes the other contract programs and their maximum allowable amounts.

Invoice based payments for unbillable time and services delivered by the FEP/ESMI team. Invoices will only be processed upon receipt of outlined data reports and invoice shall reference contract budget line items.

7.14. Certified Community Behavioral Health Clinic (CCBHC) Planning: The Contractor shall participate in CCBHC planning activities that include co-learning and consultation with the state identified Consultation and Technical Assistance Planning Consultant; attend two (2) learning communities on a monthly basis; complete the CCBHC self-assessment tool as defined by the department; meet monthly with planning consultant for technical assistance. Funds are available through March 30, 2024.

7.15. Payment for each contracted service in the above table shall be made on a cost reimbursement basis only, for allowable expenses and in accordance with the Department approved individual program budgets.

8. The Contractor shall provide its Revenue and Expense Budget within twenty (20) calendar days of the contract effective date.

8.1. The Contractor shall complete the Fiscal Year Revenue and Expense Budget on a form supplied by the Department, which shall include but not be limited to, all the Contractor's cost centers. If the Contractor's cost centers are a combination of several local cost centers, the Contractor shall display them separately as long as the cost center code is unchanged.

8.2. The Contractor shall provide quarterly Revenue and Expense Reports (Budget Form A), within thirty (30) calendar days after the end of each fiscal quarter, defined as July 1 to September 30, October 1 to December 31, January 1 to March 31, and April 1 to June 30.

9. The Contractor shall submit an invoice with supporting documentation to the Department no later than the fifteenth (15th) working day of the month following the month in which the services were provided. The Contractor shall ensure each invoice:

9.1. Includes the Contractor's Vendor Number issued upon registering with New Hampshire Department of Administrative Services.

9.2. Is submitted in a form that is provided by or otherwise acceptable to the Department.

9.3. Identifies and requests payment for allowable costs incurred in the previous month.

9.4. Includes supporting documentation of allowable costs with each invoice that may include, but are not limited to, time sheets, payroll records, receipts for purchases, and proof of expenditures, as applicable.

9.5. Is completed, dated and returned to the Department with the supporting documentation for allowable expenses to initiate payment.

9.6. Is assigned an electronic signature, includes supporting documentation, and is emailed to dhhs.dbhinvoicesmhs@dhhs.nh.gov or mailed to:

Financial Manager
Department of Health and Human Services
129 Pleasant Street
Concord, NH 03301

10. The Department shall make payments to the Contractor within thirty (30) days of receipt of each invoice and supporting documentation for authorized expenses, subsequent to approval of the submitted invoice.

11. The final invoice and supporting documentation for authorized expenses shall be due to the Department no later than forty (40) days after the contract Completion Date specified in Form P-37, General Provisions Block 1.7.

12. Notwithstanding Paragraph 17 of the General Provisions Form P-37, changes limited to adjusting amounts within the price limitation and adjusting encumbrances between State Fiscal Years and budget class lines through the Budget Office may be made by written agreement of both parties, without obtaining approval of the Governor and Executive Council, if needed and justified.

13. Audits

13.1. The Contractor must email an annual audit to dhhs.act@dhhs.nh.gov if any of the following conditions exist:

13.1.1. Condition A - The Contractor expended $750,000 or more in federal funds received as a subrecipient pursuant to 2 CFR Part 200, during the most recently completed fiscal year.

13.1.2. Condition B - The Contractor is subject to audit pursuant to the requirements of NH RSA 7:28, III-b, pertaining to charitable organizations receiving support of $1,000,000 or more.

13.1.3. Condition C - The Contractor is a public company and required by Security and Exchange Commission (SEC) regulations to submit an annual financial audit.

13.2. If Condition A exists, the Contractor shall submit an annual Single Audit performed by an independent Certified Public Accountant (CPA) to dhhs.act@dhhs.nh.gov within 120 days after the close of the Contractor's fiscal year, conducted in accordance with the requirements of 2 CFR Part 200, Subpart F of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal awards.

13.2.1. The Contractor shall submit a copy of any Single Audit findings and any associated corrective action plans. The Contractor shall submit quarterly progress reports on the status of implementation of the corrective action plan.

13.3. If Condition B or Condition C exists, the Contractor shall submit an annual financial audit performed by an independent CPA within 120 days after the close of the Contractor's fiscal year.

13.4. In addition to, and not in any way in limitation of obligations of the Agreement, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department all payments made under the

## CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

**ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS**

**US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS**
**US DEPARTMENT OF EDUCATION - CONTRACTORS**
**US DEPARTMENT OF AGRICULTURE - CONTRACTORS**

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services
129 Pleasant Street,
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
   - 1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
   - 1.2. Establishing an ongoing drug-free awareness program to inform employees about
     - 1.2.1. The dangers of drug abuse in the workplace;
     - 1.2.2. The grantee's policy of maintaining a drug-free workplace;
     - 1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
     - 1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
   - 1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
   - 1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
     - 1.4.1. Abide by the terms of the statement; and
     - 1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
   - 1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

1.6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 1.4.2, with respect to any employee who is so convicted

1.6.1. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

1.6.2. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

1.7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1.1, 1.2, 1.3, 1.4, 1.5, and 1.6.

2. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor).

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor), the undersigned shall complete and submit Standard Form LLL, (Disclosure Form to Report Lobbying, in accordance with its instructions, attached and identified as Standard Exhibit E-I.)

3. The undersigned shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

## CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.
6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.
7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

Contractor Initials DS

Date 5/24/2023

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
    11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
    11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
    11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (l)(b) of this certification; and
    11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
    13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
    13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

## CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;

- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;

- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;

- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

In the event a Federal or State court or Federal or State administrative agency makes a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin, or sex against a recipient of funds, the recipient will forward a copy of the finding to the Office for Civil Rights, to the applicable contracting agency or division within the Department of Health and Human Services, and to the Department of Health and Human Services Office of the Ombudsman.

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this proposal (contract) the Contractor agrees to comply with the provisions indicated above.

## CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1000 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Contractor identified in Section 1.3 of the General Provisions agrees, by signature of the Contractor's representative as identified in Section 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this contract, the Contractor agrees to make reasonable efforts to comply with all applicable provisions of Public Law 103-227, Part C, known as the Pro-Children Act of 1994.

Date 5/24/2023

l. "Required by Law" shall have the same meaning as the term "required by law" in 45 CFR Section 164.103.

m. "Secretary" shall mean the Secretary of the Department of Health and Human Services or his/her designee.

n. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 CFR Part 164, Subpart C, and amendments thereto.

o. "Unsecured Protected Health Information" means protected health information that is not secured by a technology standard that renders protected health information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

p. Other Definitions:- All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH
Act.

(2) **Business Associate Use and Disclosure of Protected Health Information.**

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:
   I. For the proper management and administration of the Business Associate;
   II. As required by law, pursuant to the terms set forth in paragraph d. below; or
   III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) **Obligations and Activities of Business Associate.**

a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- The unauthorized person used the protected health information or to whom the disclosure was made;
- Whether the protected health information was actually acquired or viewed
- The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) **Obligations of Covered Entity**

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) **Termination for Cause**

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) **Miscellaneous**

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

## CERTIFICATION REGARDING THE FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA) COMPLIANCE

The Federal Funding Accountability and Transparency Act (FFATA) requires prime awardees of individual Federal grants equal to or greater than $25,000 and awarded on or after October 1, 2010, to report on data related to executive compensation and associated first-tier sub-grants of $25,000 or more. If the initial award is below $25,000 but subsequent grant modifications result in a total award equal to or over $25,000, the award is subject to the FFATA reporting requirements, as of the date of the award.
In accordance with 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), the Department of Health and Human Services (DHHS) must report the following information for any subaward or contract award subject to the FFATA reporting requirements:

1. Name of entity
2. Amount of award
3. Funding agency
4. NAICS code for contracts / CFDA program number for grants
5. Program source
6. Award title descriptive of the purpose of the funding action
7. Location of the entity
8. Principle place of performance
9. Unique identifier of the entity (UEI #)
10. Total compensation and names of the top five executives if:
    - 10.1. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than $25M annually and
    - 10.2. Compensation information is not already available through reporting to the SEC.

Prime grant recipients must submit FFATA required data by the end of the month, plus 30 days, in which the award or award amendment is made.
The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of The Federal Funding Accountability and Transparency Act, Public Law 109-282 and Public Law 110-252, and 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:
The below named Contractor agrees to provide needed information as outlined above to the NH Department of Health and Human Services and to comply with all applicable provisions of the Federal Financial Accountability and Transparency Act.

A. Definitions

The following terms may be reflected and have the described meaning in this document:

1. "Breach" means the loss of control, compromise, unauthorized disclosure, unauthorized acquisition, unauthorized access, or any similar term referring to situations where persons other than authorized users and for an other than authorized purpose have access or potential access to personally identifiable information, whether physical or electronic. With regard to Protected Health Information, "Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

2. "Computer Security Incident" shall have the same meaning "Computer Security Incident" in section two (2) of NIST Publication 800-61, Computer Security Incident Handling Guide, National Institute of Standards and Technology, U.S. Department of Commerce.

3. "Confidential Information" or "Confidential Data" means all non-public information owned, managed, created, received for or on behalf of, the Department that is protected by information security, privacy or confidentiality rules, Agreement and state and federal laws or policy. This information may include but is not limited to, derivative data, Protected Health Information (PHI), Personally Identifiable Information (PII), Substance Use Disorder Information (SUD), Federal Tax Information, Social Security Administration, and CJIS (Criminal Justice Information Services) data, including the copy of information submitted known as the Phoenix Data. Confidential Information or Confidential Data shall not include medical records produced and maintained by the contractor in the course of their practice or information owned by the patient/client. Contractor shall be solely responsible for the administration and secure maintenance of such medical and other records produced and maintained by the contractor. "End User" means any person or entity (e.g., contractor, contractor's employee, business associate, subcontractor, other downstream user, etc.) that receives Confidential Data in accordance with the terms of this Contract.

4. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder.

5. "Incident" means an act that potentially violates an explicit or implied security policy, which includes attempts (either failed or successful) to gain unauthorized access to a system or its data, unwanted disruption or denial of service, the unauthorized use of a system for the processing or storage of data; and changes to system hardware, firmware, or software characteristics without the owner's knowledge, instruction, or consent. Incidents include the loss of data through theft or device misplacement, loss or misplacement of hardcopy documents, and misrouting of physical or electronic mail, all of which may have the potential to put the data at risk of unauthorized access, use, disclosure, modification or destruction.

6. "Open Wireless Network" means any network or segment of a network that is not designated by the State of New Hampshire's Department of Information Technology or delegate as a protected network (designed, tested, and approved, by means of the State, to transmit) will be considered an open network and not adequately secure for the transmission of unencrypted PI, PFI, PHI or Confidential Data.

7. "Personal Information" (or "PI") means information which can be used to distinguish or trace an individual's identity, such as their name, social security number, personal information as defined in New Hampshire RSA 359-C:19, biometric records, etc., alone, or when combined with other personal or identifying information which is linked or linkable to a specific individual, such as date and place of birth, mother's maiden name, etc.

8. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 C.F.R. Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

9. "Protected Health Information" (or "PHI") has the same meaning as provided in the definition of "Protected Health Information" in the HIPAA Privacy Rule at 45 C.F.R. § 160.103.

10. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 C.F.R. Part 164, Subpart C, and amendments thereto.

11. "Unsecured Protected Health Information" means Protected Health Information that is not secured by a technology standard that renders Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

## I. RESPONSIBILITIES OF DHHS AND THE CONTRACTOR

A. Business Use and Disclosure of Confidential Information.

1. The Contractor must not use, disclose, maintain or transmit Confidential Information except as reasonably necessary as outlined under this Contract. Further, Contractor, including but not limited to all its directors, officers, employees and agents, must not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

2. The Contractor must not disclose any Confidential Information in response to a request for disclosure on the basis that it is required by law, in response to a subpoena, etc., without first notifying DHHS so that DHHS has an opportunity to consent or object to the disclosure.

3. Omitted.
4. The Contractor agrees that Confidential Data or derivative there from disclosed to an End User must only be used pursuant to the terms of this Contract.
5. The Contractor agrees Confidential Data obtained under this Contract may not be used for any other purposes that are not indicated in this Contract.
6. The Contractor agrees to grant access to the Confidential Data to the authorized representatives of DHHS for the purpose of inspecting to confirm compliance with the terms of this Contract.

## II. METHODS OF SECURE TRANSMISSION OF DATA

1. Application Encryption. If End User is transmitting Confidential Data between applications, the Contractor attests the applications have been evaluated by an expert knowledgeable in cyber security and that said application's encryption capabilities ensure, secure transmission via the internet.
2. Computer Disks and Portable Storage Devices. End User may not use computer disks or portable storage devices, such as a thumb drive, as a method of transmitting Confidential Data.
3. Encrypted Email. End User may only employ email to transmit Confidential Data if email is encrypted and being sent to and being received by email addresses of persons authorized to receive such information.
4. Encrypted Web Site. If End User is employing the Web to transmit Confidential Data, the secure socket layers (SSL) must be used and the web site must be secure. SSL encrypts data transmitted via a Web site.
5. File Hosting Services, also known as File Sharing Sites. End User may not use file hosting services, such as Dropbox or Google Cloud Storage, to transmit Confidential Data.
6. Ground Mail Service. End User may only transmit Confidential Data via *certified* ground mail within the continental U.S. and when sent to a named individual.
7. Laptops and PDA. If End User is employing portable devices to transmit Confidential Data said devices must be encrypted and password-protected.
8. Open Wireless Networks. End User may not transmit Confidential Data via an open wireless network. End User must employ a virtual private network (VPN) when remotely transmitting via an open wireless network.
9. Remote User Communication. If End User is employing remote communication to access or transmit Confidential Data, a virtual private network (VPN) must be installed on the End User's mobile device(s) or laptop from which information will be transmitted or accessed.
10. SSH File Transfer Protocol (SFTP), also known as Secure File Transfer Protocol. If

End User is employing an SFTP to transmit Confidential Data, End User will structure the Folder and access privileges to prevent inappropriate disclosure of information. SFTP folders and sub-folders used for transmitting Confidential Data will be coded for 24-hour auto-deletion cycle (i.e. Confidential Data will be deleted every 24 hours).

11. Wireless Devices. If End User is transmitting Confidential Data via wireless devices, all data must be encrypted to prevent inappropriate disclosure of information.

## III. RETENTION AND DISPOSITION OF IDENTIFIABLE RECORDS

The Contractor will only retain the Confidential Data for the duration of this Contract. After such time, the Contractor will have 30 days to destroy the Confidential Data, unless, otherwise required by law or permitted under this Contract. If it is infeasible to return or destroy the Confidential Data, protections pursuant to this Information Security Requirements Exhibit survive this contract. To this end, the parties must:

A. Retention

1. The Contractor agrees it will not store, transfer or process Confidential Data collected in connection with the services rendered under this Contract outside of the United States. This physical location requirement shall also apply in the implementation of cloud computing, cloud service or cloud storage capabilities, and includes backup data and Disaster Recovery locations.
2. The Contractor agrees to ensure proper security monitoring capabilities are in place to detect potential security events that can impact Confidential Data State of NH systems and/or Department confidential information for contractor provided systems.
3. The Contractor agrees to provide security awareness and education for its End Users in support of protecting Confidential Data
4. The Contractor agrees to retain all electronic and hard copies of Confidential Data in a secure location.
5. The Contractor agrees Confidential Data stored in a Cloud must be in a FedRAMP/HITECH compliant solution and comply with all applicable statutes and regulations regarding the privacy and security. All servers and devices must have currently-supported and hardened operating systems, the latest anti-viral, anti-hacker, anti-spam, anti-spyware, and anti-malware utilities. The environment, as a whole, must have aggressive intrusion-detection and firewall protection.
6. The Contractor agrees to and ensures its complete cooperation with the State's Chief Information Officer in the detection of any security vulnerability of the hosting infrastructure.

B. Disposition

1. If the Contractor will maintain any Confidential Information on its systems (or its sub-contractor systems), the Contractor will maintain a documented process for securely disposing of such Confidential Data upon request or contract termination; and will obtain written certification for any Confidential Data destroyed by the Contractor or any subcontractors as a part of ongoing, emergency, and or disaster recovery operations. When no longer in use, electronic media containing Confidential Data shall be rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure deletion and media sanitization, or otherwise physically destroying the media (for example, degaussing) as described in NIST Special Publication 800-88, Rev 1, Guidelines for Media Sanitization, National Institute of Standards and Technology, U. S. Department of Commerce. The Contractor will document and certify in writing at time of the Confidential Data destruction, and will provide written certification to DHHS upon request. The written certification will include all details necessary to demonstrate Confidential Data has been properly destroyed and validated. Where applicable, regulatory and professional standards for retention requirements will be jointly evaluated by the State and Contractor prior to destruction.
2. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to destroy all hard copies of Confidential Data using a secure method such as shredding.
3. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to completely destroy all electronic Confidential Data by means of data erasure, also known as secure data wiping.

## IV. PROCEDURES FOR SECURITY

A. Contractor agrees to safeguard the Confidential Data received under this Contract, as follows:

1. The Contractor will maintain proper security controls to protect Confidential Data collected, processed, managed, and/or stored in the delivery of contracted services.
2. The Contractor will maintain policies and procedures to protect Confidential Data throughout the information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the Confidential Data (i.e., tape, disk, paper, etc.).
3. The Contractor will maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Confidential Data where applicable.
4. The Contractor will ensure proper security monitoring capabilities are in place to detect potential security events that can impact Confidential Data, State of NH systems and/or Department confidential information for contractor provided systems.

5. The Contractor will provide regular security awareness and education for its End Users in support of protecting Confidential Data.

6. If the Contractor will be sub-contracting any core functions of the engagement supporting the services for State of New Hampshire, the Contractor will maintain a program of an internal process or processes that defines specific security expectations, and monitoring compliance to security requirements that at a minimum match those for the Contractor, including breach notification requirements.

7. The Contractor will work with DHHS to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any DHHS system(s). Agreements will be completed and signed by the Contractor and any applicable sub-contractors prior to system access being authorized.

8. If DHHS determines the Contractor is a Business Associate pursuant to 45 CFR 160.103, the Contractor will execute a HIPAA Business Associate Agreement (BAA) with DHHS and is responsible for maintaining compliance with the agreement.

9. Omitted.

10. The Contractor will not store, knowingly or unknowingly, any Confidential Data or State of New Hampshire data offshore or outside the boundaries of the United States unless prior express written consent is obtained from the Information Security Office leadership member within DHHS.

11. Data Security Breach Liability. In the event of any security breach Contractor shall make efforts to investigate the causes of the breach, promptly take measures to prevent future breach and minimize any damage or loss resulting from the breach. The State shall recover from the Contractor all costs of response and recovery from the breach, including but not limited to: credit monitoring services, mailing costs and costs associated with website and telephone call center services necessary due to the breach.

12. Contractor must, comply with all applicable statutes and regulations regarding the privacy and security of Confidential Information, and must in all other respects maintain the privacy and security of PI and PHI at a level and scope that is not less than the level and scope of requirements applicable to federal agencies, including, but not limited to, provisions of the Privacy Act of 1974 (5 U.S.C. § 552a), DHHS Privacy Act Regulations (45 C.F.R. §5b), HIPAA Privacy and Security Rules (45 C.F.R. Parts 160 and 164) that govern protections for individually identifiable health information and as applicable under State law.

13. Contractor agrees to establish and maintain appropriate administrative, technical, and physical safeguards to protect the confidentiality of the Confidential Data and to prevent

unauthorized use or access to it. The safeguards must provide a level and scope of security that is not less than the level and scope of security requirements established by the State of New Hampshire, Department of Information Technology. Refer to Vendor Resources/Procurement at https://www.nh.gov/doit/vendor/index.htm for the Department of Information Technology policies, guidelines, standards, and procurement information relating to vendors.

14. Contractor agrees to maintain a documented breach notification and incident response process. The Contractor will notify the State's Privacy Officer and the State's Security Officer of any security breach immediately, at the email addresses provided in Section VI. This includes a confidential information breach, computer security incident, or suspected breach which affects or includes any Confidential Data or State of New Hampshire systems that connect to the State of New Hampshire network.

15. Contractor must restrict access to the Confidential Data obtained under this Contract to only those authorized End Users who need such Confidential Data to perform their official duties in connection with purposes identified in this Contract.

16. The Contractor must ensure that all End Users:

    a. comply with such safeguards as referenced in Section IV A. above, implemented to protect Confidential Information that is furnished by DHHS under this Contract from loss, theft or inadvertent disclosure.

    b. safeguard this information at all times.

    c. ensure that laptops and other electronic devices/media containing PHI, PI, or PFI are encrypted and password-protected.

    d. send emails containing Confidential Information only if encrypted and being sent to and being received by email addresses of persons authorized to receive such information.

    e. limit disclosure of the Confidential Information to the extent permitted by law.

    f. Confidential Information received under this Contract and individually identifiable Confidential Data, must be stored in an area that is physically and technologically secure from access by unauthorized persons during duty hours as well as non-duty hours (e.g., door locks, card keys, biometric identifiers, etc.).

    g. only authorized End Users may transmit the Confidential Data, and in all cases, such Confidential Data must be encrypted at all times when in transit, at rest, or when stored on portable media as required in section IV above.

    h. in all other instances Confidential Data must be maintained, used and disclosed using appropriate safeguards, as determined by a risk-based assessment of the circumstances involved.

    i. understand that their user credentials (user name and password) must not be shared with anyone. End Users will keep their credential information secure.

This applies to credentials used to access the site directly or indirectly through a third party application.

Contractor is responsible for oversight and compliance of their End Users. DHHS reserves the right to conduct onsite inspections to monitor compliance with this Contract, including the privacy and security requirements provided in herein, HIPAA, and other applicable laws and Federal regulations until such time the Confidential Data is disposed of in accordance with this Contract.

## V. LOSS REPORTING

A. The Contractor must notify NH DHHS Information Security via the email address provided in this Exhibit, of any known or suspected Incidents or Breaches immediately after the Contractor has determined that the aforementioned has occurred and that Confidential Data may have been exposed or compromised.

1. Parties acknowledge and agree that unless notice to the contrary is provided by DHHS in its sole discretion to Contractor, this Section V.A.1 constitutes notice by Contractor to DHHS of the ongoing existence and occurrence or attempts of Unsuccessful Security Incidents for which no additional notice to DHHS shall be required. "Unsuccessful Security Incidents" means, without limitation, pings and other broadcast attacks on Contractor's firewalls, port scans, unsuccessful log-on attempts, denial of service attacks, and any combination of the above, so long as no such incident results in unauthorized access, use or disclosure of Confidential Data.

B. Per the terms of this Exhibit the Contractor's and End User's security incident and breach response procedures must address how the Contractor will:

1. Identify incidents;
2. Determine if Confidential Data is involved in incidents;
3. Report suspected or confirmed incidents to DHHS as required in this Exhibit. DHHS will provide the Contractor with a NH DHHS Business Associate Incident Risk Assessment Report for completion.
4. Within 24 hours of initial notification to DHHS, email a completed NH DHHS Business Associate Incident Risk Assessment Preliminary Report to the DHHS' Information Security Office at the email address provided herein;
5. Identify and convene a core response group to determine the risk level of incidents and determine risk-based responses to incidents and mitigation measures, prepare to include DHHS in the incident response calls throughout the incident response investigation;

6. Identify incident/breach notification method and timing;

7. Within one business week of the conclusion of the Incident/Breach response investigation a final written Incident Response Report and Mitigation Plan is submitted to DHHS Information Security Office at the email address provided herein;

8. Address and report incidents and/or Breaches that implicate personal information (PI) to DHHS in accordance with NH RSA 359-C:20 and this Agreement;

9. Address and report incidents and/or Breaches per the HIPAA Breach Notification Rule, and the Federal Trade Commission's Health Breach Notification Rule 16 CFR Part 318 and this Agreement.

10. Comply with all applicable state and federal suspected or known Confidential Data loss obligations and procedures.

C. All legal notifications required as a result of a breach of Confidential Data, or potential breach, collected pursuant to this Contract shall be coordinated with the State if caused by the Contractor. The Contractor shall ensure that any subcontractors used by the Contractor shall similarly notify the State of a Breach, or potential Breach immediately upon discovery, shall make a full disclosure, including providing the State with all available information, and shall cooperate fully with the State, as defined above.

# EXHIBIT B – Amendment #2

## Scope of Services

### 1. Provisions Applicable to All Services

1.1. The Contractor must operate a Community Mental Health Center (CMHC) that provides services intended to promote recovery from mental illness for eligible individuals in the State of New Hampshire for Region 9.

1.2. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the Services described herein, the Department has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

1.3. Prior to termination of this contract the parties will agree on a plan for transition and destruction of data in accordance with Exhibit K.

1.4. The Contractor must provide individualized, recovery-based services and supports in the manner that best allows individuals to stay within their home and community, including, but not limited to providing current treatment and recovery options that are based on scientific research and evidence-based practices (EBPs).

1.5. The Contractor acknowledges the requirements of the Community Mental Health Agreement (CMHA) and must demonstrate progress toward meeting the following terms in the CMHA: 1.) Assertive Community Treatment Teams; 2.) Evidence-Based Supported Employment; 3.) Transition planning for individuals at New Hampshire Hospital and Glencliff Home; and 4.) Supported Housing. Further, the Contractor must participate in annual Quality Service Reviews (QSR) conducted under the terms of the CMHA.

1.6. The Contractor must enter into a capitation model for CMHC services or a PMPM or PPS model if certified as a CCBHC by contracting with all NH Medicaid Managed Care Organizations to support the delivery and coordination of behavioral health services and supports for children, youth, transition-aged youth, young adults, and adults.

1.7. The Contractor must support the integration of physical and behavioral health as a standard of practice, implementing the Substance Abuse and Mental Health Services Administration's (SAMHSA) Six Levels of Collaboration/Integration to the maximum extent feasible.

1.8. The Contractor must ensure that clinical standards and operating procedures are consistent with trauma-informed models of care, as defined by SAMHSA. The clinical standards and operating procedures must reflect a focus on wellness, recovery, and resiliency.

1.9. The Contractor must engage in ongoing implementation, service improvements, and expansion efforts associated with New Hampshire's 10 Year Mental Health Plan, as contracted.

1.10. For the purposes of this agreement, all references to days shall mean business days unless otherwise specified.

1.11. The Contractor must provide individuals and caregivers the opportunity for feedback and leadership within the agency to help improve services in a person-centered manner when applicable and appropriate.

1.12. The Contractor must hire and maintain staffing in accordance with New Hampshire Administrative Rule He-M 403 or as amended.

**2. System of Care for Children's Mental Health**

2.1. The Contractor must collaborate with the Department on the implementation of NH RSA 135-F, System of Care for Children's Mental Health.

2.2. The Contractor must provide services for children, youth, and young adults with serious emotional disturbance (SED) in a manner that aligns with NH RSA 135-F. The Contractor must ensure services are:

2.2.1. Family Driven – services and supports provided in a manner that best meets the needs of the family and the family goals;

2.2.2. Youth Driven – services and supports provided in a manner that best meets the needs of the child, youth, or young adult; and supports their goals;

2.2.3. Community Based – services and supports provided in a manner that best allow children, youth, and young adults to stay within their home and community;

2.2.4. Cultural and Linguistic Competent – services provided in a manner that honors a child, youth, or young adult and their family-identified culture, beliefs, ethnicity, preferred language, gender identity, gender expression, and sexual orientation; and

2.2.5. Trauma-informed.

2.3. The Contractor must collaborate with the Care Management entities providing FAST Forward, Transitional Enhanced Care Coordination (TrECC), and Early Childhood Wraparound (ECW) programing, ensuring services are available for all children and youth enrolled in the programs.

2.4. The Contractor must make referrals to the FAST Forward or ECW programs for any child, youth, or young adult that may be eligible including, but not limited to, children, youth, or young adults who:

2.4.1. Have multisystem involvement;

2.4.2. Are at risk for out-of-home treatment;

2.4.3. Have exhausted community-based services, and/or

2.4.4. Have been psychiatrically hospitalized.

**3. Modular Approach to Therapy for Children with Anxiety, Depression, Trauma, or Conduct Problems (MATCH-ADTC)**

3.1. The Contractor must maintain appropriate levels of certification through an agreement with The Baker Center for Children and Families, through a contract with the Children's Behavioral Health Resource Center.

3.2. The Contractor must maintain use of the Baker Center for Children and Families CHART system, maintained through a contract with the Children's Behavioral Health Resource Center, to support each case with MATCH-ADTC as the identified treatment modality.

3.3. The Contractor must ensure new, current, and incoming staff are utilizing the evidence-based practice of MATCH-ADTC with 30%-60% of Individuals whose needs are clinically appropriate for evidence-based practice.

3.4. The Contractor must invoice Bureau for Children's Behavioral Health (BCBH) through invoicing process outlined for:

3.4.1. The costs for both the certification of incoming therapists and the recertification of existing clinical staff (up to 10 staff) must not exceed the budgeted amount; and

3.4.2. The full cost of the annual fees paid to the Baker Center for Children and Families for the use of their CHART system to support MATCH-ADTC.

**4. Rehabilitation for Empowerment, Education, and Work ("RENEW") Sustainability**

4.1. The Contractor must provide the RENEW intervention with fidelity to transition-aged youth who qualify for state-supported community mental health services in accordance with the University of New Hampshire (UNH) - Institute on Disability (IOD) model.

4.2. The Contractor must ensure RENEW coordinators demonstrate their alignment to and competency in the RENEW model by reaching a score of 80% or higher in domains 1-3 on the RENEW Integrity Tool (RIT) and utilize tools as trained for the practice with the individuals.

4.3. The Contractor must obtain support and coaching as needed from the IOD at UNH to improve the competencies of implementation team members and agency coaches.

**5. Division for Children, Youth and Families (DCYF)**

5.1. The Contractor must provide mental health consultation to staff at the DCYF District Offices related to mental health assessments and/or ongoing treatment for children served by DCYF.

5.2. The Contractor must provide Foster Care Mental Health Assessments for children and youth younger than eighteen (18) years of age who are entering foster care.

**6. Crisis Services**

6.1. If the Contractor has, or enters into, an agreement with a hospital to provide crisis services to eligible individuals, or presumed eligible in the ED, for Medicaid services, the Contractor may bill Medicaid according to fee schedules or Managed Care Organizations (MCO) contracts for services rendered.

6.2. The Contactor must ensure Crisis services provided to eligible or presumed eligible individuals in EDs as part of a contract, other agreement, or other collaborative relationship must not be:

6.2.1. Provided by a CMHC employee whose salary and wages are funded under the contract for Rapid Response.

6.2.2. Included in Rapid Response reporting or data related to Rapid Response.

6.2.3. Routed or otherwise directed through the New Hampshire Rapid Response Access Point (NHRRAP or "Access Point") for dispatch or deployment.

6.3. The Contractor must document crisis services delivered in the ED setting as part of its required submissions to the Department's Phoenix system as described in Section 22, Data Reporting, in a format, and with content, completeness, and timelines specified by the Department, ensuring documented information includes screenings performed, diagnosis codes, and referrals made.

6.4. The Contractor must provide documentation of each collaborative relationship with acute care hospitals in its region, at the request of the Department.

6.5. The Contractor must provide emergency services as defined in NH Administrative Rule He-M 403 and NH Administrative Rule He-M 426.

6.6. As part of the crisis resolution, the Contractor must screen each individual 18 years or older for Assertive Community Treatment (ACT). If clinically appropriate, the Contractor must:

6.6.1. Refer the individual for an expedited ACT assessment and/or intake and treatment upon discharge; or

6.6.2. Inform the appropriate CMHC in order to expedite the ACT assessment and/or intake and treatment upon discharge from ED or inpatient

psychiatric or medical care setting, if the individual resides in a region other than the region in which the individual is receiving crisis services.

6.7. The Contractor must not refer an individual for hospitalization at New Hampshire Hospital (NHH) or Hampstead Hospital Residential Treatment Facility (HHRTF) unless the Contractor has determined that NHH or HHRTF is the least restrictive setting in which the individual's immediate psychiatric treatment needs can be met. The Contractor must:

6.7.1. Make all reasonable efforts to ensure no other clinically appropriate bed is available at any other NH inpatient psychiatric unit, Designated Receiving Facility (DRF), Adult Psychiatric Residential Treatment Program (APRTP), Youth Psychiatric Residential Treatment Facility, or other step-up/step-down beds prior to referring an individual to NHH

6.8. The Contractor must provide services to individuals experiencing a psychiatric and/or substance use related crisis through a Rapid Response Team consisting of two (2) specialty-trained crisis responders dispatched by the Access Point, unless responding to sites in accordance with Section 6.28.2.

6.9. The Contractor must ensure Rapid Response Teams meet the two (2) team member minimum, which may include any of the following:

6.9.1. Peer support specialists.

6.9.2. Bachelor's level provider.

6.9.3. Other Rapid Response crisis trained provider.

6.9.4. Master's level provider.

6.10. The Contractor must ensure the availability of a master's level provider, if not a part of the deployed Rapid Response Team, either virtually via videoconferencing or in person to conduct face-to-face assessments.

6.11. The Contractor must ensure Rapid Response Teams have access to on-call psychiatry as needed or clinically appropriate for:

6.11.1. Case consultation;

6.11.2. Emergency medication management, as determined by the prescriber;

6.11.3. Telehealth or video evaluation; and

6.11.4. Conditional Discharge Revocation Process.

6.12. The Contractor must ensure all staff have the necessary qualifications as defined under New Hampshire Administrative Rule He-M Chapter 400, Community Mental Health, Parts 403 and 426.

6.13. The Contractor must work in tandem with the designated vendor providing services through the Access Point contract as approved by the Governor and Executive Council.

6.14. The Contractor must maintain a current Memorandum of Understanding with the Access Point, which provides the Rapid Response Teams information regarding the nature of the crisis, through electronic communication, that includes, but is not limited to:

6.14.1. The location of the crisis.

6.14.2. The safety plan either developed over the phone or on record from prior contact(s).

6.14.3. Any accommodations needed.

6.14.4. Treatment history of the individual, if known.

9.5.6.6. A summary of the CTI Intervention.

9.6. CTI Program Inactive, Reactivated, and Closed Statuses

9.6.1. The Contractor must maintain the following criteria and procedures related to an individual's inactive, reactivated and closed statuses:

9.6.1.1. <u>Inactive Status</u>

9.6.1.1.1. If the CTI Coach makes contact with the individual at least once post discharge, but no engagement, defined as at least two (2) attempts by phone or in-person per week, for three (3) weeks occurs, the individual must be considered inactive.

9.6.1.1.2. The CTI Coach must notify the CTI Supervisor, and update the EHR to indicate the inactive status, based on the Contractor's documentation requirements and/or procedures.

9.6.1.1.3. The CTI Supervisor must:

9.6.1.1.3.1. Move the individual to an inactive roster maintained

in a location determined by the Contractor;

9.6.1.1.3.2. Conduct outreach to the individual at least once per month for nine (9) months, and close the case at the completion of nine (9) months, defined as from the day of initial discharge; and

9.6.1.1.3.3. Note the individual did not complete the program in the EHR.

9.6.1.2. Reactivated Status

9.6.1.2.1. An individual must be considered reactivated after attending one (1) re-engagement meeting in which the Phase Plan is confirmed to be appropriate and/or updated.

9.6.1.2.2. Once the individual is reactivated, the CTI Supervisor must reassign the individual to the original CTI Coach, if available, or a new CTI Coach, as requested by the individual.

9.6.1.2.3. The reactivated individual must continue the CTI program according to the initial nine (9) month timeline based on their date of discharge.

9.6.1.2.4. The CTI Coach must update the status in the EHR based on the Contractor's documentation requirements and/or procedures.

9.6.1.2.5. The individual must be closed at the completion of nine (9) months and shall be considered having completed and graduated from the program if they receive:

9.6.1.2.5.1. A minimum of two (2) visits by their CTI Coach,

including confirmation that the Phase Plan is appropriate and/ or updated; and

9.6.1.2.5.2. A closing meeting in accordance with the CACTI fidelity self-assessment.

9.6.1.3. Closed Status

9.6.1.3.1. An individual must be considered closed if the individual:

9.6.1.3.1.1. Moved out of state, or the catchment area;

9.6.1.3.1.2. Passed away;

9.6.1.3.1.3. Is hospitalized for an extended period of time as determined by the Contractor;

9.6.1.3.1.4. Transferred to Assertive Community Treatment (ACT) services,

9.6.1.3.1.5. Is incarcerated; or

9.6.1.3.1.6. Has not had contact after discharge for three (3) weeks, including a minimum of two (2) outreaches per week, and receives a notification letter or is otherwise notified according to the Contractor's closing policy.

9.6.1.3.2. The CTI Coach must update the EHR to indicate the closed status.

9.6.1.3.3. The CTI Supervisor must remove the individual from the CTI Coach's caseload.

9.6.1.3.4. If the individual becomes eligible for CTI again, the Contractor must ensure they are allowed to receive the service.

9.7. CTI Supervisory Scope of Work

9.7.1. The Contractor must ensure the CTI Supervisor conducts weekly team meetings with CTI workers.

9.7.2. The CTI Supervisor conducts a monthly caseload review with CTI team either during the team supervisor meetings or in a separate meeting.

9.7.3. The Contractor must ensure the CTI Supervisor conducts bi-weekly one-on-one supervision with CTI workers. The Contractor must ensure one-on-one supervision outcomes are documented on the CTI Team Supervision form contained within the CTI Manual provided to the Contractor by the Department, and includes:

9.7.3.1. Bi-weekly documentation on required forms that include the:

9.7.3.1.1. Weighted caseload tracker;

9.7.3.1.2. Phase date form; and

9.7.3.1.3. CTI Team Supervision form; and

9.7.3.2. CTI worker's fidelity efforts; and

9.7.3.3. CTI worker's barriers to securing community services and supports for CTI participants.

9.7.4. The Contractor must ensure the CTI Supervisor or another CTI staff acting as the covering CTI Supervisor participates in duties within the scope of CTI that align with the goals of Department. These other duties may include, but are not limited to:

9.7.4.1. New Hampshire Hospital (NHH) Liaison

9.7.4.2. Designated Receiving Facility (DRF)

9.7.4.3. Crisis-related meeting representation and support.

9.7.5. The Contractor must ensure all CTI workers take the CTI Implementation Fidelity Self-Assessment on a quarterly basis as requested by the Department.

9.8. CTI Flexible Needs

9.8.1. When no other payer is available, the Contractor must offer short-term financial relief related to barriers to services on behalf of

individuals they serve, which may include but are not limited to:

9.8.1.1. Groceries.

9.8.1.2. Transportation.

9.8.1.3. Childcare.

9.8.1.4. Short-term housing costs, including, but not limited to, security deposits or utility bills.

9.8.1.5. Clothing appropriate for cold weather, job interviews, or work.

9.8.1.6. Other uses pre-approved in writing by the Department.

9.9. CTI Staffing

9.9.1. The Contractor must ensure staffing requirements for staff include at minimum, but are not limited to:

9.9.1.1. CTI Workers hold a bachelor's degree or associate degree with two (2) years of relevant work experience to include but not limited to CMHC experience, work in mental health, peer support, and/or substance-related fields; or as otherwise approved by the Bureau of Mental Health Services.

9.9.1.2. CTI Supervisors hold a master's degree or bachelor's Degree with at least six (6) months of CTI experience, one (1) year of CMHC experience, work in mental health, peer support, and/or substance-related fields, and working under the clinical supervision of a Master's level clinician; or as otherwise approved by the Bureau of Mental Health Services.

9.9.1.3. Four (4) Full Time Equivalent (FTE) level CTI Workers, each of whom maintain and manage no more than 20 individuals concurrently, unless otherwise approved by the Department.

9.9.1.4. One (1) 0.5 FTE CTI Supervisor.

9.9.2. The Contractor must ensure all CTI staff:

9.9.2.1. Complete the CTI model training;

9.9.2.2. Attend CTI Team meeting; and

9.9.2.3. Attend Community of Practice (CoP) meetings.

9.9.3. The Contractor must participate in training and skill deployment, as requested by the Department, which includes:

9.9.3.1. A one (1) day CTI worker training;

9.9.3.2. A one (1) day CTI supervisor training;

9.9.3.3. Assist in co-facilitating CTI staff training;

9.9.3.4. CTI Team Lead & Supervisor Cohort Meeting; and

9.9.3.5. Complementary trainings to CTI staff.

**10. Coordination of Care from Residential or Psychiatric Treatment Facilities**

10.1. The Contractor must designate a member of its staff to serve as the primary liaison to New Hampshire Hospital (NHH) and/ or Hampstead Hospital Residential Treatment Facility (HHRTF) who works with the applicable NHH & HHRTF staff, payer(s), guardian(s), other community service providers, and the applicable individual, to assist with coordinating the seamless transition of care for individuals transitioning from NHH and HHRTF to community based services or transitioning to NHH from the community.

10.2. The Contractor may designate a different liaison for individuals being served through their children's services.

10.3. The Contractor must not close the case of any individual who is admitted to NHH. Notwithstanding, the Contractor must be deemed to be in compliance with all NH Administrative He-M Chapter 400 rules regarding, Clinical Records rules regarding documentation if it is noted in the record that the individual is an inpatient at NHH or another treatment facility. All documentation requirements as per He-M Chapter 400 will be required to resume upon re-engagement of services following the individual's discharge from inpatient care.

10.4. The Contractor must participate in transitional and discharge planning within 24 hours of notification of admission to an inpatient facility.

10.5. The Contractor must work with the Department, payers and guardians (if applicable) to review cases of individuals that NHH, HHRTF, Transitional Housing, or alternative treatment facility or the Contractor, have indicated will have difficulty returning to the community to identify barriers to discharge, and to develop an appropriate plan to transition into the community.

10.6. The Contractor must make a face-to-face appointment available to an individual leaving NHH, HHRTF, Transitional Housing or alternative residential setting who desires to reside in the region served by the Contractor within seven (7) calendar days of receipt of notification of the individual's discharge, or within seven (7) calendar days of the individual's discharge, whichever is later.

10.7. The Contractor must ensure individuals who are discharged and are new to a CMHC have an offer of intake appointment within seven (7) calendar days.

If the individual declines to accept the appointment, declines services, or requests an appointment to be scheduled beyond the seven (7) calendar days, the Contractor may accommodate the individual's request provided the accommodation is clinically appropriate, and does not violate the terms of a conditional discharge. The Contractor's Adult ACT Team must see individuals who are on the ACT caseload and transitioning from NHH into the community within 24 hours of NHH discharge.

10.8. The Contractor must make all reasonable efforts to ensure that no appropriate bed is available at any other inpatient psychiatric unit; Designated Receiving Facility (DRF) per NH RSA 135-C and NH Administrative Rule He-M 405, Designation of Receiving Facilities; Peer Support Recovery Center; or Adult Psychiatric Residential Treatment Program (APRTP) prior to referring an individual to NHH.

10.9. The Contractor must collaborate with NHH to develop and execute appropriate conditional discharges from NHH in order to ensure that individuals receive treatment in the least restrictive environment.

10.10. The Contractor must have staff members available to receive, evaluate, and treat individuals discharged from NHH and HHRTF seven (7) calendar days per week, consistent with the provisions in NH Administrative Rule He-M 403 and NH Administrative Rule He-M 426.

10.11. For individuals at NHH who formerly resided in the Contractor's designated community mental health region prior to NHH admission, who have been identified for transition planning to the Glencliff Home, the Contractor must, at the request of the individual or guardian, or of NHH or Glencliff Home staff, participate in transition planning to determine if the individual can be supported in the Contractor's region with community based services and supports instead of transitioning to the Glencliff Home. In the event the individual would require supports from multiple funding sources or the Department's systems of care, the Contractor must collaborate with additional Department staff at NHH's request, to address any barriers to discharge the individual to the community.

**11. Coordinated Care and Integrated Treatment**

11.1. Primary Care

12.1.1. The Contractor must request written consent from each individual to allow the designated primary care provider to release information for the purpose of coordinating care regarding mental health services or substance misuse services or both.

12.1.2. The Contractor must support each individual with linking to an available primary care provider, if the individual does not have an identified primary care provider, to:

12.1.2.1. Monitor health;

12.1.2.2. Provide medical treatment as necessary; and

12.1.2.3. Engage in preventive health screenings.

12.1.3. The Contractor must consult with each primary care provider at least annually, or as necessary, to integrate care between mental and physical health for each individual, which may include the exchange of pertinent information including, but not limited to medication changes or changes in the individual's medical condition.

12.1.4. The Contractor must document on the release of information form the reason(s) written consent to release information was refused in the event an individual refuses to provide consent to release information.

11.2. Substance Misuse Treatment, Care and/or Referral

11.2.1. The Contractor must provide services and meet requirements to address substance misuse and to support recovery intervention implementation, which include, but are not limited to:

11.2.1.1. Screening no less than 95% of eligible individuals for substance misuse at the time of intake, and annually thereafter.

11.2.1.2. Conducting a full assessment for substance misuse disorder and associated impairments for each individual that screens positive for substance use.

11.2.1.3. Developing an individualized service plan for each eligible individual based on information from substance misuse screening

11.2.2. The Contractor must utilize the SAMSHA evidence-based models for Co-Occurring Disorders Treatment to develop treatment plans with individuals and to provide an array of evidence-based interventions that enhance recovery for individuals and follow the fidelity standards to such a model.

11.2.3. The Contractor must make all appropriate referrals if the individual requires additional substance use disorder care utilizing the current New Hampshire system of care, and ensuring linkage to and coordination with resources.

11.3. Peer Supports

11.3.1. The Contractor must actively promote recovery principles and integrate peers throughout the agency, which includes, but is not limited to:

Initial BH

11.3.1.1. Employing individuals with mental health lived experience as integrated members of the CMHC treatment team(s) in the role of certified peer support specialist with the ability to deliver one-on-one face-to-face interventions that facilitate the development and use of recovery-based goals and care plans and explore treatment engagement and connections with natural supports.

11.3.1.2. Establishing referral and resource relationships with the local Peer Support Agencies, including any Peer Respite, Recovery Oriented Step-up/Step-down programs, and Clubhouse Centers and promote the availability of these services.

11.3.2. The Contractor must submit a peer support staff tracking document, as supplied by or otherwise approved by the Department as requested.

11.4. Transition of Care with MCO's

11.4.1. The Contractor must ensure ongoing coordination occurs with the MCO Care Managers to support care coordination among and between services providers.

**12. Deaf Services**

12.1. The Contractor must work with the Deaf Services Team, employed by Region 6, for all individuals seeking services who would benefit from receiving treatment in American Sign Language (ASL) or from staff who are specially trained to work with the deaf and hard of hearing population.

