EXPLANATION

The purpose of this contract amendment is to ensure the continued temporary contracted nursing, medical, behavioral health and dental staff is available to meet the constitutionally required healthcare needs for those in the care and custody of the NH Department of Corrections. In order to discharge this obligation, healthcare must be accessible and provided by qualified staff. This contract amendment makes provisions for NHDOC to continue to access temporary staff to fill critical positions in our healthcare division. Examples of staff roles requiring NHDOC to use temporary staff include nurses, psychiatric social workers, pharmacists, dental assistants and licensed alcohol and drug counselors. The department utilizes these services for the areas of Berlin, Concord and Manchester, NH across seven (7) varying site locations for the provision of healthcare providing services for approximately 1,968 people.

The national labor shortage and the inherent challenges in recruiting healthcare staff in general added to the carceral work setting, creates additional challenges for NHDOC. Vacancy rates, Family Medical Leave and other unanticipated absences from work have a significant impact on the delivery of healthcare services within the NH Department of Corrections. Exigent circumstances resulting from employees' need for leave is beyond our ability to predict however, ongoing vacancy rates allow NHDOC to demonstrate the need to supplement our workforce through temporary staffing.

NHDOC has been able to hold a relatively stable nursing vacancy rate, which is currently at 14%. For reference, we had a 38% vacancy rate in FY 2015. The vacancy rate for mental health positions varies by location and specialty: currently DOC has a 75% vacancy rate for psychiatric social worker positions and a 50% vacancy rate for Licensed Alcohol and Drug Counselors (LADC) in the Northern Region. For the Southern Region, there is a 60% vacancy rate for psychiatric social worker positions and a 20% vacancy rate for Licensed Alcohol and Drug Counselors (LADC). For dental services, the NHDOC has been challenged in recruiting dental assistants and has had as high as a fifty percent (50%) vacancy rate for dental assistant positions in the southern locations and currently there is a 100% vacancy rate for dental assistants in the Northern region.

The Department's ongoing recruitment and retention efforts notwithstanding, as well as salary adjustments done by the State of NH, have made NHDOC more competitive. We continue to need these temporary professional staffing services to ensure we fulfill our Federal and State healthcare treatment requirements. Being able to respond to ongoing vacancies and unexpected leave is critical in our retention efforts. Burnout is created as staff are asked to do more to cover vacancies and asked to work more hours. Staff burnout will undermine the Departments concerted efforts of addressing retention and this contract will assist the department with retention while fostering recruitment.

Respectfully Submitted,

John V. Scippa

c. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

d. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section (3)b and (3)k herein. The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be

receiving PHI pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard provision #13 of this Agreement for the purpose of use and disclosure of protected health information.

e. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

i. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

k. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to standard provision #10 of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

EXPLANATION

This request for a contract amendment is to ensure that NHDOC can fulfill its obligation, under the Eighth Amendment of the United State Constitution, to provide adequate medical care to people in its care and custody. In order to discharge this obligation, healthcare must be accessible and provided by qualified staff. This contract amendment makes provision for NHDOC to access temporary staff to fill critical positions in our healthcare division. Examples of staff roles requiring NHDOC to use temporary staff include nurses, psychiatric social workers, pharmacists, dental assistants and licensed alcohol and drug counselors. The department geographic area of coverages for these position types is from Berlin, Concord and Manchester, NH across seven (7) varying site locations for the provision of healthcare of on average 1960 people.

The national labor shortage and the inherent challenges in recruiting healthcare staff [[Workforce Projections](#) – data.HRSA.gov Health Resources & Services Administration] in general then in addition to work in carceral settings are two (2) factors creating challenges for NHDOC.

Vacancy rates, Family Medical Leave Act, and other unanticipated absences from work have a significant impact on the delivery of healthcare services within the NH Department of Corrections. Exigent circumstances resulting from employees' need for leave is beyond our ability to predict. However, ongoing vacancy rates allow NHDOC to demonstrate the need for NHDOC to be able to supplement our workforce through temporary staffing.

Due to recruitment and retention efforts from NHDOC, we have had success in filling positions in pharmacy, which is small number of staff so when we have even one long-term vacancy it begins to adversely impact the workload of our Licensed Pharmacy. Our pharmacy refilled 288,085 over the last 13 months. We have been able to hold relatively stable on our nursing vacancy rate, which is currently at 16%. For reference, we had a 38% vacancy rate in FY 2015. Our vacancy rate for our mental health positions varies by location and specialty. Current psychiatric social worker vacancy rate is 41% and Current vacancy rate for Licensed Alcohol and Drug Counselors (LADC) is at 11%, this is at the facility where we have most of our addiction services based. As an example, eight hundred (800) people incarcerated are diagnosed with Opioid Use disorder representing 40% of the total population with this diagnosis. We are required through the foundations of constitutional case law to provide mental health treatment to people under departmental custody.

This amendment also includes funding for dental assistants which is necessary to ensure continued delivery of required dental services. We have spent the last year very challenged in recruiting dental assistants and have had as high as a fifty percent (50%) vacancy rate for dental assistant positions in the southern tiered location of our facilities. To ensure continuity of services, NHDOC needs to have resources for dental assisting readily available to fill extended leave, unexpected vacancies and required absences such as academy training and loss of staff.

The Department's ongoing recruitment and retention efforts notwithstanding, as well as salary adjustments done by the State of NH, have made NHDOC more competitive. We continue to need these temporary professional staffing services to ensure we fulfill our Federal and State healthcare treatment requirements. Being able to respond to ongoing vacancies and unexpected leave is critical in our retention efforts. Burnout is created as staff is asked to do more to cover vacancies and asked to work more hours. Staff burnout will undermine the Department's concerted efforts at addressing retention and this contract will assist the department with retention while fostering recruitment.

The factors summarized in this letter make it necessary for NHDOC to have access to qualified healthcare staff through temporary staffing. It is important to know that the Department uses this option as sparingly as possible, not every vacancy has been filled by a temporary staff. We are requesting additional funds for temporary staffing services for healthcare positions outlined in this letter to ensure appropriate patient care, to discharge our obligations under the Eighth Amendment and to avoid potential litigation to delay in healthcare services.

Respectfully Submitted,

Commissioner

EXPLANATION

The purpose of this request is to ensure temporary contracted nursing, medical, and behavioral health staff is available to meet the constitutionally required healthcare for those in the care and custody of the NH Department of Corrections. Having contracts with several agencies allows the Department to access a wider range of professional candidates when state positions are vacant in order to ensure continued service delivery. Staffing agencies differ in their recruitment and retention approaches and not all agencies provide all types of professional staff. For example, most commonly staffing agencies provide nurses, but they do not always provide licensed substance use disorder treatment professionals.

Like most employers in the state of New Hampshire, the Department continues to have significant challenges in finding qualified candidates to fill the vacant positions we have in health care services. Our vacancy rates for the areas we are seeking to draw from these temporary staffing agencies are as follows:

Nursing: 27%
Master's level Mental Health Clinicians: 44%
Licensed Drug and Alcohol Counselors: 50%
Pharmacy Technicians: 20%
Recreational Therapist: 33%

These agencies will also be called upon to provide candidates for specialized healthcare positions, such as physical therapy and a nutritionist, if these positions should be vacated by the current incumbents. These types of positions do not have any kind of back up as the Department only has one (1) FTE per position. All of the positions listed in this level are necessary for the provision of appropriate and adequate healthcare.

To secure qualified health professionals, the Department published a Request for Proposal (RFP) soliciting for multi-discipline temporary staffing agencies with the intent of entering into multiple contracts to have access to a larger pool of qualified candidates.

The RFP was posted on the NH Department of Corrections website: <http://www.nh.gov/nhdoc/business/rfp.htm> for eight (8) consecutive weeks and notified twenty-one (21) potential vendors of the solicitation. As a result of the issuance of the RFP, seven (7) vendors responded submitting a proposal and one (1) potential vendor submitted a disqualified proposal due to a late submission. After the review of the proposals and in accordance with the RFP Terms and Conditions, the NH Department of Corrections selected Aya Healthcare, Inc., Maxim Healthcare Staffing Services, Inc., Technostaff LLC d/b/a HonorVet Technologies, and Worldwide Travel Staffing Limited to receive an unencumbered contract with a shared price limitation of \$4,200,000.00.

This RFP was scored utilizing a consensus methodology by a three (3) person evaluation committee. The evaluation committee consisted of NH Department of Corrections employees: Ryan Landry, RN, MSN, Director of Nursing, Medical & Forensic Services, Benjamin Carbone, PharmD, Chief Pharmacist, Medical & Forensic Services, and Micaela Beaune, LCMHC Administrator of the Secure Psychiatric Unit & the Residential Treatment Unit, Medical & Forensic Services.

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

9. TERMINATION.

9.1. Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.

For purposes of this paragraph, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE:

14.1 The Contractor shall, at its sole expense, obtain and continuously maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from the requirements of N.H. RSA chapter 281-A (*Workers' Compensation*).

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. The Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A, and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. NOTICE: Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4 herein.

17. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party. Any actions arising out of this Agreement shall be brought and maintained in New Hampshire Superior Court which shall have exclusive jurisdiction thereof.

(2) Use and Disclosure of Protected Health Information

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, the Business Associate shall not, and shall ensure that its directors, officers, employees and agents, do not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:

- (i) for the proper management and administration of the Business Associate;
- (ii) as required by law, pursuant to the terms set forth in paragraph d. below; or
- (iii) for data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to immediately notify Business Associate of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity, so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions on the uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) Obligations and Activities of Business Associate

a. Business Associate shall report to the designated Privacy Officer of Covered Entity, in writing, any use or disclosure of PHI in violation of the Agreement, including any security incident involving Covered Entity data, of which it becomes aware, within two (2) business days of becoming aware of such unauthorized use or disclosure or security incident.

b. Business Associate shall use administrative, physical and technical safeguards that reasonably and appropriately protect the confidentiality, integrity and availability of protected health information, in electronic or any other form, that it creates, receives, maintains or transmits under this Agreement, in accordance with the Privacy and Security Rules, to prevent the use or disclosure of PHI other than as permitted by the Agreement.

c. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

d. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section (3)b and (3)k herein. The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be

receiving PHI pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard provision #13 of this Agreement for the purpose of use and disclosure of protected health information;

e. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement;

f. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524;

g. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526;

h. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528;

i. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528;

j. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity; Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable;

k. Within ten (10) business days of termination of the Agreement for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by, the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible; for so long as Business Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity:

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to standard provision #10 of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, as amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA and the Privacy and Security Rule.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section 3 k, the defense and indemnification provisions of section 3.d and standard contract provision #13, shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT BUSINESS ASSOCIATE AGREEMENT.

PRISON RAPE ELIMINATION ACT

ACKNOWLEDGEMENT FORM

The Prison Rape Elimination Act (PREA) of 2003 (with Final Rule August 2012) is a federal law established to address the elimination and prevention of sexual assault and sexual harassment within correctional systems and detention facilities. This Act applies to all correctional facilities, including prisons, jails, juvenile facilities, and community corrections residential facilities. PREA incidents involve the following conduct:

- Resident-on-resident sexual assault
- Resident-on-resident abusive sexual contact
- Staff sexual misconduct
- Staff sexual harassment, assault of a resident

The act aimed to curb prison rape through a "zero-tolerance" policy, as well as through research and information gathering. The NH Department of Corrections has zero tolerance relating to the sexual assault/rape of offenders and recognizes these offenders as crime victims. Due to this recognition and adherence to the federal Prison Rape Elimination Act (PREA) of 2003, the NH Department of Corrections extends the "zero tolerance" to the following:

- Contractor/subcontractor misconduct
- Contractor/subcontractor harassment, assault of a resident

As a Contractor and/or Subcontractor of the NH Department of Corrections, I acknowledge that I have been provided information on the Prison Rape Elimination Act of 2003 Public Law 108-79--Sect. 4, 2003, and have been informed that as a Contractor and/or Subcontractor of the NH Department of Corrections, sexual conduct between Contractor and/or Subcontractor and offenders is prohibited. Sexual harassment or sexual misconduct involving an offender can be a violation of NH RSA 632-A:2, 632-A:3, and 632-A:4, Chapter 632-A: Sexual Assault and Related Offenses, and result in criminal prosecution.

