**REQUESTED ACTION**

FY 2026  
\$350,000

Dept. Environmental Services, Drinking Water and Groundwater Trust Fund, Grants Non-Federal

**EXPLANATION**

The Drinking Water and Groundwater Trust Fund (DWGTF) was created in 2016, using \$276 million of MtBE trial judgement funds, as authorized by RSA 485-F. The purpose of the DWGTF is to provide sustainable, long-term funding for the protection, preservation, and enhancement of the drinking water and groundwater resources of the state. The Drinking Water and Groundwater Advisory Commission (Advisory Commission) was established to administer the DWGTF and provide guidance to the State on the use of the funds.

On November 18, 2024, the Advisory Commission voted to authorize grants for seven drinking water source protection projects. The Upper Saco Valley Land Trust (USVLT) request for \$350,000 was selected for grant funding from the DWGTF to acquire seven parcels of land totaling approximately 625 acres in Madison, NH, via conservation easement. Approximately 270 acres of the property are located within the High-Yield Stratified Drift Aquifer nearest to the Silver Lake Landing Senior Housing community, which serves as the community's primary drinking water source. The Grantee (USVLT) agrees that the conservation easement shall allow for low-impact, passive outdoor recreation, including hiking, hunting, and fishing.

The total project cost for USVLT to purchase the property is \$1,515,000. The DWGTF will provide \$350,000 with \$1,165,000 in match provided by USVLT from other funding sources. The purchase price of the property is based on a recent appraisal of fair market value. Letters of support were provided by the Town of Madison Conservation Commission and the Gibson Center for Senior Services.

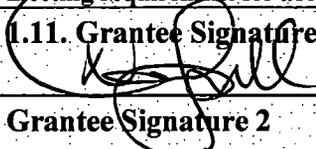

Attachment A contains a map showing the relationship of the land to the nearest protected water supply source. In the event funds become unavailable, general funds will not be requested to support this project. This agreement has been approved by the Attorney General's Office as to form, substance, and execution. We respectfully request your approval of this item.

Robert R. Scott, Commissioner
