All funds must be used to provide homeless services activities to prevent, prepare for and respond to Coronavirus in accordance with the CARES Act allocation to the Grantee and of the US Department of Housing and Urban Development (HUD) Community Development Block Grant Program, as set forth in the Housing and Community Development Act of 1974, as amended, (42 USC. 5301 et seq.) hereinafter referred to as CDBG, upon Governor and Council approval for the period effective through December 31, 2026. **100% federal funds.**

**Explanation**

The City of Concord, has been awarded \$130,000 in CDBG-CV Public Service funds of which a total of \$114,000 will be subgranted to the Concord Coalition to End Homelessness (CCEH) to support the Emergency Winter Shelter located at 240 North Main Street, Concord, NH and the Resource Center located at 238 north Main Street, Concord, NH. The funding will support at least 650 individuals experiencing homelessness, all (100%) considered to be low-to moderate income as part of a HUD Presumed Group.

CCEH is the leading homeless response provider for the greater Concord region. They operate two core low-barrier programs-the Emergency Winter Shelter (EWS) and the Homeless Resource Center (HRC)-both of which serve adults experiencing homelessness from the City of Concord and surrounding communities within Merrimack County. CCEH has worked with the City of Concord since 2008 and the City has funded the operations, in part, of CCEH for over a decade.

The CDBG-CV funds will support additional costs incurred due to the ongoing impact of COVID-19 on homelessness, housing instability, and demand for basic-needs services. In response to the escalating post-pandemic need, CCEH is expanding its EWS evening hours and adding weekend warming hours at the HRC to ensure individuals experiencing homelessness have access to safe, warm space every day of the week during the winter season There are no match requirements in connection with this grant.

This Agreement allocates a portion of the Community Development Block Grant (CDBG) funds provided to New Hampshire by the U. S. Department of Housing and Urban Development (HUD). CDFFA is administering this program as provided by RSA 162-L. The funds for this contract are from the Community Development Block Grant Fund, which is intended to help municipalities solve development problems.

CDFA has determined that the vendor is in good standing with the Secretary of State's Office, has secured the required levels of insurance, and has provided evidence of authority to execute and be bound by the contract.

## **CDBG-CV Public Services Round Two**

The State of New Hampshire received approximately \$14.3 million from the US Department of Housing and Urban Development (HUD) through the CARES ACT to be deployed under the CDBG program in response to the Coronavirus Pandemic (COVID-19). These funds, known as CDBG-CV, were to be used specifically for the prevention of, preparation for, and response to COVID-19.

CDFA administers programs that effectively deploy funds to create the most community-driven impacts and public benefits and which comply with state and federal regulations and adapt to the evolving needs of New Hampshire communities.

CDFA developed priorities for deployment of these funds based on state, municipal, nonprofit partner and stakeholder feedback. Several CDBG-CV funding opportunities have been created since the funding was received to support needs across the state, including,

- In August 2020, CDFA awarded \$848,730 of CDBG-CV funds to support COVID-19 related technical assistance and direct grants to Microenterprise businesses.
- In November 2020, nearly \$7.5M in CDBG-CV funds were awarded through CDBG-CV Public Service Round 1 to support critical high-priority services that included childcare, foodbanks, legal services, as well as health, mental health and substance abuse services, among others.
- Approximately \$3M in CDBG-CV funds have been awarded to support eligible housing and public facilities projects that had a tie-in to the COVID-19 pandemic.
- \$2M in funding was also awarded specifically to Permanent Supportive Housing projects through a dedicated funding opportunity.

“Public Services” is an eligible CDBG activity that is not typically funded in the state CDBG program. The 2020 CDBG-CV Public Service round was the first funding opportunity available to support this type of activity in the state CDBG program.

CDFA has seen the continued impact that the COVID-19 pandemic has had on housing instability and homelessness. The impacts are seen through CDFA’s day-to-day work across its programs, through involvement in the Council on Housing Stability and through conversations with stakeholders including the NH Department of Health and Human Services, municipalities, and nonprofit homeless service providers.

