EXPLANATION

This request is **retroactive** because Ms. Carlisle was due compensation in SFY 2024 and SFY 2025 that was not paid. The Department of Administrative Services, Division of Personnel (DOP), and the Department of Health and Human Services (DHHS) have been collaboratively working together to ensure In-Band Advancements are applied as appropriate. When the state adopted the Standard Occupational Classification system, areas of compression between supervisor and staff were created or exacerbated. The identified solution was to use the In-Band Advancement (IBA) to create separation in wages between certain supervisors and their staff. In this case, the In-Band Advancement was applied by mass upload to multiple

positions, but the individual employee was not adjusted accordingly. The issue primarily affected supervisors at the highest end of the wage schedule, specifically step 11.

The Supervisor Vs who oversees Adult Protective Service Worker IIIs are in the same pay band. To rectify this inequity, DOP approved the Supervisor Vs for an In-Band Advancement. The application of Ms. Carlisle's In-Band Advancement allowed Ms. Carlisle to be eligible to move to Step A of the pay scale retroactive to January 26, 2024.

Approval of this action will ensure that Ms. Carlisle will retroactively receive compensation for the Increment related to the In-Band Advancement she is due effective January 26, 2024. Ms. Carlisle is due pay from January 26, 2024, through October 16, 2025. This request is for the portion due from State Fiscal Year 2024 and State Fiscal Year 2025. The amount due from State Fiscal Year 2026 has already been paid. Approval of this Request will allow payment of overdue wages to Ms. Carlisle.

Respectfully submitted,

Lori A. Weaver
Commissioner
