Your Excellency and Members of the Council:

REQUESTED ACTION

Authorize the New Hampshire Department of Justice (DOJ) to amend an existing subgrant with Merrimack Police Department, Merrimack, NH (Vendor #177436-B004) for the Comprehensive, Opioid, Stimulant, Substance Abuse Site-based Program (COSSAP) from the U.S. Department of Justice, Office of Justice Programs, Bureau of Justice Assistance for the purpose of continuing to fund enhancements to the Prevention, Enforcement, and Treatment Program (PET), by increasing the price limitation for Merrimack Police Department by \$14,007.71 from \$335,537.34 to \$349,545.05 and by extending the completion date from September 30, 2025 to September 30, 2026, effective upon Governor and Executive Council approval. The original contract was approved by Governor and Council on July 27, 2022, item #123 and amended on May 29, 2024, item #005T. **100% Federal Funds.**

Funding is available in Fiscal Year 2026 as follows:

<u>Swift Sanctions Grant</u>	<u>FY 2026</u>
02-20-20-201510-58970000	
072-50074 Contracts, Grants Federal	\$14,007.71

EXPLANATION

The U.S. Department of Justice, Office of Justice Programs, Bureau of Justice Assistance, COSSAP funding is specifically designed to help lower recidivism rates of overdose victims and provide support to families of those struggling with substance use disorder (SUD) through enhancing and expanding the Prevention, Enforcement, and Treatment (PET) program. This program funds dedicated police officers to respond to overdose calls to provide resources. These officers can assist individuals suffering from SUD, and affected family members, by

connecting them with needed resources. The officers also focus on child family members to identify adverse childhood experiences (ACEs) with a goal of preventing children from becoming future users.

New Hampshire Police Departments suffered a shortage of staffing and turnover causing delays in implementing the PET Program with the communities. Due to these shortages, several of the Police Departments are de-obligating funds as they will be unable to spend the funds during the extension period. The de-obligated funds will be utilized by the Police Departments with staff in the PET Officer position through the extension period.

The Merrimack Police Department will use the time extension and additional funds to continue the dedicated PET police officer position and purchase supplies needed for the PET program.

In the event that federal funds are no longer available, general funds will not be requested to support this program.

NH DOJ has determined that the vendor has secured the required levels of insurance and has provided evidence of authority to execute and be bound by the contract. The documents supporting these assertions are available at NH DOJ, for review upon request.

Please let me know if you have any questions concerning this request. Your consideration is greatly appreciated.

Respectfully submitted,

John M. Formella
