

State of New Hampshire 67 - 7/8/26

DEPARTMENT OF ADMINISTRATIVE SERVICES
25 Capitol Street
Concord, New Hampshire 03301
(603) 271-3201 | Office@das.nh.gov

Charles M. Arlinghaus
Commissioner

Catherine A. Keane
Deputy Commissioner

Sheri L. Rockburn
Assistant Commissioner

July 8, 2026

Her Excellency, Governor Kelly A. Ayotte
and the Honorable Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Administrative Services to pay the National Association of State Auditors, Comptrollers and Treasurers (NASACT) (VC #171848), Lexington, KY, **retroactively**, in an amount not to exceed \$3,500 for Fiscal Year 2027 membership dues. Effective upon Governor and Council approval for the period of July 1, 2026 through June 30, 2027. **100% General Funds.**

Funding is appropriated and available in the following account for SFY 2027.

01-014-14-01410-13100000 Division of Accounting Services	<u>SFY 27</u>
026-500251 Membership Fees	\$3,500

EXPLANATION

This request is retroactive due to an administrative oversight, as the Department typically requests authorization during the month of June, for the renewal period beginning July 1, 2026. Since the 1970's, NASACT has actively expanded its role as a representative of state interests in financial management by providing leadership and training to meet the increasingly complex challenges faced by state governments.

Listed below are the answers to standard questions required for Governor and Council organization dues and membership approval submissions:

1. How long has this organization been in existence and how long has this agency been a member of this organization?

NASACT was established in Washington, D.C. in 1915 and the Comptroller, through the Division of Accounting Services, has been a dues-paying member for at least the last ten fiscal years.

2. Is there any other organization which provides the same or similar benefits which your agency belongs to?

We are not aware of a similar organization for State Comptrollers.

3. How many other states belong to this organization and is your agency the sole New Hampshire state agency that is a member?

All 50 State Comptrollers are members of NASACT. In addition to the State of NH Comptroller, the Audit Division of the Office of Legislative Budget Assistant, as the State Auditor, is a member of NASACT. The State Treasurer is not a member of NASACT due to overlap of benefits with other organizations.

4. How is the dues structure established? (Standard fee for all states, based on population, based on other criteria, etc.)

Dues are based on the size of the staff for the combined Auditor, Comptroller and Treasurer offices. There are five tiers for the membership dues based on the total size of the staff for the state and New Hampshire is in Tier 5, which is the lowest amount of dues assessed to a state. Members are also assessed a small technical service fee, which the State has also paid for at least the last ten fiscal years and is not part of this authorization request.

5. What benefit does the state receive from participating in this membership?

The State benefits from the training, advocacy, and information sharing provided through NASACT committees, workgroups and publications. The Comptroller's office utilizes the workgroup information sharing and technical inquiries as it pertains to implementation of Government Accounting Standards Board (GASB) standards and initiatives to improve the State's Annual Financial Report preparation. In addition, workgroups assist with monitoring activities at the federal level, which may impact State financial operations. Lastly, the Comptroller's office has benefited from participating in a detailed "Comptroller Survey" which provides a valuable reference tool for all 50 states.

6. Are training or educational/research materials included in the membership? If so, is the cost included? Explain in detail.

Much of the educational materials, research and information sharing is included with the membership. NASACT also offers technical training at its annual conferences, and scholarships are available to the State should we choose to participate.

7. Is the membership required to receive any federal grants or required in order to receive or participate in licensing of certification programs? Explain.

No.

8. Is there any travel included with this membership fee? Explain in detail and travel to include the number of employees involved, the number of trips, destination if known and purposes of membership supported trips.

There is no travel planned at this time, however, should the State Comptroller choose to participate in educational and networking opportunities, there are scholarships available.

9. Which state agency employees are directly involved with this organization? Indicate if they are members, voting members, committee members, and/or officers of the organization.

At the Department of Administrative Services, the Comptroller is the member and is currently serving on the organization's Committee on the Financial Plan. As schedules allow, members of the Division of Accounting Services attend information sharing and workgroup activities, including Payroll and the Workiva financial reporting software user group. In addition, the organization offers periodic webinars updating state members on recent actions at the federal level.

10. Explain in detail any negative impact to the State if the Agency did not belong to this organization.

The Comptroller and division staff would not have direct access to other state Comptrollers as well as key workgroups pertaining to implementation of new GASB standards. In particular, our staff would not be made aware of the implications to states based on changes at the federal level. Through membership in NASACT, the State has the opportunity to have a voice in governmental finance and accounting industry developments, as well as learn from the experiences of other states.

Respectfully submitted,

Charles M. Arlinghaus
Commissioner

NASACT
National Association of State
**Auditors, Comptrollers
and Treasurers**
