September 22, 2025

Her Excellency, Governor Kelly A. Ayotte
and the Honorable Council
State House
Concord, NH 03301

Your Excellency and Members of the Council:

REQUESTED ACTION

Authorize the New Hampshire Department of Justice (DOJ) to enter into subgrants **retroactive** to July 1, 2025, with the programs listed below, in an amount not to exceed \$3,000,000, to support the enhancement of Child Advocacy Center (CAC) services effective upon Governor and Executive Council approval from July 1, 2025 to June 30, 2027. 100% General Funds.

Funding is available in account number 02-20-20-200010-2601, Department of Justice, Attorney General, Grants Non-Federal as follows:

Class Account	Subrecipient	Vendor #	SFY 2026 Amount	SFY 2027 Amount

Total per SFY			\$1,440,000	\$1,560,000
TOTAL			\$3,000,000	

EXPLANATION

This item is **retroactive** to July 1, 2025 because funding was not effective until July 1, 2025. Therefore, the contract process was not completed in time for Governor and Executive Council approval prior to July 1, 2025.

The purpose of a Child Advocacy Center (CAC) is to standardize the investigation of child abuse and neglect cases, minimize trauma to child victims by limiting the number of interviews the child must participate in, and coordinate services for those children. The CACs use a multi-disciplinary team approach to ensure a child's health and well-being is of primary importance during the investigation process.

The Department of Justice is requesting approval to award funding to the above-listed subrecipients for the support of continued services to children and implementation of evidence-based practices. Funds from these grants will be utilized by the subrecipients for personnel costs, benefits, and other operational expenses related to forensic interviews and victim services.

NH DOJ has determined the vendors are in good standing with the Secretary of State's Office, have secured the required levels of insurance and have provided evidence of authority to execute and be bound by the contract. Also, Mary Hitchcock Memorial Hospital, Granite State Children's Alliance, Child Advocacy Center of Coss County, Inc, and The Child Advocacy Center of Carroll County (CACCC) are non-profit organizations, and the NH DOJ has confirmed the vendors are registered and in good standing with the Department of Justice's Charitable Division. The documents supporting these assertions are available at NH DOJ, for review upon request.

Please let me know if you have any questions concerning this request. Your consideration is greatly appreciated.

Respectfully submitted,

John M. Formella
Attorney General

Substantiation can be, but is not limited to, one of the following forms: an official memorandum, official minutes of a county or municipal board meeting or any documentation, that is usual and customarily produced when making determinations about employment. The Subrecipient understands that supplanting violations may result in a range of penalties, including but not limited to suspension of future funds under this program, suspension or debarment from federal grants, recoupment of monies provided under this grant, and civil and/or criminal penalties.

NON-SUPLANTING CERTIFICATION

Supplanting defined

Federal funds must be used to supplement existing funds for program activities and must not replace those funds that have been appropriated for the same purpose. Supplanting shall be the subject of application review, as well as pre-award review, post-award monitoring, and audit. If there is a potential presence of supplanting, the Subrecipient or grantee will be required to supply documentation demonstrating that the reduction in non-Federal resources occurred for reasons other than the receipt or expected receipt of Federal funds. For certain programs, a written certification may be requested by the awarding agency or recipient agency stating that Federal funds will not be used to supplant State or local funds. See the OJP Financial Guide (Part II, Chapter 3)

<http://www.ojp.usdoj.gov/financialguide/part2/part2chap3.htm>.

Supplanting and job retention

A recipient or subrecipient may use federal funds to retain jobs that, without the use of the federal money, would be lost. If the grantee is planning on using federal funds to retain jobs, it must be able to substantiate that, without the funds, the jobs would be lost. Substantiation can be, but is not limited to, one of the following forms: an official memorandum, official minutes of a county or municipal board meeting or any documentation, that is usual and customarily produced when making determinations about employment. The documentation must describe the terminated positions and that the termination is because of lack of the availability of State or local funds.

The Subrecipient certifies that any funds awarded through this agreement shall not be used to Supplant any Federal funds that have been appropriated for the purposes and goals of this agreement.

The Subrecipient understands that supplanting violations may result in a range of penalties, including but not limited to suspension of future funds under this program, suspension or debarment from federal grants, recoupment of monies provided under this grant, and civil and/or criminal penalties.
