EXPLANATION

Justification and Purpose for Request:

Due to the timing of the lease amendment negotiations in April, followed by the required approvals from the Department of Justice, the Department of Administrative Services, and Procurement, and the first available meeting of the Long Range Capital Planning and Utilization Committee not occurring until June 30, 2025, this request is being submitted **retroactively**. BEA seeks authorization to finalize the securing of a lease amendment for the same location, with the proposes of allowing for an updated arrangement between BEA and GOFERR, which have been co-located within BEA's offices at 100 North Main Street since 2020, under more favorable terms, with the existing property owner. The new lease would reduce the rate to \$21.90 per square foot, resulting in a cost savings of \$1.79 per square foot, or a combined savings of \$3,384.89 annually. GOFERR is 100% federally funded.

July 3, 2025
Page 6 of 6

GOFERR's current lease, which expired June 30, 2025, was \$23.69 per square foot. Moving that lease to this arrangement will reduce the lease cost to \$21.90 per square foot.

In addition to reduced cost, this change allows for the most efficient use of space for both BEA and GOFERR personnel. The space is fully furnished, has the required state DoIT infrastructure, secure key card access and sufficient parking. The GOFERR office meets the ADA standards as outlined by the NH Governor's Commission on Disabilities.

Cost Considerations:

- BEA to assume the current GOFERR lease to reduce the annual square foot cost to GOFERR by \$1.79 per square foot resulting in a combined agency savings of \$3,384.89 annually.
- GOFERR entered into a MOU with BEA for continued utilization of leased premises (approved at Governor and Council 6/25/2025 item #87) at a reduced rate of \$21.90 per square feet, (down from \$23.69 per square feet). Anticipated rent allocation to be paid by GOFERR at \$21.90 per square feet is \$42,510.24 annually.

Background and Funding Source:

The Governor's Office for Emergency Relief and Recovery (GOFERR) was established by Executive Order in April 2020. GOFERR's role is to manage federal COVID relief funds provided to the State under the CARES Act in 2020 and the American Rescue Plan in 2021. The GOFERR office is 100% funded with federal ARPA funding. CARES and ARPA monitoring and audit activities are expected to continue through at least 2028. These activities are critical to protecting state investments and project management to avoid any exposure to federal claw backs. GOFERR continues managing these programs and projects, conducting near-constant project monitoring and accounting, regularly reporting to US Treasury, preparing for and participating in regular federal and state audits, and providing technical assistance for virtually all agencies of State Government.

BEA Commissioner Taylor Caswell has served in his role at BEA as well as the Director of GOFERR since 2020. Since the establishment of GOFERR, their offices have co-located at BEA. For most of 2020, the GOFERR operation used an entire floor of the BEA office while most of State Government staff remained remote during the pandemic under the State of Emergency. Since that time, GOFERR has maintained a staff and space within the BEA office. This item formalizes the lease relationship between GOFERR and BEA for the space used.

This request represents the continuation of leasing available space currently used by BEA and GOFERR in a manner that is efficient and reduces overall cost.

The Attorney General's office has approved this contract as to form, substance and execution.

BEA has determined that the vendor is in good standing with the Secretary of State's Office, has secured the required levels of insurance, and has provided evidence of authority to execute and be bound by the contract. Documents supporting these assertions are available at the agency, for review upon request.

Respectfully Submitted,

Taylor Caswell

REQUESTED ACTION

Pursuant to RSA 4:39-b, the New Hampshire Department of Business and Economic Affairs (BEA) respectfully requests approval to enter into a 37 month lease amendment with Granite Center, LLC (VC306217) PO Box 1438, Concord, NH (formerly Maple Valley Manchester Partners, LLC dba Brady Sullivan Properties, 670 Commercial Street, Suite 303, Manchester, NH 03101) (the "Landlord") by increasing the square footage 1,891 square feet from 19,131 to 21,022 for continued occupation of building space located at One Eagle Square, Main Street, Suite 100, 200 and 301, Concord, NH 03301. The term for this lease amendment is July 1, 2025, to July 31, 2028. This amendment increases the total lease payments by \$127,689.78 from \$4,008,377.30 to \$4,136,067.07 for the cumulative 10-year lease period.

