REQUESTED ACTION

Authorize the Department of Safety, Division of Homeland Security and Emergency Management to **retroactively** amend an existing grant agreement with the Town of Northwood (VC#177455-B001), with no change to the price limitation of $60,000, to purchase and install a generator for the community's shelter at Northwood School by revising the completion date from August 31, 2024, to August 31, 2027. Effective upon Governor and Council approval. This original grant agreement was approved by Governor and Council on May 29, 2024, item #112. **100% Federal Funds.**

EXPLANATION

This request is **retroactive** because the required documents for reimbursement and closeout were not submitted or completed before the original grant agreement completion date. Although the backup generator was installed and operational by October 18, 2024, the required reimbursement and grant closeout documentation was not completed before the original grant period expired. As a result, project must be reassigned to an alternate grant year to allow completion of the remaining administrative close requirements.

The delay resulted from a combination of administrative, local, and federal factors, including delayed submission of required documentation, staffing and grant administration challenges, and the timing of processing the amendment after the original funding year had closed. Division of Homeland Security and Emergency Management has coordinated with Federal Emergency Management Agency (FEMA) and has received confirmation that this adjustment will not impact the availability or eligibility of Federal funding.

The Emergency Management Performance Grant (EMPG) is 50% Federally funded by FEMA with a 50% match requirement supplied by the sub-recipient. The sub-recipient acknowledges their match obligation as part of Exhibits B and C to their original grant agreement.

In the event that EMPG funds are no longer available, General Funds and/or Highway Funds will not be requested to support this program.

Respectfully submitted,

Robert L. Quinn
Commissioner of Safety

To make New Hampshire the safest state in the Nation with the highest quality of life for all.

Selectboard Meeting Minutes
August 11, 2026

ROLL CALL: Board Chair James Guzofski, Vice-Chair Matt Frye, Board Member Pam Sanderson, Board Member Dan Tatem and Board Member David Copeland.

STAFF PRESENT: Town Administrator Neil Irvine

6:00 P.M. Mr. Guzofski opened the Northwood Selectboard meeting with a roll call and the pledge of allegiance.

Citizen's Forum:
Mr. Vaillancourt stated he understood that what was perceived as changes to the recycling rules was in fact the enforcement of what was already in place, which had previously been lacking. Regrettably, the prior permitting of non-compliance and random enforcement has led to behavior that is not desired and resistance to the current enforcement. He would encourage the Board to support better signage and production of a recycling quick guide to help residents succeed in their recycling efforts.

Appointments:
Mr. Vaillancourt, Town Moderator, was recognized for his appointment with the Board to discuss the upcoming Primary and General Elections, highlighting the new absentee ballot verification and Voter Id requirements in place this year, along with the potential for disruptions with Election monitors in the State. He indicated to the Board that his intention was to reconfigure the layout of the gymnasium, swapping the voting machine and check-in locations to allow for a greater number of voters under cover in case of inclement weather, and an immediate exit after voting to reduce people congregating inside the polls. He asked for support from the Board for a 30-minute parking limitation, and requested that they limit their time inside the voting area to official duties only. He also requested logistical support in moving supplies to the school to set up the polling place. TA Irvine confirmed that Devin and Mack had been made aware of the need for their help. Mrs. Dole, Supervisor of Checklist, joined the conversation sharing that of the 309 letters sent to individuals who had not voted in the past 5 years 71 had been returned undeliverable and that there existed the potential for same day challenges if voters have been removed from the list or are registering for the first time and have not brought the right documentation to be compliant with the new voter ID laws. TA Irvine said he would coordinate with the Town Clerk to get appropriate messaging out on the website and Social Media page. The Board thanked Mr. Vaillancourt and Mrs. Dole for their service and expressed confidence for a successful election.

Motion: P. Sanderson
Second: M. Frye
Motion carried by vote of 5-0.

Building Inspector vehicle:
TA Irvine reported to the Board that the brakes on the Building Inspectors vehicle failed last week while on Route 4, fortunately he was able to avoid the stopped traffic or leaving the road and crashing. The vehicle was immediately taken out of service, and the extent of necessary repairs is being assessed. TA Irvine asked the Board for guidance on a "not to exceed" figure once he has a quote from the garage or a short-term solution should repair not be an option. The consensus of the Board was to stop putting money into a 20 year old truck and to rent a vehicle until the DPW Dodge RAM can be transferred to the Building Department.

RSA 673:13 Hearing:
TA Irvine confirmed that the Hearing pursuant has been scheduled for August 18th at 6:30pm in the Community Center and the Public Notice had been posted.

EMPG Amendment; TA Irvine informed the Board that our previous amendment to the Emergency Management Performance Grant to install a backup generator at the elementary school, to allow the facility to be used as an emergency shelter, had lapsed before going before the Governor and Council for final approval. HSEM has provided us with a new amendment document changing the period of performance that needs to be executed to secure the reimbursement.

NH Public Risk Management Exchange

CERTIFICATE OF COVERAGE

The New Hampshire Public Risk Management Exchange (Primex³) is organized under the New Hampshire Revised Statutes Annotated, Chapter 5-B, Pooled Risk Management Programs. In accordance with those statutes, its Trust Agreement and bylaws, Primex³ is authorized to provide pooled risk management programs established for the benefit of political subdivisions in the State of New Hampshire.

Each member of Primex³ is entitled to the categories of coverage set forth below. In addition, Primex³ may extend the same coverage to non-members. However, any coverage extended to a non-member is subject to all of the terms, conditions, exclusions, amendments, rules, policies and procedures that are applicable to the members of Primex³, including but not limited to the final and binding resolution of all claims and coverage disputes before the Primex³ Board of Trustees. The Additional Covered Party's per occurrence limit shall be deemed included in the Member's per occurrence limit, and therefore shall reduce the Member's limit of liability as set forth by the Coverage Documents and Declarations. The limit shown may have been reduced by claims paid on behalf of the member. General Liability coverage is limited to Coverage A (Personal Injury Liability) and Coverage B (Property Damage Liability) only, Coverage's C (Public Officials Errors and Omissions), D (Unfair Employment Practices), E (Employee Benefit Liability) and F (Educator's Legal Liability Claims-Made Coverage) are excluded from this provision of coverage.

The below named entity is a member in good standing of the New Hampshire Public Risk Management Exchange. The coverage provided may, however, be revised at any time by the actions of Primex³. As of the date this certificate is issued, the information set out below accurately reflects the categories of coverage established for the current coverage year.

This Certificate is issued as a matter of information only and confers no rights upon the certificate holder. This certificate does not amend, extend, or alter the coverage afforded by the coverage categories listed below.
