

RICHARD J. LAVERS, COMMISSIONER
HEATHER A. CHERNISKE, DEPUTY COMMISSIONER

October 1, 2026

Her Excellency, Governor Kelly A. Ayotte
and the Honorable Council
State House
Concord, NH 03301

REQUESTED ACTION

To authorize New Hampshire Employment Security ("NHES") to amend an existing **Sole Source** agreement with Geographic Solutions, Inc. ("GSI"), Palm Harbor, FL, for a total amended contract price of \$2,649,996.60, an increase of \$117,740.00 for maintenance, support, and hosting services for NHES's Job Match System ("JMS"). This amendment provides for GSI to develop two new Application Programming Interfaces ("API") to be added to NHES's existing license of JMS software to assist the State in helping residents participating in the Medicaid Granite Advantage Health Care Program ("Medicaid") meet the new Community Engagement/Work Requirements starting in 2027. The amended Contract will be effective upon Governor and Council approval through the original term of June 30, 2027. The original contract was approved by Governor and Council on June 26, 2024, item #96. 100% Other Funds.

02-27-27-270010 DEPT OF EMPLOYMENT SECURITY		SFY 2027
8040-038-509038	Agency Application Software	\$117,740.00

EXPLANATION

The JMS software provided by GSI serves as the State of New Hampshire's labor exchange; it allows individuals seeking employment opportunities to search for jobs, connect with employers, and explore ways to participate in the labor market on a statewide basis. JMS also serves as NHES's case management system for individuals being served by the Agency, including the WorkNowNH program, the State's voluntary work program for individuals enrolled in Medicaid. Beginning on January 1, 2027, individuals enrolled in Medicaid will be required to complete and document 80 hours/month of work and training related activities. The Department of Health and Human Services ("DHHS") and NHES entered a Memorandum of Understanding (approved by Governor and Council on September 16, 2026, item #109) to utilize the existing JMS resources to help Medicaid participants in meeting these reporting requirements.

Through this amendment, GSI will develop and license to NHES two new APIs. The first API will register Medicaid participants for JMS. The second API will track those participants' work and training related activities and report such activities to DHHS. Utilizing the existing JMS

resources will help create awareness and better utilization of these resources as well as promote efficiency for participants. Through continued coordinated outreach by DHHS and NHES, the hope is that utilization of JMS will be broad based and will assist Medicaid participants not only meet the new work requirements but will also be impactful in providing a path towards training and employment in high demand occupations in New Hampshire.

In the event Other funds become no longer available, General funds will not be requested to support this contract.

Attached is the approval letter from the Office of Information Technology (“DoIT”).

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'R. Lavers', with a stylized flourish at the end.

Richard J. Lavers
Commissioner

Denis Goulet, *Commissioner*

September 29, 2026

George N. Copadis, Commissioner
New Hampshire Employment Security
State of New Hampshire
45 S. Fruit Street
Concord, NH 03301

Dear Commissioner Copadis:

This letter represents formal notification that the Department of Information Technology (DoIT) has approved your agency's request to enter into a contract amendment with Geographic Solutions, Inc., as described below and referenced as DoIT #2025-002A.

The purpose is to provide maintenance and support of NHES' Job Match System.

The Total Price Limitation shall increase by \$117,740, for a new Total Price Limitation of \$2,649,996.60 effective upon Governor and Council approval with no change to the end date of June 30, 2027.

A copy of this letter must accompany New Hampshire Employment Security's submission to the Governor and Executive Council for approval.

Sincerely,

A handwritten signature in black ink, appearing to read "Denis Goulet".