EXPLANATION

On June 20, 2018, Item 88, the Governor and Council approved a 10-year Lease Agreement for BEA with Maple Valley Manchester Partners, LLC dba Brady Sullivan Properties (now known as Granite Center LLC) for One Eagle Square, Main Street, Suite 100 and 200 for the period August 1, 2018, to July 31, 2028.

On April 12, 2023, Item 75, the Governor and Council approved a 3-year Lease Agreement for Governor's Office for Emergency Relief and Recovery's (GOFERR) with Granite Center LLC for One Eagle Square, Main Street, Suite 301 for the period May 1, 2023, to June 30, 2025.

GOFERR's current office lease expires on June 30, 2025 and GOFERR operations must continue. Under the current lease, GOFERR occupies space at an annual cost of \$44,797.80, or \$23.69 per square foot.

BEA is requesting authorization to secure a lease amendment for the same location, under more favorable terms, with the existing property owner. The new lease would reduce the rate to \$21.90 per square foot, resulting in a cost savings of \$1.79 per square foot, or \$3,384.89 annually. GOFERR is 100% federally funded.

Proposed Lease Terms and Space Allocation:

- Upon the expiration of the current GOFERR lease, BEA will assume the lease for the space at the reduced rate of \$21.90 per square foot.
- GOFERR will enter into a Memorandum of Understanding (MOU) with BEA to reimburse BEA for the square footage it occupies.
- This realignment of office space and costs provides increased operational and financial efficiency for both BEA and GOFERR.

Background and Funding:

- GOFERR was established by Executive Order in 2020 to manage federal COVID relief funds under the CARES Act and later the American Rescue Plan (ARPA).
- GOFERR operations remain fully federally funded through ARPA administrative funds. While ARPA obligations were fully obligated as of December 2024, program oversight, reporting, monitoring, auditing, and technical assistance responsibilities continue through 2026.
- Since its inception, GOFERR has been co-located with BEA. Initially occupying an entire floor, GOFERR later downsized as staff returned to on-site work.
- BEA Commissioner Taylor Caswell has served as the head of GOFERR since 2020.
- This new lease arrangement formalizes the long-standing co-location and allows GOFERR to continue operations at a more favorable rate through reimbursement to BEA for its space. Ensuring continued operational efficiencies and appropriate federal fund use.
- The office space is fully furnished, includes necessary state DoIT infrastructure, key card security access, sufficient parking, and meets ADA standards per the NH Governor's Commission on Disabilities.

Summary:

This request provides a cost-effective solution that maintains the co-location of BEA and GOFERR while optimizing space usage and realizing annual cost savings for both entities. The proposed lease ensures continuity of operations, financial efficiency, and compliance with both state and federal requirements.

Respectfully Submitted,

Taylor Caswell

Dear Commissioner,

The lease for the Governor's Office for Emergency Relief and Recovery (GOFERR) terminates on June 30, 2025. The leased premises (Suite 301) is comprised of 1891 square feet, at a cost of \$23.69 per square foot or \$44,798.00 annually. The Department of Business and Economic Affairs (BEA) is looking to assume the lease space as part of its existing 10-year lease with Granite Center LLC. As such, we are requesting a waiver from public notice requirement for leased space, pursuant to Chapter Adm 800 rules PART Adm 804.01 Waiver Procedure.

GOFERR personnel, is currently comprised of eight staff members, down from a high of 16 employees at its inception. During this time BEA has added new programs and personnel such as Broadband and Invest NH. Departmental space is at a premium.

BEA currently leases 19,131 square feet at \$21.90 per square foot for a total of \$418,968.90 per year at 100 No. Main Street, Suite 100, and Suite 302, Concord NH 03301. Our lease expires June 30, 2029. BEA seeks to assume Suite 301, 1891 square feet of contiguous space as part of its 10-year lease at the same rate of \$21.90 per square foot. A cost reduction of \$1.79 per square feet.

Assuming the GOFERR lease will allow BEA to:

- Relocate GOFERR personnel to a smaller space within BEA. An MOU to be drawn up to allow GOFERR to reimburse BEA for total square footage used.
- Relocate Administration & Operations, Finance-Business Office, Human Resources, and Visitor Services Teams to Suite 301 at a square foot rate that is less than GOFERR's current lease.
- Allow for relocation of work teams within the leased space to increase efficiency.