Based on this need, CDFA created a CDBG-CV Public Service funding opportunity that aims to mitigate the ongoing effects of COVID-19 by supporting municipalities and nonprofit organizations in delivering direct services to unhoused individuals.

The City of Manchester is requesting \$500,000 in CDBG-CV Public Service funds to support shelter operations at four different locations within the city. Half of the funding will be subgranted to Families in Transition, to support operations at two of their shelters. The other half of the funding will be used to support two shelters operated by the City of Manchester. The funding will support at least 1,008 individuals experiencing homelessness, all considered low-to moderate income as part of a HUD Presumed Group.

The City of Manchester continues to experience an increase in housing insecurity and homelessness as a result of the COVID-19 pandemic. Many who find themselves homeless in other communities across the state relocate to Manchester to utilize the resources that the city and area nonprofits provide, which many other communities do not. In 2019, the City of Manchester established a Homelessness Task Force to address the challenges of homelessness. A Homeless Coordinator position was created in 2021. COVID-19 led to heightened homelessness as many jobs were lost and housing costs soared. The Director of Homelessness Initiatives works with the Manchester Continuum of Care to streamline collaboration and resources between 77 organizations which provide homelessness services and the city departments who work closely with the homeless population.

The City of Manchester operates the 39 Beech Street shelter, which was established using ARPA funds in response to the swelling number of homeless people after COVID-19. This is the only shelter in the city that is equipped to house severely medically challenged individuals. It also serves as a winter warming station for the entire homeless population. The City is working to wind down operations at this location at the end of March 2026 due to the unsustainable long-term cost of operation. The City will be transitioning services at a more cost-effective building located at 200 Elm Street. This new location will also serve as a winter warming station to the homeless population at-large and as a 20-bed shelter. CDBG funds will be used to support operations at 39 Beech Street shelter until its closure, at which point funds will then support start-up operations at the new location.

Families in Transition (FIT) is a 501(c)(3) nonprofit whose mission is to prevent and end the cycle of homelessness. The City of Manchester has worked closely with FIT to address the needs of the homeless population for the past 25 years. FIT is the largest provider of shelters in Manchester, providing 138 beds to men, women, and veterans experiencing homelessness, and an additional 11 bedrooms for families. They also maintain 280 affordable apartment units that provide permanent, transitional, and recovery housing.

FIT's family emergency shelter is the only shelter in the city that is designed to help homeless families stay together. It consists of 11 rooms and 46 beds. It regularly operates at full capacity with an estimated waitlist of 57 individuals. The adult emergency shelter is a low barrier, 138 bed shelter that ensures that all adults struggling with homelessness have access to much needed resources such as substance use treatment, food, and clothing, in addition to shelter. This shelter also operates at max capacity throughout the year, with a regular waitlist. CDBG-CV funding will be used to support operating costs at both FIT shelters.

Strafford County requests \$452,039 in CDBG-CV Public Service funds to support the Home for Now Shelter in Rochester, NH, and the Willand Warming Center in Somersworth, NH. The funding will support at least 112 individuals experiencing homelessness, all considered low-to moderate income as part of a HUD Presumed Group.

Since COVID-19, there has been a marked increase in homelessness in Strafford County, and this trend appears to be accelerating. Roughly 70% - 80% of the calls that come into the CAPSC Homeless Outreach Center are from newly unsheltered families who need reliable and safe shelter. During the 2025 summer months, shelters statewide were at or above capacity with long waiting lists.

Strafford County operates the seasonal Willard Warming Center on behalf of the Tri-Cities (Dover, Rochester, and Somersworth) through a third-party vendor. It is located at 30 Willand Drive in Somersworth (in a building owned by the City of Dover) and offers 80 beds for winter emergency sheltering. Operational costs have significantly increased over the years. CDBG funds will be used to support salaries and benefits to operational costs.

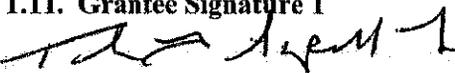

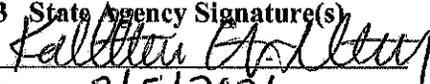

Community Action Partnership of Strafford County (CAPSC) is a private nonprofit founded in 1965 with a mission to reduce barriers to help clients improve their economic stability and well-being. CAPSC has been managing a homeless prevention and rapid re-housing program for twenty years. They operate Home for Now, a year-round homeless shelter, located at 202 Washington Street, Rochester, NH. The shelter has 10 rooms, totaling 32 beds, for individuals and families. CDBG-CV funds will be used for operating support to cover essential expenses such as utilities, case management, and direct client support that are not currently funded by other CAPSC programs.

Such records shall be retained for a period of three (3) years following completion of the project and receipt of final payment by the Grantee, or until an audit is completed and all questions arising therefrom are resolved, whichever is later.

## 12. TERMINATION; REMEDIES.

12.1 Inability to Perform; Termination by Grantee. As a result of causes beyond its control, and notwithstanding the exercise of good faith and diligence in the performance of its obligations hereunder, if it shall become necessary for Grantee to terminate this Agreement, Grantee shall give CDFA fifteen (15) days advance written notice of such termination, in which event the Agreement shall terminate at the expiration of said fifteen (15) days.

12.2 Termination Without Default. In the event of termination without default and upon receipt, acceptance and approval by CDFA of the Termination Report, as referenced in the General Provisions, Grantee shall receive payment for all Project Costs incurred in the performance of Grant Activities completed up to and including the date of termination and for which payment had not previously been made including, but not limited to, all reasonable expenses incurred in the preparation of the Termination Report; provided, however, that in the event that any payments have been made hereunder in excess of Project Costs incurred up to and including the date of termination of the Agreement, CDFA shall offset any payments to be made hereunder against such payments, and if applicable, Grantee shall refund to CDFA the amount of any excess funds it retains after such offset.

12.3 Termination for Default. In the event of termination for default or other violation of Program requirements, CDFA shall, upon receipt, acceptance and approval of the Termination Report submitted by Grantee, pay Grantee for Project Costs incurred up to and including the date of termination (subject to off-set against funds paid to Grantee hereunder and to the refund of any excess funds); provided, however, that in such event the amount of such payment shall be determined solely by CDFA; and provided, further, that in no event shall the making of any such payments relieve Grantee of any liability for damages sustained or incurred by CDFA as a result of Grantee's breach of its obligations hereunder, or relieve Grantee of responsibility to seek return of Grant Funds from any Subrecipient or Beneficiary where applicable.

12.4 Limitation on Grantee Liability for Subgranted Funds. Notwithstanding anything in this Agreement to the contrary and absent the presence of fraud or negligence on the part of Grantee in enforcing its rights and obligations under the terms of any Subrecipient Agreement, the sole obligation of Grantee with respect to the return of Grant Funds, in the event of default on a grant condition or other termination of the Project or event requiring return of Grant Funds, shall be to make a good faith effort to return to the State of New Hampshire all Grant Funds paid to Subrecipient through Grantee. Grantee shall make good faith efforts to enforce the legal obligations entered into with the Subrecipient as provided herein, to call upon the collateral held by itself or others, and exercise due diligence in its efforts in bringing about the satisfaction of the grant obligations and, having done so, it shall not be required to look to any other funds or its tax base to recoup Grant Funds not recovered from the Subrecipient.

12.5 Assignment to CDFA and Payment of Expenses and Costs. Grantee hereby agrees that, in the event it fails to enforce the provisions of any Subrecipient Agreement or fails to cure an Event of Default

  
Initial Here

resulting in termination of this Agreement or the Project, Grantee shall, upon demand by CDFA, assign and convey to CDFA all or any of its rights, title and interest, or delegate to CDFA all or any of its obligations under the Subrecipient Agreement and any Mortgage, Promissory Note, Security Agreement or other agreement as applicable. Such delegation or assignment shall be effective only in the event of a default by Subrecipient or Beneficiary in its or their obligations under the Subrecipient Agreement or other agreement. In the event that CDFA assumes any of the obligations of Grantee as provided herein, Grantee shall pay all costs and expenses incurred by CDFA in the enforcement of the Subrecipient Agreement, collection upon any loan, mortgage or other security, or in curing any Event of Default.

13. PUBLICITY AND SIGNAGE.

13.1 Public Relations. The Grantee shall grant CDFA the right to use the Grantee's name, likeness, and logo in any public relations or publicity efforts. This shall include, but not be limited to, press releases, media interviews, website, publications, brochures, etc. CDFA's publicity efforts may also include details about Grantee's project, contract, or other publicly available information.

### DUPLICATION OF BENEFITS

In consideration of Subrecipient's receipt of CDBG-CV funds administered by Grantee, Subrecipient shall assign to Grantee all of Subrecipient's future rights to reimbursement and all payments received from any grant, subsidized loan, or insurance policies of any type or coverage or under any reimbursement or relief program related to or administered through the Coronavirus Aid, Relief and Economic Security Act (CARES Act) that was the basis of the calculation of CDBG-CV Grant to the extent of Grant paid or to be paid to Subrecipient under the CDBG-CV Program and that are determined in the sole discretion of CDFA to be a duplication of benefits ("DOB") as provided in the Grant Agreement.

The payments referred to in the preceding paragraph, whether they are from insurance, the Coronavirus Relief Fund or any other source, and whether or not such amounts are a DOB, shall be referred to herein as "Assistance," and any Assistance that are a DOB shall be referred to herein as "DOB Assistance." Upon receiving any Assistance not listed on the Duplication of Benefits Worksheet, Subrecipient agrees to immediately notify the Grantee who will notify CDFA of such additional amounts, and CDFA will determine in its sole discretion if such additional amounts constitute a DOB. If some or all of the Assistance are determined to be a DOB, the portion that is a DOB shall be paid to the Grantee, to be returned to CDFA as provided in the Grant Agreement.

If requested by the Grantee, Subrecipient agrees to execute such further and additional documents and instruments as may be requested to further and better assign to the Grantee, to the extent of the Grant paid to Subrecipient under the Program, the Policies, any amounts received under the CARES Act that are DOB Assistance and/or any rights thereunder, and to take, or cause to be taken, all actions and to do, or cause to be done, all things requested by the Grantee to consummate and make effective the purposes of the Grant Agreement.

Subrecipient explicitly allows the Grantee to request of private insurance; the Federal Emergency Management Agency (FEMA) Disaster Relief Fund; and/or grants; local and state funds; other federal programs; and private and nonprofit organizations from which Subrecipient has applied for or is receiving Assistance, any non-public or confidential information determined to be reasonably necessary by the Grantee to monitor/enforce its interest in the rights assigned to it under the Grant Agreement and give Subrecipient's consent to such company to release said information to the Grantee.

If Subrecipient hereafter receives any DOB Assistance, Subrecipient agrees to promptly pay such amounts to the Grantee, if Subrecipient received assistance under the Program in an amount greater than the amount Subrecipient would have received if such DOB Assistance had been considered in the calculation of Subrecipient's award.

In the event that the Subrecipient receives or is scheduled to receive any Assistance not listed on its Duplication of Benefits Worksheet ("Subsequent Assistance"), Subrecipient shall pay such Subsequent Assistance directly to the Grantee, and CDFA will determine the amount, if any, of such Subsequent Assistance that are DOB Assistance ("Subsequent DOB Assistance"). Subsequent Assistance in excess of Subsequent DOB Assistance shall be returned to the Subrecipient. Subsequent DOB Assistance shall be disbursed as follows:

1. If the Subrecipient has received full payment of the Grant, any Subsequent DOB Assistance shall be retained by the Grantee and remitted to CDFA.

