EXPLANATION

The New Hampshire Department of Justice is seeking approval to accept and expend this grant award received from the U.S. Department of Justice, Office of Justice Programs, Bureau of Justice Assistance, BJA FY25 Strengthening the Medical Examiner-Coroner System Program. These funds were not budgeted by NH DOJ as this funding was not awarded in the previous year and this discretionary application was awarded on a competitive basis with no guarantee that New Hampshire would receive an award.

This funding project is specifically designed to improve quality, timeliness, and credibility of forensic science services to the OCME by allocating funding towards the procurement of imaging equipment to produce full body X-ray pictures for use in investigative and forensic tasks by designated staff at the OCME. This device facilitates rapid full-body postmortem imaging, allowing images to be taken without having to reposition the body. The simple design allows for the scanner to be used by autopsy technicians, rather than the need for radiography technicians that currently operate the portable X-ray machines.

Funds for this item are to be budgeted as follows:

Class 022 – Rents-Leases Other Than State – These funds will not be needed for the rest of the lease at Concord Hospital as the OCME has entered into a new lease agreement for their new location.

Class 030 – Equipment – To fund the purchase of a full body X-Ray Machine

Class 038 – Software – These funds will not be needed as the costs of software updates for the year have been less than anticipated.

The following information is provided in accordance with the Budget Officer's instructional memorandum dated April 17, 1985.

Justification:

Office for Civil Rights Notice for All Recipients

The Office for Civil Rights (OCR), Office of Justice Programs (OJP), U.S. Department of Justice (DOJ) enforces federal civil rights laws and other provisions that prohibit discrimination by recipients of federal financial assistance from OJP, the Office of Community Oriented Policing Services (COPS), and the Office on Violence Against Women (OVW).

Several civil rights laws, including Title VI of the Civil Rights Act of 1964 and Section 504 of the Rehabilitation Act of 1973, require recipients of federal financial assistance (recipients) to give assurances that they will comply with those laws. Taken together, these and other civil rights laws prohibit recipients from discriminating in the provision of services and employment because of race, color, national origin, religion, disability, and sex or from discriminating in the provision of services on the bases of age.

Some recipients of DOJ financial assistance have additional obligations to comply with other applicable nondiscrimination provisions like the Omnibus Crime Control and Safe Streets Act of 1968, which prohibits discrimination on the basis of religion in addition to race, color, national origin, and sex. Recipients may also have related requirements regarding the development and implementation of equal employment opportunity programs.

OCR provides technical assistance, training, and other resources to help recipients comply with civil rights obligations. Further, OCR administratively enforces civil rights laws and nondiscrimination provisions by investigating DOJ recipients that are the subject of discrimination complaints. In addition, OCR conducts compliance reviews of DOJ recipients based on regulatory criteria. These investigations and compliance reviews permit OCR to evaluate whether DOJ recipients are providing services to the public and engaging in employment practices in a nondiscriminatory manner.

For more information about OCR, your civil rights and nondiscrimination responsibilities, how to notify your employees or beneficiaries of their civil rights protections and responsibilities and how to file a complaint, as well as technical assistance, training, and other resources, please visit www.ojp.gov/program/civil-rights-office/outreach. If you would like OCR to assist you in fulfilling your civil rights or nondiscrimination responsibilities, please contact us at askOCR@ojp.usdoj.gov or www.ojp.gov/program/civil-rights-office/about#ocr-contacts.

All BJA awards are subject to the National Environmental Policy Act (NEPA, 42 U.S.C. 4321 et seq.) and other related federal laws (including the National Historic Preservation Act), if applicable. Award recipients (and subrecipients, as applicable) must support BJA's compliance with NEPA by providing details about their project, its location, and any resources that might be affected. BJA complies with NEPA (and other related federal laws) for an award-funded activity by evaluating the environmental impacts of the activity in one of three levels of analysis: a Categorical Exclusion (CATEX), an Environmental Assessment (EA), or an Environmental Impact Statement (EIS). See <https://bja.ojp.gov/funding/nepa-guidance> for additional information regarding NEPA implementation.

Carefully review the conditions on this award for information about any requirements specific to NEPA compliance for this award.

