(Project No. 1061010)

ORIGINAL LOAN AGREEMENT

I. This Agreement is between the State of New Hampshire Drinking Water State Revolving Loan Fund Program (State) and the Town of Hancock, New Hampshire (Loan Recipient) in accordance with RSA 486:14 and New Hampshire Code of Administrative Rules Env-Dw 1100 (Rules) for the purpose of financing, to the extent of the aggregate amount of funds transferred (Disbursements) to the Loan Recipient made hereunder, the Lead Service Line Inventory and Replacement Project (Project) now being undertaken by the Loan Recipient. The Project is described in Exhibit A. The Loan Recipient shall abide by all of the requirements of RSA 486:14 and the Rules.

II. The State agrees to loan to the Loan Recipient, and the Loan Recipient agrees to repay to the State, in accordance with the terms of this Agreement, the principal sum of Three Hundred Eighty Thousand and 00/100 Dollars (\$380,000) (Principal Sum) or such lesser amount as shall equal the aggregate of Disbursements made hereunder by the State to the Loan Recipient. In addition to the principal sum, the Loan Recipient agrees to pay the applicable interest accrued as described in Paragraphs IV, VI, and VIII. Federal financial assistance provided through the Drinking Water State Revolving Loan Fund Program (CFDA #66.468) may comprise all or a portion of the Principal Sum. Any Disbursement or other payment from the State to the Loan Recipient is contingent upon the availability of funds.

III. The Loan Recipient is eligible for principal forgiveness as outlined in the 2024 State of New Hampshire Drinking Water State Revolving Fund Intended Use Plan. The amount of principal forgiveness will be

1 determined when the aggregate principal loan amount is established, and the project is complete and will  
2 be applied to the loan upon the initial repayment.

3  
4 IV. Disbursements shall be made on a periodic basis, as requested by the Loan Recipient, but not more  
5 frequently than monthly, subject to the approval of the amount of each Disbursement by the State. The  
6 State shall approve the amount requested if it determines that the costs covered by the request are  
7 eligible under Env-Dw 1104.01, as applicable. Interest on each Disbursement shall accrue on the  
8 outstanding principal balance from the date of the Disbursement at the rate of 1% per annum computed  
9 on the basis of 30-day months and 360-day years until the date of Substantial Completion of the Project  
10 or the date of Scheduled Completion, whichever is earlier. At the option of the Loan Recipient, such  
11 interest may be paid (1) prior to the commencement of Loan repayment, (2) at the time of the first Loan  
12 repayment, or (3) by adding the charges to the outstanding principal Loan balance so long as the Loan  
13 Recipient's authority to borrow is not exceeded.

14  
15 V. The aggregate of the Disbursements shall be consolidated by a Promissory Note (Note) of the Loan  
16 Recipient in a Supplemental Loan Agreement issued under and in accordance with the applicable  
17 provisions of this Agreement and the Municipal Finance Act, RSA 33, as amended and supplemented,  
18 including the provisions of RSA 486:14. The Note shall be substantially in the form of Exhibit B.

19  
20 VI. The interest rate applicable to the Note will be **2.00%**, as determined in accordance with RSA 486:14  
21 and Env-Dw 1100 et seq.

22  
23 VII. The Loan Recipient hereby authorizes the State to compute the payments of principal and interest on  
24 the Note. The principal shall be paid in full within **five (5)** years from the date of the Note. Note payments  
25 shall commence within one year of the Substantial Completion date of the Project or the Scheduled

1 Completion date of the project, whichever is earlier. The Scheduled Completion date is hereby  
2 determined to be **January 1, 2029**; however, should the project experience an excusable delay, an  
3 extension may be granted by the Commissioner of the Department of Environmental Services upon  
4 request in writing by the Loan Recipient. In no event shall Note payments commence later than ten years  
5 from the effective date of this Agreement.

6

7 VIII. The Loan Recipient reserves the right to prepay, at any time and without penalty, all or any part of  
8 the outstanding principal or interest of the Note.

9

10 IX. In the event of a default in the full and timely remittance of any Note payment, any State Aid Grant  
11 funds payable to the Loan Recipient under RSA 486:A may be offset against and applied to the payment  
12 of any obligations that are due hereunder. The Loan Recipient agrees to be liable for all costs of collection,  
13 legal expenses, and attorney's fees incurred or paid by the State in enforcing this Agreement or in  
14 collecting any delinquent payments due hereunder.

15

16 X. No delay or omission on the part of the State in exercising any right hereunder shall operate as a waiver  
17 of such right or of any other right under this Agreement. A waiver on any one occasion shall not be  
18 construed as bar to any right and/or remedy on any future occasion.

19

20 XI. The Loan Recipient agrees to comply, and to require all of its contractors to comply, with all  
21 applicable state and federal requirements contained in the Rules and applicable state and federal laws,

3 or an authorized representative of either of the foregoing officials, or of the State of New Hampshire to  
4 have access to and the right to:

5  
6 (i) Examine any of the Loan Recipient's, the contractor's or any subcontractor's records that  
7 pertain to and involve transactions relating to this Agreement, the Construction Contract, the  
8 Engineering Contract or a subcontract thereunder; and

9  
10 (ii) Interview any officer or employee regarding such transactions.

11  
12 The Loan Recipient shall insert subparagraphs (i). and (ii). in the Construction Contract and require the  
13 Contractor to insert subparagraphs (i). and (ii). in all subcontracts thereunder.

14  
15 XII. The effective date of this Agreement shall be the date of its approval by the Governor and Executive  
16 Council. This Agreement may be amended, waived, or discharged only by a written instrument signed by  
17 the parties hereto and only after approval of such amendment, waiver, or discharge by the Governor and  
18 Executive Council.

19  
20 XIV. This Agreement shall be construed in accordance with the laws of the State of New Hampshire and  
21 is binding upon and inures to the benefit of the parties and their respective successors. The parties  
22 hereto do not intend to benefit any third parties and, consequently, the Agreement shall not be
