His Excellency, Governor Kelly A. Ayotte  
and the Honorable Council  
State House  
Concord, New Hampshire 03301

**REQUESTED ACTION**

Authorize the Department of Environmental Services (NHDES) to amend an existing contract (PO# 1103386 & PO# 7003806) with Kingsbury Companies, LLC, Middlesex, VT (VC# 269022-B001), for construction services for the rehabilitation of Little Bog Pond Dam and Lower Trio Pond Dam in Odell, NH, by extending the completion date to December 31, 2026 from July 25, 2026, effective upon Governor and Council approval. The original agreement was approved by the Governor and Council on October 30, 2024 as Item# 70. This is a no cost time extension. Funding is 41.9% American Rescue Plan Act (ARPA) Funds, and 58.1% Capital (General) Funds. This is an allowable use of ARP FRF funds under Section 602 (c)(1)(D) to make necessary investments in general government services.

**EXPLANATION**

Little Bog Pond Dam and Lower Trio Pond Dam are located in the Nash Stream Forest, the access to which was closed in early December of 2025 to vehicle traffic, including construction and materials vehicles, and will not open again for such traffic until late May. Certain elements of the construction project that were originally planned for completion by the end of the 2025 construction season, including additional concrete pours and associated earthwork at Little Bog Pond Dam and installation of a bridge along the access road to Lower Trio Dam, cannot be started until late May of 2026. Because of this delay, more time will be needed to complete the work than the current contract allows.

NHDES wishes to execute an amendment to the Agreement to provide a no-cost extension of the completion date of the Agreement to December 31, 2026 from July 25, 2026, effective upon Governor and Council approval, to allow for completion of construction.

Kingsbury Companies, LLC, has agreed to extend the current Agreement. To date, \$3,619,195.23 has been spent from the \$5,273,540.00 contract.

This amendment has been approved by the Attorney General's Office as to form, substance and execution.

We respectfully request your approval.

Robert R. Scott, Commissioner

**CONSTRUCTION SERVICES – LITTLE BOG POND DAM & LOWER TRIO POND DAM, ODELL, NH**

WHEREAS Little Bog Pond Dam and Lower Trio Pond Dam are located in the Nash Stream Forest, the access to which closed in early December of 2025 and will not open again until late May of 2026.

WHEREAS certain elements of the construction project cannot be started until late May of 2026, and more time is needed to complete the work than the current contract end date allows for.
