EXPLANATION

The SASP formula grant, from the U.S. Department of Justice, Office on Violence Against Women, is awarded to New Hampshire on an annual basis. These are the only federal funds solely dedicated to the provision of direct intervention services for victims of sexual assault. A Request for Grants was made available to New Hampshire victim service programs.

The New Hampshire Coalition Against Domestic and Sexual Violence was the only applicant, as they are the only recognized sexual assault and domestic violence coalition in the State of New Hampshire.

NHCADSV is an organization committed to ending domestic and sexual violence. In addition, it serves as a coordinating organization for its 12-member agency crisis center units providing services to survivors of sexual assault, domestic violence, dating violence, human trafficking, and stalking. NHCADSV will allocate and distribute the SASP funding to its member agencies using a formula-based method. The funding will be used to address the shortage of direct intervention and related services, with a focus on sexual assault trauma, from which victims must heal. Services may include counseling, advocacy, and other direct victim support services.

In the event that federal funds are no longer available, general funds will not be requested to support this program.

Please let me know if you have any questions. Your consideration of this request is greatly appreciated.

Respectfully submitted,

John M. Formella
Attorney General

5. The Subrecipient agency agrees that, should they employ a former member of the NH Department of Justice (NHDOJ), that employee or their relative shall not perform work on or be billed to any federal or state subgrant or monetary award that the employee directly managed or supervised while at the NHDOJ for the life of the subgrant without the express approval of the NH DOJ.
6. The Subrecipient understands that grants are funded for the grant award period noted on the grant award document. No guarantee is given or implied of subsequent funding in future years.

7. Requirements of the award; remedies for non-compliance or for materially false statements

By accepting this award on behalf of the subrecipient, the authorized subrecipient official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized recipient official, all assurances or certifications submitted by or on behalf of the subrecipient that relate to conduct during the period of performance.

Failure to comply with any one or more of these award requirements, whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period may result in the Office on Violence Against Women ("OVW") or the NH Dept. of Justice ("NHDOJ") taking appropriate action with respect to the subrecipient and the award. Among other things, OVW or NHDOJ may withhold award funds, disallow costs, or suspend or terminate the award. DOJ, including OVW and NHDOJ, also may take other legal action as appropriate.

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or unenforceable, such provision shall be deemed severable from this award.

8. Applicability of Part 200 Uniform Requirements and DOJ Grants Financial Guide

The subrecipient agrees to comply with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by the Department of Justice (DOJ) in 2 C.F.R. 9. Requirement to report potentially duplicative funding

If the subrecipient currently has other active awards of federal funds, or if the subrecipient receives any other award of federal funds during the period of performance for this award, the subrecipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award.

If so, the subrecipient must promptly notify the NHDOJ Grants Management Unit in writing of the potential duplication, and, if so requested by the NHDOJ, must seek a budget modification or change-of-project-scope to eliminate any inappropriate duplication of funding

10. Requirements related to System for Award Management and unique entity identifiers

The subrecipient must comply with any and all applicable requirements regarding reporting of information on civil, criminal, and administrative proceedings connected with (or connected to the performance of) either this OVW award or any other grant, cooperative agreement, or procurement contract from the federal government. Under certain circumstances, recipients of OVW awards are required to report information about such proceedings, through the federal System for Award Management (known as "SAM"), to the designated federal integrity and performance system.

The details of subrecipient obligations regarding the required reporting (and updating) of information on certain civil, criminal, and administrative proceedings within SAM are posted on the OVW website at <https://www.justice.gov/ovw/award-conditions> (titled "Award Condition: Recipient Integrity and Performance Matters, including Recipient Reporting in SAM") and are incorporated by reference here.

The subrecipient's breach procedures must include a requirement to report actual or imminent breach of PII to an OVW Program Manager no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

In the event of an actual, or imminent, breach of Personally Identifiable Information of a U.S. Department of Justice funded program or activity by a subrecipient, the subrecipient must have a procedure in place that indicates that the Grants Management Unit will be notified of the breach by the end of the business day (4:00 PM EST) that the breach was reported. An e-mail will be sent to Grants@doj.nh.gov, which e-mails every staff member in the Grants Management Unit, notifying the Unit of the breach. The GMU Administrator, or designee, will respond to the subrecipient's e-mail notifying receipt of the notification by the end of the business day that it was received. If the subrecipient does not receive a confirmation e-mail from the GMU the subrecipient shall call the NH Department of Justice main number, (603)271-3658, and request to speak to the GMU and report the breach.

Subrecipients must have written procedures that document the process of notifying the GMU in the event of a PII breach. Written procedures will be verified during onsite monitoring's conducted by the GMU.

13. Unreasonable restrictions on competition under the award; association with federal government.

No recipient (or subrecipient, at any tier) may (in any procurement transaction) discriminate against any person or entity on the basis of such person or entity's status as an "associate of the federal government" (or on the basis of such person or entity's status as a parent, affiliate, or subsidiary of such an associate), except as expressly set out in 2 C.F.R. 200.319(a) or as specifically authorized by DOJ.

15. Determinations of suitability to interact with participating minors

This condition applies to this award if it is indicated in the application for the award (as approved by DOJ) (or in the application for any subaward at any tier), the DOJ funding announcement (solicitation), or an associated federal statute that a purpose of some or all of the activities to be carried out under the award (whether by the recipient or a subrecipient at any tier) is to benefit a set of individuals under 18 years of age.

The recipient, and any subrecipient at any tier, must make determinations of suitability before certain individuals may interact with participating minors. This requirement applies regardless of an individual's employment status. The details of this requirement are posted on the OVW web site at <https://www.justice.gov/ovw/award-conditions> (Award condition: Determination of suitability required, in advance, for certain individuals who may interact with participating minors), and are incorporated by reference here.

16. Compliance with applicable rules regarding approval, planning, and reporting of conferences, meetings, trainings, and other events

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences.

Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears on the OVW website at <https://www.justice.gov/ovw/conference-planning>.

17. OVW Training Guiding Principles

The recipient understands and agrees that any training or training materials developed or delivered with funding provided under this award must adhere to the OVW Training Guiding Principles for Grantees and Subgrantees, available at <https://www.justice.gov/ovw/resources-and-faqs-grantees#Discretionary>.

