Dept. Environmental Services, Drinking Water and Groundwater Trust Fund, Grants Non-Federal

EXPLANATION

The Drinking Water and Groundwater Trust Fund (DWGTF) was created in 2016, using \$276 million of MtBE trial judgement funds, as authorized by RSA 485-F. The purpose of the DWGTF is to provide sustainable, long-term funding for the protection, preservation, and enhancement of the drinking water and groundwater resources of the state. The Drinking Water and Groundwater Advisory Commission (Advisory Commission) was established to administer and provide guidance to the State on the use of the DWGTF. In 2023, the Advisory Commission awarded \$1,000,000 to the New Hampshire Department of Environmental Services (NHDES) to provide grants for remediation of lead in drinking water in K-12 schools at any outlet testing at 5 parts per billion (ppb) or above. The Advisory Commission approved this funding to be awarded to public and nonpublic schools in New Hampshire for up to 100% of the total lead remediation costs as needed.

The Home for Little Wanderers (Grantee) will use the \$114,000 grant for lead remediation at the Wediko School located in Windsor, New Hampshire. Eligible work includes installation of water bottle filling stations, point of use filters, removal and replacement of faucets, fixtures, fountains, solder, piping, plumbing components, and water treatment at any drinking water outlet with lead results at 5 ppb or above that are available for consumption by children.

In the event funds become unavailable, general funds will not be requested to support this project. This agreement has been approved by the Attorney General's Office as to form, substance, and execution.

We respectfully request your approval.

Robert R. Scott, Commissioner

 - 11.2.2 Give the Grantee a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the Grant Amount which would otherwise accrue to the Grantee during the period from the date of such notice until such time as the State determines that the Grantee has cured the Event of Default shall never be paid to the Grantee; and

- 12.2. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.
- 12.3. Notwithstanding anything in this Agreement to the contrary, either the State or, except where notice default has been given to the Grantee hereunder, the Grantee, may terminate this Agreement without cause upon thirty (30) days written notice.