As a Contractor and/or Subcontractor of the NH Department of Corrections, I understand that I shall inform all employees of the Contractor and/or Subcontractor to adhere to all policies concerning PREA, RSA 632-A:2, RSA 632-A:3, RSA 632-A:4 and departmental policies including NHDOD Administrative Rules, Conduct and Confidentiality Information regarding my conduct, reporting of incidents and treatment of those under the supervision of the NH Department of Corrections. (Ref. RSA Chapter 632-A, and Administrative Rules, Rules of Conduct for Persons Providing Contract Services, Confidentiality of Information Agreement).

CERTIFICATION

I hereby certify that I am familiar with the contents of (1) the Security Addendum, including its legal authority and purpose; (2) the NCIC Operating Manual; (3) the CJIS Security Policy; and (4) Title 28, Code of Federal Regulations, Part 20, and agree to be bound by their provisions.

I recognize that criminal history record information and related data, by its very nature, is sensitive and has potential for great harm if misused. I acknowledge that access to criminal history record information and related data is therefore limited to the purpose(s) for which a government agency has entered into the contract incorporating this Security Addendum. I understand that misuse of the system by, among other things: accessing it without authorization; accessing it by exceeding authorization; accessing it for an improper purpose; using, disseminating or re-disseminating information received as a result of this contract for a purpose other than that envisioned by the contract; may subject me to administrative and criminal penalties. I understand that accessing the system for an appropriate purpose and then using, disseminating or re-disseminating the information received for another purpose other than execution of the contract also constitutes misuse. I further understand that the occurrence of misuse does not depend upon whether or not I receive additional compensation for such authorized activity. Such exposure for misuse includes, but is not limited to, suspension or loss of employment and prosecution for state and federal crimes.

c. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

k. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to standard provision #10 of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, as amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA and the Privacy and Security Rule.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section 3 k, the defense and indemnification provisions of section 3.d and standard contract provision #13, shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT BUSINESS ASSOCIATE AGREEMENT.

EXPLANATION

This request for a contract amendment is to ensure that NHDOC can fulfill its obligation, under the Eighth Amendment of the United State Constitution, to provide adequate medical care to people in its care and custody. In order to discharge this obligation, healthcare must be accessible and provided by qualified staff. This contract amendment makes provision for NHDOC to access temporary staff to fill critical positions in our healthcare division. Examples of staff roles requiring NHDOC to use temporary staff include nurses, psychiatric social workers, pharmacists, dental assistants and licensed alcohol and drug counselors. The department geographic area of coverages for these position types is from Berlin, Concord and Manchester, NH across seven (7) varying site locations for the provision of healthcare of on average 1960 people.

The national labor shortage and the inherent challenges in recruiting healthcare staff [Workforce Projections – data.HRSA.gov Health Resources & Services Administration] in general then in addition to work in carceral settings are two (2) factors creating challenges for NHDOC.

Vacancy rates, Family Medical Leave Act, and other unanticipated absences from work have a significant impact on the delivery of healthcare services within the NH Department of Corrections. Exigent circumstances resulting from employees' need for leave is beyond our ability to predict. However, ongoing vacancy rates allow NHDOC to demonstrate the need for NHDOC to be able to supplement our workforce through temporary staffing.

Due to recruitment and retention efforts from NHDOC, we have had success in filling positions in pharmacy, which is small number of staff so when we have even one long-term vacancy it begins to adversely impact the workload of our Licensed Pharmacy. Our pharmacy refilled 288,085 over the last 13 months. We have been able to hold relatively stable on our nursing vacancy rate, which is currently at 16%. For reference, we had a 38% vacancy rate in FY 2015. Our vacancy rate for our mental health positions varies by location and specialty: Current psychiatric social worker vacancy rate is 41% and Current vacancy rate for Licensed Alcohol and Drug Counselors (LADC) is at 11%, this is at the facility where we have most of our addiction services based. As an example, eight hundred (800) people incarcerated are diagnosed with Opioid Use disorder representing 40% of the total population with this diagnosis. We are required through the foundations of constitutional case law to provide mental health treatment to people under departmental custody.

This amendment also includes funding for dental assistants which is necessary to ensure continued delivery of required dental services. We have spent the last year very challenged in recruiting dental assistants and have had as high as a fifty percent (50%) vacancy rate for dental assistant positions in the southern tiered location of our facilities. To ensure continuity of services, NHDOC needs to have resources for dental assisting readily available to fill extended leave, unexpected vacancies and required absences such as academy training and loss of staff.

The Department's ongoing recruitment and retention efforts notwithstanding, as well as salary adjustments done by the State of NH, have made NHDOC more competitive. We continue to need these temporary professional staffing services to ensure we fulfill our Federal and State healthcare treatment requirements. Being able to respond to ongoing vacancies and unexpected leave is critical in our retention efforts. Burnout is created as staff is asked to do more to cover vacancies and asked to work more hours. Staff burnout will undermine the Department's concerted efforts at addressing retention and this contract will assist the department with retention while fostering recruitment.

The factors summarized in this letter make it necessary for NHDOC to have access to qualified healthcare staff through temporary staffing. It is important to know that the Department uses this option as sparingly as possible, not every vacancy has been filled by a temporary staff. We are requesting additional funds for temporary staffing services for healthcare positions outlined in this letter to ensure appropriate patient care, to discharge our obligations under the Eighth Amendment and to avoid potential litigation to delay in healthcare services.

EXPLANATION

The purpose of this request is to ensure temporary contracted nursing, medical and behavioral health staff is available to meet the constitutionally required healthcare for those in the care and custody of the NH Department of Corrections. Having contracts with several agencies allows the Department to access a wider range of professional candidates when state positions are vacant in order to ensure continued service delivery. Staffing agencies differ in their recruitment and retention approaches and not all agencies provide all types of professional staff. For example, most commonly staffing agencies provide nurses, but they do not always provide licensed substance use disorder treatment professionals.

