EXPLANATION

The purpose of this request is to reduce the contract price limitation, pursuant to New Hampshire Chapter Law 140:12 (2025), Department of Health and Human Services, Budget Reduction.

The Contractor will restructure how the cold weather program operates by centralizing access to the cold weather program through their existing emergency shelter program, allowing one shelter manager to oversee both programs. When beds at the year round shelters are full, or the weather creates situations where it is unsafe to travel to the year round shelter, the Contractor will utilize the cold weather funds to find alternative solutions for individuals seeking shelter services. The Contractor will continue to provide cold weather solutions for individuals and families experiencing homelessness by offering a variety of solutions that are reflective of the needs of the county to include shelters, hotel stays, warming centers, coordination of referrals to related services and transportation to shelter solutions. Additionally, the Contractor will continue engagement with municipalities and related service providers within their county to assist with the mitigation of negative outcomes of homelessness during the upcoming winter seasons.

This Contractor serves approximately 24 individuals across two (2) counties annually. The Contractor historically has not spent the full amount of funding under this contract, therefore a reduction in the number of individuals served is not expected.

The Department will continue to monitor services by engaging in monthly meetings with and reviewing the monthly reports provided by the Contractor.

Should the Governor and Executive Council not authorize this request, the Department may not be in compliance with New Hampshire Chapter Law 140:12 (2025), Department of Health and Human Services, Budget Reduction.

The Department has determined that the Contractor is in good standing with the Secretary of State's Office, has secured the required levels of insurance, and has provided evidence of authority to execute and be bound by the contract. The Department has confirmed that the non-profit Contractor in the table above is registered and in good standing with the Department of Justice's Charitable Division.

Respectfully submitted,

For:

Commissioner

INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Tri-County Community Action Program, Inc. and Affiliate

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Tri-County Community Action Program, Inc. and Affiliate (New Hampshire nonprofit organizations), which comprise the consolidated statements of financial position as of June 30, 2024 and 2023, the related consolidated statements of functional expenses, and cash flows for the years then ended, the related statement of activities for the year ended June 30, 2024, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of Tri-County Community Action Program, Inc. and Affiliate as of June 30, 2024, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Tri-County Community Action Program, Inc. and Affiliate and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Tri-County Community Action Program, Inc. and Affiliate's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Tri-County Community Action Program, Inc. and Affiliate's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Tri-County Community Action Program, Inc. and Affiliate's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 13, 2024, on our consideration of Tri-County Community Action Program, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Tri-County Community Action Program, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Tri-County Community Action Program, Inc.'s internal control over financial reporting and compliance.

Report on Summarized Comparative Information

We have previously audited Tri-County Community Action Program, Inc. and Affiliates' 2023 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated November 13, 2023. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2023, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Housing Services

Cornerstone Housing North, Inc. (Cornerstone) is subject to a Project Rental Assistance Contract (PRAC) with the United States Department of Housing and Urban Development (HUD), and a significant portion of their rental income is received from HUD.

Cornerstone includes a 12-unit apartment complex in Berlin, New Hampshire for the elderly. This operates under Section 202 of the National Housing Act and is regulated by HUD with respect to the rental charges and operating methods.

Cornerstone has a Section 202 Capital Advance. Under guidelines established by the U.S. Office of Management and Budget *Uniform Guidance, Title 2 U.S. Code of Federal Regulations (CFR) part 200, Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards*, the Section 202 Capital Advance is considered to be a major program. A separate audit is performed as it relates to Cornerstone's compliance with its major federal program in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States and the audit requirements of *Title 2 of U.S. Code of Federal Regulations part 200, Uniform Administrative Requirements, Cost Principles and Audit Requirements of Federal Awards (Uniform Guidance)*. An unmodified opinion was issued.

Method of accounting

The consolidated financial statements of Tri-County Community Action Program, Inc. and affiliate have been prepared utilizing the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America, as promulgated by the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC). Under this basis, revenue, other than contributions, and expenses are reported when incurred without regard to the date of receipt or payment of cash.

Basis of presentation

The financial statements of the Organization have been prepared in accordance with U.S. generally accepted accounting principles (US GAAP), which require the Organization to report information regarding its financial position and activities according to the following net asset classifications:

TRI-COUNTY COMMUNITY ACTION PROGRAM, INC. AND AFFILIATE

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEARS ENDED JUNE 30, 2024 AND 2023

Net assets without donor restrictions include net assets that are not subject to any donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and board of directors.

