Her Excellency, Governor Kelly A. Ayotte  
and the Honorable Council  
State House  
Concord, New Hampshire 03301

Bureau of Right-of-Way  
June 3, 2025

**REQUESTED ACTION**

Pursuant to RSA 4:39-c and 228:31, authorize the New Hampshire Department of Transportation (Department), to sell 0.15 +/- acres of State-owned land situated on the northwesterly side of NH Route 13 (North Main Street) in the Town of Mont Vernon, County of Hillsborough. The sale will be direct to Frank Oudheusden (Buyer), who has agreed to purchase the land for \$9,800, with an additional assessed administrative fee of \$ 1,100, effective upon Governor and Executive Council approval.

The Department's Bureau of Finance and Contracts has determined that the parcel was originally purchased using 50% Highway Funds and 50% Federal Funds.

Funding is to be credited as follows:

04-096-096-960015-0000-UUU-402156	<u>FY 2026</u>
Administrative Fee	\$1,100
04-096-096-960015-0000-UUU-409279	<u>FY 2026</u>
Highway Funds	\$4,900
(50% of \$9,800)	
04-096-096-963515-3054-401771	<u>FY 2026</u>
Federal Funds	\$4,900
(50% of \$9,800)	

**EXPLANATION**

The Department received a request from the Buyer to acquire the 0.15 +/- acres of vacant land. The Buyer would like to acquire the land to assemble the land with his property, which directly abuts the subject land. This parcel was acquired in 1952, as part of a larger parcel, for the Mont Vernon, S-2215 Project, which realigned NH Route 13. The following are the parcel(s) that are part of the request from the Buyer:

- **Parcel 8** - Acquired by the State of New Hampshire from George B. Blood and George O. Carleton, by Warranty Deed, dated August 7, 1952, and recorded at the Hillsborough County Registry of Deeds on August 12, 1952, in Book 1329, Page 149. The State acquired 1.25 +/- acres of land for \$65. The property is not recognized by the Town of Mont Vernon as an independent lot of record, rather, it is a portion of the former Route 13 Right-of-Way discontinued by the Town of Mont Vernon.

The Department has deemed the sale of this parcel to be surplus to our operational needs and it is available for disposal. The sale will be subject to the following conditions:

- The Buyer is responsible for obtaining all local and state land use approvals precedent to closing.
- As a condition of this sale, the Buyer will be required to commission a Land Surveyor licensed in NH, to survey and prepare a Parameter Boundary Line plan depicting the limits of the right-of-way, meeting the NH Code of Administrative Rules 503.09, to be submitted to the Department for review and approval. Upon the Department's approval, the Grantee must record the plan under RSA 478:1-a, in the Hillsborough County Registry of Deeds, from which the Department will prepare the conveyance deed. The Grantee will supply a full-size copy of the recorded plan and a draft description of the surveyed parcel(s).

At the meeting of the Long-Range Capital Planning and Utilization Committee on February 24, 2025, the request (LRCP 25-009) was approved, authorizing the Department to proceed with the sale of the 0.15 +/- acres of State-owned land directly to the Buyer. The sale price is set at the contributory market value of \$9,800, and the Department will assess an additional administrative fee of \$1,100 (\$500 of which was previously received).

Pursuant to RSA 4:39-c, the Department formally solicited interest from the Town of Mont Vernon and received no response.

Pursuant to RSA 204-D:2, the Department formally solicited interest from the New Hampshire Housing Finance Authority and received a letter of no interest.

The Department is respectfully requesting authorization to proceed with the sale of this land, with the conditions noted above.

Respectfully,

William J. Cass, P.E.  
Commissioner

**NOTE:** Symbol, Summary or Property Layout sheets are not required for registry plan sets

Right-of-Way alignments are defined as the alignments used to acquire lands and easements and the setting of the Right-of-Way boundaries and related easements. **STATE OF NEW HAMPSHIRE  
INTER-DEPARTMENT COMMUNICATION**

**FROM:** Eric G. Sargent  
Administrator

**DATE:** February 7, 2025

**AT:** Dept. of Transportation  
Bureau of Right-of-Way

**SUBJECT:** Sale of State-Owned Land in Mont Vernon  
RSA 4:39-c

**TO:** The Honorable Chair,  
Long Range Capital Planning and Utilization Committee

**REQUESTED ACTION**

The New Hampshire Department of Transportation (Department), pursuant to RSA 4:39-c, requests authorization to sell 0.15 +/- acres of State-owned land, located on the northwesterly side of NH Route 13 (North Main Street) in the Town of Mont Vernon, County of Hillsborough. The property is not recognized by the Town of Mont Vernon as an independent lot of record, rather, it is a portion of the former Route 13 Right-of-Way discontinued by the Town of Mont Vernon. The sale will be direct to the abutter Frank Oudheusden (Buyer) for \$9,800, with an additional administrative fee assessment of \$1,100 (\$500 previously received). The final sale proceeds due at closing will be \$10,400. The sale will be subject to conditions as specified in this request.

**EXPLANATION**

The Buyer would like to acquire the surplus parcel to assemble the land with his abutting parcel, located at 3 Lamson Road (Tax Map 7, Lot 10), in the Town of Mont Vernon.

The property was acquired by the State of New Hampshire as part of a larger parcel by Warranty Deed dated August 7, 1952, from George B. Blood and George O. Carleton for \$65 (sixty-five dollars) and recorded at the Hillsborough County Registry of Deeds August 12, 1952, in Book 1329, Page 149. The larger parcel acquired encompassed approximately 1.25 +/- acres. NHDOT references the acquisition as the Mont Vernon, S-2215, project, parcel 8. The parcel being conveyed is a portion of the larger parcel acquired in 1952 for the Mont Vernon, S-2215 Project which realigned NH Route 13.

After a departmental review, it was determined that the parcel is surplus to the Department's operational needs and available for disposal. This parcel will be conveyed with the following conditions:

- The Buyer will be required to commission a Land Surveyor licensed in NH, to survey and prepare a Perimeter Boundary Line plan depicting the limits of the right-of-way, meeting the NH Code of Administrative Rules 503.09, to be submitted to the Department for review and approval. Upon the Department's approval, the Buyer must record the plan pursuant to RSA 478:1-a, in the Hillsborough County Registry of Deeds, from which the Department will prepare the conveyance deed. The Buyer will supply a full-size copy of the recorded plan and a draft description of the surveyed parcel.
- The Buyer shall be responsible for obtaining any and all local and State approvals, including but not limited to subdivision approval.

A Staff Appraiser from the Department evaluated the subject property and concluded the subject property does not have an independent highest and best use due to its size and shape. The Appraiser prepared a contributory value appraisal that adheres to the Right-of-Way Manual requirements and the Uniform Standards of Professional Appraisal Practice. The subject's property contributory market value as of September 11, 2024, was concluded to be \$9,800.

Pursuant to RSA 4:39-c, the Department will solicit interest from the Town of Mont Vernon.

Pursuant to RSA 204-D:2 the Department will also solicit interest from the New Hampshire Housing Finance Authority.

The Department respectfully requests authorization to sell the subject parcel as outlined within this request.