  
Initials

2. If the Subrecipient has received no payment of the Grant, any Subsequent DOB Assistance shall be used by the Grantee to reduce payments of the Grant to the Subrecipient, and all Subsequent DOB Assistance shall be returned to the Subrecipient.
3. If the Subrecipient has received a portion of the Grant, any Subsequent DOB Assistance shall be used, retained and/or disbursed in the following order: (A) Subsequent DOB Assistance shall first be used to reduce the remaining payments of the Grant, and Subsequent DOB Assistance in such amount shall be returned to the Subrecipient; and (B) any remaining Subsequent DOB Assistance shall be retained by the Grantee and remitted to CDFA.
4. If the Grantee makes the determination that the Subrecipient does not qualify to participate in the Program or the Subrecipient determines not to participate in the Program, the Subsequent DOB Assistance shall be returned to the Subrecipient, and this Agreement shall terminate.

Once the Grantee has recovered an amount equal to the Grant paid to Subrecipient, the Grantee will reassign to Subrecipient any rights assigned to the Grantee pursuant to the Grant Agreement.

Subrecipient represents that all statements and representations made by Subrecipient regarding Assistance received by Subrecipient shall be true and correct as of the date of Grant Closing and through the required reporting period.

## EXHIBIT C

### PROJECT/PROGRAM ACTIVITY COSTS; METHOD AND TERMS OF PAYMENT

#### 1. PROJECT COSTS; PAYMENT SCHEDULE; REVIEW BY CDFA.

1.1 Project Costs: As used in this Agreement, the term "Project Costs" shall mean all reimbursable costs incurred in performance of the Grant activities. "Administrative Project Costs" shall mean all expenses directly or indirectly incurred by Grantee in the performance of the Project Activities, as determined by CDFA to be eligible and allowable for payment in accordance with allowable administrative project cost standards set forth in OMB 2 CFR 200 as revised from time to time, and with the rules, regulations and guidelines established by CDFA. Administrative project costs include but are not limited to: record keeping, reporting, audits and compliance with all federal, state and local laws, rules and regulations and this contract. In no event shall Administrative Project Costs exceed fifteen (15) percent of the total Grant funds allowed. With respect to a nonprofit subrecipient, such subrecipient shall meet the requirements of OMB 2 CFR 200.

1.2 Delivery Costs: If applicable, the term "Delivery Costs" shall mean all reimbursable costs incurred by a Subrecipient, that are directly related to the preparation and execution of loan documents and to the monitoring and administration of the loan provisions, and which are allowable by the New Hampshire Community Development Block Grant program guidance.

1.3 Payment of Project Costs: Subject to the terms and conditions of this Agreement, CDFA agrees to pay Grantee all Project Costs, provided, however, that in no event shall the total of all payments made by CDFA pursuant to this Agreement exceed the Grant Amount as set out in Paragraph 1.8 of the General Provisions, and provided further that all Project Costs shall have been incurred prior to the Completion Date, except for reasonable approved Project Costs incurred within 90 days after the Completion Date and in connection with closeout requirements as provided in CDFA New Hampshire Community Development Block Grant program guidance.

1.4 Review by CDFA; Disallowance of Costs: At any time during the performance of the Project Activities, and upon receipt of the Progress Reports, Closeout Report or Audited Financial Report, CDFA may review all Project Costs incurred by Grantee or any Subrecipient and all payments made to date. Upon such review, CDFA shall disallow any items of expense which are not determined to be allowable or are determined to be in excess of actual expenditures, and shall, by written notice specifying the disallowed expenditures, inform Grantee of any such disallowance. If CDFA disallows costs for which payment has not yet been made, it shall refuse to pay such costs. If payment has been made with respect to costs which are subsequently disallowed, CDFA may deduct the amount of disallowed costs from any future payments under this Agreement or require that Grantee refund to CDFA the amount of the disallowed costs.

