Fax: 603-271-4827 TDD Access: 1-800-735-2964 www.dhhs.nh.gov

September 25, 2026

Her Excellency, Governor Kelly A. Ayotte
and the Honorable Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Pursuant to the provisions of NH RSA 4:8, Gifts to the State, authorize the Department of Health and Human Services (DHHS), Division of Public Health to accept non-monetary donations anticipated to be received on October 28, 2026 and valued at \$291,764.62 as per the attached list effective upon Governor and Executive Council approval.

EXPLANATION

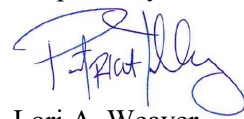

The Division of Public Health requests authorization to accept the donation of medical equipment and supplies from the federal Administration for Strategic Preparedness and Response's (ASPR) Federal Medical Station (FMS) in support of response to medical emergencies and medical surge events. ASPR is liquidating healthcare emergency response resources and encouraging States to maintain capacity to support the healthcare system during disasters. These resources will allow for sustainability of current anticipated response capacity in the absence of federal resource support.

The donated assets include patient care equipment, beds, medical and clinical supplies, personal protective equipment, oxygen, respiratory, mobility and accessibility equipment, and other materials designed to support healthcare operations during emergencies. This inventory includes resources for adult, pediatric, and bariatric populations and individuals with access and functional needs. Materials will be stored in existing warehouse space maintained by DHHS.

Upon acceptance, DHHS will integrate these assets into the State's emergency response cache and strategically distribute them to support healthcare capacity throughout New Hampshire. The equipment and supplies will augment existing healthcare system capabilities and provide additional resources that can be deployed during disasters, medical surge events, and other emergencies affecting individuals in New Hampshire.

Acceptance of this donation will strengthen statewide healthcare preparedness and expand New Hampshire's ability to rapidly support healthcare facilities and communities when existing resources are strained. In the event the assets are not accepted, the State may lack capacity to support surge needs or specialty populations in the event of an emergency event with healthcare impacts.

Respectfully Submitted,

 For:
Lori A. Weaver
Commissioner

NON-MONETARY DONATIONS ANTICIPATED TO BE RECEIVED October 28, 2026

Received from:

Total Market Value: \$291,764.62

Administration for Strategic Preparedness and Response (ASPR)
U.S. Department of Health and Human Services
200 Independence Ave
Washington, DC, 20201

On behalf of:
