ASSISTANT COMMISSIONER

September 10, 2026

Her Excellency, Governor Kelly A. Ayotte
and the Honorable Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Safety, Division of Homeland Security and Emergency Management to **retroactively** amend an existing grant agreement with the Town of Groton (VC#159874-B001) to upgrade and replace the culvert on North Groton Road. This amendment will extend the completion date from May 2, 2026, to May 2, 2027, with no change to the price limitation of \$450,000, effective upon Governor and Council approval. The original grant agreement was approved by Governor and Council on October 30, 2024, item #104. **100% Federal Funds.**

EXPLANATION

The request is **retroactive** because additional time is necessary for the Town of Groton to complete the North Groton Road Culvert Project. The project timeline was impacted by several required steps, including obtaining necessary permits, completing and approving design plans, conducting a competitive bid process, and securing a general contractor. In addition, seasonal weather conditions in northern New Hampshire and delays associated with the Federal extension award process affected the project schedule.

The Division of Homeland Security and Emergency Management (HSEM) and the Town have agreed to extend the project completion date to May 2, 2027, effective upon Governor and Council approval. HSEM has reviewed the extension with the Federal Emergency Management Agency (FEMA) and determined that Federal funding will not be affected.

The Hazard Mitigation Grant Program (HMGP) is 90% Federally funded by FEMA with a 10% match requirement supplied by the sub-recipient. The sub-recipient acknowledges their match obligation as part of Exhibits B and C to their grant agreement.

In the event that HMGP funds are no longer available, General Funds and/or Highway Funds will not be requested to support this program.

Respectfully submitted,

Robert L. Quinn
Commissioner of Safety

Grant Agreement Amendment

Extension or Change of Period of Performance

Town of Groton (Sub-Recipient)

It is hereby agreed that the grant agreement (PO#1103303) approved by the Governor and Executive Council on October 30, 2024, Item #104, between the Town of Groton as "Sub-recipient" and the Department of Safety, Division of Homeland Security & Emergency Management as "State" for the community's North Groton Road project is amended as follows:

1. GENERAL PROVISIONS, Section 1.7, Completion Date;

Change the project completion date from May 2, 2026 to May 2, 2027

2. EXHIBIT B, Scope of Work, Project Tasks & Deliverables, and Project Review & Conditions, Number 1;

Delete item two (2) in its entirety and replace with:

"The Sub-Recipient" agrees that the period of performance ends on May 2, 2027 and by that date the aforementioned hazard mitigation project must be completed. All completed invoices must be sent to "the State" by June 2, 2027, thirty (30) days after the period of performance ends.

3. All other provisions of the grant agreement, approved by the Governor and Council on October 30, 2024 shall remain in full force and effect.

Sub-Recipient Initials: 1.)

2.)

Date:

EFFECTIVE DATE OF THE AMENDMENT: This Amendment shall be effective upon its approval by the Governor & Council. If approval is withheld, this document shall become null and void, with no further obligation or recourse to either party. IN WITNESS WHEREOF, the parties have hereunto set their hands:

CERTIFICATE OF AUTHORITY

April 7, 2026

I, John Rescigno, Chairman of the Board (or other governing authority), Groton, NH, hereby certify that Sara Smith, Town Administrator, had authority to sign and enter into a grant agreement with the State of NH Division of Homeland Security and Emergency Management originally on September 10, 2024, and amended April 7, 2026, for the City/Town of Groton, and, further, hereby authorize Sara Smith to execute any and all contract and agreements related to the Hazard Mitigation Grant Program (HMGP) Agreement.

I further attest that Sara Smith was granted authority prior to the day the grant agreement was signed and it has not been amended or repealed as of the day the contract was signed.

A True Copy of the Record,

ATTEST:

John Rescigno
Select Board Chair

State: New Hampshire
County:

On this 7th day of April 2026, before me, Ruth Millett (Notary/JP's name), the undersigned officer, personally appeared John Rescigno known to me to be the person whose name is signed on the foregoing document and acknowledged to me that he signed voluntarily for its stated purpose and that it was his free act and deed.

In witness thereof, I hereunto set my hand and official seal.