#### 2. METHOD AND TERMS OF REIMBURSEMENT FOR PROJECT COSTS.

2.1 CDFA shall not disburse any funds for the purposes of this Project until such time as all agreements specified in Exhibit B and any other agreements or documents specified pursuant to this Agreement are fully executed and received, and where applicable, are reviewed and approved in writing by CDFA. 2.1.3 Copies of required certificates of insurance from all parties to this Agreement;

2.1.4 Certified payrolls documenting employment and positions in all U.S. operations and facilities, (a) no earlier than the date of application, as approved by CDFA, or (b) the date of Governor and Council approval;

2.1.5 Any lease and loan documents, mortgages, liens, security instruments, municipal bonds, and similar agreements used in connection with the enforcement of beneficiary requirements, as well as any other related documents as requested by CDFA.

2.2 Timing of Payments. Upon thirty (30) days of the receipt, review, and approval by CDFA of financial reports and requests for reimbursement from Grantee specifying all Project Costs incurred, CDFA agrees to reimburse Grantee for Project Costs, except that reimbursement may be withheld until CDFA determines that a particular Project Activity or portion of the Project Activity hereunder has been satisfactorily completed.

2.3 Disbursement of funds by CDFA does not constitute acceptance of any item as an eligible Project Cost until all Project Costs have been audited and determined to be allowable costs.

3. REQUIRED DOCUMENTATION FOR DISBURSEMENT OF GRANT FUNDS.

3.1 Reimbursement requests for all Project Costs, including Administrative Project Costs, Delivery Costs and Subrecipient costs, shall be accompanied by proper supporting documentation in the amount of each requested disbursement along with a payment request form as supplied by CDFA, which shall be completed and signed by Grantee. Documentation may include invoices and receipts for supplies, equipment, services, contractual services and, where applicable, a report of salaries paid or to be paid.

4. LIMITATIONS ON USE OF FUNDS.

4.1 Grant funds are to be used in a manner consistent with the State of New Hampshire Community Development Block Grant Program as approved by the U.S. Department of Housing and Urban Development.

4.2 Grant funds are to be used only in accordance with procedures, requirements and principles specified in 2 CFR 200.

4.3 Grant funds may not, without advance written approval by CDFA, be obligated prior to the Effective Date or subsequent to the Completion Date of the grant period. Obligations outstanding as of the Completion Date shall be liquidated within ninety (90) days. Such obligations must be related to goods or services provided during the grant period, except that reasonable costs associated solely with grant closeout, (e.g., audits, final reports) may be incurred within ninety (90) days after the Completion Date. The funding assistance authorized hereunder shall not be obligated or utilized for any activities requiring a release of funds under the Environmental Review Procedure for the Community Development Block Grant Program at 24 CFR Part 58, until such release is issued in writing by CDFA.

4.4 Grantee may submit a written request for the authority to transfer up to ten (10) percent of the full value of the grant from one approved activity to another listed in Exhibit B herein or from an approved activity within the approved project area to an approved activity located outside the project area and the Director of CDFA may approve the requested transfer.

  
Initial Here

4.5 Transfers over ten (10) percent of the full value of the Grant from one approved activity to other approved activities or outside the target area, or the addition of one or more new activities requires an amendment to this Grant Agreement. Grantee shall hold a public hearing in accordance with RSA 4: C: 14 II (b) submitting a request for an amendment involving twenty-five (25) percent or more of the full value of the Grant.

4.6 Up to \$16,000 of Grant Funds may be applied by the Grantee for Administrative Costs in carrying out the requirements of this Agreement.

4.7 Up to \$114,000 of Grant Funds may be subgranted to Subrecipients for the purpose of performance of the services outlined in the table referenced in Exhibit B.

5. PERFORMANCE OF SERVICES BY GRANTEE PRIOR TO EFFECTIVE DATE; PAYMENT BY CDFA.

Any Grant Activities performed by Grantee with non-CDBG funds prior to the Effective Date shall be performed at the sole risk of Grantee, and in the event that this Agreement shall not become effective, CDFA shall be under no obligation to pay Grantee for any costs incurred in connection with any Grant Activities, or to otherwise pay for any Activities performed during such period.