Like most employers in the state of New Hampshire, the Department continues to have significant challenges in finding qualified candidates to fill the vacant positions we have in health care services. Our vacancy rates for the areas we are seeking to draw from these temporary staffing agencies are as follows:

Nursing: 27%
Master's level Mental Health Clinicians: 44%
Licensed Drug and Alcohol Counselors: 50%
Pharmacy Technicians: 20%
Recreational Therapist: 33%

These agencies will also be called upon to provide candidates for specialized healthcare positions, such as physical therapy and a nutritionist, if these positions should be vacated by the current incumbents. These types of positions do not have any kind of back up as the Department only has one (1) FTE per position. All of the positions listed in this level are necessary for the provision of appropriate and adequate healthcare.

To secure qualified health professionals, the Department published a Request for Proposal (RFP) soliciting for multi-discipline temporary staffing agencies with the intent of entering into multiple contracts to have access to a larger pool of qualified candidates.

The RFP was posted on the NH Department of Corrections website: <http://www.nh.gov.nhdoc/business/rfp.html> for eight (8) consecutive weeks and notified twenty-one (21) potential vendors of the solicitation. As a result of the issuance of the RFP, seven (7) vendors responded submitting a proposal and one (1) potential vendor submitted a disqualified proposal due to a late submission. After the review of the proposals and in accordance with the RFP Terms and Conditions, the NH Department of Corrections selected Aya Healthcare, Inc., Maxim Healthcare Staffing Services, Inc., Technostaff LLC d/b/a HonorVet Technologies, and Worldwide Travel Staffing, Limited to receive an unencumbered contract with a shared price limitation of \$4,200,000.00.

This RFP was scored utilizing a consensus methodology by a three (3) person evaluation committee. The evaluation committee consisted of NH Department of Corrections employees: Ryan Landry, RN, MSN, Director of Nursing, Medical & Forensic Services, Benjamin Carbone, PharmD, Chief Pharmacist, Medical & Forensic Services, and Micaela Beaune, LCMHC Administrator of the Secure Psychiatric Unit & the Residential Treatment Unit, Medical & Forensic Services.

9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

10.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

10.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

11. CONTRACTOR'S RELATION TO THE STATE: In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.

12.1 The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice, which shall be provided to the State at least fifteen (15) days prior to the assignment, and a written consent of the State. For purposes of this paragraph, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

12.2 None of the Services shall be subcontracted by the Contractor without prior written notice and consent of the State. The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

13. INDEMNIFICATION. Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omission of the

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

As a result, these changes have impacted the Department's business contract operations and has challenged the Department's standard procurement process. Due to the unusual and compelling urgency of need for the requested Medical and Behavioral Health Temporary Staffing Services and the Department's constitutional requirement to provide timely and appropriate healthcare, the Department purposed a rate range for the requested service disciplines.

5.2. The prevailing rate of each discipline can increase or decrease through negotiated equitable rate adjustments agreed upon between the parties for the term of the Contract and any renewals thereof.

(2) Use and Disclosure of Protected Health Information

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, the Business Associate shall not, and shall ensure that its directors, officers, employees and agents, do not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:

- (i) for the proper management and administration of the Business Associate;
- (ii) as required by law, pursuant to the terms set forth in paragraph d. below; or
- (iii) for data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to immediately notify Business Associate of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions on the uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) Obligations and Activities of Business Associate

a. Business Associate shall report to the designated Privacy Officer of Covered Entity, in writing, any use or disclosure of PHI in violation of the Agreement, including any security incident involving Covered Entity data, of which it becomes aware, within two (2) business days of becoming aware of such unauthorized use or disclosure or security incident.

b. Business Associate shall use administrative, physical and technical safeguards that reasonably and appropriately protect the confidentiality, integrity and availability of protected health information, in electronic or any other form, that it creates, receives, maintains or transmits under this Agreement, in accordance with the Privacy and Security Rules, to prevent the use or disclosure of PHI other than as permitted by the Agreement.

c. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

d. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section (3)b and (3)k herein. The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be

receiving PHI pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard provision #13 of this Agreement for the purpose of use and disclosure of protected health information.

e. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

f. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

g. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

h. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

i. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

j. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

k. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to standard provision #10 of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, as amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA and the Privacy and Security Rule.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section 3.k, the defense and indemnification provisions of section 3.d and standard contract provision #13, shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT BUSINESS ASSOCIATE AGREEMENT.

PRISON RAPE ELIMINATION ACT

ACKNOWLEDGEMENT FORM

The Prison Rape Elimination Act (PREA) of 2003 (with Final Rule August 2012) is a federal law established to address the elimination and prevention of sexual assault and sexual harassment within correctional systems and detention facilities. This Act applies to all correctional facilities, including prisons, jails, juvenile facilities and community corrections residential facilities. PREA incidents involve the following conduct:

- Resident-on-resident sexual assault
- Resident-on-resident abusive sexual contact
- Staff sexual misconduct
- Staff sexual harassment, assault of a resident

The act aimed to curb prison rape through a "zero-tolerance" policy, as well as through research and information gathering. The NH Department of Corrections has zero tolerance relating to the sexual assault/rape of offenders and recognizes these offenders as crime victims. Due to this recognition and adherence to the federal Prison Rape Elimination Act (PREA) of 2003, the NH Department of Corrections extends the "zero tolerance" to the following:

- Contractor/subcontractor misconduct
- Contractor/subcontractor harassment, assault of a resident

As a Contractor and/or Subcontractor of the NH Department of Corrections, I acknowledge that I have been provided information on the Prison Rape Elimination Act of 2003 Public Law 108-79-Sept. 4, 2003 and have been informed that as a Contractor and/or Subcontractor of the NH Department of Corrections, sexual conduct between Contractor and/or Subcontractor and offenders is prohibited. Sexual harassment or sexual misconduct involving an offender can be a violation of NH RSA 632-A:2, 632-A:3 and 632-A:4, Chapter 632-A: Sexual Assault and Related Offenses, and result in criminal prosecution.