After completion of any required environmental analysis, throughout the term of this award the recipient must inform BJA of (1) any change(s) that it is considering making to the previously assessed activity that may be relevant to environmental impact; or (2) any proposed new activities or changed circumstances that may require assessment as to environmental impact, such as new activities that involve the use of chemicals or involve construction or major renovation. The recipient may not implement a proposed change or new activity until BJA, with the assistance of the recipient, has determined whether the proposed change or new activity (or changed circumstances) will require additional review under NEPA. Approval for implementation will not be unreasonably withheld as long as any requested modification(s) is consistent with eligible program purposes and found acceptable under an approved environmental impact review process.

Questions about NEPA compliance may be directed to your grant manager.

Financial Information

This award is offered subject to the conditions or limitations set forth in the Award Information, Project Information, Financial Information, and Award Conditions.

The recipient budget is currently under review.

I have read and understand the information presented in this section of the Federal Award Instrument.

Award Conditions

This award is offered subject to the conditions or limitations set forth in the Award Information, Project Information, Financial Information, and Award Conditions.

Condition 1

Compliance with general appropriations-law restrictions on the use of federal funds (FY 2025)

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions that may be set out in applicable appropriations acts are indicated at <https://ojp.gov/funding/Explore/FY25AppropriationsRestrictions.htm>, and are incorporated by reference here.

Should a question arise as to whether a particular use of federal funds by a recipient (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

Condition 2

Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 38

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 38.

Among other things, 28 C.F.R. Part 38 states that recipients may not use direct Federal financial assistance from the Department of Justice to support or engage in any explicitly religious activities except when consistent with the Establishment Clause of the First Amendment to the U.S. Constitution and any other applicable requirements. An organization receiving Federal financial assistance also may not, in providing services funded by the Department of Justice or in outreach activities related to such services, discriminate against a program beneficiary or prospective program beneficiary on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38 also sets out rules and requirements that pertain to recipient and subrecipient ("subgrantee") organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to recipients and subrecipients that are faith-based or religious organizations. In addition, Part 38 states that a faith-based organization that participates in a Department of Justice funded program retains its independence from the Government and may continue to carry out its mission consistent with religious freedom and conscience protections in Federal law.

Recipients and subrecipients that provide social services under this award must give written notice to beneficiaries and prospective beneficiaries prior to the provision of services (if practicable) which shall include language substantially similar to the language in 28 CFR Part 38, Appendix C, sections (1) through (4). A sample written notice may be found at <https://www.ojp.gov/program/civil-rights-office/partnerships-faith-based-and-other-neighborhood-organizations>.

In certain instances, a faith-based or religious organization may be able to take religion into account when making hiring decisions, provided it satisfies certain requirements. For more information, see "Nondiscrimination provisions and the Religious Freedom Restoration Act," accessible at <https://www.ojp.gov/funding/explore/legaloverview2025/civilrightsrequirements>.

Condition 3

Requirements pertaining to prohibited conduct related to trafficking in persons (including reporting requirements and OJP authority to terminate award)

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the

part of recipients, subrecipients ("subgrantees"), or individuals defined (for purposes of this condition) as "employees" of the recipient or of any subrecipient.

The details of the recipient's obligations related to prohibited conduct related to trafficking in persons are posted on the OJP web site at <https://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm> (Award condition: Prohibited conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and OJP authority to terminate award)), and are incorporated by reference here.

Condition 4

Specific post-award approval required to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold, as set forth in the Federal Acquisition Regulations (FAR). See the definition of simplified acquisition threshold in the FAR at 48 CFR part 2, subpart 2.1. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a procurement "contract" (and therefore does not consider a subaward).

The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP web site at <https://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm> (Award condition: Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would exceed Simplified Acquisition Threshold)), and are incorporated by reference here.

Condition 5

Federal Civil Rights and Nondiscrimination Laws (certification)

The recipient agrees that its compliance with all applicable Federal civil rights and nondiscrimination laws is material to the government's decision to make this award and any payment thereunder, including for purposes of the False Claims Act (31 U.S.C. 3729-3730 and 3801-3812), and, by accepting this award, certifies that it does not operate any programs (including any such programs having components relating to diversity, equity, and inclusion) that violate any applicable Federal civil rights or nondiscrimination laws.

Condition 6

Requirements of the award; remedies for non-compliance or for materially false statements

The conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance also is a material requirement of this award.

Limited Exceptions. In certain special circumstances, the U.S. Department of Justice ("DOJ") may determine that a legal notice regarding award requirements is necessary or that it will not enforce, or enforce only in part, one or more requirements otherwise applicable to the award. Any such notice or exception regarding enforcement, including any such notice or exception made during the period of performance, is (or will be during the period of performance) set out through the Office of Justice Programs ("OJP") webpage entitled "Legal Notices: Special circumstances as to particular award conditions" (ojp.gov/funding/Explore/LegalNotices-AwardReqs.htm), and incorporated by reference into the award.

By signing and accepting this award on behalf of the recipient, the authorized recipient official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized recipient official, all assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance.

Failure to comply with one or more award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period -- may result in OJP taking appropriate action with respect to the recipient and the award. Among other things, the OJP may withhold award funds, disallow costs, or suspend or terminate the award. DOJ, including OJP, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or -unenforceable, such provision shall be deemed severable from this award.

Condition 7

Effect of failure to address audit issues

The recipient understands and agrees that the DOJ awarding agency (OJP or OVW, as appropriate) may withhold award funds, or may impose other related requirements, if (as determined by the DOJ awarding agency) the recipient does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.

Condition 8

Applicability of Part 200 Uniform Requirements

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by DOJ in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements"), including, without limitation, the provisions regarding termination in 2 C.F.R. 200.340, apply to this award from OJP.

For more information and resources on the Part 200 Uniform Requirements as they relate to OJP awards and subawards ("subgrants"), see the OJP website at <https://ojp.gov/funding/Part200UniformRequirements.htm>.

Record retention and access: Records pertinent to the award that the recipient (and any subrecipient ("subgrantee") at any tier) must retain -- typically for a period of 3 years from the date of submission of the final expenditure report (SF 425), unless a different retention period applies -- and to which the recipient (and any subrecipient ("subgrantee") at any tier) must provide access, include performance measurement information, in addition to the financial records, supporting documents, statistical records, and other pertinent records indicated at 2 C.F.R. 200.334.

In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the recipient is to contact OJP promptly for clarification.

Condition 9

Reporting potential fraud, waste, and abuse, and similar misconduct

The recipient, and any subrecipients ("subgrantees") at any tier, must promptly refer to the DOJ Office of the Inspector General (OIG) any credible evidence that a principal, employee, agent, subrecipient, contractor, subcontractor, or other person has, in connection with funds under this award-- (1) submitted a claim that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

Potential fraud, waste, abuse, or misconduct involving or relating to funds under this award should be reported to the OIG by--(1) online submission accessible via the OIG webpage at <https://oig.justice.gov/hotline/contact-grants.htm> (select "Submit Report Online"); (2) mail directed to: U.S. Department of Justice, Office of the Inspector General, Investigations Division, ATTN: Fraud Detection Office, 950 Pennsylvania Ave., NW, Washington, DC 20530; and/or (3) by facsimile directed to the DOJ OIG Investigations Division (Attn: Grantee Reporting) at (202) 616-9881 (fax).

Additional information is available from the DOJ OIG website at <https://oig.justice.gov/hotline>.

Condition 10

Requirements related to "de minimis" indirect cost rate

A recipient that is eligible under the Part 200 Uniform Requirements and other applicable law to use the "de minimis" indirect cost rate described in 2 C.F.R. 200.414(f), and that elects to use the "de minimis" indirect cost rate, must advise OJP in writing of both its eligibility and its election, and must comply with all associated requirements in the Part 200 Uniform Requirements. The "de minimis" rate may be applied only to modified total direct costs (MTDC) as defined by the Part 200 Uniform Requirements.

Condition 11

Compliance with applicable rules regarding approval, planning, and reporting of conferences, meetings, trainings, and other events

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences.

Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears in the DOJ Grants Financial Guide (currently, as section 3.10 of "Postaward Requirements" in the "DOJ Grants Financial Guide").

