Her Excellency, Governor Kelly A. Ayotte
and the Honorable Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Administrative Services to enter into a contract (Contract #8003779) with Cives Corporation (VC# 164748), Alexandria, MN, for spreader parts, dump bodies, and plows in an amount up to and not to exceed \$31,268,595.06 with the option to extend for up to two years, effective upon the Governor and Executive Council approval through October 31, 2030.

Funding shall be provided through individual agency expenditures, none of which shall be permitted unless there are sufficient appropriated funds to cover the expenditure.

EXPLANATION

The Department of Administrative Services, through the Bureau of Purchase and Property (BoPP), issued request for bid (RFB) 3061-26 on August 6, 2025, with responses due on October 28, 2025. The bid reached 172 vendors resulting in 4 compliant responses received. The BoPP recommends awarding to all 4 respondents based on lowest cost by product line for greater product availability and product variety. The primary Agency user is the Department of Transportation.

The following table represents the contractors awarded:

Henderson Products, Inc.	HP Fairfield	VariTech Industries, Inc.	Cives Corporation d/b/a Viking Cives USA
--------------------------	--------------	---------------------------	--

The requested multi-award contract structure allows for a broad list of product availability and maintains the State's competitive advantage through the execution of a request for quote to all contractors prior to the issuance of a purchase order.

The requested price limitation of \$31,268,595.06 will cover the full term of the contract and is calculated from actual expenditures gathered from business intelligence reports providing an accurate spend estimation. The price limitation includes a contingency of \$429,375.00, or 25%, for any products that the vendor may offer but are not specifically listed in the contract.

Additionally, all end users were solicited prior to bidding to determine any future needs which are also included in the estimated spend.

Contract financials	
Estimated annual spend	\$5,002,975.21
Term spend (5-years)	\$25,014,876.05
Add allowance for balance of product line	\$6,253,719.01
Price Limitation	\$31,268,595.06

The Department of Administrative Services has determined that the vendor is in good standing with the Secretary of State's Office, has secured the required levels of insurance, and has provided evidence of authority to execute and be bound by the contract. Documents supporting these assertions are available at the agency, for review upon request.

Based on the foregoing, I am respectfully recommending approval of the contract amendment with Cives Corporation.

Respectfully submitted,

Charles M. Arlinghaus
Commissioner
