EXPLANATION

The Federal Byrne State Crisis Intervention Program (Byrne SCIP) is a formula grant program furthering the United States Department of Justice mission to prevent crime and violence. The focus of this grant is on behavioral health and mental health crisis situational response.

To satisfy grant requirements and thoughtfully utilize the funds, the Department of Justice (DOJ) formed the Byrne SCIP Advisory Board. Members of the board represent the DOJ, the Administrative Office of the Courts (AOC), local law enforcement, and behavioral health specialists. This Advisory Board compiled projects that focus on the mission of the grant requirements.

Her Excellency, Governor Kelly A. Ayotte
and the Honorable Council

One initiative approved by the Byrne SCIP Advisory Board is to subgrant funds to the AOC to support the position of a Statewide Treatment Court Coordinator. This position will be responsible for overseeing all treatment courts throughout the State of New Hampshire. The AOC focus will be on mental health courts providing services to criminal justice involved individuals who have been diagnosed with a mental illness or co-occurring mental health and substance use disorder. The Statewide Treatment Court Coordinator will help standardize treatment courts by working with AOC professionals to create and implement a statewide treatment court plan.

In the event that federal funds are no longer available, general funds will not be requested to support this program.

Please let me know if you have any questions concerning this request. Your consideration is greatly appreciated.

Respectfully submitted,

John M. Formella
Attorney General

Currently, among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38, currently, also sets out rules and requirements that pertain to recipient and subrecipient ("subgrantee") organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to recipients and subrecipients that are faith-based or religious organizations.

The text of 28 C.F.R. Part 38 is available via the Electronic Code of Federal Regulations (currently accessible at [eCFR :: Home](#)), by browsing to Title 28-Judicial Administration, Chapter 1, Part 38, under e-CFR "current" data.

– SPECIAL PROVISIONS –

10. Applicability of Part 200 Uniform Requirements

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by DOJ in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements") apply to this FY 2022 award from OJP.

The Part 200 Uniform Requirements were first adopted by DOJ on December 26, 2014. If this FY 2022 award supplements funds previously awarded by OJP under the same award number (e.g., funds awarded during or before December 2014), the Part 200 Uniform Requirements apply with respect to all funds under that award number (regardless of the award date, and regardless of whether derived from the initial award or a supplemental award) that are obligated on or after the acceptance date of this FY 2022 award.

For more information and resources on the Part 200 Uniform Requirements as they relate to OJP awards and subawards ("subgrants"), see the OJP website at [Part 200 Uniform Requirements | Office of Justice Programs](#).

Record retention and access: Records pertinent to the award that the recipient (and any subrecipient ("subgrantee") at any tier) must retain -- typically for a period of 3 years from the date of submission of the final expenditure report (SF 425), unless a different retention period applies -- and to which the recipient (and any subrecipient ("subgrantee") at any tier) must provide access, include performance measurement information, in addition to the financial records, supporting documents, statistical records, and other pertinent records indicated at 2 C.F.R. 200.334.

In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the recipient is to contact OJP promptly for clarification.

11. Effect of failure to address audit issues

The subrecipient understands and agrees that the DOJ awarding agency (OJP or OVW, as appropriate) may withhold award funds, or may impose other related requirements, if (as determined by the DOJ awarding agency) the recipient does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.

EXHIBIT A

- SPECIAL PROVISIONS -

12. Requirements of the award; remedies for non-compliance or for materially false statements

The conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance also is a material requirement of this award.

Limited Exceptions. In certain special circumstances, the U.S. Department of Justice ("DOJ") may determine that it will not enforce, or enforce only in part, one or more requirements otherwise applicable to the award. Any such exceptions regarding enforcement, including any such exceptions made during the period of performance, are (or will be during the period of performance) set out through the Office of Justice Programs ("OJP") webpage entitled "Legal Notices: Special circumstances as to particular award conditions" ([Legal Notices | Office of Justice Programs](#)), and incorporated by reference into the award.

By signing and accepting this award on behalf of the recipient, the authorized recipient official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized recipient official, all assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance.

Failure to comply with one or more award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period -- may result in OJP taking appropriate action with respect to the recipient and the award. Among other things, the OJP may withhold award funds, disallow costs, or suspend or terminate the award. DOJ, including OJP, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or -unenforceable, such provision shall be deemed severable from this award.