As a Contractor and/or Subcontractor of the NH Department of Corrections, I understand that I shall inform all employees of the Contractor and/or Subcontractor to adhere to all policies concerning PREA, RSA 632-A:2, RSA 632-A:3, RSA 632-A:4 and departmental policies including NHDOC PPD-5.19- PREA, NHDOC Administrative Rules, Conduct and Confidentiality Information regarding my conduct, reporting of incidents and treatment of those under the supervision of the NH Department of Corrections, (Ref. RSA Chapter 632-A; NHDOC PPD 5.19 and Administrative Rules, Rules of Conduct for Persons Providing Contract Services, Confidentiality of Information/Agreement).

CERTIFICATION

I hereby certify that I am familiar with the contents of (1) the Security Addendum, including its legal authority and purpose; (2) the NCIC Operating Manual; (3) the CJIS Security Policy; and (4) Title 28, Code of Federal Regulations, Part 20, and agree to be bound by their provisions.

I recognize that criminal history record information and related data, by its very nature, is sensitive and has potential for great harm if misused. I acknowledge that access to criminal history record information and related data is therefore limited to the purpose(s) for which a government agency has entered into the contract incorporating this Security Addendum. I understand that misuse of the system by, among other things: accessing it without authorization; accessing it by exceeding authorization; accessing it for an improper purpose; using, disseminating or re-disseminating information received as a result of this contract for a purpose other than that envisioned by the contract; may subject me to administrative and criminal penalties. I understand that accessing the system for an appropriate purpose and then using, disseminating or re-disseminating the information received for another purpose other than execution of the contract also constitutes misuse. I further understand that the occurrence of misuse does not depend upon whether or not I receive additional compensation for such authorized activity. Such exposure for misuse includes, but is not limited to, suspension or loss of employment and prosecution for state and federal crimes.

Further, the Business Associate shall not, and shall ensure that its directors, officers, employees and agents, do not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:

c. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

k. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to standard provision #10 of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, as amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA and the Privacy and Security Rule.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section 3 k, the defense and indemnification provisions of section 3.d and standard contract provision #13, shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT BUSINESS ASSOCIATE AGREEMENT.

EXPLANATION

This request for a contract amendment is to ensure that NHDOC can fulfill its obligation, under the Eighth Amendment of the United State Constitution, to provide adequate medical care to people in its care and custody. In order to discharge this obligation, healthcare must be accessible and provided by qualified staff. This contract amendment makes provision for NHDOC to access temporary staff to fill critical positions in our healthcare division. Examples of staff roles requiring NHDOC to use temporary staff include nurses, psychiatric social workers, pharmacists, dental assistants and licensed alcohol and drug counselors. The department geographic area of coverages for these position types is from Berlin, Concord and Manchester, NH across seven (7) varying site locations for the provision of healthcare of on average 1960 people.

The national labor shortage and the inherent challenges in recruiting healthcare staff [Workforce Projections – data.HRSA.gov Health Resources & Services Administration] in general then in addition to work in carceral settings are two (2) factors creating challenges for NHDOC.

Vacancy rates, Family Medical Leave Act, and other unanticipated absences from work have a significant impact on the delivery of healthcare services within the NH Department of Corrections. Exigent circumstances resulting from employees' need for leave is beyond our ability to predict. However, ongoing vacancy rates allow NHDOC to demonstrate the need for NHDOC to be able to supplement our workforce through temporary staffing.

Due to recruitment and retention efforts from NHDOC, we have had success in filling positions in pharmacy, which is small number of staff so when we have even one long-term vacancy it begins to adversely impact the workload of our Licensed Pharmacy. Our pharmacy refilled 288,085 over the last 13 months. We have been able to hold relatively stable on our nursing vacancy rate, which is currently at 16%. For reference, we had a 38% vacancy rate in FY 2015. Our vacancy rate for our mental health positions varies by location and specialty: Current psychiatric social worker vacancy rate is 41% and Current vacancy rate for Licensed Alcohol and Drug Counselors (LADC) is at 11%, this is at the facility where we have most of our addiction services based. As an example, eight hundred (800) people incarcerated are diagnosed with Opioid Use disorder representing 40% of the total population with this diagnosis. We are required through the foundations of constitutional case law to provide mental health treatment to people under departmental custody.

This amendment also includes funding for dental assistants which is necessary to ensure continued delivery of required dental services. We have spent the last year very challenged in recruiting dental assistants and have had as high as a fifty percent (50%) vacancy rate for dental assistant positions in the southern tiered location of our facilities. To ensure continuity of services, NHDOC needs to have resources for dental assisting readily available to fill extended leave, unexpected vacancies and required absences such as academy training and loss of staff.

The Department's ongoing recruitment and retention efforts notwithstanding, as well as salary adjustments done by the State of NH, have made NHDOC more competitive. We continue to need these temporary professional staffing services to ensure we fulfill our Federal and State healthcare treatment requirements. Being able to respond to ongoing vacancies and unexpected leave is critical in our retention efforts. Burnout is created as staff is asked to do more to cover vacancies and asked to work more hours. Staff burnout will undermine the Department's concerted efforts at addressing retention and this contract will assist the department with retention while fostering recruitment.

The factors summarized in this letter make it necessary for NHDOC to have access to qualified healthcare staff through temporary staffing. It is important to know that the Department uses this option as sparingly as possible, not every vacancy has been filled by a temporary staff. We are requesting additional funds for temporary staffing services for healthcare positions outlined in this letter to ensure appropriate patient care, to discharge our obligations under the Eighth Amendment and to avoid potential litigation to delay in healthcare services.

Respectfully Submitted,

Helen E. Hanks

EXPLANATION

The purpose of this request is to ensure temporary contracted nursing, medical and behavioral health staff is available to meet the constitutionally required healthcare for those in the care and custody of the NH Department of Corrections. Having contracts with several agencies allows the Department to access a wider range of professional candidates when state positions are vacant in order to ensure continued service delivery. Staffing agencies differ in their recruitment and retention approaches and not all agencies provide all types of professional staff. For example, most commonly staffing agencies provide nurses, but they do not always provide licensed substance use disorder treatment professionals.

