

**ATTORNEY GENERAL
DEPARTMENT OF JUSTICE**

70 - 9/2/26

1 GRANITE PLACE SOUTH
CONCORD, NEW HAMPSHIRE 03301

JOHN M. FORMELLA
ATTORNEY GENERAL

JAMES T. BOFFETTI
DEPUTY ATTORNEY GENERAL

August 6, 2026

Her Excellency, Governor Kelly A. Ayotte
and the Honorable Council
State House
Concord, New Hampshire 03301

Your Excellency and Members of the Council:

REQUESTED ACTION

That approval be and hereby is given to the Attorney General to reappoint Jennifer Schirmer to serve on the New Hampshire Victims' Assistance Commission. Ms. Schirmer's term will be for three years from the date of the Governor and Council approval.

EXPLANATION

NH RSA 21-M:8-g authorizes the Attorney General to nominate, for approval by the Governor and Executive Council, members to serve on the New Hampshire Victims' Assistance Commission. It is the responsibility of the Commission to review claims for financial reimbursement of expenses submitted by innocent victims of violent crimes. This program has been in effect since 1990.

Mr. Schirmer has fifteen years of experience as a National Certified Counselor and has been a licensed clinician in the State of New Hampshire for almost a decade. Ms. Schirmer's knowledge and expertise in the area of mental health will benefit the operation of the Victims' Assistance Commission.

Please let me know if you have any questions concerning this request. Thank you for your consideration.

Respectfully submitted,

John M. Formella
John M. Formella
Attorney General

Professional Experience

<i>Owner / Licensed Clinical Mental Health Counselor</i> <i>Turning Point Counseling & Consultation, LLC</i> ❖ Performs comprehensive biopsychosocial intake assessments and reports. ❖ Collaborates with individuals, couples, and families to develop therapeutic goals and objectives for treatment planning and ongoing therapy. ❖ Provides psychotherapy for individuals and couples. ❖ Maintains documentation and electronic health records in accordance with the Health Insurance Portability and Accountability Act (HIPAA). ❖ Collaborates with interdisciplinary healthcare providers.	2017 – Present
---	----------------

- ❖ Attends and participates actively in supervision, consultation, and continuing education in accordance with the New Hampshire Board of Mental Health Practice.
- ❖ Develops and presents training and professional development materials specific to specialized interventions with the framework of trauma-informed care, crisis intervention, disaster behavioral health, and individual and community resilience.
- ❖ Consults with organizations, agencies, school districts, community mental health centers, and other Federal, State, or community stakeholders for behavioral health planning, response, recovery, mitigation, and training.
- ❖ Provides direct Critical Incident Stress Management and crisis intervention to individuals, families, communities, and organization who have experienced traumatic events and critical incidents.

State Disaster Behavioral Health Coordinator (Administrator I)

Nov 2020 – July 2023

Department of Health & Human Services, Emergency Services Unit Concord, NH

- ❖ Responsible for planning, policy development, management and evaluation of the Disaster Behavioral Health Program.
- ❖ Developed and supervised initiatives to recommend and implement a wide variety of policies and procedures that support program operations and agency goals.
- ❖ Coordinated and collaborated with the Department of Health and Human Services, Department of Safety, Homeland Security and Emergency Management, and other stakeholders with regard to the need for behavioral health intervention following disasters or critical incidents.
- ❖ Coordinated with the Community Mental Health system and other providers as to provision of care as needed.
- ❖ Evaluated the need for behavioral health related training among DBHRT members, other behavioral health providers, and other responders for the purpose of coordinating and conducting training as needed.
- ❖ Regularly reviewed literature and resources for updated technical information, provided information to emergency preparedness agencies and other providers of mental health disaster response, and organized information in a reference library available to all.
- ❖ Worked with the Office of Public Information and other sources to implement public information projects and mailings, provide TV and media announcements, and develop a variety of resource materials.
- ❖ Provided technical assistance to statewide community mental health centers and other providers as to disaster planning and preparedness.
- ❖ Coordinated periodic drills and tests of the preparedness plans in coordination with other emergency preparedness agencies when appropriate, or independently as needed.
- ❖ In the response phase of disasters, coordinated (and participated in) all response activities from the State Emergency Operations Center (when activated) in conjunction with the Disaster Behavioral Health Liaison and DBHRT Team Leaders.