12.2. The Contractor must work with the Deaf Services Team in Region 6 for disposition and treatment planning, as appropriate.

12.3. The Contractor must ensure treatment plans take the importance of access to culturally and linguistically appropriate services on treatment outcomes into consideration.

12.4. The Contractor must ensure services are person-directed, which may result in:

12.4.1. Individuals being seen only by the Deaf Services Team through CMHC Region 6;

12.4.2. Care being shared across the regions; or

12.4.3. The individual's local CMHC providing care after consultation with the Deaf Services Team.

**13. CANS/ANSA or Other Approved Assessment**

13.1. The Contractor must ensure all clinicians, with the exception of Rapid Response staff, providing community mental health services to individuals eligible for services in accordance with NH Administrative Rule He-M 426, Community Mental Health Services, are certified in the use of:

13.1.1. The New Hampshire version of the Child and Adolescent Needs and Strengths Assessment (CANS) if serving the child and youth population; and

13.1.2. The New Hampshire version of the Adult Needs and Strengths Assessment (ANSA), or other approved evidence- based tool, if serving the adult population.

13.2. The Contractor must ensure clinicians maintain certification through successful completion of a certification process provided by the Praed Foundation, annually.

13.3. The Contractor must ensure ratings generated by the New Hampshire version of the CANS or ANSA assessment are:

13.3.1. Utilized to develop an individualized, person-centered treatment plan;

13.3.2. Utilized to document and review progress toward goals and objectives and to assess continued need for community mental health services;

13.3.3. Submitted to the database managed for the Department that allows client-level, regional, and statewide outcome reporting by the 15th of every month, in CANS/ANSA format; and

13.3.4. Employed to assist in determining eligibility for State Psychiatric Rehabilitation services.

13.4. The Contractor must complete documentation of re-assessments using the New Hampshire version of the CANS or ANSA 2.0 in accordance with NH Administrative Rule He-M 401 for eligibility determination and in accordance with NH Administrative Rule He-M 401 for periodic Individual Service Plan (ISP) reviews.

13.5. The Contractor may use an alternate evidenced based, assessment tool that meets all ANSA 2.0 domains, subject to written Department approval. There is no alternate assessment tool allowed for the use of CANS. If an alternative tool is approved, monthly reporting of data generated by the Contractor must be in ANSA 2.0 format, to enable client-level, regional and statewide reporting.

13.6. The Contractor must consult with the Medicaid Managed Care Organizations (MCO) to develop and implement a process that meets the MCOs' need to measure program effectiveness.

13.7. The Contractor must correct all errors or complete all system corrections to ensure data is submitted in its entirety and completeness no later than six (6)

months from contract effective date. Failure to complete all correction may result in withholding of funds until all corrections are completed.

**14. Pre-Admission Screening and Resident Review**

14.1. The Contractor must assist the Department with Pre-Admission Screening and Resident Review (PASRR) to meet the requirements of the PASRR provisions of the Omnibus Budget Reconciliation Act of 1987.

14.2. Upon request by the Department, the Contractor must:

14.2.1. Provide the information necessary to determine the existence of mental illness in a nursing facility applicant or resident; and

14.2.2. Conduct evaluations and examinations needed to provide the data to determine if an individual being screened or reviewed:

14.2.2.1. Requires nursing facility care; and

14.2.2.2. Has active treatment needs.

**15. Application for Other Services**

15.1. The Contractor must assist eligible individuals in accordance with NH Administrative Rule He-M 401, with completing applications for all sources of financial, medical, and housing assistance, according to their respective rules, requirements and filing deadlines. The Contractor must assist with applications that may include, but are not limited to:

15.1.1. Medicaid.

15.1.2. Medicare.

15.1.3. Social Security Disability Income.

15.1.4. Veterans Benefits.

15.1.5. Public Housing.

15.1.6. Section 8 Subsidies.

15.1.7. Child Care Scholarship.

**16. Community Mental Health Program (CMHP) Status**

16.1. The Contractor must meet the approval requirements of NH Administrative Rule He-M 403 as a governmental or non-governmental non-profit agency, or the contract requirement of NH RSA 135-C:3 as an individual, partnership, association, public or private, for profit or nonprofit, agency or corporation to provide services in the state mental health services system.

16.2. The Contractor must provide all applicable documentation, policies and procedures, and must participate in an onsite compliance review, as requested by the Department, to determine compliance with NH Administrative Rule He-

M 403 and NH RSA 135-C:3. Compliance reviews will be at times to be determined by the Department, and will occur no less than once every five (5) years.

**17. Quality Improvement**

17.1. The Contractor must perform, or cooperate with the coordination, organization, and all activities to support the performance of quality improvement and/or utilization review activities, determined to be necessary and appropriate by the Department within timeframes reasonably specified by the Department.

17.2. The Contractor must develop a comprehensive plan for quality improvement detailing areas of focus for systematic improvements based on data, performance, or other identified measures where standards are below the expected value. The Contractor must ensure:

17.2.1. The plan is based on models available by the American Society for Quality, Agency for Healthcare Research and Quality, Institute for Healthcare Improvement, or others.

17.3. The Contractor must comply with the Department-conducted NH Community Mental Health Center Client Satisfaction Survey. The Contractor must:

17.3.1. Submit all required information in a format provided by the Department or contracted vendor.

17.3.2. Provide complete client data as requested with current client contact information to the Department so that individuals may be contacted to participate in the survey. and

17.3.3. Support all efforts of the Department to conduct the survey including having two staff members attending the bimonthly CMHC Survey Workgroup (one from adult programming and one from children's programming, this staff person can be direct care staff or QA/QI staff).

17.4. The Contractor must promote survey participation for individuals who are sampled to participate; and

17.5. The Contractor must display informational posters and share any other materials provided by the Department to explain the survey and support efforts by the Department to increase participation in the survey.

17.6. The Contractor must review the data and findings from the NH Community Mental Health Center Client Satisfaction Survey Report. Report findings, or recommendations made by the CMHC Survey Workgroup must be incorporated into the Quality Improvement Plan goals.

17.7. The Contractor must engage and comply with all aspects of Fidelity Reviews and Assessments based on a model approved by the Department and on a schedule approved by the Department.

**18. Maintenance of Fiscal Integrity**

18.1. The Contractor must submit the following financial statements to the Department on a monthly basis, no later than thirty (30) calendar days after the end of each month:

18.1.1. Balance Sheet for the Contractor's entire organization including all related parties.

18.1.2. Year-to-date Profit and Loss Statement for the Contractor's entire organization that includes, for all related parties:

18.1.2.1. All revenue sources and expenditures; and

18.1.2.2. A budget column allowing for budget to actual analysis.

18.1.3. Year-to-date Profit and Loss Statement for the Program funded under this Agreement that includes:

18.1.3.1. All revenue sources and all related expenditures for the Program; and

18.1.3.2. A budget column allowing for budget to actual analysis.

18.1.4. Year-to-date Cash Flow Statement for the Contractor's entire organization including all related parties.

18.2. The Contractor must ensure all financial statements are prepared based on the accrual method of accounting and include all the Contractor's total revenues and expenditures, whether or not generated by or resulting from funds provided pursuant to this Agreement.

18.3. The Contractor's fiscal integrity will be evaluated by the Department using the following Formulas and Performance Standards:

18.3.1. Days of Cash on Hand:

18.3.1.1. Definition: The days of operating expenses that can be covered by the unrestricted cash on hand.

18.3.1.2. Formula: Cash, cash equivalents and short-term investments divided by total operating expenditures, less depreciation/amortization and in-kind plus principal payments on debt divided by days in the reporting period. The short-term investments as used above must mature within three (3) months and should not include common stock.

18.3.1.3. Performance Standard: The Contractor must have enough cash and cash equivalents to cover expenditures for a minimum of thirty (30) calendar days with no variance allowed.

18.3.2. Current Ratio:

18.3.2.1. Definition: A measure of the Contractor's total current assets available to cover the cost of current liabilities.

18.3.2.2. Formula: Total current assets divided by total current liabilities.

18.3.2.3. Performance Standard: The Contractor must maintain a minimum current ratio of 1.5:1 with 10% variance allowed.

18.3.3. Debt Service Coverage Ratio:

18.3.3.1. Rationale: This ratio illustrates the Contractor's ability to cover the cost of its current portion of its long-term debt.

18.3.3.2. Definition: The ratio of net income to the year to date debt service.

18.3.3.3. Formula: Net Income plus depreciation/amortization expense plus interest expense divided by year to date debt service (principal and interest) over the next twelve (12) months.

18.3.3.4. Source of Data: The Contractor's monthly financial statements identifying current portion of long-term debt payments (principal and interest).

18.3.3.5. Performance Standard: The Contractor must maintain a minimum standard of 1.2:1 with no variance allowed.

18.3.4. Net Assets to Total Assets:

18.3.4.1. Rationale: This ratio is an indication of the Contractor's ability to cover its liabilities.

18.3.4.2. Definition: The ratio of the Contractor's net assets to total assets.

18.3.4.3. Formula: Net assets (total assets less total liabilities) divided by total assets.

18.3.4.4. Source of Data: The Contractor's monthly financial statements.

18.3.4.5. Performance Standard: The Contractor must maintain a minimum ratio of .30:1, with a 20% variance allowed.

18.4. In the event that the Contractor does not meet either:

18.4.1. The Days of Cash on Hand Performance Standard and the Current Ratio Performance Standard for two (2) consecutive months; or Initial BH

18.4.2. Three (3) or more of any of the Performance Standards for one (1) month, or any one (1) Performance Standard for three (3) consecutive months, then the Contractor must:

18.4.2.1. Meet with Department staff to explain the reasons that the Contractor has not met the standards; and/or

18.4.2.2. Submit a comprehensive corrective action plan within 30 calendar days of receipt of notice from the Department.

18.5. The Contractor must update and submit the corrective action plan to the Department, at least every 30 calendar days, until compliance is achieved. The Contractor must:

18.5.1. Provide additional information to ensure continued access to services as requested by the Department and ensure requested information is submitted to the Department in a timeframe agreed upon by both parties.

18.6. The Contractor must inform the Department by phone and by email within five (5) days of when any key Contractor staff learn of any actual or likely litigation, investigation, complaint, claim, or transaction that may reasonably be considered to have a material financial impact on and/or materially impact or impair the ability of the Contractor to perform under this Agreement with the Department.

18.7. The Contractor must provide its Revenue and Expense Budget within twenty (20) calendar days of the contract effective date.

18.8. The Contractor must complete the Fiscal Year Revenue and Expense Budget on a form supplied by the Department, which must include but not be limited to, all the Contractor's cost centers. If the Contractor's cost centers are a combination of several local cost centers, the Contractor must display them separately as long as the cost center code is unchanged.

18.9. The Contractor must provide quarterly Revenue and Expense Reports (Budget Form A), within thirty (30) calendar days after the end of each fiscal quarter, defined as July 1 to September 30, October 1 to December 31, January 1 to March 31, and April 1 to June 30.

**19. Reduction or Suspension of Funding**

19.1. In the event that the State funds designated as the Price Limitation in Form P-37, General Provisions, Block 1.8. of the General Provisions are reduced, suspended, or reallocated, the Department shall provide immediate written notification to the Contractor of such reduction, suspension, or reallocation.

19.1.1. In the event that the reduction or suspension, or reallocation of federal or state funding prevents the Contractor from providing necessary services to individuals, the Department shall initiate the

process to amend the agreement, pursuant to Paragraph 18 of the Form P-37, to modify the service requirements contained herein in collaboration with the Contractor.

19.1.2. Any reductions to services taken by the Contractor and the Department shall prioritize the most critical services, including, but not limited to:

19.1.2.1. Evaluation of and, if eligible, an individual service plan for all new applicants for services.

19.1.2.2. Crisis services for all individuals.

19.1.2.3. Services for individuals who meet the criteria for involuntary admission to a designated receiving facility.

19.1.2.4. Services to individuals who are on a conditional discharge pursuant to RSA 135-C:50 and NH Administrative Rule He-M 609.

**20. Elimination of Programs and Services by Contractor**

20.1. Not including service reductions collaboratively addressed in Section 19. Reduction or Suspension of Funding, the Contractor must provide a minimum of thirty (30) calendar day's written notice prior to any reductions in delivery of services, or notice as soon as known if the Contactor is faced with an urgent need to reduce delivery of services.

20.2. The Contractor and the Department shall collaborate prior to the elimination or reduction of services to address the immediate situation in order to prioritize which services survive the reduction. Should the Contractor and the Department require assistance in their collaborative efforts, the Department may require the Contractor to engage in a non-binding mediation within thirty (30) calendar days by the Commissioner of the Department of Health and Human Services at no cost to the Contractor, to include funding capacity and supplemental resources.

20.3. The Contractor must not redirect funds allocated in the Contractor's budget for the program or service that has been eliminated or substantially reduced to another program or service without the mutual agreement of both parties.

**21. Closed Loop Referral System**

21.1. The Contractor must utilize the Department's closed loop referral system whenever applicable to the services they provide for referrals between health and/or human service providers within New Hampshire for referral management and client care coordination. Utilization includes inputting information and data as necessary into the Department's referral solution as part of the NH Care Connections Network to facilitate referrals to participating

providers, signing required Network Participation Agreement(s), and obtaining a participant specific consent for services.

21.2. The Contractor must utilize the Department's admission, discharge, transfer, and shared care insights solution whenever applicable to the services they provide for client care coordination and management between health providers within New Hampshire. Utilization includes inputting information and data as necessary into the Department's admission, discharge, transfer, and shared care insights platform as part of the NH Care Connections Network to facilitate referrals to participating providers and signing required Participation Agreement(s) for the admission, discharge, transfer, and shared care insights solution.

21.2.1. The Department's contracts with the closed loop referral and admission, discharge, and transfer vendors incorporate the costs of developing and maintaining the standards-based interface from which the Contractor may choose to configure their systems to communicate securely with the Department's NH Care Connections Network solutions. The Contractor may choose to interface with the Department's closed loop referral and/or the admission discharge transfer solution utilizing a Smart on FHIR or HL-7 standard interface process to connect individuals to health and social service providers. The costs for the Contractor system or team to develop or utilize the standard Smart on FHIR or HL-7 based interface are the sole responsibility of the Contractor.

**22. Data Reporting**

22.1. The Contractor must submit any data identified by the Department to comply with federal and/or other reporting requirements and must work with the Department on any additional mutual agreed upon requests.

22.2. The Contractor must submit all required data elements to the Department's Phoenix system in compliance with current Phoenix reporting specifications and transfer protocol provided by the Department.

22.3. The Contractor must submit individual client intake, demographics, payor, diagnostic, referral, location, and other information specified by the Department, and all service encounter and outcome data, including data on both billable and non-billable individual-specific services and rendering staff providers on these encounters, to the Department's Phoenix system, or its successors, in the format, content, completeness, frequency, method and timeliness as specified by the Department. Individual data must include a Medicaid ID number for individuals who are enrolled in Medicaid.

22.4. The Contractor must include client community mental health program eligibility including, but not limited to, SMI as applicable with all Phoenix services in alignment with current reporting specifications.

22.5. The Contractor must initiate any necessary system changes within thirty (30) calendar days to comply with annual Department updates to the Phoenix reporting specification(s). The Department expects updates to be completed within 90 days of notification of the new requirements. If a Contractor is unable to comply, the Contractor must submit a request to the Department for an extension that documents the reasons for non-compliance, and includes a work plan outlining tasks and timelines to ensure compliance.

22.6. The Contractor must meet all the general requirements for the Phoenix system which include, but are not limited to:

22.6.1. Agreeing that all data collected in the Phoenix system is the property of the Department to use as it deems necessary.

22.6.2. Ensuring data files and records are consistent with reporting specification requirements.

22.6.3. Ensuring that errors in data returned to the Contractor are corrected and resubmitted to the Department within ten (10) business days.

22.6.4. Ensuring data is current and updated in the Contractor's systems as required for federal reporting and other reporting requirements and as specified by the Department.

22.6.5. Participating in Departmental efforts for system-wide data quality improvement.

22.6.6. Implementing quality assurance, system, and process review procedures to validate data submitted to the Department to confirm:

22.6.6.1. All data is formatted in accordance with the file specifications;

22.6.6.2. No records will be rejected due to invalid characters or invalid formatting; and

22.6.6.3. The Department's tabular summaries of data submitted by the Contractor match the data in the Contractor's system.

22.7. The Contractor must meet the following standards:

22.7.1. Timeliness: monthly data must be submitted no later than the fifteenth (15th) of each month for the prior month's data unless otherwise approved by the Department, and the Contractor must review the Department's tabular summaries within five (5) business days.

Initial BH

22.7.2. Completeness: submitted data must represent at least ninety-eight percent (98%) of billable services provided, and ninety-eight percent (98%) of individuals served by the Contractor. For fields indicated in the reporting specifications as data elements that must be collected in Contractor systems, 98% must be submitted with valid values other than the unknown value. The Department may adjust this threshold through the exemption process described in Section 28.9.

22.7.3. Accuracy: submitted service and member data must conform to submission requirements for at least ninety-eight percent (98%) of the records, and one hundred percent (100%) of unique member identifiers must be accurate and valid.

22.8. The Contractor must document all interactions with the individual and any community support provider in their EHR.

22.9. The Department may, at its discretion, exempt requirements for timeliness, completeness, and accuracy in Phoenix on a case-by-case basis through a written communication that specifies the items being exempted. In all circumstances:

22.9.1. The exemption length shall not exceed 180 days.

22.9.2. If the Contractor fails to meet exemption standards, the Contractor must submit a corrective action plan to the Department for approval within thirty (30) calendar days of being notified of an issue.

22.9.3. The Contractor must implement the Department-approved corrective action plan.

22.9.4. Failure by the Contractor to implement the correction action plan may require:

22.9.4.1. An additional corrective action plan; or

22.9.4.2. Other remedies as specified by the Department.

**23. Background Checks**

23.1. Prior to permitting any individual to provide services under this Agreement, the Contractor must ensure that said individual has undergone:

23.1.1. A criminal background check, at the Contractor's expense, and has no convictions for crimes that represent evidence of behavior that could endanger individuals served under this Agreement;

23.1.2. A name search of the Department's Bureau of Adult and Aging Services (BAAS) State Registry, pursuant to RSA 161-F:49, with results indicating no evidence of behavior that could endanger individuals served under this Agreement; and

23.1.3. A name search of the Department's Division for Children, Youth and Families (DCYF) Central Registry pursuant to RSA 169-C:35, with results indicating no evidence of behavior that could endanger individuals served under this Agreement.

**24. Confidential Data**

24.1. The Contractor must meet all information security and privacy requirements as set by the Department and in accordance with the Department's Information Security Requirements Exhibit as referenced below.

24.2. The Contractor must ensure any individuals involved in delivering services through this Agreement contract sign an attestation agreeing to access, view, store, and discuss Confidential Data in accordance with federal and state laws and regulations and the Department's Information Security Requirements Exhibit. The Contractor must ensure said individuals have a justifiable business need to access confidential data. The Contractor must provide attestations upon Department request.

**25. Privacy Impact Assessment**

25.1. Upon request, the Contractor must allow and assist the Department in conducting a Privacy Impact Assessment (PIA) of its system(s)/application(s)/web portal(s)/website(s) or Department system(s)/application(s)/web portal(s)/website(s) hosted by the Contractor, if Personally Identifiable Information (PII) is collected, used, accessed, shared, or stored. To conduct the PIA the Contractor must provide the Department access to applicable systems and documentation sufficient to allow the Department to assess, at minimum, the following:

25.1.1. How PII is gathered and stored;

25.1.2. Who will have access to PII;

25.1.3. How PII will be used in the system;

25.1.4. How individual consent will be achieved and revoked; and

25.1.5. Privacy practices.

25.2. The Department may conduct follow-up PIAs in the event there are either significant process changes or new technologies impacting the collection, processing or storage of PII.

**26. Department Owned Devices, Systems and Network Usage**

26.1. If Contractor End Users, defined in the Department's Information Security Requirements Exhibit that is incorporated into this Agreement, are authorized by the Department's Information Security Office to use a Department issued device (including, but not limited to, computer, tablet, mobile telephone) or

access the Department network in the fulfilment of this Agreement, each End User must:

26.1.1. Sign and abide by applicable Department and New Hampshire Department of Information Technology (NH DoIT) use agreements, policies, standards, procedures and guidelines, and complete applicable trainings as required;

26.1.2. Use the information that they have permission to access solely for conducting official Department business and agree that all other use or access is strictly forbidden including, but not limited, to personal or other private and non-Department use, and that at no time shall they access or attempt to access information without having the express authority of the Department to do so;

26.1.3. Not access or attempt to access information in a manner inconsistent with the approved policies, procedures, and/or agreement relating to system entry/access;

26.1.4. Not copy, share, distribute, sub-license, modify, reverse engineer, rent, or sell software licensed, developed, or being evaluated by the Department, and at all times must use utmost care to protect and keep such software strictly confidential in accordance with the license or any other agreement executed by the Department;

26.1.5. Only use equipment, software, or subscription(s) authorized by the Department's Information Security Office or designee;

26.1.6. Not install non-standard software on any Department equipment unless authorized by the Department's Information Security Office or designee;

26.1.7. Agree that email and other electronic communication messages created, sent, and received on a Department-issued email system are the property of the Department of New Hampshire and to be used for business purposes only. Email is defined as "internal email systems" or "Department-funded email systems."

26.1.8. Agree that use of email must follow Department and NH DoIT policies, standards, and/or guidelines; and

26.1.9. Agree when utilizing the Department's email system:

26.1.9.1. To only use a Department email address assigned to them with a "@ affiliate.DHHS.NH.Gov".

26.1.9.2. Include in the signature lines information identifying the End User as a non-Department workforce member; and

26.1.9.3. Ensure the following confidentiality notice is embedded

underneath the signature line:

> CONFIDENTIALITY NOTICE: "This message may contain information that is privileged and confidential and is intended only for the use of the individual(s) to whom it is addressed. If you receive this message in error, please notify the sender immediately and delete this electronic message and any attachments from your system. Thank you for your cooperation."

26.1.10. Contractor End Users with a Department issued email, access or potential access to Confidential Data, and/or a workspace in a Department building/facility, must:

26.1.10.1. Complete the Department's Annual Information Security & Compliance Awareness Training prior to accessing, viewing, handling, hearing, or transmitting Department Data or Confidential Data.

26.1.10.2. Sign the Department's Business Use and Confidentiality Agreement and Asset Use Agreement, and the NH DoIT Department wide Computer Use Agreement upon execution of the Agreement and annually thereafter.

26.1.10.3. Only access the Department's intranet to view the Department's Policies and Procedures and Information Security webpages.

26.1.11. Contractor agrees, if any End User is found to be in violation of any of the above terms and conditions, said End User may face removal from the Agreement, and/or criminal and/or civil prosecution, if the act constitutes a violation of law.

26.1.12. Contractor agrees to notify the Department a minimum of three business days prior to any upcoming transfers or terminations of End Users who possess Department credentials and/or badges or who have system privileges. If End Users who possess Department credentials and/or badges or who have system privileges resign or are dismissed without advance notice, the Contractor agrees to notify the Department's Information Security Office or designee immediately.

26.1.13. Workspace Requirement

26.1.14. If applicable, the Department will work with Contractor to determine requirements for providing necessary workspace and State equipment for its End Users.

**27. Contract End-of-Life Transition Services**

27.1. General Requirements

27.1.1. If applicable, upon early termination or expiration of the Agreement the parties agree to cooperate in good faith to effectuate a secure transition of the services ("Transition Services") from the Contractor to the Department and, if applicable, the new Contractor ("Recipient") engaged by the Department to assume the services. Ninety (90) days prior to the end-of the contract or unless otherwise specified by the Department, the Contractor must begin working with the Department and if applicable, the Recipient to develop a Data Transition Plan (DTP). The Department shall provide the DTP template to the Contractor.

27.1.2. The Contractor must assist the Recipient, in connection with the transition from the performance of Services by the Contractor and its End Users to the performance of such Services. This may include assistance with the secure transfer of records (electronic and hard copy), transition of historical data (electronic and hard copy), the transition of any such Service from the hardware, software, network and telecommunications equipment and internet-related information technology infrastructure ("Internal IT Systems") of Contractor to the Internal IT Systems of the Recipient and cooperation with and assistance to any third-party consultants engaged by Recipient in connection with the Transition Services.

27.1.3. If a system, database, hardware, software, and/or software licenses (Tools) was purchased or created to manage, track, and/or store Department Data in relationship to this contract said Tools will be inventoried and returned to the Department, along with the inventory document, once transition of Department data is complete.

27.1.4. The internal planning of the Transition Services by the Contractor and its End Users shall be provided to the Department and if applicable the Recipient in a timely manner. Any such Transition Services shall be deemed to be Services for purposes of this Agreement.

27.1.5. In the event the data Transition extend beyond the end of the Agreement, the Contractor agrees that the Information Security Requirements, and if applicable, the Department's Business Associate Agreement terms and conditions remain in effect until the Data Transition is accepted as complete by the Department.

27.1.6. In the event the Contractor has comingled Department Data and the destruction or Transition of said data is not feasible, the Department and Contractor will jointly evaluate regulatory and professional standards for retention requirements prior to destruction, refer to the

terms and conditions of the Department's DHHS Information Security Requirements Exhibit.

27.2. Completion of Transition Services

27.2.1. Each service or transition phase shall be deemed completed (and the transition process finalized) at the end of 15 business days after the product, resulting from the Service, is delivered to the Department and/or the Recipient in accordance with the mutually agreed upon Transition plan, unless within said 15 business day term the Contractor notifies the Department of an issue requiring additional time to complete said product.

27.2.2. Once all parties agree the data has been migrated the Contractor will have 30 days to destroy the data per the terms and conditions of the Department's Information Security Requirements Exhibit.

27.3. Disagreement over Transition Services Results

27.3.1. In the event the Department is not satisfied with the results of the Transition Service, the Department shall notify the Contractor, in writing, stating the reason for the lack of satisfaction within 15 business days of the final product or at any time during the data Transition process. The Parties shall discuss the actions to be taken to resolve the disagreement or issue. If an agreement is not reached, at any time the Department shall be entitled to initiate actions in accordance with the Agreement.

**28. Exhibits Incorporated**

28.1. The Contractor must comply with the Federal Requirements in Exhibits D-H, and J which are attached hereto and incorporated by reference herein.

28.2. The Contractor must manage all confidential data related to this Agreement in accordance with the terms of Exhibit K, DHHS Information Security Requirements.

28.3. The Contractor must use and disclose Protected Health Information in compliance with the Standards for Privacy of Individually Identifiable Health Information (Privacy Rule) (45 CFR Parts 160 and 164) under the Health Insurance Portability and Accountability Act (HIPAA) of 1996, and in accordance with the attached Exhibit I, Business Associate Agreement, which has been executed by the parties.

**29. Additional Terms**

29.1. **Impacts Resulting from Court Orders or Legislative Changes**

29.1.1. The Contractor agrees that, to the extent future state or federal legislation or court orders may have an impact on the Services

described herein, the State has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

29.2. **Federal Civil Rights Laws Compliance: Culturally and Linguistically Appropriate Programs and Services**

29.2.1. The Contractor must submit:

29.2.1.1. A detailed description of the language assistance services, within ten (10) days of the Effective Date of the Agreement, to be provided to ensure meaningful access to programs and/or services to individuals with limited English proficiency; individuals who are deaf or have hearing loss; individuals who are blind or have low vision; and individuals who have speech challenges.

29.2.1.2. A written attestation, within 45 days of the Effective Date of the Agreement and annually thereafter, that all personnel involved the provision of services to individuals under this Agreement have completed, within the last 12 months, the Contractor Required Training Video on Civil Rights-related Provisions in DHHS Procurement Processes, which is accessible on the Department's website (https://www.dhhs.nh.gov/doing-business-dhhs/civil-right-compliance-dhhs-vendors); and

29.2.1.3. The Department's Federal Civil Rights Compliance Checklist within ten (10) days of the Effective Date of the Agreement. The Federal Civil Rights Compliance Checklist must have been completed within the last 12 months and is accessible on the Department's website (https://www.dhhs.nh.gov/doing-business-dhhs/civil-right-compliance-dhhs-vendors).

29.3. **Credits and Copyright Ownership**

29.3.1. All documents, notices, press releases, research reports and other materials prepared during or resulting from the performance of the services of the Agreement must include the following statement, "The preparation of this (report, document etc.) was financed under a Contract with the State of New Hampshire, Department of Health and Human Services, with funds provided in part by the State of New Hampshire and/or such other funding sources as were available or required, including, but not limited to, the United States Department of Health and Human Services."

29.3.2. All materials produced or purchased under the Agreement must have prior approval from the Department before printing, production, distribution or use.

29.3.3. The Department must retain copyright ownership for any and all original materials produced, including, but not limited to reports, protocols, guidelines, brochures, posters, and resource directories.

29.3.4. The Contractor must not reproduce any materials produced under the Agreement without prior written approval from the Department.

29.4. **Operation of Facilities: Compliance with Laws and Regulations**

29.4.1. In the operation of any facilities for providing services, the Contractor must comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which must impose an order or duty upon the contractor with respect to the operation of the facility or the provision of the services at such facility. If any governmental license or permit must be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Agreement the facilities must comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and must be in conformance with local building and zoning codes, by-laws and regulations.

29.5. **Eligibility Determinations**

29.5.1. The Contractor must make eligibility determinations in accordance with applicable federal and state laws, regulations, orders, guidelines, policies and procedures.

29.5.2. The Contractor must ensure all applicants are permitted to fill out an application form and must notify each applicant of their right to request a fair hearing in accordance with New Hampshire RSA 126-A:5 and Department regulations.

**30. Records**

30.1. The Contractor must keep records that include, but are not limited to:

30.1.1. Books, records, documents and other electronic or physical data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income

received or collected by the Contractor.

30.1.2. All records must be maintained in accordance with accounting procedures and practices, which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs including, but not limited to, purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.

30.1.3. Statistical, enrollment, attendance or visit records for each recipient of services, which records must include all records of application and eligibility (including all forms required to determine eligibility for each such recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.

30.1.4. Medical records on each patient/recipient of services.

30.2. During the term of this Agreement and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives must have access to all reports and records maintained pursuant to the Agreement for purposes of audit, examination, excerpts and transcripts.

30.3. If, upon further review, the Department must disallow any expenses claimed by the Contractor as costs hereunder, the Department retains the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

## Payment Terms

1. This Agreement is funded by:
   1.1. 0.35% Federal funds, Block Grants for Community Mental Health Services, as awarded on 12/6/24, by the Substance Abuse and Mental Health Services Administration, Center for Mental Health Services, ALN 93.958, FAIN B09SM090358.
   1.2. 1.93% Federal funds, PROHEALTH NH, as awarded on 8/25/22, by the Substance Abuse and Mental Health Services Administration, Center for Mental Health Services, ALN 93.243, FAIN H79SM080245.
   1.3. 97.37% General funds.
   1.4. 0.35% Other funds (Behavioral Health Services Information System).
2. For the purposes of this Agreement the Department has identified:
   2.1. The Contractor as a Subrecipient, in accordance with 2 CFR 200.331.
   2.2. The Agreement as NON-R&D, in accordance with 2 CFR §200.332.
   2.3. The Indirect Cost Rate for this Agreement in the attached Budget Sheet(s).
3. Notwithstanding anything to the contrary herein, the Contractor agrees that funding under this Agreement may be withheld, in whole or in part, in the event of noncompliance with any state or federal law, rule or regulation applicable to the services provided, or if the said services have not been completed in accordance with the terms and conditions of this Agreement.
4. Mental Health Services provided by the Contractor shall be paid in order as follows:
   4.1. For Medicaid enrolled individuals through the Department Medicaid Fee for Service program in accordance with the current, publicly posted Fee for Service (FFS) schedule located at NHMMIS.NH.gov.
   4.2. For Managed Care Organization enrolled individuals, the Contractor shall be reimbursed pursuant to the Contractor's agreement with the applicable Managed Care Organization for such services.
   4.3. For individuals with other health insurance or other coverage for the services they receive, the Contractor will directly bill the other insurance or payors.
   4.4. For individuals without health insurance or other coverage for the services they receive, and for operational costs contained in Exhibit C – Amendment #2, Payment Terms, or which the Contractor cannot otherwise seek reimbursement from an insurance or third-party payer,

the Contractor will directly bill the Department to access contract funds provided through this Agreement.

5. All Medicaid/MCO invoicing shall follow billing and coding requirements outlined by the Department. For the purpose of Medicaid billing, a unit of service is described in the DHHS published CMH NH Fee Schedule, as may be periodically updated, or as specified in NH Administrative Rule He-M 400. However, for He-M 426.12 Individualized Resiliency and Recovery Oriented Services (IROS), a Unit of Service is defined as fifteen (15) minutes. The Contractor shall report and bill in whole units. The intervals of time in the table below define how many units to report or bill. All such limits may be subject to additional DHHS guidance or updates as may be necessary to remain in compliance with Medicaid standards.

| Direct Service Time Intervals | Unit Equivalent |
|---|---|
| 0-7 minutes | 0 units |
| 8-22 minutes | 1 unit |
| 23-37 minutes | 2 units |
| 38-52 minutes | 3 units |
| 53-60 minutes | 4 units |

6. The State shall pay the Contractor an amount not to exceed the Price Limitation, specified in Form P-37, General Provisions, Block 1.8. Payment shall be made on a cost reimbursement basis for allowable expenses for services provided in the fulfillment of this Agreement, as specified in Exhibit B – Amendment #2, Scope of Services, and in accordance with the Department approved individual program budgets and as specified in Table 1 below, which summarizes the other contract programs and their maximum allowable amounts.

6.6. Behavioral Health Services Information System (BHSIS):

6.6.1. BHSIS funds are available for data infrastructure projects or activities, contingent upon the receipt of other funds and the criteria for their use, as specified by the Department. Eligible activities may include:

6.6.1.1. Costs associated with the Phoenix and CANS/ANSA databases, such as IT staff time for re-writing, testing, or validating data;

6.6.1.2. Software or training purchases aimed at improving data collection; and

6.6.1.3. Staff training for collecting new data elements, including time spent completing annual CANS/ANSA Certification.

6.6.2. Supporting Documentation Requirements:

6.6.2.1. **For staff time:** Payroll records verifying pay rates, along with a spreadsheet detailing hours worked and the specific BHSIS-related tasks completed, including staff training time.

6.6.2.2. **For non-staff-related expenses:** Invoices for software purchases or related software costs.

6.6.2.3. Any additional funding requests for specific purposes must receive prior approval from BMHS staff.

6.6.2.4. The Contractor shall use the invoicing and supported documentation template provided by the Department or an alternative template created by the CMHC, subject to prior approval by the Department. Supporting documentation must be submitted by the 15th of the following month.

6.7. MATCH: Funds to be used to support services and trainings outlined in Exhibit B – Amendment #2, Scope of Services. The breakdown of this funding is outlined below.

| CHART AND OTHER TRAINING COSTS | CERTIFICATION OR RECERTIFICATION | TOTAL COST |
|---|---|---|
| $2,500 | $250/Person X 10 People = $2,500 | $5,000 |

6.8. RENEW Sustainability Continuation: The Department shall reimburse the Contractor for RENEW Activities Outlines in Exhibit B – Amendment #2, Scope of Services. Renew costs will be billed in association with each of the following items, not to exceed $6,000 annually. Funding can be used for staff training; training of new Facilitators; training for an Internal Coach; coaching IOD for Facilitators, Coach, and Implementation Teams; and travel costs.

6.9. General Training Funding: Funds are available to support any general training needs for staff. Focus should be on trainings needed to retain

and expand expertise of current staff or trainings needed to obtain staff for vacant positions.

6.10. System Upgrade Funding: Funds are available to support software, hardware, and data upgrades to support items outlined in Exhibit B – Amendment #2, Scope of Services, Data Reporting. Funds may also be used to support system upgrades to ensure accurate insurance billing occurs.

6.11. Critical Time Intervention: the Contractor shall bill and seek reimbursement for services provided to individuals pursuant to this Agreement as follows:

6.11.1. A set rate shall be awarded per client served by the Contractor, indicated in the table listed in Section 6.11.1.1, Rate Table, which are rates set for the term of the contract.

**6.11.1.1. Rate Table**

| Rate | Amount | Eligibility | Payment Frequency |
|---|---|---|---|
| Pre-CTI | $128.79 | Minimum of one (1) encounter with the individual, in-person or virtual, to be eligible for this rate. All such encounters must occur prior to the individual's discharge from an inpatient setting. | Paid once per individual. |
| CTI (Phases 1-3) | $370.91 | Minimum of two (2) encounters during Phases 1 and 2, and a minimum of one (1) encounter during Phase 3 with the individual, in-person or virtual, to be eligible for this rate. Encounters must occur within the same calendar month to count towards the minimum. Pre-CTI encounters do not count towards this minimum. | Paid once per individual, per month, not to exceed nine (9) consecutive months. |

6.11.2. At the end of each quarter, the Department shall conduct a review of the Contractor's actual expenses relative to the rates paid in accordance with the Rate Table in Section 6.11.1.1. The Contractor shall provide supporting documentation of actual expenses incurred in fulfillment of Exhibit B – Amendment #2, Scope of Services, which include:

6.11.2.1. CTI worker salaries and benefits;

6.11.2.2. CTI supervisor salaries and benefits; and

6.11.2.3. Department-approved administrative costs, not to exceed an indirect cost rate of 18.5%.

6.11.3. If the actual costs incurred for providing services in Exhibit B – Amendment #2, Scope of Services, exceed the rates paid in

BH

accordance with amounts specified in the Rate Table in Section 6.11.1.1., then:

6.11.3.1. The Department may reimburse the Contractor in an amount equal to the actual expenses incurred, minus the rate paid for the services; and

6.11.3.2. The amount reimbursed to the Contractor shall not exceed the per diem expense line in Exhibit C-5, Budget – Amendment #2, over the term of the Agreement.

6.11.4. If the actual costs incurred for providing services in Exhibit B – Amendment #2, Scope of Services are less than the rates paid in accordance with amounts specified in the Rate Table in Section 6.11.1.1., then:

6.11.4.1. The Department may collect from the Contractor the amount of the difference between the rates paid in accordance with the Rate Table in Section 6.11.1.1., and the actual amounts of expenses incurrred.

6.11.4.2. Amounts of overpayments for the quarter as identifed by the calculation in Section 6.11.4.1. may be collected by written notice to the Contractor stating payment shall be made to the Department within 30 days of notification of overpayment.

6.11.5. The Contractor shall submit a monthly invoice in a form satisfactory to the Department with supporting documentation by the 15th day of the following month. Supporting documentation must demonstrate that the eligiblity requirements described above in the Rate Table in Section 6.11.1.1 have been met for each individual identified on the invoice.

6.11.6. The Contractor shall submit a monthly summary of all eligible program-related expenses, as identified in Section 6.11.2., in a form satisfactory to the Department with supporting documentation of expenses incurred by the 15th day of the month following the month in which services were provided.

6.11.7. The Contractor shall provide documentation for flexible funding in order to receive payments for flexible funding expenditures on a cost reimbursement basis, not to exceed the flexible funding line item defined in Exhibit C-5, Budget – Amendment #2. The Contractor shall ensure flexible funding expenditures incurred are:

Initial BH

6.11.7.1. Used to directly support the needs of the client when no other funds are available;

6.11.7.2. Used for one-time expenses tangible in nature;

6.11.7.3. Not disbursed as gift cards or gift certificates;

6.11.7.4. Directly allocable to the work performed under this Agreement;

6.11.7.5. Appropriate in amount and nature, as determined by the Department; and

6.11.7.6. Verified by supporting documentation, including, but not limited to, receipts of payment.

6.11.8. The Contractor may be eligible to receive payments to address extraordinary costs incurred in the fulfillment of this Agreement (herein contingency payments), as approved by the Department. This Agreement is one (1) of ten (10) Agreements with Vendors that will provide CTI services. The statewide total shared price limitation among all ten (10) Agreements is $25,000 for SFY 2026 and $25,000 for SFY 2027. No maximum or minimum funding amount per Contractor is guaranteed, and funding will be disbursed on a first come/first served basis. The Contractor may:

6.11.8.1. Apply for reimbursement of the expenses from the Department via a form satisfactory to the Department with applicable justifications; and

6.11.8.2. Be eligible for contingency payments, which support program related costs that exceed per diem and flex funding line items defined in Exhibit C-5, Budget – Amendment #2, and meet criteria as outlined by the Department at the time of application.

6.11.9. The Contractor may be eligible to receive incentive payments in the fulfillment of program goals as described in Table 2 below (herein incentive payments), as approved by the Department. This Agreement is one (1) of ten (10) Agreements with Vendors that will provide CTI services. The statewide total shared price limitation among all ten (10) Agreements is $221,103 for SFY 2026 and $221,103 for SFY 2027. No maximum or minimum funding amount per Contractor is guaranteed, and funding will be disbursed on a first come/first served basis. The Contractor may:

6.11.9.1. Apply for reimbursement of the expenses from the Department via a form satisfactory to the Department with applicable justifications; and

6.11.9.2. Be eligible to receive incentive payments upon achieving the Incentive Payment Goals as described below in Table 2 through June 30, 2027. The Contractor shall provide supporting documentation to demonstrate achievement of the Incentive Payment Goals, as requested by the Department.

**6.11.9.2.1. Table 2**

| # | Incentive Payment Goal | Total Incentive Payments |
|---|---|---|
| 1 | For each individual referred and having a Pre-CTI visit, and one (1) qualifying encounter during Phase 1 with a CTI Coach, CMHCs may be qualified for incentive payments. | $350 per individual |
| 2 | For each individual qualified CTI-program graduate, CMHCs may be qualified for incentive payments. | $500 per individual |

6.11.9.2.2. "Qualifying Encounter" for this incentive payment shall mean an interaction with an enrolled CTI client in which progress was discussed or made towards the Phase Plan during Phase 1.

6.11.9.2.3. "Graduate" for this incentive payment shall mean a CTI client who enrolled in CTI and successfully completed 9 consecutive months of the program during State Fiscal Years 2026 through 2027; and/or seven (7) months of active participation and two (2) months of inactive participation, and have a closeout/final meeting within 14 days per or post the 9 month date.

6.11.9.3. The incentive target shall be available on a quarterly basis per SFY 2026 and SFY 2027, until the statewide total price limitation is reached each SFY, and based on data submitted by the Contractor via the Phoenix reporting system.

6.11.9.4. The Department will communicate eligibility for incentive payment achievement and reimbursement to the Contractor's CTI Supervisor and finance representative on a quarterly basis.

7. The Contractor shall submit an invoice with supporting documentation to the Department no later than the fifteenth (15th) working day of the month following the month in which the services were provided. The Contractor shall ensure each invoice:

   7.1. Includes the Contractor's Vendor Number issued upon registering with New Hampshire Department of Administrative Services.

   7.2. Is submitted in a form that is provided by or otherwise acceptable to the Department.

   7.3. Identifies and requests payment for allowable costs incurred in the previous month.

   7.4. Includes supporting documentation of allowable costs with each invoice that may include, but are not limited to, time sheets, payroll records, receipts for purchases, and proof of expenditures, as applicable.

   7.5. Supporting documentation shall be labeled by line item.

   7.6. Is completed, dated and returned to the Department with the supporting documentation for allowable expenses to initiate payment.

   7.7. Is assigned an electronic signature, includes supporting documentation, and is emailed to dhhs.dbhinvoicesmhs@dhhs.nh.gov or mailed to:

   Financial Manager
   Department of Health and Human Services
   129 Pleasant Street
   Concord, NH 03301

8. The Department shall make payments to the Contractor within thirty (30) days of receipt of each invoice and supporting documentation for authorized expenses, subsequent to approval of the submitted invoice.

9. The final invoice and supporting documentation for authorized expenses shall be due to the Department no later than forty (40) days after the contract Completion Date specified in Form P-37, General Provisions Block 1.7.

10. Notwithstanding Paragraph 17 of the General Provisions Form P-37, changes limited to adjusting amounts within the price limitation and adjusting encumbrances between State Fiscal Years and budget class lines through the Budget Office may be made by written agreement of both parties, without obtaining approval of the Governor and Executive Council, if needed and justified.

11. Audits

11.1. The Contractor must email an annual audit to dhhs.act@dhhs.nh.gov if any of the following conditions exist:

11.1.1. Condition A - The Contractor is subject to a Single Audit pursuant to 2 CFR 200.501 Audit Requirements.

11.1.2. Condition B - The Contractor is subject to audit pursuant to the requirements of NH RSA 7:28, III-b.

11.1.3. Condition C - The Contractor is a public company and required by Security and Exchange Commission (SEC) regulations to submit an annual financial audit.

11.2. If Condition A exists, the Contractor shall submit an annual Single Audit performed by an independent Certified Public Accountant (CPA) to dhhs.act@dhhs.nh.gov within 120 days after the close of the Contractor's fiscal year, conducted in accordance with the requirements of 2 CFR Part 200, Subpart F of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal awards.

11.2.1. The Contractor shall submit a copy of any Single Audit findings and any associated corrective action plans. The Contractor shall submit quarterly progress reports on the status of implementation of the corrective action plan.

11.3. If Condition B or Condition C exists, the Contractor shall submit an annual financial audit performed by an independent CPA within 120 days after the close of the Contractor's fiscal year.

11.4. The Contractor, regardless of the funding source and/or whether Conditions A, B, or C exist, may be required to submit annual financial audits performed by an independent CPA upon request by the Department.

11.5. In addition to, and not in any way in limitation of obligations of the Agreement, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department all payments made under the Agreement to which exception has been taken, or which have been disallowed because of such an exception, within sixty (60) days.

12. If applicable, the Contractor must request disposition instructions from the Department for any equipment, as defined in 2 CFR 200.313, purchased using funds provided under this Agreement, including information technology systems.

# INDEPENDENT AUDITOR'S REPORT

Board of Directors
Behavioral Health & Developmental Services of Strafford County, Inc.
d/b/a Community Partners of Strafford County and Subsidiaries

## Opinion

We have audited the accompanying consolidated financial statements of Behavioral Health & Developmental Services of Strafford County, Inc. d/b/a Community Partners of Strafford County and Subsidiaries (the Organization), which comprise the consolidated statements of financial position as of June 30, 2024 and 2023, and the related consolidated statements of activities, functional revenue and expenses without donor restrictions, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of June 30, 2024 and 2023, and the changes in their net assets and their cash flows for the years then ended in accordance with U.S. generally accepted accounting principles (U.S. GAAP).

