Concord, New Hampshire 03301

REQUESTED ACTION

Pursuant to RSA 21-I:29-a II, the Department of Safety, Office of the Commissioner, requests authorization to disburse death benefits in the amount of \$100,000 to [REDACTED] the surviving spouse of deceased Captain William Connor (Goffstown Fire Department) as a result of his death on or about September 12, 2024. After an investigation, pursuant to RSA 21-I:29-a, I have determined that his death constitutes a line-of-duty death. Effective upon Governor and Council approval. **100% General Funds.**

EXPLANATION

Pursuant to RSA 21-I:29-a, this request is to disburse death benefits to the family of firefighter Capt. William Connor, who died from [REDACTED] on September 12, 2024. The pertinent statute provides that:

“[t]he commissioner of safety, ... shall obtain the available records related to the circumstances, cause, and manner of such death and the decedent's status as a firefighter ... and shall make a determination of whether the death qualifies as a line-of-duty death and who is entitled to the death benefit.”

RSA 21-I:29-a, III. Capt. Connor had been employed by Goffstown Fire Department. After reviewing the records gathered in the course of this investigation, I have determined that his death meets the definition of “killed in the line of duty,” as defined in the statute:

“Killed in the line of duty” means a death, including suicide, of a ... firefighter ... while in the performance of his or her duties as a result of incident, accident, or violence causing death or injuries which are the direct or proximate cause of death. Death by suicide shall be considered a work related cause of death. “Incident” shall include any death that is determined to be occupationally related by the worker's compensation insurance carrier, a self-insured worker's compensation plan, or by the labor commissioner for workers' compensation purposes pursuant to RSA 281-A.

RSA 21-I:29-a, I(f). Capt. Connor died from [REDACTED] which was found by a Department of Labor Hearings Officer and by the worker's compensation insurance carrier to be causally related to his work duties as a firefighter for the Town of Goffstown. Based on the preponderance of evidence now

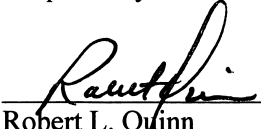

To make New Hampshire the safest state in the Nation with the highest quality of life for all.

Her Excellency, Governor Kelly A. Ayotte
And the Honorable Council
Page 2 of 2

available to me, I have concluded that Capt. Connor's death meets the definition of killed in the line of duty, and therefore his family is entitled to the death benefit.

Pursuant to RSA 21-I:29-a II, in addition to any other benefits provided under this chapter, the State Treasurer shall pay a \$100,000 death benefit to the family of a firefighter killed in the line of duty. Pursuant to that statute, the Governor, with the consent of the Executive Council, is authorized to draw a warrant for said sum out of any money in the Treasury not otherwise appropriated.

Respectfully submitted,

Robert L. Quinn
Commissioner of Safety