BEA believes this is the best course of action as it secures contiguous space within our leased premises located near the State House. It allows for the efficient use of space for both BEA and GOFERR personnel. The space is fully furnished, has the required state DoIT infrastructure, secure key card access and sufficient parking. Suite 301 meets the ADA standards as outlined by the NH Governor's Commission on Disabilities. Assuming the GOFERR lease upon its termination, and with our current landlord, is cost effective. The space is perfectly suited for the agency's needs.

The approval of this waiver from public notice will allow the department to move forward with assuming the current GOFERR lease at our current location without the additional costs and/or disruptions associated with finding new space. We respectfully request your approval of this waiver.

Sincerely,

EXPLANATION

In the current HB-2, OSI's Planning Division and its six staff members are being transferred to BEA. To accommodate these additional staff members, BEA will utilize space on the floor above their current office space. The landlord will include the additional footage to the current lease and maintain the same price per square foot.

The additional square footage will be approximately 1,234 square feet, and the renewal rate for the remainder of the original ten years (seven years and two months) is set at \$21.90 per square foot with no escalation, an

increase of \$27,024.54 annually. The rates include the Landlord's provision of heat, electricity, parking, real estate taxes, snow plowing and removal, and building and site maintenance. Additionally, the rates include all renovation and fit-up costs required by BEA to revamp the office space specific to the department's needs.

Since the original lease in June of 2018, the vendor has changed from Maple Valley Manchester Partners, LLC dba Brady Sullivan Properties, to Granite Street, LLC. The original lease start date was changed from August 1, 2018 to November 1, 2018, as the renovation and fit-up took longer than anticipated. This also changed the original lease total dollar amount from \$3,919,443.60 to \$3,821,457.51. These changes are noted in the amendment.

BEA expects that this location will serve the department well and will provide an effective, professional space that will allow the department to best meet the needs of the State of New Hampshire.

EXPLANATION

The Department of Business and Economic Affairs (BEA) wishes to enter into a ten-year term lease agreement. Approval of the proposed lease will authorize the BEA to relocate from its existing office space at 172 Pembroke Road, Concord, NH.

Prior to Fiscal Year 2018, the former Department of Resources and Economic Development (DRED) was comprised of four divisions: the Divisions of Parks and Recreation (P&R), Forests and Lands (F&L), Economic Development (DED) and Travel and Tourism Development (DTTD).

As of July 1, 2017, there are two separate distinct departments organized as follows: The Department of Natural and Cultural Resources, consisting of the P&R and F&L divisions and its existing commissioner's

office administrative support element while assimilating the former Department of Cultural Resources. BEA consists of the DED and DTTD divisions along with its commissioner's office administrative support element. The former department occupied approximately 30,000 square feet of office space at Pembroke Road. With the reorganization into two separate entities and because the current property cannot accommodate the department's need for more space, BEA will be vacating this location in order to establish the department at a separate location.

The reorganization generated a need to act in an expedited manner to establish office space that is in alignment with BEA's mission and objective and the department sought out and was approved for a waiver to the Request for Proposal (RFP) notice process pursuant to Administrative Rule 610.11 (c) (1) d. and e. in July of 2017. (Exhibit A).

BEA conducted a space search soliciting "letters of interest" for leased space through the publication of a RFP for commercial office real estate in the downtown Concord area within walking distance and proximity of the NH State House that would be able to accommodate the BEA staff (51+ employees) with room for growth. The search produced two proposals; one proposal for space at One Eagle Square, and one for space in the Capital Commons building at 11 South Main Street. Both properties were toured several times by staff assigned to the BEA Relocation Committee. The property at One Eagle Square was identified to be the lower cost option over the ten-year period. By agreeing to a ten year lease in lieu of a five year, the department was able to save the State \$7/square foot.

The square footage will be approximately 17,897 square feet. The renewal rate for Years One through Ten is set at \$21.90 per square foot with no escalation, \$391,944.60 annually. The rates include the Landlord's provision of heat, electricity, parking, real estate taxes, snow plowing and removal, and building and site maintenance. Additionally, the rates include all renovation and fit-up costs required by BEA to revamp the office space specific to the department's needs.