6. PROGRAM INCOME.

6.1 Any program income, defined as gross income directly generated from the use of CDBG-CV funds, shall be retained by the Subrecipient while this Agreement is active. This income must be expended before any transfer of funds can be made from the CDBG-CV program. All conditions for funding the Subrecipient shall apply to the expenditures of these funds. Any program income on hand when the Agreement expires or received after the Agreement expires shall be paid to CDFA.

7. DISPOSITION.

7.1 When original or replacement equipment acquired under this Agreement is no longer needed for the original project or program or for other activities currently or previously supported by CDFA, the Subrecipient must request disposition instructions from CDFA.

- C. Based on information provided by the Subrecipient and other local and regional public service agencies/organizations, the Grantee has determined that there will be no duplication of benefits provided to the same eligible beneficiaries of this activity during the same period of performance. See Attachment II attached hereto and made a part hereof this Agreement.

In consideration of the mutual promises and covenants contained herein, the parties hereto agree as follows:

#### 1. REPRESENTATION AND WARRANTIES.

Subrecipient represents and warrants to Grantee as follows:

1.1 Subrecipient is a duly organized and validly existing New Hampshire nonprofit corporation in good standing under the laws of this State. Subrecipient has the power and authority to accept the subgrant from Grantee and to perform the activities required by this Subrecipient Agreement. Subrecipient has the power and authority to own its properties, to conduct business as it is now being conducted, to execute and deliver and perform its obligations under the Subrecipient Agreement and all other documents as applicable to this Subrecipient Agreement.

1.2 The Subrecipient Agreement is the legal, valid and binding obligation of Subrecipient enforceable against Subrecipient, in accordance with its terms.

1.3 Subrecipient has complied and will comply in all material respects with all applicable federal, state and local laws, statutes, rules and regulations pertaining to the receipt of the subgranted funds from Grantee and performance of the activities required to be performed hereunder.

  
Initial Here

1.4 No application, exhibit, schedule, report or other written information provided by Subrecipient or its agents knowingly contained, when made, any material misstatement of fact or knowingly omitted to state any material fact necessary to make the statements contained therein not misleading, in light of the circumstances under which they were made.

2. PROJECT PURPOSE, DESCRIPTION AND SUBRECIPIENT ACTIVITIES.

2.1 This project shall consist of the awarding of \$130,000 in Community Development Block Grant Coronavirus (CDBG-CV) funds to the City of Concord (the "Grant Funds"), of which a total of \$114,000 is to be subgranted as itemized on the table below\* (collectively referred to as "Subrecipient") for Public Services subgrants. Subgranted funds must be used by the Subrecipients to provide public services activities to prevent, prepare for, and respond to Coronavirus in accordance with the CARES Act allocation to the Grantee and of the U.S. Department of Housing and Urban Development (HUD) Community Development Block Grant Program, as set forth in the Housing and Community Development Act of 1974, as amended, (42 USC. 5301 et seq.), hereinafter referred to as CDBG.

2.2 Benefit to Low- and Moderate-Income Persons.

The general purpose of the project is to principally benefit Low- and Moderate-Income Persons as that term is defined in the Grant Agreement: "those Persons whose income falls at or below the "low income" level as referenced in 24 CFR 570.483 as determined by the U. S. Department of Housing and Urban Development (HUD) for the State of New Hampshire". The most current HUD Income Limits may be found at CDFA's website at [www.nhcdfa.org](http://www.nhcdfa.org).

Consistent with the National Objectives of the Community Development Block Grant Program under Title I of the Housing and Community Development Act of 1974, as amended, the Parties agree that one hundred percent (100%) of the 650 persons served shall be of low- and moderate-income as that term is defined in 24 CFR 570.483.