Like most employers in the state of New Hampshire, the Department continues to have significant challenges in finding qualified candidates to fill the vacant positions we have in health care services. Our vacancy rates for the areas we are seeking to draw from these temporary staffing agencies are as follows:

- Nursing: 27%
- Master's level Mental Health Clinicians: 44%
- Licensed Drug and Alcohol Counselors: 50%
- Pharmacy Technicians: 20%
- Recreational Therapist: 33%

These agencies will also be called upon to provide candidates for specialized healthcare positions, such as physical therapy and a nutritionist, if these positions should be vacated by the current incumbents. These types of positions do not have any kind of back up as the Department only has one (1) FTE per position. All of the positions listed in this level are necessary for the provision of appropriate and adequate healthcare.

To secure qualified health professionals, the Department published a Request for Proposal (RFP) soliciting for multi-discipline temporary staffing agencies with the intent of entering into multiple contracts to have access to a larger pool of qualified candidates.

The RFP was posted on the NH Department of Corrections website: <http://www.nh.gov/nhdoc/business/rfp.html> for eight (8) consecutive weeks and notified twenty-one (21) potential vendors of the solicitation. As a result of the issuance of the RFP, seven (7) vendors responded submitting a proposal and one (1) potential vendor submitted a disqualified proposal due to a late submission. After the review of the proposals and in accordance with the RFP Terms and Conditions, the NH Department of Corrections selected Aya Healthcare, Inc., Maxim Healthcare Staffing Services, Inc., Technostaff LLC d/b/a HonorVet Technologies, and Worldwide Travel Staffing, Limited to receive an unencumbered contract with a shared price limitation of \$4,200,000.00.

This RFP was scored utilizing a consensus methodology by a three (3) person evaluation committee. The evaluation committee consisted of NH Department of Corrections employees: Ryan Landry, RN, MSN, Director of Nursing, Medical & Forensic Services, Benjamin Carbone, PharmD, Chief Pharmacist, Medical & Forensic Services, and Micaela Beaune, LCMHC Administrator of the Secure Psychiatric Unit & the Residential Treatment Unit, Medical & Forensic Services.

9. TERMINATION:

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. In addition, at the State's discretion, the Contractor shall, within 15 days of notice of early termination, develop and

10.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

10.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.

12.1 The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice, which shall be provided to the State at least fifteen (15) days prior to the assignment, and a written consent of the State. For purposes of this paragraph, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

12.2 None of the Services shall be subcontracted by the Contractor without prior written notice and consent of the State. The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

13. INDEMNIFICATION. Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omission of the

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. (2) Use and Disclosure of Protected Health Information

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, the Business Associate shall not, and shall ensure that its directors, officers, employees and agents, do not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:

- (i) for the proper management and administration of the Business Associate;
- (ii) as required by law, pursuant to the terms set forth in paragraph d. below; or
- (iii) for data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to immediately notify Business Associate of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions on the uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

b. Business Associate shall use administrative, physical and technical safeguards that reasonably and appropriately protect the confidentiality, integrity and availability of protected health information, in electronic or any other form, that it creates, receives, maintains or transmits under this Agreement, in accordance with the Privacy and Security Rules, to prevent the use or disclosure of PHI other than as permitted by the Agreement.

c. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

d. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section (3)b and (3)k herein. The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be

receiving PHI pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard provision #13 of this Agreement for the purpose of use and disclosure of protected health information.

e. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

f. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

g. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

i. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

j. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

k. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by, the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible; for so long as Business Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to standard provision #10 of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, as amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA and the Privacy and Security Rule.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition, to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section 3 k, the defense and indemnification provisions of section 3.d and standard contract provision #13, shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT BUSINESS ASSOCIATE AGREEMENT.

PRISON RAPE ELIMINATION ACT

ACKNOWLEDGEMENT FORM

The Prison Rape Elimination Act (PREA) of 2003 (with Final Rule August 2012) is a federal law established to address the elimination and prevention of sexual assault and sexual harassment within correctional systems and detention facilities. This Act applies to all correctional facilities, including prisons, jails, juvenile facilities and community corrections residential facilities. PREA incidents involve the following conduct:

- Resident-on-resident sexual assault
- Resident-on-resident abusive sexual contact
- Staff sexual misconduct
- Staff sexual harassment, assault of a resident

The act aimed to curb prison rape through a "zero-tolerance" policy, as well as through research and information gathering. The NH Department of Corrections has zero tolerance relating to the sexual assault/rape of offenders and recognizes these offenders as crime victims. Due to this recognition and adherence to the federal Prison Rape Elimination Act (PREA) of 2003, the NH Department of Corrections extends the "zero tolerance" to the following:

- Contractor/subcontractor misconduct
- Contractor/subcontractor harassment, assault of a resident

As a Contractor and/or Subcontractor of the NH Department of Corrections, I acknowledge that I have been provided information on the Prison Rape Elimination Act of 2003 Public Law 108-79 Sept. 4, 2003 and have been informed that as a Contractor and/or Subcontractor of the NH Department of Corrections, sexual conduct between Contractor and/or Subcontractor and offenders is prohibited. Sexual harassment or sexual misconduct involving an offender can be a violation of NH RSA 632-A:2, 632-A:3 and 632-A:4, Chapter 632-A: Sexual Assault and Related Offenses, and result in criminal prosecution.

As a Contractor and/or Subcontractor of the NH Department of Corrections, I understand that I shall inform all employees of the Contractor and/or Subcontractor to adhere to all policies concerning PREA, RSA 632-A:2, RSA 632-A:3, RSA 632-A:4 and departmental policies including NHDOC PPD 5.19 PREA, NHDOC Administrative Rules, Conduct and Confidentiality Information regarding my conduct, reporting of incidents and treatment of those under the supervision of the NH Department of Corrections. (Ref. RSA Chapter 632-A, NHDOC PPD 5.19 and Administrative Rules, Rules of Conduct for Persons Providing Contract Services, Confidentiality of Information Agreement).

CERTIFICATION

I hereby certify that I am familiar with the contents of (1) the Security Addendum, including its legal authority and purpose; (2) the NCIC Operating Manual; (3) the CJIS Security Policy; and (4) Title 28, Code of Federal Regulations, Part 20, and agree to be bound by their provisions.