Denis Goulet

DG/jd
DoIT #2025-002A

**STATE OF NEW HAMPSHIRE
NEW HAMPSHIRE EMPLOYMENT SECURITY**

**CONTRACT 2024-06
CONTRACT BETWEEN NHES AND GEOGRAPHIC SOLUTIONS, INC.**

CONTRACT AMENDMENT #1

WHEREAS, pursuant to the **Sole Source** Agreement approved by Governor and Council on June 26, 2024, Item #96, hereinafter referred to as “Agreement,” Geographic Solutions, Inc., hereinafter referred to as “Vendor” or “Contractor,” agreed to supply certain products and services in connection with its proprietary Job Match and Labor Exchange System (“Job Match System” or “JMS”), based upon terms and conditions specified in the Agreement, and in consideration of payment of certain sums by New Hampshire Employment Security (“NHES”);

WHEREAS, pursuant to Paragraph 18 of Contract Form P-37, General Provisions, the Agreement may be modified or amended only by a written instrument executed by the parties thereto and approved by the Governor and Executive Council;

WHEREAS, the Job Match System provided by the Vendor through the Agreement with NHES serves as the State of New Hampshire’s labor exchange- it allows individuals seeking employment opportunities to search for jobs, connect with employers, and explore ways to participate in the labor market on a statewide basis. Further, this system also serves as the case management platform where activities and interactions between employment counselors and customers are logged and tracked;

WHEREAS, in order to assist with the implementation of Federal Community Engagement/Work Requirements for participation in the Medicaid Granite Advantage Health Care Program (“Medicaid”), the New Hampshire Department of Health and Human Services (“DHHS”) has decided to partner with NHES in leveraging the Job Match System to register individuals subject to these Requirements to help create awareness and better utilization of existing state resources available for job training and employer engagement, and to also have those activities participated in by individuals so registered in the Job Match System to then be automatically reported back to DHHS and counted towards continued eligibility for such program;

WHEREAS, DHHS and NHES have entered into an MOU for data sharing that, coupled with enhancements to be made by the Vendor for the Job Match System, will allow DHHS to rely on NHES’ existing Job Match System, as provided through its Agreement with Geographic Solutions, to achieve the required promotion of state systems as a resource for individuals subject to the Community Engagement/Work Requirements and the resulting communication of qualifying activities back to DHHS for purposes of documenting such engagement;

WHEREAS, the software development anticipated by this amendment will include the creation and maintenance of two secure Application Programming Interfaces (“APIs”) to provide a secure connection between systems maintained by DHHS and the NHES Job Match

System licensed to NHES by Geographic Solutions. The software development will also include administrative screens and database tables within the Job Match System to support the conversion of reported activities into time increments. The first secure API will allow for registration of Medicaid program participants in JMS (the “Registration API”) and the second secure API will then provide for tracking and reporting back to DHHS of the work search and training related activities completed by individuals (the “Reporting API”); and

WHEREAS, Geographic Solutions and NHES have agreed to amend their existing Agreement in order to provide for this additional connection and functionality.

NOW THEREFORE, in consideration of the foregoing, and the covenants and conditions contained in the Amended Agreement and set forth herein, the Parties agree as follows:

Table 1 – Modifications to Deliverables

CONTRACT NHES 2024-06	AMENDED TEXT	
Exhibit B – Statement of Work	Amend Exhibit B – Statement of Work, Section 3 Activity, Deliverable, and Milestone to read as follows:	
	Deliverable	Term
	License Agreement for JMS software	July 1, 2024 – June 30, 2025
	License Agreement for WIOA software	July 1, 2024 – June 30, 2025
	Hosting Services	July 1, 2024 – June 30, 2025
	License Agreement for JMS software	July 1, 2025 – June 30, 2026
	License Agreement for WIOA software	July 1, 2025 – June 30, 2026

	Hosting Services	July 1, 2025 – June 30, 2026
	License Agreement for JMS software	July 1, 2026 – June 30, 2027
	License Agreement for WIOA software	July 1, 2026 – June 30, 2027
	Hosting Services	July 1, 2026 – June 30, 2027
	Work Plan and Technical Specification	Within 45 Days of Governor and Council Approval of Amendment 1
	Development of Registration API	January 1, 2027
	Development of Reporting API	Within 60 Days of Contractor's Receipt of State's activity and time increment data, conversion criteria, and reporting data format
	Development of Administrative Screens and Database Tables	Within 60 Days of Contractor's Receipt of State's activity and time increment data, conversion criteria, and reporting data format
	Support and Maintenance of Registration API and Reporting API	Delivery of the Registration API to User Testing Acceptance Environment – June 30, 2027
Exhibit B – Statement of Work	Amend Exhibit B – Statement of Work by adding the following Section 14: 14. Development of Registration API, Reporting API, and Administrative Screens and Database Tables.	