18. Effect of failure to address audit issues

The subrecipient understands and agrees that the NHDOJ (and OJP or OVW, as appropriate) may withhold award funds, or may impose other related requirements, if (as determined by the NHDOJ) the subrecipient does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.

19. Potential imposition of additional requirements

The subrecipient agrees to comply with any additional requirements that may be imposed by the NHDOJ (and OJP or OVW, as appropriate) during the period of performance for this award, if the subrecipient is designated as "high- risk" for purposes of the DOJ high-risk grantee list.

20. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 42

The recipient, and any subrecipient (subgrantee) at any tier, must comply with all applicable requirements of 28 C.F.R. Part 42.

21. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 38

The recipient, and any subrecipient (subgrantee) at any tier, must comply with all applicable requirements of 28 C.F.R. Part 38.

Among other things, 28 C.F.R. Part 38 states that a faith-based organization that participates in this program retains its independence from the Government and may continue to carry out its mission consistent with religious freedom and conscience protections in federal law. Part 38 further states that an organization may not use direct federal financial assistance from the Department of Justice to support or engage in explicitly religious activities except when consistent with the Establishment Clause of the First Amendment and any other applicable requirements. An organization receiving federal financial assistance also may not, in providing services funded by the Department of Justice, or in their outreach activities related to such services, discriminate against a program beneficiary on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38 also sets out rules and requirements that relate to engaging in or conducting explicitly religious activities.

EXHIBIT A

Special Conditions Sexual Assault Services Program (SASP) 15JOVW-25-GG-00102-SASP

Recipients and subrecipients that provide social services under this award must give written notice to beneficiaries and prospective beneficiaries prior to the provision of services (if practicable) which shall include language substantially similar to the language in 28 CFR Part 38, Appendix C, sections (1) through (4). A sample written notice may be found at https://www.ojp.gov/sites/g/files/xyckuh241/files/media/document/Written_Note_of_Beneficiary_Protections.pdf.

In certain instances, a faith-based or religious organization may be able to take religion into account when making hiring decisions, provided it satisfies certain requirements.

For more information on the requirements referenced in this condition, see <https://www.ojp.gov/program/civil-rightsoffice/partnerships-faith-based-and-other-neighborhood-organizations>.

22. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 54

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 54, which relates to nondiscrimination on the basis of sex in certain "education programs."

23. Restrictions on "lobbying" and policy development

In general, as a matter of federal law, federal funds may not be used by the recipient, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, in support of the enactment, repeal, modification or adoption of any law, regulation or policy, at any level of government, in order to avoid violation of 18 U.S.C. § 1913. The recipient, or any subrecipient ("subgrantee") may, however, use federal funds to collaborate with and provide information to federal, state, local, tribal and territorial public officials and agencies to develop and implement policies and develop and promote state, local, or tribal legislation or model codes designed to reduce or eliminate domestic violence, dating violence, sexual assault, and stalking (as those terms are defined in 34 U.S.C. § 12291(a)) when such collaboration and provision of information is consistent with the activities otherwise authorized under this grant program.

Another federal law generally prohibits federal funds awarded by OVW from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. § 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the subrecipient is to

EXHIBIT A

Special Conditions Sexual Assault Services Program (SASP) 15JOVW-25-GG-00102-SASP

contact the NHDOJ Grants Management Unit for guidance and may not proceed without the express prior written approval of NHDOJ.

24. Compliance with general appropriations-law restrictions on the use of federal funds for this fiscal year

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, for each fiscal year, are set out at <https://www.justice.gov/ovw/award-conditions> (Award Condition: General appropriations-law restrictions on use of federal award funds), and are incorporated by reference here. Should a question arise as to whether a particular use of federal funds by a recipient (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the subrecipient is to contact the NHDOJ Grants Management Unit for guidance and may not proceed without the express prior written approval of NHDOJ.

25. Reporting Potential Fraud, Waste, and Abuse, and Similar Misconduct

The recipient and any subrecipients ("subgrantees") must promptly refer to the DOJ Office of the Inspector General (OIG) any credible evidence that a principal, employee, agent, subrecipient, contractor, subcontractor, or other person has, in connection with funds under this award -- (1) submitted a claim that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

Potential fraud, waste, abuse, or misconduct involving or relating to funds under this award should be reported to the OIG by-- (1) online submission accessible via the OIG webpage at <https://oig.justice.gov/hotline/grant-complaint> (select "Submit Report Online"); (2) mail directed to: U.S. Department of Justice, Office of the Inspector General, Investigations Division, ATTN: Grantee Reporting, 950 Pennsylvania Ave., NW, Washington, DC 20530; (3) by facsimile directed to the DOJ OIG Fraud Detection Office (Attn: Grantee Reporting) at (202) 616-9881 (fax).

Additional information is available from the DOJ OIG website at <https://oig.justice.gov/hotline>.

26. Restrictions and certifications regarding non-disclosure agreements and related matters

No recipient or subrecipient ("subgrantee") under this award, or entity that receives a procurement contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other

EXHIBIT A

Special Conditions Sexual Assault Services Program (SASP) 15JOVW-25-GG-00102-SASP

1. In accepting this award, the subrecipient--

a. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

b. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

2. If the subrecipient does or is authorized under this award to make subawards ("subgrants"), procurement contracts, or both—

a. it represents that--

(1) it has determined that no other entity that the subrecipient's application proposes may or will receive award funds (whether through a subaward ("subgrant"), procurement contract, or subcontract under a procurement contract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

(2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and

b. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

27. Compliance with 41 U.S.C. 4712 (including prohibitions on reprisal; notice to employees)

The recipient (and any subrecipient at any tier) must comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee's

disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant.

The subrecipient also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.

Should a question arise as to the applicability of the provisions of 41 U.S.C. 4712 to this award, the subrecipient is to contact the NHDOJ or (OJP or OVW, as appropriate) for guidance.

