REQUESTED ACTION

2028	102-500731	Contracts for Program Services	\$20,587.50
Total			\$82,350.00

EXPLANATION

This request is **sole source** because NHCTA is the only entity that provides professional development exclusively to Career and Technical Education (CTE) teachers in the state of New Hampshire. NHCTA has contracted with NHED since 2020 to provide training for CTE teachers to ensure that students are being provided with quality instruction from experienced industry professionals that are seeking certification to teach in CTE programs.

To date, 93 CTE teachers have participated in this program with site-based learning plans (SBLP) for New Hampshire teacher certification. One challenge faced by CTE teachers is that they are often the only individual in their position within a district or region due to the specialized nature of their role (ex: welding

instructor, cosmetology instructor, etc.). CTE Clusters are cohorts of industry-specific educators that can coordinate with others from their field to create consistency in the instruction provided to students in these programs across the state while providing educators the opportunity to be current with industry standards.

Each program year, the Coordinator overseeing this work will complete a minimum of 45 hours of work for a stipend of \$3,375.00 to support all of the Cluster Leads statewide, and each Cluster Lead will complete a minimum of 45 hours of work for a stipend of \$2,100.00. Ongoing professional development work through these Clusters will continue to empower New Hampshire CTE teachers to gain licensure as certified educators and to improve their ability to provide high-quality, learner-focused career and technical education, a crucial component of New Hampshire's future economic development.

Funds for this program are provided under The Strengthening Career and Technical Education for the 21st Century Act (Perkins V).

NHED has determined that the vendor is in good standing with the Secretary of State's Office, has secured the required levels of insurance, and has provided evidence of authority to execute and be bound by the contract.

New Hampshire Career and Technical Administrators, Inc. (NHCTA) is a non-profit organization, and NHED has confirmed the vendor is registered and in good standing with the Department of Justice's Charitable Division. Documents supporting these assertions are available at the agency, for review upon request.

Respectfully submitted,

Caitlin Davis
Commissioner of Education