Condition 12

Requirement for data on performance and effectiveness under the award

The recipient must collect and maintain data that measure the performance and effectiveness of work under this award. The data must be provided to OJP in the manner (including within the timeframes) specified by OJP in the program solicitation or other applicable written guidance. Data collection supports compliance with the Government Performance and Results Act (GPRA) and the GPRA Modernization Act of 2010, and other applicable laws.

Condition 13

Compliance with DOJ Grants Financial Guide

References to the DOJ Grants Financial Guide are to the DOJ Grants Financial Guide as posted on the OJP website (currently, the "DOJ Grants Financial Guide" available at <https://ojp.gov/financialguide/DOJ/index.htm>), including any updated version that may be posted during the period of performance. The recipient agrees to comply with the DOJ Grants Financial Guide.

Condition 14

Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 42

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 42, specifically including 28 C.F.R. § 42.106(d), 28 C.F.R. § 42.405(c), and 28 C.F.R. § 42.505(f), which contain notice requirements that covered recipients must follow regarding the dissemination of information regarding federal nondiscrimination requirements.

Condition 15

Determination of suitability to interact with participating minors

SCOPE. This condition applies to this award if it is indicated -- in the application for the award (as approved by DOJ)(or in the application for any subaward, at any tier), the DOJ funding announcement (solicitation), or an associated federal statute -- that a purpose of some or all of the activities to be carried out under the award (whether by the recipient, or a subrecipient at any tier) is to benefit a set of individuals under 18 years of age.

The recipient, and any subrecipient at any tier, must make determinations of suitability before certain individuals may interact with participating minors. This requirement applies regardless of an individual's employment status.

The details of this requirement are posted on the OJP web site at <https://ojp.gov/funding/Explore/Interact-Minors.htm>

(Award condition: Determination of suitability required, in advance, for certain individuals who may interact with participating minors), and are incorporated by reference here.

Condition 16

Requirement to disclose whether recipient is designated "high risk" by a federal grant-making agency outside of DOJ

If the recipient is designated "high risk" by a federal grant-making agency outside of DOJ, currently or at any time during the course of the period of performance under this award, the recipient must disclose that fact and certain related information to OJP by email at OJP.ComplianceReporting@ojp.usdoj.gov. For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the recipient's past performance, or other programmatic or financial concerns with the recipient. The recipient's disclosure must include the following: 1. The federal awarding agency that currently designates the recipient high risk, 2. The date the recipient was designated high risk, 3. The high-risk point of contact at that federal awarding agency (name, phone number, and email address), and 4. The reasons for the high-risk status, as set out by the federal awarding agency.

Condition 17

Employment eligibility verification for hiring under the award

1. The recipient (and any subrecipient at any tier) must--

A. Ensure that, as part of the hiring process for any position within the United States that is or will be funded (in whole or in part) with award funds, the recipient (or any subrecipient) properly verifies the employment eligibility of the individual who is being hired, consistent with the provisions of 8 U.S.C. 1324a(a)(1).

B. Notify all persons associated with the recipient (or any subrecipient) who are or will be involved in activities under this award of both--

(1) this award requirement for verification of employment eligibility, and

(2) the associated provisions in 8 U.S.C. 1324a(a)(1) that, generally speaking, make it unlawful, in the United States, to hire (or recruit for employment) certain aliens.

C. Provide training (to the extent necessary) to those persons required by this condition to be notified of the award requirement for employment eligibility verification and of the associated provisions of 8 U.S.C. 1324a(a)(1).

D. As part of the recordkeeping for the award (including pursuant to the Part 200 Uniform Requirements), maintain records of all employment eligibility verifications pertinent to compliance with this award condition in accordance with Form I-9 record retention requirements, as well as records of all pertinent notifications and trainings.

2. Monitoring

The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

3. Allowable costs

To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions designed to ensure compliance with this condition.

4. Rules of construction

A. Staff involved in the hiring process

For purposes of this condition, persons "who are or will be involved in activities under this award" specifically includes (without limitation) any and all recipient (or any subrecipient) officials or other staff who are or will be involved in the hiring process with respect to a position that is or will be funded (in whole or in part) with award funds.