## Basis for Opinion

We conducted our audits in accordance with U.S. generally accepted auditing standards (U.S. GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Change in Accounting Principle

As discussed in Note 1 to the consolidated financial statements, the Organization adopted Financial Accounting Standards Board Accounting Standards Update No. 2016-13, *Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*, and related guidance, during the year ended June 30, 2024. Our opinion is not modified with respect to that matter.

## Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

**Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

**Supplementary Information**

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidating statements of financial position and consolidating statements of activities (collectively, supplementary information) are presented for purposes of additional analysis, rather than to present the financial position and changes in net assets of the individual entities and are not a required part of the consolidated financial statements. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The supplementary information has been subjected to the auditing procedures applied in the audits of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with U.S. GAAS. In our opinion, the supplementary information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

## Nature of Activities

Behavioral Health & Developmental Services of Strafford County, Inc. d/b/a Community Partners of Strafford County (Community Partners) is a New Hampshire nonprofit corporation providing a wide range of community-based services (see consolidated statements of functional revenue and expenses without donor restrictions for programs offered) for individuals with developmental disabilities and/or mental illness and their families. Community Partners also supports families with children who have chronic health needs. Community Partners is currently operating as two divisions: Developmental Services and Behavioral Health Services.

Community Partners is the sole shareholder of Lighthouse Management Services, Inc., which was organized to perform accounting and management functions for other not-for-profit entities.

Community Partners is the sole beneficiary of the Community Partners Foundation (the Foundation), which was established exclusively for the benefit and support of Community Partners. To that end, the Foundation receives and accepts gifts and funds.

The Foundation received and disbursed the following funds:

| | 2024 | 2023 |
|---|---|---|
| Funds received | $ 108,911 | $ 115,229 |
| Funds disbursed | 106,288 | 88,264 |

The Foundation has received and disbursed the following funds since its inception in 2007:

| | |
|---|---|
| Funds received | $ 1,046,655 |
| Funds disbursed | 715,547 |
| | $ 331,108 |

## 1. Summary of Significant Accounting Policies

### Principles of Consolidation

The consolidated financial statements include the accounts of Community Partners, Lighthouse Management Services, Inc., and the Foundation (collectively, the Organization). All material intercompany balances and transactions have been eliminated in consolidation.

The Organization prepares its consolidated financial statements in accordance with U.S. generally accepted accounting principles (U.S. GAAP) established by Financial Accounting Standards Board (FASB). References to U.S. GAAP in these notes are to the FASB Accounting Standards Codification (ASC).

## Recently Adopted Accounting Principle

FASB issued Accounting Standards Update No. 2016-13, *Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*, and related guidance as amended, which replaces the incurred loss methodology with an expected loss methodology that is referred to as the current expected credit loss (CECL) methodology. The measurement of expected credit losses under the CECL methodology is applicable to financial assets measured at amortized cost, which includes patient accounts receivable. The adoption of Topic 326 during the year ended June 30, 2024 did not have a material impact on the consolidated financial statements of the Organization as a significant portion of the payors to the Organization either have the full faith and backing of the U.S. government or are credit worthy with limited to no credit risk associated with them. Other than accounts receivable, there are no other financial assets that are measured at amortized cost.

## Use of Estimates

The preparation of consolidated financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

## Basis of Presentation

The consolidated financial statements of the Organization have been prepared in accordance with U.S. GAAP, which require the Organization to report information regarding their consolidated financial position and activities according to the following net asset classifications:

**Net assets without donor restrictions:** Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and the Board of Directors.

**Net assets with donor restrictions:** Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. At June 30 2024 and 2023, the Organization did not have any funds to be maintained in perpetuity. Net assets with donor restrictions consisted of grants and contributions temporary in nature to support program expenses.

## Grants and Contributions

Grants awarded and contributions received in advance of expenditures are reported as public support and revenue with donor restrictions if they are received with stipulations that limit the use of the grants or contributions. When a grant or contribution restriction expires, that is, when a stipulated time restriction ends or a purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statements of activities as net assets released from restrictions. The Organization records restricted grants and contributions whose restrictions are met in the same reporting period as public support and revenue without donor restrictions in the year of the gift.

## Income Taxes

The Organization is exempt from income taxes under Section 501(c)(3) of the U.S. Internal Revenue Code to operate as a not-for-profit organization.

FASB ASC Topic 740, *Income Taxes*, establishes financial accounting and disclosure requirements for recognition and measurement of tax positions taken or expected to be taken. Management has reviewed the tax provisions for the Organization under FASB ASC Topic 740 and determined it did not have a material impact on the Organization's consolidated financial statements.

## Cash and Cash Equivalents

The Organization considers all highly liquid investments with an original maturity date of less than three months to be cash equivalents. The cash equivalents represent money market accounts and repurchase agreements as of June 30, 2024 and 2023.

The Organization maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits. It has not experienced any losses in such accounts. Management believes it is not exposed to any significant risk on cash and cash equivalents.

## Accounts Receivable

Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible accounts after considering each category of receivable individually and estimates an allowance for credit losses according to the nature of the receivable. Allowances for credit losses are estimated from historical performance and projected trends. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to trade accounts receivable. Accounts receivable, net amounted to $2,135,448 as of July 1, 2022.

## Leases

At the inception of an arrangement, the Organization determines if an arrangement is, or contains, a lease based on the unique facts and circumstances present in that arrangement. Lease classification, recognition and measurement are then determined as of the lease commencement date. For arrangements that contain a lease, the Organization (i) identifies lease and non-lease components, (ii) determines the consideration in the contract, (iii) determines whether the lease is an operating or finance lease, and (iv) recognizes the lease ROU asset and lease obligation. Lease obligations and their corresponding ROU assets are recorded based on the present value of lease payments over the expected lease term. The interest rate implicit in lease contracts is typically not readily determinable, and as such, the Organization used the risk free rate based on the information available at the lease commencement date, a rate which represents one that would be incurred to borrow, on a collateralized basis, over a similar term, an amount equal to the lease payments in a similar economic environment.

Some leases include options to renew and/or terminate the lease, which can impact the lease term. The exercise of these options is at the Organization's discretion and the Organization does not include any of these options within the expected lease term where it is not reasonably certain that these options will be exercised.

Fixed, or in-substance fixed, lease payments on operating leases are recognized over the expected term of the lease on a straight-line basis. Variable lease expenses that are not considered fixed, or in-substance fixed, are recognized as incurred. Fixed and variable lease expense on operating leases is recognized within rent expense in the consolidated statements of functional expenses. The Organization has elected the short-term lease exemption and, therefore, does not recognize a ROU asset or corresponding lease obligation for lease arrangements with an original term of 12 months or less.

## Property and Equipment

Property and equipment are recorded at cost, while donations of property and equipment are recorded as support at their estimated fair value at the date of donation. Expenditures for repairs and maintenance are charged against operations. Renewals and betterments which materially extend the life of the assets are capitalized. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the asset is placed into service. The Organization reclassifies net assets with donor restrictions to net assets without donor restrictions at that time.

Depreciation is provided on the straight-line method in amounts designed to depreciate the costs of the assets over their estimated lives as follows:

| | |
|---|---|
| Buildings and improvements | 5-39 years |
| Equipment and furniture | 3-7 years |
| Vehicles | 5 years |

## Revenue Recognition

Medicaid, Medicare and client resources revenue is reported at the estimated net realizable amount that reflects the consideration to which the Organization expects to be entitled in exchange for providing client services. These amounts are due from third-party payors (including health insurers and government programs), and others, and include variable consideration for retroactive revenue adjustments due to settlement of audits, reviews, and investigations. Generally, the Organization bills third-party payors several days after services are provided. Revenue is recognized as performance obligations are satisfied. It is the Organization's expectation that the period between the time the service is provided to a client and the time a third-party payor pays for that service will be one year or less.

Under the Organization's contractual arrangements with the New Hampshire Department of Health and Human Services (DHHS), the Organization provides services to clients for an agreed upon fee. The Organization recognizes revenue for client services in accordance with the provisions of FASB ASC Topic 606, *Revenue from Contracts with Customers*.

Performance obligations are determined based on the nature of the services provided by the Organization. Revenue for performance obligations satisfied over time is recognized based on actual services rendered. Generally, performance obligations are satisfied over time when services are provided. The Organization measures the performance obligation from when the Organization begins to provide services to a client to the point when it is no longer required to provide services to that client, which is generally at the time of DHHS notification to the Organization.

Each performance obligation is separately identifiable from other promises in the contract with the client and DHHS. As the performance obligations are met, revenue is recognized based upon allocated transaction price. The transaction price is allocated to separate performance obligations based upon the relative stand-alone selling price.

Because all of its performance obligations relate to short-term contracts, the Organization has elected to apply the optional exemption provided in FASB ASC Subtopic 606-10-50-14(a), and therefore, is not required to disclose the aggregate amount of the transaction price allocated to performance obligations that are unsatisfied or partially unsatisfied at the end of the reporting period.

## Estimated Third-Party Liabilities

The Organization's estimated third-party liabilities consists of funds received in advance for services to be performed at a later date, known amounts due to DHHS and estimated amounts due to DHHS from eligibility, certification and other audits, and certain pass-through funds. Estimated third-party liabilities amounted to $1,757,667 as of July 1, 2022.

**Functional Allocation of Expenses**

The Organization's expenses are presented on a functional basis (i.e., program activities and support services). The Organization classifies expenses based on the organizational cost centers in which expenses are incurred. The expenses allocated between support functions and program services based on personnel time includes salaries and related benefits and taxes. The expenses allocated between support functions and program services based on space utilized for the related services includes depreciation, insurance and other occupancy costs.

## 2. Availability and Liquidity of Financial Assets

The Organization regularly monitors liquidity required to meet its operating needs and other contractual commitments, while also striving to optimize its available funds. The Organization has various sources of liquidity at its disposal, including cash and cash equivalents and lines of credit as disclosed in Note 6.

For purposes of analyzing resources available to meet general expenditures over a 12-month period, the Organization considers all expenditures related to its ongoing operating activities as well as the conduct of services undertaken to support those operating activities.

In addition to financial assets available to meet general expenditures over the next 12 months, the Organization operates with a balanced budget and anticipates collecting sufficient revenue to cover expenditures not covered by donor-restricted resources or, where appropriate, borrowings. Refer to the consolidated statements of cash flows, which identifies the sources and uses of the Organization's cash and cash equivalents.

The following financial assets are expected to be available within one year of the consolidated statements of financial position date to meet general expenditures as of June 30:

| | 2024 | 2023 |
|---|---|---|
| Cash and cash equivalents, excluding net assets with donor restrictions | $ 9,019,339 | $ 10,368,694 |
| Accounts receivable, net | 2,525,119 | 1,918,086 |
| Grants receivable | 1,137,478 | 620,769 |
| Financial assets available to meet general expenditures within one year | $ 12,681,936 | $ 12,907,549 |

## 3. Restricted Cash

The Organization serves as a pass-through entity for the Council for Children and Adolescents with Chronic Health Conditions Loan Guaranty Program. This program is operated and administered by a New Hampshire bank. As of June 30, 2024 and 2023, the Organization held cash totaling $89,709 and $89,683, respectively, which was restricted for this program. A corresponding amount has been recorded as a liability.

Additionally, the Organization administers the Council for Children and Adolescents with Chronic Health Conditions Program. As of June 30, 2024 and 2023, the Organization held cash totaling $22,963, which was restricted for this program.

## 4. ROU Asset and Lease Obligation

The Organization leases space in Rochester, New Hampshire under the terms of an operating lease that is set to expire March 31, 2033. **EXPLANATION**

This request is **Sole Source** because MOP 150 requires all amendments to agreements originally approved as sole source to be identified as sole source. The Contractors are the only authorized contractors able to provide the necessary services. The Department contracts for mental health services through these Community Mental Health Centers, which are designated by the Department to service towns and cities within specified geographic regions, as outlined in the NH Revised Statutes Annotated (RSA) 135-C, New Hampshire Mental Health Services System, and NH Administrative Rule He-M 403, Approval and Operation of Community Mental Health Programs.

The purpose of this request is to correct the payment terms for the Assertive Community Treatment and Modular Approach to Therapy for Children services to ensure the Department can reimburse the Contractors for these services. The current payment terms for these services only allow payments to be drawn down on the prior State Fiscal Year and not for the full term of the contract. The Department is requesting to revise the payment terms to remove references to prior SFYs. This will allow the Contractors to invoice for payments through the contract completion date. The funding for the Contractors' payments is already encumbered in their individual price limitations.

The Assertive Community Treatment program offers treatment, rehabilitation, and support services using a person-centered, recovery-based approach to individuals who have been diagnosed with severe and persistent mental illness. The Contractors are paid for these services based on active participation in the monthly consultation and skill training events or for completion of a fidelity measures reviewed by the Department. The Modular Approach to Therapy for Children program is an industry standard treatment that employs a cognitive-behavioral framework to address common childhood behavioral health concerns including depression, anxiety, conduct problems, and trauma for youth ages 6-12. This modularized approach allows for flexibility and encourages clinicians to tailor treatment to individual treatment needs. The Contractors are paid for these services based on a per person rate. The Assertive Community Treatment and Modular Approach to Therapy for Children program scope provisions align with Mental Health Services required by NH RSA 135-C and with State Regulations applicable to the mental health system as outlined in He-M 400, as well as in compliance with the Community Mental Health Agreement (CMHA).

Approximately 20,700 individuals are served annually by the Contractors listed above. The populations served include children with Serious Emotional Disturbances and adults with Serious Mental Illness/Serious and Persistent Mental Illness, including individuals with Mental Illness and co-occurring substance use disorders per NH Administrative Rule He-M 401 Eligibility Determination and Individuals Service Planning.

The Department will continue to monitor services by:

- Conducting performance reviews and utilization reviews as necessary and appropriate based on applicable licensing, certifications, and service provisions.
- Conducting quarterly meetings to review submitted quarterly data and reports to identify ongoing programmatic improvements.
- Reviewing monthly financial statements provided by the Contractors for ongoing evaluation of program fiscal integrity.

Should the Governor and Executive Council not authorize this request, the Department will be unable to reimburse the Contractors for Assertive Community Treatment and Modular Approach to Therapy for Children services, which aligns with the scope of services.

Respectfully submitted,

Lori A. Weaver
Commissioner

**Amendment #1**

This Amendment to the Mental Health Services contract is by and between the State of New Hampshire, Department of Health and Human Services ("State" or "Department") and Behavioral Health & Developmental Services of Strafford County, Inc. DBA Community Partners of Strafford County ("the Contractor").

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 14, 2023 (Item #31), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract and in consideration of certain sums specified; and

WHEREAS, pursuant to Form P-37, General Provisions, the Contract may be amended upon written agreement of the parties and approval from the Governor and Executive Council; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Modify Exhibit C, Payment Terms; Section 7.5, to read:

   7.5. Assertive Community Treatment Team (ACT) Adults: The Contractor shall be paid based on an activity and general payment as outlined below. Funds support programming and staffing defined in Exhibit B, Scope of Work, Adult Assertive Community Treatment (ACT) Teams.

| ACT Costs | INVOICE TYPE | TOTAL COST |
|---|---|---|
| Invoice based payments on invoice | Programmatic costs as outlined on invoice by month | $450,000 |
| ACT Enhancements | 1. ACT Incentives of $6,250 may be drawn down in December and May for active participation in COD Consultation. Evidence of active participation by the ACT team in the monthly consultations and skills training events conducted by the COD consultant will qualify for payment.<br><br>OR<br><br>2. ACT incentives may be drawn down upon completion of the SFY Fidelity Review per SFY. A total of $6,250 may be paid for a score of 4 or 5 on the Co-occurring Disorder Treatment Groups (S8) and the Individualized Substance Abuse Treatment (S7) fidelity measures. | $25,000 |

2. Modify Exhibit C, Payment Terms, Section 7.7. to read:

   7.7. MATCH: Funds to be used to support services and trainings outlined in Exhibit B, Scope of Services. The breakdown of this funding per SFY is outlined below.

| TRAC COSTS | CERTIFICATION OR RECERTIFICATION | TOTAL COST |
|---|---|---|
| $2,500 | $250/Person X 10 People = $2,500 | $5,000 |

Funds are available in the following accounts for State Fiscal Years 2023 and 2024, and are anticipated to be available in State Fiscal Year 2025, upon the availability and continued appropriation of funds in the future operating budget, with the authority to adjust budget line items within the price limitation and encumbrances between state fiscal years through the Budget Office, if needed and justified.

**See attached fiscal details.**

**EXPLANATION**

This request is **Sole Source** because the Contractors are the only authorized contractors able to provide the necessary services. The Department contracts for mental health services through these ten (10) Community Mental Health Centers, which are designated by the Department to service towns and cities within specified geographic regions, as outlined in the NH Revised Statutes Annotated (RSA) 135-C, New Hampshire Mental Health Services System, and NH Administrative Rule He-M 403, Approval and Operation of Community Mental Health Programs.

The purpose of this request is to provide community mental health services for individuals in New Hampshire. Community Mental Health Centers provide community-based mental health services to adults, children, and families to build resiliency, promote recovery, and reduce inpatient hospital utilizations, and improve community tenure. These contracts provide both Federal grant funds and General Funds that enable delivery of services not otherwise covered by Medicaid. For example, technology, training, and system upgrades, delivery of some Assertive Community Treatment services, and care coordination with other systems such as the Division of Children, Youth, and Families, Department of Education, and Division of Long Term Supports and Services. The majority of the General Funds are allocated to ensure that individuals who are uninsured have full access to NH Rapid Response crisis services.

Approximately 20,700 individuals will be served annually.

The populations served include children with Serious Emotional Disturbances and adults with Serious Mental Illness/Serious and Persistent Mental Illness, including individuals with Mental Illness and co-occurring substance use disorders per NH Administrative Rule He-M 401 Eligibility Determination and Individuals Service Planning.

The Contractors will provide crisis services, individual and group psychotherapy, targeted case management, medication services, Functional Support Services, Illness Management and Recovery, supported employment, Assertive Community Treatment, Wraparound services for children, community residential services, and acute care services to individuals experiencing psychiatric emergencies while awaiting admission to a designated receiving facility. All contracts include provisions for Mental Health Services required by NH RSA 135-C and with State Regulations applicable to the mental health system as outlined in He-M 400, as well as in compliance with the Community Mental Health Agreement (CMHA).

The Department will monitor services by:

- Conducting performance reviews and utilization reviews as necessary and appropriate based on applicable licensing, certifications and service provisions.
- Conducting quarterly meetings to review submitted quarterly data and reports to identify ongoing programmatic improvements.
- Reviewing monthly financial statements provided by the Contractors for ongoing evaluation of program fiscal integrity.

As referenced in Exhibit A, Revisions to Standard Agreement Provisions Section 1, Revisions to Form P-37, General Provisions, Subsection 1.2 of the attached agreements, the parties have the option to extend the agreements for up to four (4) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and Governor and Council approval.

Should the Governor and Council not authorize this request, approximately 12,300 adults, and 8,400 children in the state will not have access to critical community mental health services as required by NH RSA 135-C:13. As a result, these individuals may experience an increase in symptoms causing them to seek more costly services at hospital emergency departments due to risk of harm to themselves or others and may have increased contact with law enforcement, correctional programs, or primary care physicians, none of which have the necessary services or supports available to provide necessary assistance. Lack of these services may also increase the likelihood of inpatient hospitalizations and death by suicide.

Source of Federal Funds: Assistance Listing Number #93.243, FAIN # H79SM080245; Assistance Listing Number #93.958, FAIN # B09SM087375; Assistance Listing Number #93.043, FAIN #2201NHOAPH; Assistance Listing Number #93.959, FAIN # TI085821; Assistance Listing Number #93.829, FAIN # H79SM087622.

In the event that the Federal Funds become no longer available, additional General Funds will not be requested to support this program.

Respectfully submitted,

Lori A. Weaver
Interim Commissioner

2. **SERVICES TO BE PERFORMED.** The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT B which is incorporated herein by reference ("Services").

3. **EFFECTIVE DATE/COMPLETION OF SERVICES.**

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.17, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.13 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. **CONDITIONAL NATURE OF AGREEMENT.**

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. **CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.**

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. **COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.**

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3. The Contractor agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. **PERSONNEL.**

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

**8. EVENT OF DEFAULT/REMEDIES.**

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

**9. TERMINATION.**

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. In addition, at the State's discretion, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement.

**10. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.**

10.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

10.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

10.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

**11. CONTRACTOR'S RELATION TO THE STATE.** In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

**12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.**

12.1 The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice, which shall be provided to the State at least fifteen (15) days prior to the assignment, and a written consent of the State. For purposes of this paragraph, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

12.2 None of the Services shall be subcontracted by the Contractor without prior written notice and consent of the State. The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

**13. INDEMNIFICATION.** Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omission of the

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

**14. INSURANCE.**

14.1 The Contractor shall, at its sole expense, obtain and continuously maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 commercial general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $1,000,000 per occurrence and $2,000,000 aggregate or excess; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 10.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than ten (10) days prior to the expiration date of each insurance policy. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference.

**15. WORKERS' COMPENSATION.**

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A *("Workers' Compensation")*.

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. The Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

**16. NOTICE.** Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

**17. AMENDMENT.** This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

**18. CHOICE OF LAW AND FORUM.** This Agreement shall be governed, interpreted and construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party. Any actions arising out of this Agreement shall be brought and maintained in New Hampshire Superior Court which shall have exclusive jurisdiction thereof.

**19. CONFLICTING TERMS.** In the event of a conflict between the terms of this P-37 form (as modified in EXHIBIT A) and/or attachments and amendment thereof, the terms of the P-37 (as modified in EXHIBIT A) shall control.

**20. THIRD PARTIES.** The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

**21. HEADINGS.** The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

**22. SPECIAL PROVISIONS.** Additional or modifying provisions set forth in the attached EXHIBIT A are incorporated herein by reference.

**23. SEVERABILITY.** In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

**24. ENTIRE AGREEMENT.** This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire agreement and understanding between the parties, and supersedes all prior agreements and understandings with respect to the subject matter hereof.

## Revisions to Standard Agreement Provisions

1. Revisions to Form P-37, General Provisions

1.1. Paragraph 3, Subparagraph 3.1, Effective Date/Completion of Services, is amended as follows:

3.1. Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire as indicated in block 1.17, this Agreement, and all obligations of the parties hereunder, shall become effective on June 28, 2023 ("Effective Date").

1.2. Paragraph 3, Effective Date/Completion of Services, is amended by adding subparagraph 3.3 as follows:

3.3. The parties may extend the Agreement for up to four (4) additional years from the Completion Date, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and approval of the Governor and Executive Council.

1.3. Paragraph 12, Assignment/Delegation/Subcontracts, is amended by adding subparagraph 12.3 as follows:

12.3. Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions. The Contractor shall have written agreements with all subcontractors, specifying the work to be performed, and if applicable, a Business Associate Agreement in accordance with the Health Insurance Portability and Accountability Act. Written agreements shall specify how corrective action shall be managed. The Contractor shall manage the subcontractor's performance on an ongoing basis and take corrective action as necessary. The Contractor shall annually provide the State with a list of all subcontractors provided for under this Agreement and notify the State of any inadequate subcontractor performance.

## Scope of Services

### 1. Provisions Applicable to All Services

1.1. The Contractor shall operate a Community Mental Health Center (CMHC) that provides services intended to promote recovery from mental illness for eligible residents in the State of New Hampshire (individuals) for Region 9.

1.2. The Contractor shall submit a detailed description of the language assistance services they will provide to persons with limited English proficiency to ensure meaningful access to their programs and/or services within ten (10) business days of the contract effective date.

1.3. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the Services described herein, the State Agency has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

1.4. Prior to termination of this contract the parties will agree on a plan for transition and destruction of data in accordance with Exhibit K.

1.5. The Contractor shall provide individualized, recovery based services and supports in the manner that best allows individuals to stay within their home and community, including, but not limited to providing current treatment and recovery options that are based on scientific research and evidence based practices (EBP).

1.6. The Contractor acknowledges the requirements of the Community Mental Health Agreement (CMHA) and shall demonstrate progress toward meeting the following terms in the CMHA: 1.) Assertive Community Treatment Teams; 2.) Evidence-Based Supported Employment; 3.) Transition planning for individuals at New Hampshire Hospital and Glencliff Home; and 4.) Supported Housing. Further, the Contractor shall participate in annual Quality Service Reviews (QSR) conducted under the terms of the CMHA.

1.7. The Contractor shall enter into a capitation model of contracting with all NH Medicaid Managed Care Organizations to support the delivery and coordination of behavioral health services and supports for children, youth, transition-aged youth, young adults, and adults.

1.8. The Contractor shall support the integration of physical and behavioral health as a standard of practice; implementing the Substance Abuse and Mental Health Services Administration's (SAMHSA) Six Levels of Collaboration/Integration to the maximum extent feasible.

1.9. The Contractor shall ensure that clinical standards and operating procedures are consistent with trauma-informed models of care, as defined by SAMHSA.

The clinical standards and operating procedures must reflect a focus on wellness, recovery, and resiliency.

1.10. The Contractor shall engage in ongoing implementation, service improvements, and expansion efforts associated with New Hampshire's 10 Year Mental Health Plan, as contracted.

1.11. For the purposes of this agreement, all references to days shall mean calendar days unless otherwise specified.

1.12. The Contractor shall provide individuals, caregivers and youth the opportunity for feedback and leadership within the agency to help improve services in a person-centered manner when applicable and appropriate.

1.13. The Contractor shall hire and maintain staffing in accordance with New Hampshire Administrative Rule He-M 403.07, or as amended, Staff Training and Development.

**2. System of Care for Children's Mental Health**

2.1. The Contractor shall collaborate with the Department on the implementation of NH RSA 135-F, System of Care for Children's Mental Health.

2.2. The Contractor shall provide services for children, youth, and young adults with serious emotional disturbance (SED) in a manner that aligns with NH RSA 135-F. The Contractor shall ensure services are:

2.2.1. Family Driven - services and supports are provided in a manner that best meets the needs of the family and the family goals;

2.2.2. Youth Driven - services and supports are provided in a manner that best meets the needs of the child, youth or young adult and that supports his or her goals;

2.2.3. Community Based - services and supports are provided in a manner that best allow children, youth, and young adults to stay within his or her home and community;

2.2.4. Cultural and Linguistic Competent - services are provided in a manner that honors a child, youth, or young adult and their family-identified culture, beliefs, ethnicity, preferred language, gender and gender identity and sexual orientation; and

2.2.5. Trauma informed.

2.3. The Contractor shall collaborate with the Care Management Entities providing FAST Forward, Transitional Residential Enhanced Care Coordination and Early Childhood Enhance Care Coordination programing, ensuring services are available for all children and youth enrolled in the programs.

2.4. The Contractor shall make referrals to the FAST Forward program for any child, youth, or young adult that may be eligible.

**3. Modular Approach to Therapy for Children with Anxiety, Depression, Trauma, or Conduct Problems (MATCH-ADTC)**

3.1. The Contractor shall maintain appropriate levels of certification through a contract with The Baker Center for Children and Families.

3.2. The Contractor shall ensure new and incoming staff work towards meeting a goal of 70% of children and youth clients' needs with the evidence-based practice of Modular Approach to Therapy for Children with Anxiety, Depression, Trauma, or Conduct problems (MATCH-ADTC).

3.3. The Contractor shall maintain a use of the Baker Center for Children and Families CHART system to support each case with MATCH-ADTC as the identified treatment modality.

3.4. The Contractor shall invoice BCBH for:

3.4.1. The costs for both the certification of incoming therapists and the recertification of existing clinical staff, not to exceed the budgeted amount; and

3.4.2. The full cost of the annual fees paid to the Baker Center for Children and Families for the use of their CHART system to support MATCH-ADTC.

**4. Renew Sustainability (Rehabilitation for Empowerment, Education, and Work)**

4.1. The Contractor shall provide the Rehabilitation for Empowerment, Education and Work (RENEW) intervention with fidelity to transition-aged youth who qualify for state-supported community mental health services, in accordance with the University of New Hampshire (UNH) -Institute On Disability (IOD) model.

4.1.1. The standard is that RENEW coordinators demonstrate their alignment to and competency in the RENEW model by reaching a score of 80% or higher in domains 1–3 on the RENEW Integrity Tool (RIT) and utilize tools as trained for the practice with the clients.

4.2. The Contractor shall obtain support and coaching, as needed, from the IOD at UNH to improve the competencies of implementation team members and agency coaches.

**5. Division for Children, Youth and Families (DCYF)**

5.1. The Contractor shall provide mental health consultation to staff at Division for Children, Youth and Families (DCYF) District Offices related to mental health assessments and/or ongoing treatment for children served by DCYF.

5.2. The Contractor shall provide Foster Care Mental Health Assessments for children and youth younger than eighteen (18) years of age who are entering foster care for the first time.

6. Crisis Services

6.1. If the Contractor has, or enters into, an agreement with a hospital to provide crisis services to individuals who are eligible, or presumed eligible in the emergency department, for Medicaid services, the Contractor may bill Medicaid according to fee schedules or MCO contracts for services rendered.

6.2. The Contractor shall document crisis services delivered in the emergency department setting as part of its required submissions to the Department's Phoenix system (described in the Data Reporting section below), in a format, and with content, completeness, and timelines specified by the Department, ensuring documented information includes screenings performed, diagnosis codes, and referrals made.

6.3. The Contractor shall provide documentation of each collaborative relationship with acute care hospitals in its region, at the request of the Department.

6.4. The Contractor shall provide emergency services as defined in NH Administrative Rule He-M 403.06 (a)(6) and NH Administrative Rule He-M 426.09.

6.5. As part of the crisis resolution, the Contractor shall screen each individual for Assertive Community Treatment (ACT). If clinically appropriate, the Contractor shall:

6.5.1. Refer the individual for an expedited ACT assessment and/or intake and treatment upon discharge; or

6.5.2. Inform the appropriate CMHC in order to expedite the ACT assessment and/or intake and treatment upon discharge from emergency department or inpatient psychiatric or medical care setting, if the individual resides in a region other than the region in which the individual is receiving crisis services.

6.6. The Contractor shall not refer an individual for hospitalization at New Hampshire Hospital (NHH) or Hampstead Hospital Residential Treatment Facility (HHRTF) unless the Contractor has determined that NHH is the least restrictive setting in which the individual's immediate psychiatric treatment needs can be met. The Contractor shall:

6.6.1. Make all reasonable efforts to ensure no other clinically appropriate bed is available at any other NH inpatient psychiatric unit, Designated Receiving Facility (DRF), Adult Psychiatric Residential Treatment Program (APRTP), Mobile Crisis apartments, or other step-up/step-down beds prior to referring an individual to NHH.

6.7. The Contractor shall provide services to individuals experiencing a psychiatric and/or substance use related crisis through a rapid response team that includes specialty trained crisis responders, which includes, but is not limited to:

6.7.1. One (1) clinician trained to provide behavioral health emergency services and crisis intervention services.

6.7.2. One (1) peer.

6.7.3. Telehealth access, and on-call psychiatry, as needed.

6.8. The Contractor shall ensure all staff have the necessary qualifications as defined under New Hampshire Administrative Rule He-M 400, Community Mental Health, Parts 403 and 426.

6.9. The Contractor shall work in tandem with the designated vendor providing services through the Rapid Response Access Point contract as approved by the Governor and Executive Council.

6.10. The Contractor shall maintain a current Memorandum of Understanding with the Rapid Response Access Point, which provides the Mobile Response Teams information regarding the nature of the crisis, through electronic communication, that includes, but is not limited to:

6.10.1. The location of the crisis.

6.10.2. The safety plan either developed over the phone or on record from prior contact(s).

6.10.3. Any accommodations needed.

6.10.4. Treatment history of the individual, if known.

6.11. The Contractor shall promote the use of the telephone number for the Rapid Response Access Point as the primary contact for crisis services, which:

6.11.1. Utilizes specified Rapid Response technology, to identify the closest and available Mobile Response Team; and

6.11.2. Does not fulfill emergency medication refills.

6.12. The Contractor shall provide written information to current clients, which includes telephone numbers, on how to access support for medication refills on an ongoing basis.

6.13. The Contractor shall ensure all rapid response team members participate in crisis response training, as designated by the Department, which follows the concepts and topics identified in the National Guidelines for Crisis Care Best Practice Toolkit published by the Substance Abuse and Mental health Services Administration (SAMHSA).

6.14. The Contractor shall provide the physical address of the physical location to the Rapid Response Access Point where the rapid response team may provide office-based urgent assessments.

6.15. The Contractor shall ensure a rapid response team is available twenty-four (24) hours per day, seven (7) days a week for deployment as directed by the Rapid Response Access Point.

6.15.1. If the Contractor does not have a fully staffed Rapid Response team available for deployment twenty-four (24) hours per day, seven (7) days a week, the Contractor shall work with the Department to identify solutions to meet the demand for services.

6.16. The Contractor shall ensure the Rapid Response team is trained and available to provide crisis response services to avoid unnecessary hospitalization, contact with law enforcement, incarceration or institutionalization. The Contractor shall ensure services include but are not limited to:

6.16.1. Face-to-face assessments.

6.16.2. Disposition and decision making.

6.16.3. Initial care and safety planning.

6.16.4. Post crisis and stabilization services.

6.17. The Contractor may utilize presumptive eligibility when responding to individuals who are not connected to a CMHC or who may be considered low utilizers.

6.18. The Contractor shall follow all Rapid Response dispatch protocols, processes, and data collection established in partnership with the Rapid Response Access Point, as approved by the Department.

6.19. The Contractor shall ensure the Rapid Response team responds face-to-face to all dispatches in the community within one (1) hour of the request ensuring:

6.19.1. The response team includes a minimum of two (2) specialty trained behavioral health crisis responders for safety purposes, if occurring at locations based on individual and family choice that include but are not limited to:

6.19.1.1. In or at the individual's home.

6.19.1.2. Community settings.

6.19.2. The response team includes a minimum of one (1) clinician if occurring at safe, staffed sites or public service locations;

6.19.3. Telehealth dispatch is acceptable as a face-to-face response only when requested by the individual and/or deployed as a telehealth

dispatch by the Rapid Response Access Point, as clinically appropriate;

6.19.4. A no-refusal policy upon triage and all requests for Rapid Response team dispatch receive a response and assessment regardless of the individual's disposition, which may include current substance use. Documented clinical rationale with administrative support when a mobile intervention is not provided;

6.19.5. Coordination with law enforcement personnel, only when clinically indicated, when responding to individuals in a mental health crisis presenting a safety concern or when active rescue is required;

6.19.6. A face-to-face lethality assessment as needed that includes, but is not limited to:

6.19.6.1. Obtaining the individual's mental health history including, but not limited to:

6.19.6.1.1. Psychiatric, including recent inpatient hospitalizations and current treatment providers.

6.19.6.1.2. Substance misuse.

6.19.6.1.3. Social, familial and legal factors;

6.19.6.2. Understanding the individual's presenting symptoms and onset of crisis;

6.19.6.3. Obtaining medication list, adherence to prescribed medications and brief medical history; and

6.19.6.4. Conducting a mental status exam.

6.19.7. Developing a mutually agreed upon individualized safety plan and care disposition and decision making, with the individual, which may include, but is not limited to:

6.19.7.1. Staying in place with:

6.19.7.1.1. Stabilization services.

6.19.7.1.2. A safety plan.

6.19.7.1.3. Outpatient providers;

6.19.7.2. Stepping up to crisis stabilization services or apartments.

6.19.7.3. Admission to peer respite or step-up/step-down program.

6.19.7.4. Admission to a crisis apartment.

6.19.7.5. Voluntary hospitalization.

6.19.7.6. Initiation of Involuntary Emergency Admission (IEA).

6.19.7.7. Medical hospitalization.

6.20. The Contractor shall involve peer and/or specialty trained crisis responders Rapid Response staff by providing follow up contact within forty-eight (48) hours post-crisis for all face-to-face interventions, which may include, but are not limited to:

6.20.1. Promoting recovery.

6.20.2. Building upon life, social and other skills.

6.20.3. Offering support.

6.20.4. Reviewing crisis and safety plans.

6.20.5. Facilitating referrals such as warm hand offs for post-crisis support services, including connecting back to existing treatment providers, including home region CMHC, and/or providing a referral for additional treatment and/or peer contacts.

6.21. The Contractor shall provide Sub-Acute Crisis Stabilization Services for up to 30 days as follow-up to the initial mobile response for the purpose of stabilization of the crisis episode prior to intake or referral to another service or agency. The Contractor shall ensure stabilization services are:

6.21.1. Provided for individuals who reside in and/or are expected to receive long-term treatment in the Contractor's region;

6.21.2. Delivered by the rapid response team for individuals who are not in active treatment prior to the crisis;

6.21.3. Provided in the individual and family home, if requested by the individual;

6.21.4. Implemented using methods that include, but are not limited to:

6.21.4.1. Involving specialty trained behavioral health peer and/or Bachelor level crisis staff to provide follow up support.

6.21.4.2. Providing crisis stabilization services with a Master's level clinician through short-term, trauma informed approaches, which may include, but are not limited to:

6.21.4.2.1. Cognitive Behavior Therapy (CBT).

6.21.4.2.2. Dialectical Behavior Therapy (DBT).

6.21.4.2.3. Solution-focused therapy.

6.21.4.2.4. Developing concrete discharge plans.

6.21.4.2.5. Providing substance use disorder assessment and counseling techniques for dually diagnosed individuals.

6.21.5. Provided by a Department certified and approved Residential Treatment Provider in a Residential Treatment facility for children and youth.

6.22. The Contractor shall work with the Rapid Response Access Point to conduct educational and outreach activities within the local community and to institutional stakeholders in order to promote appropriate referrals to and the utilization of rapid response team resources. The Contractor must:

6.22.1. Ensure outreach and educational activities may include, but are not limited to:

6.22.1.1. Promoting the Rapid Response Access Point website and phone number and links with information about Rapid Response and connectivity to the Rapid Response Access Point.

6.22.1.2. Including the Rapid Response Access point crisis telephone number as a prominent feature to call if experiencing a crisis on relevant agency materials.

6.22.1.3. Direct communications with partners that direct them to the Rapid Response Access Point for crisis services and deployment.

6.22.1.4. Promoting the Children's Behavioral Health Resource Center website.

6.22.2. Work with the Rapid Response Access Point to change utilization of hospital emergency departments (ED) for crisis response in the region and collaborate by:

6.22.2.1. Meeting regularly with local police and first responders to discuss interface, procedures, and collaborations to understand challenges and improve outcomes for individuals in the community;

6.22.2.2. Educating the individual, and their supports on all diversionary services available, by encouraging early intervention;

6.22.2.3. Maintaining and developing relationships with local hospitals and work together to promote the use of the Rapid Response Access Point number and rapid response services, in order to reduce ED use; and

6.22.2.4. Coordinating with homeless outreach services.

6.23. The Contractor shall maintain connection with the Rapid Response Access Point and the identified technology system that enables transmission of information needed to:

6.23.1. Determine availability of the Rapid Response Teams;

6.23.2. Facilitate response of dispatched teams; and

6.23.3. Resolve the immediate crisis episode.

6.24. The Contractor shall maintain connection to the designated resource tracking system.

6.25. The Contractor shall maintain a bi-directional referral system with electronic scheduling to support information sharing that facilitates closed loop referrals and transmission of clinical triage summaries, safety plans and shared care plans with community providers, once implemented.

6.26. The Contractor shall submit reports relative to the rapid response services provided in this agreement. The Contractor shall:

6.26.1. Document all contacts in the medical record for both State eligible and non-eligible individuals who receive rapid response team services;

6.26.2. Provide monthly reports by the fifteenth (15th) day of each month, on a template provided by the Department which includes, but is not limited to:

6.26.2.1. Number of unique individuals who received services.

6.26.2.2. Date and time of mobile arrival; and

6.26.3. Submit information through the Department's Phoenix System as defined in the Department's Phoenix reporting specifications unless otherwise instructed on a temporary basis by the Department to include but not be limited to:

6.26.3.1. Diversions from hospitalizations.

6.26.3.2. Diversions from Emergency Rooms.

6.26.3.3. Services provided.

6.26.3.4. Location where services were provided.

6.26.3.5. Length of time service or services provided.

6.26.3.6. Whether law enforcement was involved for safety reasons.

6.26.3.7. Whether law enforcement was involved for other reasons.

6.26.3.8. Identification of follow up with the individual by a member of the Contractor's rapid response team within 48 hours post face-to-face intervention.

6.26.3.9. Indication that referral for ongoing mental health services following the immediate crisis was provided.

6.26.3.10. Outcome of service provided, which may include but is not limited to:

6.26.3.10.1. Remained in home.

6.26.3.10.2. Hospitalization.

6.26.3.10.3. Crisis stabilization services.

6.26.3.10.4. Crisis apartment.

6.26.3.10.5. Emergency department.

6.27. The Contractor's performance will be monitored by ensuring eighty (80%) of individuals receive a post-crisis follow up from a member of the Contractor's rapid response team within forty-eight (48) hours of a face-to- face intervention, as identified through Phoenix encounter data.

**7. Adult Assertive Community Treatment (ACT) Teams**

7.1. The Contractor shall maintain Adult ACT Teams that meet the SAMHSA Model and are available twenty-four (24) hours per day, seven (7) days per week, with on-call availability from midnight to 8:00 A.M. The Contractor shall ensure:

7.1.1. Adult ACT Teams deliver comprehensive, individualized, and flexible services, supports, targeted case management, treatment, and rehabilitation in a timely manner as needed, onsite in the individuals' homes and in other natural environments and community settings, or alternatively, via telephone where appropriate to meet the needs of the individual;

7.1.2. Each Adult ACT Team is composed of seven (7) to ten (10) dedicated professionals who make-up a multi-disciplinary team including, a psychiatrist, a nurse, a Masters-level clinician, or functional equivalent therapist, functional support worker and a full time equivalent (FTE) certified peer specialist;

7.1.3. Each Adult ACT Team includes an individual trained to provide substance abuse support services including competency in providing co-occurring groups and individual sessions, and supported employment; and

7.1.4. Caseloads for Adult ACT Teams serve no more than twelve (12) individuals per Adult ACT Team member, excluding the psychiatrist who serves no more than seventy (70) people served per 0.5 FTE psychiatrist, unless otherwise approved by the Department.

7.2. The Contractor shall ensure ACT staff, with the exception of psychiatrist and nurse, receive:

7.2.1. A minimum of 15 hours in basic ACT training within one (1) year of hire date that is consistent with the ACT EBP SAMHSA toolkit approved by BMHS; and

7.2.2. A minimum of 4 hours of advanced ACT training of co-occurring disorders within fifteen (15) months of hire date that is consistent with the ACT EBP SAMSHA toolkit and Integrated Dual Disorder Model approved by BMHS.

7.3. The Contractor shall ensure Adult ACT Teams do not have waitlists for screening purposes and/or admission to the ACT Team. The Contractor shall ensure:

7.3.1. Individuals do not wait longer than 30 days for either assessment or placement;

7.3.2. Work with the Department at identifying solutions and appropriate levels of care for any individual waiting for Adult ACT Team services for more than 30 days in order to meet the demand for services and implement the solutions within forty-five (45) days; and

7.3.3. Individuals receiving services from Adult ACT Team members, if psychiatrically hospitalized, are offered a same day or next day appointment with an Adult ACT Team member upon date of discharge.

7.4. The Contractor shall report its level of compliance with the above listed requirements on a monthly basis at the staff level in the format, and with content, completeness, and timeliness as specified by the Department as part of the Phoenix submissions, which are due no later than the 15th of the month. The Contractor shall:

7.4.1. Ensure services provided by the Adult ACT Team are identified in the Phoenix submissions as part of the ACT cost center;

7.4.2. Screen for ACT per NH Administrative Rule He-M 426:16, or as amended, Assertive Community Treatment (ACT);

7.4.3. Report all ACT screenings with the outcome of the screening to indicate whether the individual is appropriate for ACT, as part of the Phoenix submissions, or in the format, content, completeness, and timelines as specified by the Department;

7.4.4. Make a referral for an ACT assessment within (7) days of:

7.4.4.1. A screening outcome that an individual may be appropriate to receive ACT services; and

7.4.4.2. An individual being referred for an ACT assessment;

7.4.5. Report the outcome of ACT assessments to the Department as part of the Phoenix submissions, in the format, content, completeness, and timelines as specified by the Department;

7.4.6. Ensure all individuals assessed as appropriate for ACT services are admitted to the ACT team caseload and begin receiving ACT services within seven (7) days, with the exception of individuals who decline such services, or are not available to receive such services for reasons that may include, but are not limited to:

7.4.6.1. Extended hospitalization or incarceration.

7.4.6.2. Relocation of individuals out of the Contractor's designated community mental health region; and

7.4.7. Ensure, in the event that admitting the individual to the ACT Team caseload causes the ACT Team to exceed the caseload size limitations specified above, consultation with the Department to seek approval:

7.4.7.1. To exceed caseload size requirements; or

7.4.7.2. To provide alternative services to the individual until the individual can be admitted to the ACT caseload.

**8. Evidence-Based Supported Employment**

8.1. The Contractor shall gather employment status for all adults with Severe Mental Illness (SMI)/Severe Persistent Mental Illness (SPMI) at intake and at least biannually thereafter and when employment status changes.

8.2. The Contractor shall report the employment status for all adults with SMI/SPMI to the Department in the format, content, completeness, and timelines specified by the Department.

8.3. The Contractor shall provide a referral for all individuals who express an interest in receiving Individual Placement and Support Supported Employment (IPS-SE) services to the Supported Employment (SE) team within seven (7) days.

8.4. The Contractor shall deem the individual as waiting for SE services if the SE team cannot accommodate enrollment of SE services, at which time the individual will be added to the waitlist, which is reported to the Department, as specified by the Department.

8.5. The Contractor shall provide IPS-SE to eligible individuals in accordance with the SAMHSA and/or Dartmouth model.

8.6. The Contractor shall ensure IPS-SE services include, but are not limited to:

8.6.1. Job development.

8.6.2. Work incentive counseling.

8.6.3. Rapid job search.

8.6.4. Follow along supports for employed individuals.

8.6.5. Engagement with mental health treatment teams and local NH Vocational Rehabilitation services.

8.7. The Contractor shall ensure IPS-SE services do not have waitlists, ensuring individuals do not wait longer than 30 days for IPS-SE services. If waitlists are identified, Contractor shall:

8.7.1. Work with the Department to identify solutions to meet the demand for services; and

8.7.2. Implement such solutions within 45 days.

8.8. The Contractor shall maintain the penetration rate of individuals receiving supported employment at a minimum of 18.6 percent (18.6%) as per the CMHA agreement.