Justice of the Peace/Notary
Commission Expires: _____

RUTH E. MILLETT, Notary Public
My Commission Expires May 5, 2026

TOWN OF GROTON
SELECT BOARD MEETING
April 7, 2026

In Attendance: John Rescigno, Tony Albert, Amy Beliveau and Sara Smith (Town Administrator)

Audience Members Present

John called the meeting to order at 7:00pm.

MINUTE APPROVAL

John motioned to approve the Work Session Meeting minutes of March 10, 2026, as written, Tony 2nd, so voted.

NEW BUSINESS:

Bids for North Groton Road Culvert Project

The bids were due today by 7:00pm to be submitted as sealed bids. The Town received three bids. The Select Board opened the bids and reviewed the following:

- Bid #1 from MC Build LLC. The Select Board opened the bid which was for \$415,115.00.
- Bid #2 from Michelle Baillargeon Construction Services. The Select Board opened the bid which was for \$406,500.00.
- Bid #3 from Jeremy Hiltz Excavating Inc. The Select Board opened the bid which was for \$549,660.00.

The Select Board explained that this is a re-bid with the removal of the temporary bridge since all of the bids were well over the project budget. The Select Board discussed this and they feel we should award the grant to Michelle Baillargeon Construction Services, who was the lowest bidder. **John motion to award the North Groton Road Culvert project to Michelle Baillargeon Construction Services, Tony 2nd, so voted.**

Sara said that she would reach out to Michelle Baillargeon Construction Services to have them send the contract and to iron out timelines. She will have this information for the next meeting. She will also reach out to the other companies.

Credit/Exemptions verification memos

Sara has received eighteen more verification letters/documentation back for the every 5-year verification for credits and exemptions. She reviewed the paperwork and all still qualify. **John motioned to sign the verification memos, Tony 2nd, so voted.**

PA-29 Tax Credit for Service-Connected Total Disability

The Town received a PA-29 Application for the tax credit for Service-Connected Total Disability. They did provide the DD214 along with the letter from the Department of Veterans Affairs that shows the 100% disability. **John motioned to approve the Pa-29 Tax credit for Service-Connected Disability, Tony 2nd, so voted.**

Class VI Road Reminder Letters

Sara created letters to remind everyone on Class VI roads that haven't sent in a Class VI Road work letter that they need to send letters in to explain the work they plan to do before any work can be done. **John motioned to sign the Class VI Road letters, Tony 2nd, so voted.**

Class VI road approval letter- Old Rumney Rd

Residents sent a letter to the Select Board with their plans for road maintenance for Old Rumney Road and will continue to maintain the road along with removing rocks, ditching, rolling the road and filling holes and areas

that may wash out due to rain, etc. John motioned to approve the Class VI Road improvements request for Old Rumney Road, Tony 2nd, so voted.

Culligan Annual Contract

Culligan sent an option for an annual contract for \$140 which would cover the annual inspection, salt delivery, filter delivery, and we qualify for 10% off other services. We have been on the 'pay as you go' and paying for salt as it is delivered and if anything needs to be fixed. We have been between \$40-\$60 a year this way. If we stay on the 'pay as you go' we do not need to do anything. If we want to do the contract, we have to sign it and send it back. Also, the cost of salt increased to \$11.00 per bag. The Select Board agreed to stay on the 'pay as you go' plan.

Building Permit- Map 2 Lot 115-5

The Town received a building permit for Map 2 Lot 115-5 on River Road. This is for a new home with 4 bedrooms and 3 bathrooms with an attached two bay garage. They did provide the DES septic approval and the PUC approval. John motioned to approve the building permit for Map 2 Lot 115-4, Tony 2nd, so voted.