28. Encouragement of policies to ban text messaging while driving

Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), DOJ encourages recipients and subrecipients ("subgrantees") to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this award, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

29. Requirement to disclose whether recipient is designated high risk by a federal grant-making agency outside of DOJ.

If the recipient is designated high risk by a federal grant-making agency outside of DOJ, currently or at any time during the course of the period of performance under this award, the subrecipient must disclose that fact and certain related information to OVW by email to OVW.GFMD@usdoj.gov. For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the recipient's past performance, or other programmatic or financial concerns with the recipient.

The recipient's disclosure must include the following: (1) the federal awarding agency that currently designates the recipient high risk; (2) the date the recipient was designated high risk; (3) the high-risk point of contact at that federal awarding agency (name, phone number, and email address); and (4) the reasons for the high-risk status, as set out by the federal awarding agency.

30. Availability of general terms and conditions on OVW website

The subrecipient agrees to follow the applicable set of general terms and conditions that are available at <https://www.justice.gov/ovw/award-conditions>. These do not supersede any specific conditions in this award document.

The program NOFO, Companion Guide, and any program-specific FAQs are hereby incorporated by reference into this award.

33. VAWA 2013 nondiscrimination condition

The subrecipient agrees to comply with 34 U.S.C. 12291(b)(13) in any program or activity funded in whole or in part by OVW. Recipients may provide sex-segregated or sex-specific programming if doing so is necessary to the essential operations of a program, so long as the recipient provides comparable services to those who cannot be provided with the sex-segregated or sex-specific programming. The subrecipient also agrees to ensure that any subrecipients (subgrantees) at any tier will comply with this provision.

34. Misuse of award funds

The subrecipient understands and agrees that misuse of award funds may result in a range of penalties, including suspension of current and future funds, suspension or debarment from federal grants, recoupment of monies provided under an award, and civil and/or criminal penalties.

35. Limitation on use of funds to approved activities

The subrecipient agrees that grant funds will be used only for the purposes described in the subrecipient's application, unless the NHDOJ Grants Management Unit determines that any of these activities are out of scope or unallowable. The subrecipient must not undertake any work or activities that are not described in the subrecipient's application, award documents, or approved budget, and must not use staff, equipment, or other goods or services paid for with grant funds for such work or activities, without prior written approval by the NHDOJ.

36. Non-supplantation

37. Confidentiality and information sharing

The subrecipient agrees to comply with the provisions of 34 U.S.C. § 12291(b)(2), nondisclosure of confidential or private information, which includes creating and maintaining documentation of compliance, such as policies and procedures for release of victim information.

The subrecipient also agrees to comply with the regulations implementing this provision at 28 CFR 90.4(b) and “Frequently Asked Questions (FAQs) on the VAWA Confidentiality Provision (34 U.S.C. § 12291(b)(2))” on the OVW website at <https://www.justice.gov/ovw/resources-and-faqs-grantees>. The subrecipient also agrees to ensure that all subrecipients (“subgrantees”) at any tier meet these requirements.

38. Activities that compromise victim safety and recovery or undermine offender accountability

The subrecipient agrees that grant funds will not support activities that compromise victim safety and recovery or undermine offender accountability, such as: procedures or policies that exclude eligible victims from receiving services based on the classifications identified in 34 U.S.C. 12291(b)(13)(A) or their actual or perceived mental health condition, physical health condition, criminal record, immigration status, employment history or status, income or lack of income, or the age and/or sex of their children; procedures or policies that compromise the confidentiality of information and privacy of persons receiving OVW-funded services; procedures or policies that impose requirements on victims in order to receive services (e.g., seek an order of protection, receive counseling, participate in couples' counseling or mediation, report to law enforcement, seek civil or criminal remedies, etc.); procedures or policies that fail to ensure service providers conduct safety planning with victims; project design and budgets that fail to account for the access needs of participants with disabilities and participants who have limited English proficiency or are Deaf or hard of hearing; or any other activities outlined in the notice of funding opportunity or companion guide under which the application was submitted.

39. Policy for response to workplace-related incidents of sexual misconduct, domestic violence, and dating violence

The recipient, and any subrecipient at any tier, must have a policy, or issue a policy within 270 days of the award date, to address workplace-related incidents of sexual misconduct, domestic violence, and dating violence involving an employee, volunteer, consultant, or contractor. The details of this requirement are posted on the OVW web site at <https://www.justice.gov/ovw/award-conditions> (Award Condition: Policy for response to workplace-related sexual misconduct, domestic violence, and dating violence), and are incorporated by reference here.

the award or relevant solicitation, will terminate or suspend until satisfied that there is no longer such failure, all or part of the award, in accordance with the provisions of 28 C.F.R. Part 18, as applicable mutatis mutandis. The federal regulation providing uniform rules for termination of grants and cooperative agreements is 2 CFR 200.340.

41. Performance progress reports and final report submission

The subrecipient agrees to provide OVW with specific information regarding subawards ("subgrants") made under this award. The subrecipient agrees to submit an annual report that includes: a) an assessment of whether stated goals and objectives were achieved; b) information on the effectiveness of activities carried out with grant funds, including the number of persons served and the number of persons seeking services who could not be served; c) information on each subaward made; and d) such other information as OVW may prescribe.

Subrecipients are required to submit this report after the end of each calendar year but no later than March 15th each year. Recipients and subrecipients must use the designated forms and/or systems made available by OVW for performance reporting, which identify the information that recipients and subrecipients must collect and report as a condition of receiving funding under this award.

42. Subrecipient program income

Program income, as defined by 2 C.F.R. 200.1, means gross income earned by a non-federal entity that is directly generated by a supported activity or earned as a result of the federal award during the period of performance. Without prior approval, program income must be deducted from total allowable costs to determine the net allowable costs.

In order to add program income to a subaward, subrecipients must seek approval from the NHDOJ prior to generating any program income. Any program income added to a subaward must be used to support activities that were approved in the budget and follow the conditions of the subaward agreement. Any program income approved by the NHDOJ Grants Management Unit must be reported by the subrecipient to the NHDOJ Grants Management Unit so that it is reported on the quarterly Federal Financial Report (SF-425) in accordance with the addition alternative. If the program income amount changes (increases or decreases) during the project period, the subrecipient must provide approval by the end of the project period.

Failure to comply with these requirements may result in audit findings for both the recipient and the subrecipient.

43. Subrecipient product monitoring

The subrecipient agrees to be monitored to ensure that materials and products (written, visual, or sound) developed with OVW formula grant program funding fall within the scope of the grant program and do not compromise victim safety.

OVW reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use the work, in whole or in part (including in the creation of derivative works), for federal purposes, and to authorize others to do so.

OVW also reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use, in whole or in part (including in the creation of derivative works), any work developed by a subrecipient ("subgrantee") of this award, for federal purposes, and to authorize others to do so.

In addition, the recipient (or subrecipient, contractor, or subcontractor of this award at any tier) must obtain advance written approval from the OVW program manager assigned to this award, and must comply with all conditions specified by the program manager in connection with that approval, before: 1) using award funds to purchase ownership of, or a license to use, a copyrighted work; or 2) incorporating any copyrighted work, or portion thereof, into a new work developed under this award.

46. Consultant compensation rates

The subrecipient acknowledges that consultants paid with award funds generally may not be paid at a rate in excess of \$81.25 per hour, not to exceed \$650 per day. To exceed this specified maximum rate, recipients must submit to OVW a detailed justification and have such justification approved by OVW, prior to obligation or expenditure of such funds.

Issuance of this award or approval of the award budget alone does not indicate approval of any consultant rate in excess of \$81.25 per hour, not to exceed \$650 per day. Although prior approval is not required for consultant rates below this specified maximum rate, subrecipients are required

EXHIBIT A

to maintain documentation to support all daily or hourly consultant rates.

47. Ongoing compliance with statutory certifications

The subrecipient agrees that compliance with the statutory certification requirements is an ongoing responsibility during the award period and that, at a minimum, a hold may be placed on the subrecipient's funds for noncompliance with any of the requirements of 34 U.S.C. § 10449 (regarding rape exam payments), 34 U.S.C. § 10449(e) (regarding judicial notification), 34 U.S.C. § 10450 (regarding certain fees and costs), and 34 U.S.C. § 10451 (regarding polygraphing of sexual assault victims), and 34 U.S.C. 10454 (regarding victim-center prosecution), and 34 U.S.C. 10446(d)(6)(regarding award conditions).

Non-compliance with any of the foregoing may also result in termination or suspension of the grant or other remedial measures, in accordance with applicable laws and regulations.

In addition, upon request by OCR (or by another authorized federal agency), the recipient must make associated documentation available for review. The details of the subrecipient's obligations related to MOA are posted at <https://www.ojp.gov/funding/explore/statemethodsadmin-fy2017update> and are incorporated by reference here, including any revisions posted during the period of performance.

49. Nonprofit status of subrecipients

The subrecipient will verify that subrecipients (subgrantees), except governmental rape crisis centers and tribal governmental programs, are organizations that are described in section 501(c)(3) of the Internal Revenue Code of 1986 and are exempt from taxation under section 501 (a) of the that code.

50. Use of funds for direct intervention and related assistance

The subrecipient agrees that funds will only be used for the provision of direct intervention and related assistance to victims of sexual violence and their family and household members, including 24-hour crisis line services, medical and criminal justice/civil legal accompaniment, advocacy, and short-term individual and group support counseling. Funds cannot be used towards prevention education efforts, projects focused on training allied professionals and/or communities, or the establishment or maintenance of Sexual Assault Response Teams.

The subrecipient agrees that, before using administrative funds to attend training and technical assistance events, including travel costs and/or registration costs, the subrecipient will seek approval from the NH Dept. of Justice's Grants Management Unit, and submit an agenda and other relevant supporting documentation, to ensure that the training is a cost directly associated with administering the SAS Formula Program.

55. Federal civil rights and nondiscrimination laws (certification)

The subrecipient agrees that its compliance with all applicable federal civil rights and nondiscrimination laws is material to the government's decision to make this award and any payment thereunder, including for purposes of the False Claims Act (31 U.S.C. 3729-3730 and 3801-3812), and, by accepting this award, certifies that it does not operate any programs (including any such programs having components relating to diversity, equity, and inclusion) that violate any applicable federal civil rights or nondiscrimination laws.

Award condition 55 ("Federal civil rights and nondiscrimination laws (certification)") and any certification submitted by the subrecipient regarding certain out-of-scope activities are subject to a preliminary stay in Rhode Island Coalition Against Domestic Violence, et al., v. Pamela Bondi, et al., and are not enforceable as to any OVW FY 2025 awards unless and until the preliminary stay is lifted. If the preliminary stay is lifted, OVW will process a modification identifying the award condition or out-of-scope activity that is no longer subject to the preliminary stay and has become enforceable and the date on which it becomes enforceable.

-NON-SUPPLANTING CERTIFICATION -

Supplanting defined

Federal funds must be used to supplement existing funds for program activities and must not replace those funds that have been appropriated for the same purpose. Supplanting shall be the subject of application review, as well as pre-award review, post-award monitoring, and audit. If there is a potential presence of supplanting, the Subrecipient or grantee will be required to supply documentation demonstrating that the reduction in non-Federal resources occurred for reasons other than the receipt or expected receipt of Federal funds. For certain programs, a written certification may be requested by the awarding agency or recipient agency stating that Federal funds will not be used to supplant State or local funds. See the OJP Financial Guide (Part II, Chapter 3) <http://www.ojp.usdoj.gov/financialguide/part2/part2chap3.htm>.

Supplanting and job retention

A recipient or subrecipient may use federal funds to retain jobs that, without the use of the federal money, would be lost. If the grantee is planning on using federal funds to retain jobs, it must be able to substantiate that, without the funds, the jobs would be lost. Substantiation can be, but is not limited to, one of the following forms: an official memorandum, official minutes of a county or municipal board meeting or any documentation, that is usual and customarily produced when making determinations about employment. The documentation must describe the terminated positions and that the termination is because of lack of the availability of State or local funds.

The New Hampshire Coalition Against Domestic and Sexual Violence (Subrecipient) certifies that any funds awarded through **grant number 2026SASP01** shall be used to supplement existing funds for program activities and will not replace (supplant) nonfederal funds that have been appropriated for the purposes and goals of the grant.

