State Fiscal Year	Class / Account	Class Title	Job Number	Total Amount

2027	101-500730	Medical Payments to Providers	94057300	\$30,000
2028	101-500730	Medical Payments to Providers	94057300	\$15,000
			Total	\$60,000

EXPLANATION

This request is **Sole Source** because, due to the cost and risk associated with transporting patients from New Hampshire Hospital (NHH), it is necessary to contract for these services with a provider who has clinical privileges to perform electroconvulsive therapy (ECT) at Concord Hospital. ECT must be provided in a setting with a psychiatrist and an anesthesiologist attending. No other provider within a 25-mile proximity of NHH and Concord Hospital has the psychiatrists with the necessary privileges to perform ECT procedures at Concord Hospital.

The purpose of this request is for the Contractor to provide ECT procedures to NHH patients at Concord Hospital when the treatment is ordered by NHH medical staff. ECT is a highly effective treatment for certain conditions that do not respond to other forms of psychiatric treatment. Conditions treated through electroconvulsive therapy include severe depression, psychosis, mania, and catatonia. For NHH patients presenting these conditions, ECT can be a life-saving treatment.

Approximately twenty-five (25) individuals will be served from January 1, 2026, through December 31, 2027.

ECT is an evidence-based practice that adheres to established professional practice guidelines. The American Psychiatric Association supports the efficacy and safety of ECT, and it is found to be highly beneficial and effective in severe cases of depression and psychosis where medication fails to bring results, and can be a life-saving treatment. For some patients at New Hampshire Hospital, it is an essential service. Because ECT requires administration of anesthesia, oxygen, intravenous cardiac agents, anesthetics, and muscle relaxants, the procedure must be conducted in a general hospital setting and cannot be conducted at New Hampshire Hospital.

The Department will monitor the effectiveness of the services required under this contract by monitoring each patient upon their return to New Hampshire Hospital after treatment.

As referenced in Exhibit A, Revisions to General Provisions of this contract, the parties have the option to extend contracted services for up to four (4) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Executive Council.

Should the Governor and Executive Council not authorize this request, the recovery time for some patients at New Hampshire Hospital may be considerably longer; duration of involuntary hospitalization may increase; and avoidable long-term morbidity and disability among some patients may increase.

The Department has determined that the Contractor is in good standing with the Secretary of State's Office, has secured the required levels of insurance, and has provided evidence of authority to execute and be bound by the contract. Documents supporting these assertions are available at the agency, for review upon request. The Contractor is a non-profit organization, and the Department has also confirmed the Contractor is registered and in good standing with the Department of Justice's Charitable Division.

Area served: Statewide.

Respectfully submitted,

 - i. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

accordance with 45 CFR Section 164.528.

- m. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within five (5) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.
- n. Within thirty (30) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-ups of such PHI in any form or platform.
- VI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, or if retention is governed by state or federal law, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible for as long as the Business Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

- a. Covered Entity shall post a current version of the Notice of the Privacy Practices on the Covered Entity's website:

<https://www.dhhs.nh.gov/oos/hipaa/publications.htm> in accordance with 45 CFR Section 164.520.
- b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this BAA, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.
- c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination of Agreement for Cause

- a. In addition to the General Provisions (P-37) of the Agreement, the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a material breach by Business Associate of the Business Associate Agreement. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity.

herein, shall refer to those laws and regulations as amended from time to time. A reference in the Agreement, as amended to include this Business Associate Agreement, to a Section in HIPAA or 42 Part 2, means the Section as in effect or as amended.

- b. Change in law - Covered Entity and Business Associate agree to take such action as is necessary from time to time for the Covered Entity and/or Business Associate to comply with the changes in the requirements of HIPAA, 42 CFR Part 2 other applicable federal and state law.

e. Segregation - If any term or condition of this BAA or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this BAA are declared severable.
f. Survival - Provisions in this BAA regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the BAA in section (3) g. and (3) n.l., and the defense and indemnification provisions of the General Provisions (P-37) of the Agreement, shall survive the termination of the BAA.