Net assets with donor restrictions include net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

The Organization has net assets with donor restrictions of \$345,377 and \$290,795 at June 30, 2024 and 2023, respectively. See **Note 12**.

Contributions

Contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. Support that is restricted is reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the contribution is recognized. All other donor restricted contributions are reported as net assets with donor restrictions, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Accounts Receivable

Accounts receivable are stated at the amount management expects to collect from balances outstanding at year-end. Most of the receivables are amounts due from federal and state awarding agencies and are based on reimbursement for expenditures made under specific grants or contracts. Past due receivables are written off at management's discretion using the direct write off method; this is not considered a departure from accounting principles generally accepted in the United States because the effects of the direct write off method approximate those of the allowance method. Management selects accounts to be written off after analyzing past payment history, the age of the accounts receivable, and collection rates for receivables with similar characteristics, such as length of time outstanding. This is the basis to determine expected credit losses for receivables. The Organization believes that the composition of receivables at year-end is consistent with historical conditions. The Organization does not charge interest on outstanding accounts receivable.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2024 AND 2023**

Property and Depreciation

Acquisitions of buildings, equipment, and improvements in excess of \$5,000 and all expenditures for repairs, maintenance, and betterments that materially prolong the useful lives of assets are capitalized. Buildings, equipment, and improvements are stated at cost less accumulated depreciation. Depreciation is provided using the straight-line method over the estimated useful lives of the related assets.

Depreciation expense related to assets used solely by an individual program is charged directly to the related program. Depreciation expense for assets used by more than one program is charged to the program based upon a square footage or other similar allocation.

Depreciation expense related to administrative assets is included in the indirect cost pool and charged to the programs in accordance with the indirect cost plan. Maintenance and repairs that do not materially prolong the useful lives of assets are charged to expense as incurred.

Estimated useful lives are as follows:

Buildings and improvements	20 to 40 years
Vehicles	5 to 8.5 years
Furniture and equipment	5 to 15 years

Client Rents and HUD Rent Subsidy

Cornerstone Housing North, Inc.'s rents are approved on an annual basis by the Department of Housing and Urban Development. Rental increases are prohibited without such approval. The clients are charged rent equal to 30% of their income less adjustments allowed by the Department of Housing and Urban Development. Rent subsidies are received from the Department of Housing and Urban Development for the difference between the allowed rents and the amounts received from the clients.

Refundable Advances

Grants received in advance are recorded as refundable advances and recognized as revenue in the period in which the related services or expenditures are performed or incurred. Funds received in advance of grantor conditions being met aggregated \$85,188 and \$403,239 as of June 30, 2024 and 2023, respectively.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEARS ENDED JUNE 30, 2024 AND 2023

Nonprofit tax status

The Organization is a not-for-profit, Section 501(c)(3) organization in accordance with the Internal Revenue Code. It has been classified as an organization that is not a private foundation under the Internal Revenue Code and qualifies for a charitable contribution deduction for donors. The Organization files information returns in the United States. The Organization's Federal Form 990 (Return of Organization Exempt from Income Tax), is subject to examination by the IRS, generally for three years after it is filed.

The Organization follows FASB ASC 740, *Accounting for Income Taxes*, which clarifies the accounting for uncertainty in income taxes and prescribes a recognition threshold and measurement attribute for financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return. Management does not believe they have taken uncertain tax positions, therefore, a liability for income taxes associated with uncertain tax positions has not been recognized.

Cornerstone Housing North, Inc. is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. The Internal Revenue Service has determined the Organization to be other than a private foundation within the meaning of Section 509(a).

Retirement plan

The Organization maintains a tax-sheltered annuity plan under the provisions of Section 403(b) of the Internal Revenue Code. All employees are eligible to contribute to the plan beginning on the date they are employed. Each employee may elect salary reduction agreement contributions in accordance with limits allowed in the Internal Revenue Code. Employer contributions are at the Organization's annual discretion. In January 2013, employer contribution payments ceased, therefore as of June 30, 2024 and 2023, there were no discretionary contributions recorded. Further information can be obtained from the Organization's 403(b) audited financial statements.

