REQUESTED ACTION

1) Authorize the New Hampshire Department of Energy (Department) to enter into a **SOLE SOURCE** contract with Tri-County Community Action Program, Inc. (TCCAP), Berlin, NH, Vendor #177195, in the amount of \$5,111,317 for the Fuel Assistance Program effective upon Governor and Executive Council approval through September 30, 2027. **100% Federal Funds.**

Funds to support this request are available in the account Fuel Assistance as follows:

02-52-52-520510-33540000-074-500587
Grants for Pub Assist & Relief

FY 2026

\$5,111,317

2) Further request authorization to advance Tri-County Community Action Program, Inc. (TCCAP), Berlin, NH, Vendor #177195 \$29,537 from the above-referenced contract amount.

EXPLANATION

This contract is **SOLE SOURCE** because the historical performance of the Community Action Agencies (CAA) in the New Hampshire LIHEAP, their outreach and client service capabilities, and the synergies that benefit the FAP as a result of the five statewide CAAs' implementation of several other federal assistance programs as well as the infrastructure that is already in place to deliver LIHEAP (also known as Fuel Assistance Program or FAP) services. The Department proposes to continue to subcontract with the five CAAs who have successfully provided FAP services at the local level for more than three decades. The CAAs work closely with the Department's FAP Administrator in the implementation of the program.

FAP is a statewide program, funded by a Federal Low Income Home Energy Assistance Program (LIHEAP) Block Grant, and works to make home energy more affordable for income-qualified New

Hampshire families, including those who are elderly or disabled. Program funds are targeted to low-income households with high energy burdens. The current maximum income level is 60% of the State Median Income (SMI), which is \$91,548 per year for a family of four. The average FAP benefit during the last program year was \$1,045. The program operates on an October 1st through September 30th program year.

The proposed advance of funds will enable the CAA to operate the program between monthly reimbursements from the State.

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

The Department has determined that the vendor is in good standing with the Secretary of State's Office, has secured the required levels of insurance, and has provided evidence of authority to execute and be bound by the contract. Documents supporting these assertions are available at the agency, for review upon request.

TCCAP is a non-profit organization, and the Department has confirmed the vendor is registered and in good standing with the Department of Justice's Charitable Division.

Respectfully submitted,

Jared S. Chicoine
Commissioner

Notice: This agreement and all of its attachments shall become public upon submission to Governor and Executive Council for approval. Any information that is private, confidential or proprietary must be clearly identified to the agency and agreed to in writing prior to signing the contract.

Instructions for Certification

- (1) By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.
- (2) The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the Department determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
- (3) The certification in this clause is a material representation of fact upon which reliance was placed when the Department determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, may terminate this transaction for cause or default.
- (4) The prospective primary participant shall provide immediate written notice to the Department to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- (5) The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76.

Each participant may, but is not required to, check the Non-procurement List (of excluded parties).
- (9) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- (10) Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, the Department may terminate this transaction for cause or default.