I recognize that criminal history record information and related data, by its very nature, is sensitive and has potential for great harm if misused. I acknowledge that access to criminal history record information and related data is therefore limited to the purpose(s) for which a government agency has entered into the contract incorporating this Security Addendum. I understand that misuse of the system by, among other things: accessing it without authorization; accessing it by exceeding authorization; accessing it for an improper purpose; using, disseminating or re-disseminating information received as a result of this contract for a purpose other than that envisioned by the contract, may subject me to administrative and criminal penalties. I understand that accessing the system for an appropriate purpose and then using, disseminating or re-disseminating the information received for another purpose other than execution of the contract also constitutes misuse. I further understand that the occurrence of misuse does not depend upon whether or not I receive additional compensation for such authorized activity. Such exposure for misuse includes, but is not limited to, suspension or loss of employment and prosecution for state and federal crimes.

Further, the Business Associate shall not, and shall ensure that its directors, officers, employees and agents, do not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:

c. d. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

k. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement; and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to standard provision #10 of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, as amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA and the Privacy and Security Rule.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section 3.1, the defense and indemnification provisions of section 3.d and standard contract provision #13, shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT BUSINESS ASSOCIATE AGREEMENT.

EXPLANATION

This request for a contract amendment is to ensure that NHDOC can fulfill its obligation, under the Eighth Amendment of the United State Constitution, to provide adequate medical care to people in its care and custody. In order to discharge this obligation, healthcare must be accessible and provided by qualified staff. This contract amendment makes provision for NHDOC to access temporary staff to fill critical positions in our healthcare division. Examples of staff roles requiring NHDOC to use temporary staff include nurses, psychiatric social workers, pharmacists, dental assistants and licensed alcohol and drug counselors. The department geographic area of coverages for these position types is from Berlin, Concord and Manchester, NH across seven (7) varying site locations for the provision of healthcare of on average 1960 people.

The national labor shortage and the inherent challenges in recruiting healthcare staff [Workforce Projections – data.HRSA.gov Health Resources & Services Administration] in general then in addition to work in carceral settings are two (2) factors creating challenges for NHDOC.

Vacancy rates, Family Medical Leave Act, and other unanticipated absences from work have a significant impact on the delivery of healthcare services within the NH Department of Corrections. Exigent circumstances resulting from employees' need for leave is beyond our ability to predict. However, ongoing vacancy rates allow NHDOC to demonstrate the need for NHDOC to be able to supplement our workforce through temporary staffing.

Due to recruitment and retention efforts from NHDOC, we have had success in filling positions in pharmacy, which is small number of staff so when we have even one long-term vacancy it begins to adversely impact the workload of our Licensed Pharmacy. Our pharmacy refilled 288,085 over the last 13 months. We have been able to hold relatively stable on our nursing vacancy rate, which is currently at 16%. For reference, we had a 38% vacancy rate in FY 2015. Our vacancy rate for our mental health positions varies by location and specialty: Current psychiatric social worker vacancy rate is 41% and Current vacancy rate for Licensed Alcohol and Drug Counselors (LADC) is at 11%, this is at the facility where we have most of our addiction services based. As an example, eight hundred (800) people incarcerated are diagnosed with Opioid Use disorder representing 40% of the total population with this diagnosis. We are required through the foundations of constitutional case law to provide mental health treatment to people under departmental custody.

This amendment also includes funding for dental assistants which is necessary to ensure continued delivery of required dental services. We have spent the last year very challenged in recruiting dental assistants and have had as high as a fifty percent (50%) vacancy rate for dental assistant positions in the southern tiered location of our facilities. To ensure continuity of services, NHDOC needs to have resources for dental assisting readily available to fill extended leave, unexpected vacancies and required absences such as academy training and loss of staff.

The Department's ongoing recruitment and retention efforts notwithstanding, as well as salary adjustments done by the State of NH, have made NHDOC more competitive. We continue to need these temporary professional staffing services to ensure we fulfill our Federal and State healthcare treatment requirements. Being able to respond to ongoing vacancies and unexpected leave is critical in our retention efforts. Burnout is created as staff is asked to do more to cover vacancies and asked to work more hours. Staff burnout will undermine the Department's concerted efforts at addressing retention and this contract will assist the department with retention while fostering recruitment.

The factors summarized in this letter make it necessary for NHDOC to have access to qualified healthcare staff through temporary staffing. It is important to know that the Department uses this option as sparingly as possible, not every vacancy has been filled by a temporary staff. We are requesting additional funds for temporary staffing services for healthcare positions outlined in this letter to ensure appropriate patient care, to discharge our obligations under the Eighth Amendment and to avoid potential litigation to delay in healthcare services.

EXPLANATION

The purpose of this request is to ensure temporary contracted nursing, medical and behavioral health staff is available to meet the constitutionally required healthcare for those in the care and custody of the NH Department of Corrections. Having contracts with several agencies allows the Department to access a wider range of professional candidates when state positions are vacant in order to ensure continued service delivery. Staffing agencies differ in their recruitment and retention approaches and not all agencies provide all types of professional staff. For example, most commonly staffing agencies provide nurses, but they do not always provide licensed substance use disorder treatment professionals.

Like most employers in the state of New Hampshire, the Department continues to have significant challenges in finding qualified candidates to fill the vacant positions we have in health care services. Our vacancy rates for the areas we are seeking to draw from these temporary staffing agencies are as follows:

Nursing: 27%
Master's level Mental Health Clinicians: 44%
Licensed Drug and Alcohol Counselors: 50%
Pharmacy Technicians: 20%
Recreational Therapist: 33%

These agencies will also be called upon to provide candidates for specialized healthcare positions; such as physical therapy and a nutritionist, if these positions should be vacated by the current incumbents. These types of positions do not have any kind of back up as the Department only has one (1) FTE per position. All of the positions listed in this level are necessary for the provision of appropriate and adequate healthcare.

To secure qualified health professionals, the Department published a Request for Proposal (RFP) soliciting for multi-discipline temporary staffing agencies with the intent of entering into multiple contracts to have access to a larger pool of qualified candidates.