Employee Assistance Field Representative

Mar 2020 – Nov 2020

NH Department of Health & Human Services

- ❖ Manages the provision of an array of Employee Assistance Program services to state employees and their families including assessment to identify and recommend appropriate interventions, supports and resources, short-term service plans and counseling, crisis intervention, coordination with community supports, training and information, and case monitoring.
- ❖ Provides consultation, technical and professional expertise, interventions, and training to NH state agencies in all three branches of government in areas such as leadership and management development, regulatory compliance, and work culture audits.

- ❖ Develops and delivers individualized services and training to support state leadership in a wide array of topics to enhance supervisory effectiveness and worker productivity.
- ❖ Collaborates in long-range strategic planning and implements Employee Assistance Programming to meet short and long-term objectives and goals.
- ❖ Develops and maintains collaborative, solution-oriented working relationships with state agency personnel, community service agencies, contractors, and other service providers to enhance responsive and timely access to appropriate employee health benefits, resources, services, education, and training supports for state personnel.
- ❖ Produces and presents professional development materials, including training, to support state employees and their families to recognize and cope with stress related to living within the context of a pandemic.

Disaster Behavioral Health Contractor (Vendor # 291955)

2018 – 2019

NH Department of Health & Human Services

- ❖ Collaborated with Emergency Services Unit (ESU) staff responsible for overseeing the New Hampshire Disaster Behavioral Health Response Team (DBHRT) and provided technical assistance including, but not limited to:
 - Recruiting, training, and supervising new volunteers and partners to increase capacity of the NH Disaster Behavioral Health Response Team, as well as other crisis response teams throughout NH
 - Activating and supervising a team of trained volunteers who provide support to individuals, communities, and responders following critical incidents and emergencies.
 - Responding to calls from communities and organizations impacted by critical incidents or emergencies for:
 - Assessing and facilitating connection to local response resources
 - Consulting with the requesting organization or community and Department staff to assist in the development of an incident-specific behavioral health response plan
 - Assisting in volunteer coordination, management, and supervision
 - Organizing, managing, and supervising statewide on-scene response and support efforts
- ❖ Conducted training and professional development for State agencies, organizations, communities, or others on subjects including, but not limited to:
 - Enhancing resilience for first responders, healthcare professionals, and other emergency responders who may be dealing with traumatic stress
 - DBHRT Basic Training for recruitment and training of new volunteers and partners
 - Critical Incident Stress Management and Peer Support
 - Psychological First Aid
 - Professional Development for NH DHHS Organizational Development Training Services (ODTS)
 - Other critical incident response and crisis management training as requested
- ❖ Compiles and provides quarterly reports to the Department for all activities performed.

State Disaster Behavioral Health Coordinator (Administrator I)

2013 – 2018

Department of Health & Human Services, Emergency Services Unit Concord, NH

- ❖ Responsible for planning, policy development, management and evaluation of the Disaster Behavioral Health Program.

- ❖ Developed and supervised initiatives to recommend and implement a wide variety of policies and procedures that support program operations and agency goals.
- ❖ Coordinated and collaborated with the Department of Health and Human Services, Department of Safety, Homeland Security and Emergency Management, and other stakeholders with regard to the need for behavioral health intervention following disasters or critical incidents.
- ❖ Coordinated with the Community Mental Health system and other providers as to provision of care as needed.
- ❖ Evaluated the need for behavioral health related training among DBHRT members, other behavioral health providers, and other responders for the purpose of coordinating and conducting training as needed.
- ❖ Regularly reviewed literature and resources for updated technical information, provided information to emergency preparedness agencies and other providers of mental health disaster response, and organized information in a reference library available to all.
- ❖ Worked with the Office of Public Information and other sources to implement public information projects and mailings, provide TV and media announcements, and develop a variety of resource materials.
- ❖ Provided technical assistance to statewide community mental health centers and other providers as to disaster planning and preparedness.
- ❖ Coordinated periodic drills and tests of the preparedness plans in coordination with other emergency preparedness agencies when appropriate, or independently as needed.
- ❖ In the response phase of disasters, coordinated (and participated in) all response activities from the State Emergency Operations Center (when activated) in conjunction with the Disaster Behavioral Health Liaison and DBHRT Team Leaders.