8.9. The Contractor shall ensure SE staff receive:

8.9.1. A minimum of 15 hours in basic training within one year of hire date as approved by the IPS Employment Center and approved by BMHS; and

8.9.2. A minimum of 7 hours of advanced SE Job Development Training within 15 months of hire as approved by the IPS-SE Employment Center and BMHS.

**9. Coordination of Care from Residential or Psychiatric Treatment Facilities**

9.1. The Contractor shall designate a member of its staff to serve as the primary liaison to New Hampshire Hospital (NHH) and/ or Hampstead Hospital Residential Treatment Facility (HHRTF) who works with the applicable NHH & HHRTF staff, payer(s), guardian(s), other community service providers, and the applicable individual, to assist with coordinating the seamless transition of care for individuals transitioning from NHH and HHRTF to community based services or transitioning to NHH from the community. The Contractor may:

9.1.1. Designate a different liaison for individuals being served through their children's services.

9.2. The Contractor shall not close the case of any individual who is admitted to NHH. Notwithstanding, the Contractor shall be deemed to be in compliance with all NH Administrative He-M 408, Clinical Records rules regarding documentation if it is noted in the record that the individual is an inpatient at NHH or another treatment facility. All documentation requirements as per He-M 408 will be required to resume upon re-engagement of services following the individual's discharge from inpatient care.

9.3. The Contractor shall participate in transitional and discharge planning within 24 hours of admission to an inpatient facility.

9.4. The Contractor shall work with the Department, payers and guardians (if applicable) to review cases of individuals that NHH, HHRTF, Transitional Housing, or alternative treatment facility or the Contractor, have indicated will have difficulty returning to the community to identify barriers to discharge, and to develop an appropriate plan to transition into the community.

9.5. The Contractor shall make a face-to-face appointment available to an individual leaving NHH, HHRTF, Transitional Housing or alternative residential setting who desires to reside in the region served by the Contractor within seven (7) calendar days of receipt of notification of the individual's discharge, or within seven (7) calendar days of the individual's discharge, whichever is later.

9.6. The Contractor shall ensure individuals who are discharged and are new to a CMHC have an intake appointment within seven (7) calendar days. If the individual declines to accept the appointment, declines services, or requests an appointment to be scheduled beyond the seven (7) calendar days, the Contractor may accommodate the individual's request provided the accommodation is clinically appropriate, and does not violate the terms of a conditional discharge. The Contractor's Adult ACT Team must see individuals who are on the ACT caseload and transitioning from NHH into the community within 24 hours of NHH discharge.

9.7. The Contractor shall make all reasonable efforts to ensure that no appropriate bed is available at any other inpatient psychiatric unit, Designated Receiving Facility (DRF) per NH RSA 135-C and NH Administrative Rule He-M 405, Designation of Receiving Facilities, Mobile Crisis Apartment, Peer Support Recovery Center, or Adult Psychiatric Residential Treatment Program (APRTP) prior to referring an individual to NHH.

9.8. The Contractor shall collaborate with NHH to develop and execute conditional discharges from NHH in order to ensure that individuals receive treatment in the least restrictive environment.

9.9. The Contractor shall have all necessary staff members available to receive, evaluate, and treat individuals discharged from NHH and HHRTF seven (7)

days per week, consistent with the provisions in NH Administrative Rule He-M 403 and NH Administrative Rule He-M 426.

9.10. For individuals at NHH who formerly resided in the Contractor's designated community mental health region prior to NHH admission, who have been identified for transition planning to the Glencliff Home, the Contractor shall, at the request of the individual or guardian, or of NHH or Glencliff Home staff, participate in transition planning to determine if the individual can be supported in the Contractor's region with community based services and supports instead of transitioning to the Glencliff Home. In the event the individual would require supports from multiple funding sources or the Department's systems of care, the Contractor shall collaborate with additional Department staff at NHH's request, to address any barriers to discharge the individual to the community.

20.1. The Contractor must submit the following financial statements to the Department on a monthly basis, within thirty (30) calendar days after the end of each month:

20.1.1. Balance Sheet;

20.1.2. Profit and Loss Statement for the Contractor's entire organization that includes:

20.1.2.1. All revenue sources and expenditures; and

20.1.2.2. A budget column allowing for budget to actual analysis;

20.1.3. Profit and Loss Statement for the Program funded under this Agreement that includes:

20.1.3.1. All revenue sources and all related expenditures for the Program; and

20.1.3.2. A budget column allowing for budget to actual analysis; and

20.1.4. Cash Flow Statement.

20.2. The Contractor must ensure all financial statements are prepared based on the accrual method of accounting and include all the Contractor's total revenues and expenditures, whether or not generated by or resulting from funds provided pursuant to this Agreement.

20.3. The Contractor's fiscal integrity will be evaluated by the Department using the following Formulas and Performance Standards:

20.3.1. Days of Cash on Hand:

20.3.1.1. Definition: The days of operating expenses that can be covered by the unrestricted cash on hand.

20.3.1.2. Formula: Cash, cash equivalents and short-term investments divided by total operating expenditures, less depreciation/amortization and in-kind plus principal payments on debt divided by days in the reporting period. The short-term investments as used above must mature

within three (3) months and should not include common stock.

20.3.1.3. Performance Standard: The Contractor shall have enough cash and cash equivalents to cover expenditures for a minimum of thirty (30) calendar days with no variance allowed.

20.3.2. Current Ratio:

20.3.2.1. Definition: A measure of the Contractor's total current assets available to cover the cost of current liabilities.

20.3.2.2. Formula: Total current assets divided by total current liabilities.

20.3.2.3. Performance Standard: The Contractor shall maintain a minimum current ratio of 1.5:1 with 10% variance allowed.

20.3.3. Debt Service Coverage Ratio:

20.3.3.1. Rationale: This ratio illustrates the Contractor's ability to cover the cost of its current portion of its long-term debt.

20.3.3.2. Definition: The ratio of net income to the year to date debt service.

20.3.3.3. Formula: Net Income plus depreciation/amortization expense plus interest expense divided by year to date debt service (principal and interest) over the next twelve (12) months.

20.3.3.4. Source of Data: The Contractor's monthly financial statements identifying current portion of long-term debt payments (principal and interest).

20.3.3.5. Performance Standard: The Contractor shall maintain a minimum standard of 1.2:1 with no variance allowed.

20.3.4. Net Assets to Total Assets:

20.3.4.1. Rationale: This ratio is an indication of the Contractor's ability to cover its liabilities.

20.3.4.2. Definition: The ratio of the Contractor's net assets to total assets.

20.3.4.3. Formula: Net assets (total assets less total liabilities) divided by total assets.

20.3.4.4. Source of Data: The Contractor's monthly financial statements.

20.3.4.5. Performance Standard: The Contractor shall maintain a minimum ratio of 30:1, with a 20% variance allowed.

20.4. In the event that the Contractor does not meet either:

20.4.1. The Days of Cash on Hand Performance Standard and the Current Ratio Performance Standard for two consecutive months; or

20.4.2. Three or more of any of the Performance Standards for one month, or any one Performance Standard for three consecutive months, then the Contractor must:

20.4.2.1. Meet with Department staff to explain the reasons that the Contractor has not met the standards; and/or

20.4.2.2. Submit a comprehensive corrective action plan within thirty (30) calendar days of receipt of notice from the Department.

20.5. The Contractor must update and submit the corrective action plan to the Department, at least every thirty (30) calendar days, until compliance is achieved. The Contractor must:

20.5.1. Provide additional information to ensure continued access to services as requested by the Department and ensure requested information is submitted to the Department in a timeframe agreed upon by both parties.

20.6. The Contractor must inform the Department by phone and by email within twenty-four (24) hours of when any key Contractor staff learn of any actual or likely litigation, investigation, complaint, claim, or transaction that may reasonably be considered to have a material financial impact on and/or materially impact or impair the ability of the Contractor to perform under this Agreement with the Department.

20.7. The Contractor shall provide its Revenue and Expense Budget within twenty (20) calendar days of the contract effective date.

20.8. The Contractor shall complete the Fiscal Year Revenue and Expense Budget on a form supplied by the Department, which shall include but not be limited to, all the Contractor's cost centers. If the Contractor's cost centers are a combination of several local cost centers, the Contractor shall display them separately as long as the cost center code is unchanged.

20.9. The Contractor shall provide quarterly Revenue and Expense Reports (Budget Form A), within thirty (30) calendar days after the end of each fiscal quarter, defined as July 1 to September 30, October 1 to December 31, January 1 to March 31, and April 1 to June 30.

**21. Reduction or Suspension of Funding**

21.1. In the event that the State funds designated as the Price Limitation in Form P-37, General Provisions, Block 1.8. of the General Provisions are materially reduced or suspended, the Department shall provide prompt written notification to the Contractor of such material reduction or suspension.

21.2. In the event that the reduction or suspension in federal or state funding shall prevent the Contractor from providing necessary services to individuals, the Contractor shall develop a service reduction plan, detailing which necessary services will no longer be available.

21.3. Any service reduction plan is subject to approval from the Department, and shall include, at a minimum, provisions that are acceptable to the Department, with services that include, but are not limited to:

21.3.1. Evaluation of and, if eligible, an individual service plan for all new applicants for services.

21.3.2. Crisis services for all individuals.

21.3.3. Services for individuals who meet the criteria for involuntary admission to a designated receiving facility.

21.3.4. Services to individuals who are on a conditional discharge pursuant to RSA 135-C:50 and NH Administrative Rule He-M 609.

**22. Elimination of Programs and Services by Contractor**

22.1. The Contractor shall provide a minimum thirty (30) calendar day's written notice prior to any reductions in delivery of services, or notice as soon as possible if the Contactor is faced with a more sudden need to reduce delivery of services.

22.2. The Contractor shall consult and collaborate with the Department prior to elimination or reduction of services in order to reach a mutually agreeable solution as to the most effective way to provide necessary services.

22.3. The Department reserves the right to require the Contractor to participate in a mediation process with the Commissioner of the Department of Health and Human Services, and to invoke an additional thirty (30) calendar day extension in the event of a proposal to reduce or eliminate any contracted services.

22.4. If the parties are still unable to come to a mutual agreement within the thirty (30) calendar day extension, the Contractor may proceed with its proposed program change(s) so long as proper notification to eligible individuals is provided.

22.5. The Contractor shall not redirect funds allocated in the budget for the program or service that has been eliminated or substantially reduced to another program or service without the mutual agreement of both parties.

22.6. In the event that an agreement cannot be reached, the Department shall control the expenditure of the unspent funds.

**23. Data Reporting**

23.1. The Contractor shall submit any data identified by the Department to comply with federal or other reporting requirements to the Department or contractor designated by the Department.

23.2. The Contractor shall submit all required data elements to the Department's Phoenix system in compliance with current Phoenix reporting specifications and transfer protocol provided by the Department.

23.3. The Contractor shall submit individual client demographics and all encounter data, including data on both billable and non-billable individual-specific services and rendering staff providers on these encounters, to the Department's Phoenix system, or its successors, in the format, content, completeness, frequency, method and timeliness as specified by the Department. Individual data must include a Medicaid ID number for individuals who are enrolled in Medicaid.

23.4. The Contractor shall include client eligibility with all Phoenix services in alignment with current reporting specifications. For an individual's services to be considered BMHS eligible, SPMI, SMI, Low Utilizer (LU), SED, and Severe Emotional Disturbance Interagency (SEDIA) are acceptable.

23.5. The Contractor shall make any necessary system changes to comply with annual Department updates to the Phoenix reporting specification(s) within 90 days of notification of the new requirements. When a contractor is unable to comply they shall request an extension from the Department that documents the reasons for non-compliance and a work plan with tasks and timelines to ensure compliance.

23.6. The Contractor shall meet all the general requirements for the Phoenix system which include, but are not limited to:

23.6.1. Agreeing that all data collected in the Phoenix system is the property of the Department to use as it deems necessary.

23.6.2. Ensuring data files and records are consistent with reporting specification requirements.

23.6.3. Ensuring that errors in data returned to the Contractor are corrected and resubmitted to the Department within ten (10) business days.

23.6.4. Ensuring data is current and updated in the Contractor's systems as required for federal reporting and other reporting requirements and as specified by the Department.

23.6.5. Participating in Departmental efforts for system-wide data quality improvement.

23.6.6. Implementing quality assurance, system, and process review procedures to validate data submitted to the Department to confirm:

23.6.6.1. All data is formatted in accordance with the file specifications;

23.6.6.2. No records will reject due to illegal characters or invalid formatting; and

23.6.6.3. The Department's tabular summaries of data submitted by the Contractor match the data in the Contractor's system.

23.7. The Contractor shall meet the following standards:

23.7.1. Timeliness: monthly data shall be submitted no later than the fifteenth (15th) of each month for the prior month's data unless otherwise approved by the Department, and the Contractor shall review the Department's tabular summaries within five (5) business days.

23.7.2. Completeness: submitted data must represent at least ninety-eight percent (98%) of billable services provided, and ninety-eight percent (98%) of individuals served by the Contractor. For fields indicated in the reporting specifications as data elements that must be collected in contractor systems, 98% shall be submitted with valid values other than the unknown value. The Department may adjust this threshold through the waiver process described in Section 23.8.

23.7.3. Accuracy: submitted service and member data shall conform to submission requirements for at least ninety-eight percent (98%) of the records, and one-hundred percent (100%) of unique member identifiers shall be accurate and valid.

23.8. The Department may waive requirements for fields in Phoenix on a case by case basis through a written waiver communication that specifies the items being waived. In all circumstances:

23.8.1. The waiver length shall not exceed 180 days.

23.8.2. Where the Contractor fails to meet standards, the Contractor shall submit a corrective action plan within thirty (30) calendar days of being notified of an issue.

23.8.3. After approval of the corrective action plan, the Contractor shall implement the plan.

23.8.4. Failure of the Contractor to implement the plan may require:

23.8.4.1. Another plan; or

23.8.4.2. Other remedies, as specified by the Department.

**24. Privacy Impact Assessment**

24.1. Upon request, the Contractor must allow and assist the Department in conducting a Privacy Impact Assessment (PIA) of its system(s)/application(s)/web portal(s)/website(s) or Department system(s)/application(s)/web portal(s)/website(s) hosted by the Contractor, if Personally Identifiable Information (PII) is collected, used, accessed, shared, or stored. To conduct the PIA the Contractor must provide the Department access to applicable systems and documentation sufficient to allow the Department to assess, at minimum, the following:

24.1.1. How PII is gathered and stored;

24.1.2. Who will have access to PII;

24.1.3. How PII will be used in the system;

24.1.4. How individual consent will be achieved and revoked; and

24.1.5. Privacy practices.

24.2. The Department may conduct follow-up PIAs in the event there are either significant process changes or new technologies impacting the collection, processing or storage of PII.

## Payment Terms

1. This Agreement is funded by:
   1.1. 4.56% Federal funds, PROHEALTH NH, as awarded on 8/25/22, by the Substance Abuse and Mental Health Services Administration, Center for Mental Health Services, ALN 93.243, FAIN H79SM080245.
   1.2. 94.95% General funds.
   1.3. .49% Other funds (Behavioral Health Services Information System).
2. For the purposes of this Agreement the Department has identified:
   2.1. The Contractor as a Subrecipient, in accordance with 2 CFR 200.331.
   2.2. The Agreement as NON-R&D, in accordance with 2 CFR §200.332.
3. The State shall pay the Contractor an amount not to exceed the Price Limitation, specified in Form P-37, General Provisions, Block 1.8 for the services provided by the Contractor pursuant to Exhibit B, Scope of Services.
4. Notwithstanding anything to the contrary herein, the Contractor agrees that funding under this Agreement may be withheld, in whole or in part, in the event of noncompliance with any state or federal law, rule or regulation applicable to the services provided, or if the said services have not been completed in accordance with the terms and conditions of this Agreement.
5. Mental Health Services provided by the Contractor shall be paid in order as follows:
   5.1. For Medicaid enrolled individuals through the Department Medicaid Fee for Service program in accordance with the current, publicly posted Fee for Service (FFS) schedule located at NHMMIS.NH.gov.
   5.2. For Managed Care Organization enrolled individuals, the Contractor shall be reimbursed pursuant to the Contractor's agreement with the applicable Managed Care Organization for such services.
   5.3. For individuals with other health insurance or other coverage for the services they receive, the Contractor will directly bill the other insurance or payors.
   5.4. For individuals without health insurance or other coverage for the services they receive, and for operational costs contained in Exhibits C, Payment Terms, or which the Contractor cannot otherwise seek reimbursement from an insurance or third-party payer, the Contractor will directly bill the Department to access contract funds provided through this Agreement.

6. All Medicaid/MCO invoicing shall follow billing and coding requirements outlined by the Department. For the purpose of Medicaid billing, a unit of service is described in the DHHS published CMH NH Fee Schedule, as may be periodically updated, or as specified in NH Administrative Rule He-M 400. However, for He-M 426.12 Individualized Resiliency and Recovery-Oriented Services (IROS), a Unit of Service is defined as fifteen (15) minutes. The Contractor shall report and bill in whole units. The intervals of time in the table below define how many units to report or bill. All such limits may be subject to additional DHHS guidance or updates as may be necessary to remain in compliance with Medicaid standards.

| Direct Service Time Intervals | Unit Equivalent |
|---|---|
| 0-7 minutes | 0 units |
| 8-22 minutes | 1 unit |
| 23-37 minutes | 2 units |
| 38-52 minutes | 3 units |
| 53-60 minutes | 4 units |

7. Payment shall be for services provided in the fulfillment of this Agreement, as specified in Exhibit B Scope of Work, and in accordance with Table 1 below.

7.1. The table below summarizes the other contract programs and their maximum allowable amounts.

7.6. Behavioral Health Services Information System (BHSIS): BHSIS funds are available for data infrastructure projects or activities, depending upon the receipt of other funds and the criteria for use of those funds, as specified by the Department. Activities may include: costs associated with Phoenix and CANS/ANSA databases such as IT staff time for re-writing, testing, or validating data; software/training purchased to improve data collection; staff training for collecting new data elements.

7.7. MATCH: Funds to be used to support services and trainings outlined in Exhibit B, Scope of Services. The breakdown of this funding for SFY 2024 is outlined below.

| TRAC COSTS | CERTIFICATION OR RECERTIFICATION | TOTAL REIMBURSEMENT |
|---|---|---|
| $2,500 | $250/Person X 10 People = $2,500 | $5,000 |

7.8. RENEW Sustainability Continuation: The Department shall reimburse the Contractor for RENEW Activities Outlined in Exhibit B. Renew costs will be billed in association with each of the following items, not to exceed $6,000 annually. Funding can be used for staff training; training of new Facilitators; training for an Internal Coach; coaching IOD for Facilitators, Coach, and Implementation Teams; and travel costs

7.9. General Training Funding: Funds are available to support any general training needs for staff. Focus should be on trainings needed to retain and expand expertise of current staff or trainings needed to obtain staff for vacant positions.

7.10. System Upgrade Funding: Funds are available to support software, hardware, and data upgrades to support items outlined in Exhibit B, Scope of Services, Data Reporting. Funds may also be used to support system upgrades to ensure accurate insurance billing occurs. Funds will be paid at a flat monthly rate of $1,250 upon successful submission and validation of monthly Phoenix reports with the Department.

7.11. System of Care 2.0: Funds are available in SFY 2024 to support a School Liaison position and associated program expenses as outlined in the below budget table.

| | |
|---|---|
| Clinical training for expansion of MATCH-ADTC (Modular Approach to Therapy for Children with Anxiety, Depression, Trauma, or Conduct Problems) program | $5,000.00 |
| Indirect Costs (not to exceed 6%) | $300.00 |
| **Total** | **$5,300.00** |

7.12. ProHealth NH: Payment for ProHealth services shall be made monthly throughout the duration of the grant period, which ends September 29, 2023 as follows:

7.12.1. Payment shall be on a cost reimbursement basis for actual expenditures incurred in the fulfillment of programming as outlined in Exhibit B, Scope of Services, and shall be in accordance with Exibit C-1, Budget.

7.12.2. The Contractor agrees to keep records of their activities related to Department programs and services.

7.13. Payment for each contracted service in the above table shall be made on a cost reimbursement basis only, for allowable expenses and in accordance with the Department approved individual program budgets.

8. The Contractor shall provide its Revenue and Expense Budget within twenty (20) calendar days of the contract effective date.

8.1. The Contractor shall complete the Fiscal Year Revenue and Expense Budget on a form supplied by the Department, which shall include but not be limited to, all the Contractor's cost centers. If the Contractor's cost centers are a combination of several local cost centers, the Contractor shall display them separately as long as the cost center code is unchanged.

8.2. The Contractor shall provide quarterly Revenue and Expense Reports (Budget Form A), within thirty (30) calendar days after the end of each fiscal quarter, defined as July 1 to September 30, October 1 to December 31, January 1 to March 31, and April 1 to June 30.

9. The Contractor shall submit an invoice with supporting documentation to the Department no later than the fifteenth (15th) working day of the month following the month in which the services were provided. The Contractor shall ensure each invoice:

9.1. Includes the Contractor's Vendor Number issued upon registering with New Hampshire Department of Administrative Services.

9.2. Is submitted in a form that is provided by or otherwise acceptable to the Department.

9.3. Identifies and requests payment for allowable costs incurred in the previous month.

9.4. Includes supporting documentation of allowable costs with each invoice that may include, but are not limited to, time sheets, payroll records, receipts for purchases, and proof of expenditures, as applicable.

9.5. Is completed, dated and returned to the Department with the supporting documentation for allowable expenses to initiate payment.

9.6. Is assigned an electronic signature, includes supporting documentation, and is emailed to dhhs.dbhinvoicesmhs@dhhs.nh.gov or mailed to:

Financial Manager
Department of Health and Human Services
129 Pleasant Street
Concord, NH 03301

10. The Department shall make payments to the Contractor within thirty (30) days of receipt of each invoice and supporting documentation for authorized expenses, subsequent to approval of the submitted invoice.

11. The final invoice and supporting documentation for authorized expenses shall be due to the Department no later than forty (40) days after the contract Completion Date specified in Form P-37, General Provisions Block 1.7.

12. Notwithstanding Paragraph 17 of the General Provisions Form P-37, changes limited to adjusting amounts within the price limitation and adjusting encumbrances between State Fiscal Years and budget class lines through the Budget Office may be made by written agreement of both parties, without obtaining approval of the Governor and Executive Council, if needed and justified.

13. Audits

13.1. The Contractor must email an annual audit to dhhs.act@dhhs.nh.gov if any of the following conditions exist:

13.1.1. Condition A - The Contractor expended $750,000 or more in federal funds received as a subrecipient pursuant to 2 CFR Part 200, during the most recently completed fiscal year.

13.1.2. Condition B - The Contractor is subject to audit pursuant to the requirements of NH RSA 7:28, III-b, pertaining to charitable organizations receiving support of $1,000,000 or more.

13.1.3. Condition C - The Contractor is a public company and required by Security and Exchange Commission (SEC) regulations to submit an annual financial audit.

13.2. If Condition A exists, the Contractor shall submit an annual Single Audit performed by an independent Certified Public Accountant (CPA) to dhhs.act@dhhs.nh.gov within 120 days after the close of the Contractor's fiscal year, conducted in accordance with the requirements of 2 CFR Part 200, Subpart F of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal awards.

13.2.1. The Contractor shall submit a copy of any Single Audit findings and any associated corrective action plans. The Contractor shall submit quarterly progress reports on the status of implementation of the corrective action plan.

13.3. If Condition B or Condition C exists, the Contractor shall submit an annual financial audit performed by an independent CPA within 120 days after the close of the Contractor's fiscal year.

13.4. In addition to, and not in any way in limitation of obligations of the Agreement, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department all payments made under the Agreement to which exception has been taken, or which have been disallowed because of such an exception.

## CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

**ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS**

**US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS**
**US DEPARTMENT OF EDUCATION - CONTRACTORS**
**US DEPARTMENT OF AGRICULTURE - CONTRACTORS**

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services
129 Pleasant Street,
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
   1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
   1.2. Establishing an ongoing drug-free awareness program to inform employees about
      1.2.1. The dangers of drug abuse in the workplace;
      1.2.2. The grantee's policy of maintaining a drug-free workplace;
      1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
      1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
   1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
   1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
      1.4.1. Abide by the terms of the statement; and
      1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
   1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

Vendor Initials: WG
Date: 5/23/2023

has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

1.6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 1.4.2, with respect to any employee who is so convicted

1.6.1. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

1.6.2. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

1.7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1.1, 1.2, 1.3, 1.4, 1.5, and 1.6.

2. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor).

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor), the undersigned shall complete and submit Standard Form LLL, (Disclosure Form to Report Lobbying, in accordance with its instructions, attached and identified as Standard Exhibit E-I.)

3. The undersigned shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

## CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
    - 11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
    - 11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
    - 11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (l)(b) of this certification; and
    - 11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
    - 13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
    - 13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

## CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;

- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;

- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;

- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

## CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1000 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Contractor identified in Section 1.3 of the General Provisions agrees, by signature of the Contractor's representative as identified in Section 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this contract, the Contractor agrees to make reasonable efforts to comply with all applicable provisions of Public Law 103-227, Part C, known as the Pro-Children Act of 1994.

m. "Secretary" shall mean the Secretary of the Department of Health and Human Services or his/her designee.

n. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 CFR Part 164, Subpart C, and amendments thereto.

o. "Unsecured Protected Health Information" means protected health information that is not secured by a technology standard that renders protected health information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

p. Other Definitions - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH
Act.

(2) **Business Associate Use and Disclosure of Protected Health Information.**

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:
   I. For the proper management and administration of the Business Associate;
   II. As required by law, pursuant to the terms set forth in paragraph d. below; or
   III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) Obligations and Activities of Business Associate.

a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- The unauthorized person used the protected health information or to whom the disclosure was made;
- Whether the protected health information was actually acquired or viewed
- The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI.

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity.

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Exhibit I.

## CERTIFICATION REGARDING THE FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA) COMPLIANCE

The Federal Funding Accountability and Transparency Act (FFATA) requires prime awardees of individual Federal grants equal to or greater than $25,000 and awarded on or after October 1, 2010, to report on data related to executive compensation and associated first-tier sub-grants of $25,000 or more. If the initial award is below $25,000 but subsequent grant modifications result in a total award equal to or over $25,000, the award is subject to the FFATA reporting requirements, as of the date of the award.

In accordance with 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), the Department of Health and Human Services (DHHS) must report the following information for any subaward or contract award subject to the FFATA reporting requirements:

1. Name of entity
2. Amount of award
3. Funding agency
4. NAICS code for contracts / CFDA program number for grants
5. Program source
6. Award title descriptive of the purpose of the funding action
7. Location of the entity
8. Principle place of performance
9. Unique identifier of the entity (UEI #)
10. Total compensation and names of the top five executives if:
    - 10.1. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than $25M annually and
    - 10.2. Compensation information is not already available through reporting to the SEC.

Prime grant recipients must submit FFATA required data by the end of the month, plus 30 days, in which the award or award amendment is made.

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of The Federal Funding Accountability and Transparency Act, Public Law 109-282 and Public Law 110-252, and 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

The below named Contractor agrees to provide needed information as outlined above to the NH Department of Health and Human Services and to comply with all applicable provisions of the Federal Financial Accountability and Transparency Act.

## DHHS Information Security Requirements

A. Definitions

The following terms may be reflected and have the described meaning in this document:

1. "Breach" means the loss of control, compromise, unauthorized disclosure, unauthorized acquisition, unauthorized access, or any similar term referring to situations where persons other than authorized users and for an other than authorized purpose have access or potential access to personally identifiable information, whether physical or electronic. With regard to Protected Health Information, "Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

2. "Computer Security Incident" shall have the same meaning "Computer Security Incident" in section two (2) of NIST Publication 800-61, Computer Security Incident Handling Guide, National Institute of Standards and Technology, U.S. Department of Commerce.

3. "Confidential Information" or "Confidential Data" means all non-public information owned, managed, created, received for or on behalf of, the Department that is protected by information security, privacy or confidentiality rules, Agreement and state and federal laws or policy. This information may include but is not limited to, derivative data, Protected Health Information (PHI), Personally Identifiable Information (PII), Substance Use Disorder Information (SUD), Federal Tax Information, Social Security Administration, and CJIS (Criminal Justice Information Services) data, including the copy of information submitted known as the Phoenix Data. Confidential Information or Confidential Data shall not include medical records produced and maintained by the contractor in the course of their practice or information owned by the patient/client. Contractor shall be solely responsible for the administration and secure maintenance of such medical and other records produced and maintained by the contractor. "End User" means any person or entity (e.g., contractor, contractor's employee, business associate, subcontractor, other downstream user, etc.) that receives Confidential Data in accordance with the terms of this Contract.

4. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder.

5. "Incident" means an act that potentially violates an explicit or implied security policy, which includes attempts (either failed or successful) to gain unauthorized access to a system or its data, unwanted disruption or denial of service, the unauthorized use of a system for the processing or storage of data; and changes to system hardware, firmware, or software characteristics without the owner's knowledge, instruction, or consent. Incidents include the loss of data through theft or device misplacement, loss or misplacement of hardcopy documents, and misrouting of physical or electronic mail, all of which may have the potential to put the data at risk of unauthorized access, use, disclosure, modification or destruction.

6. "Open Wireless Network" means any network or segment of a network that is not designated by the State of New Hampshire's Department of Information Technology or delegate as a protected network (designed, tested, and approved, by means of the State, to transmit) will be considered an open network and not adequately secure for the transmission of unencrypted PI, PFI, PHI or Confidential Data.

7. "Personal Information" (or "PI") means information which can be used to distinguish or trace an individual's identity, such as their name, social security number, personal information as defined in New Hampshire RSA 359-C:19, biometric records, etc., alone, or when combined with other personal or identifying information which is linked or linkable to a specific individual, such as date and place of birth, mother's maiden name, etc.

8. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 C.F.R. Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

9. "Protected Health Information" (or "PHI") has the same meaning as provided in the definition of "Protected Health Information" in the HIPAA Privacy Rule at 45 C.F.R. § 160.103.

10. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 C.F.R. Part 164, Subpart C, and amendments thereto.

11. "Unsecured Protected Health Information" means Protected Health Information that is not secured by a technology standard that renders Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

## I. RESPONSIBILITIES OF DHHS AND THE CONTRACTOR

A. Business Use and Disclosure of Confidential Information.

1. The Contractor must not use, disclose, maintain or transmit Confidential Information except as reasonably necessary as outlined under this Contract. Further, Contractor, including but not limited to all its directors, officers, employees and agents, must not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

2. The Contractor must not disclose any Confidential Information in response to a request for disclosure on the basis that it is required by law, in response to a subpoena, etc., without first notifying DHHS so that DHHS has an opportunity to consent or object to the disclosure.

3. Omitted.
4. The Contractor agrees that Confidential Data or derivative there from disclosed to an End User must only be used pursuant to the terms of this Contract.
5. The Contractor agrees Confidential Data obtained under this Contract may not be used for any other purposes that are not indicated in this Contract.
6. The Contractor agrees to grant access to the Confidential Data to the authorized representatives of DHHS for the purpose of inspecting to confirm compliance with the terms of this Contract.

## II. METHODS OF SECURE TRANSMISSION OF DATA

1. Application Encryption. If End User is transmitting Confidential Data between applications, the Contractor attests the applications have been evaluated by an expert knowledgeable in cyber security and that said application's encryption capabilities ensure, secure transmission via the internet.
2. Computer Disks and Portable Storage Devices. End User may not use computer disks or portable storage devices, such as a thumb drive, as a method of transmitting Confidential Data.
3. Encrypted Email. End User may only employ email to transmit Confidential Data if email is encrypted and being sent to and being received by email addresses of persons authorized to receive such information.
4. Encrypted Web Site. If End User is employing the Web to transmit Confidential Data, the secure socket layers (SSL) must be used and the web site must be secure. SSL encrypts data transmitted via a Web site.
5. File Hosting Services, also known as File Sharing Sites. End User may not use file hosting services, such as Dropbox or Google Cloud Storage, to transmit Confidential Data.
6. Ground Mail Service. End User may only transmit Confidential Data via *certified* ground mail within the continental U.S. and when sent to a named individual.
7. Laptops and PDA. If End User is employing portable devices to transmit Confidential Data said devices must be encrypted and password-protected.
8. Open Wireless Networks. End User may not transmit Confidential Data via an open wireless network. End User must employ a virtual private network (VPN) when remotely transmitting via an open wireless network.
9. Remote User Communication. If End User is employing remote communication to access or transmit Confidential Data, a virtual private network (VPN) must be installed on the End User's mobile device(s) or laptop from which information will be transmitted or accessed.
10. SSH File Transfer Protocol (SFTP), also known as Secure File Transfer Protocol. If

End User is employing an SFTP to transmit Confidential Data, End User will structure the Folder and access privileges to prevent inappropriate disclosure of information. SFTP folders and sub-folders used for transmitting Confidential Data will be coded for 24-hour auto-deletion cycle (i.e. Confidential Data will be deleted every 24 hours).

11. Wireless Devices. If End User is transmitting Confidential Data via wireless devices, all data must be encrypted to prevent inappropriate disclosure of information.

## III. RETENTION AND DISPOSITION OF IDENTIFIABLE RECORDS

The Contractor will only retain the Confidential Data for the duration of this Contract. After such time, the Contractor will have 30 days to destroy the Confidential Data, unless, otherwise required by law or permitted under this Contract. If it is infeasible to return or destroy the Confidential Data, protections pursuant to this Information Security Requirements Exhibit survive this contract. To this end, the parties must:

A. Retention

1. The Contractor agrees it will not store, transfer or process Confidential Data collected in connection with the services rendered under this Contract outside of the United States. This physical location requirement shall also apply in the implementation of cloud computing, cloud service or cloud storage capabilities, and includes backup data and Disaster Recovery locations.
2. The Contractor agrees to ensure proper security monitoring capabilities are in place to detect potential security events that can impact Confidential Data State of NH systems and/or Department confidential information for contractor provided systems.
3. The Contractor agrees to provide security awareness and education for its End Users in support of protecting Confidential Data
4. The Contractor agrees to retain all electronic and hard copies of Confidential Data in a secure location.
5. The Contractor agrees Confidential Data stored in a Cloud must be in a FedRAMP/HITECH compliant solution and comply with all applicable statutes and regulations regarding the privacy and security. All servers and devices must have currently-supported and hardened operating systems, the latest anti-viral, anti-hacker, anti-spam, anti-spyware, and anti-malware utilities. The environment, as a whole, must have aggressive intrusion-detection and firewall protection.
6. The Contractor agrees to and ensures its complete cooperation with the State's Chief Information Officer in the detection of any security vulnerability of the hosting infrastructure.

B. Disposition

1. If the Contractor will maintain any Confidential Information on its systems (or its sub-contractor systems), the Contractor will maintain a documented process for securely disposing of such Confidential Data upon request or contract termination; and will obtain written certification for any Confidential Data destroyed by the Contractor or any subcontractors as a part of ongoing, emergency, and or disaster recovery operations. When no longer in use, electronic media containing Confidential Data shall be rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure deletion and media sanitization, or otherwise physically destroying the media (for example, degaussing) as described in NIST Special Publication 800-88, Rev 1, Guidelines for Media Sanitization, National Institute of Standards and Technology, U. S. Department of Commerce. The Contractor will document and certify in writing at time of the Confidential Data destruction, and will provide written certification to DHHS upon request. The written certification will include all details necessary to demonstrate Confidential Data has been properly destroyed and validated. Where applicable, regulatory and professional standards for retention requirements will be jointly evaluated by the State and Contractor prior to destruction.
2. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to destroy all hard copies of Confidential Data using a secure method such as shredding.
3. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to completely destroy all electronic Confidential Data by means of data erasure, also known as secure data wiping.

## IV. PROCEDURES FOR SECURITY

A. Contractor agrees to safeguard the Confidential Data received under this Contract, as follows:

1. The Contractor will maintain proper security controls to protect Confidential Data collected, processed, managed, and/or stored in the delivery of contracted services.
2. The Contractor will maintain policies and procedures to protect Confidential Data throughout the information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the Confidential Data (i.e., tape, disk, paper, etc.).
3. The Contractor will maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Confidential Data where applicable.
4. The Contractor will ensure proper security monitoring capabilities are in place to detect potential security events that can impact Confidential Data, State of NH systems and/or Department confidential information for contractor provided systems.

5. The Contractor will provide regular security awareness and education for its End Users in support of protecting Confidential Data.

6. If the Contractor will be sub-contracting any core functions of the engagement supporting the services for State of New Hampshire, the Contractor will maintain a program of an internal process or processes that defines specific security expectations, and monitoring compliance to security requirements that at a minimum match those for the Contractor, including breach notification requirements.

7. The Contractor will work with DHHS to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any DHHS system(s). Agreements will be completed and signed by the Contractor and any applicable sub-contractors prior to system access being authorized.

8. If DHHS determines the Contractor is a Business Associate pursuant to 45 CFR 160.103, the Contractor will execute a HIPAA Business Associate Agreement (BAA) with DHHS and is responsible for maintaining compliance with the agreement.

9. Omitted.

10. The Contractor will not store, knowingly or unknowingly, any Confidential Data or State of New Hampshire data offshore or outside the boundaries of the United States unless prior express written consent is obtained from the Information Security Office leadership member within DHHS.

11. Data Security Breach Liability. In the event of any security breach Contractor shall make efforts to investigate the causes of the breach, promptly take measures to prevent future breach and minimize any damage or loss resulting from the breach. The State shall recover from the Contractor all costs of response and recovery from the breach, including but not limited to: credit monitoring services, mailing costs and costs associated with website and telephone call center services necessary due to the breach.

12. Contractor must, comply with all applicable statutes and regulations regarding the privacy and security of Confidential Information, and must in all other respects maintain the privacy and security of PI and PHI at a level and scope that is not less than the level and scope of requirements applicable to federal agencies, including, but not limited to, provisions of the Privacy Act of 1974 (5 U.S.C. § 552a), DHHS Privacy Act Regulations (45 C.F.R. §5b), HIPAA Privacy and Security Rules (45 C.F.R. Parts 160 and 164) that govern protections for individually identifiable health information and as applicable under State law.

13. Contractor agrees to establish and maintain appropriate administrative, technical, and physical safeguards to protect the confidentiality of the Confidential Data and to prevent

unauthorized use or access to it. The safeguards must provide a level and scope of security that is not less than the level and scope of security requirements established by the State of New Hampshire, Department of Information Technology. Refer to Vendor Resources/Procurement at https://www.nh.gov/doit/vendor/index.htm for the Department of Information Technology policies, guidelines, standards, and procurement information relating to vendors.

14. Contractor agrees to maintain a documented breach notification and incident response process. The Contractor will notify the State's Privacy Officer and the State's Security Officer of any security breach immediately, at the email addresses provided in Section VI. This includes a confidential information breach, computer security incident, or suspected breach which affects or includes any Confidential Data or State of New Hampshire systems that connect to the State of New Hampshire network.

15. Contractor must restrict access to the Confidential Data obtained under this Contract to only those authorized End Users who need such Confidential Data to perform their official duties in connection with purposes identified in this Contract.

16. The Contractor must ensure that all End Users:

    a. comply with such safeguards as referenced in Section IV A. above, implemented to protect Confidential Information that is furnished by DHHS under this Contract from loss, theft or inadvertent disclosure.

    b. safeguard this information at all times.

    c. ensure that laptops and other electronic devices/media containing PHI, PI, or PFI are encrypted and password-protected.

    d. send emails containing Confidential Information only if encrypted and being sent to and being received by email addresses of persons authorized to receive such information.

    e. limit disclosure of the Confidential Information to the extent permitted by law.

    f. Confidential Information received under this Contract and individually identifiable Confidential Data, must be stored in an area that is physically and technologically secure from access by unauthorized persons during duty hours as well as non-duty hours (e.g., door locks, card keys, biometric identifiers, etc.).

    g. only authorized End Users may transmit the Confidential Data, and in all cases, such Confidential Data must be encrypted at all times when in transit, at rest, or when stored on portable media as required in section IV above.

    h. in all other instances Confidential Data must be maintained, used and disclosed using appropriate safeguards, as determined by a risk-based assessment of the circumstances involved.

    i. understand that their user credentials (user name and password) must not be shared with anyone. End Users will keep their credential information secure.

This applies to credentials used to access the site directly or indirectly through a third party application.

Contractor is responsible for oversight and compliance of their End Users. DHHS reserves the right to conduct onsite inspections to monitor compliance with this Contract, including the privacy and security requirements provided in herein, HIPAA, and other applicable laws and Federal regulations until such time the Confidential Data is disposed of in accordance with this Contract.

## V. LOSS REPORTING

A. The Contractor must notify NH DHHS Information Security via the email address provided in this Exhibit, of any known or suspected Incidents or Breaches immediately after the Contractor has determined that the aforementioned has occurred and that Confidential Data may have been exposed or compromised.

1. Parties acknowledge and agree that unless notice to the contrary is provided by DHHS in its sole discretion to Contractor, this Section V.A.1 constitutes notice by Contractor to DHHS of the ongoing existence and occurrence or attempts of Unsuccessful Security Incidents for which no additional notice to DHHS shall be required. "Unsuccessful Security Incidents" means, without limitation, pings and other broadcast attacks on Contractor's firewalls, port scans, unsuccessful log-on attempts, denial of service attacks, and any combination of the above, so long as no such incident results in unauthorized access, use or disclosure of Confidential Data.

B. Per the terms of this Exhibit the Contractor's and End User's security incident and breach response procedures must address how the Contractor will:

1. Identify incidents;

2. Determine if Confidential Data is involved in incidents;

3. Report suspected or confirmed incidents to DHHS as required in this Exhibit. DHHS will provide the Contractor with a NH DHHS Business Associate Incident Risk Assessment Report for completion.

4. Within 24 hours of initial notification to DHHS, email a completed NH DHHS Business Associate Incident Risk Assessment Preliminary Report to the DHHS' Information Security Office at the email address provided herein;

5. Identify and convene a core response group to determine the risk level of incidents and determine risk-based responses to incidents and mitigation measures, prepare to include DHHS in the incident response calls throughout the incident response investigation;

6. Identify incident/breach notification method and timing;

7. Within one business week of the conclusion of the Incident/Breach response investigation a final written Incident Response Report and Mitigation Plan is submitted to DHHS Information Security Office at the email address provided herein;

8. Address and report incidents and/or Breaches that implicate personal information (PI) to DHHS in accordance with NH RSA 359-C:20 and this Agreement;

9. Address and report incidents and/or Breaches per the HIPAA Breach Notification Rule, and the Federal Trade Commission's Health Breach Notification Rule 16 CFR Part 318 and this Agreement.

10. Comply with all applicable state and federal suspected or known Confidential Data loss obligations and procedures.

C. All legal notifications required as a result of a breach of Confidential Data, or potential breach, collected pursuant to this Contract shall be coordinated with the State if caused by the Contractor. The Contractor shall ensure that any subcontractors used by the Contractor shall similarly notify the State of a Breach, or potential Breach immediately upon discovery, shall make a full disclosure, including providing the State with all available information, and shall cooperate fully with the State, as defined above.

## Scope of Services

### 1. Provisions Applicable to All Services

1.1. The Contractor must operate a Community Mental Health Center (CMHC) that provides services intended to promote recovery from mental illness for eligible individuals in the State of New Hampshire for Region 10.

1.2. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the Services described herein, the Department has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

1.3. Prior to termination of this contract the parties will agree on a plan for transition and destruction of data in accordance with Exhibit K.

1.4. The Contractor must provide individualized, recovery-based services and supports in the manner that best allows individuals to stay within their home and community, including, but not limited to providing current treatment and recovery options that are based on scientific research and evidence-based practices (EBPs).

1.5. The Contractor acknowledges the requirements of the Community Mental Health Agreement (CMHA) and must demonstrate progress toward meeting the following terms in the CMHA: 1.) Assertive Community Treatment Teams; 2.) Evidence-Based Supported Employment; 3.) Transition planning for individuals at New Hampshire Hospital and Glencliff Home; and 4.) Supported Housing. Further, the Contractor must participate in annual Quality Service Reviews (QSR) conducted under the terms of the CMHA.

1.6. The Contractor must enter into a capitation model for CMHC services or a PMPM or PPS model if certified as a CCBHC by contracting with all NH Medicaid Managed Care Organizations to support the delivery and coordination of behavioral health services and supports for children, youth, transition-aged youth, young adults, and adults.

1.7. The Contractor must support the integration of physical and behavioral health as a standard of practice, implementing the Substance Abuse and Mental Health Services Administration's (SAMHSA) Six Levels of Collaboration/Integration to the maximum extent feasible.

1.8. The Contractor must ensure that clinical standards and operating procedures are consistent with trauma-informed models of care, as defined by SAMHSA. The clinical standards and operating procedures must reflect a focus on wellness, recovery, and resiliency.

1.9. The Contractor must engage in ongoing implementation, service improvements, and expansion efforts associated with New Hampshire's 10 Year Mental Health Plan, as contracted.

1.10. For the purposes of this agreement, all references to days shall mean business days unless otherwise specified.

1.11. The Contractor must provide individuals and caregivers the opportunity for feedback and leadership within the agency to help improve services in a person-centered manner when applicable and appropriate.

1.12. The Contractor must hire and maintain staffing in accordance with New Hampshire Administrative Rule He-M 403 or as amended.

**2. System of Care for Children's Mental Health**

2.1. The Contractor must collaborate with the Department on the implementation of NH RSA 135-F, System of Care for Children's Mental Health.

2.2. The Contractor must provide services for children, youth, and young adults with serious emotional disturbance (SED) in a manner that aligns with NH RSA 135-F. The Contractor must ensure services are:

2.2.1. Family Driven – services and supports provided in a manner that best meets the needs of the family and the family goals;

2.2.2. Youth Driven – services and supports provided in a manner that best meets the needs of the child, youth, or young adult; and supports their goals;

2.2.3. Community Based – services and supports provided in a manner that best allow children, youth, and young adults to stay within their home and community;

2.2.4. Cultural and Linguistic Competent – services provided in a manner that honors a child, youth, or young adult and their family-identified culture, beliefs, ethnicity, preferred language, gender identity, gender expression, and sexual orientation; and

2.2.5. Trauma-informed.

2.3. The Contractor must collaborate with the Care Management entities providing FAST Forward, Transitional Enhanced Care Coordination (TrECC), and Early Childhood Wraparound (ECW) programing, ensuring services are available for all children and youth enrolled in the programs.