The RFP was posted on the NH Department of Corrections website: <http://www.nh.gov.nhdoc/business/rfp.htm> for eight (8) consecutive weeks and notified twenty-one (21) potential vendors of the solicitation. As a result of the issuance of the RFP, seven (7) vendors responded submitting a proposal and one (1) potential vendor submitted a disqualified proposal due to a late submission. After the review of the proposals and in accordance with the RFP Terms and Conditions, the NH Department of Corrections selected Aya Healthcare, Inc., Maxim Healthcare Staffing Services, Inc., Technostaff LLC d/b/a HonorVet Technologies, and Worldwide Travel Staffing, Limited to receive an unencumbered contract with a shared price limitation of \$4,200,000.00.

This RFP was scored utilizing a consensus methodology by a three (3) person evaluation committee. The evaluation committee consisted of NH Department of Corrections employees: Ryan Landry, RN, MSN, Director of Nursing, Medical & Forensic Services, Benjamin Carbone, PharmD, Chief Pharmacist, Medical & Forensic Services, and Micaela Beaune, LCMHC Administrator of the Secure Psychiatric Unit & the Residential Treatment Unit, Medical & Forensic Services.

5. Rate Adjustments

5.1. The COVID-19 pandemic has caused rapid changes in operations of healthcare for infection control and response. It has also impacted the healthcare wage market and healthcare personnel resources. As a result, these changes have impacted the Department's business contract operations and has challenged the Department's standard procurement process. Due to the unusual and compelling urgency of need for the requested Medical and Behavioral Health Temporary Staffing Services and the Department's constitutional requirement to provide timely and appropriate healthcare, the Department purposes a rate range for the requested service disciplines.

5.2. The prevailing rate of each discipline can increase or decrease through negotiated equitable rate adjustments agreed upon between the parties for the term of the Contract and any renewals thereof.

(2) Use and Disclosure of Protected Health Information

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, the Business Associate shall not, and shall ensure that its directors, officers, employees and agents, do not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:

- (i) for the proper management and administration of the Business Associate;
- (ii) as required by law, pursuant to the terms set forth in paragraph d. below; or
- (iii) for data aggregation purposes for the health care operations of Covered Entity.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions on the uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

b. Business Associate shall use administrative, physical and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of protected health information, in electronic or any other form, that it creates, receives, maintains, or transmits under this Agreement, in accordance with the Privacy and Security Rules, to prevent the use or disclosure of PHI other than as permitted by the Agreement.

c. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

d. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section (3)b and (3)k herein. The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be

e. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

f. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

g. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

j. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

k. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by, the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to standard provision #10 of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, as amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA and the Privacy and Security Rule.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section 3 k, the defense and indemnification provisions of section 3.d and standard contract provision #13, shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT BUSINESS ASSOCIATE AGREEMENT.

PRISON RAPE ELIMINATION ACT

ACKNOWLEDGEMENT FORM

The Prison Rape Elimination Act (PREA) of 2003 (with Final Rule August 2012) is a federal law established to address the elimination and prevention of sexual assault and sexual harassment within correctional systems and detention facilities. This Act applies to all correctional facilities, including prisons, jails, juvenile facilities and community corrections residential facilities. PREA incidents involve the following conduct:

- Resident-on-resident sexual assault
- Resident-on-resident abusive sexual contact
- Staff sexual misconduct
- Staff sexual harassment, assault of a resident

The act aimed to curb prison rape through a "zero-tolerance" policy, as well as through research and information gathering. The NH Department of Corrections has zero tolerance relating to the sexual assault/rape of offenders and recognizes these offenders as crime victims. Due to this recognition and adherence to the federal Prison Rape Elimination Act (PREA) of 2003, the NH Department of Corrections extends the "zero tolerance" to the following:

- Contractor/subcontractor misconduct
- Contractor/subcontractor harassment, assault of a resident

As a Contractor and/or Subcontractor of the NH Department of Corrections, I acknowledge that I have been provided information on the Prison Rape Elimination Act of 2003 Public Law 108-79—Sept. 4, 2003 and have been informed that as a Contractor and/or Subcontractor of the NH Department of Corrections, sexual conduct between Contractor and/or Subcontractor and offenders is prohibited. Sexual harassment or sexual misconduct involving an offender can be a violation of NH RSA 632-A:2, 632-A:3 and 632-A:4, Chapter 632-A: Sexual Assault and Related Offenses, and result in criminal prosecution.

As a Contractor and/or Subcontractor of the NH Department of Corrections, I understand that I shall inform all employees of the Contractor and/or Subcontractor to adhere to all policies concerning PREA, RSA 632-A:2, RSA 632-A:3, RSA 632-A:4 and departmental policies including NHDOC Administrative Rules, Conduct and Confidentiality Information regarding my conduct, reporting of incidents and treatment of those under the supervision of the NH Department of Corrections. (Ref. RSA Chapter 632-A, and Administrative Rules, Rules of Conduct for Persons Providing Contract Services, Confidentiality of Information Agreement).

CERTIFICATION

I hereby certify that I am familiar with the contents of (1) the Security Addendum, including its legal authority and purpose; (2) the NCIC Operating Manual; (3) the CJIS Security Policy; and (4) Title 28, Code of Federal Regulations, Part 20, and agree to be bound by their provisions.

I recognize that criminal history record information and related data, by its very nature, is sensitive and has potential for great harm if misused. I acknowledge that access to criminal history record information and related data is therefore limited to the purpose(s) for which a government agency has entered into the contract incorporating this Security Addendum. I understand that misuse of the system by, among other things: accessing it without authorization; accessing it by exceeding authorization; accessing it for an improper purpose; using, disseminating or re-disseminating information received as a result of this contract for a purpose other than that envisioned by the contract; may subject me to administrative and criminal penalties. I understand that accessing the system for an appropriate purpose and then using, disseminating or re-disseminating the information received for another purpose other than execution of the contract also constitutes misuse. I further understand that the occurrence of misuse does not depend upon whether or not I receive additional compensation for such authorized activity. Such exposure for misuse includes, but is not limited to, suspension or loss of employment and prosecution for state and federal crimes.