The New Hampshire Coalition Against Domestic and Sexual Violence (Subrecipient) understands that supplanting violations may result in a range of penalties, including but not limited to suspension of future funds under this program, suspension or debarment from federal grants, recoupment of monies provided under this grant, and civil and/or criminal penalties.

By signature on this form, applicants for grants from OVW are acknowledging that that they have notice that, if awarded funds, they will be required to comply with this provision, and will mandate that subgrantees, if any, comply with this provision, and will create and maintain documentation of compliance, such as policies and procedures for release of victim information, and will mandate that subgrantees, if any, will do so as well.

(A) In general

In order to ensure the safety of adult, youth, and child victims of domestic violence, dating violence, sexual assault, or stalking, and their families, grantees and subgrantees under this subchapter shall protect the confidentiality and privacy of persons receiving services.

(B) Nondisclosure

Subject to subparagraphs (C) and (D), grantees and subgrantees shall not—

- (i) disclose, reveal, or release any personally identifying information or individual information collected in connection with services requested, utilized, or denied through grantees' and subgrantees' programs, regardless of whether the information has been encoded, encrypted, hashed, or otherwise protected; or
- (ii) disclose, reveal, or release individual client information without the informed, written, reasonably time-limited consent of the person (or in the case of an unemancipated minor, the minor and the parent or guardian or in the case of legal incapacity, a court-appointed guardian) about whom information is sought, whether for this program or any other Federal, State, tribal, or territorial grant program, except that consent for release may not be given by the abuser of the minor, incapacitated person, or the abuser of the other parent of the minor.

EXHIBIT H

If a minor or a person with a legally appointed guardian is permitted by law to receive services without the parent's or guardian's consent, the minor or person with a guardian may release information without additional consent.

(C) Release

If release of information described in subparagraph (B) is compelled by statutory or court mandate—

- (i) grantees and subgrantees shall make reasonable attempts to provide notice to victims affected by the disclosure of information; and
- (ii) grantees and subgrantees shall take steps necessary to protect the privacy and safety of the persons affected by the release of the information.

(D) Information sharing

(i) Grantees and subgrantees may share—

(I) nonpersonally identifying data in the aggregate regarding services to their clients and nonpersonally identifying demographic information in order to comply with Federal, State, tribal, or territorial reporting, evaluation, or data collection requirements;

(II) court-generated information and law enforcement-generated information contained in secure, governmental registries for protection order enforcement purposes; and

(III) law enforcement-generated and prosecution-generated information necessary for law enforcement and prosecution purposes.

(ii) In no circumstances may—

(I) an adult, youth, or child victim of domestic violence, dating violence, sexual assault, or stalking be required to provide a consent to release his or her personally identifying information as a condition of eligibility for the services provided by the grantee or subgrantee;

(II) any personally identifying information be shared in order to comply with Federal, tribal, or State reporting, evaluation, or data collection requirements, whether for this program or any other Federal, tribal, or State grant program.

(E) Statutorily mandated reports of abuse or neglect

Nothing in this section prohibits a grantee or subgrantee from reporting suspected abuse or neglect, as those terms are defined and specifically mandated by the State or tribe involved.

(F) Oversight

Nothing in this paragraph shall prevent the Attorney General from disclosing grant activities authorized in this Act to the chairman and ranking members of the Committee on the Judiciary of the House of Representatives and the Committee on the Judiciary of the Senate exercising Congressional oversight authority. All disclosures shall protect confidentiality and omit personally identifying information, including location information about individuals.

(G) Confidentiality assessment and assurances

Grantees and subgrantees must document their compliance with the confidentiality and privacy provisions required under this section.

EXHIBIT H

As the duly authorized representative of the applicant, I hereby acknowledge that the applicant has received notice of that if awarded funding they will comply with the above statutory requirements. INDEPENDENT AUDITOR'S REPORT

Board of Directors
New Hampshire Coalition
Against Domestic and Sexual Violence
Concord, New Hampshire

Opinion

We have audited the accompanying financial statements of New Hampshire Coalition Against Domestic and Sexual Violence (a nonprofit organization), which comprise the statement of financial position as of June 30, 2024, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of New Hampshire Coalition Against Domestic and Sexual Violence as of June 30, 2024, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of New Hampshire Coalition Against Domestic and Sexual Violence and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about New Hampshire Coalition Against Domestic and Sexual Violence's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of New Hampshire Coalition Against Domestic and Sexual Violence's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about New Hampshire Coalition Against Domestic and Sexual Violence's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated November 12, 2024, on our consideration of New Hampshire Coalition Against Domestic and Sexual Violence's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of New Hampshire Coalition Against Domestic and Sexual Violence's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering New Hampshire Coalition Against Domestic and Sexual Violence's internal control over financial reporting and compliance.

Report on Summarized Comparative Information

We have previously audited the New Hampshire Coalition Against Domestic and Sexual Violence's 2023 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated October 26, 2023. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2023, is consistent, in all material respects, with the audited financial statements from which it has been derived.

NOTE A-NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

The Coalition is a private, non-profit, tax-exempt organization committed to ending domestic and sexual violence. The Coalition serves as a coordinating organization for its 12-member agency crisis centers that in turn provide services to survivors of sexual assault, domestic violence, human trafficking, and stalking. Eleven of the Coalition's member agencies are autonomous, private, non-profit organizations with their own mission, structure, and board of directors; one is a university-based program. The Coalition receives 98% of its funding from federal and state agencies and less than 2% from private fundraising.

The Vision of the Coalition is:

All New Hampshire communities provide safety for every person.

The Mission of the Coalition is:

The New Hampshire Coalition Against Domestic & Sexual Violence creates safe, just, and equitable communities through advocacy, education, and empowerment of anyone affected by domestic and sexual violence, stalking, child abuse, and human trafficking.

This mission is accomplished by the Coalition, which includes 12 independent community-based member programs, a Board of Directors and a central staff working together to:

- Influence public policy on the local, state and national levels;
- Ensure that quality services are provided to victims;
- Promote the accountability of societal systems and communities for their responses to sexual violence, domestic violence, stalking, child abuse, and human trafficking;
- Prevent violence and abuse before they occur.

