**EXPLANATION**

NHDES has offered the Littleton Water and Light \$1,260,000 in a combination of grant and loan funds from the Drinking Water State Revolving Fund (DWSRF) to finance water system improvements. The improvements include the inventory and replacement of lead service lines throughout the Littleton Water and Light's distribution system. The project will improve water quality and assist with meeting federal requirements.

The final DWSRF loan amount will be based on the total DWSRF funds disbursed and may be less than \$1,200,000. The loan interest rate may be adjusted downward if the DWSRF loan rate in effect upon project completion is less than the current rate of 0.96% for 5 years. Littleton Water and Light is eligible for principal forgiveness under the 2022 DWSRF Intended Use Plan. The final amount of principal forgiveness will be determined when the aggregate principal amount is established, and the project is complete. There is currently a balance of \$35,249,319 in the DWSRF available for new loans.

In April 2025, NHDES released a solicitation for Large Public Water System Lead Service Line Inventory grant applications to assist public water systems with identifying the material of service lines and updating a service line inventory per federal requirements set by the Environmental Protection Agency's Lead and Copper Rule Revisions (LCRR) and the Lead and Copper Rule Improvements (LCRI). A total of 48 communities, serving greater than 1,000 service connections with service lines listed as "unknown" in the initial inventory, were identified as potential candidates for this grant (see Attachment A for a complete list). Funding for these grants was established from the Bipartisan Infrastructure Law (BIL) funding. The grants are being awarded on a rolling basis.

In the event federal funds become no longer available, general funds will not be requested to support this program. The grant agreement has been approved by the Attorney General's Office as to form, substance, and execution.

We respectfully request your approval of this item.

12.3. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.

STATE OF NEW HAMPSHIRE

DRINKING WATER STATE REVOLVING LOAN FUND PROGRAM

LITTLETON WATER AND LIGHT, NEW HAMPSHIRE  
(Project No. 0511030-02)

=====

ORIGINAL LOAN AGREEMENT

=====

I. This Agreement is between the State of New Hampshire Drinking Water State Revolving Loan Fund Program (State) and the **Littleton Water and Light, New Hampshire** (Loan Recipient) in accordance with RSA 486:14 and New Hampshire Code of Administrative Rules Env-Dw 1100 (Rules) for the purpose of financing, to the extent of the aggregate amount of funds transferred (Disbursements) to the Loan Recipient made hereunder, the **Lead Service Line Inventory and Replacement Project** (Project) now being undertaken by the Loan Recipient. The Project is described in Exhibit A. The Loan Recipient shall abide by all of the requirements of RSA 486:14 and the Rules.

II. The State agrees to loan to the Loan Recipient, and the Loan Recipient agrees to repay to the State, in accordance with the terms of this Agreement, the principal sum of **One Million Two Hundred Thousand and 00/100 Dollars (\$1,200,000)** (Principal Sum) or such lesser amount as shall equal the aggregate of Disbursements made hereunder by the State to the Loan Recipient. In addition to the principal sum, the Loan Recipient agrees to pay the applicable interest accrued as described in Paragraphs IV, VI, and VIII. Federal financial assistance provided through the Drinking Water State Revolving Loan Fund Program (CFDA #66.468) may comprise all or a portion of the Principal Sum. Any Disbursement or other payment from the State to the Loan Recipient is contingent upon the availability of funds.

III. The Loan Recipient is eligible for principal forgiveness as outlined in the 2022 State of New Hampshire Drinking Water State Revolving Fund Intended Use Plan. The amount of principal forgiveness will be

1 determined when the aggregate principal loan amount is established, and the project is complete and will  
2 be applied to the loan upon the initial repayment.

3

4 IV. Disbursements shall be made on a periodic basis, as requested by the Loan Recipient, but not more  
5 frequently than monthly, subject to the approval of the amount of each Disbursement by the State. The  
6 State shall approve the amount requested if it determines that the costs covered by the request are  
7 eligible under Env-Dw 1104.01, as applicable. Interest on each Disbursement shall accrue on the  
8 outstanding principal balance from the date of the Disbursement at the rate of 1% per annum computed  
9 on the basis of 30-day months and 360-day years until the date of Substantial Completion of the Project  
10 or the date of Scheduled Completion, whichever is earlier. At the option of the Loan Recipient, such  
11 interest may be paid (1) prior to the commencement of Loan repayment, (2) at the time of the first Loan  
12 repayment, or (3) by adding the charges to the outstanding principal Loan balance so long as the Loan  
13 Recipient's authority to borrow is not exceeded.