B. Employment eligibility confirmation with E-Verify

For purposes of satisfying the requirement of this condition regarding verification of employment eligibility, the recipient (or any subrecipient) may choose to participate in, and use, E-Verify (www.e-verify.gov), provided an appropriate person authorized to act on behalf of the recipient (or subrecipient) uses E-Verify (and follows the proper E-Verify procedures, including in the event of a "Tentative Nonconfirmation" or a "Final Nonconfirmation") to confirm employment eligibility for each hiring for a position in the United States that is or will be funded (in whole or in part) with award funds.

C. "United States" specifically includes the District of Columbia, Puerto Rico, Guam, the Virgin Islands of the United States, and the Commonwealth of the Northern Mariana Islands.

D. Nothing in this condition shall be understood to authorize or require any recipient, any subrecipient at any tier, or any person or other entity, to violate any federal law, including any applicable civil rights or nondiscrimination law.

E. Nothing in this condition, including in paragraph 4.B., shall be understood to relieve any recipient, any subrecipient at any tier, or any person or other entity, of any obligation otherwise imposed by law, including 8 U.S.C. 1324a(a)(1).

Questions about E-Verify should be directed to DHS. For more information about E-Verify visit the E-Verify website (<https://www.e-verify.gov/>) or email E-Verify at E-Verify@dhs.gov. E-Verify employer agents can email E-Verify at E-VerifyEmployerAgent@dhs.gov.

Questions about the meaning or scope of this condition should be directed to OJP, before award acceptance.

Condition 18

Encouragement of policies to ban text messaging while driving

Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), DOJ encourages recipients and subrecipients ("subgrantees") to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this award, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

Condition 19

Reclassification of various statutory provisions to a new Title 34 of the United States Code

On September 1, 2017, various statutory provisions previously codified elsewhere in the U.S. Code were editorially reclassified (that is, moved and renumbered) to a new Title 34, entitled "Crime Control and Law Enforcement." The reclassification encompassed a number of statutory provisions pertinent to OJP awards (that is, OJP grants and cooperative agreements), including many provisions previously codified in Title 42 of the U.S. Code.

Effective as of September 1, 2017, any reference in this award document to a statutory provision that has been reclassified to the new Title 34 of the U.S. Code is to be read as a reference to that statutory provision as reclassified to Title 34. This rule of construction specifically includes references set out in award conditions, references set out in material incorporated by reference through award conditions, and references set out in other award requirements.

Condition 20

Restrictions and certifications regarding non-disclosure agreements and related matters

No recipient or subrecipient ("subgrantee") under this award, or entity that receives a procurement contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

1. In accepting this award, the recipient--

a. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

b. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

2. If the recipient does or is authorized under this award to make subawards ("subgrants"), procurement contracts, or both--

a. it represents that--

(1) it has determined that no other entity that the recipient's application proposes may or will receive award funds (whether through a subaward ("subgrant"), procurement contract, or subcontract under a procurement contract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

(2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and

b. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

Condition 21

OJP Training Guiding Principles

Any training or training materials that the recipient -- or any subrecipient ("subgrantee") at any tier -- develops or delivers with OJP award funds must adhere to the OJP Training Guiding Principles for Grantees and Subgrantees, available at <https://www.ojp.gov/funding/implement/training-guiding-principles-grantees-and-subgrantees>.

Condition 22

Requirement to report potentially duplicative funding

If the recipient currently has other active awards of federal funds, or if the recipient receives any other award of federal funds during the period of performance for this award, the recipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the recipient must promptly notify the DOJ awarding agency (OJP or OVW, as appropriate) in writing of the potential duplication, and, if so requested by the DOJ awarding agency, must seek a budget-modification or change-of-project-scope Grant Award Modification (GAM) to eliminate any inappropriate duplication of funding.

Condition 23

Required training for Grant Award Administrator and Financial Manager

The Grant Award Administrator and all Financial Managers for this award must have successfully completed an "OJP financial management and grant administration training" by 120 days after the date of the recipient's acceptance of the award. Successful completion of such a training on or after January 1, 2022, will satisfy this condition.

