REQUESTED ACTION

Authorize the Department of Safety, Division of Homeland Security and Emergency Management (HSEM) to **retroactively** amend an existing grant agreement with the Town of Franconia (VC#177389-B001) to the Town additional time to replace and upgrade the culvert on Wells Road extending the completion date from May 2, 2026, to May 2, 2027, with no change to the price limitation of \$769,734.90, effective upon Governor and Council approval. The original grant agreement was approved by Governor and Council on October 16, 2024, item #109. **100% Federal Funds.**

EXPLANATION

The request is retroactive because additional time is necessary for the Town of Franconia to complete the Wells Road Culvert Project. The project timeline was impacted by several required steps, including obtaining necessary permits, completing and approving design plans, conducting a competitive bid process, and securing a general contractor. In addition, seasonal weather conditions in northern New Hampshire and delays associated with the Federal extension award process affected the project schedule.

The Division of Homeland Security and Emergency Management (HSEM) and the Town have agreed to extend the project completion date to May 2, 2027, effective upon Governor and Council approval. HSEM has reviewed the extension with the Federal Emergency Management Agency (FEMA) and determined that Federal funding will not be affected.

The Hazard Mitigation Grant Program (HMPG) is 90% Federally funded by FEMA with a 10% match requirement supplied by the sub-recipient. The sub-recipient acknowledges their match obligation as part of Exhibits B and C to their grant agreement.

Updating the Town's Hazard Mitigation Plan will help ensure continued eligibility for certain FEMA hazard mitigation assistance programs and other federal disaster related funding opportunities. Maintaining a current, FEMA-approved plan strengthens the Town's ability to pursue future mitigation funding, enhances emergency preparedness, and supports efforts to reduce the impacts of future natural disasters on the community.

Her Excellency, Governor Kelly A. Ayotte
and the Honorable Council

In the event that HMGP funds are no longer available, General Funds and/or Highway Funds will not be requested to support this program.

Respectfully submitted,