EXHIBIT A

The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

3. Allowable costs

To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions designed to ensure compliance with this condition.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

2. If the recipient does or is authorized under this award to make subawards ("subgrants"), procurement contracts, or both—
- a. it represents that—
 - (1) it has determined that no other entity that the recipient's application proposes may or will receive award funds (whether through a subaward ("subgrant"), procurement contract, or subcontract under a procurement contract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

The reclassification encompassed a number of statutory provisions pertinent to OJP awards (that is, OJP grants and cooperative

agreements), including many provisions previously codified in Title 42 of the U.S. Code.

Effective as of September 1, 2017, any reference in this award document to a statutory provision that has been reclassified to the new Title 34 of the U.S. Code is to be read as a reference to that statutory provision as reclassified to Title 34. This rule of construction specifically includes references set out in award conditions, references set out in material incorporated by reference through award conditions, and references set out in other award requirements.

This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a procurement "contract" (and therefore does not consider a subaward).

The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP web site at Award Condition: Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would exceed \$250,000) | Office of Justice Programs (Award condition: Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would exceed \$250,000)), and are incorporated by reference here.

If so, the recipient must promptly notify the DOJ awarding agency (OJP or OVW, as appropriate) in writing of the potential duplication, and, if so requested by the DOJ awarding agency, must seek a budget modification or change-of-project-scope Grant Award Modification (GAM) to eliminate any inappropriate duplication of funding.

32. Reporting potential fraud, waste, and abuse, and similar misconduct

In general, as a matter of federal law, federal funds awarded by OJP may not be used by the recipient, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

Another federal law generally prohibits federal funds awarded by OJP from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

This condition, including its reporting requirement, does not apply to-- (1) an award of less than \$30,000, or (2) an award made to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

37. Cooperating with OJP Monitoring

The recipient agrees to provide to OJP all documentation necessary for OJP to complete its monitoring tasks, including documentation related to any subawards made under this award. Further, the recipient agrees to abide by reasonable deadlines set by OJP for providing the requested documents. Failure to cooperate with OJP's monitoring activities may result in actions that affect the recipient's DOJ awards, including, but not limited to: withholdings and/or other restrictions on the recipient's access to award funds; referral to the DOJ OIG for audit review; designation of the recipient as a DOJ High Risk grantee; or termination of an award(s).

38. Required monitoring of subawards

Meaningful access may entail providing language assistance services, including oral and written translation when necessary. The U.S. Department of Justice has issued guidance for grantees to help them comply with Title VI requirements. The guidance document can be accessed on the Internet at [Civil Rights Division | Limited English Proficiency](#).
55. Body armor - compliance with NIJ standards and other requirements

During the grant period of performance, if BJA concludes that a funded drug court is not conforming to the 10 key components, it retains the right to place the award recipient on a corrective action plan to bring the drug court into conformance. Continued failure to maintain conformance to the key components may result in a hold placed on award funds or suspension/termination of the grant award agreement.

62. – NON-SUPPLANTING CERTIFICATION –

Supplanting defined

Federal funds must be used to supplement existing funds for program activities and must not replace those funds that have been appropriated for the same purpose. Supplanting shall be the subject of application review, as well as pre-award review, post-award monitoring, and audit. If there is a potential presence of supplanting, the Subrecipient or grantee will be required to supply documentation demonstrating that the reduction in non-Federal resources occurred for reasons other than the receipt or expected receipt of Federal funds. For certain programs, a written certification may be requested by the awarding agency or recipient agency stating that Federal funds will not be used to supplant State or local funds. See the OJP Financial Guide (Part II, Chapter 3)

Archived | OJP Grants Financial Guide | II. Preaward requirements | Office of Justice Programs

Supplanting and job retention

A recipient or subrecipient may use federal funds to retain jobs that, without the use of the federal money, would be lost. If the grantee is planning on using federal funds to retain jobs, it must be able to substantiate that, without the funds, the jobs would be lost. Substantiation can be, but is not limited to, one of the following forms: an official memorandum, official minutes of a county or municipal board meeting or any documentation, that is usual and customarily produced when making determinations about employment. The documentation must describe the terminated positions and that the termination is because of lack of the availability of State or local funds.

The New Hampshire Judicial Branch, Administrative Office of the Courts [Subrecipient] certifies that any funds awarded through **grant number 15BJA-24-GG-02933-BSCI** shall be used to supplement existing funds for program activities and will not replace (supplant) nonfederal funds that have been appropriated for the purposes and goals of the grant.

The New Hampshire Judicial Branch, Administrative Office of the Courts [Subrecipient] understands that supplanting violations may result in a range of penalties, including but not limited to suspension of future funds under this program, suspension or debarment from federal grants, recoupment of monies provided under this grant, and civil and/or criminal penalties.