In the event that either the Grant Award Administrator or a Financial Manager for this award changes during the period

of performance, the new Grant Award Administrator or Financial Manager must have successfully completed an "OJP financial management and grant administration training" by 120 calendar days after the date the Entity Administrator enters updated Grant Award Administrator or Financial Manager information in JustGrants. Successful completion of such a training on or after January 1, 2022, will satisfy this condition.

A list of OJP trainings that OJP will consider "OJP financial management and grant administration training" for purposes of this condition is available at <https://onlinegfmt.training.ojp.gov/>. All trainings that satisfy this condition include a session on grant fraud prevention and detection.

The recipient should anticipate that OJP will immediately withhold ("freeze") award funds if the recipient fails to comply with this condition. The recipient's failure to comply also may lead OJP to impose additional appropriate conditions on this award.

Condition 24

Compliance with 41 U.S.C. 4712 (including prohibitions on reprisal; notice to employees)

The recipient (and any subrecipient at any tier) must comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant.

The recipient also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.

Should a question arise as to the applicability of the provisions of 41 U.S.C. 4712 to this award, the recipient is to contact the DOJ awarding agency (OJP or OVW, as appropriate) for guidance.

Condition 25

Potential imposition of additional requirements

The recipient agrees to comply with any additional requirements that may be imposed by the DOJ awarding agency (OJP or OVW, as appropriate) during the period of performance for this award, if the recipient is designated as "high-risk" for purposes of the DOJ high-risk grantee list.

Condition 26

Requirement to report actual or imminent breach of personally identifiable information (PII)

The recipient (and any "subrecipient" at any tier) must have written procedures in place to respond in the event of an actual or imminent "breach" (OMB M-17-12) if it (or a subrecipient) -- (1) creates, collects, uses, processes, stores, maintains, disseminates, discloses, or disposes of "Personally Identifiable Information (PII)" (2 CFR 200.1) within the scope of an OJP grant-funded program or activity, or (2) uses or operates a "Federal information system" (OMB Circular A-130). The recipient's breach procedures must include a requirement to report actual or imminent breach of PII to an OJP Program Manager no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

Condition 27

Requirements related to System for Award Management and Universal Identifier Requirements

The recipient must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <https://www.sam.gov/>. This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

The recipient also must comply with applicable restrictions on subawards ("subgrants") to first-tier subrecipients (first-tier "subgrantees"), including restrictions on subawards to entities that do not acquire and provide (to the recipient) the unique entity identifier required for SAM registration.

The details of the recipient's obligations related to SAM and to unique entity identifiers are posted on the OJP web site at <https://ojp.gov/funding/Explore/SAM.htm> (Award condition: System for Award Management (SAM) and Universal Identifier Requirements), and are incorporated by reference here.

This condition does not apply to an award to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

Condition 28

Restrictions on "lobbying"

In general, as a matter of federal law, federal funds awarded by OJP may not be used by the recipient, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

Another federal law generally prohibits federal funds awarded by OJP from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

Condition 29

All subawards ("subgrants") must have specific federal authorization

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements for authorization of any subaward. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a "subaward" (and therefore does not consider a procurement "contract").

The details of the requirement for authorization of any subaward are posted on the OJP web site at <https://ojp.gov/funding/Explore/SubawardAuthorization.htm> (Award condition: All subawards ("subgrants") must have specific federal authorization), and are incorporated by reference here.

Condition 30

Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 54

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 54, which relates to nondiscrimination on the basis of sex in certain "education programs."

Among other items, 28 C.F.R. § 54.140 contains notice requirements that covered recipients must follow regarding the dissemination of information regarding federal nondiscrimination requirements.

Condition 31

The recipient understands that, in accepting this award, the Authorized Representative declares and certifies, among other things, that he or she possesses the requisite legal authority to accept the award on behalf of the recipient entity and, in so doing, accepts (or adopts) all material requirements that relate to conduct throughout the period of performance under this award. The recipient further understands, and agrees, that it will not assign anyone to the role of Authorized Representative during the period of performance under the award without first ensuring that the individual has the requisite legal authority.