Donated services and goods

Contributions of donated services that create or enhance non-financial assets or that require specialized skills and would typically need to be purchased if not provided by donation are recorded at their fair values in the period received.

Contributed noncash assets are recorded at fair value at the date of donation. If donors stipulate how long the assets must be used, the contributions are recorded as net assets with donor restrictions. In the absence of such stipulations, contributions of noncash assets are recorded as net assets without donor restrictions.

TRI-COUNTY COMMUNITY ACTION PROGRAM, INC. AND AFFILIATE

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEARS ENDED JUNE 30, 2024 AND 2023

Donated property and equipment

Donations of property and equipment are recorded as support at their estimated fair value at the date of donation. Such donations are reported as net assets without donor restrictions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as net assets with donor restrictions. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies net assets with donor restrictions to net assets without donor restrictions at that time.

Promises to Give

Conditional promises to give are not recognized in the financial statements until the conditions are substantially met. Unconditional promises to give that are expected to be collected within one year are recorded at the net realizable value. Unconditional promises to give that are expected to be collected in more than one year are recorded at fair value, which is measured as the present value of their future cash flows. The discounts on those amounts are computed using risk-adjusted interest rates applicable to the years in which the promises are received. Amortization of the discounts is included in contribution revenue. In the absence of donor stipulations to the contrary, promises with payments due in future periods are restricted to use after the due date. Promises that remain uncollected more than one year after their due dates are written off unless the donors indicate that payment is merely postponed. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions. There were no unconditional promises to give that are expected to be collected in more than one year at June 30, 2024 and 2023.

As of June 30, 2024 and 2023, there were promises to give that were absent of donor stipulations, but restricted in regards to timing, and therefore classified as net assets with donor restrictions in the amount of \$284,892 and \$192,212, respectively. This amount is included in contributions in the Consolidated Statement of Activities.

Use of estimates

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2024 AND 2023**

Fair Value of Financial Instruments

Accounting Standards Codification No. 825 (ASC 825), *Disclosures of Fair Value of Financial Instruments*, requires the Organization to disclose fair values of its financial instruments. The carrying amount of the Organization's financial instruments which consists of cash, accounts receivable, deposits and accounts payable, approximate fair value because of the short-term maturity of those instruments.

Functional allocation of expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the program services and supporting activities benefited.

Program salaries and related expenses are allocated to the various programs and supporting services based on actual or estimated time employees spend on each function as reported on a timesheet.

Workers Compensation expenses are charged to each program based upon the classification of each employee and allocated to the various program based upon the time employees spend on each function as noted above.

Paid Leave is charged to a leave pool and is allocated to each program as a percentage of total salaries.

Fringe Benefits are charged to a Fringe Benefit Pool. These expenses include employer payroll taxes, pension expenses, health and dental insurance and unemployment compensation. The pool is allocated to each program based upon a percentage of salaries.

Depreciation expense is allocated to each program based upon specific assets used by the program and is reported as depreciation expense on the statements of functional expenses.

Other occupancy expenses are applicable to assets which are used by multiple programs. Buildings are primarily charged to the benefiting program based upon an analysis of square footage. Costs related to a building include depreciation, insurance, utilities, building maintenance, etc. These costs are reported as space costs on the statements of functional expenses.

Insurance: automobile insurance is allocated to programs based on vehicle usage; building liability insurance is allocated to programs based on square footage of the buildings; and insurance for furniture and equipment is allocated to programs using the book basis of the insured assets.

The remaining shared expenses are charged to an Indirect Cost Pool and are allocated to each program based upon a percentage of program expenses. The expenses include items such as administrative salaries, general liability insurance, administrative travel, professional fees, and other expenses which cannot be specifically identified and charged to a program.

The Organization submits an indirect cost rate proposal for the paid leave, fringe benefits and other indirect costs to the U.S. Department of Health and Human Services.

Advertising policy

The Organization uses advertising to inform the community about the programs it offers and the availability of services. Advertising is expensed as incurred. The total cost of advertising for the years ended June 30, 2024 and 2023 was \$16,164 and \$20,143, respectively.