2.4. The Contractor must make referrals to the FAST Forward or ECW programs for any child, youth, or young adult that may be eligible including, but not limited to, children, youth, or young adults who:

2.4.1. Have multisystem involvement;

2.4.2. Are at risk for out-of-home treatment;

2.4.3. Have exhausted community-based services, and/or

2.4.4. Have been psychiatrically hospitalized.

3. **Modular Approach to Therapy for Children with Anxiety, Depression, Trauma, or Conduct Problems (MATCH-ADTC)**

3.1. The Contractor must maintain appropriate levels of certification through an agreement with The Baker Center for Children and Families, through a contract with the Children's Behavioral Health Resource Center.

3.2. The Contractor must maintain use of the Baker Center for Children and Families CHART system, maintained through a contract with the Children's Behavioral Health Resource Center, to support each case with MATCH-ADTC as the identified treatment modality.

3.3. The Contractor must ensure new, current, and incoming staff are utilizing the evidence-based practice of MATCH-ADTC with 30%-60% of Individuals whose needs are clinically appropriate for evidence-based practice.

3.4. The Contractor must invoice Bureau for Children's Behavioral Health (BCBH) through invoicing process outlined for:

3.4.1. The costs for both the certification of incoming therapists and the recertification of existing clinical staff (up to 10 staff) must not exceed the budgeted amount; and

3.4.2. The full cost of the annual fees paid to the Baker Center for Children and Families for the use of their CHART system to support MATCH-ADTC.

4. **Children's Intensive Community-Based Services**

4.1. The Contractor must use the Child and Adolescent Needs and Strengths (CANS) assessment to determine the appropriate level of collaborative care and which children's intensive community-based services are most appropriate.

4.2. The Contractor must provide children's intensive community-based services to children diagnosed with a serious emotional disturbance (SED), with priority given to children who:

4.2.1. Have a history of psychiatric hospitalization or repeated visits to hospital emergency departments (EDs) for psychiatric crisis;

4.2.2. Are at risk for an episode of residential treatment;

4.2.3. Present with significant ongoing difficulties at school including, but not limited to, difficulties that would put the student at risk of out-of-district placement;

4.2.4. Are at risk of interaction with law enforcement; and/or

4.2.5. Have a history of repeated engagement with Rapid Response.

4.3. The Contractor must provide children's intensive community-based services as needed through a full array of services as defined in New Hampshire

Administrative Rule He-M 426, Community Mental Health Services, which include, but are not limited to:

4.3.1. Functional Support Services (FSS).

4.3.2. Individual and family therapy.

4.3.3. Medication services.

4.3.4. Targeted case management (TCM) services.

4.3.5. Supported education.

4.4. The Contractor must provide a minimum of six (6) up to a maximum of ten (10) hours of children's intensive community-based services per week for each eligible individual, as defined in New Hampshire Administrative Rule He-M 426, ensuring more intensive services are provided during the first twelve (12) weeks of enrollment.

4.5. The Contractor must screen adolescents receiving services for substance use utilizing one or more tools as appropriate that include, but are not limited to:

4.5.1. The Car, Relax, Alone, Family, Friends, Trouble (CRAFFT) screening tool for individuals twelve (12) years of age and older, which consists of six (6) screening questions as established by the Center for Adolescent Substance Abuse Research (CeASAR) at Children's Hospital Boston.

4.5.2. The Global Appraisal of Individual Needs – Short Screener (GAIN-SS), which is used by school-based clinicians for individuals referred for substance use.

4.6. The Contractor must provide children's intensive community-based services to individuals and their families to ensure access to an array of community mental health services that include community and natural supports, which effectively support the individuals and their families in the community, in a culturally competent manner.

4.7. The Contractor must conduct and facilitate weekly children's intensive community-based team meetings in order to communicate needs and discuss progress.

**5. Rehabilitation for Empowerment, Education, and Work ("RENEW") Sustainability**

5.1. The Contractor must provide the RENEW intervention with fidelity to transition-aged youth who qualify for state-supported community mental health services in accordance with the University of New Hampshire (UNH) - Institute on Disability (IOD) model.

5.2. The Contractor must ensure RENEW coordinators demonstrate their alignment to and competency in the RENEW model by reaching a score of 80% ~~or higher~~

in domains 1-3 on the RENEW Integrity Tool (RIT) and utilize tools as trained for the practice with the individuals.

5.3. The Contractor must obtain support and coaching as needed from the IOD at UNH to improve the competencies of implementation team members and agency coaches.

**6. Division for Children, Youth and Families (DCYF)**

6.1. The Contractor must provide mental health consultation to staff at the DCYF District Offices related to mental health assessments and/or ongoing treatment for children served by DCYF.

6.2. The Contractor must provide Foster Care Mental Health Assessments for children and youth younger than eighteen (18) years of age who are entering foster care.

**7. Crisis Services**

7.1. If the Contractor has, or enters into, an agreement with a hospital to provide crisis services to eligible individuals, or presumed eligible in the ED, for Medicaid services, the Contractor may bill Medicaid according to fee schedules or Managed Care Organizations (MCO) contracts for services rendered.

7.2. The Contactor must ensure Crisis services provided to eligible or presumed eligible individuals in EDs as part of a contract, other agreement, or other collaborative relationship must not be:

7.2.1. Provided by a CMHC employee whose salary and wages are funded under the contract for Rapid Response.

7.2.2. Included in Rapid Response reporting or data related to Rapid Response.

7.2.3. Routed or otherwise directed through the New Hampshire Rapid Response Access Point (NHRRAP or "Access Point") for dispatch or deployment.

7.3. The Contractor must document crisis services delivered in the ED setting as part of its required submissions to the Department's Phoenix system as described in Section 24, Data Reporting, in a format, and with content, completeness, and timelines specified by the Department, ensuring documented information includes screenings performed, diagnosis codes, and referrals made.

7.4. The Contractor must provide documentation of each collaborative relationship with acute care hospitals in its region, at the request of the Department.

7.5. The Contractor must provide emergency services as defined in NH Administrative Rule He-M 403 and NH Administrative Rule He-M 426.

7.6. As part of the crisis resolution, the Contractor must screen each individual 18 years or older for Assertive Community Treatment (ACT). If clinically appropriate, the Contractor must:

7.6.1. Refer the individual for an expedited ACT assessment and/or intake and treatment upon discharge; or

7.6.2. Inform the appropriate CMHC in order to expedite the ACT assessment and/or intake and treatment upon discharge from ED or inpatient psychiatric or medical care setting, if the individual resides in a region other than the region in which the individual is receiving crisis services.

7.7. The Contractor must not refer an individual for hospitalization at New Hampshire Hospital (NHH) or Hampstead Hospital Residential Treatment Facility (HHRTF) unless the Contractor has determined that NHH or HHRTF is the least restrictive setting in which the individual's immediate psychiatric treatment needs can be met. The Contractor must:

7.7.1. Make all reasonable efforts to ensure no other clinically appropriate bed is available at any other NH inpatient psychiatric unit, Designated Receiving Facility (DRF), Adult Psychiatric Residential Treatment Program (APRTP), Youth Psychiatric Residential Treatment Facility, or other step-up/step-down beds prior to referring an individual to NHH

7.8. The Contractor must provide services to individuals experiencing a psychiatric and/or substance use related crisis through a Rapid Response Team consisting of two (2) specialty-trained crisis responders dispatched by the Access Point, unless responding to sites in accordance with Section 7.28.2.

7.9. The Contractor must ensure Rapid Response Teams meet the two (2) team member minimum, which may include any of the following:

7.9.1. Peer support specialists.

7.9.2. Bachelor's level provider.

7.9.3. Other Rapid Response crisis trained provider.

7.9.4. Master's level provider.

7.10. The Contractor must ensure the availability of a master's level provider, if not a part of the deployed Rapid Response Team, either virtually via videoconferencing or in person to conduct face-to-face assessments.

7.11. The Contractor must ensure Rapid Response Teams have access to on-call psychiatry as needed or clinically appropriate for:

7.11.1. Case consultation;

7.11.2. Emergency medication management, as determined by the prescriber;

7.11.3. Telehealth or video evaluation; and

7.11.4. Conditional Discharge Revocation Process.

7.12. The Contractor must ensure all staff have the necessary qualifications as defined under New Hampshire Administrative Rule He-M Chapter 400, Community Mental Health, Parts 403 and 426.

10.4.1. The Contractor must provide Phase Two (2) CTI services and supports from month four (4) through month six (6) of the CTI program.

10.4.2. The Contractor must reassess the individual's needs and update the Phase Plan.

10.4.3. The Contractor must ensure the individual is actively working on strengthening their relationships with their support network established in Phase 1, by:

10.4.3.1. Teaching and reinforcing the skills necessary in managing their support network; and

10.4.3.2. Assisting with self-advocacy.

10.4.4. The Contractor must communicate with the individual's support network to monitor the individual's ability to maintain relationships with their support network.

10.4.5. The Contractor must decrease the frequency and duration of meetings in correlation with an increase in the individual's sustainable supports.

10.4.6. The Contractor must provide additional community support provider referrals and obtain the associated Releases of Information to the individual as needed to promote self-efficacy.

10.4.7. The Contractor must engage the individual in identifying additional supports that reflect their personal interests, which may include, but are not limited to:

10.4.7.1. Faith and/or spiritual programs.

10.4.7.2. Physical fitness programs.

10.4.7.3. Social clubs.

10.4.7.4. Creative art programming.

10.4.7.5. Education.

10.4.7.6. Employment.

10.4.8. The Contractor must complete a progress note in the EHR for each encounter with the individual, consistent with the Progress Note template fields within the CTI Manual.

10.5. Phase Three (3) CTI Services

10.5.1. The Contractor must provide Phase 3 services and supports from month seven (7) through month nine (9) of the CTI program.

10.5.2. The Contractor must complete a closing note at the close of the individual's case consistent with the Closing Note template fields within the CTI Manual.

10.5.3. The Contractor must continue engaging the individual to ensure they are able to continue living autonomously in their community by developing a long-term plan to:

10.5.3.1. Manage their support network independently: and

10.5.3.2. Achieve recovery goals that remain outstanding.

10.5.4. The Contractor must decrease the frequency and duration of meetings in correlation with an increase in the individual's sustainable supports.

10.5.5. The Contractor must facilitate a final meeting/graduation with the individual within 14 days before or after the 9-month program completion date, to:

10.5.5.1. Acknowledge achievements over the past 9 months; and

10.5.5.2. Ensure the individual can function independently with their support network.

10.5.6. The Contractor must enter a final/graduation or closing due to declining services note in the EHR, consistent with the Closing Note template fields within the CTI Manual, which includes:

10.5.6.1. The steps the individual made that indicate their ability to manage their support network independently;

10.5.6.2. The individual's recovery and transition goals;

10.5.6.3. The individual's experience in CTI;

10.5.6.4. Initial Risk Assessment;

10.5.6.5. Barriers to the Intervention; and

10.5.6.6. A summary of the CTI Intervention.

10.6. CTI Program Inactive, Reactivated, and Closed Statuses

10.6.1. The Contractor must maintain the following criteria and procedures related to an individual's inactive, reactivated and closed statuses:

10.6.1.1. Inactive Status

10.6.1.1.1. If the CTI Coach makes contact with the individual at least once post discharge, but no engagement, defined as at least two (2) attempts by phone or in-person per week, for three (3) weeks occurs, the individual must be considered inactive.

10.6.1.1.2. The CTI Coach must notify the CTI Supervisor, and update the EHR to indicate the inactive status, based on the Contractor's documentation requirements and/or procedures.

10.6.1.1.3. The CTI Supervisor must:

10.6.1.1.3.1. Move the individual to an inactive roster maintained in a location determined by the Contractor;

10.6.1.1.3.2. Conduct outreach to the individual at least once per month for nine (9) months, and close the case at the completion of nine (9) months, defined as from the day of initial discharge; and

10.6.1.1.3.3. Note the individual did not complete the program in the EHR.

10.6.1.2. Reactivated Status

10.6.1.2.1. An individual must be considered reactivated after attending one (1) re-engagement meeting in which the Phase Plan is confirmed to be appropriate and/or updated.

10.6.1.2.2. Once the individual is reactivated, the CTI Supervisor must reassign the individual to the original CTI Coach, if available, or a new CTI Coach, as requested by the individual.

10.6.1.2.3. The reactivated individual must continue the CTI program according to the initial

nine (9) month timeline based on their date of discharge.

10.6.1.2.4. The CTI Coach must update the status in the EHR based on the Contractor's documentation requirements and/or procedures.

10.6.1.2.5. The individual must be closed at the completion of nine (9) months and shall be considered having completed and graduated from the program if they receive:

10.6.1.2.5.1. A minimum of two (2) visits by their CTI Coach, including confirmation that the Phase Plan is appropriate and/ or updated; and

10.6.1.2.5.2. A closing meeting in accordance with the CACTI fidelity self-assessment.

10.6.1.3. Closed Status

10.6.1.3.1. An individual must be considered closed if the individual:

10.6.1.3.1.1. Moved out of state, or the catchment area;

10.6.1.3.1.2. Passed away;

10.6.1.3.1.3. Is hospitalized for an extended period of time as determined by the Contractor;

10.6.1.3.1.4. Transferred to Assertive Community Treatment (ACT) services,

10.6.1.3.1.5. Is incarcerated; or

10.6.1.3.1.6. Has not had contact after discharge for three (3) weeks, including a minimum of two (2)

outreaches per week, and receives a notification letter or is otherwise notified according to the Contractor's closing policy.

10.6.1.3.2. The CTI Coach must update the EHR to indicate the closed status.

10.6.1.3.3. The CTI Supervisor must remove the individual from the CTI Coach's caseload.

10.6.1.3.4. If the individual becomes eligible for CTI again, the Contractor must ensure they are allowed to receive the service.

10.7. CTI Supervisory Scope of Work

10.7.1. The Contractor must ensure the CTI Supervisor conducts weekly team meetings with CTI workers.

10.7.2. The CTI Supervisor conducts a monthly caseload review with CTI team either during the team supervisor meetings or in a separate meeting.

10.7.3. The Contractor must ensure the CTI Supervisor conducts bi-weekly one-on-one supervision with CTI workers. The Contractor must ensure one-on-one supervision outcomes are documented on the CTI Team Supervision form contained within the CTI Manual provided to the Contractor by the Department, and includes:

10.7.3.1. Bi-weekly documentation on required forms that include the:

10.7.3.1.1. Weighted caseload tracker;

10.7.3.1.2. Phase date form; and

10.7.3.1.3. CTI Team Supervision form; and

10.7.3.2. CTI worker's fidelity efforts; and

10.7.3.3. CTI worker's barriers to securing community services and supports for CTI participants.

10.7.4. The Contractor must ensure the CTI Supervisor or another CTI staff acting as the covering CTI Supervisor participates in duties within the scope of CTI that align with the goals of Department. These other duties may include, but are not limited to:

10.7.4.1. New Hampshire Hospital (NHH) Liaison

10.7.4.2. Designated Receiving Facility (DRF)

10.7.4.3. Crisis-related meeting representation and support.

10.7.5. The Contractor must ensure all CTI workers take the CTI Implementation Fidelity Self-Assessment on a quarterly basis as requested by the Department.

10.8. CTI Flexible Needs

10.8.1. When no other payer is available, the Contractor must offer short-term financial relief related to barriers to services on behalf of individuals they serve, which may include but are not limited to:

10.8.1.1. Groceries.

10.8.1.2. Transportation.

10.8.1.3. Childcare.

10.8.1.4. Short-term housing costs, including, but not limited to, security deposits or utility bills.

10.8.1.5. Clothing appropriate for cold weather, job interviews, or work.

10.8.1.6. Other uses pre-approved in writing by the Department.

10.9. CTI Staffing

10.9.1. The Contractor must ensure staffing requirements for staff include at minimum, but are not limited to:

10.9.1.1. CTI Workers hold a bachelor's degree or associate degree with two (2) years of relevant work experience to include but not limited to CMHC experience, work in mental health, peer support, and/or substance-related fields; or as otherwise approved by the Bureau of Mental Health Services.

10.9.1.2. CTI Supervisors hold a master's degree or bachelor's Degree with at least six (6) months of CTI experience, one (1) year of CMHC experience, work in mental health, peer support, and/or substance-related fields, and working under the clinical supervision of a Master's level clinician; or as otherwise approved by the Bureau of Mental Health Services.

10.9.1.3. Three (3) Full Time Equivalent (FTE) CTI Workers, each of whom maintain and manage no more than 20

individuals concurrently, unless otherwise approved by the Department.

10.9.1.4. One (1) 0.5 FTE CTI Supervisor.

10.9.2. The Contractor must ensure all CTI staff:

10.9.2.1. Complete the CTI model training;

10.9.2.2. Attend CTI Team meeting; and

10.9.2.3. Attend Community of Practice (CoP) meetings.

10.9.3. The Contractor must participate in training and skill deployment, as requested by the Department, which includes:

10.9.3.1. A one (1) day CTI worker training;

10.9.3.2. A one (1) day CTI supervisor training;

10.9.3.3. Assist in co-facilitating CTI staff training;

10.9.3.4. CTI Team Lead & Supervisor Cohort Meeting; and

10.9.3.5. Complementary trainings to CTI staff.

**11. Coordination of Care from Residential or Psychiatric Treatment Facilities**

11.1. The Contractor must designate a member of its staff to serve as the primary liaison to New Hampshire Hospital (NHH) and/ or Hampstead Hospital Residential Treatment Facility (HHRTF) who works with the applicable NHH & HHRTF staff, payer(s), guardian(s), other community service providers, and the applicable individual, to assist with coordinating the seamless transition of care for individuals transitioning from NHH and HHRTF to community based services or transitioning to NHH from the community.

11.2. The Contractor may designate a different liaison for individuals being served through their children's services.

11.3. The Contractor must not close the case of any individual who is admitted to NHH. Notwithstanding, the Contractor must be deemed to be in compliance with all NH Administrative He-M Chapter 400 rules regarding, Clinical Records rules regarding documentation if it is noted in the record that the individual is an inpatient at NHH or another treatment facility. All documentation requirements as per He-M Chapter 400 will be required to resume upon re-engagement of services following the individual's discharge from inpatient care.

11.4. The Contractor must participate in transitional and discharge planning within 24 hours of notification of admission to an inpatient facility.

11.5. The Contractor must work with the Department, payers and guardians (if applicable) to review cases of individuals that NHH, HHRTF, Transitional Housing, or alternative treatment facility or the Contractor, have indicated will

have difficulty returning to the community to identify barriers to discharge, and to develop an appropriate plan to transition into the community.

11.6. The Contractor must make a face-to-face appointment available to an individual leaving NHH, HHRTF, Transitional Housing or alternative residential setting who desires to reside in the region served by the Contractor within seven (7) calendar days of receipt of notification of the individual's discharge, or within seven (7) calendar days of the individual's discharge, whichever is later.

11.7. The Contractor must ensure individuals who are discharged and are new to a CMHC have an offer of intake appointment within seven (7) calendar days. If the individual declines to accept the appointment, declines services, or requests an appointment to be scheduled beyond the seven (7) calendar days, the Contractor may accommodate the individual's request provided the accommodation is clinically appropriate, and does not violate the terms of a conditional discharge. The Contractor's Adult ACT Team must see individuals who are on the ACT caseload and transitioning from NHH into the community within 24 hours of NHH discharge.

11.8. The Contractor must make all reasonable efforts to ensure that no appropriate bed is available at any other inpatient psychiatric unit; Designated Receiving Facility (DRF) per NH RSA 135-C and NH Administrative Rule He-M 405, Designation of Receiving Facilities; Peer Support Recovery Center; or Adult Psychiatric Residential Treatment Program (APRTP) prior to referring an individual to NHH.

11.9. The Contractor must collaborate with NHH to develop and execute appropriate conditional discharges from NHH in order to ensure that individuals receive treatment in the least restrictive environment.

11.10. The Contractor must have staff members available to receive, evaluate, and treat individuals discharged from NHH and HHRTF seven (7) calendar days per week, consistent with the provisions in NH Administrative Rule He-M 403 and NH Administrative Rule He-M 426.

11.11. For individuals at NHH who formerly resided in the Contractor's designated community mental health region prior to NHH admission, who have been identified for transition planning to the Glencliff Home, the Contractor must, at the request of the individual or guardian, or of NHH or Glencliff Home staff, participate in transition planning to determine if the individual can be supported in the Contractor's region with community based services and supports instead of transitioning to the Glencliff Home. In the event the individual would require supports from multiple funding sources or the Department's systems of care, the Contractor must collaborate with additional Department staff at NHH's request, to address any barriers to discharge the individual to the community.

## 12. Coordinated Care and Integrated Treatment

12.1. Primary Care

12.1.1. The Contractor must request written consent from each individual to allow the designated primary care provider to release information for the purpose of coordinating care regarding mental health services or substance misuse services or both.

12.1.2. The Contractor must support each individual with linking to an available primary care provider, if the individual does not have an identified primary care provider, to:

12.1.2.1. Monitor health;

12.1.2.2. Provide medical treatment as necessary; and

12.1.2.3. Engage in preventive health screenings.

12.1.3. The Contractor must consult with each primary care provider at least annually, or as necessary, to integrate care between mental and physical health for each individual, which may include the exchange of pertinent information including, but not limited to medication changes or changes in the individual's medical condition.

12.1.4. The Contractor must document on the release of information form the reason(s) written consent to release information was refused in the event an individual refuses to provide consent to release information.

12.2. Substance Misuse Treatment, Care and/or Referral

12.2.1. The Contractor must provide services and meet requirements to address substance misuse and to support recovery intervention implementation, which include, but are not limited to:

12.2.1.1. Screening no less than 95% of eligible individuals for substance misuse at the time of intake, and annually thereafter.

12.2.1.2. Conducting a full assessment for substance misuse disorder and associated impairments for each individual that screens positive for substance use.

12.2.1.3. Developing an individualized service plan for each eligible individual based on information from substance misuse screening

12.2.2. The Contractor must utilize the SAMSHA evidence-based models for Co-Occurring Disorders Treatment to develop treatment plans with individuals and to provide an array of evidence-based

interventions that enhance recovery for individuals and follow the fidelity standards to such a model.

12.2.3. The Contractor must make all appropriate referrals if the individual requires additional substance use disorder care utilizing the current New Hampshire system of care, and ensuring linkage to and coordination with resources.

12.3. Area Agencies

12.3.1. The Contractor must collaborate with the Area Agency that serves the region to address processes that include:

12.3.1.1. Enrolling individuals for services who are dually eligible for both organizations;

12.3.1.2. Ensuring transition-aged individuals are screened for the presence of mental health and developmental supports and refer, link and support transition plans for youth leaving children's services into adult services identified during screening;

12.3.1.3. Following the "Protocol for Extended Department Stays for Individuals served by Area Agency" issued December 1, 2017 by the State of New Hampshire Department of Health and Humans Services, as implemented by the regional Area Agency;

12.3.1.4. Facilitating collaborative discharge planning meetings to assess individuals who are leaving NHH to re-engage them with both the CMHC and Area Agency representatives;

12.3.1.5. Ensuring annual training is designed and completed for intake, eligibility, and case management for dually diagnosed individuals and that attendee's include intake clinicians, case-managers, service coordinators and other frontline staff identified by both CMHC's and Area Agencies. The Contractor must ensure the training utilizes the Diagnostic Manual for Intellectual Disability 2 that is specific to intellectual disabilities, in conjunction with the DSM V-TR;

12.3.1.6. Planning for each person who receives dual case management by outlining the responsibilities of each organization and expectations for collaboration between the organizations; and

12.3.1.7. Participating in shared service annual treatment meetings to assess quality and progress towards

treatment goals as well as monitoring continued need for dual services when waivers are required for services between agencies.

12.4. Peer Supports

12.4.1. The Contractor must actively promote recovery principles and integrate peers throughout the agency, which includes, but is not limited to:

12.4.1.1. Employing individuals with mental health lived experience as integrated members of the CMHC treatment team(s) in the role of certified peer support specialist with the ability to deliver one-on-one face-to-face interventions that facilitate the development and use of recovery-based goals and care plans and explore treatment engagement and connections with natural supports.

12.4.1.2. Establishing referral and resource relationships with the local Peer Support Agencies, including any Peer Respite, Recovery Oriented Step-up/Step-down programs, and Clubhouse Centers and promote the availability of these services.

12.4.2. The Contractor must submit a peer support staff tracking document, as supplied by or otherwise approved by the Department as requested.

12.5. Transition of Care with MCO's

12.5.1. The Contractor must ensure ongoing coordination occurs with the MCO Care Managers to support care coordination among and between services providers.

**13. Deaf Services**

13.1. The Contractor must work with the Deaf Services Team, employed by Region 6, for all individuals seeking services who would benefit from receiving treatment in American Sign Language (ASL) or from staff who are specially trained to work with the deaf and hard of hearing population.

13.2. The Contractor must work with the Deaf Services Team in Region 6 for disposition and treatment planning, as appropriate.

13.3. The Contractor must ensure treatment plans take the importance of access to culturally and linguistically appropriate services on treatment outcomes into consideration.

13.4. The Contractor must ensure services are person-directed, which may result in:

13.4.1. Individuals being seen only by the Deaf Services Team through CMHC Region 6;

13.4.2. Care being shared across the regions; or

13.4.3. The individual's local CMHC providing care after consultation with the Deaf Services Team.

**14. Helping Overcome Psychosis Early (HOPE) Program Service - Early Serious Mental Illness/First Episode Psychosis – Coordinated Specialty Care (ESMI/FEP – CSC) Services**

14.1. The Contractor must provide services using a Department-approved Coordinated Specialty Care (CSC) model and implement the model of treatment for individuals with Early Serious Mental Illness (ESMI) and First Episode Psychosis (FEP) (EMSI/FEP – CSC) under the name HOPE Program.

14.2. The Contractor must identify staff to deliver HOPE services and to participate in intensive evidence-based ESMI/FEP - CSC training and consultation, as designated by the Department.

14.3. The Contractor must participate in meetings, no less than on a quarterly basis, with the Department to ensure program implementation, enrollment, and updates relative to ongoing activities.

14.4. The Contractor must ensure the HOPE team includes roles in accordance with the CSC model including, but not limited to:

14.4.1. CSC team leader.

14.4.2. CSC case worker.

14.6. The Contractor must enroll and consistently serve a minimum of twenty (20) individuals at any given time in the ESMI/FEP program, unless otherwise approved by the Department.

14.7. The Contractor must ensure the HOPE program conducts education and assertive outreach to community organizations to facilitate referrals and to support rapid enrollment of individuals with new onset of psychosis or ESMI to the program to ensure enrollment of ten (10) new individuals and/or maintenance of 90% program capacity throughout the year.

14.8. The Contractor must accept enrollees residing outside the Contractor's catchment areas when appropriate. The Contractor must ensure the HOPE programs' treatment model involves a team structure focused on:

14.8.1. Principles of shared decision-making;

14.8.2. Strengths and resiliency;

14.8.3. Recognition of the need for motivational enhancement;

14.8.4. Psychoeducational approach;

14.8.5. Cognitive behavioral therapy methods;

14.8.6. Development of coping skills; and

14.8.7. Integration of natural and peer supports.

14.9. The Contractor must provide ESMI/FEP – CSC treatment services utilizing a discrete team approach ensuring team members provide ESMI/FEP-specific services and other services identified on individual treatment plans. The Contractor must ensure that CSC services align with the NH CSC model designated by the Department and include, but are not limited to:

14.9.1. A specialized HOPE program intake process that takes place no later than one (1) week after identifying an individual with ESMI/FEP including:

14.9.1.1. Screening conducted by the HOPE team leader, or another team staff member and reviewed by the HOPE team leader, prior to admission to the program;

14.9.1.2. Conducting the screening while a person is still in an inpatient setting whenever possible; and

14.9.1.3. Ensuring rapid access to HOPE services in order to reduce the duration of untreated psychosis for individuals.

14.9.2. No less than bimonthly team meetings that:

14.9.2.1. Are led by the HOPE Team Leader, or by an appointed Team Lead if the position is vacant;

14.9.2.2. Include all HOPE team members; and

14.9.2.3. Involve communicating the status of all individuals served by the team; planning recovery-oriented care for each

individual; and developing strategies to implement the care plans.

14.9.3. Specialized psychiatric support with medication management that includes, but is not limited to:

14.9.3.1. Assessment and monitoring of psychopathology; functioning; medication side effects; and medication attitudes.

14.9.3.2. Shared decision-making including education on:

14.9.3.2.1. Use of medications to manage symptoms; and

14.9.3.2.2. Use of lowest effective dosage of antipsychotic medications for recovery-oriented pharmacotherapy that is tailored toward improving functioning and reducing side effects of individuals with ESMI/FEP.

14.9.3.2.3. Monitoring and treatment of medication side effects with special emphasis on cardio metabolic risk factors, which may include but are not limited to:

14.9.3.2.4. Smoking.

14.9.3.2.5. Weight gain.

14.9.3.2.6. Hypertension.

14.9.3.2.7. Dyslipidemia.

14.9.3.2.8. Prediabetes.

14.9.3.3. Ensuring prescribers maintain close contact with primary care providers to ensure optimal medical treatment for risk factors related to cardiovascular disease and diabetes.

14.9.3.4. Ensuring referrals to specialized psychiatric services to an agency prepared to provide telehealth psychiatric services, through a subcontract payment modality, in instances where an individual needs external psychiatric consultation and services.

14.9.3.5. Providing medication management services that include, but are not limited to:

14.9.3.5.1. Thirty (30) minutes per month or more, as clinically indicated, during the first six (6) months of enrollment.

14.9.3.5.2. Thirty (30) minutes every three (3) months or more, as clinically indicated, during the last 18 months of enrollment.

14.9.3.6. Specialized youth and young adult peer supports and services.

14.9.3.7. Facilitating individual and family psychotherapy that is informative and provides skills to families to support the individual's treatment and recovery.

14.9.3.8. Family psychoeducation.

14.9.3.9. Access to telemedicine options for services that cannot be provided by the Contractor but are available through a regional CMHC that is able to provide services through a telemedicine model.

14.10. The Contractor must participate in quarterly meetings with the Department to report on program implementation, enrollment, and updates and ensure ongoing the EMSI/FEP-CSC model is reflected in treatment.

14.11. The Contractor must provide community outreach to ensure knowledge of ESMI/FEP and the CSC program is widespread and available to those in need. The Contractor must ensure:

14.11.1. The CSC team includes an identified individual, who may be an Outreach Specialist or may be the Team Leader, who has the dedicated time and skills to:

14.11.1.1. Develop referral pathways to the CSC program; and

14.11.1.2. Educate community partners about the program.

14.11.2. Outreach efforts must include:

14.11.2.1. Cultivating external relationships with admission and discharge personnel at local community hospitals, housing programs, criminal justice system, and schools through frequent visits, phone calls, email communication, and timely evaluation of potential FEP cases; and

14.11.2.2. Cultivating internal CMHC relationships and activities including, but not limited to, monitoring referrals and intakes to the CMHC and facilitating connection with likely internal candidates for the CSC program.

14.12. The Contractor must ensure outreach contacts and efforts are reported on a quarterly basis.

14.13. The Contractor must utilize the CANS/ANSA, or other Department-approved evidenced based tool, to measure strengths and needs of the individual at program entry and to track the recovery process post-entry.

14.14. The Contractor must ensure the HOPE program provides time-limited services, as determined in partnership with the Department. The Contractor must ensure transitions from HOPE include, but are not limited to:

14.14.1. A collaborative process that involves the individual, their relatives and important others, and members of the CSC team to determine readiness for a less intensive level of care.

14.14.2. An assessment of the Individual's progress toward achieving treatment goals, and identification of areas that require additional work, in key domains that include:

14.14.2.1. School and work functioning;

14.14.2.2. Quality of peer and family relationships;

14.14.2.3. Relief from symptoms;

14.14.2.4. Abstinence from substances; and

14.14.2.5. Effective management of health issues.

14.14.3. Consideration of the individual's personal vision of stability, success in community functioning, and personal autonomy.

14.14.4. Utilizing formal transition planning guides and worksheets.

14.15. The Contractor must submit reports to the Department in a Department-approved format and frequency, which include but are not limited to:

14.15.1. Quarterly Team Leader Reports submitted no later than the 15th of the month following the close of each quarter, which must include, but is not limited to:

14.15.1.1. Monthly enrollment, service utilization, and outcomes reports.

14.15.1.2. Quarterly staffing summary.

14.15.1.3. Quarterly meeting summary.

14.15.1.4. Referral and enrollment efforts.

14.15.1.5. Community outreach efforts inclusive of outreach descriptions, occurrences, and agencies contacted.

14.15.1.6. HOPE/FEP programs' report of all SAMSHA required data including, but not limited to:

14.15.1.6.1. The number of admissions into CSC services by age.

14.15.1.6.2. The number of individuals with FEP successfully discharged by CSC by age.

14.15.1.6.3. The Current number of individuals with FEP receiving CSC services by age.

14.15.1.6.4. The percentage of individuals with FEP who experienced no hospitalizations by age.

14.15.1.6.5. The percentage of FEP individuals who experienced no arrest by age.

14.15.2. The Contractor must utilize the reporting template to collect and report this data.

**15. CANS/ANSA or Other Approved Assessment**

15.1. The Contractor must ensure all clinicians, with the exception of Rapid Response staff, providing community mental health services to individuals eligible for services in accordance with NH Administrative Rule He-M 426, Community Mental Health Services, are certified in the use of:

15.1.1. The New Hampshire version of the Child and Adolescent Needs and Strengths Assessment (CANS) if serving the child and youth population; and

15.1.2. The New Hampshire version of the Adult Needs and Strengths Assessment (ANSA), or other approved evidence- based tool, if serving the adult population.

15.2. The Contractor must ensure clinicians maintain certification through successful completion of a certification process provided by the Praed Foundation, annually.

15.3. The Contractor must ensure ratings generated by the New Hampshire version of the CANS or ANSA assessment are:

15.3.1. Utilized to develop an individualized, person-centered treatment plan;

15.3.2. Utilized to document and review progress toward goals and objectives and to assess continued need for community mental health services;

15.3.3. Submitted to the database managed for the Department that allows client-level, regional, and statewide outcome reporting by the 15th of every month, in CANS/ANSA format; and

15.3.4. Employed to assist in determining eligibility for State Psychiatric Rehabilitation services.

15.4. The Contractor must complete documentation of re-assessments using the New Hampshire version of the CANS or ANSA 2.0 in accordance with NH

Administrative Rule He-M 401 for eligibility determination and in accordance with NH Administrative Rule He-M 401 for periodic Individual Service Plan (ISP) reviews.

15.5. The Contractor may use an alternate evidenced based, assessment tool that meets all ANSA 2.0 domains, subject to written Department approval. There is no alternate assessment tool allowed for the use of CANS. If an alternative tool is approved, monthly reporting of data generated by the Contractor must be in ANSA 2.0 format, to enable client-level, regional and statewide reporting.

15.6. The Contractor must consult with the Medicaid Managed Care Organizations (MCO) to develop and implement a process that meets the MCOs' need to measure program effectiveness.

15.7. The Contractor must correct all errors or complete all system corrections to ensure data is submitted in its entirety and completeness no later than six (6) months from contract effective date. Failure to complete all correction may result in withholding of funds until all corrections are completed.

**16. Pre-Admission Screening and Resident Review**

16.1. The Contractor must assist the Department with Pre-Admission Screening and Resident Review (PASRR) to meet the requirements of the PASRR provisions of the Omnibus Budget Reconciliation Act of 1987.

16.2.2. Conduct evaluations and examinations needed to provide the data to determine if an individual being screened or reviewed:

16.2.2.1. Requires nursing facility care; and

16.2.2.2. Has active treatment needs.

**17. Application for Other Services**

17.1. The Contractor must assist eligible individuals in accordance with NH Administrative Rule He-M 401, with completing applications for all sources of financial, medical, and housing assistance, according to their respective rules, requirements and filing deadlines. The Contractor must assist with applications that may include, but are not limited to:

17.1.1. Medicaid.

17.1.2. Medicare.

17.1.3. Social Security Disability Income.

17.1.4. Veterans Benefits.

17.1.5. Public Housing.

17.1.6. Section 8 Subsidies.

17.1.7. Child Care Scholarship.

**18. Community Mental Health Program (CMHP) Status**

18.1. The Contractor must meet the approval requirements of NH Administrative Rule He-M 403 as a governmental or non-governmental non-profit agency, or the contract requirement of NH RSA 135-C:3 as an individual, partnership, association, public or private, for profit or nonprofit, agency or corporation to provide services in the state mental health services system.

18.2. The Contractor must provide all applicable documentation, policies and procedures, and must participate in an onsite compliance review, as requested by the Department, to determine compliance with NH Administrative Rule He-M 403 and NH RSA 135-C:3. Compliance reviews will be at times to be determined by the Department, and will occur no less than once every five (5) years.

**19. Quality Improvement**

19.1. The Contractor must perform, or cooperate with the coordination, organization, and all activities to support the performance of quality improvement and/or utilization review activities, determined to be necessary and appropriate by the Department within timeframes reasonably specified by the Department.

19.2. The Contractor must develop a comprehensive plan for quality improvement detailing areas of focus for systematic improvements based on data, performance, or other identified measures where standards are below the expected value. The Contractor must ensure:

19.2.1. The plan is based on models available by the American Society for Quality, Agency for Healthcare Research and Quality, Institute for Healthcare Improvement, or others.

19.3. The Contractor must comply with the Department-conducted NH Community Mental Health Center Client Satisfaction Survey. The Contractor must:

19.3.1. Submit all required information in a format provided by the Department or contracted vendor.

19.3.2. Provide complete client data as requested with current client contact information to the Department so that individuals may be contacted to participate in the survey. and

19.3.3. Support all efforts of the Department to conduct the survey including having two staff members attending the bimonthly CMHC Survey Workgroup (one from adult programming and one from children's programming, this staff person can be direct care staff or QA/QI staff).

19.4. The Contractor must promote survey participation for individuals who are sampled to participate; and

19.5. The Contractor must display informational posters and share any other materials provided by the Department to explain the survey and support efforts by the Department to increase participation in the survey.

19.6. The Contractor must review the data and findings from the NH Community Mental Health Center Client Satisfaction Survey Report. Report findings, or recommendations made by the CMHC Survey Workgroup must be incorporated into the Quality Improvement Plan goals.

19.7. The Contractor must engage and comply with all aspects of Fidelity Reviews and Assessments based on a model approved by the Department and on a schedule approved by the Department.

**20. Maintenance of Fiscal Integrity**

20.1. The Contractor must submit the following financial statements to the Department on a monthly basis, no later than thirty (30) calendar days after the end of each month:

20.1.1. Balance Sheet for the Contractor's entire organization including all related parties.

20.1.2. Year-to-date Profit and Loss Statement for the Contractor's entire organization that includes, for all related parties:

20.1.2.1. All revenue sources and expenditures; and

20.1.2.2. A budget column allowing for budget to actual analysis.

20.1.3. Year-to-date Profit and Loss Statement for the Program funded under this Agreement that includes:

20.1.3.1. All revenue sources and all related expenditures for the Program; and

20.1.3.2. A budget column allowing for budget to actual analysis.

20.1.4. Year-to-date Cash Flow Statement for the Contractor's entire organization including all related parties.

20.2. The Contractor must ensure all financial statements are prepared based on the accrual method of accounting and include all the Contractor's total revenues and expenditures, whether or not generated by or resulting from funds provided pursuant to this Agreement.

20.3. The Contractor's fiscal integrity will be evaluated by the Department using the following Formulas and Performance Standards:

20.3.1. Days of Cash on Hand:

20.3.1.1. Definition: The days of operating expenses that can be covered by the unrestricted cash on hand.

20.3.1.2. Formula: Cash, cash equivalents and short-term investments divided by total operating expenditures, less depreciation/amortization and in-kind plus principal payments on debt divided by days in the reporting period. The short-term investments as used above must mature within three (3) months and should not include common stock.

20.3.1.3. Performance Standard: The Contractor must have enough cash and cash equivalents to cover expenditures for a minimum of thirty (30) calendar days with no variance allowed.

20.3.2. Current Ratio:

20.3.2.1. Definition: A measure of the Contractor's total current assets available to cover the cost of current liabilities.

20.3.2.2. Formula: Total current assets divided by total current liabilities.

20.3.2.3. Performance Standard: The Contractor must maintain a minimum current ratio of 1.5:1 with 10% variance allowed.

20.3.3. Debt Service Coverage Ratio:

20.3.3.1. Rationale: This ratio illustrates the Contractor's ability to cover the cost of its current portion of its long-term debt.

20.3.3.2. Definition: The ratio of net income to the year to date debt service.

20.3.3.3. Formula: Net Income plus depreciation/amortization expense plus interest expense divided by year to date debt service (principal and interest) over the next twelve (12) months.

20.3.3.4. Source of Data: The Contractor's monthly financial statements identifying current portion of long-term debt payments (principal and interest).

20.3.3.5. Performance Standard: The Contractor must maintain a minimum standard of 1.2:1 with no variance allowed.

20.3.4. Net Assets to Total Assets:

20.3.4.1. Rationale: This ratio is an indication of the Contractor's ability to cover its liabilities.

20.3.4.2. Definition: The ratio of the Contractor's net assets to total assets.

20.3.4.3. Formula: Net assets (total assets less total liabilities) divided by total assets.

20.3.4.4. Source of Data: The Contractor's monthly financial statements.

20.3.4.5. Performance Standard: The Contractor must maintain a minimum ratio of .30:1, with a 20% variance allowed.

20.4. In the event that the Contractor does not meet either:

20.4.1. The Days of Cash on Hand Performance Standard and the Current Ratio Performance Standard for two (2) consecutive months; or

20.4.2. Three (3) or more of any of the Performance Standards for one (1) month, or any one (1) Performance Standard for three (3) consecutive months, then the Contractor must:

20.4.2.1. Meet with Department staff to explain the reasons that the Contractor has not met the standards; and/or

20.4.2.2. Submit a comprehensive corrective action plan within 30 calendar days of receipt of notice from the Department.

20.5. The Contractor must update and submit the corrective action plan to the Department, at least every 30 calendar days, until compliance is achieved. The Contractor must:

20.5.1. Provide additional information to ensure continued access to services as requested by the Department and ensure requested information is submitted to the Department in a timeframe agreed upon by both parties.

20.6. The Contractor must inform the Department by phone and by email within five (5) days of when any key Contractor staff learn of any actual or likely litigation, investigation, complaint, claim, or transaction that may reasonably be considered to have a material financial impact on and/or materially impact or impair the ability of the Contractor to perform under this Agreement with the Department.

20.7. The Contractor must provide its Revenue and Expense Budget within twenty (20) calendar days of the contract effective date.

20.8. The Contractor must complete the Fiscal Year Revenue and Expense Budget on a form supplied by the Department, which must include but not be limited to, all the Contractor's cost centers. If the Contractor's cost centers are a combination of several local cost centers, the Contractor must display them separately as long as the cost center code is unchanged.

20.9. The Contractor must provide quarterly Revenue and Expense Reports (Budget Form A), within thirty (30) calendar days after the end of each fiscal quarter, defined as July 1 to September 30, October 1 to December 31, January 1 to March 31, and April 1 to June 30.

**21. Reduction or Suspension of Funding**

21.1. In the event that the State funds designated as the Price Limitation in Form P-37, General Provisions, Block 1.8. of the General Provisions are reduced, suspended, or reallocated, the Department shall provide immediate written notification to the Contractor of such reduction, suspension, or reallocation.

21.1.1. In the event that the reduction or suspension, or reallocation of federal or state funding prevents the Contractor from providing necessary services to individuals, the Department shall initiate the process to amend the agreement, pursuant to Paragraph 18 of the Form P-37, to modify the service requirements contained herein in collaboration with the Contractor.

21.1.2. Any reductions to services taken by the Contractor and the Department shall prioritize the most critical services, including, but not limited to:

21.1.2.1. Evaluation of and, if eligible, an individual service plan for all new applicants for services.

21.1.2.2. Crisis services for all individuals.

21.1.2.3. Services for individuals who meet the criteria for involuntary admission to a designated receiving facility.

21.1.2.4. Services to individuals who are on a conditional discharge pursuant to RSA 135-C:50 and NH Administrative Rule He-M 609.

**22. Elimination of Programs and Services by Contractor**

22.1. Not including service reductions collaboratively addressed in Section 21. Reduction or Suspension of Funding, the Contractor must provide a minimum of thirty (30) calendar day's written notice prior to any reductions in delivery of services, or notice as soon as known if the Contactor is faced with an urgent need to reduce delivery of services.

22.2. The Contractor and the Department shall collaborate prior to the elimination or reduction of services to address the immediate situation in order to prioritize which services survive the reduction. Should the Contractor and the Department require assistance in their collaborative efforts, the Department may require the Contractor to engage in a non-binding mediation within thirty (30) calendar days by the Commissioner of the Department of Health and

Human Services at no cost to the Contractor, to include funding capacity and supplemental resources.

22.3. The Contractor must not redirect funds allocated in the Contractor's budget for the program or service that has been eliminated or substantially reduced to another program or service without the mutual agreement of both parties.

**23. Closed Loop Referral System**

23.1. The Contractor must utilize the Department's closed loop referral system whenever applicable to the services they provide for referrals between health and/or human service providers within New Hampshire for referral management and client care coordination. Utilization includes inputting information and data as necessary into the Department's referral solution as part of the NH Care Connections Network to facilitate referrals to participating providers, signing required Network Participation Agreement(s), and obtaining a participant specific consent for services.

23.2. The Contractor must utilize the Department's admission, discharge, transfer, and shared care insights solution whenever applicable to the services they provide for client care coordination and management between health providers within New Hampshire. Utilization includes inputting information and data as necessary into the Department's admission, discharge, transfer, and shared care insights platform as part of the NH Care Connections Network to facilitate referrals to participating providers and signing required Participation Agreement(s) for the admission, discharge, transfer, and shared care insights solution.

23.2.1. The Department's contracts with the closed loop referral and admission, discharge, and transfer vendors incorporate the costs of developing and maintaining the standards-based interface from which the Contractor may choose to configure their systems to communicate securely with the Department's NH Care Connections Network solutions. The Contractor may choose to interface with the Department's closed loop referral and/or the admission discharge transfer solution utilizing a Smart on FHIR or HL-7 standard interface process to connect individuals to health and social service providers. The costs for the Contractor system or team to develop or utilize the standard Smart on FHIR or HL-7 based interface are the sole responsibility of the Contractor.

**24. Data Reporting**

24.1. The Contractor must submit any data identified by the Department to comply with federal and/or other reporting requirements and must work with the Department on any additional mutual agreed upon requests.

24.2. The Contractor must submit all required data elements to the Department's Phoenix system in compliance with current Phoenix reporting specifications and transfer protocol provided by the Department.

