DEPARTMENT OF JUSTICE**

CONCORD, NEW HAMPSHIRE 03301

JOHN M. FORMELLA
ATTORNEY GENERAL

JAMES T. BOFFETTI
DEPUTY ATTORNEY GENERAL

August 28, 2025

Her Excellency, Governor Kelly A. Ayotte
and the Honorable Council
State House
Concord, NH 03301

Your Excellency and Members of the Council:

REQUESTED ACTION

Authorize the Department of Justice to enter into a **retroactive sole source** contract with National Medical Services, Inc., Horsham, PA (Vendor #175183) in the amount of \$500,000 to provide toxicology testing services for the Department of Justice, Office of the Chief Medical Examiner (OCME), effective upon approval of the Governor and Executive Council for the period of July 1, 2025 through June 30, 2027. 20% Federal Funds 80% General Funds

Funding is available as follows:

02-20-20-202010-1033	<u>FY 2026</u>	<u>FY 2027</u>
<u>Office of Chief Medical Examiner</u>		
234-500783, Autopsy Expense	\$250,000	\$250,000

EXPLANATION

This request is **retroactive** to July 1, 2025 because the vendor had new contracting staff not familiar with the contracting process resulting in multiple delays in receiving required documents to accompany the P-37 contract. This is a **sole source** request because the State does not have the requisite laboratory capabilities to meet the OCME's need for comprehensive toxicology testing and litigation support services. National Medical Services (NMS) is known to be the premier forensic toxicology-testing laboratory in the country. It has consistently provided high quality service and expeditious turn-around of test results, which is critical for timely cause-of-death determinations in overdose deaths, homicides, suspicious deaths, and vehicular fatalities.

Her Excellency, Governor Kelly A. Ayotte
and the Honorable Council
August 28, 2025
Page 2 of 2

The Office of Chief Medical Examiner is located within the Department of Justice and is under the direction and control of the Attorney General pursuant to RSA 611-B. Because the State does not have the capabilities to perform comprehensive toxicology testing, a necessary component of many autopsies and death investigations, the OCME must contract for those services.

In the State's experience, NMS has consistently provided high quality service, expeditious turn-around, and credible and supportable opinions. The OCME and other state agencies have utilized NMS for toxicology testing on numerous occasions in the past and have found it to be an excellent provider. The State uses the services of NMS in the most important and complex criminal cases involving homicides, suspicious deaths, drug overdose deaths and vehicular fatalities. The integrity and accuracy of its forensic science work is essential to both criminal justice and the public health systems.

The Department of Justice has determined that the vendor is in good standing with the Secretary of State's Office, has secured the required levels of insurance, and has provided evidence of authority to execute and be bound by the contract.

Please let me know if you have any questions concerning this request. Your consideration is greatly appreciated.

Respectfully submitted,

John M. Formella
Attorney General

#5186656

Notice: This agreement and all of its attachments shall become public upon submission to Governor and Executive Council for approval. Any information that is private, confidential or proprietary must be clearly identified to the agency and agreed to in writing prior to signing the contract.
