THE STATE OF NEW HAMPSHIRE
DEPARTMENT OF TRANSPORTATION

13

JAN 07 2026

William Cass, P.E.
Commissioner

David Rodrigue, P.E.
Assistant Commissioner

Michelle L. Winters
Deputy Commissioner

Her Excellency, Governor Kelly A. Ayotte
and the Honorable Council
State House
Concord, New Hampshire 03301

Bureau of Construction
November 10, 2025

REQUESTED ACTION

1. Authorize the Department of Transportation to enter into a contract with New England Infrastructure, Inc. (Vendor 216187) of Hudson, MA, on the basis of a low bid of \$2,880,455 for preservation efforts on a 3-span bridge carrying NH 132 over I-393, US 4 and US 202 in Concord (Project: Concord #44556), from the date of Governor and Council approval through November 13, 2026, unless amended by the Department in accordance with the Standard Specifications. 100% Federal Funds.

Funds are available in the following account for Fiscal Years 2026 and 2027, with the authority to adjust encumbrances between fiscal years within the price limitation through the Budget Office, if needed and justified:

Funding is available as follows:	<u>FY 2026</u>	<u>FY 2027</u>
04-96-96-963515-3054		
Consolidated Federal Aid		
400-500870 Highway Contract Payments	\$1,883,374.46	\$997,080.54

2. Further authorize that a contingency in the amount of \$144,022.75 be approved for payment of latent conditions, which may arise during the construction of the project. The contingency requested is 5% of the contract amount.

Funding is available as follows:	<u>FY 2027</u>
04-96-96-963515-3054	
Consolidated Federal Aid	
400-500870 Highway Contract Payments	\$144,022.75

EXPLANATION

This project is part of the 2022 Bridge Tier 3 & 4 Bridge Maintenance & Preservation Priority List, which includes the preservation of Bridge No. 156/138 that carries NH 132 (East Side Dr.) over I-393, US 202 and US 4. This project also includes non-participating waterline improvements at each end of the bridge through an agreement with the City of Concord.

The purpose of this project is to preserve the useful service life of the bridge. Bridge preservation work is needed to maintain the bridge's service life and delay condition regression. The current condition ratings are: 6 for the bridge deck; 7 for the superstructure; and 5 for the substructure. The scope of work includes replacement of bearings at each abutment, bridge deck repairs (partial and full depth), expansion joint replacement at both abutments, bridge deck waterproofing membrane replacement, repaving of the bridge deck, and abutment concrete repairs. Additionally, the bridge supports a municipal waterline. The City of Concord will be completing repairs to the

ends of the line where it passes through the abutment backwall. Waterline work will be completed by the bridge contractor and paid for by the City.

The proposed contingency amount is 5% of the contract amount. This is to account for risks from unanticipated structural deficiencies needing repair, traffic control issues, and weather-related delays.

Although the bid costs exceed the Department's estimate by 34.17%, the lowest of three bids received is felt to be reasonable for the work involved. Most significant bid items that contribute to the increase are Item 502. Removal of Existing Bridge Structure \$170,000, Item 563.891 Reset Protective Screening \$104,400, Item 692. Mobilization \$100,000, Item 619.1 Maintenance of Traffic \$75,000 Item 561.1001 Expansion Joints \$99,000, and Item 520.01 Concrete Class AA \$84,000. Readvertising this project would result, in our opinion, in higher prices and prevent the completion of the work in a timely manner. The Department considers it to be in the best interest of the State to accept this bid to accomplish these needed repairs.

The Contractor has been prequalified by this Department. The Contract has been approved by the Attorney General as to form and execution, and the Department has certified that the necessary funds are available, and the bid reasonably conforms to the engineer's estimate in accordance with State procedure. Copies of the fully executed contract are on file at the Secretary of State's Office and the Department of Administrative Service's Office, and subsequent to Governor and Council approval, will be on file at the Department of Transportation.

Project funding is 80% Federal funds (Tier 3 & 4 Bridge Maintenance & Preservation (Bridg-T3-4-Main-Pres), with anticipated utilization of Turnpike Toll Credits for the State's 20% match, (Approximately 10% Non-Par (City of Concord)) effectively using 100% Federal Funds.

A copy of the Tabulation of Bids received for this project is attached along with the Contract Supplemental Sheet and a map indicating the location of the project.

Your approval of this resolution is respectfully requested. The Department of Transportation has determined that the vendor is in good standing with the Secretary of State's Office, has secured the required levels of insurance, and has provided evidence of authority to execute and be bound by the contract.

Sincerely,

William J. Cass, P.E.
Commissioner

WJC/pcj

SUPPLEMENTAL PROJECT INFORMATION SHEET

DESCRIPTION: This project includes the preservation of Bridge No. 156/138 that carries NH 132 (East Side Dr.) over I-393, US 202, and US 4. This project also includes non-participating waterline improvements at each end of the bridge through an agreement with the City of Concord.

FEDERAL FUNDING: 80% (Tier 3 & 4 Bridge Maintenance & Preservation (Bridg-T3-4-Main-Pres)) with anticipated utilization of Turnpike Toll Credits for the State's 20% match.

CONTINGENCY: The proposed contingency is 5% of the contract amount to account for risks from unanticipated structural deficiencies needing repair, traffic control issues, and weather-related delays.

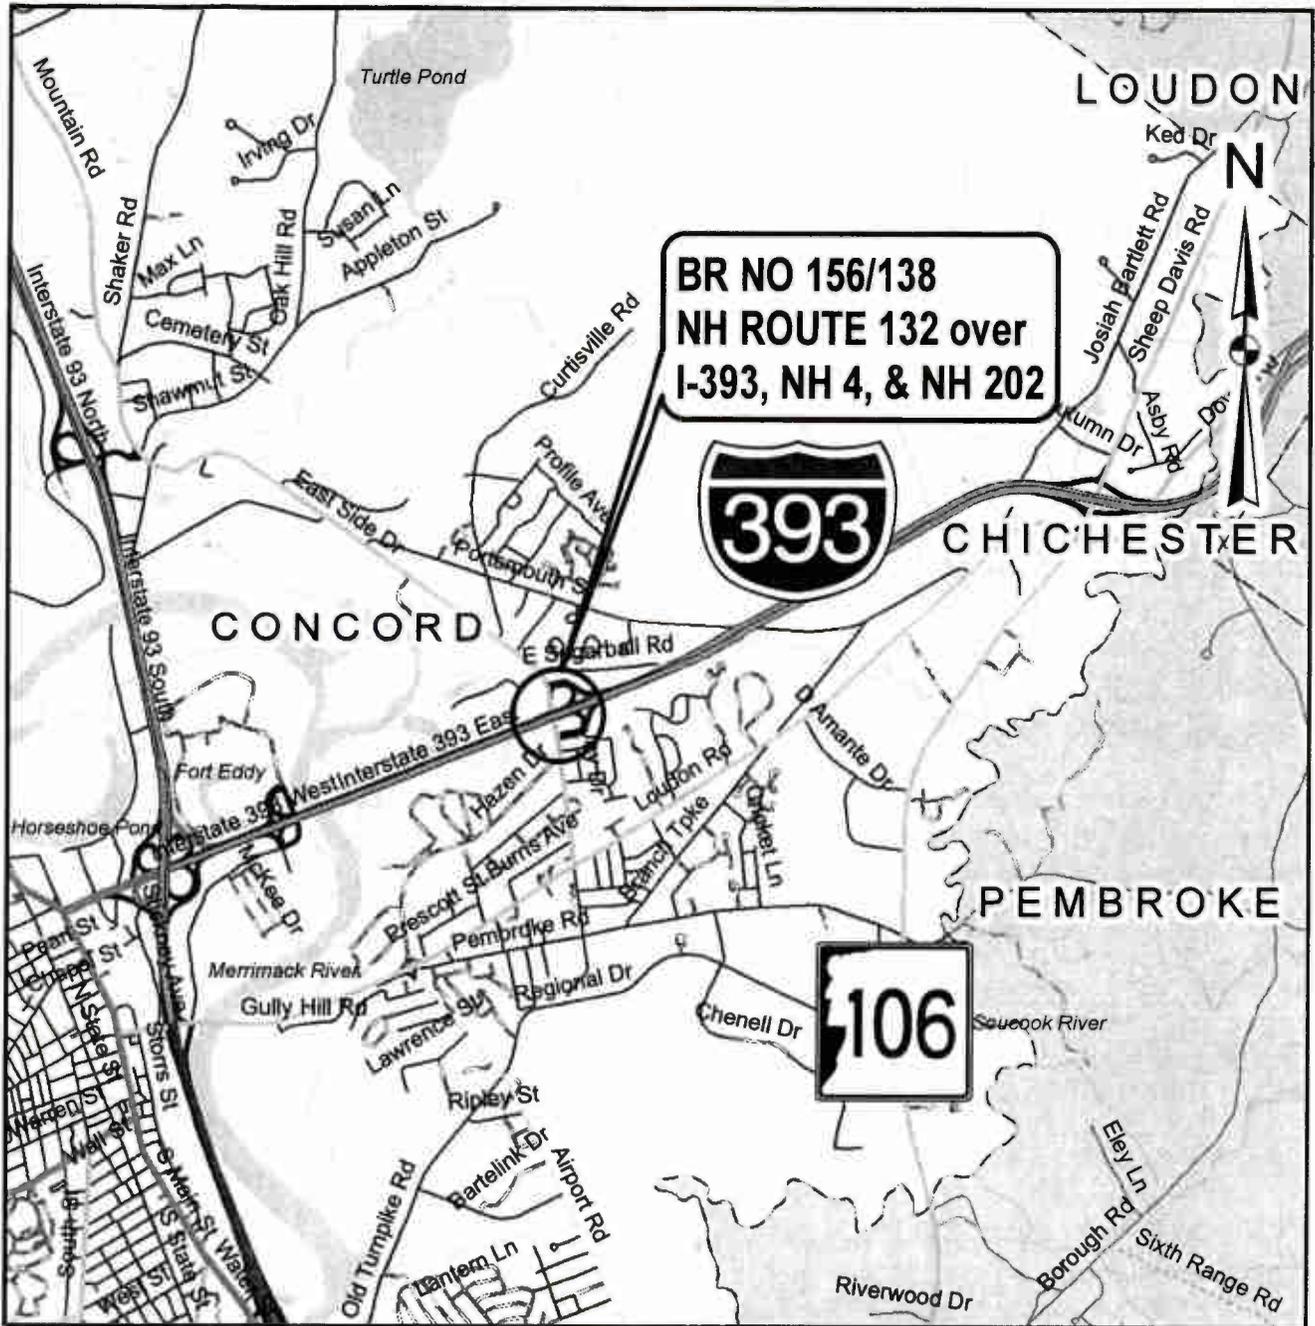

PROJECT INITIATED: 2022 Bridge T3-T4 M&P Priority List

PROJECT EXPLANATION: The purpose of this project is to preserve the useful service life of the bridge. The bridge preservation work is needed to maintain the bridge's service life and delay condition regression. The current condition ratings are: 6 for the bridge deck, 7 for the superstructure, and 5 for the substructure. The scope of work includes replacement of bearings at each abutment, bridge deck repairs (partial and full depth), expansion joint replacement at both abutments, bridge deck waterproofing membrane replacement, repaving of the bridge deck, and abutment concrete repairs. Additionally, the bridge supports a municipal waterline, and the City of Concord will be completing repairs to the ends of the line where it passes through the abutment backwall. The waterline work will be completed by the bridge contractor and paid for by the City.

TRAFFIC IMPLICATION: Phased construction maintaining two lanes of traffic (one each direction) and one sidewalk for pedestrian accommodations. Temporary modification of traffic signals is not anticipated. Work Zone Significance: 'Non-Significant' determination from January 3, 2025 TCC meeting

FINAL COMPLETION DATE: November 13, 2026.

Department of State

CERTIFICATE