24.3. The Contractor must submit individual client intake, demographics, payor, diagnostic, referral, location, and other information specified by the Department, and all service encounter and outcome data, including data on both billable and non-billable individual-specific services and rendering staff providers on these encounters, to the Department's Phoenix system, or its successors, in the format, content, completeness, frequency, method and timeliness as specified by the Department. Individual data must include a Medicaid ID number for individuals who are enrolled in Medicaid.

24.4. The Contractor must include client community mental health program eligibility including, but not limited to, SMI as applicable with all Phoenix services in alignment with current reporting specifications.

24.5. The Contractor must initiate any necessary system changes within thirty (30) calendar days to comply with annual Department updates to the Phoenix reporting specification(s). The Department expects updates to be completed within 90 days of notification of the new requirements. If a Contractor is unable to comply, the Contractor must submit a request to the Department for an extension that documents the reasons for non-compliance, and includes a work plan outlining tasks and timelines to ensure compliance.

24.6. The Contractor must meet all the general requirements for the Phoenix system which include, but are not limited to:

24.6.1. Agreeing that all data collected in the Phoenix system is the property of the Department to use as it deems necessary.

24.6.2. Ensuring data files and records are consistent with reporting specification requirements.

24.6.3. Ensuring that errors in data returned to the Contractor are corrected and resubmitted to the Department within ten (10) business days.

24.6.4. Ensuring data is current and updated in the Contractor's systems as required for federal reporting and other reporting requirements and as specified by the Department.

24.6.5. Participating in Departmental efforts for system-wide data quality improvement.

24.6.6. Implementing quality assurance, system, and process review procedures to validate data submitted to the Department to confirm:

24.6.6.1. All data is formatted in accordance with the file specifications;

24.6.6.2. No records will be rejected due to invalid characters or invalid formatting; and

24.6.6.3. The Department's tabular summaries of data submitted by the Contractor match the data in the Contractor's system.

24.7. The Contractor must meet the following standards:

24.7.1. Timeliness: monthly data must be submitted no later than the fifteenth (15th) of each month for the prior month's data unless otherwise approved by the Department, and the Contractor must review the Department's tabular summaries within five (5) business days.

24.7.2. Completeness: submitted data must represent at least ninety-eight percent (98%) of billable services provided, and ninety-eight percent (98%) of individuals served by the Contractor. For fields indicated in the reporting specifications as data elements that must be collected in Contractor systems, 98% must be submitted with valid values other than the unknown value. The Department may adjust this threshold through the exemption process described in Section 28.9.

24.7.3. Accuracy: submitted service and member data must conform to submission requirements for at least ninety-eight percent (98%) of the records, and one hundred percent (100%) of unique member identifiers must be accurate and valid.

24.8. The Contractor must document all interactions with the individual and any community support provider in their EHR.

24.9. The Department may, at its discretion, exempt requirements for timeliness, completeness, and accuracy in Phoenix on a case-by-case basis through a written communication that specifies the items being exempted. In all circumstances:

24.9.1. The exemption length shall not exceed 180 days.

24.9.2. If the Contractor fails to meet exemption standards, the Contractor must submit a corrective action plan to the Department for approval within thirty (30) calendar days of being notified of an issue.

24.9.3. The Contractor must implement the Department-approved corrective action plan.

24.9.4. Failure by the Contractor to implement the correction action plan may require:

24.9.4.1. An additional corrective action plan; or

24.9.4.2. Other remedies as specified by the Department.

**25. Background Checks**

25.1. Prior to permitting any individual to provide services under this Agreement, the Contractor must ensure that said individual has undergone:

25.1.1. A criminal background check, at the Contractor's expense, and has no convictions for crimes that represent evidence of behavior that could endanger individuals served under this Agreement;

25.1.2. A name search of the Department's Bureau of Adult and Aging Services (BAAS) State Registry, pursuant to RSA 161-F:49, with results indicating no evidence of behavior that could endanger individuals served under this Agreement; and

25.1.3. A name search of the Department's Division for Children, Youth and Families (DCYF) Central Registry pursuant to RSA 169-C:35, with results indicating no evidence of behavior that could endanger individuals served under this Agreement.

**26. Confidential Data**

26.1. The Contractor must meet all information security and privacy requirements as set by the Department and in accordance with the Department's Information Security Requirements Exhibit as referenced below.

26.2. The Contractor must ensure any individuals involved in delivering services through this Agreement contract sign an attestation agreeing to access, view, store, and discuss Confidential Data in accordance with federal and state laws and regulations and the Department's Information Security Requirements Exhibit. The Contractor must ensure said individuals have a justifiable business need to access confidential data. The Contractor must provide attestations upon Department request.

**27. Privacy Impact Assessment**

27.1. Upon request, the Contractor must allow and assist the Department in conducting a Privacy Impact Assessment (PIA) of its system(s)/application(s)/web portal(s)/website(s) or Department system(s)/application(s)/web portal(s)/website(s) hosted by the Contractor, if Personally Identifiable Information (PII) is collected, used, accessed, shared, or stored. To conduct the PIA the Contractor must provide the Department access to applicable systems and documentation sufficient to allow the Department to assess, at minimum, the following:

27.1.1. How PII is gathered and stored;

27.1.2. Who will have access to PII;

27.1.3. How PII will be used in the system;

27.1.4. How individual consent will be achieved and revoked; and

27.1.5. Privacy practices.

27.2. The Department may conduct follow-up PIAs in the event there are either significant process changes or new technologies impacting the collection, processing or storage of PII.

**28. Department Owned Devices, Systems and Network Usage**

28.1. If Contractor End Users, defined in the Department's Information Security Requirements Exhibit that is incorporated into this Agreement, are authorized by the Department's Information Security Office to use a Department issued device (including, but not limited to, computer, tablet, mobile telephone) or access the Department network in the fulfilment of this Agreement, each End User must:

28.1.1. Sign and abide by applicable Department and New Hampshire Department of Information Technology (NH DoIT) use agreements, policies, standards, procedures and guidelines, and complete applicable trainings as required;

28.1.2. Use the information that they have permission to access solely for conducting official Department business and agree that all other use or access is strictly forbidden including, but not limited, to personal or other private and non-Department use, and that at no time shall they access or attempt to access information without having the express authority of the Department to do so;

28.1.3. Not access or attempt to access information in a manner inconsistent with the approved policies, procedures, and/or agreement relating to system entry/access;

28.1.4. Not copy, share, distribute, sub-license, modify, reverse engineer, rent, or sell software licensed, developed, or being evaluated by the Department, and at all times must use utmost care to protect and keep such software strictly confidential in accordance with the license or any other agreement executed by the Department;

28.1.5. Only use equipment, software, or subscription(s) authorized by the Department's Information Security Office or designee;

28.1.6. Not install non-standard software on any Department equipment unless authorized by the Department's Information Security Office or designee;

28.1.7. Agree that email and other electronic communication messages created, sent, and received on a Department-issued email system are the property of the Department of New Hampshire and to be used for business purposes only. Email is defined as "internal email systems" or "Department-funded email systems."

28.1.8. Agree that use of email must follow Department and NH DoIT policies, standards, and/or guidelines; and

28.1.9. Agree when utilizing the Department's email system:

28.1.9.1. To only use a Department email address assigned to them with a "@ affiliate.DHHS.NH.Gov".

28.1.9.2. Include in the signature lines information identifying the End User as a non-Department workforce member; and

28.1.9.3. Ensure the following confidentiality notice is embedded underneath the signature line:

CONFIDENTIALITY NOTICE: "This message may contain information that is privileged and confidential and is intended only for the use of the individual(s) to whom it is addressed. If you receive this message in error, please notify the sender immediately and delete this electronic message and any attachments from your system. Thank you for your cooperation."

28.1.10. Contractor End Users with a Department issued email, access or potential access to Confidential Data, and/or a workspace in a Department building/facility, must:

28.1.10.1. Complete the Department's Annual Information Security & Compliance Awareness Training prior to accessing, viewing, handling, hearing, or transmitting Department Data or Confidential Data.

28.1.10.2. Sign the Department's Business Use and Confidentiality Agreement and Asset Use Agreement, and the NH DoIT Department wide Computer Use Agreement upon execution of the Agreement and annually thereafter.

28.1.10.3. Only access the Department's intranet to view the Department's Policies and Procedures and Information Security webpages.

28.1.11. Contractor agrees, if any End User is found to be in violation of any of the above terms and conditions, said End User may face removal from the Agreement, and/or criminal and/or civil prosecution, if the act constitutes a violation of law.

28.1.12. Contractor agrees to notify the Department a minimum of three business days prior to any upcoming transfers or terminations of End Users who possess Department credentials and/or badges or who have system privileges. If End Users who possess Department credentials and/or badges or who have system privileges resign or are dismissed without advance notice, the Contractor agrees to notify the Department's Information Security Office or designee immediately.

28.1.13. Workspace Requirement

28.1.14. If applicable, the Department will work with Contractor to determine requirements for providing necessary workspace and State equipment for its End Users.

## 29. Contract End-of-Life Transition Services

29.1. General Requirements

29.1.1. If applicable, upon early termination or expiration of the Agreement the parties agree to cooperate in good faith to effectuate a secure transition of the services ("Transition Services") from the Contractor to the Department and, if applicable, the new Contractor ("Recipient") engaged by the Department to assume the services. Ninety (90) days prior to the end-of the contract or unless otherwise specified by the Department, the Contractor must begin working with the Department and if applicable, the Recipient to develop a Data Transition Plan (DTP). The Department shall provide the DTP template to the Contractor.

29.1.2. The Contractor must assist the Recipient, in connection with the transition from the performance of Services by the Contractor and its End Users to the performance of such Services. This may include assistance with the secure transfer of records (electronic and hard copy), transition of historical data (electronic and hard copy), the transition of any such Service from the hardware, software, network and telecommunications equipment and internet-related information technology infrastructure ("Internal IT Systems") of Contractor to the Internal IT Systems of the Recipient and cooperation with and assistance to any third-party consultants engaged by Recipient in connection with the Transition Services.

29.1.3. If a system, database, hardware, software, and/or software licenses (Tools) was purchased or created to manage, track, and/or store Department Data in relationship to this contract said Tools will be inventoried and returned to the Department, along with the inventory document, once transition of Department data is complete.

29.1.4. The internal planning of the Transition Services by the Contractor and its End Users shall be provided to the Department and if applicable the Recipient in a timely manner. Any such Transition Services shall be deemed to be Services for purposes of this Agreement.

29.1.5. In the event the data Transition extend beyond the end of the Agreement, the Contractor agrees that the Information Security Requirements, and if applicable, the Department's Business Associate Agreement terms and conditions remain in effect until the

Data Transition is accepted as complete by the Department.

29.1.6. In the event the Contractor has comingled Department Data and the destruction or Transition of said data is not feasible, the Department and Contractor will jointly evaluate regulatory and professional standards for retention requirements prior to destruction, refer to the terms and conditions of the Department's DHHS Information Security Requirements Exhibit.

29.2. Completion of Transition Services

29.2.1. Each service or transition phase shall be deemed completed (and the transition process finalized) at the end of 15 business days after the product, resulting from the Service, is delivered to the Department and/or the Recipient in accordance with the mutually agreed upon Transition plan, unless within said 15 business day term the Contractor notifies the Department of an issue requiring additional time to complete said product.

29.2.2. Once all parties agree the data has been migrated the Contractor will have 30 days to destroy the data per the terms and conditions of the Department's Information Security Requirements Exhibit.

29.3. Disagreement over Transition Services Results

29.3.1. In the event the Department is not satisfied with the results of the Transition Service, the Department shall notify the Contractor, in writing, stating the reason for the lack of satisfaction within 15 business days of the final product or at any time during the data Transition process. The Parties shall discuss the actions to be taken to resolve the disagreement or issue. If an agreement is not reached, at any time the Department shall be entitled to initiate actions in accordance with the Agreement.

**30. Exhibits Incorporated**

30.1. The Contractor must comply with the Federal Requirements in Exhibits D-H, and J which are attached hereto and incorporated by reference herein.

30.2. The Contractor must manage all confidential data related to this Agreement in accordance with the terms of Exhibit K, DHHS Information Security Requirements.

30.3. The Contractor must use and disclose Protected Health Information in compliance with the Standards for Privacy of Individually Identifiable Health Information (Privacy Rule) (45 CFR Parts 160 and 164) under the Health Insurance Portability and Accountability Act (HIPAA) of 1996, and in accordance with the attached Exhibit I, Business Associate Agreement, which has been executed by the parties.

## 31. Additional Terms

### 31.1. Impacts Resulting from Court Orders or Legislative Changes

31.1.1. The Contractor agrees that, to the extent future state or federal legislation or court orders may have an impact on the Services described herein, the State has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

### 31.2. Federal Civil Rights Laws Compliance: Culturally and Linguistically Appropriate Programs and Services

31.2.1. The Contractor must submit:

31.2.1.1. A detailed description of the language assistance services, within ten (10) days of the Effective Date of the Agreement, to be provided to ensure meaningful access to programs and/or services to individuals with limited English proficiency; individuals who are deaf or have hearing loss; individuals who are blind or have low vision; and individuals who have speech challenges.

31.2.1.2. ### 31.3. Credits and Copyright Ownership

31.3.1. All documents, notices, press releases, research reports and other materials prepared during or resulting from the performance of the services of the Agreement must include the following statement, "The preparation of this (report, document etc.) was financed under a Contract with the State of New Hampshire, Department of Health

and Human Services, with funds provided in part by the State of New Hampshire and/or such other funding sources as were available or required, including, but not limited to, the United States Department of Health and Human Services."

31.3.2. All materials produced or purchased under the Agreement must have prior approval from the Department before printing, production, distribution or use.

31.3.3. The Department must retain copyright ownership for any and all original materials produced, including, but not limited to reports, protocols, guidelines, brochures, posters, and resource directories.

31.3.4. The Contractor must not reproduce any materials produced under the Agreement without prior written approval from the Department.

31.4. **Operation of Facilities: Compliance with Laws and Regulations**

31.4.1. In the operation of any facilities for providing services, the Contractor must comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which must impose an order or duty upon the contractor with respect to the operation of the facility or the provision of the services at such facility. If any governmental license or permit must be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Agreement the facilities must comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and must be in conformance with local building and zoning codes, by-laws and regulations.

31.5. **Eligibility Determinations**

31.5.1. The Contractor must make eligibility determinations in accordance with applicable federal and state laws, regulations, orders, guidelines, policies and procedures.

31.5.2. The Contractor must ensure all applicants are permitted to fill out an application form and must notify each applicant of their right to request a fair hearing in accordance with New Hampshire RSA 126-A:5 and Department regulations.

**32. Records**

32.1. The Contractor must keep records that include, but are not limited to

DS

32.1.1. Books, records, documents and other electronic or physical data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor.

32.1.2. All records must be maintained in accordance with accounting procedures and practices, which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs including, but not limited to, purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.

32.1.3. Statistical, enrollment, attendance or visit records for each recipient of services, which records must include all records of application and eligibility (including all forms required to determine eligibility for each such recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.

32.1.4. Medical records on each patient/recipient of services.

32.2. During the term of this Agreement and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives must have access to all reports and records maintained pursuant to the Agreement for purposes of audit, examination, excerpts and transcripts.

32.3. If, upon further review, the Department must disallow any expenses claimed by the Contractor as costs hereunder, the Department retains the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

**Mental Health Services**

# EXHIBIT C – Amendment #2

## Payment Terms

1. This Agreement is funded by:
   1.1. 2.38% Federal funds, Block Grants for Community Mental Health Services, as awarded on 2/23/23, 5/16/24 and 12/6/24, by the Substance Abuse and Mental Health Services Administration, Center for Mental Health Services, ALN 93.958, FAIN B09SM087375, FAIN B09SM089640, FAIN B09SM090358.
   1.2. 0.37% Federal funds, NH Certified Community Behavioral Health Clinic Planning, as awarded on 3/15/23, by the Substance Abuse and Mental Health Services Administration, Center for Mental Health Services, ALN 93.829, FAIN H79SM087622.
   1.3. 97.04% General funds.
   1.4. 0.21% Other funds (Behavioral Health Services Information System).
2. For the purposes of this Agreement the Department has identified:
   2.1. The Contractor as a Subrecipient, in accordance with 2 CFR 200.331.
   2.2. The Agreement as NON-R&D, in accordance with 2 CFR §200.332.
   2.3. The Indirect Cost Rate for this Agreement in the attached Budget Sheet(s).
3. Notwithstanding anything to the contrary herein, the Contractor agrees that funding under this Agreement may be withheld, in whole or in part, in the event of noncompliance with any state or federal law, rule or regulation applicable to the services provided, or if the said services have not been completed in accordance with the terms and conditions of this Agreement.
4. Mental Health Services provided by the Contractor shall be paid in order as follows:
   4.1. For Medicaid enrolled individuals through the Department Medicaid Fee for Service program in accordance with the current, publicly posted Fee for Service (FFS) schedule located at NHMMIS.NH.gov.
   4.2. For Managed Care Organization enrolled individuals, the Contractor shall be reimbursed pursuant to the Contractor's agreement with the applicable Managed Care Organization for such services.
   4.3. For individuals with other health insurance or other coverage for the services they receive, the Contractor will directly bill the other insurance or payors.
   4.4. For individuals without health insurance or other coverage for the services they receive, and for operational costs contained in Exhibit C – Amendment #2, Payment Terms, or which the Contractor cannot

otherwise seek reimbursement from an insurance or third-party payer, the Contractor will directly bill the Department to access contract funds provided through this Agreement.

5. All Medicaid/MCO invoicing shall follow billing and coding requirements outlined by the Department. For the purpose of Medicaid billing, a unit of service is described in the DHHS published CMH NH Fee Schedule, as may be periodically updated, or as specified in NH Administrative Rule He-M 400. However, for He-M 426.12 Individualized Resiliency and Recovery Oriented Services (IROS), a Unit of Service is defined as fifteen (15) minutes. The Contractor shall report and bill in whole units. The intervals of time in the table below define how many units to report or bill. All such limits may be subject to additional DHHS guidance or updates as may be necessary to remain in compliance with Medicaid standards.

| Direct Service Time Intervals | Unit Equivalent |
|---|---|
| 0-7 minutes | 0 units |
| 8-22 minutes | 1 unit |
| 23-37 minutes | 2 units |
| 38-52 minutes | 3 units |
| 53-60 minutes | 4 units |

6. The State shall pay the Contractor an amount not to exceed the Price Limitation, specified in Form P-37, General Provisions, Block 1.8. Payment shall be made on a cost reimbursement basis for allowable expenses for services provided in the fulfillment of this Agreement, as specified in Exhibit B – Amendment #2, Scope of Services, and in accordance with the Department approved individual program budgets and as specified in Table 1 below, which summarizes the other contract programs and their maximum allowable amounts.

6.13.2.2. CTI supervisor salaries and benefits; and

6.13.2.3. Department-approved administrative costs, not to exceed an indirect cost rate of 18.5%.

6.13.3. If the actual costs incurred for providing services in Exhibit B – Amendment #2, Scope of Services, exceed the rates paid in accordance with amounts specified in the Rate Table in Section 6.13.1.1., then:

6.13.3.1. The Department may reimburse the Contractor in an amount equal to the actual expenses incurred, minus the rate paid for the services; and

6.13.3.2. The amount reimbursed to the Contractor shall not exceed the per diem expense line in Exhibit C-6, Budget – Amendment #2, over the term of the Agreement.

6.13.4. If the actual costs incurred for providing services in Exhibit B – Amendment #2, Scope of Services are less than the rates paid in accordance with amounts specified in the Rate Table in Section 6.13.1.1., then:

6.13.4.1. The Department may collect from the Contractor the amount of the difference between the rates paid in

accordance with the Rate Table in Section 6.13.1.1., and the actual amounts of expenses incurrred.

6.13.4.2. Amounts of overpayments for the quarter as identifed by the calculation in Section 6.13.4.1. may be collected by written notice to the Contractor stating payment shall be made to the Department within 30 days of notification of overpayment.

6.13.5. The Contractor shall submit a monthly invoice in a form satisfactory to the Department with supporting documentation by the 15th day of the following month. Supporting documentation must demonstrate that the eligiblity requirements described above in the Rate Table in Section 6.13.1.1 have been met for each individual identified on the invoice.

6.13.6. The Contractor shall submit a monthly summary of all eligible program-related expenses, as identified in Section 6.13.2., in a form satisfactory to the Department with supporting documentation of expenses incurred by the 15th day of the month following the month in which services were provided.

6.13.7. The Contractor shall provide documentation for flexible funding in order to receive payments for flexible funding expenditures on a cost reimbursement basis, not to exceed the flexible funding line item defined in Exhibit C-6, Budget – Amendment #2. The Contractor shall ensure flexible funding expenditures incurred are:

6.13.7.1. Used to directly support the needs of the client when no other funds are available;

6.13.7.2. Used for one-time expenses tangible in nature;

6.13.7.3. Not disbursed as gift cards or gift certificates;

6.13.7.4. Directly allocable to the work performed under this Agreement;

6.13.7.5. Appropriate in amount and nature, as determined by the Department; and

6.13.7.6. Verified by supporting documentation, including, but not limited to, receipts of payment.

6.13.8. The Contractor may be eligible to receive payments to address extraordinary costs incurred in the fulfillment of this Agreement (herein contingency payments), as approved by the Department. This Agreement is one (1) of ten (10) Agreements

with Vendors that will provide CTI services. The statewide total shared price limitation among all ten (10) Agreements is $25,000 for SFY 2026 and $25,000 for SFY 2027. No maximum or minimum funding amount per Contractor is guaranteed, and funding will be disbursed on a first come/first served basis. The Contractor may:

6.13.8.1. Apply for reimbursement of the expenses from the Department via a form satisfactory to the Department with applicable justifications; and

6.13.8.2. Be eligible for contingency payments, which support program related costs that exceed per diem and flex funding line items defined in Exhibit C-6, Budget – Amendment #2, and meet criteria as outlined by the Department at the time of application.

6.13.9. The Contractor may be eligible to receive incentive payments in the fulfillment of program goals as described in Table 2 below (herein incentive payments), as approved by the Department. This Agreement is one (1) of ten (10) Agreements with Vendors that will provide CTI services. The statewide total shared price limitation among all ten (10) Agreements is $221,103 for SFY 2026 and $221,103 for SFY 2027. No maximum or minimum funding amount per Contractor is guaranteed, and funding will be disbursed on a first come/first served basis. The Contractor may:

6.13.9.1. Apply for reimbursement of the expenses from the Department via a form satisfactory to the Department with applicable justifications; and

6.13.9.2. Be eligible to receive incentive payments upon achieving the Incentive Payment Goals as described below in Table 2 through June 30, 2027. The Contractor shall provide supporting documentation to demonstrate achievement of the Incentive Payment Goals, as requested by the Department.

**6.13.9.2.1. Table 2**

| # | Incentive Payment Goal | Total Incentive Payments |

Financial Manager
Department of Health and Human Services
129 Pleasant Street
Concord, NH 03301

8. The Department shall make payments to the Contractor within thirty (30) days of receipt of each invoice and supporting documentation for authorized expenses, subsequent to approval of the submitted invoice.

9. The final invoice and supporting documentation for authorized expenses shall be due to the Department no later than forty (40) days after the contract Completion Date specified in Form P-37, General Provisions Block 1.7.

10. Notwithstanding Paragraph 17 of the General Provisions Form P-37, changes limited to adjusting amounts within the price limitation and adjusting encumbrances between State Fiscal Years and budget class lines through the Budget Office may be made by written agreement of both parties, without obtaining approval of the Governor and Executive Council, if needed and justified.

11. Audits

11.1. The Contractor must email an annual audit to dhhs.act@dhhs.nh.gov if any of the following conditions exist:

11.1.1. Condition A - The Contractor is subject to a Single Audit pursuant to 2 CFR 200.501 Audit Requirements.

11.1.2. Condition B - The Contractor is subject to audit pursuant to the requirements of NH RSA 7:28, III-b.

11.1.3. Condition C - The Contractor is a public company and required by Security and Exchange Commission (SEC) regulations to submit an annual financial audit.

11.2. If Condition A exists, the Contractor shall submit an annual Single Audit performed by an independent Certified Public Accountant (CPA) to dhhs.act@dhhs.nh.gov within 120 days after the close of the Contractor's fiscal year, conducted in accordance with the requirements

of 2 CFR Part 200, Subpart F of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal awards.

11.2.1. The Contractor shall submit a copy of any Single Audit findings and any associated corrective action plans. The Contractor shall submit quarterly progress reports on the status of implementation of the corrective action plan.

11.3. If Condition B or Condition C exists, the Contractor shall submit an annual financial audit performed by an independent CPA within 120 days after the close of the Contractor's fiscal year.

11.4. The Contractor, regardless of the funding source and/or whether Conditions A, B, or C exist, may be required to submit annual financial audits performed by an independent CPA upon request by the Department.

11.5. In addition to, and not in any way in limitation of obligations of the Agreement, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department all payments made under the Agreement to which exception has been taken, or which have been disallowed because of such an exception, within sixty (60) days.

12. If applicable, the Contractor must request disposition instructions from the Department for any equipment, as defined in 2 CFR 200.313, purchased using funds provided under this Agreement, including information technology systems.

Independent Auditor's Report

To the Board of Directors of
The Mental Health Center for Southern New Hampshire
d/b/a CLM Center for Life Management and Affiliate

**Opinion**

We have audited the accompanying consolidated financial statements of The Mental Health Center for Southern New Hampshire d/b/a CLM Center for Life Management and Affiliate (a nonprofit organization), which comprise the consolidated statements of financial position as of June 30, 2023 and 2022, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of The Mental Health Center for Southern New Hampshire d/b/a CLM Center for Life Management and Affiliate as of June 30, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated financial statements section of our report. We are required to be independent of The Mental Health Center for Southern New Hampshire d/b/a CLM Center for Life Management and Affiliate and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Responsibilities of Management for the Consolidated financial statements**

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Mental Health Center for Southern New Hampshire d/b/a CLM Center for Life Management and Affiliate's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

**Auditor's Responsibilities for the Audit of the Consolidated financial statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material

misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Mental Health Center for Southern New Hampshire d/b/a CLM Center for Life Management and Affiliate's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Mental Health Center for Southern New Hampshire d/b/a CLM Center for Life Management and Affiliate's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

***Supplementary Information***

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying supplementary information on pages 21-27 is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

**Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated December 21, 2023, on our consideration of The Mental Health Center for Southern New Hampshire d/b/a CLM Center for Life Management and Affiliate's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of The Mental Health Center for Southern New Hampshire d/b/a CLM Center for Life Management and Affiliate's internal control over financial reporting or on compliance. That report is an

integral part of an audit performed in accordance with *Government Auditing Standards* in considering The Mental Health Center for Southern New Hampshire d/b/a CLM Center for Life Management and Affiliate's internal control over financial reporting and compliance.

**Change in Accounting Principle**

As described in Note 1 of the financial statements, in 2022, the organization adopted Financial Accounting Standard Board's Accounting Standards Codification (ASC) 842, *Leases*. Our opinion is not modified with respect to this matter.

Note 1. Nature of organization

The Mental Health Center for Southern New Hampshire d/b/a CLM Center for Life Management (the "Organization") is a not-for-profit corporation, organized under New Hampshire law to provide services in the areas of mental health and related non-mental health programs.

During 2006, the Center for Life Management Foundation (the "Foundation") was established to act for the benefit of, to carry out the functions of, and to assist the Organization. It is affiliated with The Mental Health Center for Southern New Hampshire d/b/a CLM Center for Life Management through common board members and management. In addition, the Organization is the sole member.

The Mental Health Center for Southern New Hampshire d/b/a CLM Center for Life Management and the Center for Life Management Foundation are collectively referred to the "Organization".

Basis of consolidation
The consolidated financial statements include the accounts of The Mental Health Center for Southern New Hampshire d/b/a CLM Center for Life Management and the Center for Life Management Foundation. All intercompany transactions have been eliminated in consolidation.

Note 2. Basis of accounting and summary of significant accounting policies

General
The significant accounting policies of the Organization are presented to assist in understanding the Organization's consolidated financial statements. The consolidated financial statements and the notes are representations of the Organization's management. The Organization is responsible for the integrity and objectivity of the consolidated financial statements.

Basis of accounting
The consolidated financial statements are prepared on the accrual basis of accounting. Under this basis, revenues, other than contributions, and expenses are reported when incurred, without regard to date of receipt or payment of cash. Contributions are reported in accordance with FASB Accounting Standards Codification ("ASC") *Accounting for Contributions Received and Contributions Made.*

Basis of presentation
The Organization's consolidated financial statements have been prepared in accordance with U.S. generally accepted accounting principles ("US GAAP"), which require the Organization to report information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and the board of directors.

Note 2. Basis of accounting and summary of significant accounting policies (continued)

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, where by the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities.

At June 30, 2023 and 2022, the Organization had net assets without donor restrictions of $10,841,440 and $9,484,625, respectively and had net assets with donor restrictions of $390,538 and $344,429, respectively. See Note 8 for discussion regarding net assets with donor restrictions.

Use of estimates
Management uses estimates and assumptions in preparing these consolidated financial statements in accordance with generally accepted accounting principles. Those estimates and assumptions affect the reported amount of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenue and expenses. Actual results could vary from the estimates that were used.

Cash and cash equivalents
The Organization considers all highly liquid investments purchased with an original maturity of three months or less to be cash and cash equivalents.

Accounts receivable
Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management writes off accounts when they are deemed uncollectible and establishes an allowance for doubtful accounts for estimated uncollectible amounts. The Organization had an allowance for doubtful accounts of $217,379 and $274,041 as of June 30, 2023 and 2022, respectively. Refer to Note 3 for additional discussion of accounts receivable.

Property
Property is recorded at cost, except for donated assets which are recorded at estimated fair value at the date of donation. Depreciation is computed on the straight line basis over the estimated useful lives of the related assets as follows:

| | |
|---|---|
| Buildings and improvements | 15 – 40 years |
| Automobiles | 3 – 15 years |
| Equipment | 5 – 7 years |

All equipment valued at $5,000 or more is capitalized. Expenditures for repairs and maintenance are expensed when incurred and betterments are capitalized. Assets sold or otherwise disposed of are removed from the accounts, along with the related accumulated depreciation, and any gain or loss is recognized. Depreciation expense was $332,347 and $282,410 for the years ended June 30, 2023 and 2022, respectively.

Note 2. Basis of accounting and summary of significant accounting policies (continued)

Investments
The Organization follows the Not-For-Profit Entities subtopic of the FASB Accounting Standards Codification with respect to investments. Under this subtopic, investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets.

Finance costs
Financing costs are recorded on the statement of position net of accumulated amortization. In accordance with generally accepted accounting principles, the unamortized financing costs are reported as a reduction in long term debt - see Note 7. The costs are amortized over the term of the respective financing arrangement.

Vacation pay and fringe benefits
Vacation pay is accrued and charged to programs when earned by the employee. Fringe benefits are allocated to the appropriate program expense based on the percentage of actual time spent on programs.

Deferred revenue
Amounts included in deferred revenue represent funds received in advance of expenditures incurred under the respective arrangement. The advances are recognized as revenue in the period the expenditure is incurred.

Fair value measurements and financial instruments
The Organization adopted FASB ASC 820, Fair Value Measurements and Disclosures, for assets and liabilities measured at fair value on a recurring basis. The codification established a common definition for fair value to be applied to existing generally accepted accounting principles that requires the use of fair value measurements, establishes a framework for measuring fair value, and expands disclosure about such fair value measurements.

FASB ASC 820 defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Additionally, FASB ASC 820 requires the use of valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs. These inputs are prioritized as follows:

- Level 1: Observable market inputs such as quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: Observable market inputs, other than quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3: Unobservable inputs where there is little or no market data, which require the reporting entity to develop its own assumptions.

The Organization's financial instruments consist primarily of cash, accounts receivables, accounts payable and accrued expenses. The carrying amount of the Organization's financial instruments approximates their fair value due to the short-term nature of such instruments. The carrying value of long-term debt approximates fair value due to their bearing interest at rates that approximate current market rates for notes with similar maturities and credit quality.

Note 2. Basis of accounting and summary of significant accounting policies (continued)

The Organization's interest rate swap agreements are classified as level 2 in the hierarchy, as all significant inputs to the fair value measurement are directly observable, such as the underlying interest rate assumptions.

Third-party contractual arrangements
A significant portion of revenue is derived from services to patients insured by third-party payers. Reimbursements from Medicare, Medicaid, and other commercial payers are at defined service rates for services rendered to patients covered by these programs. The difference between the established billing rates and the actual rate of reimbursement is recorded as an allowance when received. A provision for estimated contractual allowances is provided on outstanding patient receivables at the statement of financial position date.

Advertising expenses
The Organization expenses advertising costs as they are incurred.

Expense allocation
The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Contributions
Contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. Contributions that are restricted by the donor are reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the contribution is recognized. All other donor restricted contributions are reported as an increase in net assets with donor restrictions, depending on the nature of restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Contributed property and equipment are recorded at fair value at the date of donation. Contributions with donor-imposed stipulations regarding how long the contributed assets must be used are recorded as net assets with donor restrictions; otherwise, the contributions are recorded as net assets without donor restrictions.

Interest rate swap
The Organization uses an interest rate swap to effectively convert the variable rate on its State Authority Bond to a fixed rate, as described in Note 12. The change in the fair value of the swap agreement and the payments to or receipts from the counterparty to the swap are netted with the interest expense on the bonds. Cash flows from interest rate swap contracts are classified as a financing activity on the statement of cash flows.

Income taxes
The Organization is a non-profit organization exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. The Organization has also been classified as an entity that is not a private foundation within the meaning of 509(a) and qualifies for deductible contributions.

Note 2. Basis of accounting and summary of significant accounting policies (continued)

The Foundation is a non-profit organization exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. It is an organization that is organized and operated exclusively for the benefit of the Organization.

These consolidated financial statements follow FASB ASC, *Accounting for Uncertain Income Taxes*, which clarifies the accounting for uncertainty in income taxes and prescribes a recognition threshold and measurement attribute for financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return.

*Accounting for Uncertain Income Taxes* did not have a material impact on these consolidated financial statements as the Organization believes it has taken no uncertain tax positions that could have an effect on its consolidated financial statements.

Federal Form 990 (Return of an Organization Exempt from Income Tax) for fiscal years 2020 through 2022 are subject to examination by the IRS, generally for three years after filing.

Leases

The Organization determines if an arrangement is or contains a lease at inception. Leases are included in right-of-use (ROU) assets and lease liabilities in the statement of financial position. ROU assets and lease liabilities reflect the present value of the future minimum lease payments over the lease term, and ROU assets also include prepaid or accrued rent, if applicable. Operating lease expense is recognized on a straight-line basis over the lease term. The Organization does not report ROU assets and leases liabilities for its short-term leases (leases with a term of 12 months or less). Instead, the lease payments of those leases are reported as lease expense on a straight-line basis over the lease term.

New Accounting Pronouncement

On July 1, 2022, the Organization adopted Accounting Standards Update (ASU) No. 2016-02, *Leases,* which requires lessees to recognize leases on the statement of financial position and disclose key information about leasing arrangements. The Organization elected not to restate the prior period. It also elected not to reassess at adoption (i) expired or existing contracts to determine whether they are or contain a lease, (ii) the lease classification of any existing leases, or (iii) initial direct costs for existing leases. As a result of implementing ASU No. 2016-02, the Organization recognized right-of-use assets of $109,493 and lease liabilities totaling $79,493 in its statement of financial position as of July 1, 2022. The adoption did not result in a significant effect on amounts reported in the statement of activities for the year ended June 30, 2023.

Subsequent events

The Organization has evaluated all subsequent events through December 21, 2023, the date the consolidated financial statements were available to be issued.

Note 5. Concentrations of credit risk

Financial instruments that potentially subject the Organization to concentrations of credit risk consist of the following:

| | 2023 | 2022 |
|---|---|---|
| Receivables primarily for services provided to individuals and entities located in southern New Hampshire | $ 998,127 | $ 712,586 |
| Other receivables due from entities located in New Hampshire | $ 1,251,436 | $ 1,152,465 |

Bank balances are insured by the Federal Deposit Insurance Corporation ("FDIC") for up to the prevailing FDIC limit. At June 30, 2023 and 2022, the Organization had approximately $6,980,000 and 7,360,000 in uninsured cash balances.

Note 6. Property and equipment

Property and equipment consists of the following at June 30:

| | 2023 | 2022 |
|---|---|---|
| Land | $ 565,000 | $ 565,000 |

Note 7. Long term debt

Long term debt consists of the following as of June 30,:

| | 2023 | 2022 |
|---|---|---|
| Series 2015 New Hampshire Health and Education Facilities Bond - Payable through 2036, original principal of $3,042,730, remarketed and sold to People's United Bank (now M&T) at a variable rate. Secured by land, building, equipment, and certain revenues, revenues. The note matures August 2025. The Organization has entered into an interest rate swap agreement to effectively fix the interest rate on the note. See Note 11. | $ 2,167,730 | $ 2,295,230 |
| Less: unamortized finance costs | (263,224) | (282,153) |
| Long term debt, less unamortized finance costs | 1,904,506 | 2,013,077 |
| Less: current portion of long term debt | (113,571) | (108,571) |
| Long term debt, less current portion | $ 1,790,935 | $ 1,904,506 |

In 2017, the Organization retroactively adopted the requirements of FASB ASC 835-30 to present debt issuance costs as a reduction of the carrying amount of debt rather than as an asset.

Amortization of $18,930 and $18,962 is reported as interest expense in the consolidated statement of activities for the years ended June 30, 2023 and 2022, respectively.

Note 7. Long term debt (continued)

Future maturities to long term debt are as follows:

| Year ending June 30, | Long Term Debt Principal | Unamortized Finance Costs | Net |
|---|---|---|---|
| 2024 | $ 132,500 | $ (18,929) | $ 113,571 |

| Youth and Family Fund | 22,800 | - |
| Miscellaneous | 3,403 | 7,732 |
| | $ 390,538 | $ 344,429 |

Note 9. Deferred revenue

Deferred revenue consists of the following at June 30,:

| | 2023 | 2022 |
|---|---|---|
| HCBS ARPA Funds | $ - | $ 840,015 |

During the year ending June 30, 2022, the Organization received $840,015 in Home and Community Based Services funds which are funded through Section 9817 of the American Rescue Plan Act ("ARPA"). The funds are designed to enhance, expand, and strengthen certain Medicaid home and community based services (HCBS) and behavioral health services. As of June 30, 2022, none of the funds had been spent, however, they were spent in their entirety during the year ending June 30, 2023.

Note 10. Paycheck protection program

On April 17, 2020, the Organization received $2,212,100 in loan proceeds under the Paycheck Protection Program ("PPP"). The PPP, established as part of the Coronavirus Aid, Relief and Economic Security Act ("CARES Act"), provides loans to qualifying businesses for amounts up to 2.5 times of the average monthly payroll expenses of the qualifying business.

The loan was forgiven in full during August 2021, thus the Organization has no obligation to repay the funds received. Accordingly, the $2,212,100 in loan forgiveness is reported PPP loan forgiveness in the non-operating revenue and expenses in the consolidated statement of activities for the year ending June 30, 2022.

Note 11. Line of credit

As of June 30, 2023 and 2022, the Organization had a demand line of credit with M&T Bank with a borrowing capacity of $1,000,000 and $850,000, respectively. Interest accrued on the outstanding principal balance is payable monthly at the Wall Street Journal Prime for an effective rate of 8.25% at June 30, 2023. The outstanding balance on the line at June 30, 2023 and 2022 was $0. respectively. The line of credit is secured by all business assets and real estate.

Note 12. Interest rate swap

During 2016, the Organization entered into an interest rate swap agreement with M&T Bank that effectively fixes the interest rate on the outstanding principal of the Bank's term note at 3.045%.

Under the arrangement, the notional principal amount is the balance of the note, with the Organization receiving floating payments of one month London InterBank Offered rate ("LIBOR") plus .69% and paying a fixed rate of 3.045%.

The agreement matures August 2025 and has a notional amount of $2,167,730 and $2,295,230 at June 30, 2023 and 2022, respectively.

In accordance with generally accepted accounting principles, the interest rate swap agreement is recorded at its fair value as an asset or liability, with the changes in fair value being reported as a component of the change in net assets without donor restrictions. For the years ended June 30, 2023 and 2022, the Organization reported an interest rate swap asset / (liability) of $73,150 and $24,211 on the statement of financial position and a fair value gain / (loss) on the interest rate swap of $48,939 and $124,476 and on the statement of activities, respectively. The fair value gain / (loss) is reported as a non-operating expense of the Organization and is a non-cash transaction.

Note 13. Employee benefit plan

Discretionary matching contributions to a tax-deferred annuity plan qualified under Section 403(b) of the Internal Revenue Code are contingent upon financial condition. This program covers eligible regular full-time and part-time employees who have successfully completed at least one year of employment and work at least 20 hours per week. Eligible employees may make contributions to the plan up to the maximum amount allowed by the Internal Revenue Code if they wish. Employer contributions and expenses totaled $211,830 and $196,967 for the years ended June 30, 2023 and 2022, respectively.

Note 14. Concentrations

For the years ended June 30, 2023 and 2022, the Organization received approximately 74% and 75%, respectively, of its total revenue in the form of Medicaid reimbursements. Being a State of New Hampshire designated Community Mental Health Center affords the Organization Medicaid provider status. Annual contracting with New Hampshire Department of Health and Human Services-Bureau of Behavioral Health provides a base allocation of state general funds and Federal funding, which are drawn as related expenses are incurred.

Note 15. Lease commitments

The Organization evaluated current contracts to determine which met the criteria of a lease. The right-of-use (ROU) assets represent the Organization's right to use underlying assets for the lease term, and the lease liabilities represent the Organization's obligation to make lease payments arising from these leases. The ROU assets and lease liabilities, all of which arise from operating leases, were calculated based on the present value of future lease payments over the lease terms. The Organization has made an accounting policy election to use it's incremental borrowing rate to discount future lease payments, which was 8.25% as of the lease commencement date.

The following summarizes the Organization's leasing:

- The Organization leases equipment under a leasing arrangement which expires August 2026. The agreement requires an initial $30,000 non-refundable deposit and monthly payments of $1,950 through the term. The lease resulted in a right of use asset and lease liability being recorded in the year ending June 30, 2023.

The following summarizes amounts in the financial statements associated with the lease during and as of June 30, 2023:

| *Statement of Financial Position:* | | |
|---|---|---|
| Current portion of operating lease right of use asset | $ | 27,373 |
| Operating lease right of use asset, less current portion | | 59,309 |
| Total operating lease right of use asset | $ | 86,682 |
| | | |
| Current portion of operating lease payable | $ | 18,734 |
| Operating lease payable, less current portion | | 46,282 |
| Total operating lease payable | $ | 65,016 |

Note 15. Lease commitments (continued)

*Statement of Functional Expenses:*
The components of operating lease expenses that are included in rent costs in the statement of functional expenses were the following for the year ended June 30, 2023:

| | |
|---|---|
| Amortization of right to use asset | $ 22,811 |
| Interest paid on operating lease payable | 5,023 |
| Total operating lease expense | $ 27,834 |

The maturities of operating lease liabilities are the following:

| Year ending June 30, | |
|---|---|
| 2024 | $ 23,400 |
| 2025 | 23,400 |
| 2026 | 23,400 |
| 2027 | 3,900 |
| Total lease payments | 74,100 |
| Less: Present value discount | (9,084) |
| Total | $ 65,016 |

- The Organization leases facilities and equipment under various operating leases which are for periods of twelve months or less. In accordance with lease accounting, short-term leases (leases with a term of 12 months or less) are reported as lease expense on a straight-line basis over the lease term. Rent expense recorded under these arrangements was approximately $280,000 and $226,900 for the years ended June 30, 2023 and 2022, respectively.

Note 16. Investments and fair value measurements

The Organization reports its investments at fair value using Level 1 inputs. The following details the fair value at June 30, 2023:

| | Cost | Unrealized Gain/(Loss) | Market Value | % of Total |
|---|---|---|---|---|
| Cash and equivalents | $ 15,975 | $ - | $ 15,975 | 1% |

| Total investments | $ 1,271,008 | $ (146,679) | $ 1,211,838 | 100% |

The Organization reports its investments at fair value using Level 1 inputs. The following details the fair value at June 30, 2022:

| | Cost | Unrealized Gain/(Loss) | Market Value | % of Total |
|---|---|---|---|---|
| Cash and equivalents | $ 17,032 | $ - | $ 17,032 | 2% |
| Exchange Traded Funds | 1,256,356 | (146,679) | 1,109,677 | 98% |
| Total investments | $ 1,273,388 | $ (146,679) | $ 1,126,709 | 100% |

Note 16. Investments and fair value measurements (continued)

The following schedule summarizes the investment income and its classification in the statement of activities for the years ended June 30,:

| | 2023 | 2022 |
|---|---|---|
| Realized gains/(losses) | $ (10,930) | $ (45,537) |
| Unrealized gains/(losses) | 71,539 | (146,679) |
| Interest and dividends | 30,169 | 25,039 |
| Fees and expenses | (5,646) | (6,117) |
| Investment income/(expense), net | $ 85,132 | $(173,294) |

Note 17. Availability and liquidity

The following represents the Organization's financial assets at June 30,:

| | 2023 | 2022 |
|---|---|---|
| Financial assets at year end: | | |
| Cash and cash equivalents | $7,401,624 | $7,755,253 |
| Accounts receivable | 998,127 | 712,586 |
| Other receivable | 1,251,436 | 1,152,465 |
| Security deposit | 30,949 | 18,687 |
| Total financial assets | 9,682,136 | 9,638,9991 |
| Less amounts not available within one year: | | |
| Restricted cash | (390,538) | (344,429) |
| Security deposit | (30,949) | (18,687) |
| Financial assets available to meet general Expenditures over the next twelve months | $9,260,649 | $9,275,875 |

The Organization regularly monitors liquidity required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds.

For purposes of analyzing resources available to meet general expenditures over a 12-month period, the Organization considers all expenditures related to its ongoing mission-related activities, as well as the conduct of service undertaken to support those activities, to be general expenditures.

The Organization's primary source of liquidity is its cash and cash equivalents.

In addition to financial assets available to meet general expenditures within one year, the Organization operates with a budget and anticipates collecting sufficient revenue to cover general expenditures not covered by donor-restricted resources.

