EXPLANATION

The New Hampshire Department of Education (NHED), Bureau of Special Education Support, received preliminary allocation tables for Individuals with Disabilities Education Act (IDEA) Part B funding from the U.S. Department of Education in May 2026. A revised allocation table was subsequently provided, indicating that the total award amount included supplemental award funds. Of the preliminary total award, \$386,196 represented supplemental funds intended to assist eligible local educational agencies (LEAs) in providing special education and related services to children with disabilities. There was no indication that these supplemental funds derived from a different appropriation. Upon receipt of the initial funding, the NHED received two grant award notifications (GANs): one for the initial Part B 611 allocation and another for the supplemental 611 funds. It was determined that the supplemental award is a redistribution of funds from Section 2014 of the American Rescue Plan Act of 2021.

NHED will allocate one hundred percent of the supplemental \$386,196 award to all eligible LEAs. The state will allocate the funds no later than September 30, 2026, and obligated funds will be expended no later than September 30, 2028, per the Grant Award Notification (GAN) and Tydings Amendment that allows funds to be spent up to one year past the end date listed on the GAN. This request for authorization is through 6/30/2027. The department will seek to budget this grant award in the 28/29 budget or will come back to Fiscal Committee and G&C in August 2027 if needed.

NHED will allocate funds to LEAs based on the payment calculation provided by the U.S. Department of Education. NHED will deliver funds via the existing reporting and application software, the online Grant Management System (GMS). This system is currently used to manage other Federal grant allocations for special education.

The following appropriations authorities are requested:

Class	Class Description	Explanation
072	Grants - Federal	Appropriation for the distribution of funds to grant sub-recipients

In the event Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

Caitlin D. Davis
Commissioner of Education
