

The State of New Hampshire
Department of Environmental Services

Robert R. Scott, Commissioner

32 - 7/8/26

May 26, 2026

Her Excellency, Governor Kelly A. Ayotte
and the Honorable Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Environmental Services (NHDES) to enter into a grant agreement with the Town of Hampton, NH (177399-B002) totaling \$2,860 to fund Household Hazardous Waste collection projects effective as of September 19, 2026 through June 30, 2027, upon Governor and Council approval. 100% Hazardous Waste Cleanup Funds.

Funding is available in the account as follows:

	<u>FY 2027</u>
03-44-44-444010-5392-073-500580	\$2,860
Dept. of Environmental Services, Hazardous Waste Cleanup Fund, Grants Non-Federal	

EXPLANATION

Improper disposal of household hazardous waste may leach toxic chemicals into water supplies, rivers, ponds and farmland, thereby endangering public health and the environment. Of particular concern is the danger of contaminating groundwater used for drinking water supplies. The Legislature, under RSA 147-B:6, established a program to grant monies to municipalities or their authorized representatives to partially fund household hazardous waste collection projects. Funding is determined on a per capita basis. A grantee is required to match the funds received from the state. This grant, while less than the \$10,000 threshold, requires Governor and Council approval as the above grantee received funds in excess of the threshold for this fiscal year.

In October of 2025, communities were notified that grant funds were available and that applications would be accepted for assisting with household hazardous waste disposal projects in FY2027. Applications were submitted to the household hazardous waste program for consideration. Although this is a competitive grant program, the FY 2027 budget is sufficient to allow funding for all twenty-three applicants this fiscal year. Attachment 1 provides a list of all applicants and their award amounts.

The grant agreements specify that collection projects will be conducted by a New Hampshire registered hazardous waste transporter and that all waste collected at the project site be transported, at the end of the day, to an authorized hazardous waste facility for proper disposal. NHDES will make payment to a grantee upon successful completion of the project as defined in the agreement.

In the event that other funds become no longer available, General funds will not be requested to support the projects. The agreements have been approved as to form, substance, and execution by the Office of the Attorney General.

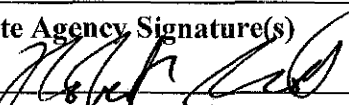

We respectfully request your approval.

Robert R. Scott, Commissioner

No Grant Monies shall be paid to the Grantee until the Department has determined that all the Project's collected hazardous wastes have been delivered to a permitted hazardous waste facility and the Department has reviewed the handling, transportation, storage, treatment, recycling and/or disposal of the Project's collected hazardous wastes and determined the project is in compliance with applicable state and federal requirements. Said requirements shall include RSA 147-A, Chapter Env-Hw 100 et seq., and those of the state/s through which and to which the waste has been sent. 3. Grantee expenses not directly associated with the Project shall not be reimbursable by the Department. Only costs that otherwise would not have been spent by the Grantee were it not for the Project, and the Grantee's coordination thereof, shall be reimbursed by the Department. Non-reimbursable items shall include, but not be limited to, the following: employee benefits, payroll taxes, insurance, rent, utilities, dues, and depreciation.
4. The Grantee agrees to expend monies on the Project in an amount not less than the Project's Grant Monies, in fulfillment of the matching requirement set forth in RSA 147-B:6, I-a and in Part Env-Hw 1003.

Further, the Grantee agrees that no Grant Monies shall be paid by the Department unless and until the Department has reviewed and determined that such costs or expenditures qualify for funding under the terms of this agreement, and all applicable state and federal requirements; provided that the Department's payment of funds to the Grantee shall not be construed as a waiver of any past, present or future right, claim or cause of action related to the performance of this agreement or any applicable state or federal law.
7. In addition to the required documents listed in Paragraph 6 above, the Grantee agrees to submit an invoice to the State for the Grant Monies specified in this agreement.