**EXPLANATION**

This request is **Sole Source** because MOP 150 requires all amendments to agreements originally approved as sole source to be identified as sole source. The Contractors are the only authorized contractors able to provide the necessary services. The Department contracts for mental health services through these Community Mental Health Centers, which are designated by the Department to service towns and cities within specified geographic regions, as outlined in the NH Revised Statutes Annotated (RSA) 135-C, New Hampshire Mental Health Services System, and NH Administrative Rule He-M 403, Approval and Operation of Community Mental Health Programs.

The purpose of this request is to correct the payment terms for the Assertive Community Treatment and Modular Approach to Therapy for Children services to ensure the Department can reimburse the Contractors for these services. The current payment terms for these services only allow payments to be drawn down on the prior State Fiscal Year and not for the full term of the contract. The Department is requesting to revise the payment terms to remove references to prior SFYs. This will allow the Contractors to invoice for payments through the contract completion date. The funding for the Contractors' payments is already encumbered in their individual price limitations.

The Assertive Community Treatment program offers treatment, rehabilitation, and support services using a person-centered, recovery-based approach to individuals who have been diagnosed with severe and persistent mental illness. The Contractors are paid for these services based on active participation in the monthly consultation and skill training events or for completion of a fidelity measures reviewed by the Department. The Modular Approach to Therapy for Children program is an industry standard treatment that employs a cognitive-behavioral framework to address common childhood behavioral health concerns including depression, anxiety, conduct problems, and trauma for youth ages 6-12. This modularized approach allows for flexibility and encourages clinicians to tailor treatment to individual treatment needs. The Contractors are paid for these services based on a per person rate. The Assertive Community Treatment and Modular Approach to Therapy for Children program scope provisions align with Mental Health Services required by NH RSA 135-C and with State Regulations applicable to the mental health system as outlined in He-M 400, as well as in compliance with the Community Mental Health Agreement (CMHA).

Approximately 20,700 individuals are served annually by the Contractors listed above. The populations served include children with Serious Emotional Disturbances and adults with Serious Mental Illness/Serious and Persistent Mental Illness, including individuals with Mental Illness and co-occurring substance use disorders per NH Administrative Rule He-M 401 Eligibility Determination and Individuals Service Planning.

The Department will continue to monitor services by:

- Conducting performance reviews and utilization reviews as necessary and appropriate based on applicable licensing, certifications, and service provisions.
- Conducting quarterly meetings to review submitted quarterly data and reports to identify ongoing programmatic improvements.
- Reviewing monthly financial statements provided by the Contractors for ongoing evaluation of program fiscal integrity.

Should the Governor and Executive Council not authorize this request, the Department will be unable to reimburse the Contractors for Assertive Community Treatment and Modular Approach to Therapy for Children services, which aligns with the scope of services.

Respectfully submitted,

Lori A. Weaver
Commissioner

**Amendment #1**

This Amendment to the Mental Health Services contract is by and between the State of New Hampshire, Department of Health and Human Services ("State" or "Department") and The Mental Health Center for Southern New Hampshire DBA CLM Center for Life Management ("the Contractor").

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 14, 2023 (Item #31), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract and in consideration of certain sums specified; and

WHEREAS, pursuant to Form P-37, General Provisions, the Contract may be amended upon written agreement of the parties and approval from the Governor and Executive Council; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Modify Exhibit C, Payment Terms; Section 7.5, to read:

7.5. Assertive Community Treatment Team (ACT) Adults: The Contractor shall be paid based on an activity and general payment as outlined below. Funds support programming and staffing defined in Exhibit B, Scope of Work, Adult Assertive Community Treatment (ACT) Teams.

| ACT Costs | INVOICE TYPE | TOTAL COST |
|---|---|---|
| Invoice based payments on invoice | Programmatic costs as outlined on invoice by month | $450,000 |
| ACT Enhancements | 1. ACT Incentives of $6,250 may be drawn down in December and May for active participation in COD Consultation. Evidence of active participation by the ACT team in the monthly consultations and skills training events conducted by the COD consultant will qualify for payment.<br><br>OR<br><br>2. ACT incentives may be drawn down upon completion of the SFY Fidelity Review per SFY. A total of $6,250 may be paid for a score of 4 or 5 on the Co-occurring Disorder Treatment Groups (S8) and the Individualized Substance Abuse Treatment (S7) fidelity measures. | $25,000 |

2. Modify Exhibit C, Payment Terms, Section 7.8. to read:

7.8. MATCH: Funds to be used to support services and trainings outlined in Exhibit B, Scope of Services. The breakdown of this funding per SFY is outlined below.

| TRAC COSTS | CERTIFICATION OR RECERTIFICATION | TOTAL COST |
|---|---|---|
| $2,500 | $250/Person X 10 People = $2,500 | $5,000 |

Funds are available in the following accounts for State Fiscal Years 2023 and 2024, and are anticipated to be available in State Fiscal Year 2025, upon the availability and continued appropriation of funds in the future operating budget, with the authority to adjust budget line items within the price limitation and encumbrances between state fiscal years through the Budget Office, if needed and justified.

**See attached fiscal details.**

**EXPLANATION**

This request is **Sole Source** because the Contractors are the only authorized contractors able to provide the necessary services. The Department contracts for mental health services through these ten (10) Community Mental Health Centers, which are designated by the Department to service towns and cities within specified geographic regions, as outlined in the NH Revised Statutes Annotated (RSA) 135-C, New Hampshire Mental Health Services System, and NH Administrative Rule He-M 403, Approval and Operation of Community Mental Health Programs.

The purpose of this request is to provide community mental health services for individuals in New Hampshire. Community Mental Health Centers provide community-based mental health services to adults, children, and families to build resiliency, promote recovery, and reduce inpatient hospital utilizations, and improve community tenure. These contracts provide both Federal grant funds and General Funds that enable delivery of services not otherwise covered by Medicaid. For example, technology, training, and system upgrades, delivery of some Assertive Community Treatment services, and care coordination with other systems such as the Division of Children, Youth, and Families, Department of Education, and Division of Long Term Supports and Services. The majority of the General Funds are allocated to ensure that individuals who are uninsured have full access to NH Rapid Response crisis services.

Approximately 20,700 individuals will be served annually.

The populations served include children with Serious Emotional Disturbances and adults with Serious Mental Illness/Serious and Persistent Mental Illness, including individuals with Mental Illness and co-occurring substance use disorders per NH Administrative Rule He-M 401 Eligibility Determination and Individuals Service Planning.

The Contractors will provide crisis services, individual and group psychotherapy, targeted case management, medication services, Functional Support Services, Illness Management and Recovery, supported employment, Assertive Community Treatment, Wraparound services for children, community residential services, and acute care services to individuals experiencing psychiatric emergencies while awaiting admission to a designated receiving facility. All contracts include provisions for Mental Health Services required by NH RSA 135-C and with State Regulations applicable to the mental health system as outlined in He-M 400, as well as in compliance with the Community Mental Health Agreement (CMHA).

The Department will monitor services by:

- Conducting performance reviews and utilization reviews as necessary and appropriate based on applicable licensing, certifications and service provisions.
- Conducting quarterly meetings to review submitted quarterly data and reports to identify ongoing programmatic improvements.
- Reviewing monthly financial statements provided by the Contractors for ongoing evaluation of program fiscal integrity.

As referenced in Exhibit A, Revisions to Standard Agreement Provisions Section 1, Revisions to Form P-37, General Provisions, Subsection 1.2 of the attached agreements, the parties have the option to extend the agreements for up to four (4) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and Governor and Council approval.

Should the Governor and Council not authorize this request, approximately 12,300 adults, and 8,400 children in the state will not have access to critical community mental health services as required by NH RSA 135-C:13. As a result, these individuals may experience an increase in symptoms causing them to seek more costly services at hospital emergency departments due to risk of harm to themselves or others and may have increased contact with law enforcement, correctional programs, or primary care physicians, none of which have the necessary services or supports available to provide necessary assistance. Lack of these services may also increase the likelihood of inpatient hospitalizations and death by suicide.

Source of Federal Funds: Assistance Listing Number #93.243, FAIN # H79SM080245; Assistance Listing Number #93.958, FAIN # B09SM087375; Assistance Listing Number #93.043, FAIN #2201NHOAPH; Assistance Listing Number #93.959, FAIN # TI085821; Assistance Listing Number #93.829, FAIN # H79SM087622.

In the event that the Federal Funds become no longer available, additional General Funds will not be requested to support this program.

Respectfully submitted,

Lori A. Weaver
Interim Commissioner

2. SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT B which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.17, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.13 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3. The Contractor agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

**8. EVENT OF DEFAULT/REMEDIES.**

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

**9. TERMINATION.**

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. In addition, at the State's discretion, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement.

**10. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.**

10.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

10.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

10.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

**11. CONTRACTOR'S RELATION TO THE STATE.** In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

**12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.**

12.1 The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice, which shall be provided to the State at least fifteen (15) days prior to the assignment, and a written consent of the State. For purposes of this paragraph, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

12.2 None of the Services shall be subcontracted by the Contractor without prior written notice and consent of the State. The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

**13. INDEMNIFICATION.** Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omissions of the

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

**14. INSURANCE.**

14.1 The Contractor shall, at its sole expense, obtain and continuously maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 commercial general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $1,000,000 per occurrence and $2,000,000 aggregate or excess; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 10.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than ten (10) days prior to the expiration date of each insurance policy. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference.

**15. WORKERS' COMPENSATION.**

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A *("Workers' Compensation")*.

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. The Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

**16. NOTICE.** Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

**17. AMENDMENT.** This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

**18. CHOICE OF LAW AND FORUM.** This Agreement shall be governed, interpreted and construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party. Any actions arising out of this Agreement shall be brought and maintained in New Hampshire Superior Court which shall have exclusive jurisdiction thereof.

**19. CONFLICTING TERMS.** In the event of a conflict between the terms of this P-37 form (as modified in EXHIBIT A) and/or attachments and amendment thereof, the terms of the P-37 (as modified in EXHIBIT A) shall control.

**20. THIRD PARTIES.** The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

**21. HEADINGS.** The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

**22. SPECIAL PROVISIONS.** Additional or modifying provisions set forth in the attached EXHIBIT A are incorporated herein by reference.

**23. SEVERABILITY.** In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

**24. ENTIRE AGREEMENT.** This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire agreement and understanding between the parties, and supersedes all prior agreements and understandings with respect to the subject matter hereof.

## Revisions to Standard Agreement Provisions

1. Revisions to Form P-37, General Provisions

1.1. Paragraph 3, Subparagraph 3.1, Effective Date/Completion of Services, is amended as follows:

3.1. Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire as indicated in block 1.17, this Agreement, and all obligations of the parties hereunder, shall become effective on June 28, 2023 ("Effective Date").

1.2. Paragraph 3, Effective Date/Completion of Services, is amended by adding subparagraph 3.3 as follows:

3.3. The parties may extend the Agreement for up to four (4) additional years from the Completion Date, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and approval of the Governor and Executive Council.

1.3. Paragraph 12, Assignment/Delegation/Subcontracts, is amended by adding subparagraph 12.3 as follows:

12.3. Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions. The Contractor shall have written agreements with all subcontractors, specifying the work to be performed, and if applicable, a Business Associate Agreement in accordance with the Health Insurance Portability and Accountability Act. Written agreements shall specify how corrective action shall be managed. The Contractor shall manage the subcontractor's performance on an ongoing basis and take corrective action as necessary. The Contractor shall annually provide the State with a list of all subcontractors provided for under this Agreement and notify the State of any inadequate subcontractor performance.

## Scope of Services

### 1. Provisions Applicable to All Services

1.1. The Contractor shall operate a Community Mental Health Center (CMHC) that provides services intended to promote recovery from mental illness for eligible residents in the State of New Hampshire (individuals) for Region 10.

1.2. The Contractor shall submit a detailed description of the language assistance services they will provide to persons with limited English proficiency to ensure meaningful access to their programs and/or services within ten (10) business days of the contract effective date.

1.3. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the Services described herein, the State Agency has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

1.4. Prior to termination of this contract the parties will agree on a plan for transition and destruction of data in accordance with Exhibit K.

1.5. The Contractor shall provide individualized, recovery based services and supports in the manner that best allows individuals to stay within their home and community, including, but not limited to providing current treatment and recovery options that are based on scientific research and evidence based practices (EBP).

1.6. The Contractor acknowledges the requirements of the Community Mental Health Agreement (CMHA) and shall demonstrate progress toward meeting the following terms in the CMHA: 1.) Assertive Community Treatment Teams; 2.) Evidence-Based Supported Employment; 3.) Transition planning for individuals at New Hampshire Hospital and Glencliff Home; and 4.) Supported Housing. Further, the Contractor shall participate in annual Quality Service Reviews (QSR) conducted under the terms of the CMHA.

1.7. The Contractor shall enter into a capitation model of contracting with all NH Medicaid Managed Care Organizations to support the delivery and coordination of behavioral health services and supports for children, youth, transition-aged youth, young adults, and adults.

1.8. The Contractor shall support the integration of physical and behavioral health as a standard of practice; implementing the Substance Abuse and Mental Health Services Administration's (SAMHSA) Six Levels of Collaboration/Integration to the maximum extent feasible.

1.9. The Contractor shall ensure that clinical standards and operating procedures are consistent with trauma-informed models of care, as defined by SAMHSA.

The clinical standards and operating procedures must reflect a focus on wellness, recovery, and resiliency.

1.10. The Contractor shall engage in ongoing implementation, service improvements, and expansion efforts associated with New Hampshire's 10 Year Mental Health Plan, as contracted.

1.11. For the purposes of this agreement, all references to days shall mean calendar days unless otherwise specified.

1.12. The Contractor shall provide individuals, caregivers and youth the opportunity for feedback and leadership within the agency to help improve services in a person-centered manner when applicable and appropriate.

1.13. The Contractor shall hire and maintain staffing in accordance with New Hampshire Administrative Rule He-M 403.07, or as amended, Staff Training and Development.

**2. System of Care for Children's Mental Health**

2.1. The Contractor shall collaborate with the Department on the implementation of NH RSA 135-F, System of Care for Children's Mental Health.

2.2. The Contractor shall provide services for children, youth, and young adults with serious emotional disturbance (SED) in a manner that aligns with NH RSA 135-F. The Contractor shall ensure services are:

2.2.1. Family Driven - services and supports are provided in a manner that best meets the needs of the family and the family goals;

2.2.2. Youth Driven - services and supports are provided in a manner that best meets the needs of the child, youth or young adult and that supports his or her goals;

2.2.3. Community Based - services and supports are provided in a manner that best allow children, youth, and young adults to stay within his or her home and community;

2.2.4. Cultural and Linguistic Competent - services are provided in a manner that honors a child, youth, or young adult and their family-identified culture, beliefs, ethnicity, preferred language, gender and gender identity and sexual orientation; and

2.2.5. Trauma informed.

2.3. The Contractor shall collaborate with the Care Management Entities providing FAST Forward, Transitional Residential Enhanced Care Coordination and Early Childhood Enhance Care Coordination programing, ensuring services are available for all children and youth enrolled in the programs.

2.4. The Contractor shall make referrals to the FAST Forward program for any child, youth, or young adult that may be eligible.

3. **Modular Approach to Therapy for Children with Anxiety, Depression, Trauma, or Conduct Problems (MATCH-ADTC)**

3.1. The Contractor shall maintain appropriate levels of certification through a contract with The Baker Center for Children and Families.

3.2. The Contractor shall ensure new and incoming staff work towards meeting a goal of 70% of children and youth clients' needs with the evidence-based practice of Modular Approach to Therapy for Children with Anxiety, Depression, Trauma, or Conduct problems (MATCH-ADTC).

3.3. The Contractor shall maintain a use of the Baker Center for Children and Families CHART system to support each case with MATCH-ADTC as the identified treatment modality.

3.4. The Contractor shall invoice BCBH for:

3.4.1. The costs for both the certification of incoming therapists and the recertification of existing clinical staff, not to exceed the budgeted amount; and

3.4.2. The full cost of the annual fees paid to the Baker Center for Children and Families for the use of their CHART system to support MATCH-ADTC.

4. **Children's Intensive Community Based Services**

4.1. The Contractor shall use the Child and Adolescent Needs and Strengths (CANS) assessment to determine the appropriate level of collaborative care and which children's intensive community based services are most appropriate.

4.2. The Contractor shall provide children's intensive community based services to children diagnosed with a serious emotional disturbance (SED), with priority given to children who:

4.2.1. Have a history of psychiatric hospitalization or repeated visits to hospital emergency departments for psychiatric crisis;

4.2.2. Are at risk for residential placement;

4.2.3. Present with significant ongoing difficulties at school;

4.2.4. Are at risk of interaction with law enforcement; and/or

4.2.5. Have a history of repeated engagement with Rapid Response.

4.3. The Contractor shall provide children's intensive community based services as needed through a full array of services as defined in New Hampshire

Administrative Rule He-M 426, Community Mental Health Services, which include, but are not limited to:

4.3.1. Functional Support Services (FSS).

4.3.2. Individual and family therapy.

4.3.3. Medication services.

4.3.4. Targeted case management (TCM) services.

4.3.5. Supported education.

4.4. The Contractor shall provide a minimum of six (6) up to a maximum of ten (10) hours of children's intensive community based services per week for each eligible individual, as defined in New Hampshire Administrative Rule He-M 426, ensuring more intensive services are provided during the first twelve (12) weeks of enrollment.

4.5. The Contractor shall screen adolescent clients for substance use using one or more tools, as appropriate, that include, but is not limited to:

4.5.1. The Car, Relax, Alone, Family, Friends, Trouble (CRAFFT) screening tool for individuals age twelve (12) years and older, which consists of six (6) screening questions as established by the Center for Adolescent Substance Abuse Research (CeASAR) at Children's Hospital Boston.

4.5.2. The Global Appraisal of Individual Needs – Short Screener (GAIN-SS), which is used by school based clinicians for clients referred for substance use.

4.6. The Contractor shall provide children's intensive community based services to clients and their families to ensure access to an array of community mental health services that include community and natural supports, which effectively support the clients and their families in the community, in a culturally competent manner.

4.7. The Contractor shall conduct and facilitate weekly children's intensive community based team meetings in order to communicate client and family needs and discuss client progress.

**5. Renew Sustainability (Rehabilitation for Empowerment, Education, and Work)**

5.1. The Contractor shall provide the Rehabilitation for Empowerment, Education and Work (RENEW) intervention with fidelity to transition-aged youth who qualify for state-supported community mental health services, in accordance with the University of New Hampshire (UNH) -Institute On Disability (IOD) model.

5.1.1. The standard is that RENEW coordinators demonstrate their alignment to and competency in the RENEW model by reaching a score of 80% or higher in domains 1–3 on the RENEW Integrity Tool (RIT) and utilize tools as trained for the practice with the clients.

5.2. The Contractor shall obtain support and coaching, as needed, from the IOD at UNH to improve the competencies of implementation team members and agency coaches.

**6. Division for Children, Youth and Families (DCYF)**

6.1. The Contractor shall provide mental health consultation to staff at Division for Children, Youth and Families (DCYF) District Offices related to mental health assessments and/or ongoing treatment for children served by DCYF.

6.2. The Contractor shall provide Foster Care Mental Health Assessments for children and youth younger than eighteen (18) years of age who are entering foster care for the first time.

**7. Crisis Services**

7.1. If the Contractor has, or enters into, an agreement with a hospital to provide crisis services to individuals who are eligible, or presumed eligible in the emergency department, for Medicaid services, the Contractor may bill Medicaid according to fee schedules or MCO contracts for services rendered.

7.2. The Contractor shall document crisis services delivered in the emergency department setting as part of its required submissions to the Department's Phoenix system (described in the Data Reporting section below), in a format, and with content, completeness, and timelines specified by the Department, ensuring documented information includes screenings performed, diagnosis codes, and referrals made.

7.3. The Contractor shall provide documentation of each collaborative relationship with acute care hospitals in its region, at the request of the Department.

7.4. The Contractor shall provide emergency services as defined in NH Administrative Rule He-M 403.06 (a)(6) and NH Administrative Rule He-M 426.09.

7.5. As part of the crisis resolution, the Contractor shall screen each individual for Assertive Community Treatment (ACT). If clinically appropriate, the Contractor shall:

7.5.1. Refer the individual for an expedited ACT assessment and/or intake and treatment upon discharge; or

7.5.2. Inform the appropriate CMHC in order to expedite the ACT assessment and/or intake and treatment upon discharge from emergency department or inpatient psychiatric or medical care

setting, if the individual resides in a region other than the region in which the individual is receiving crisis services.

7.6. The Contractor shall not refer an individual for hospitalization at New Hampshire Hospital (NHH) or Hampstead Hospital Residential Treatment Facility (HHRTF) unless the Contractor has determined that NHH is the least restrictive setting in which the individual's immediate psychiatric treatment needs can be met. The Contractor shall:

7.6.1. Make all reasonable efforts to ensure no other clinically appropriate bed is available at any other NH inpatient psychiatric unit, Designated Receiving Facility (DRF), Adult Psychiatric Residential Treatment Program (APRTP), Mobile Crisis apartments, or other step-up/step-down beds prior to referring an individual to NHH.

7.7. The Contractor shall provide services to individuals experiencing a psychiatric and/or substance use related crisis through a rapid response team that includes specialty trained crisis responders, which includes, but is not limited to:

7.7.1. One (1) clinician trained to provide behavioral health emergency services and crisis intervention services.

7.7.2. One (1) peer.

7.7.3. Telehealth access, and on-call psychiatry, as needed.

7.8. The Contractor shall ensure all staff have the necessary qualifications as defined under New Hampshire Administrative Rule He-M 400, Community Mental Health, Parts 403 and 426.

7.9. The Contractor shall work in tandem with the designated vendor providing services through the Rapid Response Access Point contract as approved by the Governor and Executive Council.

7.10. The Contractor shall maintain a current Memorandum of Understanding with the Rapid Response Access Point, which provides the Mobile Response Teams information regarding the nature of the crisis, through electronic communication, that includes, but is not limited to:

7.10.1. The location of the crisis.

7.10.2. The safety plan either developed over the phone or on record from prior contact(s).

7.10.3. Any accommodations needed.

7.10.4. Treatment history of the individual, if known.

7.11. The Contractor shall promote the use of the telephone number for the Rapid Response Access Point as the primary contact for crisis services, which:

7.11.1. Utilizes specified Rapid Response technology, to identify the closest and available Mobile Response Team; and

7.11.2. Does not fulfill emergency medication refills.

7.12. The Contractor shall provide written information to current clients, which includes telephone numbers, on how to access support for medication refills on an ongoing basis.

7.13. The Contractor shall ensure all rapid response team members participate in crisis response training, as designated by the Department, which follows the concepts and topics identified in the National Guidelines for Crisis Care Best Practice Toolkit published by the Substance Abuse and Mental health Services Administration (SAMHSA).

7.14. The Contractor shall provide the physical address of the physical location to the Rapid Response Access Point where the rapid response team may provide office-based urgent assessments.

7.15. The Contractor shall ensure a rapid response team is available twenty-four (24) hours per day, seven (7) days a week for deployment as directed by the Rapid Response Access Point.

7.15.1. If the Contractor does not have a fully staffed Rapid Response team available for deployment twenty-four (24) hours per day, seven (7) days a week, the Contractor shall work with the Department to identify solutions to meet the demand for services.

7.16. The Contractor shall ensure the Rapid Response team is trained and available to provide crisis response services to avoid unnecessary hospitalization, contact with law enforcement, incarceration or institutionalization. The Contractor shall ensure services include but are not limited to:

7.16.1. Face-to-face assessments.

7.16.2. Disposition and decision making.

7.16.3. Initial care and safety planning.

7.16.4. Post crisis and stabilization services.

7.17. The Contractor may utilize presumptive eligibility when responding to individuals who are not connected to a CMHC or who may be considered low utilizers.

7.18. The Contractor shall follow all Rapid Response dispatch protocols, processes, and data collection established in partnership with the Rapid Response Access Point, as approved by the Department.

7.19. The Contractor shall ensure the Rapid Response team responds face-to-face to all dispatches in the community within one (1) hour of the request ensuring:

7.19.1. The response team includes a minimum of two (2) specialty trained behavioral health crisis responders for safety purposes, if occurring at locations based on individual and family choice that include but are not limited to:

7.19.1.1. In or at the individual's home.

7.19.1.2. Community settings;

7.19.2. The response team includes a minimum of one (1) clinician if occurring at safe, staffed sites or public service locations;

7.19.3. Telehealth dispatch is acceptable as a face-to-face response only when requested by the individual and/or deployed as a telehealth dispatch by the Rapid Response Access Point, as clinically appropriate;

7.19.4. A no-refusal policy upon triage and all requests for Rapid Response team dispatch receive a response and assessment regardless of the individual's disposition, which may include current substance use. Documented clinical rationale with administrative support when a mobile intervention is not provided;

7.19.5. Coordination with law enforcement personnel, only when clinically indicated, when responding to individuals in a mental health crisis presenting a safety concern or when active rescue is required;

7.19.6. A face-to-face lethality assessment as needed that includes, but is not limited to:

7.19.6.1. Obtaining the individual's mental health history including, but not limited to:

7.19.6.1.1. Psychiatric, including recent inpatient hospitalizations and current treatment providers.

7.19.6.1.2. Substance misuse.

7.19.6.1.3. Social, familial and legal factors;

7.19.6.2. Understanding the individual's presenting symptoms and onset of crisis;

7.19.6.3. Obtaining medication list, adherence to prescribed medications and brief medical history; and

7.19.6.4. Conducting a mental status exam.

7.19.7. Developing a mutually agreed upon individualized safety plan and care disposition and decision making, with the individual, which may include, but is not limited to:

7.19.7.1. Staying in place with:

7.19.7.1.1. Stabilization services.

7.19.7.1.2. A safety plan.

7.19.7.1.3. Outpatient providers;

7.19.7.2. Stepping up to crisis stabilization services or apartments.

7.19.7.3. Admission to peer respite or step-up/step-down program.

7.19.7.4. Admission to a crisis apartment.

7.19.7.5. Voluntary hospitalization.

7.19.7.6. Initiation of Involuntary Emergency Admission (IEA).

7.19.7.7. Medical hospitalization.

7.20. The Contractor shall involve peer and/or specialty trained crisis responders Rapid Response staff by providing follow up contact within forty-eight (48) hours post-crisis for all face-to-face interventions, which may include, but are not limited to:

7.20.1. Promoting recovery.

7.20.2. Building upon life, social and other skills.

7.20.3. Offering support.

7.20.4. Reviewing crisis and safety plans.

7.20.5. Facilitating referrals such as warm hand offs for post-crisis support services, including connecting back to existing treatment providers, including home region CMHC, and/or providing a referral for additional treatment and/or peer contacts.

7.21. The Contractor shall provide Sub-Acute Crisis Stabilization Services for up to 30 days as follow-up to the initial mobile response for the purpose of stabilization of the crisis episode prior to intake or referral to another service or agency. The Contractor shall ensure stabilization services are:

7.21.1. Provided for individuals who reside in and/or are expected to receive long-term treatment in the Contractor's region;

7.21.2. Delivered by the rapid response team for individuals who are not in active treatment prior to the crisis;

7.21.3. Provided in the individual and family home, if requested by the individual;

7.21.4. Implemented using methods that include, but are not limited to:

7.21.4.1. Involving specialty trained behavioral health peer and/or Bachelor level crisis staff to provide follow up support.

7.21.4.2. Providing crisis stabilization services with a Master's level clinician through short-term, trauma informed approaches, which may include, but are not limited to:

7.21.4.2.5. Providing substance use disorder assessment and counseling techniques for dually diagnosed individuals.

7.21.5. Provided by a Department certified and approved Residential Treatment Provider in a Residential Treatment facility for children and youth.

7.22. The Contractor shall work with the Rapid Response Access Point to conduct educational and outreach activities within the local community and to institutional stakeholders in order to promote appropriate referrals to and the utilization of rapid response team resources. The Contractor must:

7.22.1. Ensure outreach and educational activities may include, but are not limited to:

7.22.1.1. Promoting the Rapid Response Access Point website and phone number and links with information about Rapid Response and connectivity to the Rapid Response Access Point.

7.22.1.2. Including the Rapid Response Access point crisis telephone number as a prominent feature to call if experiencing a crisis on relevant agency materials.

7.22.1.3. Direct communications with partners that direct them to the Rapid Response Access Point for crisis services and deployment.

7.22.1.4. Promoting the Children's Behavioral Health Resource Center website.

7.22.2. Work with the Rapid Response Access Point to change utilization of hospital emergency departments (ED) for crisis response in the region and collaborate by:

7.22.2.1. Meeting regularly with local police and first responders to discuss interface, procedures, and collaborations to understand challenges and improve outcomes for individuals in the community;

7.22.2.2. Educating the individual, and their supports on all diversionary services available, by encouraging early intervention;

7.22.2.3. Maintaining and developing relationships with local hospitals and work together to promote the use of the Rapid Response Access Point number and rapid response services, in order to reduce ED use; and

7.22.2.4. Coordinating with homeless outreach services.

7.23. The Contractor shall maintain connection with the Rapid Response Access Point and the identified technology system that enables transmission of information needed to:

7.23.1. Determine availability of the Rapid Response Teams;

7.23.2. Facilitate response of dispatched teams; and

7.23.3. Resolve the immediate crisis episode.

7.24. The Contractor shall maintain connection to the designated resource tracking system.

7.25. The Contractor shall maintain a bi-directional referral system with electronic scheduling to support information sharing that facilitates closed loop referrals and transmission of clinical triage summaries, safety plans and shared care plans with community providers, once implemented.

7.26. The Contractor shall submit reports relative to the rapid response services provided in this agreement. The Contractor shall:

7.26.1. Document all contacts in the medical record for both State eligible and non-eligible individuals who receive rapid response team services;

7.26.2. Provide monthly reports by the fifteenth (15th) day of each month, on a template provided by the Department which includes, but is not limited to:

7.26.2.1. Number of unique individuals who received services.

7.26.2.2. Date and time of mobile arrival; and

7.26.3. Submit information through the Department's Phoenix System as defined in the Department's Phoenix reporting specifications unless otherwise instructed on a temporary basis by the Department to include but not be limited to:

7.26.3.1. Diversions from hospitalizations.

7.26.3.2. Diversions from Emergency Rooms.

7.26.3.3. Services provided.

7.26.3.4. Location where services were provided.

7.26.3.5. Length of time service or services provided.

7.26.3.6. Whether law enforcement was involved for safety reasons.

7.26.3.7. Whether law enforcement was involved for other reasons.

7.26.3.8. Identification of follow up with the individual by a member of the Contractor's rapid response team within 48 hours post face-to-face intervention.

7.26.3.9. Indication that referral for ongoing mental health services following the immediate crisis was provided.

7.26.3.10. Outcome of service provided, which may include but is not limited to:

7.26.3.10.1. Remained in home.

7.26.3.10.2. Hospitalization.

7.26.3.10.3. Crisis stabilization services.

7.26.3.10.4. Crisis apartment.

7.26.3.10.5. Emergency department.

7.27. The Contractor's performance will be monitored by ensuring eighty (80%) of individuals receive a post-crisis follow up from a member of the Contractor's rapid response team within forty-eight (48) hours of a face-to- face intervention, as identified through Phoenix encounter data.

7.28. Rapid Response Crisis Center

7.28.1. The Contractor shall expand Rapid Response services by opening and operating a drop-in Rapid Response Crisis Center. The Center shall be:

7.28.1.1. Welcoming to and serve children, youth, families, and adults;

7.28.1.2. Open during hours that meet community need/demand;

7.28.1.3. Recovery-oriented and community-based;

7.28.1.4. Open to accept walk-ins and first-responder drop-offs from anywhere in the state;

7.28.1.5. Available to provide services for no more than 23-hours; and

7.28.1.6. Integrated and aligned with the existing Rapid Response system.

7.28.2. The Contractor shall submit a final plan to stand up a location-based Rapid Response Crisis Center to the Department for approval within sixty (60) days from the effective date of the contract. The plan shall include a detailed:

7.28.2.1. Program/model description;

7.28.2.2. Staffing plan; and

7.28.2.3. Timeline.

7.28.3. The Contractor shall submit and meet quarterly with the Department, or as otherwise requested by the Department, to review quarterly programmatic reports, in a format with data elements agreed upon by the Contractor and the Department.

7.29. The Contractor shall provide four (4) Community Crisis Beds in an apartment setting, which serve as an alternative to hospitalization and/or institutionalization. The Contractor shall ensure:

7.29.1. Admissions to an apartment for Community Crises Beds are for providing brief psychiatric intervention in a community based environment structured to maximize stabilization and crisis reduction while minimizing the need for inpatient hospitalization;

7.29.2. Community Crisis Beds in an apartment:

7.29.2.1. Include no more than two (2) bedrooms per crisis apartment;

7.29.2.2. Are operated with sufficient clinical support and oversight, and peer staffing, as is reasonably necessary to prevent unnecessary institutionalization;

7.29.2.3. Have peer staff and clinical staff available to be onsite, 24 hours per day, seven days per week, whenever necessary, to meet individualized needs;

7.29.2.4. Are available to individuals 18 years and older on a voluntary basis and allow individuals to come and go from the apartment as needed to maintain involvement in and connection to school, work, and other recovery-oriented commitments and/or activities as appropriate to the individual's crisis treatment plan;

7.29.2.5. Are certified under New Hampshire Administrative Rule He-M 1000, Housing, Part 1002, Certification Standards for Behavioral Health Community Residences, and include:

7.29.2.5.1. At least one (1) bathroom with a sink, toilet, and a bathtub or shower;

7.29.2.5.2. Specific sleeping area designated for each individual;

7.29.2.5.3. Common areas shall not be used as bedrooms;

7.29.2.5.4. Storage space for each individual's clothing and personal possessions;

7.29.2.5.5. Accommodations for the nutritional needs of the individual; and

7.29.2.5.6. At least one (1) telephone for incoming and outgoing calls.

7.29.3. Crisis intervention, stabilization services, and discharge planning services are provided by the members of the rapid response team as clinically appropriate;

7.29.4. Ongoing safety assessments are conducted no less than daily;

7.29.5. Assistance with determining individual coping strengths in order to develop a crisis treatment recovery plan for the duration of the stay and a post-stabilization plan;

7.29.6. Coordination and provision of referrals for necessary psychiatric services, social services, substance use services and medical aftercare services;

7.29.7. An individual's stay at a crisis apartment is for no more than seven consecutive (7) days, unless otherwise approved in writing by the Department;

7.29.8. Transportation for individuals is provided from the site of the crisis to the apartment and to their home or other residential setting after stabilization has occurred;

7.29.9. Any staff member providing transportation has:

7.29.9.1. A valid driver's license;

7.29.9.2. A State inspected vehicle; and

7.29.9.3. Proof of vehicle insurance;

7.29.10. Provision of a list of discharge criteria from the crisis apartments and related policies and procedures regarding the apartment beds to the Department within thirty (30) days of the contract effective date for Department approval;

7.29.11. Peer Support Specialists engage individuals through methods including, but not limited to Intentional Peer Support (IPS); and

7.29.12. Reports are submitted to the Department for Crisis Apartments through the Phoenix reporting system that includes, but is not limited to:

7.29.12.1. Admission and Discharge Dates.

7.29.12.2. Discharge disposition (community or higher level of care).

7.29.12.3. Number of referrals refused for admission.

**8. Adult Assertive Community Treatment (ACT) Teams**

8.1. The Contractor shall maintain Adult ACT Teams that meet the SAMHSA Model and are available twenty-four (24) hours per day, seven (7) days per week, with on-call availability from midnight to 8:00 A.M. The Contractor shall ensure:

8.1.1. Adult ACT Teams deliver comprehensive, individualized, and flexible services, supports, targeted case management, treatment, and rehabilitation in a timely manner as needed, onsite in the individuals' homes and in other natural environments and community settings, or alternatively, via telephone where appropriate to meet the needs of the individual;

8.1.2. Each Adult ACT Team is composed of seven (7) to ten (10) dedicated professionals who make-up a multi-disciplinary team including, a psychiatrist, a nurse, a Masters-level clinician, or functional equivalent therapist, functional support worker and a full time equivalent (FTE) certified peer specialist;

8.1.3. Each Adult ACT Team includes an individual trained to provide substance abuse support services including competency in providing co-occurring groups and individual sessions, and supported employment; and

8.1.4. Caseloads for Adult ACT Teams serve no more than twelve (12) individuals per Adult ACT Team member, excluding the psychiatrist who serves no more than seventy (70) people served per 0.5 FTE psychiatrist, unless otherwise approved by the Department.

8.2. The Contractor shall ensure ACT staff, with the exception of psychiatrist and nurse, receive:

8.2.1. A minimum of 15 hours in basic ACT training within one (1) year of hire date that is consistent with the ACT EBP SAMHSA toolkit approved by BMHS; and

8.2.2. A minimum of 4 hours of advanced ACT training of co-occurring disorders within fifteen (15) months of hire date that is consistent with the ACT EBP SAMSHA toolkit and Integrated Dual Disorder Model approved by BMHS.

8.3. The Contractor shall ensure Adult ACT Teams do not have waitlists for screening purposes and/or admission to the ACT Team. The Contractor shall ensure:

8.3.1. Individuals do not wait longer than 30 days for either assessment or placement;

8.3.2. Work with the Department at identifying solutions and appropriate levels of care for any individual waiting for Adult ACT Team services for more than 30 days in order to meet the demand for services and implement the solutions within forty-five (45) days; and

8.3.3. Individuals receiving services from Adult ACT Team members, if psychiatrically hospitalized, are offered a same day or next day appointment with an Adult ACT Team member upon date of discharge.

8.4. The Contractor shall report its level of compliance with the above listed requirements on a monthly basis at the staff level in the format, and with content, completeness, and timeliness as specified by the Department as part of the Phoenix submissions, which are due no later than the 15th of the month. The Contractor shall:

8.4.1. Ensure services provided by the Adult ACT Team are identified in the Phoenix submissions as part of the ACT cost center;

8.4.2. Screen for ACT per NH Administrative Rule He-M 426.16, or as amended, Assertive Community Treatment (ACT);

8.4.3. Report all ACT screenings with the outcome of the screening to indicate whether the individual is appropriate for ACT, as part of the Phoenix submissions, or in the format, content, completeness, and timelines as specified by the Department;

8.4.4. Make a referral for an ACT assessment within (7) days of:

8.4.4.1. A screening outcome that an individual may be appropriate to receive ACT services; and

8.4.4.2. An individual being referred for an ACT assessment;

8.4.5. Report the outcome of ACT assessments to the Department as part of the Phoenix submissions, in the format, content, completeness, and timelines as specified by the Department;

8.4.6. Ensure all individuals assessed as appropriate for ACT services are admitted to the ACT team caseload and begin receiving ACT services within seven (7) days, with the exception of individuals who decline such services, or are not available to receive such services for reasons that may include, but are not limited to:

8.4.6.1. Extended hospitalization or incarceration.

8.4.6.2. Relocation of individuals out of the Contractor's designated community mental health region; and

8.4.7. Ensure, in the event that admitting the individual to the ACT Team caseload causes the ACT Team to exceed the caseload size limitations specified above, consultation with the Department to seek approval:

8.4.7.1. To exceed caseload size requirements; or

8.4.7.2. To provide alternative services to the individual until the individual can be admitted to the ACT caseload.

**9. Evidence-Based Supported Employment**

9.1. The Contractor shall gather employment status for all adults with Severe Mental Illness (SMI)/Severe Persistent Mental Illness (SPMI) at intake and at least biannually thereafter and when employment status changes.

9.2. The Contractor shall report the employment status for all adults with SMI/SPMI to the Department in the format, content, completeness, and timelines specified by the Department.

9.3. The Contractor shall provide a referral for all individuals who express an interest in receiving Individual Placement and Support Supported Employment (IPS-SE) services to the Supported Employment (SE) team within seven (7) days.

9.4. The Contractor shall deem the individual as waiting for SE services if the SE team cannot accommodate enrollment of SE services, at which time the individual will be added to the waitlist, which is reported to the Department, as specified by the Department.

9.5. The Contractor shall provide IPS-SE to eligible individuals in accordance with the SAMHSA and/or Dartmouth model.

9.6. The Contractor shall ensure IPS-SE services include, but are not limited to:

9.6.1. Job development.

9.6.2. Work incentive counseling.

9.6.3. Rapid job search.

9.6.4. Follow along supports for employed individuals.

9.6.5. Engagement with mental health treatment teams and local NH Vocational Rehabilitation services.

9.7. The Contractor shall ensure IPS-SE services do not have waitlists, ensuring individuals do not wait longer than 30 days for IPS-SE services. If waitlists are identified, Contractor shall:

9.7.1. Work with the Department to identify solutions to meet the demand for services; and

9.7.2. Implement such solutions within 45 days.

9.8. The Contractor shall maintain the penetration rate of individuals receiving supported employment at a minimum of 18.6 percent (18.6%) as per the CMHA agreement.

9.9. The Contractor shall ensure SE staff receive:

9.9.1. A minimum of 15 hours in basic training within one year of hire date as approved by the IPS Employment Center and approved by BMHS; and

9.9.2. A minimum of 7 hours of advanced SE Job Development Training within 15 months of hire as approved by the IPS-SE Employment Center and BMHS.

**10. Coordination of Care from Residential or Psychiatric Treatment Facilities**

10.1. The Contractor shall designate a member of its staff to serve as the primary liaison to New Hampshire Hospital (NHH) and/ or Hampstead Hospital Residential Treatment Facility (HHRTF) who works with the applicable NHH & HHRTF staff, payer(s), guardian(s), other community service providers, and the applicable individual, to assist with coordinating the seamless transition of care for individuals transitioning from NHH and HHRTF to community based services or transitioning to NHH from the community. The Contractor may:

10.1.1. Designate a different liaison for individuals being served through their children's services.

10.2. The Contractor shall not close the case of any individual who is admitted to NHH. Notwithstanding, the Contractor shall be deemed to be in compliance with all NH Administrative He-M 408, Clinical Records rules regarding documentation if it is noted in the record that the individual is an inpatient at NHH or another treatment facility. All documentation requirements as per He-

M 408 will be required to resume upon re-engagement of services following the individual's discharge from inpatient care.

10.3. The Contractor shall participate in transitional and discharge planning within 24 hours of admission to an inpatient facility.

10.4. The Contractor shall work with the Department, payers and guardians (if applicable) to review cases of individuals that NHH, HHRTF, Transitional Housing, or alternative treatment facility or the Contractor, have indicated will have difficulty returning to the community to identify barriers to discharge, and to develop an appropriate plan to transition into the community.

10.5. The Contractor shall make a face-to-face appointment available to an individual leaving NHH, HHRTF, Transitional Housing or alternative residential setting who desires to reside in the region served by the Contractor within seven (7) calendar days of receipt of notification of the individual's discharge, or within seven (7) calendar days of the individual's discharge, whichever is later.

10.6. The Contractor shall ensure individuals who are discharged and are new to a CMHC have an intake appointment within seven (7) calendar days. If the individual declines to accept the appointment, declines services, or requests an appointment to be scheduled beyond the seven (7) calendar days, the Contractor may accommodate the individual's request provided the accommodation is clinically appropriate, and does not violate the terms of a conditional discharge. The Contractor's Adult ACT Team must see individuals who are on the ACT caseload and transitioning from NHH into the community within 24 hours of NHH discharge.

10.7. The Contractor shall make all reasonable efforts to ensure that no appropriate bed is available at any other inpatient psychiatric unit, Designated Receiving Facility (DRF) per NH RSA 135-C and NH Administrative Rule He-M 405, Designation of Receiving Facilities, Mobile Crisis Apartment, Peer Support Recovery Center, or Adult Psychiatric Residential Treatment Program (APRTP) prior to referring an individual to NHH.

10.8. The Contractor shall collaborate with NHH to develop and execute conditional discharges from NHH in order to ensure that individuals receive treatment in the least restrictive environment.

10.9. The Contractor shall have all necessary staff members available to receive, evaluate, and treat individuals discharged from NHH and HHRTF seven (7) days per week, consistent with the provisions in NH Administrative Rule He-M 403 and NH Administrative Rule He-M 426.

10.10. For individuals at NHH who formerly resided in the Contractor's designated community mental health region prior to NHH admission, who have been identified for transition planning to the Glencliff Home, the Contractor shall, at

the request of the individual or guardian, or of NHH or Glencliff Home staff, participate in transition planning to determine if the individual can be supported in the Contractor's region with community based services and supports instead of transitioning to the Glencliff Home. In the event the individual would require supports from multiple funding sources or the Department's systems of care, the Contractor shall collaborate with additional Department staff at NHH's request, to address any barriers to discharge the individual to the community.

**11. Coordinated Care and Integrated Treatment**

11.1. Primary Care

11.1.1. The Contractor shall request written consent from each individual to allow the designated primary care provider to release information for the purpose of coordinating care regarding mental health services or substance misuse services or both.

11.1.2. The Contractor shall support each individual with linking to an available primary care provider, if the individual does not have an identified primary care provider, to:

11.1.2.1. Monitor health;

11.1.2.2. Provide medical treatment as necessary; and

11.1.2.3. Engage in preventive health screenings.

11.1.3. The Contractor shall consult with each primary care provider at least annually, or as necessary, to integrate care between mental and physical health for each individual, which may include the exchange of pertinent information including, but not limited to medication changes or changes in the individual's medical condition.

11.1.4. The Contractor shall document on the release of information form the reason(s) written consent to release information was refused in the event an individual refuses to provide consent to release information.

11.2. Substance Misuse Treatment, Care and/or Referral

11.2.1. The Contractor shall provide services and meet requirements to address substance misuse and to support recovery intervention implementation, which include, but are not limited to:

11.2.1.1. Screening no less than 95% of eligible individuals for substance misuse at the time of intake, and annually thereafter.

11.2.1.2. Conducting a full assessment for substance misuse disorder and associated impairments for each individual that screens positive for substance use.

11.2.1.3. Developing an individualized service plan for each eligible individual based on information from substance misuse screening.

11.2.2. The Contractor shall utilize the SAMSHA evidence-based models for Co-Occurring Disorders Treatment to develop treatment plans with individuals and to provide an array of evidence-based interventions that enhance recovery for individuals and follow the fidelity standards to such a model.

11.2.3. The Contractor shall make all appropriate referrals if the individual requires additional substance use disorder care utilizing the current New Hampshire system of care, and ensuring linkage to and coordination with resources.

11.3. Area Agencies

11.3.1. The Contractor shall collaborate with the Area Agency that serves the region to address processes that include:

11.3.1.1. Enrolling individuals for services who are dually eligible for both organizations;

11.3.1.2. Ensuring transition-aged individuals are screened for the presence of mental health and developmental supports and refer, link and support transition plans for youth leaving children's services into adult services identified during screening;

11.3.1.3. Following the "Protocol for Extended Department Stays for Individuals served by Area Agency" issued December 1, 2017 by the State of New Hampshire Department of Health and Humans Services, as implemented by the regional Area Agency;

11.3.1.4. Facilitating collaborative discharge planning meetings to assess individuals who are leaving NHH to re-engage them with both the CMHC and Area Agency representatives;

11.3.1.5. Ensuring annual training is designed and completed for intake, eligibility, and case management for dually diagnosed individuals and that attendees include intake clinicians, case-managers, service coordinators and other frontline staff identified by both CMHC's and Area Agencies. The Contractor shall ensure the training utilizes the Diagnostic Manual for Intellectual Disability 2 that is

specific to intellectual disabilities, in conjunction with the DSM V;

11.3.1.6. Planning for each person who receives dual case management by outlining the responsibilities of each organization and expectations for collaboration between the organizations; and

11.3.1.7. Participating in shared service annual treatment meetings to assess quality and progress towards treatment goals as well as monitoring continued need for dual services when waivers are required for services between agencies.

11.4. Peer Supports

11.4.1. The Contractor shall actively promote recovery principles and integrate peers throughout the agency, which includes, but is not limited to:

11.4.1.1. Employing peers as integrated members of the CMHC treatment team(s) in the role of peer support specialist with the ability to deliver one-on-one face-to-face interventions that facilitate the development and use of recovery-based goals and care plans, and explore treatment engagement and connections with natural supports.

11.4.1.2. Establishing referral and resource relationships with the local Peer Support Agencies, including any Peer Respite, Recovery Oriented Step-up/Step-down programs, and Clubhouse Centers and promote the availability of these services.

11.4.2. The Contractor shall submit a quarterly peer support staff tracking document, as supplied by or otherwise approved by the Department.

11.5. Transition of Care with MCO's

11.5.1. The Contractor shall ensure ongoing coordination occurs with the MCO Care Managers to support care coordination among and between services providers.

**12. Certified Community Behavioral Health Clinic (CCBHC) Planning (Through March 30, 2024)**

12.1. The Contractor shall participate in CCBHC planning activities that include:

12.1.1. Co-learning and consultation with the state identified Consultation and Technical Assistance Planning Consultant;

12.1.2. Attending two (2) learning communities on a monthly basis;

12.1.3. Completing the CCBHC self-assessment tool as defined by the department; and

12.1.4. Meeting monthly with planning consultant for technical assistance.

**13. Deaf Services**

13.1. The Contractor shall work with the Deaf Services Team, employed by Region 6, for all individuals seeking services who would benefit from receiving treatment in American Sign Language (ASL) or from staff who are specially trained to work with the deaf and hard of hearing population.

13.2. The Contractor shall work with the Deaf Services Team in Region 6 for disposition and treatment planning, as appropriate.

13.3. The Contractor shall ensure treatment plans take the importance of access to culturally and linguistically appropriate services on treatment outcomes into consideration.

13.4. The Contractor shall ensure services are person-directed, which may result in:

13.4.1. Individuals being seen only by the Deaf Services Team through CMHC Region 6;

13.4.2. Care being shared across the regions; or

13.4.3. The individual's local CMHC providing care after consultation with the Deaf Services Team.

**14. Helping Overcome Psychosis Early (HOPE) PROGRAM SERVICES - Early Serious Mental Illness/First Episode Psychosis – Coordinated Specialty Care (ESMI/FEP – CSC) Services**

14.1. The Contractor shall provide a Coordinated Specialty Care (CSC) model and implement the NAVIGATE model of treatment for people with Early Serious Mental Illness (ESMI) and First Episode Psychosis (FEP) (EMSI/FEP – CSC) under the name HOPE Program.

14.2. The Contractor shall identify staff to deliver HOPE and to participate in intensive evidence-based ESMI/FEP - CSC training and consultation, as designated by the Department.

14.3. The Contractor shall participate in meetings no less than on a quarterly basis with the Department to ensure program implementation, enrollment, and updates relative to ongoing activities.

14.4. The HOPE team will include roles in accordance with the NAVIGATE model including, but not limited to:

14.4.1. A CSC team leader.

14.4.2. A CSC case worker.

14.4.3. A Supported Employment and Education (SEE) worker.

14.4.4. A therapist.

14.4.5. A family education and support therapist.

14.4.6. A peer.

14.4.7. A psychopharmacologist who provides diagnostic, treatment and medication prescribing services.

14.5. The Contractor shall ensure the HOPE programs' treatment services are available and provided to youth and adults between fifteen (15) and thirty-five (35) years of age who are experiencing early symptoms of a serious mental illness psychiatric disorder.

14.6. The Contractor shall ensure the HOPE program conducts education and assertive outreach to community organizations to facilitate referrals and to support rapid enrollment of individuals with new onset of psychosis to the program, with a goal of enrolling ten (10) individuals throughout the year.

14.7. The Contractor shall accept enrollees from other CMHC catchment areas when appropriate if there is capacity to manage the needs in accordance with a structure and strategy designed in collaboration with the Department.

14.8. The Contractor shall ensure the HOPE programs' treatment model involves a team structure that is based on:

14.8.1. Principles of shared decision-making;

14.8.2. A strengths and resiliency focus;

14.8.3. Recognition of the need for motivational enhancement;

14.8.4. A psychoeducational approach;

14.8.5. Cognitive behavioral therapy methods;

14.8.6. Development of coping skills; and

14.8.7. Integration of natural and peer supports.

14.9. The Contractor shall provide ESMI/FEP – CSC treatment services utilizing a discrete team approach ensuring team members provide ESMI/FEP-specific services and other services identified on individual treatment plans. The Contractor shall ensure that CSC services align with the NAVIGATE model and include, but are not limited to:

14.9.1. A specialized HOPE program intake process that takes place no later than one (1) week after identifying an individual with ESMI/FEP including:

14.9.1.1. Screening conducted by the HOPE team leader prior to admission to the program;

14.9.1.2. Conducting the screening while a person is still in an inpatient setting whenever possible; and

14.9.1.3. Ensuring rapid access to HOPE services in order to reduce the duration of untreated psychosis for individuals.

14.9.2. No less than bimonthly team meetings that:

14.9.2.1. Are led by the HOPE Team Leader;

14.9.2.2. Include all HOPE team members; and

14.9.2.3. Involve communicating the status of all individuals served by the team; planning recovery-oriented care for each individual; and developing strategies to implement the care plans.

14.9.3. Specialized psychiatric support with medication management that includes, but is not limited to:

14.9.3.1. Assessment and monitoring of psychopathology; functioning; medication side effects; and medication attitudes.

14.9.3.2. Shared decision making including education on:

14.9.3.2.1. Use of medications to manage symptoms; and

14.9.3.2.2. Use of lowest effective dosage of antipsychotic medications for recovery-oriented pharmacotherapy that is tailored toward improving functioning and reducing side effects of individuals with ESMI/FEP.

14.9.3.3. Monitoring and treatment of medication side effects with special emphasis on cardio metabolic risk factors, which may include but are not limited to:

14.9.3.3.1. Smoking.

14.9.3.3.2. Weight gain.

14.9.3.3.3. Hypertension.

14.9.3.3.4. Dyslipidemia.

14.9.3.3.5. Prediabetes.

14.9.3.4. Ensuring prescribers maintain close contact with primary care providers to ensure optimal medical treatment for

**20. Maintenance of Fiscal Integrity**

20.1. The Contractor must submit the following financial statements to the Department on a monthly basis, within thirty (30) calendar days after the end of each month:

20.1.1. Balance Sheet;

20.1.2. Profit and Loss Statement for the Contractor's entire organization that includes:

20.1.2.1. All revenue sources and expenditures; and

20.1.2.2. A budget column allowing for budget to actual analysis;

20.1.3. Profit and Loss Statement for the Program funded under this Agreement that includes:

20.1.3.1. All revenue sources and all related expenditures for the Program; and

20.1.3.2. A budget column allowing for budget to actual analysis; and

20.1.4. Cash Flow Statement.

20.2. The Contractor must ensure all financial statements are prepared based on the accrual method of accounting and include all the Contractor's total revenues and expenditures, whether or not generated by or resulting from funds provided pursuant to this Agreement.

20.3. The Contractor's fiscal integrity will be evaluated by the Department using the following Formulas and Performance Standards:

20.3.1. Days of Cash on Hand:

20.3.1.1. Definition: The days of operating expenses that can be covered by the unrestricted cash on hand.

20.3.1.2. Formula: Cash, cash equivalents and short-term investments divided by total operating expenditures, less depreciation/amortization and in-kind plus principal payments on debt divided by days in the reporting period. The short-term investments as used above must mature

within three (3) months and should not include common stock.

20.3.1.3. Performance Standard: The Contractor shall have enough cash and cash equivalents to cover expenditures for a minimum of thirty (30) calendar days with no variance allowed.

20.3.2. Current Ratio:

20.3.2.1. Definition: A measure of the Contractor's total current assets available to cover the cost of current liabilities.

20.3.2.2. Formula: Total current assets divided by total current liabilities.

20.3.2.3. Performance Standard: The Contractor shall maintain a minimum current ratio of 1.5:1 with 10% variance allowed.

20.3.3. Debt Service Coverage Ratio:

20.3.3.1. Rationale: This ratio illustrates the Contractor's ability to cover the cost of its current portion of its long-term debt.

20.3.3.2. Definition: The ratio of net income to the year to date debt service.

20.3.3.3. Formula: Net income plus depreciation/amortization expense plus interest expense divided by year to date debt service (principal and interest) over the next twelve (12) months.

20.3.3.4. Source of Data: The Contractor's monthly financial statements identifying current portion of long-term debt payments (principal and interest).

20.3.3.5. Performance Standard: The Contractor shall maintain a minimum standard of 1.2:1 with no variance allowed.

20.3.4. Net Assets to Total Assets:

20.3.4.1. Rationale: This ratio is an indication of the Contractor's ability to cover its liabilities.

20.3.4.2. Definition: The ratio of the Contractor's net assets to total assets.

20.3.4.3. Formula: Net assets (total assets less total liabilities) divided by total assets.

20.3.4.4. Source of Data: The Contractor's monthly financial statements.

20.3.4.5. Performance Standard: The Contractor shall maintain a minimum ratio of .30:1, with a 20% variance allowed.

20.4. In the event that the Contractor does not meet either:

20.4.1. The Days of Cash on Hand Performance Standard and the Current Ratio Performance Standard for two consecutive months; or

20.4.2. Three or more of any of the Performance Standards for one month, or any one Performance Standard for three consecutive months, then the Contractor must:

20.4.2.1. Meet with Department staff to explain the reasons that the Contractor has not met the standards; and/or

20.4.2.2. Submit a comprehensive corrective action plan within thirty (30) calendar days of receipt of notice from the Department.

20.5. The Contractor must update and submit the corrective action plan to the Department, at least every thirty (30) calendar days, until compliance is achieved. The Contractor must:

20.5.1. Provide additional information to ensure continued access to services as requested by the Department and ensure requested information is submitted to the Department in a timeframe agreed upon by both parties.

20.6. The Contractor must inform the Department by phone and by email within twenty-four (24) hours of when any key Contractor staff learn of any actual or likely litigation, investigation, complaint, claim, or transaction that may reasonably be considered to have a material financial impact on and/or materially impact or impair the ability of the Contractor to perform under this Agreement with the Department.

20.7. The Contractor shall provide its Revenue and Expense Budget within twenty (20) calendar days of the contract effective date.

20.8. The Contractor shall complete the Fiscal Year Revenue and Expense Budget on a form supplied by the Department, which shall include but not be limited to, all the Contractor's cost centers. If the Contractor's cost centers are a combination of several local cost centers, the Contractor shall display them separately as long as the cost center code is unchanged.

20.9. The Contractor shall provide quarterly Revenue and Expense Reports (Budget Form A), within thirty (30) calendar days after the end of each fiscal quarter, defined as July 1 to September 30, October 1 to December 31, January 1 to March 31, and April 1 to June 30.

**21. Reduction or Suspension of Funding**

21.1. In the event that the State funds designated as the Price Limitation in Form P-37, General Provisions, Block 1.8. of the General Provisions are materially reduced or suspended, the Department shall provide prompt written notification to the Contractor of such material reduction or suspension.

21.2. In the event that the reduction or suspension in federal or state funding shall prevent the Contractor from providing necessary services to individuals, the Contractor shall develop a service reduction plan, detailing which necessary services will no longer be available.

21.3. Any service reduction plan is subject to approval from the Department, and shall include, at a minimum, provisions that are acceptable to the Department, with services that include, but are not limited to:

21.3.1. Evaluation of and, if eligible, an individual service plan for all new applicants for services.

21.3.2. Crisis services for all individuals.

21.3.3. Services for individuals who meet the criteria for involuntary admission to a designated receiving facility.

21.3.4. Services to individuals who are on a conditional discharge pursuant to RSA 135-C:50 and NH Administrative Rule He-M 609.

**22. Elimination of Programs and Services by Contractor**

22.1. The Contractor shall provide a minimum thirty (30) calendar day's written notice prior to any reductions in delivery of services, or notice as soon as possible if the Contactor is faced with a more sudden need to reduce delivery of services.

22.2. The Contractor shall consult and collaborate with the Department prior to elimination or reduction of services in order to reach a mutually agreeable solution as to the most effective way to provide necessary services.

22.3. The Department reserves the right to require the Contractor to participate in a mediation process with the Commissioner of the Department of Health and Human Services, and to invoke an additional thirty (30) calendar day extension in the event of a proposal to reduce or eliminate any contracted services.

22.4. If the parties are still unable to come to a mutual agreement within the thirty (30) calendar day extension, the Contractor may proceed with its proposed program change(s) so long as proper notification to eligible individuals is provided.

22.5. The Contractor shall not redirect funds allocated in the budget for the program or service that has been eliminated or substantially reduced to another program or service without the mutual agreement of both parties.

22.6. In the event that an agreement cannot be reached, the Department shall control the expenditure of the unspent funds.

**23. Data Reporting**

23.1. The Contractor shall submit any data identified by the Department to comply with federal or other reporting requirements to the Department or contractor designated by the Department.

23.2. The Contractor shall submit all required data elements to the Department's Phoenix system in compliance with current Phoenix reporting specifications and transfer protocol provided by the Department.

23.3. The Contractor shall submit individual client demographics and all encounter data, including data on both billable and non-billable individual-specific services and rendering staff providers on these encounters, to the Department's Phoenix system, or its successors, in the format, content, completeness, frequency, method and timeliness as specified by the Department. Individual data must include a Medicaid ID number for individuals who are enrolled in Medicaid.

23.4. The Contractor shall include client eligibility with all Phoenix services in alignment with current reporting specifications. For an individual's services to be considered BMHS eligible, SPMI, SMI, Low Utilizer (LU), SED, and Severe Emotional Disturbance Interagency (SEDIA) are acceptable.

23.5. The Contractor shall make any necessary system changes to comply with annual Department updates to the Phoenix reporting specification(s) within 90 days of notification of the new requirements. When a contractor is unable to comply they shall request an extension from the Department that documents the reasons for non-compliance and a work plan with tasks and timelines to ensure compliance.

23.6. The Contractor shall meet all the general requirements for the Phoenix system which include, but are not limited to:

23.6.1. Agreeing that all data collected in the Phoenix system is the property of the Department to use as it deems necessary.

23.6.2. Ensuring data files and records are consistent with reporting specification requirements.

23.6.3. Ensuring that errors in data returned to the Contractor are corrected and resubmitted to the Department within ten (10) business days.

23.6.4. Ensuring data is current and updated in the Contractor's systems as required for federal reporting and other reporting requirements and as specified by the Department.

23.6.5. Participating in Departmental efforts for system-wide data quality improvement.

23.6.6. Implementing quality assurance, system, and process review procedures to validate data submitted to the Department to confirm:

23.6.6.1. All data is formatted in accordance with the file specifications;

23.6.6.2. No records will reject due to illegal characters or invalid formatting; and

23.6.6.3. The Department's tabular summaries of data submitted by the Contractor match the data in the Contractor's system.

23.7. The Contractor shall meet the following standards:

23.7.1. Timeliness: monthly data shall be submitted no later than the fifteenth (15th) of each month for the prior month's data unless otherwise approved by the Department, and the Contractor shall review the Department's tabular summaries within five (5) business days.

23.7.2. Completeness: submitted data must represent at least ninety-eight percent (98%) of billable services provided, and ninety-eight percent (98%) of individuals served by the Contractor. For fields indicated in the reporting specifications as data elements that must be collected in contractor systems, 98% shall be submitted with valid values other than the unknown value. The Department may adjust this threshold through the waiver process described in Section 23.8.

23.7.3. Accuracy: submitted service and member data shall conform to submission requirements for at least ninety-eight percent (98%) of the records, and one-hundred percent (100%) of unique member identifiers shall be accurate and valid.

23.8. The Department may waive requirements for fields in Phoenix on a case by case basis through a written waiver communication that specifies the items being waived. In all circumstances:

23.8.1. The waiver length shall not exceed 180 days.

23.8.2. Where the Contractor fails to meet standards, the Contractor shall submit a corrective action plan within thirty (30) calendar days of being notified of an issue.

23.8.3. After approval of the corrective action plan, the Contractor shall implement the plan.

23.8.4. Failure of the Contractor to implement the plan may require:

23.8.4.1. Another plan; or

23.8.4.2. Other remedies, as specified by the Department.

**24. Privacy Impact Assessment**

24.1. Upon request, the Contractor must allow and assist the Department in conducting a Privacy Impact Assessment (PIA) of its system(s)/application(s)/web portal(s)/website(s) or Department system(s)/application(s)/web portal(s)/website(s) hosted by the Contractor, if Personally Identifiable Information (PII) is collected, used, accessed, shared, or stored. To conduct the PIA the Contractor must provide the Department access to applicable systems and documentation sufficient to allow the Department to assess, at minimum, the following:

24.1.1. How PII is gathered and stored;

24.1.2. Who will have access to PII;

24.1.3. How PII will be used in the system;

24.1.4. How individual consent will be achieved and revoked; and

24.1.5. Privacy practices.

24.2. The Department may conduct follow-up PIAs in the event there are either significant process changes or new technologies impacting the collection, processing or storage of PII.

## Payment Terms

1. This Agreement is funded by:
   1.1. 2.01% Federal funds, Block Grants for Community Mental Health Services, as awarded on 2/23/23, by the Substance Abuse and Mental Health Services Administration, Center for Mental Health Services, ALN 93.958, FAIN B09SM087375.
   1.2. 0.73% Federal funds, NH Certified Community Behavioral Health Clinic Planning, as awarded on 3/15/23, by the Substance Abuse and Mental Health Services Administration, Center for Mental Health Services, ALN 93.829, FAIN H79SM087622.
   1.3. 97.01% General funds.
   1.4. .25% Other funds (Behavioral Health Services Information System).
2. For the purposes of this Agreement the Department has identified:
   2.1. The Contractor as a Subrecipient, in accordance with 2 CFR 200.331.
   2.2. The Agreement as NON-R&D, in accordance with 2 CFR §200.332.
3. The State shall pay the Contractor an amount not to exceed the Price Limitation, specified in Form P-37, General Provisions, Block 1.8 for the services provided by the Contractor pursuant to Exhibit B, Scope of Services.
4. Notwithstanding anything to the contrary herein, the Contractor agrees that funding under this Agreement may be withheld, in whole or in part, in the event of noncompliance with any state or federal law, rule or regulation applicable to the services provided, or if the said services have not been completed in accordance with the terms and conditions of this Agreement.
5. Mental Health Services provided by the Contractor shall be paid in order as follows:
   5.1. For Medicaid enrolled individuals through the Department Medicaid Fee for Service program in accordance with the current, publicly posted Fee for Service (FFS) schedule located at NHMMIS.NH.gov.
   5.2. For Managed Care Organization enrolled individuals, the Contractor shall be reimbursed pursuant to the Contractor's agreement with the applicable Managed Care Organization for such services.
   5.3. For individuals with other health insurance or other coverage for the services they receive, the Contractor will directly bill the other insurance or payors.
   5.4. For individuals without health insurance or other coverage for the services they receive, and for operational costs contained in Exhibits C,

Payment Terms, or which the Contractor cannot otherwise seek reimbursement from an insurance or third-party payer, the Contractor will directly bill the Department to access contract funds provided through this Agreement.

6. All Medicaid/MCO invoicing shall follow billing and coding requirements outlined by the Department. For the purpose of Medicaid billing, a unit of service is described in the DHHS published CMH NH Fee Schedule, as may be periodically updated, or as specified in NH Administrative Rule He-M 400. However, for He-M 426.12 Individualized Resiliency and Recovery Oriented Services (IROS), a Unit of Service is defined as fifteen (15) minutes. The Contractor shall report and bill in whole units. The intervals of time in the table below define how many units to report or bill. All such limits may be subject to additional DHHS guidance or updates as may be necessary to remain in compliance with Medicaid standards.

| Direct Service Time Intervals | Unit Equivalent |
|---|---|
| 0-7 minutes | 0 units |
| 8-22 minutes | 1 unit |
| 23-37 minutes | 2 units |
| 38-52 minutes | 3 units |
| 53-60 minutes | 4 units |

7. Payment shall be for services provided in the fulfillment of this Agreement, as specified in Exhibit B Scope of Work, and in accordance with Table 1 below.

7.1. The table below summarizes the other contract programs and their maximum allowable amounts.

7.6. Child and Youth Based Programming and Team Based Approaches: Funding to support programming specified in Exhibit B, Scope of Services.

7.7. Behavioral Health Services Information System (BHSIS): BHSIS funds are available for data infrastructure projects or activities, depending upon the receipt of other funds and the criteria for use of those funds, as specified by the Department. Activities may include: costs associated with Phoenix and CANS/ANSA databases such as IT staff time for re-writing, testing, or validating data; software/training purchased to improve data collection; staff training for collecting new data elements.

7.8. MATCH: Funds to be used to support services and trainings outlined in Exhibit B, Scope of Services. The breakdown of this funding for SFY 2024 is outlined below.

| TRAC COSTS | CERTIFICATION OR RECERTIFICATION | TOTAL REIMBURSEMENT |
|---|---|---|
| $2,500 | $250/Person X 10 People = $2,500 | $5,000 |

7.9. RENEW Sustainability Continuation: The Department shall reimburse the Contractor for RENEW Activities Outlined in Exhibit B. Renew costs will be billed in association with each of the following items, not to exceed $6,000 annually. Funding can be used for staff training; training of new Facilitators; training for an Internal Coach; coaching IOD for Facilitators, Coach, and Implementation Teams; and travel costs.

7.10. General Training Funding: Funds are available to support any general training needs for staff. Focus should be on trainings needed to retain available in SFY 2023 current staff or trainings needed to obtain staff for vacant positions.

7.11. System Upgrade Funding: Funds are available to support software, hardware, and data upgrades to support items outlined in Exhibit B, Scope of Services, Data Reporting. Funds may also be used to support system upgrades to ensure accurate insurance billing occurs. Funds will be paid at a flat monthly rate of $1,250 upon successful submission and validation of monthly Phoenix reports with the Department.

7.12. System of Care 2.0: Funds are available in SFY 2024 to support a School Liaison position and associated program expenses as outlined in the below budget table.

| | |
|---|---|
| Clinical training for expansion of MATCH-ADTC (Modular Approach to Therapy for Children with Anxiety, Depression, Trauma, or Conduct Problems) program | $5,000.00 |
| Indirect Costs (not to exceed 6%) | $300.00 |
| **Total** | **$5,300.00** |

7.13. HOPE Program: Funding to support ongoing implementation and programming outlined in Exhibit B, Scope of Services, HOPE Program – Early Serious Mental Illness/First Episode Psychosis – Coordinated Specialty Care (ESMI/FEP-CSC). Invoice based payments for unbillable time and services delivered by the FEP/ESMI team. Invoices will only be processed upon receipt of outlined data reports and invoice shall reference contract budget line items.

7.14. Certified Community Behavioral Health Clinic (CCBHC) Planning: The Contractor shall participate in CCBHC planning activities that include co-learning and consultation with the state identified Consultation and Technical Assistance Planning Consultant; attend two (2) learning communities on a monthly basis; complete the CCBHC self-assessment tool as defined by the department; meet monthly with planning consultant for technical assistance. Funds are available through March 30, 2024.

7.15. Payment for each contracted service in the above table shall be made on a cost reimbursement basis only, for allowable expenses and in accordance with the Department approved individual program budgets.

8. Other.

8.1. Data Improvements: The contractor shall utilize SFY 2023 funds not to exceed $8,000 to improve data collection and reporting of functional reports to inform care. Payment shall be paid in two installments. Half upon completion of work and the balance upon demonstration of upgrades to the Department.

9. The Contractor shall provide its Revenue and Expense Budget within twenty (20) calendar days of the contract effective date.

9.1. The Contractor shall complete the Fiscal Year Revenue and Expense Budget on a form supplied by the Department, which shall include but not be limited to, all the Contractor's cost centers. If the Contractor's cost centers are a combination of several local cost centers, the Contractor shall display them separately as long as the cost center code is unchanged.

10. The Contractor shall provide quarterly Revenue and Expense Reports (Budget Form A), within thirty (30) calendar days after the end of each fiscal quarter, defined as July 1 to September 30, October 1 to December 31, January 1 to March 31, and April 1 to June 30.

11. The Contractor shall submit an invoice with supporting documentation to the Department no later than the fifteenth (15th) working day of the month following the month in which the services were provided. The Contractor shall ensure each invoice:

11.1. Includes the Contractor's Vendor Number issued upon registering with New Hampshire Department of Administrative Services.

11.2. Is submitted in a form that is provided by or otherwise acceptable to the Department.

11.3. Identifies and requests payment for allowable costs incurred in the previous month.

11.4. Includes supporting documentation of allowable costs with each invoice that may include, but are not limited to, time sheets, payroll records, receipts for purchases, and proof of expenditures, as applicable.

11.5. Is completed, dated and returned to the Department with the supporting documentation for allowable expenses to initiate payment.

11.6. Is assigned an electronic signature, includes supporting documentation, and is emailed to dhhs.dbhinvoicesmhs@dhhs.nh.gov or mailed to:

Financial Manager
Department of Health and Human Services
129 Pleasant Street
Concord, NH 03301

12. The Department shall make payments to the Contractor within thirty (30) days of receipt of each invoice and supporting documentation for authorized expenses, subsequent to approval of the submitted invoice.

13. The final invoice and supporting documentation for authorized expenses shall be due to the Department no later than forty (40) days after the contract Completion Date specified in Form P-37, General Provisions Block 1.7.

14. Notwithstanding Paragraph 17 of the General Provisions Form P-37, changes limited to adjusting amounts within the price limitation and adjusting encumbrances between State Fiscal Years and budget class lines through the Budget Office may be made by written agreement of both parties, without obtaining approval of the Governor and Executive Council, if needed and justified.

15. Audits

15.1. The Contractor must email an annual audit to dhhs.act@dhhs.nh.gov if any of the following conditions exist:

15.1.1. Condition A - The Contractor expended $750,000 or more in federal funds received as a subrecipient pursuant to 2 CFR Part 200, during the most recently completed fiscal year.

15.1.2. Condition B - The Contractor is subject to audit pursuant to the requirements of NH RSA 7:28, III-b, pertaining to charitable organizations receiving support of $1,000,000 or more.

15.1.3. Condition C - The Contractor is a public company and required by Security and Exchange Commission (SEC) regulations to submit an annual financial audit.

15.2. If Condition A exists, the Contractor shall submit an annual Single Audit performed by an independent Certified Public Accountant (CPA) to dhhs.act@dhhs.nh.gov within 120 days after the close of the

Contractor's fiscal year, conducted in accordance with the requirements of 2 CFR Part 200, Subpart F of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal awards.

15.2.1. The Contractor shall submit a copy of any Single Audit findings and any associated corrective action plans. The Contractor shall submit quarterly progress reports on the status of implementation of the corrective action plan.

15.3. If Condition B or Condition C exists, the Contractor shall submit an annual financial audit performed by an independent CPA within 120 days after the close of the Contractor's fiscal year.

15.4. In addition to, and not in any way in limitation of obligations of the Agreement, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department all payments made under the Agreement to which exception has been taken, or which have been disallowed because of such an exception.

## CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

**ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS**

**US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS**
**US DEPARTMENT OF EDUCATION - CONTRACTORS**
**US DEPARTMENT OF AGRICULTURE - CONTRACTORS**

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services
129 Pleasant Street,
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
   1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
   1.2. Establishing an ongoing drug-free awareness program to inform employees about
      1.2.1. The dangers of drug abuse in the workplace;
      1.2.2. The grantee's policy of maintaining a drug-free workplace;
      1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
      1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
   1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
   1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
      1.4.1. Abide by the terms of the statement; and
      1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
   1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

1.6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 1.4.2, with respect to any employee who is so convicted

1.6.1. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

1.6.2. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

1.7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1.1, 1.2, 1.3, 1.4, 1.5, and 1.6.

2. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

*Child Support Enforcement Program under Title IV-D
*Social Services Block Grant Program under Title XX
*Medicaid Program under Title XIX
*Community Services Block Grant under Title VI
*Child Care Development Block Grant under Title IV

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor).

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor), the undersigned shall complete and submit Standard Form LLL, (Disclosure Form to Report Lobbying, in accordance with its instructions, attached and identified as Standard Exhibit E-I.)

3. The undersigned shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

## CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.
6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower-tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.
7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

Contractor Initials VT

Date 5/22/2023

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
    11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
    11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
    11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (l)(b) of this certification; and
    11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
    13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
    13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

## CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

Date 5/22/2023

l. "Required by Law" shall have the same meaning as the term "required by law" in 45 CFR Section 164.103.

m. "Secretary" shall mean the Secretary of the Department of Health and Human Services or his/her designee.

n. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 CFR Part 164, Subpart C, and amendments thereto.

o. "Unsecured Protected Health Information" means protected health information that is not secured by a technology standard that renders protected health information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

p. Other Definitions - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH
Act.

(2) **Business Associate Use and Disclosure of Protected Health Information.**

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:
   I. For the proper management and administration of the Business Associate;
   II. As required by law, pursuant to the terms set forth in paragraph d. below; or
   III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) Obligations and Activities of Business Associate.

a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- The unauthorized person used the protected health information or to whom the disclosure was made;
- Whether the protected health information was actually acquired or viewed
- The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI.

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Exhibit I.

## CERTIFICATION REGARDING THE FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA) COMPLIANCE

The Federal Funding Accountability and Transparency Act (FFATA) requires prime awardees of individual Federal grants equal to or greater than $25,000 and awarded on or after October 1, 2010, to report on data related to executive compensation and associated first-tier sub-grants of $25,000 or more. If the initial award is below $25,000 but subsequent grant modifications result in a total award equal to or over $25,000, the award is subject to the FFATA reporting requirements, as of the date of the award.

In accordance with 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), the Department of Health and Human Services (DHHS) must report the following information for any subaward or contract award subject to the FFATA reporting requirements:

1. Name of entity
2. Amount of award
3. Funding agency
4. NAICS code for contracts / CFDA program number for grants
5. Program source
6. Award title descriptive of the purpose of the funding action
7. Location of the entity
8. Principle place of performance
9. Unique identifier of the entity (UEI #)
10. Total compensation and names of the top five executives if;
    - 10.1. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than $25M annually and
    - 10.2. Compensation information is not already available through reporting to the SEC.

Prime grant recipients must submit FFATA required data by the end of the month, plus 30 days, in which the award or award amendment is made.

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of The Federal Funding Accountability and Transparency Act, Public Law 109-282 and Public Law 110-252, and 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

The below named Contractor agrees to provide needed information as outlined above to the NH Department of Health and Human Services and to comply with all applicable provisions of the Federal Financial Accountability and Transparency Act.

This information may include but is not limited to, derivative data, Protected Health Information (PHI), Personally Identifiable Information (PII), Substance Use Disorder Information (SUD), Federal Tax Information, Social Security Administration, and CJIS (Criminal Justice Information Services) data, including the copy of information submitted known as the Phoenix Data. Confidential Information or Confidential Data shall not include medical records produced and maintained by the contractor in the course of their practice or information owned by the patient/client. Contractor shall be solely responsible for the administration and secure maintenance of such medical and other records produced and maintained by the contractor."End User" means any person or entity (e.g., contractor, contractor's employee, business associate, subcontractor, other downstream user, etc.) that receives Confidential Data in accordance with the terms of this Contract.

4. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder.

5. "Incident" means an act that potentially violates an explicit or implied security policy, which includes attempts (either failed or successful) to gain unauthorized access to a system or its data, unwanted disruption or denial of service, the unauthorized use of a system for the processing or storage of data; and changes to system hardware, firmware, or software characteristics without the owner's knowledge, instruction, or consent. Incidents include the loss of data through theft or device misplacement, loss or misplacement of hardcopy documents, and misrouting of physical or electronic mail, all of which may have the potential to put the data at risk of unauthorized access, use, disclosure, modification or destruction.

6. "Open Wireless Network" means any network or segment of a network that is not designated by the State of New Hampshire's Department of Information Technology or delegate as a protected network (designed, tested, and approved, by means of the State, to transmit) will be considered an open network and not adequately secure for the transmission of unencrypted PI, PFI, PHI or Confidential Data.

7. "Personal Information" (or "PI") means information which can be used to distinguish or trace an individual's identity, such as their name, social security number, personal information as defined in New Hampshire RSA 359-C:19, biometric records, etc., alone, or when combined with other personal or identifying information which is linked or linkable to a specific individual, such as date and place of birth, mother's maiden name, etc.

8. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 C.F.R. Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

9. "Protected Health Information" (or "PHI") has the same meaning as provided in the definition of "Protected Health Information" in the HIPAA Privacy Rule at 45 C.F.R. § 160.103.

10. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 C.F.R. Part 164, Subpart C, and amendments thereto.

11. "Unsecured Protected Health Information" means Protected Health Information that is not secured by a technology standard that renders Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

## I. RESPONSIBILITIES OF DHHS AND THE CONTRACTOR

A. Business Use and Disclosure of Confidential Information.

1. The Contractor must not use, disclose, maintain or transmit Confidential Information except as reasonably necessary as outlined under this Contract. Further, Contractor, including but not limited to all its directors, officers, employees and agents, must not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

2. The Contractor must not disclose any Confidential Information in response to a request for disclosure on the basis that it is required by law, in response to a subpoena, etc., without first notifying DHHS so that DHHS has an opportunity to consent or object to the disclosure.

3. Omitted.
4. The Contractor agrees that Confidential Data or derivative there from disclosed to an End User must only be used pursuant to the terms of this Contract.
5. The Contractor agrees Confidential Data obtained under this Contract may not be used for any other purposes that are not indicated in this Contract.
6. The Contractor agrees to grant access to the Confidential Data to the authorized representatives of DHHS for the purpose of inspecting to confirm compliance with the terms of this Contract.

## II. METHODS OF SECURE TRANSMISSION OF DATA

1. Application Encryption. If End User is transmitting Confidential Data between applications, the Contractor attests the applications have been evaluated by an expert knowledgeable in cyber security and that said application's encryption capabilities ensure, secure transmission via the internet.
2. Computer Disks and Portable Storage Devices. End User may not use computer disks or portable storage devices, such as a thumb drive, as a method of transmitting Confidential Data.
3. Encrypted Email. End User may only employ email to transmit Confidential Data if email is encrypted and being sent to and being received by email addresses of persons authorized to receive such information.
4. Encrypted Web Site. If End User is employing the Web to transmit Confidential Data, the secure socket layers (SSL) must be used and the web site must be secure. SSL encrypts data transmitted via a Web site.
5. File Hosting Services, also known as File Sharing Sites. End User may not use file hosting services, such as Dropbox or Google Cloud Storage, to transmit Confidential Data.
6. Ground Mail Service. End User may only transmit Confidential Data via *certified* ground mail within the continental U.S. and when sent to a named individual.
7. Laptops and PDA. If End User is employing portable devices to transmit Confidential Data said devices must be encrypted and password-protected.
8. Open Wireless Networks. End User may not transmit Confidential Data via an open wireless network. End User must employ a virtual private network (VPN) when remotely transmitting via an open wireless network.
9. Remote User Communication. If End User is employing remote communication to access or transmit Confidential Data, a virtual private network (VPN) must be installed on the End User's mobile device(s) or laptop from which information will be transmitted or accessed.
10. SSH File Transfer Protocol (SFTP), also known as Secure File Transfer Protocol. If

End User is employing an SFTP to transmit Confidential Data, End User will structure the Folder and access privileges to prevent inappropriate disclosure of information. SFTP folders and sub-folders used for transmitting Confidential Data will be coded for 24-hour auto-deletion cycle (i.e. Confidential Data will be deleted every 24 hours).

11. Wireless Devices. If End User is transmitting Confidential Data via wireless devices, all data must be encrypted to prevent inappropriate disclosure of information.

## III. RETENTION AND DISPOSITION OF IDENTIFIABLE RECORDS

The Contractor will only retain the Confidential Data for the duration of this Contract. After such time, the Contractor will have 30 days to destroy the Confidential Data, unless, otherwise required by law or permitted under this Contract. If it is infeasible to return or destroy the Confidential Data, protections pursuant to this Information Security Requirements Exhibit survive this contract. To this end, the parties must:

A. Retention

1. The Contractor agrees it will not store, transfer or process Confidential Data collected in connection with the services rendered under this Contract outside of the United States. This physical location requirement shall also apply in the implementation of cloud computing, cloud service or cloud storage capabilities, and includes backup data and Disaster Recovery locations.
2. The Contractor agrees to ensure proper security monitoring capabilities are in place to detect potential security events that can impact Confidential Data State of NH systems and/or Department confidential information for contractor provided systems.
3. The Contractor agrees to provide security awareness and education for its End Users in support of protecting Confidential Data
4. The Contractor agrees to retain all electronic and hard copies of Confidential Data in a secure location.
5. The Contractor agrees Confidential Data stored in a Cloud must be in a FedRAMP/HITECH compliant solution and comply with all applicable statutes and regulations regarding the privacy and security. All servers and devices must have currently-supported and hardened operating systems, the latest anti-viral, anti-hacker, anti-spam, anti-spyware, and anti-malware utilities. The environment, as a whole, must have aggressive intrusion-detection and firewall protection.
6. The Contractor agrees to and ensures its complete cooperation with the State's Chief Information Officer in the detection of any security vulnerability of the hosting infrastructure.

B. Disposition

1. If the Contractor will maintain any Confidential Information on its systems (or its sub-contractor systems), the Contractor will maintain a documented process for securely disposing of such Confidential Data upon request or contract termination; and will obtain written certification for any Confidential Data destroyed by the Contractor or any subcontractors as a part of ongoing, emergency, and or disaster recovery operations. When no longer in use, electronic media containing Confidential Data shall be rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure deletion and media sanitization, or otherwise physically destroying the media (for example, degaussing) as described in NIST Special Publication 800-88, Rev 1, Guidelines for Media Sanitization, National Institute of Standards and Technology, U. S. Department of Commerce. The Contractor will document and certify in writing at time of the Confidential Data destruction, and will provide written certification to DHHS upon request. The written certification will include all details necessary to demonstrate Confidential Data has been properly destroyed and validated. Where applicable, regulatory and professional standards for retention requirements will be jointly evaluated by the State and Contractor prior to destruction.
2. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to destroy all hard copies of Confidential Data using a secure method such as shredding.
3. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to completely destroy all electronic Confidential Data by means of data erasure, also known as secure data wiping.

## IV. PROCEDURES FOR SECURITY

A. Contractor agrees to safeguard the Confidential Data received under this Contract, as follows:

1. The Contractor will maintain proper security controls to protect Confidential Data collected, processed, managed, and/or stored in the delivery of contracted services.
2. The Contractor will maintain policies and procedures to protect Confidential Data throughout the information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the Confidential Data (i.e., tape, disk, paper, etc.).
3. The Contractor will maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Confidential Data where applicable.
4. The Contractor will ensure proper security monitoring capabilities are in place to detect potential security events that can impact Confidential Data, State of NH systems and/or Department confidential information for contractor provided systems.

5. The Contractor will provide regular security awareness and education for its End Users in support of protecting Confidential Data.

6. 7. The Contractor will work with DHHS to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any DHHS system(s). Agreements will be completed and signed by the Contractor and any applicable sub-contractors prior to system access being authorized.

8. If DHHS determines the Contractor is a Business Associate pursuant to 45 CFR 160.103, the Contractor will execute a HIPAA Business Associate Agreement (BAA) with DHHS and is responsible for maintaining compliance with the agreement.

9. Omitted.

10. The Contractor will not store, knowingly or unknowingly, any Confidential Data or State of New Hampshire data offshore or outside the boundaries of the United States unless prior express written consent is obtained from the Information Security Office leadership member within DHHS.

11. Data Security Breach Liability. In the event of any security breach Contractor shall make efforts to investigate the causes of the breach, promptly take measures to prevent future breach and minimize any damage or loss resulting from the breach. The State shall recover from the Contractor all costs of response and recovery from the breach, including but not limited to: credit monitoring services, mailing costs and costs associated with website and telephone call center services necessary due to the breach.

12. Contractor must, comply with all applicable statutes and regulations regarding the privacy and security of Confidential Information, and must in all other respects maintain the privacy and security of PI and PHI at a level and scope that is not less than the level and scope of requirements applicable to federal agencies, including, but not limited to, provisions of the Privacy Act of 1974 (5 U.S.C. § 552a), DHHS Privacy Act Regulations (45 C.F.R. §5b), HIPAA Privacy and Security Rules (45 C.F.R. Parts 160 and 164) that govern protections for individually identifiable health information and as applicable under State law.

13. Contractor agrees to establish and maintain appropriate administrative, technical, and physical safeguards to protect the confidentiality of the Confidential Data and to prevent

unauthorized use or access to it. The safeguards must provide a level and scope of security that is not less than the level and scope of security requirements established by the State of New Hampshire, Department of Information Technology. Refer to Vendor Resources/Procurement at https://www.nh.gov/doit/vendor/index.htm for the Department of Information Technology policies, guidelines, standards, and procurement information relating to vendors.

14. Contractor agrees to maintain a documented breach notification and incident response process. The Contractor will notify the State's Privacy Officer and the State's Security Officer of any security breach immediately, at the email addresses provided in Section VI. This includes a confidential information breach, computer security incident, or suspected breach which affects or includes any Confidential Data or State of New Hampshire systems that connect to the State of New Hampshire network.

15. Contractor must restrict access to the Confidential Data obtained under this Contract to only those authorized End Users who need such Confidential Data to perform their official duties in connection with purposes identified in this Contract.

16. The Contractor must ensure that all End Users:

    a. comply with such safeguards as referenced in Section IV A. above, implemented to protect Confidential Information that is furnished by DHHS under this Contract from loss, theft or inadvertent disclosure.

    b. safeguard this information at all times.

    c. ensure that laptops and other electronic devices/media containing PHI, PI, or PFI are encrypted and password-protected.

    d. send emails containing Confidential Information only if encrypted and being sent to and being received by email addresses of persons authorized to receive such information.

    e. limit disclosure of the Confidential Information to the extent permitted by law.

    f. Confidential Information received under this Contract and individually identifiable Confidential Data, must be stored in an area that is physically and technologically secure from access by unauthorized persons during duty hours as well as non-duty hours (e.g., door locks, card keys, biometric identifiers, etc.).

    g. only authorized End Users may transmit the Confidential Data, and in all cases, such Confidential Data must be encrypted at all times when in transit, at rest, or when stored on portable media as required in section IV above.

    h. in all other instances Confidential Data must be maintained, used and disclosed using appropriate safeguards, as determined by a risk-based assessment of the circumstances involved.

    i. understand that their user credentials (user name and password) must not be shared with anyone. End Users will keep their credential information secure.

This applies to credentials used to access the site directly or indirectly through a third party application.

Contractor is responsible for oversight and compliance of their End Users. DHHS reserves the right to conduct onsite inspections to monitor compliance with this Contract, including the privacy and security requirements provided in herein, HIPAA, and other applicable laws and Federal regulations until such time the Confidential Data is disposed of in accordance with this Contract.

## V. LOSS REPORTING

A. The Contractor must notify NH DHHS Information Security via the email address provided in this Exhibit, of any known or suspected Incidents or Breaches immediately after the Contractor has determined that the aforementioned has occurred and that Confidential Data may have been exposed or compromised.

1. Parties acknowledge and agree that unless notice to the contrary is provided by DHHS in its sole discretion to Contractor, this Section V.A.1 constitutes notice by Contractor to DHHS of the ongoing existence and occurrence or attempts of Unsuccessful Security Incidents for which no additional notice to DHHS shall be required. "Unsuccessful Security Incidents" means, without limitation, pings and other broadcast attacks on Contractor's firewalls, port scans, unsuccessful log-on attempts, denial of service attacks, and any combination of the above, so long as no such incident results in unauthorized access, use or disclosure of Confidential Data.

B. Per the terms of this Exhibit the Contractor's and End User's security incident and breach response procedures must address how the Contractor will:

1. Identify incidents;
2. Determine if Confidential Data is involved in incidents;
3. Report suspected or confirmed incidents to DHHS as required in this Exhibit. DHHS will provide the Contractor with a NH DHHS Business Associate Incident Risk Assessment Report for completion.
4. Within 24 hours of initial notification to DHHS, email a completed NH DHHS Business Associate Incident Risk Assessment Preliminary Report to the DHHS' Information Security Office at the email address provided herein;
5. Identify and convene a core response group to determine the risk level of incidents and determine risk-based responses to incidents and mitigation measures, prepare to include DHHS in the incident response calls throughout the incident response investigation;

6. Identify incident/breach notification method and timing;

7. Within one business week of the conclusion of the Incident/Breach response investigation a final written Incident Response Report and Mitigation Plan is submitted to DHHS Information Security Office at the email address provided herein;

8. Address and report incidents and/or Breaches that implicate personal information (PI) to DHHS in accordance with NH RSA 359-C:20 and this Agreement;

9. Address and report incidents and/or Breaches per the HIPAA Breach Notification Rule, and the Federal Trade Commission's Health Breach Notification Rule 16 CFR Part 318 and this Agreement.

10. Comply with all applicable state and federal suspected or known Confidential Data loss obligations and procedures.

C. All legal notifications required as a result of a breach of Confidential Data, or potential breach, collected pursuant to this Contract shall be coordinated with the State if caused by the Contractor. The Contractor shall ensure that any subcontractors used by the Contractor shall similarly notify the State of a Breach, or potential Breach immediately upon discovery, shall make a full disclosure, including providing the State with all available information, and shall cooperate fully with the State, as defined above.
