Her Excellency, Governor Kelly A. Ayotte
and the Honorable Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Natural and Cultural Resources (DNCR), Division of Forests and Lands to enter into a **Sole Source** contract with Joe Brigham, Inc., d/b/a JBI Helicopter Services (VC#155648), Pembroke, NH in the amount of \$25,177 to provide helicopter services to refuel the propane tank at DNCR's Mt. Kearsarge communications site in Warner, NH, effective upon Governor and Council approval through December 31, 2025. 100% Agency Funds (Agency Income).

Funding is available in account, **Communication Sites Ops**, as follows:
03-035-035-351010-86820000-103-502664- Contracts for Op Services

FY 2026
\$25,777

EXPLANATION

This request is **Sole Source** because refueling missions to DNCR's remote Kearsarge Mountain communications site are highly specialized and Joe Brigham, Inc., d/b/a JBI Helicopter Services (JBI) is the only company in New Hampshire with the necessary equipment and expertise to complete this work.

DNCR manages and maintains a communications site at the summit of Kearsarge Mountain, which is a remote site without road access. DNCR is responsible for the facility's backup generator, which provides electricity in the event of a power outage for our radio communications equipment as well as our tenants who use this facility, including several governmental public safety entities.

Propane fuel is delivered to the summit by helicopter from an off-summit staging area on State property in multiple 120lb. cylinders and then transferred into a 1000 gallon propane tank at the summit communications facility. Refueling missions are required every 1½ to 2 years, depending on the number of power outages/generator use, and are a coordinated effort between JBI, DNCR, the Department of Safety, Division of Emergency Services and Communications, and the company providing the propane.

DNCR has determined that the vendor is in good standing with the Secretary of State's Office, has secured the required levels of insurance, and has provided evidence of authority to execute and be bound by the contract. Documents supporting these assertions are available at the agency, for review upon request.

The Attorney General's Office has reviewed and approved the contract as to form, substance, and execution.

Respectfully Submitted,

Patrick D. Hackly
Director

Concurred,

Sarah L. Stewart

In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13.