To elaborate on the above mission and vision statements, the Coalition supports member agency staff with specialized training, resources and technical assistance; convenes member agency staff to facilitate shared learning and peer support; and collects and disseminates best practices and current information. The Coalition supports the development of new services and serves as a statewide clearinghouse and coordinating organization related to victim services. It administers state and federal contracts that provide funding for its member programs.

Coalition staff provide education and training to court and law enforcement officials and attorneys, and collaborate with legal assistance organizations that provide lawyers for survivors and their families. Coalition staff work to promote cross-system collaboration with child protective services and child advocacy centers to assure safety for children exposed to or who have experienced domestic and sexual violence, and for their parents. Coalition staff participate on numerous statewide boards and commissions to advocate for effective responses to victims.

The Coalition's Public Affairs staff work closely with other advocacy groups, legislators and survivors to draft legislation, organize testimony, and advocate for policy changes throughout the legislative session. The Coalition either takes an active role in or tracks close to 150 bills each legislative session. These bills address a wide range of issues including domestic and sexual violence; stalking; family law; divorce and child custody/visitation/support; reproductive rights; law enforcement and courts; privacy and personal information; healthcare; and economic justice.

Nature of Activities (Continued)

Coalition staff also provide resources and sources for responsible news media and reporting. Coalition staff create and distribute statewide communications materials to raise awareness about sexual assault, domestic violence, prevention and services available to victims.

The Coalition plays a key leadership role in efforts to prevent domestic and sexual violence throughout New Hampshire. Coalition staff collaborate with state and local entities to support policies and practices to advance effective prevention education. Coalition staff are proactive in educating the public about the causes and effects of domestic and sexual violence and stalking and as well as services available across the state. The Coalition has sponsored research on the prevalence of violence in New Hampshire.

The Coalition also manages several specific programs to assist its member crisis centers and the public. The following are three distinct programs that directly affect survivors of domestic violence, sexual violence and stalking:

AmeriCorps Victim Assistance Program (AVAP)

The AmeriCorps Victim Assistance Program (AVAP) has been a flagship program of the Coalition since 1994 and a valuable pathway for new advocates to join the New Hampshire victim services community. Throughout its 29 years, the program has provided invaluable service to victims of sexual assault and domestic violence in New Hampshire. AVAP members have assisted over 46,000 victims and survivors, and the program has provided robust training and valuable professional experiences for over 500 members through its focus on victim-centered, trauma-informed advocacy.

Over the past decade, however, membership has steadily declined each year. While members have continued to provide resoundingly positive feedback about their experiences in the program and the meaningful impact it has had on their career development, AVAP has sadly become unsustainable for the Coalition to operate with only a few members. Ahead of the upcoming 2023-24 service year, the Leadership Team here at the Coalition made the difficult decision to discontinue the program.

Sexual Assault Nurse Examiner (SANE) Program

A Sexual Assault Nurse Examiner (SANE) is a Registered Nurse who has been specially trained to provide comprehensive care to sexual assault survivors, who demonstrates competency in conducting medical/forensic examinations and who has the ability to be a witness in a sexual assault prosecution. Coalition staff are responsible for training and working with registered SANEs and medical professionals across the state to ensure that sexual assault victims receive consistent and professional care during forensic exams.

Housing and Economic Justice Program

The Coalition's Housing and Economic Justice Program aims to support the 12 member programs with implementation and technical assistance of our HUD-funded Rapid Rehousing program, Housing First Program, and the Allstate Economic Justice and Matched Savings Program. The Housing and Economic Justice Manager (HEJM) helps support advocates on the ground who provide housing and economic justice services to survivors through training, identifying community resources, and supporting best practices in grant administration and management. The HEJM oversees the approval of funding requests and manages the completion of matched savings requests for survivors receiving financial literacy services at our member programs.

Nature of Activities (Continued)

The Family Violence Prevention Specialist Program

Research shows a high correlation (40-60%) between the perpetration of domestic violence and the perpetration of child abuse and neglect in the same family. The Family Violence Prevention Specialist Program was built on the principle that abused and neglected children are best served when they can remain in a safe household with a non-violent parent.

The Family Violence Prevention Specialist program began in 1998 as a coordinated effort between the Coalition and the Division for Children, Youth, and Families (DCYF). Family Violence Prevention Specialists (FVPSs) are employed by local member agencies of the Coalition, and are co-located at local DCYF District Offices. The FVPSs are a source of assistance and training to child protective service workers while providing advocacy services to victims of domestic violence involved with DCYF. This program results in more effective assistance to victims through the development of interventions that recognize the adult victim's need for support and advocacy in order to improve safety outcomes for children.

Human Trafficking Program

The Coalition leads and coordinates the NH Human Trafficking Collaborative Task Force and is the primary point of contact for Task Force Members, Crisis Center Advocates, allied professionals, and community members with questions or concerns about trafficking. The Coalition's Program Director and Program Specialist ensure that professionals around the state are connected to one another and able to work collaboratively and are supported with trainings and resources they need to identify human trafficking, provide comprehensive victim services, and prosecute offenders.

Human trafficking impacts people of all backgrounds and has been identified in all of New Hampshire's 10 counties. Traffickers utilize power and control to exploit their victims, and the effects can be highly traumatic and difficult to address, particularly when it isn't always easy for even the victim themselves to identify that what they are experiencing is actually trafficking.

Areas of focus for the Coalition's human trafficking team:

- Provide training and technical assistance to crisis center advocates who provide direct services to trafficking victims
- Sustain and enhance the multidisciplinary Task Force as a platform for both collaboration and communication.
- Provide trainings for professionals and community members
- Facilitate connections between victim services, law enforcement, and other service providers
- Raise community awareness of the dynamics of trafficking
- Advocate for appropriate policy and legislative changes where necessary

Significant Accounting Policies

The financial statements of the Coalition have been prepared in conformity with Generally Accepted Accounting Principles (GAAP) as applied to not-for-profits. The Financial Accounting Standards Board (FASB) is the accepted standard-setting body for establishing accounting and financial reporting principles for not-for-profits. The more significant of the FASB's generally accepted accounting principles applicable to the Coalition, and the Coalition's conformity with such principles, are described below. These disclosures are an integral part of the Coalition's financial statements.

