Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Administrative Services to enter into a contract (Contract #8003920) with Ricci Supply Company, Inc. (VC#154254), Portsmouth, NH, in an amount up to and not to exceed \$550,000.00 for Building Materials & Hardware with the option to extend up to an additional two years, effective upon Governor and Executive Council approval through August 31, 2031.

Funding shall be provided through individual agency expenditures, none of which shall be permitted unless there are sufficient appropriated funds to cover the expenditure.

EXPLANATION

Upon approval this contract will be used for agency access to consumable building materials including but not limited to lumber, paints, door and window hardware, locks, small hand tools, etc. Agencies own and operate hundreds of buildings throughout the state requiring various periodic maintenance. The requested multi-award contract structure allows for regional coverage to ensure operational efficiencies supporting agencies and eligible participants' immediate needs while maintaining the State's competitive advantage.

The Department of Administrative Services, through the Bureau of Purchase and Property, issued request for bid (RFB) 3137-27 for Building Materials & Hardware on July 2, 2026, with responses due on July 15, 2026. The RFB reached 286 vendors through sourcing efforts, resulting in 4 compliant responses. To ensure statewide geographic coverage and fiscal efficiency, the department recommends a multi-award strategy. The DAS recommends contract awards to the following qualified vendors:

Perras Ace, LLC
White Mountain Lumber LLC

Ricci Supply Company, Inc.
The Sherwin-Williams Company

The requested price limitations for each awarded vendor will cover the full 5-year term of the contract and have been calculated from actual expenditures gathered from internal spending reporting from fiscal years 2022-2025 as well as adjustments for agency projections and regional coverage throughout the state. The price limitation includes an allowance of approximately 35%, for large projects and unforeseen expenditure under the contract's balance of product line.

The following table represents a summary of the amount necessary to accommodate the requested five-year term for Ricci Supply Company, INC. The detailed bid tabulation is attached for reference.

Contract financials	
Estimated annual spend	\$80,000.00
Term spend (5-years)	\$400,000.00
Add contingency for unknown projects	\$150,000.00

Based on the foregoing, I am respectfully recommending approval of the contract with Ricci Supply Company, Inc.

Respectfully submitted,

Charles M. Arlinghaus
Commissioner