	Contractor shall work with the State to develop a Registration API. The Registration API shall allow for the secure transmission of Medicaid participant information, as identified by the State, from the system identified by the State into the Job Match System, where such information will serve to create a registration for such individuals in the Job Match System. Data elements and transmission frequency shall be defined in the Work Plan. Contractor agrees to cooperate with the state in executing any additional confidentiality agreements required by the state as a condition for contractor's work and involvement with the Medicaid participant information. Contractor shall also work with the State to develop a Reporting API. The Reporting API shall allow for the reporting from the Job Match System back to a system identified by the State of activities, as defined by the State, completed and/or participated in by individuals identified by the State. The Reporting API shall convert such activities into time increments pursuant to instructions and criteria provided by the State. Data elements, reporting format, and reporting frequency shall be defined in the Work Plan. Contractor shall also develop administrative screens and supporting database tables within the Job Match System allowing authorized NHES users to define and maintain the activities eligible for reporting and the time increments assigned to each activity. Contractor shall perform the initial load of activity and time increment data provided by the State. NHES shall maintain this data following Acceptance. Data elements, transmission methods and frequency, reporting formats, non-public data designations, acceptance criteria, and testing responsibilities shall be documented in a Work Plan mutually agreed in writing by the Contractor and the State. The Registration API shall be delivered to production on or before January 1, 2027. The Administrative Screens and Database Tables and the Reporting API shall each be delivered to production within sixty (60) days of Contractor's receipt of the State's activity and time increment data, conversion criteria, and reporting data format. If this Amendment is approved by the Governor and Executive Council after October 21, 2026, these dates shall be extended by the number of calendar days between October 21, 2026 and the date of approval. These dates shall also be extended day-for-day for any delay in the State's provision of data specifications, test environments, technical resources, or conversion criteria. For the purposes of Exhibit B, Section 4.3
--	--

	Number of Deliverables, the Registration API and Administrative Screens shall be considered one (1) Deliverable. Each deliverable under this Section 14 shall be reviewed and accepted under the review periods in Exhibit B, Section 4.1, using acceptance criteria documented in the Work Plan. NHES shall conduct acceptance testing of the Registration API and the Administrative Screens and Database Tables. NHES shall then be responsible for working with DHHS to conduct acceptance testing of the Reporting API. The State’s written Acceptance of each deliverable shall serve as the basis for invoicing under Exhibit C. Acceptance of a deliverable under this Section 14 shall not be revoked based on Deficiencies identified in a different deliverable under this Section 14. Changes to scope resulting from federal or state legislation, regulation, or administrative guidance, or from changes to activity definitions, conversion criteria, data specifications, or reporting requirements after the Work Plan is agreed, shall be handled as Change Orders under Exhibit B, Section 5. Support and Maintenance fees for deliverables under this Section 14 begin upon Contractor’s delivery of the Registration API to the user acceptance testing environment and continue through the Completion Date in P-37 Block 1.7. Support and Maintenance consists of correction of Deficiencies in accordance with Exhibit B, Section 10. It does not include Enhancements or changes to data specifications, activity definitions, conversion criteria, or reporting frequency, which shall be handled as Change Orders under Exhibit B, Section 5. Support and Maintenance fees shall not exceed \$13,500.00 in total and shall be invoiced in equal monthly installments from the start date through June 30, 2027. The Registration API, Reporting API, and Administrative Screens and Database Tables are modifications to the Program and are subject to Exhibit B, Section 1, Ownership, and Exhibit D, Section 2, Software Title.		
Exhibit F – Terms and Definitions	Amend the definition of Work Plan in Exhibit F to read as follows: <table border="1" data-bbox="565 1623 1411 1856"> <tr> <td data-bbox="565 1623 984 1856">Work Plan</td><td data-bbox="984 1623 1411 1856">Documentation that details the activities for the Project created in accordance with the Contract. The plan and delineation of tasks, activities and events to be performed and Deliverables to be produced under the Project as</td></tr> </table>	Work Plan	Documentation that details the activities for the Project created in accordance with the Contract. The plan and delineation of tasks, activities and events to be performed and Deliverables to be produced under the Project as
Work Plan	Documentation that details the activities for the Project created in accordance with the Contract. The plan and delineation of tasks, activities and events to be performed and Deliverables to be produced under the Project as		

		specified in Appendix B: Business/Technical Requirements and Deliverables. The Work Plan shall include a detailed description of the Schedule, data specifications , tasks/activities, Deliverables, acceptance criteria , critical events, task dependencies, and the resources that would lead and/or participate on each task.
--	--	---

Table 2 – Modifications to Price Terms

Form P-37 General Provisions, Block 1.8 Price Limitation	Amend Form P-37 General Provisions, Block 1.8 Price Limitation by increasing the Price Limitation from \$2,532,256.60 to \$2,649,996.60, an increase of \$117,740.00 as shown in the price breakdown provided at Exhibit C below.
Exhibit C – Section 9, Project Holdback	Amend Exhibit C, Section 9 Project Holdback to read as follows: The State shall withhold ten percent (10%) of the price for each Deliverable except Software License fees, as set forth in the Payment Table, until successful conclusion of the Warranty Period. Notwithstanding the foregoing, for deliverables under Exhibit B, Section 14, the Project Holdback shall be released upon the earlier of the conclusion of the Warranty Period or the Completion Date in P-37 Block 1.7.

Exhibit C – Section 10, Payment Schedule

Amend Exhibit C – Price and Payment Schedule, Section 10.1 to read as follows:

10.1 Contract Type

This is a Fixed Firm Price Contract. The total Contract value is indicated in P-37 General Provisions – Block 1.8 Price Limitation for the period between the Effective Date through date indicated in P-37 General Provisions – Block 1.7 Completion Date. The Contractor shall be responsible for performing its obligations in accordance with the Contract. This Contract will allow the Contractor to invoice the State for the following activities, Deliverables, or milestones appearing in the price and payment tables below:

10.1.1 Activities Deliverables/Milestones Pricing

Deliverable	Term	Cost
License Agreement for JMS software	July 1, 2024 – June 30, 2025	\$286,328.80
License Agreement for WIOA software	July 1, 2024 – June 30, 2025	\$269,682.90
Consumer Reports	July 1, 2024 – June 30, 2025	\$18,694.50
Hosting Services	July 1, 2024 – June 30, 2025	\$265,225.00
License Agreement for JMS software	July 1, 2025 – June 30, 2026	\$286,328.80
License Agreement for WIOA software	July 1, 2025 – June 30, 2026	\$269,682.90
Consumer Reports	July 1, 2025 – June 30, 2026	\$24,926.00
Hosting Services	July 1, 2025 – June 30, 2026	\$265,225.00
License Agreement for JMS software	July 1, 2026 – June 30, 2027	\$286,328.80
License Agreement for WIOA software	July 1, 2026 – June 30, 2027	\$269,682.90
Consumer Reports	July 1, 2026 – June 30, 2027	\$24,926.00

	Hosting Services	July 1, 2026 – June 30, 2027	\$265,225.00
	Work Plan and Technical Specification	Upon State Acceptance	\$20,848.00
	Development of Registration API	Per Exhibit B, Section 14	\$41,696.00
	Development of Reporting API and Administrative Screens and Database Tables	Per Exhibit B, Section 14	\$41,696.00
	Support and Maintenance of Registration API and Reporting API	From delivery of the Registration API to the user acceptance testing environment through June 30, 2027	\$13,500.00

Except as provided herein, all provisions of the Amended Agreement will remain in full force and effect. This modification will take effect upon the date of approval by the New Hampshire Governor and Executive Council.