Building Permit- Map 7 Lot 15

The Town received a building permit for Map 7 Lot 15 on Victorias Mountain Way. This is for a 1 bedroom 1 bathroom timber craft tiny home. They did provide the DES septic approval and the PUC approval. Since this is on a private road, it needed to go before the Planning Board so Sara sent them the permit, the deeds, covenant information and the plan for the property. The Planning Board discussed this at the March meeting and provided the following recommendation:

The Planning Board recommends to the local governing body (Select Board) they may only conditionally approve the issuance of the building permit if the Bayer's become compliant with Groton's Zoning. These are the zoning conditions:

- Mobile houses are not allowed.
- Zoning section Article 5 E 1-3
 - A. Tiny House

1. A Tiny House shall be off wheels or have its wheels disabled and be attached to a permanent foundation. The following foundations are permissible: (1) basement foundation; (2) crawlspace stem walls on cement footings; (3) concrete slab with anchors driven into the ground or concrete slab; (4) pier and beam with anchors driven into the ground or concrete slab followed by steel straps connecting the anchors to a main beam on the structure's steel frame and beams connected using cross-members; or (5) engineered structural tie down system.
2. A Tiny House shall have water and sewage disposal systems that comply with all applicable state and local laws.
3. A Tiny House shall comply with all applicable laws and Life-Safety Responsibilities.

Should the Bayer's wish to call their Tiny House a seasonal camp they must also comply with the following:

- **Seasonal Camp:** A Dwelling Unit that is used or occupied no more than 180 total days and no more than 120 consecutive days per calendar year. A Seasonal Camp shall be occupied as a secondary residence and shall not be used or intended to be used for year-round occupancy.
- Zoning section Article 5 E 1-5
 - B. Seasonal Camp
 1. Only one (1) Seasonal Camp shall be permitted per buildable lot.

2. A Seasonal Camp shall be attached to a permanent foundation. The following foundations are permissible: (1) basement foundation; (2) crawlspace stem walls on cement footings; (3) concrete slab with anchors driven into the ground or concrete slab; (4) pier and beam with anchors driven into the ground or concrete slab followed by steel straps connecting the anchors to a main beam on the structure's steel frame and beams connected using cross-members; or (5) engineered structural tie down system.
 3. A Seasonal Camp shall be constructed of wood, masonry, concrete, and/or steel.
 4. A Seasonal Camp shall have water and sewage disposal systems that comply with all applicable state and local laws.
 5. A Seasonal Camp shall comply with all applicable laws and Life-Safety Responsibilities.
- Additional requirements for issuance of a Building Permit are:
 1. the applicants must comply with the stated purpose of his building Permit,
 2. the applicants must fulfill all covenants and road maintenance obligations, and
 3. the applicants must pay all fees to the Town associated with their Building Application and sign the Release of Municipal Liability

Sara did send them the release form and has not yet received it back. The Select Board agreed to table it until this is received. Sara will also draft a letter with the information listed above to send with the building permit once it is received. **John motioned to table the building permit for Map 7 Lot 15 until the release form is received, Tony 2nd, so voted.**

Intent to Excavate- Map 5 Lot 47G

Mike Ethier submitted an intent to excavate for the tax year of April 1, 2026 to March 31, 2027 for his property on Map 5 Lot 47G. He submitted payment for the \$100.00 fee. The intent of for 2500 cubic yards of gravel, 3500 cubic yards of sand, 250 cubic yards of loam, and 1500 cubic yards of fill totaling 7750 cubic yards. Sara explained it was agreed last year that until we get the site inspection done and the issues resolved that the Select Board will not be approving any intents to excavate and they did not approve the one for 2025-2026 yet. She explained this to him because he asked why he never received the report to excavate and that he has not completed that because it was never sent to him since the intent was not signed and approved. Sara said that last year we had the attorney draft a letter explaining that it was not going to be approved until all issues are resolved and asked if she should do that same this year. **John motioned to deny the intent to excavate until we have the issues are resolved and to have Sara ask the attorney to draft a letter, Tony 2nd, so voted.**

Pole License Plan

NHEC sent a pole license plan that the Select Board have to sign to move a pole at the North Groton Culvert Location. **John motioned to sign the pole license plan, Tony 2nd so voted.**

Local Septic Approval- map 6 Lot 63-8

The septic designer emailed a local septic approval and septic plan for Map 6 Lot 63-8. They are installing a new septic. All information is correct. **John motioned to sign the local septic approval for Map 6 Lot 63-8, Tony 2nd, so voted.**

Avitar Letters

Avitar sent over letters, one to NE Power and one to NE Hydro, for us to put on our letterhead requesting that they send information to complete the utility values for tax year 2026 by July 1, 2026. **John motioned to sign the Avitar letters, Tony 2nd, so voted.**