Condition 32

Verification and updating of recipient contact information

The recipient must verify its Grant Award Administrator, Financial Manager, and Authorized Representative contact information in JustGrants, including telephone number and e-mail address. If any information is incorrect or has changed, the award recipient's Entity Administrator must make changes to contact information through DIAMD. Instructions on how to update contact information in JustGrants can be found at <https://justicegrants.usdoj.gov/training/training-entity-management>.

Condition 33

FFATA reporting: Subawards and executive compensation

The recipient must comply with applicable requirements to report first-tier subawards ("subgrants") of \$30,000 or more and, in certain circumstances, to report the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients (first-tier "subgrantees") of award funds. The details of recipient obligations, which derive from the Federal Funding Accountability and Transparency Act of 2006 (FFATA), are set forth in 2 C.F.R. part 170, Appendix A ("Award Term") and are incorporated by reference here.

This condition, including its reporting requirement, does not apply to-- (1) an award of less than \$30,000, or (2) an award made to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

Note: In early March 2025, the reporting system that had been used for subaward reporting, the FFATA (Federal Funding Accountability and Transparency Act) Subaward Reporting System (FSRS) was retired and functionality moved to SAM.gov. For more information, including steps on how to connect your FSRS account to SAM.gov, visit <https://sam.gov/fsrs>.

Condition 34

The recipient agrees to comply with OJP grant monitoring guidelines, protocols, and procedures, and to cooperate with BJA and OCFO on all grant monitoring requests, including requests related to desk reviews, enhanced programmatic desk reviews, and/or site visits. The recipient agrees to provide to BJA and OCFO all documentation necessary to complete monitoring tasks, including documentation related to any subawards made under this award. Further, the recipient agrees to abide by reasonable deadlines set by BJA and OCFO for providing the requested documents. Failure to cooperate with BJA's/OCFO's grant monitoring activities may result in sanctions affecting the recipient's DOJ awards, including, but not limited to: withholdings and/or other restrictions on the recipient's access to grant funds; referral to the Office of the Inspector General for audit review; designation of the recipient as a DOJ High Risk grantee; or termination of an award(s).

Condition 35

No funds may be used for UAS except with express prior approval from BJA. To request such approval, the recipient (or subrecipient, at any tier) must submit to BJA a written certification that, among other things, certifies that only UAS verified by the Defense Contract Monitoring Agency's "Blue UAS Cleared List" or any successor list (available at <https://bluelist.appsplatformportals.us/>) as not manufactured by a "covered foreign entity" may be purchased or operated under the federal award and, further, that no modifications or additional accessories may be introduced to the UAS funded by the award. The purchased UAS may not be used to process, store, or transmit Federal information. The recipient (or subrecipient) also must assure BJA that it has sufficient policies and procedures regarding privacy, civil liberties, and information technology cybersecurity related to the operation of the UAS. Finally, the recipient (or subrecipient) may be required to provide additional documentation to verify purchase and the related policies for the UAS. Funds proposed for the purchase of UAS may be withheld, pending confirmation of compliance with the terms of this award. Additional information and the required certification form may be found here: <https://bjaj.ojp.gov/funding/uas>.

Condition 36

No funds may be used for C-UAS except with express prior approval from BJA. To request such approval, the recipient (or subrecipient, at any tier) must submit to BJA a written certification that, among other things, certifies that any C-UAS purchased with award funds will only be procured and used in compliance with all applicable federal, state, and local laws and regulations, including criminal, surveillance, aviation, and communications laws. Any C-UAS purchased with award funds will be included on the list of technologies established by subsection (d)(2)(A)(iii) section 210G of the Homeland Security Act of 2002 (6 U.S.C. 124n(d)(2)(A)(iii)) to exercise the authority granted under subsection (a)(2) of such section. The certification also requires that the award recipient consult qualified legal counsel to review the proposed purchase and operation of C-UAS, and that the recipient will complete required trainings and obtain all required approvals, certifications, licenses, and authorizations prior to deployment, and will coordinate with relevant

authorities as required. The recipient (or subrecipient) also must assure BJA that it has sufficient policies and procedures regarding privacy, civil liberties, and information technology cybersecurity related to the operation of the C-UAS. Finally, the recipient (or subrecipient) may be required to provide additional documentation to verify purchase and the related policies for the C-UAS. Funds proposed for the purchase of C-UAS may be withheld, pending confirmation of compliance with the terms of this award. Additional information and the required certification form may be found here: <https://bja.ojp.gov/funding/uas>.