Debt Issuance Costs

During the year ended June 30, 2019, the Organization retrospectively adopted the provisions of the FASB Accounting Standards Update (ASU) No. 2015-03, "Simplifying the Presentation of Debt Issuance Costs." The ASU is limited to simplifying the presentation of debt issuance costs, and the recognition and measurement guidance for debt issuance costs is not affected by the ASU. Amortization expense of \$887 has been included with interest expense in the consolidated statements of functional expenses for both 2024 and 2023.

Revenue Recognition Policy

The Organization derives revenue primarily from grants, contracts, and contributions. Grants are recognized as revenue upon receipt. Revenue from contracts is recognized when the service has been performed. Contributions are recognized as revenue when the donor makes a pledge to give that is, in substance, an unconditional promise. Contributions are recorded as with donor restrictions or without donor restrictions.

Cornerstone derives revenues from the rental of apartment units. Revenues are recognized as income, monthly, when rents become due and control of the apartment unit is transferred to the lessees. The individual leases are for a term of one year and are cancelable by the tenants. Control of the leased units is transferred to the lessee in an amount that reflects the consideration Cornerstone expects to be entitled to in exchange for the leased units. The cost incurred to obtain a lease will be expensed as incurred.

New Accounting Pronouncement

At July 1, 2023, the Organization adopted FASB ASU 2016-13, *Financial Instruments—Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*, as amended, which modifies the measurement of expected credit losses on certain financial instruments. The Organization adopted this new guidance utilizing the modified retrospective transition method. The adoption of this Standard did not have a material impact on the Organization's financial statements but did change how the allowance for credit losses is determined.

NOTE 8. DEMAND NOTE PAYABLE

Borrowings under the line bear interest for the years ended June 30, 2024 and 2023 at 9.50% and 9.25% per annum, respectively. There was no balance outstanding at June 30, 2024 and 2023. The line is subject to renewal each February.

NOTE 9. OPERATING LEASES

The right of use (ROU) asset represents the Organization's right to use underlying assets for the lease term, and the lease liabilities represent the Organization's obligation to make lease payments arising from these leases. The ROU assets and lease liabilities, all of which arise from operating leases, were calculated based on the present value of future lease payments over the lease terms. The Organization has elected to discount future cash flows at the risk-free borrowing rates commensurate with the lease terms, which was 3.01%, at the time of implementing ASU 2016-02, *Leases (Topic 842)*. Common expenses, classified as space costs in the accompanying financial statements, are considered a non-lease component under FASB ASC 842 and are recognized as costs are incurred. The Organization's operating leases are described below.

The Organization has entered into numerous lease commitments for space and office equipment. Leases under non-cancelable lease agreements have various starting dates, lengths, and terms of payment and renewal. Additionally, the Organization has several facilities which are leased on a month-to-month basis. For the years ended June 30, 2024 and 2023, the annual rent expense for leased facilities and office equipment totaled \$189,337 and \$192,365, respectively.

The weighted average remaining lease term at June 30, 2024 is 1.64 years and the weighted average discount rate at June 30, 2024 is 3.09%.

NOTE 11. CONCENTRATION OF RISK

The Organization receives a majority of its support from federal and state governments. For the years ended June 30, 2024 and 2023, approximately \$16,920,800 (77%) and \$39,361,300 (89%), respectively, of the Organization's total revenue was received from federal and state governments. If a significant reduction in the level of support were to occur, it would have a significant impact on the Organization's programs and activities.

Cornerstone receives a large majority of its support from the U.S. Department of Housing and Urban Development. For the years ended June 30, 2024 and 2023, approximately 60% and 61%, respectively, of Cornerstone's total revenue was derived from the U.S. Department of Housing and Urban Development. In the absence of additional revenue sources, the future existence of Cornerstone Housing North, Inc. is dependent upon the funding policies of the U.S. Department of Housing and Urban Development.

The majority of Cornerstone's assets are apartment projects, for which operations are concentrated in the elderly person's real estate market. In addition, Cornerstone operates in a regulated environment. The operation of Cornerstone is subject to administrative directives, rules and regulations of federal, state and local regulatory agencies, including, but not limited to, HUD. Such administrative directives, rules and regulations are subject to change by an act of Congress or an administrative change mandated by HUD. Such changes may occur with little notice or inadequate funding to pay for the related cost, including the administrative burden, to comply with the change.