New Hampshire Coalition Against Domestic and Sexual Violence
Notes to Financial Statements
Years Ended June 30, 2024 and 2023

NOTE A-NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES, (continued)

Basis of Presentation

The Coalition reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

Net assets without donor restrictions - These net assets generally result from revenues generated by receiving contributions that have no donor restrictions, providing services, and receiving interest from operating investments, less expenses incurred in providing program-related services raising contributions, and performing administrative functions.

Net assets with donor restrictions - These net assets result from gifts of cash and other assets that are received with donor stipulations that limit the use of the donated assets, either temporarily or permanently, until the donor restriction expires, that is until the stipulated time restriction ends or the purpose of the restriction is accomplished.

Basis of Accounting

The financial statements of the Coalition have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables and other liabilities.

Grants Receivable and Promises to Give

Contributions are recognized when the donor makes a promise to give to the Coalition that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions.

Contributed Services

During the Years Ended June 30, 2024 and 2023, the value of contributed services relating to professional services were \$7,264 and \$29,648, respectively. All contributed services were considered without donor restriction and were valued at fair-market-value.

In addition, many individuals volunteer their time and perform a variety of tasks that assist the Coalition; these amounts have not been recognized in the accompanying statement of activities because the criteria for recognition as contributed services has not been met.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Compensated Absences

Employees of the Coalition are entitled to paid vacation depending on job classification, length of services, and other factors. The statement of financial position reflects accrued vacation earned, but unpaid as of June 30, 2024 and 2023 in the amounts of \$78,747 and \$70,695, respectively.

NOTE A-NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES, (continued)

Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities and functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited based on estimates that are based on their relationship to those activities. Those expenses include payroll and payroll related expenses and occupancy costs. Occupancy costs are allocated based on square footage. Payroll and payroll related expenses are based on estimates of time and effort. Other cost allocations are based on the relationship between the expenditure and the activities benefited.

Property and Equipment

It is the Coalition's policy to capitalize property and equipment over \$2,500 and all expenditures for repairs, maintenance, renewals and betterments that prolong the useful lives of assets. Lesser amounts are expensed. Purchased property and equipment is capitalized at cost. Donations of property and equipment are recorded as contributions at their estimated fair value. Such donations are reported as contributions without donor restriction unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the Coalition reports expiration of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Coalition reclassifies net assets with donor restrictions to net assets without donor restrictions at that time. Property and equipment are depreciated using the straight-line method. The ranges of useful lives are as follows:

Improvements	39 Years
Equipment	3-7 Years

Depreciation expense recorded by the Coalition for the Years Ended June 30, 2024 and 2023 was \$7,070 and \$8,510, respectively.

Income taxes

The Coalition has been notified by the Internal Revenue Service that it is exempt from federal income tax under Section 501(c) (3) of the Internal Revenue Code. The Coalition is further classified as an organization that is not a private foundation under Section 509(a)(3) of the Code. The most significant tax positions of the Coalition are its assertion that it is exempt from income taxes and its determination of whether any amounts are subject to unrelated business tax (UBIT). The Coalition follows the guidance of Accounting Standards Codification (ASC) 740, Accounting for Income Taxes, related to uncertain income taxes, which prescribes a threshold of more likely than not for recognition of tax positions taken or expected to be taken in a tax return.

Cash and Cash Equivalents

For purposes of the statements of cash flows, the Coalition considers all highly liquid investments (short-term investments such as certificates of deposits and money market accounts) with an initial maturity of three months or less to be cash equivalents. The following table provides a reconciliation of cash and cash equivalents reported within the statement of financial position to the sum of the corresponding amounts within the statement of cash flows as of June 30:

	<u>2024</u>	<u>2023</u>
Cash and Cash Equivalents	\$397,560	\$347,404
Restricted Cash and Cash Equivalents	<u>18,931</u>	<u>73,044</u>
Total	<u>\$416,491</u>	<u>\$420,448</u>

Certificates of Deposit

Certificates of deposit are reported on the accompanying statement of financial position. The certificates bear interest ranging from 1.00% to 4.91% as of June 30, 2024. Maturities range from two months to one and a half years.

Segregation of Accounts

Under Title 1, New Hampshire, The State and Its Government, Chapter 15 Lobbyist Section 15:1-a, the Coalition is required to physically and financially separate state funds from any non-state funds that may be used for the purposes of lobbying or attempting to influence legislation, participate in political activity, or contribute funds to any entity engaged in these activities. The Coalition has established and maintains a separate bank account for this purpose. The account balances were \$31,467 and \$31,013 at June 30, 2024 and 2023, respectively.

Concentration of Credit Risk

The Coalition maintains cash and CD balances in accounts at three local banks. These accounts are insured by the Federal Deposit Insurance Corporation up to \$250,000. At various times throughout the year, the Coalition may have cash balances at the financial institution that exceeds the insured amount. Management does not believe this concentration of cash results in a high level of risk for the Coalition. At June 30, 2024 and 2023 the Coalition had uninsured cash balances of \$426,576 and \$336,578, respectively.

Advertising Costs

The Coalition follows the policy of charging the production costs of advertising to expense as incurred. Advertising expense at June 30, 2024 and 2023 was \$9,670 and \$3,228 respectively.

Comparative Financial Information

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Coalition's financial statements for the year ended June 30, 2023, from which the summarized information was derived.

Financial Instruments

The carrying value of cash and cash equivalents, certificates of deposit, grants receivable, prepaid expenses, accounts payable and accrued expenses are stated at carrying cost at June 30, 2024 and 2023, which approximates fair value due to the relatively short maturity of these instruments. Other financial instruments held at year-end are investments, which are stated at fair value.

Subsequent Event

Management has evaluated subsequent events through November 12, 2024, the date on which the financial statements were available to be issued to determine if any are of such significance to require disclosure. It has been determined that no other subsequent events matching this criterion occurred during this period.