14

15 V. The aggregate of the Disbursements shall be consolidated by a Promissory Note (Note) of the Loan  
16 Recipient in a Supplemental Loan Agreement issued under and in accordance with the applicable  
17 provisions of this Agreement and the Municipal Finance Act, RSA 33, as amended and supplemented,  
18 including the provisions of RSA 486:14. The Note shall be substantially in the form of Exhibit B.

19

20 VI. The interest rate applicable to the Note will be **0.96%**, as determined in accordance with RSA 486:14  
21 and Env-Dw 1100 et seq.

22

23 VII. The Loan Recipient hereby authorizes the State to compute the payments of principal and interest on  
24 the Note. The principal shall be paid in full within **five (5)** years from the date of the Note. Note payments  
25 shall commence within one year of the Substantial Completion date of the Project or the Scheduled

1 Completion date of the project, whichever is earlier. The Scheduled Completion date is hereby  
2 determined to be **January 1, 2028**; however, should the project experience an excusable delay, an  
3 extension may be granted by the Commissioner of the Department of Environmental Services upon  
4 request in writing by the Loan Recipient. In no event shall Note payments commence later than ten years  
5 from the effective date of this Agreement.

6

7 VIII. The Loan Recipient reserves the right to prepay, at any time and without penalty, all or any part of  
8 the outstanding principal or interest of the Note.

9

10 IX. In the event of a default in the full and timely remittance of any Note payment, any State Aid Grant  
11 funds payable to the Loan Recipient under RSA 486:A may be offset against and applied to the payment  
12 of any obligations that are due hereunder. The Loan Recipient agrees to be liable for all costs of collection,  
13 legal expenses, and attorney's fees incurred or paid by the State in enforcing this Agreement or in  
14 collecting any delinquent payments due hereunder.

15

16 X. No delay or omission on the part of the State in exercising any right hereunder shall operate as a waiver  
17 of such right or of any other right under this Agreement. A waiver on any one occasion shall not be  
18 construed as bar to any right and/or remedy on any future occasion.

19

20 XI. The Loan Recipient agrees to comply, and to require all of its contractors to comply, with all  
21 applicable state and federal requirements contained in the Rules and applicable state and federal laws,  
22 including those specific requirements outlined in Exhibit C.

23

24 XII. The Loan Recipient is required to develop an asset maintenance and renewal plan for the assets(s)  
25 being funded under the loan or incorporate the funded asset(s) into an existing asset management plan.

1 At a minimum the plan must include a commitment to asset management, financing and  
2 implementation strategy and an inventory of the funded asset(s).

3

4 XIII. The Loan Recipient agrees to permit the Comptroller General of the United States, an appropriate  
5 Inspector General appointed under section 3 or 8G of the Inspector General Act of 1978 (5 U.S.C. App.),  
6 or an authorized representative of either of the foregoing officials, or of the State of New Hampshire to  
7 have access to and the right to:

8

9 (i) Examine any of the Loan Recipient's, the contractor's or any subcontractor's records  
10 that pertain to and involve transactions relating to this Agreement, the Construction Contract,  
11 the Engineering Contract or a subcontract thereunder; and

12

13 (ii) Interview any officer or employee regarding such transactions.

14

15 The Loan Recipient shall insert subparagraphs (i). and (ii). in the Construction Contract and require the  
16 Contractor to insert subparagraphs (i). and (ii). in all subcontracts thereunder.

17

18 XIV. The effective date of this Agreement shall be the date of its approval by the Governor and Executive  
19 Council. This Agreement may be amended, waived, or discharged only by a written instrument signed by  
20 the parties hereto and only after approval of such amendment, waiver, or discharge by the Governor and  
21 Executive Council.

22

23 XV. This Agreement shall be construed in accordance with the laws of the State of New Hampshire and is  
24 binding upon and inures to the benefit of the parties and their respective successors. The parties hereto

1 do not intend to benefit any third parties and, consequently, the Agreement shall not be construed to  
2 confer any such benefit.

3

4 XVI. The Loan Recipient acknowledges that by accepting the Loan it will be a sub-recipient of federal  
5 financial assistance and, as such, subject to requirements of the federal Single Audit Act and subsequent  
6 amendments (SAA). The Loan Recipient further acknowledges that, if the Loan Recipient expends more  
7 than the required threshold in federal financial assistance from all sources in any fiscal year, it must  
8 perform an SAA audit in accordance with the requirements of Office of Management and Budget  
9 Circular A-133. In that event, the Loan Recipient shall provide the State with a copy of the SAA audit  
10 report within nine months of the end of the audit period.

11

12 XVII. This Agreement, which may be executed in a number of counterparts, each of which shall be  
13 deemed an original, constitutes the entire agreement and understanding between the parties and  
14 supersedes all prior agreements and understandings relating thereto. Nothing herein shall be construed  
15 as a waiver of sovereign immunity, such immunity being hereby specifically reserved.