Condition 37

Any publication (e.g., curricula, training materials, publications, reports, videos, or any other written, web-based, or audio-visual, or other materials) funded in whole or in part under this award, (with the exception of press releases, websites, and mobile applications), shall contain the following statement: "This project was supported by Grant No. <Award_Number> awarded by the Bureau of Justice Assistance, Office of Justice Programs, U.S. Department of Justice. Points of view or opinions in this document are those of the author and do not necessarily represent the official position or policies of the U.S. Department of Justice."

Any website or mobile application that is funded in whole or in part under this award must include the following statement where most practicable: "This website [or application] was supported by Grant No. <Award_Number> awarded by the Bureau of Justice Assistance, Office of Justice Programs, U.S. Department of Justice. Neither the U.S. Department of Justice nor any of its components operate, control, are responsible for, or necessarily endorse, this website [or application] (including, without limitation, its content, technical infrastructure, and policies, and any services or tools provided)." The full text of the foregoing statement must be clearly visible. The statement may also be included through a link, entitled "Notice of Federal Funding and Federal Disclaimer," to the full text of the statement.

Upon specific request by BJA, the recipient must submit to BJA for review and approval (or, for recipients or subrecipients that are institutions of higher education, review and comment) any publication or product developed under this award at least 30 working days prior to the targeted dissemination date.

The current edition of the DOJ Grants Financial Guide provides additional guidance on allowable printing and publication activities.

Condition 38

The recipient agrees that federal funds under this award will be used to supplement but not supplant state or local government funds.

Condition 39

The recipient's budget (and budget narrative) is pending clearance by OJP.

Prior to budget clearance (and unless there is a more restrictive condition on this award, in which case the terms of that more restrictive condition apply): The recipient may not drawdown more than 10% of the award. Pre-clearance obligations, expenditures, and drawdowns may be disallowed if not in compliance with program requirements.

The recipient should be judicious in using award funds prior to budget clearance. Generally, OJP expects that recipients (depending on the specific project scope) may need to advertise for award-funded positions, pay personnel and fringe benefits for positions budgeted under the award, plan for project activities, attend training and pay training-related travel needed to begin the project, and engage in other limited activities conducted by recipient staff (i.e., generally not requiring a subaward or procurement contract under an award).

OJP will issue an Award Condition Modification upon budget clearance.

Condition 40

The recipient agrees to comply with all Federal, State, and local environmental laws and regulations applicable to the development and implementation of the activities to be funded under this award. Based upon the information provided by the recipient in its application for these funds, BJA has determined that the proposed activities meet the definition of a categorical exclusion, as defined in the Department of Justice Procedures for Implementing the National Environmental Policy Act, or are covered by an existing Programmatic Environmental Assessment (PEA). Consequently, no further environmental impact analysis is necessary under the requirements of the National Environmental Policy Act, 42 U.S.C. 4321.

Modifications: Throughout the term of this award, the recipient agrees that it will inform BJA of-- (1) any change(s) that it is considering making to the previously assessed activities that may be relevant to the environmental impacts of the activities; or (2) any proposed new activities or changed circumstances that may require assessment as to environmental impact, such as new activities that involve the use of chemicals or involve construction or major renovation. The recipient will not implement a proposed change or new activity until BJA, with the assistance of the recipient, has completed any applicable environmental impact review requirements necessitated by the proposed change or new activity (or changed circumstances) and BJA has concurred in the proposed change or new activity. This approval will not be unreasonably withheld as long as any requested modification(s) is consistent with eligible program purposes and found acceptable under an approved environmental impact review process.

Condition 41

The recipient may not expend or draw down more than 10% of the award funds until BJA has received and approved the required application attachment(s) and has issued an Award Condition Modification (ACM) releasing this award condition. Obligations, expenditures, and drawdowns prior to the ACM are made at the recipient's risk and may be disallowed if not in compliance with program requirements or approved budget.

I have read and understand the information presented in this section of the Federal Award Instrument.