NOTE A-NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES, (continued)

Leases

The Coalition recognizes ASU 2016-02, Leases (Topic 842). A lessee is required to recognize assets and liabilities for leases with lease terms of more than twelve months. Consistent with current GAAP, the recognition, measurement, and presentation of expenses and cash flows arising from a lease by a lessee primarily depends on its classification as a finance or operating lease. The ASU requires both types of leases to be recognized on the statement of financial position.

For leases with term of less than twelve months, the Coalition will elect the short-term lease recognition exemption for all applicable classes of underlying assets.

NOTE B – BOARD DESIGNATED NET ASSETS

The Coalition has net assets designated for various future needs. These funds are comprised of the following as of June 30:

	<u>2024</u>	<u>2023</u>

	<u>\$ 203,310</u>	<u>\$ 208,597</u>

	<u>2024</u>	<u>2023</u>
Human Trafficking Services	\$ -	\$ 55,575

Net assets in the amount of \$71,013 and \$48,756 were released from donor restrictions by incurring expenses satisfying the restricted purpose during the years ended June 30, 2024 and 2023, respectively.

NOTE D – PENSION PLAN

The Coalition has a 403(b) savings plan for the benefit of its employees. The plan covers substantially all employees after one year of service. During their budgeting process, the Board of Directors determines the amount to be contributed annually. Employer contributions for the Years Ended June 30, 2024 and 2023 totaled \$34,016 and \$28,343, respectively.

NOTE E – LINE OF CREDIT

The Coalition has a one-year \$150,000 revolving line of credit agreement with Merrimack County Savings Bank. The credit line matures on May 20, 2025 and automatically renews annually. Interest is stated at the Wall Street Journal prime rate plus .5%, which resulted in interest rates of 9.00% and 8.75% as of June 30, 2024 and 2023, respectively. The line of credit is secured by all business assets. There were no borrowings against the line as of June 30, 2024 and 2023.

Fair values for investments were determined by reference to quoted market prices and other relevant information generated by market transactions.

NOTE G – LIQUIDITY & AVAILABILITY OF FINANCIAL ASSETS

NOTE H – INVESTMENTS, (continued)

FASB Accounting Standards Codification Topic 820-10 *Fair Value Measurements* defines fair value, requires expanded disclosures about fair value measurements, and establishes a three-level hierarchy for fair value measurements based on the observable inputs to the valuation of an asset or liability at the measurement date. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. It prioritizes the inputs to the valuation techniques used to measure fair value by giving the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurement).

Under Topic 820-10, the three levels of the fair value hierarchy are as follows:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Coalition has the ability to access at the measurement date.

Level 2 inputs are inputs other than quoted prices included in Level 1 that are either directly or indirectly observable for the assets or liabilities.

Level 3 inputs are unobservable inputs for the assets or liabilities.

The level in the fair value hierarchy within which a fair measurement in its entirety falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

All investments are measured at Level 1. Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets.

The individual investments contain net assets without donor restrictions. Investments in marketable equity securities and marketable debt securities are carried at fair market value determined by “quoted market prices” per unit (share) as of the statement of financial position date. All other investments are stated at cost. Donated investments are recorded at the mean of the high and low price as of the date of receipt. Gains and losses on investments are reported as increases or decreases in net assets without donor restrictions, unless their use is restricted by explicit donor stipulation or by law.

Spending Policy

Each fiscal year the Coalition is authorized to withdraw up to 5% of the total market value of the total portfolio of the Fund. The amount available to be withdrawn in a fiscal year will be up to 5% of the Fund market value as of the last business day of the fiscal third quarter of the preceding fiscal year. Only with the approval of a majority vote of the Board of Directors, present at a meeting duly called for such purpose, may the Coalition exceed the 5% spending cap.

Investment Return Objectives, Risk Parameters and Strategies

The Coalition Board of Directors is responsible for developing policies that govern investment of the assets of the Coalition. The purpose of the following Investment Policy, which is to be reviewed annually by the Finance Committee of the Coalition are to:

- Establish the investment objectives, policies, guidelines and eligible securities relating to investments owned or controlled by the Coalition through a third-party investment advisor.
- Identify the criteria against which the investment performance of the Coalition’s investments will be measured.
- Communicate the objectives to the Board of Directors, investment managers and funding sources that may have involvement.
- Serve as a review document to guide the ongoing oversight of the management of the Coalition’s investments.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Directors
New Hampshire Coalition
Against Domestic and Sexual Violence
Concord, New Hampshire

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of New Hampshire Coalition Against Domestic and Sexual Violence (a nonprofit organization), which comprise the statement of financial position as of June 30, 2024, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 12, 2024.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered New Hampshire Coalition Against Domestic and Sexual Violence's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of New Hampshire Coalition Against Domestic and Sexual Violence's internal control. Accordingly, we do not express an opinion on the effectiveness of New Hampshire Coalition Against Domestic and Sexual Violence's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether New Hampshire Coalition Against Domestic and Sexual Violence's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Board of Directors
New Hampshire Coalition
Against Domestic and Sexual Violence
Concord, New Hampshire

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited New Hampshire Coalition Against Domestic and Sexual Violence's compliance with the types of compliance requirements identified as subject to audit in the OMB Compliance Supplement that could have a direct and material effect on each of New Hampshire Coalition Against Domestic and Sexual Violence's major federal programs for the year ended June 30, 2024. New Hampshire Coalition Against Domestic and Sexual Violence's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, New Hampshire Coalition Against Domestic and Sexual Violence complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2024.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of New Hampshire Coalition Against Domestic and Sexual Violence and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of New Hampshire Coalition Against Domestic and Sexual Violence's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to New Hampshire Coalition Against Domestic and Sexual Violence's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on New Hampshire Coalition Against Domestic and Sexual Violence's compliance based on our audit. Reasonable assurance is a high

level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about New Hampshire Coalition Against Domestic and Sexual Violence's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding New Hampshire Coalition Against Domestic and Sexual Violence's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of New Hampshire Coalition Against Domestic and Sexual Violence's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of New Hampshire Coalition Against Domestic and Sexual Violence's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
