REQUESTED ACTION

Authorize the Department of Safety, Division of Homeland Security and Emergency Management (HSEM) to award a grant to the Town of Monroe (VC#177439-B002) in the amount of \$3,500 to update their community's Local Emergency Operations Plan effective upon Governor and Council approval through August 31, 2026. 100% Federal Funds.

Funding is available in account, 100% EMPG Local Match, as follows:

	<u>SFY 2026</u>
02-23-23-236010-80920000-072-500574 Grants to Local Gov't - Federal	\$3,500
Activity Code: 23EMPG 2022	

EXPLANATION

This grant will support the Town of Monroe's efforts to update its Local Emergency Operations Plan (LEOP), a critical planning document that guides municipal response to emergencies and disasters. Funding is provided through the Federal Fiscal Year 2022 Emergency Management Performance Grant (EMPG), awarded by the Federal Emergency Management Agency (FEMA) HSEM.

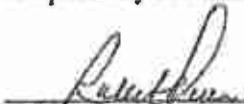

EMPG funding is intended to strengthen all-hazards planning and preparedness capabilities, including mitigation, preparedness, response, and recovery activities, at both the state and local levels. Grant guidance and application materials are made available statewide to all Emergency Management Directors and other eligible entities. Applications submitted by local jurisdictions are reviewed by the HSEM EMPG Program Manager, EMPG Program Coordinator, and Stakeholder Liaisons, and are approved by the HSEM Director based on eligibility requirements and documented local needs.

This request is being submitted for Governor and Council approval because the cumulative year-to-date expenditures exceed the \$10,000 threshold established in MOP150.

EMPG is 50% Federally funded by FEMA with a 50% match requirement supplied by the sub-recipient. The sub-recipient acknowledges their match obligation as part of Exhibits B & C to their grant agreement.

In the event that Federal Funds are no longer available, General Funds and/or Highway Funds will not be requested to support this program.

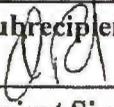

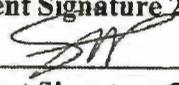

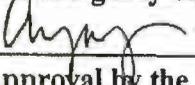

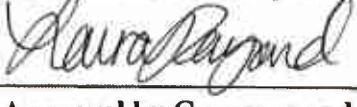

Respectfully submitted,

Robert L. Quinn
Commissioner of Safety

Each member of Primex³ is entitled to the categories of coverage set forth below. In addition, Primex³ may extend the same coverage to non-members. However, any coverage extended to a non-member is subject to all of the terms, conditions, exclusions, amendments, rules, policies and procedures that are applicable to the members of Primex³, including but not limited to the final and binding resolution of all claims and coverage disputes before the Primex³ Board of Trustees.
