## EXPLANATION

The family trust of Paul Bisset has been making annual financial donations to the New Hampshire Fish and Game Law Enforcement Division for the past several years. These donations are made to honor New Hampshire Fish and Game Officers and to recognize all the work they do during challenging search and rescue missions throughout the state. This donation will provide much needed financial support to properly outfit the Conservation Officers and Canine Teams with lifesaving safety equipment and skill sets from training that is utilized to complete the myriad of search and rescue missions each year. This donation will greatly assist the members of the Advanced Search and Rescue Team to be successful in achieving improved public safety and education with the challenges faced during the various backcountry search and rescue missions.

The New Hampshire Fish and Game Commission voted unanimously to accept this donation at their February 17, 2026, Commission Meeting.