Adult Outpatient Therapist

2010 – 2014

Community Partners, Dover, New Hampshire

- ❖ Performed comprehensive biopsychosocial intake assessments and reports.
- ❖ Collaborated with individuals and couples to develop therapeutic goals and objectives for treatment planning and ongoing therapy.
- ❖ Maintained documentation in medical records and organizational software in accordance with the State of NH and agency Quality Improvement.
- ❖ Collaborated with interdisciplinary healthcare providers and facilitated communication with the Community Support Program and Psychiatric Services Team.
- ❖ Attended and participated actively in staff meetings, supervision, and clinical case review.
- ❖ Completed Practicum and Internship for Graduate Education (December 2010 – September 2011)

Family Assistance Specialist

2010 – 2011

New Hampshire National Guard, Contractor, Concord, New Hampshire

- ❖ Established collaborative relationships with state and local military, government, social service agencies, community services, businesses, and civic organizations to provide support to National Guard members and families.
- ❖ Assisted Family Readiness Groups in gathering, collating, maintaining and disseminating information to all unit families.
- ❖ Worked in conjunction with the State Family Program Director and Unit Commanders regarding Family Assistance issues and operations in preparation for the largest deployment in the state's history.

Crisis Counseling Program Coordinator

2004 – 2011

Federal Emergency Management Agency, Region III Philadelphia, Pennsylvania

- ❖ Worked in collaboration with State Disaster Mental Health Coordinators to establish and maintain crisis counseling programs following presidentially declared disasters.
- ❖ Provided technical assistance following presidentially declared disasters to state and local partners for assessing behavioral health needs, developing and monitoring behavioral health programs, and reporting behavioral health outcomes for continued federal assistance directed to support disaster behavioral health programs.
- ❖ Reviewed grant proposals to provide approval recommendations.
- ❖ Composed correspondence regarding allocation and obligation of federal funding for the crisis counseling program and Disaster Unemployment Assistance.
- ❖ Monitored and implemented Disaster Unemployment Assistance and Disaster Legal Services.
- ❖ Participated in incident specific taskforce operations including Special Needs Cases.

Other Experience

Individual Assistance Team Lead / Applicant Services Program Specialist / Congressional Liaison

Federal Emergency Management Agency, Philadelphia, Pennsylvania

2004 – 2011

- ❖ Facilitated correspondence between disaster survivors and the Joint Field Office in an effort to resolve application problems or inadequacies.
- ❖ Supplied information regarding federal disaster assistance programs, answered questions regarding the application process and directed disaster survivors through the registration process.
- ❖ Aligned disaster survivors with the network of available disaster assistance programs offered by community, state, national and governmental organizations.
- ❖ Managed, trained, and motivated Applicant Services Program Specialists at fixed and mobile Disaster Recovery Centers.

Community Relations Field Specialist / Unit Lead

2004 – 2011

Federal Emergency Management Agency, Philadelphia, Pennsylvania

- ❖ Established an immediate and identifiable on-scene presence at a disaster site to assess critical needs.
- ❖ Worked in coalition with local Emergency Management officials, commissioners, mayors, sheriffs, police and fire departments, volunteer agencies, local clergy and social service agencies.
- ❖ Disseminated materials and provided information regarding federal disaster relief programs to citizens and officials.
- ❖ Motivated, trained and delegated staff to complete mission specific tasks.
- ❖ Assembled data from team members, composed daily field reports and relayed information to the Disaster Field Office for action.
