Department of Environmental Services

Robert R. Scott, Commissioner

91 - 6/17/26

April 30, 2026

Her Excellency, Governor Kelly A. Ayotte
and the Honorable Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Environmental Services to award an Asset Management Grant to the Campton Village Precinct, NH (VC# 155536-B001) totaling \$29,753 to improve public water system management, effective upon Governor and Council approval through December 31, 2027. 100% Federal Funds.

Funding is available in the following account:

03-44-44-441018-5564-072-500574	<u>FY 2026</u>
Dept. Environmental Services, DWSRF BIL Administration, Grants- Federal	\$29,753

EXPLANATION

During the fall of 2025, the Department of Environmental Services issued a solicitation for applications for 2025 Water System Sustainability Grants to community water systems serving a population greater than 150 people. Nine (9) applications were received, evaluated, and ranked based on criteria included in the solicitation, such as whether the project improves operational efficiency and technical, managerial and financial capacity. Out of the nice project proposals, four (4) were selected to be funded. See attachment A for the application rankings and list of reviewers.

Campton Village Precinct will use the grant funds for the development and implementation of a new asset management plan. The plan will include an inventory of all assets, an asset evaluation, staff training, and a cost-of-service analysis. Implementing asset management practices enables proactive maintenance of water system infrastructure, reduces operational risks, and addresses long-term challenges. This approach provides a data-driven, defensible framework for budgeting and prioritizing projects and resources

This agreement has been approved by the Attorney General's Office as to form, substance, and execution. In the event these funds become unavailable, general funds will not be requested to support this project.

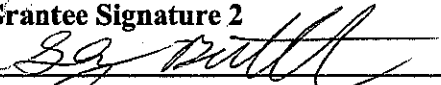

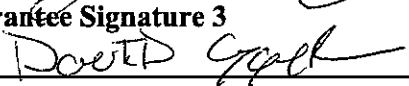

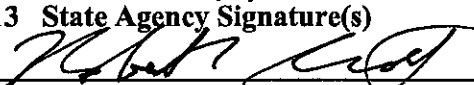

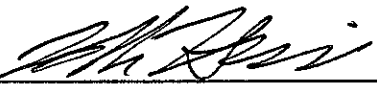

We respectfully request your approval of this item.

Robert R. Scott
Commissioner