Memo- Trustees of the Trust Fund- Assessing Revaluation

This is our revaluation year so the assessing costs will be more than usual. This happens every five years. Due to this we will need to take money out of the Assessing Revaluation Capital Reserve Fund. The total for the year is \$39,744 but the amount requested to be transferred is \$36,500.00 at this time. It will be billed in monthly installments of \$3,312.00. **John motioned to sign the memo requesting the transfer of funds from the Assessing Revaluation Capital Reserve Fund to the Town's Meredith Village Savings bank account, Tony 2nd, so voted.**

Memo- Trustees of the Trust Fund- Public Works CRF

Sara created a memo requesting a transfer \$17,500.00 from the Public Works Capital Reserve Fund to cover the recent work that has been done at the new Public Works Building and to cover some upcoming work. **John motioned to sign the memo requesting the transfer of funds from the Public Works Capital Reserve Fund to the Town's Meredith Village Savings bank account, Tony 2nd, so voted.**

SELECT BOARD ITEMS:

Hazard Mitigation Grant for the North Groton Road Culvert Project- Extension/Amended agreement

Sara explained that an extension was approved for the Hazard Mitigation Grant for the North Groton Road Culvert Project since we will not get the culvert done by May 2, 2026. The extension is approved through May 2, 2027. Due to the extension, they sent over an amended grant agreement with these updated dates. The Select Board agreed, in a majority vote, and accepted the terms of the Hazard Mitigation Grant Program (HMGP) amendment as presented, to reflect the change of Period of Performance dates from May 2, 2026, to May 2, 2027. **John motioned that the Select Board accepts the terms of the Hazard Mitigation Grant Program (HMGP) amendment as presented, to reflect the change of Period of Performance dates from May 2, 2026, to May 2, 2027 and to sign the amended grant agreement, certification paperwork and other paperwork necessary, Tony 2nd, so voted.**

Ruth was in attendance as the notary and signed the certification letter after John Rescigno signed it.

DEPARTMENT ITEMS:

Highway Department

Bubba went over the following items:

- The one ton has been down.
- They had a company cut the trees for the North Groton Road Culvert since these trees had to be cut before April 15th to protect the bats.
- They have still been plowing and sanding.

QUESTIONS AND COMMENTS:

There were no other questions or comments from the audience.

Having no other business to conduct, John motioned to adjourn at 7:23pm, Tony 2nd, so voted.

Respectfully Submitted,

Sara Smith
Town Administrator

CERTIFICATE OF COVERAGE

The New Hampshire Public Risk Management Exchange (Primex³) is organized under the New Hampshire Revised Statutes Annotated, Chapter 5-B, Pooled Risk Management Programs. In accordance with those statutes, its Trust Agreement and bylaws, Primex³ is authorized to provide pooled risk management programs established for the benefit of political subdivisions in the State of New Hampshire.

Each member of Primex³ is entitled to the categories of coverage set forth below. In addition, Primex³ may extend the same coverage to non-members. However, any coverage extended to a non-member is subject to all of the terms, conditions, exclusions, amendments, rules, policies and procedures that are applicable to the members of Primex³, including but not limited to the final and binding resolution of all claims and coverage disputes before the Primex³ Board of Trustees. The Additional Covered Party's per occurrence limit shall be deemed included in the Member's per occurrence limit, and therefore shall reduce the Member's limit of liability as set forth by the Coverage Documents and Declarations. The limit shown may have been reduced by claims paid on behalf of the member. General Liability coverage is limited to Coverage A (Personal Injury Liability) and Coverage B (Property Damage Liability) only. Coverage's C (Public Officials Errors and Omissions), D (Unfair Employment Practices), E (Employee Benefit Liability) and F (Educator's Legal Liability Claims-Made Coverage) are excluded from this provision of coverage.

The below named entity is a member in good standing of the New Hampshire Public Risk Management Exchange. The coverage provided may, however, be revised at any time by the actions of Primex³. As of the date this certificate is issued, the information set out below accurately reflects the categories of coverage established for the current coverage year.

This Certificate is Issued as a matter of information only and confers no rights upon the certificate holder. This certificate does not amend, extend, or alter the coverage afforded by the coverage categories listed below.
