Dept. Environmental Services, Lakes Restoration Program, Grants-Nonfederal \$21,285

**EXPLANATION**

The Milfoil and Other Exotic Plants Prevention Program was established in 2003. This grant program was established to prevent and control new infestations of exotic aquatic plants through grants to non-profit and municipal organizations, as well as other state agencies. Program funding originates from boat decal fees.

NHDES issued a Request for Proposals (RFP) for the Milfoil Prevention Grant Program and received two applications, one from NH LAKES for the Lake Host Program, and the other from the Connecticut River Conservancy for establishing a boat ramp monitoring program and education and outreach program for the Connecticut River corridor as it relates to movement of aquatic invasive species. The proposals were reviewed and approved by a committee comprised of a representative from the Department of Safety and the Director of the Jody Connor Limnology Center at NHDES. The proposals were reviewed based on the criteria included in the Management Plan for Milfoil Prevention Grants. Based on the review criteria, both projects were selected for funding. They will be routed separately for review.

The purpose of the Connecticut River Watershed Council, Inc. project is to prevent the introduction of aquatic invasive species into the Connecticut River by implementing an education campaign to include development of system-specific educational materials, and establishing a boat launch steward program

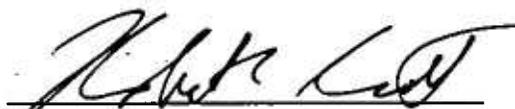

Her Excellency, Governor Kelly A. Ayotte  
and The Honorable Council

to educate boaters and conduct courtesy boat inspections of transient vessels coming in to boat launch areas along the river.

This agreement has been approved by the Office of the Attorney General as to form, execution, and content.

We respectfully request your approval.

- 12.2. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.
