--	--------------------------

EXPLANATION

RSA 425:19-b establishes the Capital Improvement Program for State Fairs fund to be used by the department to assist fairs in capital projects making health and safety improvements to the agricultural fairgrounds or fair facilities in order to benefit participants and the fair-going public.

The Granite State Fair Board of Directors meets all grant eligibility conditions and criteria and has submitted an application demonstrating a worthy project addressing renovations to the pulling ring and surrounding area to increase accessibility and safety, add new bleachers, and a portable announcers booth.

The department requests approval to enter into the grant agreement and disburse funds in accordance with the Capital Improvement Program for State Fairs to Granite State Fair. Granite State Fair is in the process of establishing a vendor number with the State of New Hampshire.

The Department of Agriculture, Markets, and Food has determined that Granite State Fair is in good standing with the Secretary of State's Office, has secured the required levels of insurance, and has provided evidence of authority to execute and be bound by the contract. Documents supporting these assertions are available at the agency, for review upon request. Granite State

Faris is a non-profit organization, and Department of Agriculture, Markets, and Food has confirmed the vendor is registered and in good standing with the Department of Justice's Charitable Division.

Respectfully submitted,
