EXPLANATION

The Division issues SUPs for events that take place in State Parks. These events include but are not limited to non-profit fundraisers, triathlons, fishing tournaments, filming permits, and for-profit activities.

The Seafood Festival is an annual fundraising event offered by the Hampton Area Chamber of Commerce. The event brings over 50 of the seacoast's top restaurants serving an abundance of seafood delicacies, 80 craft vendors promoting locally made products, hundreds of Ocean Boulevard merchants offering end-of-the-season sidewalk sales, continuous culinary chef demonstrations, and two stages of continuous entertainment. The Division had the Seafood Festival assessed in 2015/2016 to determine the fee to charge for the event. As a result of the assessment, the flat rate of \$9,000 was negotiated. The Permittee has added the use of the Ocean Front Pavilion Banquet Room during the event and is charged an additional \$2,000, which is the standard rate for the room.

Respectfully Submitted,

Applications shall not be processed or approved without the required proof of insurance. The Certificate Holder shall be listed as follows: State of New Hampshire, Department of Natural and Cultural Resources, Division of Parks and Recreation, 172 Pembroke Road, Concord, NH 03301.

To the extent the Certificate of Insurance provided to DNCR with the application evidences that the required coverage will expire prior to any date for which the permit is issued, DNCR may approve the Permit within its discretion, but such approval shall be conditional on Permittee furnishing a Certificate of Insurance that demonstrates the required coverage for all permit dates prior to expiration of the insurance then held by the Permittee. If Permittee does not furnish such an additional and updated Certificate of Insurance to DNCR prior to such expiration, the permit shall be null and void upon the date of policy expiration stated on the Certificate of Insurance originally furnished to DNCR.

6. The Permittee shall indemnify and hold harmless the State, its officers, and employees, concerning liability for bodily injury or property damage caused in whole, or in part, by the Permittee's acts or omissions, or the acts or omissions of those within the Permittee's party, or the acts or omissions of those acting on the Permittee's behalf, to the extent RSA 99-D:1 and 2 do not apply.
Nothing herein contained shall be deemed to constitute a waiver of sovereign immunity of the State, which immunity is hereby reserved to the State.
7. The use and/or activities conducted by the Permittee shall be limited to the approved use and/or activities identified in the Permit. There shall be no soliciting except as may be permitted.
8. Only the buildings, facilities, specified areas, or resources of the DNCR lands identified in the Permit shall be used for the approved use or activity, and only during the dates and hours so authorized by the Permit. The Permit is not transferable.
9. The Permittee shall display a copy of the Permit upon request by the park manager or staff on the day of the event.
10. The use or activity, while engaged or executed, shall not unreasonably cause, or contribute to the degradation of the visitor experience, as determined by the authorized DNCR personnel.
11. The use or activity, while engaged or executed, shall not cause environmental or property damage to DNCR lands, facilities, and resources, as determined by the authorized DNCR personnel.
12. All signing, posting, decorating, and set-up shall be appropriate for a family-friendly park and forest environment, subject to the approval of the park manager or authorized personnel.
13. Parking for the event is in designated areas only. Park staff will inform the Permittee of the designated parking areas.
14. The DNCR has a carry-in/carry-out trash policy. All buildings, facilities, specified areas, or resources used for the approved use or activity shall be restored by the Permittee to the same condition in which it was initially found, including removal of all signs, postings, decorations, equipment, and structures, and trash and repairs and/or restoration of State property.
15. Supervision of the use or activity shall be the responsibility of the Permittee.
16. All future permit issuances to the Permittee are contingent upon satisfactory performance of conditions under the Permit.
17. Breach of the Policy or any state park policies will result in the termination of the event at any time before or during the event, without a refund of any or all fees.
18. DNCR reserves the right to suspend or cancel the event or change the event route should the need to ensure public safety or protect facilities or natural resources arise, such as but not limited to weather conditions, major accidents, or trail conditions.

I, the Permittee, agree to abide by the Policy and the specific conditions and requirements herein identified.