3. SUBRECIPIENT REQUIREMENTS.

3.2 Disbursement of Grant Funds. Upon compliance with, and subject to the provisions of this Subrecipient Agreement and provided there shall exist no Event of Default under this Subrecipient Agreement, the Grant Agreement or any other agreements, in connection with the Project, and no condition or event which, with the giving of notice or lapse of time would constitute such an Event of Default, the Grantee shall, upon submittal of written requests for payment accompanied by invoices and other documentation or supporting documents as required by the Grantee, make disbursements of grant funds. Such disbursement of funds by the Grantee does not constitute acceptance by the Grantee or CDFA of any item as an eligible Project cost until all Project costs have been audited and determined to be allowable costs. Upon the expiration of the Grant Agreement, or other termination of the Project, Subrecipient shall transfer to the Grantee any subgranted funds on hand at the time of expiration and any accounts receivable attributable to the use of CDBG funds.

4. REPORTING REQUIREMENTS: ANNUAL, SEMI-ANNUAL AND CLOSEOUT AGREEMENTS.

A schedule of major milestones shall be provided within the Subrecipient Agreement, and shall serve as a basis for enforcement of the Agreement.

6.2 Grant Completion Date. All work shall be completed prior to the Grant Completion Date as outlined in Section 1.7 of the General Provisions. All employment commitments shall be accomplished by that date. This date may be extended only with the permission of the Grantee, CDFA, and the Governor and Council.

6.3 Project Delays. Should the Project encounter delays relating to financing, construction or other events that may affect the Subrecipient's ability to serve the number of beneficiaries identified in Section 2 within the specified Grant Completion Date, the Subrecipient and Grantee shall submit a written request for a time extension to CDFA, describing the reason for delay. Grant completion time extension requests shall then be forwarded to Governor and Council for final approval.

7. INSURANCE AND TAXES.

7.1 Subrecipient's Liability Insurance. Subrecipient shall, at its sole expense, obtain and maintain in force insurance in such amounts and covering such risks as are customary for entities engaged in the same or similar business to include, where applicable, comprehensive general liability covering any property development/construction activities and landlord insurance and workers' compensation insurance. to do business in the State of New Hampshire. All policies shall be on an “occurrence” basis. Each policy shall contain a clause prohibiting cancellation or modification of the policy earlier than thirty (30) days after written notice thereof has been received by the Grantee and CDFA.

7.3 Taxes. If applicable, Subrecipient shall pay all taxes, assessments, charges, fines and impositions attributable to the Property, which is the responsibility of the Subrecipient. Any alternative arrangements will require the approval of CDFA, whose consideration will not be unreasonably withheld.

## 8. ACCOUNTING, AUDIT, AND RECORD KEEPING REQUIREMENTS.

8.1 Accounting Records. Subrecipient shall keep all Project-related accounts and records, which fully disclose the amount and disposition by Subrecipient of the grant funds, the total cost of the Project, and the amount and nature of any portion of the Project cost supplied by other sources, and such other financial records pertinent to the Project. Accounts and records shall be kept in accordance with an accounting system that will facilitate an effective audit in accordance with the Single Audit Act of 1984. Subrecipient shall defend, indemnify and hold harmless the Grantee, the State of New Hampshire, and CDFA, their officers and employees, from and against any and all losses suffered by the Grantee, the State, or CDFA, their officers or employees, and any and all claims, liabilities or penalties asserted against the Grantee, the State or CDFA, their officers and employees, by or on behalf of any person, on account of, based on, resulting from, arising out of or claimed to Subrecipient out of the acts or omissions of Subrecipient.

Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State or the Grantee, which immunity is hereby reserved to the State and the Grantee. This covenant shall survive the termination or expiration of this Agreement.

## 10. MAINTENANCE OF CORPORATE EXISTENCE.

10.1 Corporate Existence. Subrecipient shall both preserve and maintain the legal existence and good standing of its nonprofit corporation status and its registration in New Hampshire as required to do business.