NOTE 12. NET ASSETS WITH DONOR RESTRICTIONS

NOTE 13. COMMITMENTS AND CONTINGENCIES

Grant Compliance

The Organization receives funds under several federal and state grants. Under the terms of the grants the Organization is required to comply with various stipulations including use and time restrictions. If the Organization was found to be noncompliant with the provisions of the grant agreements, the Organization could be liable to the grantor or face discontinuation of funding.

Environmental Contingencies

On March 30, 2009, the Organization's Board of Directors agreed to secure ownership of a 1.2-acre site located in Berlin, New Hampshire. There are 2 buildings on this site designated as the East Wing and West Wing Buildings which were formerly used as a research and development facility for the Berlin Mills Company.

The exterior soil and interior parts of the East Wing Building contained contaminants which required environmental remediation. In a letter dated May 2, 2012, the State of New Hampshire Department of Environment Services (the Department) noted that the remedial actions for the exterior soils and parts of the East Wing Building had been completed to the Department's satisfaction.

In addition, the Department noted that the contaminants related to the West Wing Building did not pose an exposure hazard to site occupants, area residents, and the environment, provided the West Wing Building is maintained to prevent further structural deterioration. If further deterioration occurs and contaminants are released into the environment, the Organization could be required to take additional action including containment and remediation.

NOTE 14. REPLACEMENT RESERVE AND RESIDUAL RECEIPTS ACCOUNTS

Under Cornerstone's regulatory agreement with HUD, the Organization is required to set aside amounts into a replacement reserve for the replacement of property and other project expenditures approved by HUD. HUD-restricted deposits of \$264,483 and \$207,956 were held in a segregated account at June 30, 2024 and 2023, respectively.

During the year ended June 30, 2023, HUD approved a loan from the replacement reserve account to the operating account to cover operating expenses due to the delay in HAP vouchers being processed by HUD. During the year ended June 30, 2024, the \$26,649 loan was paid back to the replacement reserve account. HUD restricted deposits generally are not available for operating purposes.

TRI-COUNTY COMMUNITY ACTION PROGRAM, INC. AND AFFILIATE

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2024 AND 2023

Cornerstone's use of the residual receipts account is contingent upon HUD's prior written approval. Residual receipts of \$6,455 and \$6,454 were held in a segregated account for the years ended June 30, 2024 and 2023, respectively.

Under the regulatory agreement, Cornerstone is required to set aside amounts for the return of resident paid deposits. At June 30, 2024 and 2023 \$3,610 and \$4,391, respectively, were held in a segregated account and generally are not available for operating purposes.

HUD has initiated policies to recapture funds built up in residual receipts accounts upon renewal of Cornerstone's project rental assistance contract. The policies direct that the amounts in excess of certain limits in the residual receipts account be (a) used to offset rent subsidies due from HUD under HAP contracts, or (b) remitted directly to HUD. The policies generally require project owners to limit the monies accumulated in the residual receipts account to \$250 per unit.

NOTE 15. SUBSEQUENT EVENTS

The Organization has evaluated events through November 13, 2024, which is the date that the financial statements were available to be issued.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED
ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors of
Tri-County Community Action Program, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Tri-County Community Action Program, Inc. (a New Hampshire nonprofit organization), which comprise the statements of financial position as of June 30, 2024 and 2023, and the related statements of functional expenses, and cash flows for the years then ended, the related notes to the financial statements, and the related statement of activities for the year ended June 30, 2024 and have issued our report thereon dated November 13, 2024.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Tri-County Community Action Program, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Tri-County Community Action Program, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Tri-County Community Action Program, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Tri-County Community Action Program, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH
MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE
REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Directors of
Tri-County Community Action Program, Inc.

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Tri-County Community Action Program, Inc.'s compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of Tri-County Community Action Program, Inc.'s major federal programs for the year ended June 30, 2024. Tri-County Community Action Program, Inc.'s major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, Tri-County Community Action Program, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2024.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Tri-County Community Action Program, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Tri-County Community Action Program, Inc.'s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Tri-County Community Action Program, Inc.'s federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Tri-County Community Action Program, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Tri-County Community Action Program, Inc.'s compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Tri-County Community Action Program, Inc.'s compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Tri-County Community Action Program, Inc.'s internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Tri-County Community Action Program, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