I, David M. Scanlan, Secretary of State of the State of New Hampshire, do hereby certify that NEW ENGLAND INFRASTRUCTURE, INCORPORATED is a Massachusetts Profit Corporation registered to transact business in New Hampshire on March 21, 2007. I further certify that all fees and documents required by the Secretary of State's office have been received and is in good standing as far as this office is concerned.

Business ID: 574526

Certificate Number: 0007332178

IN TESTIMONY WHEREOF,
I hereto set my hand and cause to be affixed
the Seal of the State of New Hampshire,
this 18th day of November A.D. 2025.

A handwritten signature in black ink, appearing to read "D. Scanlan", is written over a faint circular stamp.

David M. Scanlan
Secretary of State

Corporate Resolution

I, Hugh Deery, hereby certify that I am duly elected Clerk/Secretary/Officer
(Name)
of New England Infrastructure, Inc.. I hereby certify the following is a true copy of a vote taken at
(Name of Corporation)

a meeting of the Board of Directors/shareholders, duly called and held on November 5th, 2025,
at which a quorum of the Directors/shareholders were present and voting.

VOTED: That Todd Pietrasiak, President (may list more than one person) is
(Name and Title)

duly authorized to enter into contracts or agreements on behalf of

New England Infrastructure, Inc. with the State of New Hampshire and any of
(Name of Corporation)

its agencies or departments and further is authorized to execute any documents
which may in his/her judgment be desirable or necessary to effect the purpose of
this vote.

I hereby certify that said vote has not been amended or repealed and remains in full
force and effect as of the date of the contract to which this certificate is attached. I further certify
that it is understood that the State of New Hampshire will rely on this certificate as evidence that
the person(s) listed above currently occupy the position(s) indicated and that they have full
authority to bind the corporation. To the extent that there are any limits on the authority of any
listed individual to bind the corporation in contracts with the State of New Hampshire, all such
limitations are expressly stated herein.

DATED: 11/12/2025

ATTEST:

(Name & Title)
Hugh Deery, Secretary
