January 13, 2026

Her Excellency, Governor Kelly A. Ayotte  
and the Honorable Executive Council  
State House  
Concord, NH 03301

**REQUESTED ACTION**

Authorize the Department of Information Technology (DoIT), for the benefit of the Department of Safety (DOS) and the Department of Transportation (DOT), to enter into a **sole source** amendment to contract DOS 2022-036/DoIT 2022-036 with Coforge Inc. (VC#165248), Princeton, NJ, increasing the price limitation by \$551,830, from \$11,745,545 to \$12,297,375, to develop a Crash Data Portal for towns without Records Management Systems (RMS). Effective upon Governor and Council approval; no change to the contract end date of August 31, 2027. Source of funds: 100% Federal (HSIP via DOT), as detailed below

The contract was originally approved by Governor and Council on August 17, 2022, Item #27, and amended by Amendment A on September 21, 2022, Item #39, Amendment B on March 22, 2023, Item #38, Amendment C on September 20, 2023, Item #66, Amendment D on January 10, 2024, Item #27, Amendment E on April 23, 2025, Item #38, and Amendment F on December 17, 2025, Item #25. The completion dates for the Original Contract, Amendment A, Amendment B, Amendment C, Amendment D, Amendment E and Amendment F will remain unchanged as shown in Contract History of this Amendment G. There is no extension of the overall contract completion date of August 31, 2027. No General Funds are requested for this action; this effort will be funded by the NH DOT. **Source of Funds: 100% Federal Highway Safety Improvement Program (HSIP) Funds.**

**EXPLANATION**

This request is designated **sole source** under MOP 150 IX(A)(4) because it amends the scope of services and requests additional funds to add a new deliverable (Crash Data Portal) to the existing contract. The original contract was competitively procured under RFP DOS 2022-036 and approved by G&C on August 17, 2022, Item #27, with subsequent Amendments A-F as noted. The purpose of this Amendment is to develop a crash data entry portal for towns that do not have an existing means to submit crash data electronically. The Agency's Data Warehouse and eTicket platforms are already managed by Coforge, as the Crash Data Portal must integrate with their established

data models, ETL pipelines, APIs, logging, and security controls—using the incumbent preserves architectural continuity, maintain security/data quality, and accelerate delivery. By providing a portal for these towns to submit crash data electronically, we will gain comprehensive crash data insight across NH for input into the predictive Crash Data Analysis System.

The Department of Information Technology requests approval of this contract amendment with Coforge, Inc.

Respectfully submitted,

Denis Goulet  
Commissioner,  
Department of Information  
Technology

CONTRACT AMENDMENT G**

This Amendment (the "Amendment") is entered into by and between the State of New Hampshire, acting through the Department of Information Technology (the "Department") and Coforge, Inc. and 502 Carnegie Center Drive, Ste 301,, Princeton, NJ, 08540, USA ("Contractor"). The Department and Contractor are sometimes referred to herein singularly as a "Party" and collectively as the "Parties."

WHEREAS, pursuant to an Agreement approved by Governor and Council, as a result of RFP DOS 2022-036, on August 17, 2022, Item #27, amended by Amendment A on September 21, 2022, Item # 39, Amendment B on March 22, 2023, Item #38, Amendment C on September 20, 2023, Item #66, Amendment D on January 10, 2024, Item # 27, Amendment E on April 23, 2025, Item #38, Amendment F on December 17, 2025, Item #25 (herein after referred to as the "Agreement"), Coforge Inc. (Contractor #165248; hereinafter referred to as "Contractor") agreed to supply certain services upon the terms and conditions specified in the Agreement and in consideration of payment by the Department of Information Technology (hereinafter referred to as the "Department"), certain sums as specified therein;

WHEREAS, pursuant to the Agreement Section 17: Amendment and the provisions of the Agreement, the Agreement may be modified or amended only by a written instrument executed by the parties thereto and approved by the Governor and Executive Council;

WHEREAS, the Contractor and the Department have agreed to amend the Agreement in certain respects;

WHEREAS, the Department wishes to increase the contract price in the amount of \$551,830.00, from a contract amount of \$11,745,545.00 to a total contract amount of \$12,297,375.00. The purpose of the amendment is to develop a crash data entry portal for towns that do not have an existing means to submit crash data electronically. By providing a portal for these towns to submit crash data electronically, we will gain comprehensive crash data insight across NH for input into the predictive Crash Data Analysis System to be developed by Numetric (the winning vendor for RFP DOS 2026-02 Crash Data Analysis System). There will be no change in end date.

NOW THEREFORE, in consideration of the foregoing, and the covenants and conditions contained in the Agreement and set forth herein, the parties agree as follows:

The Agreement is hereby amended as follows:
