Re: PETITION FOR HEARING – Pelham #41751A

Under RSA 230:14, attached is a petition for a hearing to construct a roundabout at the intersection of Mammoth Road (NH Route 128) and Marsh Road (NH Route 111A). Mammoth Road is a north-south Class II State Highway. Marsh Road is an east-west Class IV State Highway. The purpose of the project is to address safety and capacity concerns at the intersection.

As this petition is not for the limitation or control of access, a Commission of Three Persons should be appointed by the Governor with the advice of the Executive Council to hold a hearing as prescribed by RSA 230:14. The Commission of Three Persons shall determine whether there is an occasion for the project.
