Requested Action

Authorize the Community Development Finance Authority (CDFFA), under the Community Development Block Grant (CDBG) program, to award a grant to the County of Strafford, (vendor ID#177478) 259 County Farm Road, Dover, New Hampshire 03820, in the amount of \$25,000, on behalf of the Initiative for Housing Policy and Practice at Saint Anselm College, to support advancing locally driven solutions to housing challenges through targeted community-based conversations held throughout Strafford County, upon Governor and Council approval for the period effective through June 30, 2027. **100% federal funds.**

Explanation

The County of Strafford is requesting CDBG funds on behalf of the Initiative for Housing Policy and Practice at St. Anselm College located in Manchester, NH, in collaboration with the Strafford Regional Planning Commission (SRPC). This activity is designed to meet the requirements of the Federal Community Development Block Grant (CDBG) program while advancing locally driven solutions to housing challenges. One hundred percent of the expected beneficiaries will be households of low-to-moderate-income.

The project will support targeted, community-based conversations that inform updates to the Strafford Comprehensive Regional Plan. These discussions will prioritize input from those directly affected by housing shortages, particularly working families and renters, and will focus on practical, fiscally responsible strategies to improve housing access and affordability. The initiative will use data from the NH Zoning Atlas to provide objective, research-based context to support informed decision-making. An advisory committee composed of local leaders, housing professionals, and planning experts will guide the project.

This Agreement allocates a portion of the Community Development Block Grant (CDBG) funds provided to New Hampshire by the U. S. Department of Housing and Urban Development (HUD). CDFFA is administering this program as provided by RSA 162-L. The funds for this contract are from the Community Development Block Grant Fund, which is intended to help municipalities solve development problems.

CDFFA has determined that the vendor is in good standing with the Secretary of State's Office, has secured the required levels of insurance, and has provided evidence of authority to execute and be bound by the contract.

Sincerely,

Katherine Easterly Martey
Executive Director

Initial Here

14.2 Termination without Default. In the event of termination without default and upon receipt, acceptance and approval by CDFA of the Termination Report, as referenced in the General Provisions, Grantee shall receive payment for all Project Costs incurred in the performance of Grant Activities completed up to and including the date of termination and for which payment had not previously been made including, but not limited to, all reasonable expenses incurred in the preparation of the Termination Report; provided, however, that in the event that any payments have been made hereunder in excess of Project Costs incurred up to and including the date of termination of the Agreement, CDFA shall offset any payments to be made hereunder against such payments, and if applicable, Grantee shall refund to CDFA the amount of any excess funds it retains after such offset.

14.3 Termination for Default. In the event of termination for default or other violation of Program requirements, CDFA shall, upon receipt, acceptance and approval of the Termination Report submitted by Grantee, pay Grantee for Project Costs incurred up to and including the date of termination (subject to off-set against funds paid to Grantee hereunder and to the refund of any excess funds); provided, however, that in such event the amount of such payment shall be determined solely by CDFA; and provided, further, that in no event shall the making of any such payments relieve Grantee of any liability for damages sustained or incurred by CDFA as a result of Grantee's breach of its obligations hereunder, or relieve Grantee of responsibility to seek return of Grant Funds from any Subrecipient or Beneficiary where applicable.

14.4 Limitation on Grantee Liability for Subgranted Funds. Notwithstanding anything in this Agreement to the contrary and absent the presence of fraud or negligence on the part of Grantee in enforcing its rights and obligations under the terms of any Subrecipient agreement, the sole obligation of Grantee with respect to the return of Grant Funds, in the event of default on a grant condition or other termination of the Project or event requiring return of Grant Funds, shall be to make a good faith effort to return to the State of New Hampshire all grant funds paid to Subrecipient through Grantee. Grantee shall make good faith efforts to enforce the legal obligations entered into with the Subrecipient as provided herein, to call upon the collateral held by itself or others, and exercise due diligence in its efforts in bringing about the satisfaction of the grant obligations and, having done so, it shall not be required to look to any other funds or its tax base to recoup grant funds not recovered from the Subrecipient.

14.5 Assignment to CDFA and Payment of Expenses and Costs. Grantee hereby agrees that, in the event it fails to enforce the provisions of any Subrecipient Agreement or fails to cure an Event of Default resulting in termination of this Agreement or the Project, Grantee shall, upon demand by CDFA, assign and convey to CDFA all or any of its rights, title and interest, or delegate to CDFA all or any of its obligations under the Subrecipient Agreement and any Mortgage, Promissory Note, Security Agreement or other agreement as applicable. Such delegation or assignment shall be effective only in the event of a default by Subrecipient or Beneficiary in its or their obligations under the Subrecipient Agreement or other agreement. In the event that CDFA assumes any of the obligations of Grantee as provided herein, Grantee shall pay all costs and expenses incurred by CDFA in the enforcement of the Subrecipient Agreement, collection upon any loan, mortgage or other security, or in curing any Event of Default.

14.6 Where the Grant Agreement is terminated or the Project is otherwise terminated due to a default, inability to perform or reason other than project completion and Grant funds are to be returned by Grantee, the disposition of Grant Funds to be returned shall be determined solely by CDFA.

15. ADDITIONAL GRANT REQUIREMENTS.

15.1 Grantee shall prepare and adopt a written Code of Ethics governing the performance of its employees

This recognition shall include, but not be limited to, print/electronic media, publications, interviews, brochures, website, etc.

15.3.3 Project Signage. For construction/renovation projects – CDFA logo must be included in signage at the job worksite. CDFA logo may not be any smaller than 50% of the size of the largest logo displayed. This requirement can be waived if no other partner/entity requires worksite signage and creating signage solely for CDFA poses a hardship. Alternative – If none of these are applicable/feasible, an alternative display of the CDFA logo or public recognition may be used with permission from CDFA.

15.4 CDFA shall have the right to terminate all or part of its obligations under this Agreement in the event that any official, employee, architect, engineer, attorney or inspector of, or for Grantee, or any government official or representative becomes directly or indirectly interested financially in the acquisition of any materials or equipment, or in any construction of the Project, or in the furnishing of any service to, or in connection with the Project, or any benefit arising therefrom.

1.2 Delivery Costs (If Applicable): As used in this Agreement, the term "Delivery Costs" shall mean all reimbursable costs incurred by a Subrecipient, as set forth in Attachment I, "Sources and Uses" in connection with a regional revolving loan fund that are directly related to the preparation and execution of loan documents and to the monitoring and administration of the loan provisions, and which are allowable by the New Hampshire Community Development Block Grant program and HUD rules.

1.3 Payment of Project Costs: Subject to the terms and conditions of this agreement, CDFA agrees to pay Grantee all Project Costs, provided, however, that in no event shall the total of all payments made by CDFA pursuant to this Agreement exceed the Grant Amount as set out in Paragraph 1.8 of the General Provisions, and provided further that all Project Costs shall have been incurred prior to the Completion Date, except for reasonable approved Project Costs incurred within 90 days after the Completion Date and in connection with closeout requirements as required in CDFA's Community Development Block Grant Implementation Guide.

1.4 Review by CDFA; Disallowance of Costs: At any time during the performance of the Project Activities, and upon receipt of the Progress Reports, Closeout Report or Audited Financial Report, CDFA may review all Project Costs incurred by Grantee or any Subrecipient and all payments made to date. Upon such review, CDFA shall disallow any items of expense which are not determined to be allowable or are determined to be in excess of actual expenditures, and shall, by written notice specifying the disallowed expenditures, inform Grantee of any such disallowance. 2.3 Disbursement of funds by CDFA does not constitute acceptance of any item as an eligible Project Cost until all Project Costs have been audited and determined to be allowable costs.

3. REQUIRED DOCUMENTATION FOR DISBURSEMENT OF GRANT FUNDS.

3.1 Reimbursement requests for all Project Costs, including Administrative Project Costs, Delivery Costs and Subrecipient costs, shall be accompanied by proper supporting documentation in the amount of each requested disbursement along with a payment request form as supplied by CDFA, which shall be completed and signed by Grantee.
