REQUESTED ACTION

Authorize the Department of Administrative Services to enter into a contract with Fences Unlimited, Inc. (VC#154721), Windham, New Hampshire, for a total price not to exceed \$18,732 for fencing installation services at Industrial Drive Concord NH, located on the Hugh Gallen Office Park, effective upon Governor and Council approval through December 31, 2025. **100% Capital Funds.**

Funding is available in account, 19-146:1IIC1 - Concord Steam, as follows:

	<u>FY2026</u>
01-14-14-140030-71880000 -034-500157- Land Improvements	\$18,732

EXPLANATION

In accordance with RSA 21-I:12, II B, the Department of Administrative Services, Division of Plant and Property Management is responsible to “provide for the general maintenance of state-owned buildings and grounds, except as otherwise provided by law.” The Division of Plant and Property Management maintains 95 state-owned buildings located throughout the State. This contract is for the installation of chain link fencing posts and a gate at Industrial Drive, Concord, NH located on the Hugh Gallen Office Park.

Currently, there is not a statewide contract for fencing installation services. This project includes fencing off the portion of Industrial Drive that overlooks the old Concord Steam plant location in the Hugh Gallen Office Park. During the completion of the Concord Steam Phase II Project, drainage issues on Industrial Drive were discovered that were compromising the ground behind the remaining wall of the Concord Steam Plant. This wall supports Industrial Drive that runs behind Main Building located at 105 Pleasant Street, Concord New Hampshire. It was determined that a new catch basin with new drainage lines running down Industrial Drive would need to be installed to stop the destabilization of Industrial Drive. The drainage work was completed by Department of Administrative Services staff who worked with the Division of Public Works Design and Construction to determine the proper drainage. This area of

paving and fencing at Industrial Drive had to be removed to install the needed drainage to repair past damage and prevent future damage. The requested contract with Fences Unlimited, Inc. includes all cost associated with completing the project for the safety of the public, state employees and residents of the Acute Psychiatric Services located on the campus who use Industrial Drive daily.

The Department of Administrative Services, Division of Plant and Property, through the Bureau of Purchase and Property issued RFB 242-24 on May 6, 2024, with responses due on May 22, 2024. The bid reached fifty-one vendors through the NIGP registry with an additional eight directly sourced. There were four compliant responses received, with the lowest bid from Fences Unlimited, Inc. Attached is a copy of the bid results.

The contract request was delayed because the original low-bid vendor, B-Line Fencing, was unresponsive to Plant and Property staff and Bureau of Purchase and Property staff last summer. Consequently, they were non-compliant, and it was decided to move forward with second lowest bidder Fences Unlimited, Inc. Due to competing projects and the freezing temperatures during the winter weather, this contract is now being brought forward.

Respectfully submitted,

Charles M. Arlinghaus,
Commissioner
